transcendent position & W. R. Bion's conceptions of intuition & knowing & transformation of "O", 30603
transformational aspects of unconscious phantasy during dyadic communication under influence of marijuana, 42539
transitional history of early psychoanalytic movement & impact of war & Nazism & religion, conference presentation, 17545
trends in theory of psychoanalytic technique in postmodern world, 35389
use of actuarial data & psychoanalytic object relations perspective to treat individuals prone to violence in context of intimate love relationship, 32 yr old female who shot her estranged husband, 31234
value of psychoanalytic ego centered vs genetic/neurochemical theory in conceptualization of schizophrenia etiology, 30958
viability of Freud's project for scientific psychology based in neurophysiology & need for distinction between neurological vs cognitive vs psychodynamic unconscious, commentary, 11806
viability of Freud's project for scientific psychology based in neurophysiology & need for distinction between neurological vs cognitive vs psychodynamic unconscious, 11821
views of Freud's interpretation of phallic psychosexual stage, Black college students, South Africa, 1108
witness role of analyst as selfobject function & healing presence in psychoanalysis, 17 yr old female & male in mid-thirties, 19074

Psychoanalytic Therapy [See Psychoanalysis]

Psychoanalytic Training—Serials
clinical immersion during psychoanalytic training & success rate of pre- vs post-graduation terminated cases, 1983–1992 graduates, 5488
development & role of M. Fordham in Jungian child analytic training, 24422
features of psychoanalytic institutes & inhibition of creativity of candidates, implications for psychoanalytic education, 13556
follow-up material on use of psychoanalytically oriented psychotherapy before conversion to psychoanalysis, 22 & 35 yr old clients & analytic training candidates, 27348
historical account of lay analysis, 19912
interest in psychotherapeutic societies & attitudes toward specialist training & personal & training therapy & analysis, mental health professionals recently completed or in training, Netherlands, 9733
methods & criteria for selecting applicants for psychoanalytic training, psychoanalytic training analysts, Netherlands, 20434
multiple functions of supervisor & relationships with supervisee & patient & analyst & institution, summary of 7th International Psychoanalytical Association Conference of Training Analysis, 1995, 5484
personal reflection on creative potential of play and regression in analytical training, commentary appended, 40261
psychoanalytic research in psychoanalytic training, reprint, 28670
psychoanalytical contributions of K. Landauer & South West German Psychoanalytic Study Group, conference presentation, 17547
Society of Analytic Psychology infant observations & seminar discussions conducted by G. Williams & attended by M. Fordham & parallels between Jungian & Kleinian concepts, interview, 24423
sources of difficulties in applying basic dream concepts to interpretation of patients' dreams, dream analysis candidates, 36875
supervision & understanding of analytic process, 13563
training requirements, analytic technique, candidates, 33183
use of psychoanalytically oriented psychotherapy before conversion to psychoanalysis, 22 & 35 yr old clients & analytic training candidates, 27349

Psychobiology—Serials
anatomical & physiological perspective on psychobiology of obsessive-compulsive disorder, literature review, 31082
application of psychobiological animal conditioning model to amnesic category learning, test of hippocampal-region function theory, implications for human amnesia & learning, 21495
basic brain functions of affect & memory & attachment, individuals with emotional dysfunction, implications for psychobiologic conceptualization of psychotherapy, 26435
biopsychosocial model of antisocial personality disorder, 4221
critique of attachment theory & model of psychological attunement in separation, human & animal mothers & their children, 15283
developmental psychobiology & therapeutic interventions for cyclic affective illness, 7928
fantasy & dissociative processes & aggression & selfobject relations in bioself-psychological model & approach to psychoanalytic treatment, patients with panic disorder, 22905
G. E. Vaillant's model of personality based on defense mechanisms vs C. R. Cloninger's psychobiological model, 18–69 yr olds from family pedigrees with at least two alcoholic members, 22597
neuropsychic & psychobiological levels & recurrent self organization of human endo-systems, involvement & commitment in communication & interactive consciousness, 7637
physiological vs psychological factors, biological differences in brains of schizophrenic vs normal patients, 12035
presenting features & cognitive & physiological mediating variables & psychobiological conceptualization of nocturnal panic & distinction from other sleep related disorders, 31069
psychobiologic reactivity & cardiovascular responses, 3–5 yr olds, 29768
psychobiological models of hippocampal functioning in learning & memory, literature review, 29290
psychobiological perspective on role of high levels of physical activity in development & maintenance of anorexia nervosa, 31497
psychobiological vulnerability perspective on biological & neuropsychological correlates of psychopathy & development of antisocial behavior, 26600
psychobiology & pharmacotherapy of PTSD, 16634
psychobiology of acute schizophrenia, conference presentation, 4171
psychobiology of obsessive compulsive disorder, 31081
research in fetal sensory & motor capacities & behavior & role in developmental psychobiology, letter, 7163

Psychodiagnosis [See Also Psychodiagnostic Interview]—Serials
accurate identification of pathological narcissism & Rorschach, patients vs college students, 35699
act-based analysis of obsessive-compulsive & paranoid & histrionic personality disorder based on everyday behavior, clinical psychologists & nonclinicians, 12122
adherence to DSM-III-R criteria in diagnosis of personality disorder, psychologists & psychiatrists, replication, 12109
administration & interpretation of results from Children's Depression Inventory & use as diagnostic instrument, children, 37435

age, DSM-III-R Axis I diagnoses, 21–92 yr olds who commited suicide, 1348
age of onset criterion for ADHD diagnosis, 42589
application of drive theory to psychoanalytic diagnosis & treatment, psychiatric patients, reprint, 32295
application of 3-level framework to cultural insertions in DSM-IV, 30796
assessment & characteristics of childhood psychopathy, 12–13 yr old males, 39157
assessment in primary health care setting, impact of relationships among doctor & client & counselor & time & money factors, 13219
assessment of malingering in forensic psychodiagnostic evaluations, consultant-expert witnesses, 14149
barriers to diagnosis & treatment, elderly patients with depression, conference presentation, 31977
barriers to diagnosis & treatment in primary care settings, elderly patients with depression, conference presentation, 32871
bedside stuffed animal display as clinical clue suggesting evaluation for borderline personality disorder, 18–80 yr old female psychiatric inpatients who were active or retired military personnel, 12118
behavior therapy techniques based on nosological classification vs functional analysis, dysphoric students, Spain, 8862
behavior therapy techniques based on nosological classification vs functional analysis, dysphoric students, Spain, commentary, 19837
benefits & constraints of symptom-based DSM-IV classification & diagnosis, 38857
bias & other issues in cross-cultural assessment & diagnosis of child psychopathology, 2636
biopsychosocial approach to diagnosis & treatment, female 13 yr old with undefined cyclic psychiatric illness, case report, commentary reply, implications for levonorgestrel, letter, 7860
biopsychosocial approach to diagnosis & treatment, female 13 yr old with undefined cyclic psychiatric illness, case report, commentary, implications for levonorgestrel, letter, 7843
categorization of body dysmorphic disorder as obsessive compulsive spectrum disorder & part of broad affective disorder spectrum, commentary reply, letter, 11911
categorization of body dysmorphic disorder as obsessive compulsive spectrum disorder & part of broad affective disorder spectrum, commentary, letter, 11924
certainty for diagnosis of schizophrenia & prediction of outcome, male VA psychiatric inpatients, 19130
characteristics & demographics & diagnosis & nursing needs, long-term voluntarily hospitalized vs criminally committed psychiatric patients, Japan, 40131
classification & diagnosis & psychotherapy & drug therapy treatment of postpartum depressive disorders, 19173
classification of quantitative EEGs by classical statistical vs neural network analysis in dementia detection, ambulatory 18–84 yr olds with depression vs anxiety vs dementia, 27004
client White vs Hispanic ethnicity & blunted affect, diagnosis & ratings of prognosis & empathy with female in vignette, 31–66 yr old White psychotherapists, 8747
clinical & polysomnographic validity of dysthymic & intermittent & subsyndromal depressions, 42246
clinical characteristics & diagnosis & etiology & treatment of psychogenic seizures vs epilepsy, 23267
clinical decision making process & symptoms & differential diagnosis & drug treatment, children & adolescents with psychotic disorders, 32454
clinical diagnostic profile, males vs females with alcohol use disorder &/or major depression, 42146
clinical features & etiology & assessment & differential diagnosis & treatment & prognosis & prevention, 65+ yr olds with delirium, 32652
clinical field validity of Rorschach revised depression index & coping deficit index, 17–57 yr old inpatients with major depression vs borderline personality disorder, 17630
clinical personality assessment measures, 1974–1995, literature review, 14293
clinical profile of pseudodepression with mental inertia vs pseudopsychopathy with impulsivity personality syndrome, 7-yr-old female with focal left-frontal lesion, clinical case report, 23384
clinical severity of DSM-III-R vs DSM-IV diagnosis of melancholia, 18–65 yr old outpatients with unipolar depression, 1249
clinical symptoms & DST & family psychiatric history & outcome, variable vs inconsistent diagnosis of schizophrenia or schizoaffective or affective disorders, patients with nonmanic psychosis, 1308
clinical validity of atypical depression as episode specifier for major depression & dysthymia, literature review, 30872
clinical vs research diagnosis of psychoactive substance use disorders, 15–58 yr old 1st admission psychotic patients, 1280
clinician feedback integrating MMPI-2 & Rorschach findings, clients, 10441
cognitive function & positive & negative symptoms & diagnosis, schizophrenic vs bipolar adults (mean age 43.8 & 41.9 yrs), 19120
comorbidity & assessment of personality & Axis I disorders, implications for cognitive & behavior therapy, 8073
comparison of DSM-IV & Diagnostic Classification: Zero to Three psychiatric diagnostic systems, 1–24 mo olds with psychogenic & functional pediatric symptoms, 7838
components of comprehensive clinical assessment of rapists, 35747
concurrent validity of OPCRIT diagnostic system, patients recruited for study on functional psychosis, 22830
consideration of values in justifying nosologic changes & inclusion of medication induced movement disorders in DSM-IV, 28518
consistency between DSM-III—R & DSM-IV diagnoses of anxiety disorders, 9–13 yr olds, 8028
consistency of symptom profiles across episodes, 25–42 yr old catatonic patients, meeting presentation, longitudinal studies, 42319
conventional symptom clusters, validation of subjective experience & related symptoms, 20–61 yr old patients with active or residual schizophrenia, Japan, 42328
correlation between MCMI & revised Personality Diagnostic Questionnaire & assignment of clinical labels, nonclinical college students, 2641
criterion validity of NIMH Diagnostic Interview Schedule for Children Version 2.3 vs clinician ratings of Epidemiology of Child & Adolescent Mental Disorders Study, 9–17 yr olds & their parents, 6058
CT vs SPECT vs clinical assessment in evaluation of dementia, 47–95 yr olds with Alzheimer's type or vascular dementia or other psychiatric diagnoses, 8607
cultural identity & elements in therapeutic relationship & use of DSM-IV Outline for Cultural Formulation, 6–13 yr old Native Americans, clinical case report, 42160
culture & etic vs emic approaches to psychiatric diagnostic assessment, Vietnamese, Australia, 28505
Dandy-Walker syndrome & suspected pseudoseizures, 19 yr old female, case report, implications for diagnosis of conversion disorder, 26870
data to support relationship between Rorschach & self report & MMPI, child & adolescent & adult psychiatric patients, 10465
definite or possible functional psychotic illness with no diagnostic classification & partial or transient symptoms, outcomes, psychiatric patients, 2.5 yr followup, 22844
definition & differential diagnosis & prevalence of hyperactivity, school age males, China, 4401
definition of early course & detection early at onset or in prodrome of schizophrenia, 12057
degree of agreement between parent & adolescent report of major psychiatric disorders in adolescent, parents & 14–18 yr olds, 35458
dementing disorders & principles of management of psychiatric disorders, elderly & young patients, literature review, 39512
demographic & clinical data on psychiatric emergencies, Saudi Arabia vs Britain, 12-mo study, 30730

demographic & cognitive & psychiatric diagnosis & treatment history variables associated with tardive dyskinesia, 60 yr old & older geropsychiatric outpatients, 7805
demographic & diagnostic & treatment outcome characteristics, military veterans with vs without active substance or alcohol abuse, 31319
demographics & psychiatric diagnosis & symptom severity, 18–64 yr olds presenting for ADHD evaluation, 35889
depressive symptoms measured by standard screening scale vs clinical diagnostic vs latent variable measurement, 55–95 yr old females, 7923
development & evolution of psychiatric diagnostic criteria & issues related to diagnostic complexity & depression, 26477
development & psychometrics & factor structure of Reactivity of Psychosis Rating Form, assessment of reactivity to stress in psychosis, patients with functional psychosis, Scandinavia, 21051
development & treatment & prevention practices of & assessement in McGill Infant Psychiatry program, 15–48 mo olds with behavior disorders & their parents, 35731
development & use of new subscales of Inventory of Interpersonal Problems in diagnosis of personality disorders, psychiatric patients, 19263
developmental & clinical features & diagnostic criteria of elective mutism, children & adolescents, 8439
developmental & social emotional profile & clinical presentation & psychodynamics & relational problems & psychotherapy, children with nonverbal learning disabilities, 26793
developmental process for DSM for Primary Care Child & Adolescent Version, commentary, 38880
diagnosis & assessment of traumatic experiences & PTSD, multicultural refugee or immigrant psychiatric patients, Sweden, 1 yr study, 22887
diagnosis & classification of panic & agoraphobia & the Panic-Agoraphobic Spectrum Questionnaire, inpatients (mean age 36.7 yrs) with psychiatric disorders, 35652
diagnosis & epidemiology & clinical course, individuals with panic disorder, 26560
diagnosis & incidence of post-stroke depression, 42248
diagnosis & neurobiology & treatment, pathological gamblers, literature review, 26610
diagnosis & prevalence & psychosocial & medical side effects & assessment & treatment, patients with bulimia nervosa, 19474
diagnosis & psychobiology & pharmacologic & behavioral treatment of agitation, patients with dementia, 8721
diagnosis & short-term course & outcome of illness, patients with affective or nonaffective acute psychosis, 12 mo study, India, 26521
diagnosis & symptoms & treatment strategies, patients with body dysmorphic disorder, 26414
diagnosis & treatment & prognosis of negative symptoms, patients with schizophrenia, conference presentation, 4736
diagnosis & treatment of delirium, patients with HIV infection, 31670
diagnosis & treatment of depression, chronic pain patients, 19516
diagnosis & treatment of primary care depression, 37–61 yr old general practitioners, England, 7930
diagnosis at family physician visit & appropriate antidepressant treatment, patients with somatic manifestations of depression, 19149
diagnosis in counseling, 16484
diagnosis in primary care settings, late life depression patients & elderly suicide victims, conference presentation, 32784
diagnosis of ADHD & efficacy & side effects of stimulant medication, literature review, 1937–95, 19943
diagnosis of anorexia nervosa with vs without amenorrhea, 15–64 yr old females, 4444
diagnosis of mental disorder, 20–77 yr olds with epilepsy vs mental retardation, UK, 35407
diagnosis related to obsessive compulsive disorder & pharmacotherapy of trichotillomania, literature review, 12983
diagnostic & assessment approaches of personality disorders, older adults, 19266
diagnostic & therapeutic issues, 33 yr old psychotic male with imaginary friend & paranoid schizophrenic symptoms, case report, 1304
diagnostic & therapeutic issues, 33 yr old psychotic male with imaginary friend & paranoid schizophrenic symptoms, case report, commentary, 42338
diagnostic & therapeutic issues, 33 yr old psychotic male with imaginary friend & paranoid schizophrenic symptoms, case report, commentary, 42298
diagnostic &antipsychotic treatment issues in elderly psychotic patients, 39044
diagnostic accuracy of general practitioner vs neuropsychological assessment, prevalence of dementia, 65–103 yr olds, Netherlands, 1 yr followup, 25078
diagnostic agreement between clinicians & Diagnostic Interview for Children & Adolescents-Revised, 6–17 yr old outpatients & their parents, Spain, 35465
diagnostic categories in 1994 version of DSM-IV specific to children & adolescents, implications for assessment & treatment & legal & ethical issues for clinicians & impact of managed care, 7790
diagnostic criteria & epidemiology & neurobiology & pharmacotherapy of social phobia, 19236
diagnostic criteria & patient use of mass media self help sources, 36 yr old female with attention deficit disorder, case report, 42591
diagnostic criteria for etiological relationship to ADHD, children with fetal alcohol syndrome, letter, 42535
diagnostic distinctions, antisocial personality disorder vs borderline personality disorder, 42423
diagnostic specificity of Munich Personality Test dimensions in major depression, patients with major depression vs panic disorder, 37410
diagnostic trends & prevalence of bipolar & schizoaffective disorder subtypes, psychiatric hospital patients, 13 yr study, 38950
diagnostic validity of Bonn Scale for Assessment of Basic Symptoms, differentiation among mental disorders & between disordered & healthy Ss, psychiatry patients, 14313
diagnostic validity of family history vs clinical interviews, relatives with psychiatric disorders of elderly with major depression vs dementia of Alzheimer's type, 11843
diagnostic validity of hypochondriasis in preliminary family study, outpatients & their family members with vs without hypochondriasis, 26879
diagnostic validity of melancholic subtype of major depression, female twins, 35533
differential diagnoses of psychotic vs affective vs personality disorders, involuntarily committed 18–54 vs 55–89 yr old Blacks vs Whites, 15886
difficulties in definition & assessment of DSM-IV gender identity disorder based on 3 phenomenological axes, 22719
dimensional diagnostic validity of 5 factor personality model, females with borderline vs nonborderline personality disorders, 4223
discriminant role of complete vs incomplete summer remission in clinical & demographic profile, patients with seasonal affective disorder, Russia, 4085
discriminant validity of Fava et al diagnostic criteria for alexithymia, 18–61 yr old psychiatric outpatients, 25058
disease phobia concerned with major depression, 41 yr old schoolteacher & 46 yr old physician & 15 yr old female brought in by her 45 yr old mother, 22890
diurnal rhythms of basal cortisol & dehydroepiandrosterone, pattern of comorbid diagnoses, 8–16 yr olds with major depression, 22767
doctor & patient characteristics & consultation context, identification of psychological distress & mental disorders in patients, general practitioners, England, 13244
DSM-III-R diagnosis of psychiatric disorders, 18–64 yr olds with systemic lupus erythematosus, 16247
DSM-IV &/vs multiaxial empirically based assessment &/vs behavioral assessment, clinical diagnosis, implications for treatment utility, 4743
duration of rooflessness & cognitive function, male homeless hostel entrants with schizophrenia vs alcohol dependence plus current drinking vs other vs no diagnosis, 30739

early course & vulnerability to & deterioration of psychosis & neurobiological deficits underlying symptom formation in schizophrenia, need for early detection & intervention, 12058
eating disorder diagnoses & predictors of clinical outcome & psychosocial functioning & psychiatric comorbidity, 17.7–28.6 yr olds with anorexia nervosa, 7 yr prospective follow-up, 12411
efficacy of standardized psychoeducational diagnostic instruments, assessment of ability/achievement discrepancies, 7–13 yr olds with mild–moderate bilateral sensorineural hearing loss, 10414
epidemiology & characteristics & differential diagnosis & diagnostic evaluation & pharmacologic treatment of generalized anxiety disorder & comorbidity with depression, elderly, 8041
establishment of empirical frequency cutoffs for & changes in DSM-III-R & DSM-IV definitions of oppositional defiant disorder, 9 & 11 & 13 yr olds & their parents, 8076
evaluation of Dementia Questionnaire for Persons with Mental Retardation, 70–98 yr olds with mental retardation vs 35–62 yr olds with Down's syndrome, 5 yr study, 14343
evaluation of diagnostic methods for assessing depression with child as informant, 8 yr olds, Finland, 35559
evidence of symptoms & confidence in judgment of anxiety & depression profiles, graduate psychology students, Spain, 15872
evolution of cultural sensitivity in Diagnostic & Statistical Manual of Mental Disorders, implications for diagnosis of minority clients, 35436
experience based assessment of DSM for Primary Care Child & Adolescent Version, commentary, 38861
extraction & regrouping of subscales from multidimensional psychodiagnostic inventories as homogenous item-blocks, reliability & validity of Symptom Checklist-90-R, nursing & college students, Germany, 40866
findings on early detection & treatment of schizophrenia in research published in issue of "Schizophrenia Bulletin", 12074
frequency & types of violence & patient characteristics, discharged psychiatric patients, prospective studies, 31273
frequency of pure culture diagnosis, patients (mean age 40.4 yrs) with anxiety disorder, 31076
frequency of Reiss Screen psychopathology diagnoses, male vs female 21–80 yr olds with mental retardation in community, 1444
history & prevalence & comorbidity & diagnosis of broad bipolar spectrum & DSM-IV biases, 4076
identification & group counseling of elementary school student victims of violence who may have developed PTSD, school counselors, 10007
identification & prevalence & treatment of mental health problems by primary care providers, children & adolescents, literature review, 1979–94, 27653
integrated mental health care & primary health care service provision of drug & psychosocial treatment for early detection of & intervention for schizophrenia, 13233
interrater agreement for & consistency in psychological & psychiatric & discharge diagnoses, 12–18 yr old psychiatric inpatients, 4048
interrater reliability & diagnostic sensitivity & specificity of clinical criteria for dementia with Lewy bodies, 61–92 yr olds with probable or possible Alzheimers disease vs movement disorders, 19629
interrater reliability of preliminary draft of axis I vs II vs III of ICD-10, 24–62 yr old psychiatrists & psychologists evaluating case histories, Germany, 14319
issues in use of disorder designation of ethnospecific Malayo-Indonesian cultural idiom known as latah, 22694
long term mental sequelae of torture, coping strategies & psychiatric diagnosis & psychopathology & PTSD symptoms, Iranian 28–47 yr olds seeking vs not seeking treatment, Germany, 22718
manic pseudo-delirium as subtype of bipolar affective disorder, 52 yr old female with manic & schizomanic episodes & delirium & 58 yr old female with bipolar disorder & delirium, 2 case reports, 42266
MAXCOV-HITMAN, determination of taxonic dimensional data for diagnosis of psychopathology, commentary reply, 6143
method for evaluation of types of consultation liaison requests related to DSM-III-R diagnosis & other clinical variables, 16925
Mini-Mental State Exam & Brief Psychiatric Rating Scale & Weschler Adult Intelligence Scale, validation of questionnaire to evaluate competency to consent to psychiatric hospitalization, 24979
MMPI-2 vs Personality Assessment Inventory for diagnosing borderline personality disorder, 20–52 yr old female inpatients, 34001
multidisciplinary team based model of psychogeriatric assessment, UK, commentary, letter, 13274
mutual concordance between ICD-10 vs DSM-III vs RDC definitions of functional psychoses, patients with psychotic & affective disorders, 37431
need for treatment & assessment, 30–59 yr olds with schizophrenia & other nonaffective psychoses, 15 yr follow up, Netherlands, international comparison, 31994
new method of using language patterns to identify somatization & antisocial personality disorders, male vs female patients, 35489
outcome of assessment by psychogeriatric consultation services, patients with memory problems and/or depressed mood, Canada, 27673
overlap with dependent personality & diagnostic accuracy of self-defeating personality disorder from written case studies, psychologists, case study appended, 12117
patient & clinician obstacles, diagnosis of anxiety disorders & comorbidity in primary care, conference presentation, 35683
patient General Health Questionnaire scores, physician interview technique & case recognition ability, general practitioners & 18–64 yr old patients, England, 30646
patterns of & change in diagnosis, 1st time psychiatric inpatients, Israel, 4043
pediatric onset & diagnostic differences & symptoms, children & adolescents with bipolar disorder, literature review, 1244
perspectives on assessment & psychotherapeutic treatment, 21 mo old female traumatized by dog bite, 8757
possession of transitional objects & borderline personality disorder diagnosis, 18–72 yr old inpatients, conference presentation, 22937
prevalence & criteria & diagnosis & treatment of panic disorder, implications for primary care physicians, 8027
prevalence & recognition of panic states & treatment & costs, patients presenting with chest pain in primary care settings, 39082
primary care physician recognition of hypochondriasis & somatizing characteristics, medical clinic outpatients, 5257
probabilistic morbidity model for diagnosis of depressive disorder, 39018
probabilistic vs conventional binary model of depression diagnostic status, 16–64 yr olds, England, 39016
profile & diagnosis, emergency admission to state hospital, mentally disordered inmates, 13504
proposition of psychopathological organizers to synthesize schemes of comprehension of internal experiences around meaningful core independent from nosology, 7806
psychiatric consultations for & overdiagnosis of depression vs other diagnostic categories, 15–99 yr olds referred to physicians in medical-surgical teaching hospitals, retrospective study, 5350
psychiatric diagnoses & service satisfaction, patients referred to consultation-liaison psychiatry service provided by general practices (mean age 39.76 yrs), 32787
psychiatric diagnosis & treatment, drug abusing patients with HIV infection, 31645
psychiatric interventions to improve primary care diagnosis & treatment of depression, implications for geriatric depression, conference presentation, 32830
psychiatric morbidity & age & sex, suicide risk, adults who made serious suicide attempts, 1344

psychiatric presentation & comorbidity, 32 yr old mother with postpartum depression & bereavement, case report, implications for treatment, 22804
psychometric properties & diagnostic utility of Beck Anxiety Inventory & State-Trait Anxiety Inventory, psychiatric outpatients aged 55 yrs and older, 31089
psychosocial family history & therapist assessment of remarried family life, stepfamilies seeking help in mental health facilities, 32236
purpose & development of DSM for Primary Care Child & Adolescent Version, commentary, 38856
race & social class & gender biases in clinical judgment & psychodiagnosis, literature review, 30669
rates of suicidality & psychiatric diagnoses, HIV negative vs positive psychiatric inpatients, 42750
recognition of risk factors for geriatric depression & suicidality, 70 yr old male, Portugal, 4261
referral problems & client characteristics & outcomes in nursing home psychological consultation, 30–96 yr old patients, 6 yr study, 2034
referrals by clinical staff to consulting psychiatrist for comorbid psychopathology, diagnosis of DSM-III-R comorbid Axis I or Axis II disorders, substance abusing Ss admitted to detoxification unit, 1390
regard of dissociative identity disorder as valid diagnostic entity, psychiatrists, US vs other English-speaking countries, 1976–95, 42205
reimbursement implications of using DSM for Primary Care Child & Adolescent Version, commentary, 38869
relevance of dreams in psychiatric diagnosis & use in psychotherapy & understanding personality & behavior, 14685
reliability & validity of self report format using DSM-IV criteria for Questionnaire for Eating Disorders Diagnoses, 15–51 yr old females, erratum, 21065
reliability & validity of self report format using DSM-IV criteria for Questionnaire for Eating Disorders Diagnoses, 15–51 yr old females, 17656
reliability of clinical vs research diagnoses of schizophrenia, 16 yr old birth cohort, 11 yr study, Finland, 42326
reliability of previous & current versions of DSM for diagnosis of mood disorders, 22769
reliability of Psychiatric Research Interview for Substance & Mental Disorders, patients with substance use disorders, conference presentation, 12225
religious behavior & misdiagnosis of schizophrenia, female 27 & 62 yr olds, case reports, 31014
reports on & recommendations for diagnostic specificity & assessment & treatment of dysthymia, conference presentation, 30849
research on use of anatomically detailed dolls & controversy over use in child sexual abuse assessments, literature review, reprint, 31224
response indicator Frequency psychopathology from MMPI-2 & diagnosis, male veteran psychiatric inpatients, 35448
review of ICD-10 symptom checklists & glossary & international diagnostic checklists, application in psychiatric settings by clinicians, 7796
risk factors & diagnosis & treatment considerations for depression, patients with serious medical illness, 19696
screening & diagnostic instruments for autism & Asperger's syndrome, early detection by 18-30 mo, literature review, 4396
semi-structured interviews vs self report inventories vs projective techniques, diagnosis of narcissistic personality disorder, literature review, 12116
seminar as classroom & clinic & student self esteem & perceived threats to teacher's expertise, organization of psychodynamic processes governing diagnostic teaching seminar, 13588
sensitivity & specificity between somatic eye symptoms question & Geriatric Depression Scale, detection of depression, 65 yr old & older patients of low vision clinic, 37520
skin tone, clinical judgments & attributes & primary diagnosis & diagnostic severity of female African American client, African American vs European American psychologists, 17071
sleep complaints & problems, treatment & recognition of psychological disorders in presence of psychiatric diagnosis or physical disease, 15–65 yr olds, 14 countries, conference presentation, 4538
sociocultural diversity & patient nationality & culture & treatment resistance & mislabeling, diagnosis & treatment of psychiatric disorders in multicultural population, mental health professionals, 3994
standardized assessment & evaluation of legal competence & capacity to consent to voluntary hospital admission & ability to understand disclosed information, mental health clinicians & patients, 28349
state legislature approaches to provision of mental health diagnosis & treatment in anti-stalking laws, 10294
Structured Clinical Interview for DSM-IV Dissociative Disorders-Revised, diagnosis & treatment planning in dissociative disorders, 22726
Swedish translations of Autism Behavioral Checklist & Childhood Autism Rating Scale, screening & diagnosis of autism spectrum disorders, 2–17 yr olds with mental retardation &/or physical disability, 28500
systematic assessment with semistructured clinical interviews & rating scales to determine psychopathological features & presence of anxiety disorders, 3–15 yr olds with selective mutism, 35956
systems for assessing stages of dementia, elderly patients, 16315
temporal stability of Diagnostic Interview Schedule lifetime diagnosis of obsessive-compulsive disorder, adults, 1 yr followup, 42380
test retest reliability & classification congruence between standard form & Short Geriatric Depression Scale, classification of depression, 55–75 yr olds, 21054
training & education & skill development in psychotherapy & psychodiagnosis, psychological practice, commentary, 13543
training program & national bias & reliability of ICD-10 in consultation-liaison psychiatry in hospital setting, psychiatrists & psychologists, 14 European countries, 22714
use of expert system based computer assisted training program, teaching clinical diagnosis of eating disorders, college students, implications for practitioners, 10266
use of outdated diagnoses in WorkCover workers' compensation insurance system & introduction of managed mental health care, Australia, letter, 32810
use of psychological tests in diagnosis of multiple personality disorder, outcomes of brief psychotherapy, female patient, case report, application of unitary vs discrete theories, 4760
use of sign based CORE rating system of psychomotor disturbance for identification of melancholia & prediction of responses to ECT, patients with primary affective disorders, 22842
utility & sensitivity & specificity of Cognitive Assessment Screening Test, elderly with dementia, test appended, 25053
validity of Children's Behaviour Questionnaire vs Reporting Questionnaire for Children, assessment of psychiatric morbidity, 7–14 yr old pediatric primary care clinic attendees & their mothers, Nigeria, 28502
validity of complete vs shortened Spanish version of Informant Questionnaire on Cognitive Decline in Elderly vs Mini-Mental State Examination for diagnosis of dementia, 41–84 yr olds, Spain, 28470
validity of family history vs family study method for diagnosing schizophrenia related disorders, 1st degree relatives of probands with schizophrenia & schizo-affective & affective disorders, 39047
validity of indicators of Draw a Person &/vs Rorschach tests, emotionally disturbed males with feminine gender identity (mean age 10.2 yrs), Israel, 25045
validity of Psychiatric Assessment Schedule for Adults with Developmental Disability, assessment of core symptoms & diagnosis of schizophrenia, learning disabled 16–69 yr olds, 2612
validity of SCL-90-R adolescent & adult statistical norms, outpatient vs nonpatient college students, clinical implications, 34030

validity of symptom criterion for age of onset diagnosis, 4–17 yr olds with ADHD who displayed impairment before age 7 yrs, 42587
validity of Western criteria for diagnosis of endogenous depression, depressive patients, United Arab Emirates, 42263
vestibular function & psychiatric symptoms & disorders & etiology & diagnosis & treatment of phobic postural vertigo, 23239
violence & psychiatric diagnoses, mentally disordered inpatients, longitudinal study, Denmark, 38906
2 stage procedure of screening & clinician interview in detection of personality disorders, 18–19 yr olds, 35702

Psychodiagnostic Interview [See Also Diagnostic Interview Schedule]—Serials

attitudes toward & experience of computerized vs physician administered Present State Examination, assessment of current symptoms, 17–58 yr old psychiatric patients, 10440
components of comprehensive clinical assessment of rapists, 35747
Composite International Diagnostic Interview vs DSM-IV algorithms & choice of antidepressant therapy in primary care, commentary, 26474
Composite International Diagnostic Interview vs DSM-IV algorithms & choice of antidepressant therapy in primary care, commentary reply, 26476
Composite International Diagnostic Interview vs DSM-IV algorithms & choice of antidepressant therapy in primary care, commentary, 26442
Composite International Diagnostic Interview vs DSM-IV algorithms, diagnosis of depressive disorder based on current symptoms & lifetime history, primary care patients, 4124
computerized psycholinguistic analysis of conceptual & thematic categories in psychodiagnostic interviews, patients with lung cancer vs tuberculosis, 16249
construct validity of Structured Clinical Interview for DSM-III-R, diagnosis of substance abuse & comorbid psychiatric disorders, substance abusers, 17650
construct validity of subscales of Structured Interview for Disorders of Extreme Stress, survivors of childhood sexual abuse with PTSD, 40912
development & reliability & acceptability of computerized adaptation of Present State Examination, psychiatric patients, England, 34007
development of Questionnaire Design Tool as authoring language for psychiatric interviews, 28275
diagnosis of mental disorders with Composite International Diagnostic Interview in primary care settings, Europe & Middle East & North & South America & Asia & developing countries, 4000
diagnostic accuracy & confusability of diagnostic categories as applied to Diagnostic Interview for Genetic Studies, sensitivity & specificity of RDC & DSM-III-R, patients, 22705
diagnostic agreement between clinicians & Diagnostic Interview for Children & Adolescents-Revised, 6–17 yr old outpatients & their parents, Spain, 35465
diagnostic data obtained by patient vs informant interviews, assessment, adults with possible personality disorders, 35692
diagnostic validity of family history vs clinical interviews, relatives with psychiatric disorders of elderly with major depression vs dementia of Alzheimer's type, 11843
evaluation of diagnostic interview in psychology training, 40278
face-to-face vs telephone-administered mood ratings, outpatients with rapid cycling bipolar disorder, 42258
factor analysis of Structured Interview for DSM-III-R, assessment of schizotypal personality disorder, nonpsychotic psychiatric outpatients (mean age 34.6 yrs) & nonpsychiatric patients, Italy, 17624
factor structure of Diagnostic Interview for Children & Adolescents PTSD module, 13–25 yr old Cambodian refugees, 28517
Geriatric Mental State Schedule vs Brief Assessment Schedule Depression Cards vs 5-item Symptom Check List vs geriatrician's diagnosis, screening for depression, nondemented patients, Australia, 89
intensive telephone engagement intervention vs routine screening, child's attendance at initial intake interview for mental health services, caregivers of urban minority children, 24135
life chart method using semi-structure interview to document lifetime course of disorders, assessment of depressive & other psychiatric comorbidities, patients with anxiety disorders, 4206
long-term test-retest reliability & procedural validity of University of Michigan Composite International Diagnostic Interview, diagnosis of simple & social phobia & agoraphobia, 15–54 yr olds, 25070
midazolam & pulse oximetry, conscious sedation in drug assisted interview, female 21–45 yr olds with depression &/or PTSD with repressed memories, commentary, 35484
midazolam & pulse oximetry, conscious sedation in drug assisted interview, female 21–45 yr olds with depression &/or PTSD with repressed memories, 1213
MMPI-A &/vs Structured Interview of Reported Symptoms vs Screening Index of Malingered Symptoms, assessment of feigning, dually diagnosed 14–17 yr old offenders, 6055
nature & frequency of self vs informant reported psychiatric symptoms during interview, 16–69 yr olds with learning disabilities, England, 8374
Questionnaire of Personality Traits vs International Personality Disorder Examination, measurement of DSM-III-R & ICD classified personality disorders, psychiatric patients, 2591
Revised Clinical Interview Schedule & emic vs etic classification of nonpsychotic mental disorders, primary health care nurses vs traditional medical practitioners & their patients, Zimbabwe, 28504
selection bias during recruitment for psychiatric interview, 60–99 yr olds, Germany, 34126
self reported vs structured diagnostic & clinician interview reported DSM-III-R symptoms of alcohol dependence, inpatients undergoing alcohol treatment, 4358
Structured Clinical Interview for DSM-IV Dissociative Disorders-Revised, diagnosis & treatment planning in dissociative disorders, 22726
structured computer assisted diagnostic interview, assessment of psychiatric symptoms & diagnosis of Axis I DSM-III disorders, male 15–50 yr olds undergoing forensic psychiatric evaluation, Sweden, 1187
structured interview of SCID-II vs self-report test of MCMI-II, assessment of personality pathology, adult cocaine addicted outpatients, 34018
structured psychiatric interview vs polysomnography, diagnosis of psychophysiological insomnia & comorbid psychiatric disorders, 20–40 yr old insomniacs, Italy, conference presentation, 4581
test retest of Present State Examination, stability of panic disorder as clinical entity vs facet of general neurotic syndrome, patients with panic disorder, 5–6 yr followup, 22907
type of question, agreement on symptom reporting in psychodiagnostic interview, 6–16 yr olds & their mothers, reprint, 26393
typus manicus vs typus melancholicus premorbid features assessed by Biographical Personality Interview vs self ratings, patients with unipolar depression vs bipolar I vs bipolar II disorders, 28481
use of artificial neural network for assistance in psychiatric diagnosis with Compostie International Diagnostic Interview, mental inpatients, China, 22731
utility of adult attachment interview during assessment process, planning & executing parent-infant psychotherapy, infant & his married parents treated for 18 mo, case report, 12798

Psychodiagnostic Typologies [See Also Diagnostic and Statistical Manual, International Class of Diseases, Research Diagnostic Criteria]—Serials

accuracy & reliability of diagnostic codes for schizophrenia & depressive disorder in administrative health care utilization datafiles, Canada, 38940
alcoholic types & lifetime antisocial behavior, adult males with alcoholism, 26695

applicability of adult diagnostic categories of schizophrenia & borderline disorder & depression & other mental disorders, adolescents, 7879
association between DST & DSM-III-R & Newcastle & CORE definitions of melancholia, patients with major depression, Australia, 11986
classification & validity of bulimic eating disorders subgroups & comparison with predictive validity of DSM-IV scheme, 16–35 yr old females with recurrent binge eating, UK, 1 yr followup, 1469
classification system for rating severity of personality disorder, 16–65 yr olds with generalized anxiety or panic or dysthymic disorder, 19268
classificatory differences in R. G. Menzies & J. C. Clark's & L.-G. Ost & K. Hugdahl's Origins Questionnaires, assessment of origins of specific phobias, adult outpatients, Australia, 6045
clinical profile of children who present with selective eating, retrospective case analyses, 31536
clinically-based typology of PTSD, comment on literature review, 1923–95, 39092
clinically-based typology of PTSD, comment on literature review, 1923–95, 39094
clinically-based typology of PTSD, literature review, 1923–95, 39074
comorbid & family psychopathology & early home environment, early onset dysthymic 18–60 yr olds subtyped with H.S. Akiskal's subaffective dysthymia vs character spectrum disorder criteria, 11937
comparison of DSM-IV & Diagnostic Classification: Zero to Three psychiatric diagnostic systems, 1–24 mo olds with psychogenic & functional pediatric symptoms, 7838
comparison of methods for development & evaluation of classification, implications for evaluation of DSM-III-R symptom lists, 15825
computerized psycholinguistic analysis of conceptual & thematic categories in psychodiagnostic interviews, patients with lung cancer vs tuberculosis, 16249
conceptual models of disability & WHO International Classification of Impairments & Disabilities & Handicaps, assessment of social dysfunction, 28526
consideration of values in justifying nosologic changes & inclusion of medication induced movement disorders in DSM-IV, 28518
content analysis & decision making process in development of DSM-IV, working group participant, 15827
content validity of Psychiatric Symptoms Inventory vs Center for Epidemiologic Studies Depression Scale vs State Trait Anxiety Inventory relative to DSM-IV depression & anxiety criteria, 14324
criteria for diagnosis of complicated grief disorder & inclusion in nosology of mental disorders, bereaved adults, 38921
criticism of psychiatric nosology, literature review, 7810
cultural variations in DSM–IV-defined social anxiety or phobia vs Japanese variant Taijin Kyofusho, 18–26 yr olds, Japan vs US, 31092
definition & classification & phenomenological aspects & culture specificity vs nonspecificity of koro, 15859
descriptive psychopathology with clinical markers for prediction of response to treatments, research on anhedonia & classification of depression & likelihood of improvement with antidepressants, 1258
development & evolution of psychiatric diagnostic criteria & issues related to diagnostic complexity & depression, 26477
development & validity & relevance of DSM-IV, school psychologists, 4008
diagnosis of pervasive developmental disorders in DSM-IV & utility for school psychologists, 4397
diagnostic & functional classification & treatment approaches, children with school refusal behavior, 26402
diagnostic confusion in juvenile bipolar disorder & symptomatic overlap with ADHD, implications for clinical practice, 1242
diagnostic validity of hypochondriasis in preliminary family study, outpatients & their family members with vs without hypochondriasis, 26879
difficulties in assessing & classifying patients as having apperceptive or associative visual agnosia, commentary, letter, 16328
discriminant role of complete vs incomplete summer remission in clinical & demographic profile, patients with seasonal affective disorder, Russia, 4085
DSM-IV &/vs multiaxial empirically based assessment &/vs behavioral assessment, clinical diagnosis, implications for treatment utility, 4743
DSM-IV subtyping for bulimia nervosa, patients with nonpurging vs purging bulimia vs binge eating vs compensatory behavior disorder, 42673
DSM-IV vs alternative system using interactional or relational criteria, classification of individual distress & couple difficulties, couples, 15870
DSM-IV vs DSM-III-R criteria for childhood anxiety & depressive disorders & utility of DSM-IV for school psychology, 4035
DSM-IV vs DSM-III-R criteria for conduct disorder & oppositional defiant disorder, implications for school mental health teams, 4232
DSM-IV vs DSM-III-R criteria for feeding & eating disorders in infancy & childhood & adolescence & utility & limitations of DSM-IV for practice of school psychology, 4452
DSM-IV vs empirically based assessment approach to child & adolescent behavioral-emotional problems, 4227
DSM–IV postconcussional disorder vs American Congress of Rehabilitation Medicine mild traumatic brain injury criteria, implications for loss of consciousness diagnosis, 26852
DST validation of descriptive affective disorder subclassifications & contributions of symptom severity to test status, patients with depression & bipolar disorder, 22791
evaluation of Refined Group Number classification system for funding psychiatric discharges, hospitalized patients, Canada, 1991–93, 5381
factor analysis of Structured Interview for DSM-III-R, assessment of schizotypal personality disorder, nonpsychotic psychiatric outpatients (mean age 34.6 yrs) & nonpsychiatric patients, Italy, 17624
frequency of pure culture diagnosis, patients (mean age 40.4 yrs) with anxiety disorder, 31076
genetic & environmental factor-related subtyping, mild vs severe vs dyssocial alcohol dependent adult males, 26667
heterogeneity within diagnostic categories of psychopathology in DSM-IV model & alternative diagnostic schemes, 22673
historical perspective on psychosis vs neurosis dichotomy in psychiatric classification, 15856
ICD-10 diagnosis of alcohol dependence & typologies of alcoholism, achievements in therapy, translated article, conference presentation, 19376
ICD-10 vs DSM-IV vs DSM-III-R vs Childhood Autism Rating Scale vs Autistic Behavior Checklist criteria, identification of autistic disorder subgroups, developmentally impaired 0.9–16.6 yr olds, Norway, 8358
issues in identifying thresholds for classification of childhood conduct disorder & ADHD, 6–16 yr olds, 26340
issues in identifying thresholds for classification of childhood conduct disorder and ADHD, 6–16 yr olds, commentary, letter, 35406
J. Wakefield's view of mental disorders in terms of functional & evolutionary concepts & contribution of value elements to psychiatric nosological categories, commentary, 7863
J. Wakefield's view of mental disorders in terms of functional & evolutionary concepts & contribution of value elements to psychiatric nosological categories, commentary reply, 7877
limitations in current definition & classification of personality disorders & development of related database, 31161
methodological issues in research & longitudinal stability of personality disorder diagnosis & classification, research review, 8069
modifications in diagnostic criteria for ADHD in DSM-IV, utility for practice of school psychology, 4406
new understanding of Plato's wandering uterus theory of hysteria as 1st rudimentary psychosexual theory of hysteria, psychoanalytic implications, 22881

nosology of attachment disorders as alternative to DSM-IV, infants, 30774
predictive validity of application of diagnostic criteria for threshold & subthreshold categories of depression, 18–19 yr olds, Switzerland, 15 yr study, 42249
predictive validity of DSM-III-R vs ICD-9 vs ICD-10 vs CATEGO S+, prediction of 13 yr outcome, schizophrenic 15–54 yr olds, England, 35611
proposition of psychopathological organizers to synthesize schemes of comprehension of internal experiences around meaningful core independent from nosology, 7806
rationale & empirical evidence for proposed diagnostic classification of nonaffective acute remitting psychosis, 26516
reliability & factor structure & convergence of O. F. Kernberg vs S. Akhtar & J. A. Thompson vs DSM-III-R criteria, diagnosis of narcissistic personality, 18–45 yr old psychiatric patients, 12120
Revised Clinical Interview Schedule & emic vs etic classification of nonpsychotic mental disorders, primary health care nurses vs traditional medical practitioners & their patients, Zimbabwe, 28504
syndromal vs functional classification strategies in psychopathology & utility & implications of functional dimensional category of experiential avoidance, 15876
temporal consistency of DSM-III-R criteria for delusional disorder, psychotic 15–60 yr old 1st admission inpatients, 15937
test-retest reliability of Manual for Diagnosis of Major Depression, assessment of major depression & its subtypes, 18–75 yr olds, 14310
trait anxiety vs anxiety sensitivity, 31113
treatment & causes of chronic psychosis & need for new nosolgy, 19199
types & phenomenologic subtypes of dementia, elderly psychiatric inpatients, Taiwan, 8668
typology & core psychological features of dyadic homicide-suicide death, 31373
validity & reliability of higher-order concept of "specific developmental disorders" classification of developmental disorders, DSM vs ICD, 31437
validity of antisocial personality disorder & childhood conduct disorder subtypes, adults with schizophrenia or schizoaffective disorder & a substance abuse disorder, 39053

Psychodrama—Serials

drama group therapy, interpersonal relations, mentally ill homeless inpatients, 36578
dream appreciation method as warm-up phase of psychodrama & re-enactment & sharing feelings about & metaphors of dream with group members, 12878
parallels between chaos theory & sociometric theory, implications for techniques in psychodrama, 8796
psychodrama & J. Moreno's interpretations of J. Goethe's work, 29648
sociometric choices & short term psychodrama workshops, development of feelings of warmth & trust, 21–52 yr olds, Russia vs Bulgaria, 13113
theory & practice & target population & therapist function, psychodrama vs drama therapy, literature review, 36576
treatment techniques & fundamental theories & characteristics of psychodrama & fixed-role therapy & behavior rehearsal, psychotherapeutic role playing, 1930s–1970s, 32042

Psychodynamics—Serials

AIDS crisis & psychoanalytic process, 23311
"as per needed" approach for medical psychoanalysts delivering psychiatric services based on psychodynamic principles, 47 yr old male, 27353
behavioral & psychological indices of eating disorders including drive for thinness & body satisfaction, male vs female college student nonathletes vs athletes in lean vs nonlean sport, 12417
causes of & psychological responses to infertility, infertile males, 23235
classification & psychological correlates of & role of psychiatrist in assessment & treatment of chronic gynecologic pain, 4568
clinical & biological aspects of bereavement & loss induced depression, humans & nonhuman primates, 30823
clinical research on efficacy of psychodynamic psychotherapy, literature review, 1670
cognitive & psychodynamic conceptions of containment & mental space in psychoanalysis, 16579
cognitive behavioral vs psychodynamic vs systemic therapy approach to case formulation & treatment approach & relevance for psychotherapy integration, 24 yr old male, case report, commentary, 32017
cognitive model of self regulation, patterns of self regulation failure & incorporation of psychodynamic issues, commentary, 11784
contribution of psychodynamic insights & theory & therapeutic processes to nonviolent conflict resolution & other political processes, 11600
control mastery theory & idiographic plan formulation method for assessing plans for college & conscious & unconscious goals & obstructions & attitudes, female college students, 24659
demographic & psychosocial factors in prognosis following rantidine treatment, 17–78 yr old patients with duodenal ulcers, 1–3 yr followup, 23268
desmopressin & behavior oriented bladder retention training, primary nocturnal enuresis, 5–15 yr olds, implications for psychological & psychosocial factors, 5182
development & reliability of Multidimensional Health Questionnaire, measure of psychological constructs associated with health-related behaviors, college students, 34056
dominance vs nurturance in narratives of interpersonal acts, early vs middle vs late sessions, 24–64 yr olds with depression or dysthymic or other mental disorders in psychodynamic psychotherapy, 32049
drive related & developmental & structural elements of infantile in psychoanalysis, psychoanalyst & analysand, 1771
dynamics & treatment considerations & intergenerational child sexual & physical & emotional abuse, 26 yr old drug abusing female prostitute in psychotherapy, case report, 27133
educational & career & access & social & psychological issues, well-being & social integration, 13–25 yr olds with hearing impairment, Canada, 1649
elaboration of dormant traumatically induced intrapsychic conflict labelled Personal Sensitization Factor, implications for posttraumatic psychiatric & somatic disease, 15978
embodiment vs body as central to psychological life & social relationships & medium of display & expression, humans, 18830
etiology & psychodynamics of soiling in anal narcissistic character, 22628
focal subcortical lesions, clinical & motor & biological correlates of various depressive disorders, adults, 30875
framework & strategy for dynamically oriented psychotherapy, borderline patients, 23614
Frantz Fanon's doctrine of therapeutic violence & freedom & his psychoanalytic interpretation of internal colonial relationship, conference presentation, 18686
group psychotherapy, psychodynamic processes underlying HIV/AIDS risk taking & fears & dealing with developmental issues, low risk adolescent vs high risk institutionalized juvenile offenders, 8895
health incentive value vs self efficacy vs social support vs outcome expectations vs health locus of control, exercise variability, 70–98 yr old females, Canada, 11502
history of violent behavior & clinical correlates & demographic factors, rate of assault, 15–54 yr olds with schizophrenia in developed vs developing countries, 39066
influence of dysfunctional relational patterns in behaviors of Kate & Bianca on differences of opinion concerning Shakespeare's "The Taming of the Shrew", 664
integration of psychodynamic & cognitive behavior & systemic therapeutic modalities for case formulation & treatment planning, 24 yr old male, case report, commentary reply, 32054
integration of psychodynamic & cognitive behavior & systemic therapeutic modalities for case formulation & treatment planning, 24 yr old male, case report, commentary, 32044

integration of psychodynamic & feminist principles & culturally sensitive delivery of psychotherapeutic services, African American females, 42932
internal objects as theoretical constructs & Jung's object relations theory & place of internal objects in analytic theory, 22607
methodological issues in pilot study of biobehavioral correlates of functional status, females with breast cancer, 23351
mutual personal & theoretical impact of James & G. Stein & L. Solomons, application to imagined novel of psychodynamics & psychoanalytic treatment of Stein, 22633
obsolescence of concept of object in psychoanalytic theory & replacement with persons or subjects as terms that reflect adjustment to postmodern emphasis on ineffability of Other, 22613
organic & psychological factors & sexual & micturition problems & desire, multiple sclerosis patients, 12494
partner's transplant, psychological & immunological status, 19–53 yr old partners of patients undergoing bone marrow transplant, 29472
physiological & psychological & social factors & origin & treatment of sexual dysfunction, females with multiple sclerosis, 12468
physiological & psychological variables, functional status, 40–84 yr old patients with chronic obstructive pulmonary disease, test of explanatory model, 39402
political system lived, latent aspects of psyche & adjustment to emigration to US, male Polish immigrant analysand, 32288
political system lived, latent aspects of psyche & adjustment to emigration to US, male Polish immigrant analysand, commentary, 32308
prevalence & nature & long term psychological effects of childhood sexual abuse, adult males, literature review, 12145
psycho-spiritual characteristics of spontaneous & involuntary weeping, 14 historical & contemporary Christian writings & 3 females, conference presentation, 30479
psychoanalysis & creation of anal psychic world, 6 yr old male, case report, 1780
psychoanalytic conceptions of desire & relation to female psychology, 7778
psychoanalytic interpretation of psychodynamics of political correctness & its effect on the university, commentary, 38817
psychoanalytic interpretation of psychodynamics of political correctness & its effect on the university, commentary reply, 38825
psychoanalytic interpretation of psychodynamics of political correctness & its effect on the university, 38824
psychoanalytic views on nature of & factors supporting & opposing love, commentary, 30619
psychoanalytic views on nature of & factors supporting & opposing love, commentary, 30597
psychodynamic & social identity & cultural theory, pattern of social representations of crises & self protection through group identity, 3812
psychodynamic approach to case formulation & treatment planning with emphasis on role of conflict & integration of cognitive & behavioral strategies, 24 yr old male, case report, commentary, 32080
psychodynamic functioning of false-self organization as seen in long-term analysis with 22 yr old male & critique of D. Winnicott's concept, 15767
psychodynamic implications of psychopharmacological treatment, adolescents, 13014
psychodynamic-interpersonal style psychotherapy, recurrent nightmares, adult female with PTSD, 6 mo followup, 27132
psychodynamic meaning of bodily symptoms, body's enactment of unconscious processes & use of bodywork for provision of preverbal environment, 45 yr old male client, case report, 12808
psychodynamic perspective of the role of physical exercise in emotional well-being, clients, 35395
psychodynamic perspective on & uncertainty issues in memory & false memory of trauma, implications for psychoanalytic psychotherapy, 27351
psychodynamic perspective on etiology of & treatment techniques for multiple personality disorder, 7853
psychodynamic perspective on mid life transition & career counseling, 37 yr old female, case study, England, 28141
psychodynamic perspectives on emotional experiences & conscious & unconscious responses, females who underwent multifetal pregnancy reductions, 27566

societal devaluation of childbirth & the psychological needs of birthing mothers during & after pregnancy, 26101
Psychological Reactance—Serials
intensive smooth speech treatment program, speech & psychological status, 21 yr old male who stutters & clutters, 16999
issues in defiance-based symptom prescription & psychological reactance, resistant clients, literature review, 19725
perceived erasure of community boundaries, ingroup status inferiority & other psychological reactions, residents of annexed township, England, application of social identity theory, 38712
psychological reactance in traditional & paradoxical mental imagery treatment, anxiety & performance, intramural college basketball players (mean age 19.81 yrs), 36177
warning label with vs without authoritative source vs information label, attraction to TV violence, college students with vs without high reactance, 3317
Psychological Report—Serials
analysis of lay vs professional audience reading ability & comprehension of psychological reports, school & independent psychologists & psychology graduate students, 33144
changing form & content of psychiatric case histories in practice over past century & postmodern psychiatric case histories, South Africa, 38878
ethics of proposed professional standard for inclusion of all quantitative data in neuropsychological reports, commentary reply, 2138
Psychological Stress—Serials
acute emotional vs physical stress, morphine self administration, C57BL/6 vs DBA/2 mice, 11156
acute laboratory stress condition, lymphocyte subset distribution & hemoconcentration & immune response, 18–30 yr olds, 38061
acute psychological stress, temporal stability of lipid responses, 28–55 yr old males, 34627
acute psychological stressors, life events & resting frontal EEG laterality & immune responses, right handed 14–16 yr old boys, 41421
adaptiveness, modulation of adverse impact of hassles, college students (mean age 24.99 yrs), 35334
anxiety sensitivity, heart rate & cardiac awareness during mental arithmetic & caffeine manipulation, female college students, 11089
appraisal & psychological distress & expressed emotion, relatives (mean age 52.3 yrs) of schizophrenic patients (mean age 36.6 yrs), prospective study, 39027
association between intensity of life events & cardiovascular risk factors & psychological distress symptoms, 20–64 yr old employed males, Israel, 42213
association between psychological distress & coping & depressive symptomology & personality disorders, 19–75 yr old patients with personality disorders, 42418
availability of social support, cardiovascular reactivity to acute psychological stress, adults, 21801
avoidant & intrusive cognitive processing of stress of receiving HIV seropositivity news, subsequent adjustment & immune function, gay males, 31673
background-dyad history & stress related consequences of disagreement about caregiving environment, primary vs secondary caregivers of persons with Alzheimer's disease, 5323
biofeedback-assisted relaxation, mental stress test reactivity, adults with mild hypertension, Israel, 6 mo followup, 9227
biofeedback visual training technique, changes in myopia & visual acuity & psychological distress, 16–22 yr old females with myopia vs emmetropia, 1 yr study, Italy, 36590
BP reactivity to ergometric & mental stress, normoreactive vs hyperreactive males, 6790
cardiovascular reactivity as risk factor for cardiovascular disease, 46 vs 52 vs 58 vs 64 yr old Finnish men, 4-yr followup, 36040
child behavior problem evoked maternal stress & psychological well being, educational & employment gains, low income mothers, 3643
clinical effectiveness of psychological intervention & debriefing 6 mo postdisaster, psychological distress, hurricane survivors, Hawaii, 23598
cognitive failure, job stress & personal strain, registered nurses vs college lecturers, 15704
cognitive impairment & confrontation with stressful life events, use of outpatient physician services, male vs female 65–75 yr olds & older, 13296

cognitive science analysis of interaction between psychosocial stress & neurobiology of major depressive disorder, kindling & sensitization effects in neural structure activation, 22794
coronary artery bypass grafting, cardiovascular function during cognitive stress, male 43–79 yr olds with ischemic heart disease, 43256
cumulative trauma from infancy through adulthood, 26570
definitions & legal complaints & psychological effects of disability harassment, erratum, 4005
demographic characteristics & referral sources & psychological distress & primary presenting problem, male vs female patients at psychosexual problems clinic, UK, 4528
demographic factors & overall psychological & physical aspects of stress, prediction of work related stress, social workers, England, 5520
depression & life & child care stress & social support & marital satisfaction & prenatal anxiety, postpartum depression, meta analysis, 11944
desires & socio-psychological pressures for motherhood, 30 yr old & older single females & unwed mothers, 7507
distal & proximal stressors, psychological distress & stress in life events, 32 yr olds & older, 15 yr study, 11722
divorce-related stressors & coping strategies, 35–50 yr old middle class/working class Black males, 7498
effects of psychosocial factors & responses to acute mental stress in acute coronary syndromes, literature review, 42772
emotional & motivational stress, changes in cortical EPs, 24–52 yr old males with alcoholism, 12219
emotional disclosure of stressful life events, mood disturbance & pain & joint condition & physical dysfunction, 22–79 yr old patients with rheumatoid arthritis, 3 mo study, 39379
emotional life complexes of racial discrimination & financial strain & optimism–pessimism, stress balance, African American college students, 26260
emotional stress, unemployed 18–62 yr old injured workers in vocational rehabilitation, 4506
emotionally stressful life events, psychopathology & illness related psychosocial changes, patients with benign essential blepharospasm vs hemifacial spasm, 12482
endogenous estradiol & progesterone, cardiovascular activity at rest vs during stress, female college students, 3140
ethnic/social & psychological support & mastery, chronic stress associated with immigration & psychological distress, Korean immigrants, Canada, 11546
facial asymmetry & psychological & emotional & physiological distress, 18–23 yr olds, 18999
family history & elevated systolic BP, cardiovascular reactivity to mental arithmetic stress, male college students, replication, 4625
gay lifestyle psychological stressors, HIV-infected Caucasian vs African American vs Puerto Rican males, 4607
genetic predisposition & stress related to sudden death of only child & subsequent development of breast cancer, 45 yr old female, case report, 26854
heart rate & heart rate variability & BP autonomic responses to orthostatic vs mental stress, males, 6801
integration of psychological & physiological stress theories into formal motivational framework, implications for stress assessment, 34375
intra-arterial vs finger pressure measurements of BP, effects of mental workload on BP, 20–40 yr olds, 6804
job decision latitude & physical exertion & work hours & psychological stress, diastolic BP & total serum cholesterol as risk factors for coronary heart disease, male vs female 25–46 yr olds, 8556
job demand vs service & decision making ability, psychological stress, 25–40 yr old dual earner couples, 28249
labetalol, sympathoadrenal mediation of mental stress evoked alterations in circulating lymphocyte populations & T lymphocyte mitogenesis & natural killer cytotoxicity, 18–30 yr old males, erratum, 3190
level of acculturation & self-esteem & psychological stress & depression, 17–55 yr old Anglophones, Canada, 15680
life events stress & social support & coping skills, central & peripheral vision & RT during demanding tasks, male vs female college athletes, implications for stress-injury relationship, 21228
locus of control & sensation seeking & physical & psychological stress, college students, Belgium, 18955
maternal social support & stressful life events experienced by family, risk of sudden infant death syndrome, infants, New Zealand, 12456
menstrual cycle phase, stressor content perception & mood, adult females attending PMS clinic & support organization, 23253
menstrual phase & time pressure stress induced arousal, intelligence test scores, female 19–25 yr olds, 18232
mental or physical fatigue or tension, intensity & duration of taste responses to bitter vs sour vs sweet substances, adults, 21794
midsemester & final exams, immune responses, 14–18 yr old asthmatic high school students, 39378
overprotective parenting & parental expectations & psychological stress, 12–19 yr olds with psychogenic vs organic-based vision disturbances, England, 31936
parenting vs nonparenting hassles & child behavior problems, parental psychological symptoms, mothers vs fathers & their 2nd–4th grade children, 11570
perceived incongruence between self vs other report of interpersonal behavior, self-reported psychological distress, female college students, 41997
perceptions of organizations' cultural sophistication & psychological & occupational stress, Latino social workers, 32899
physical vs mental stress, BP & heart rate & skin temperature, female African American 18–33 yr old worriers, 6795
prenatal stress & social support & stress related neuroendocrine parameters, 18–42 yr old pregnant females, 29494
prospective assessment of depression & anxiety & stress & behavioral change, end of yr accounts of mood & behavior & peak winter vs summer seasonal depression, nonclinical female Ss, 6406
protocol to measure psychological distress, candidates for liver transplantation, 37522
psychological & economic distress, remarried vs divorced 25 yr olds & older, 7499
psychological distress & coping modes, 16–77 yr olds with early vs advanced stage malignant melanoma, Israel, 23343
psychological distress during routine breast checkup, 30–77 yr old females with vs without family history of breast cancer, Israel, 42759
psychological distress levels, male inmates (mean age 32 yrs) housed in restrictive environments, 33126
psychological distress predictors of use of genetic testing for cancer risk, adult members of hereditary breast ovarian cancer families, 36036
psychological impact of infertility and new reproductive technologies, literature review, 23282
psychological reactions & amount & temporal stability of hemodynamic reactivity, 23–28 yr old male vs 21–31 yr old female college students, test of virtual reality car-driving stressor, 41429
psychological stress & responses to infertility & assisted reproductive technology, males vs females, literature review, 23272
psychological stress & work related burnout, nurses & doctors working with AIDS & cancer patients, 33252
psychological stress, immunity & susceptibility to upper respiratory infections, 1491
psychological stress, increase of salivary induced aggregation of Streptococcus gordonii, dental students, implications for oral health, 11062
psychological stress, plasma vanillylmandelic acid & MHPG & HVA & 5-HIAA, normal volunteers, implications for activity of peripheral nervous system, 14950
psychological stress, spectral heart period variability & plasma epinephrine & norepinephrine & BP as estimates of cardiac sympathetic activity, healthy adults, 3169
psychological stress, static muscle activity during data entry at visual display units, healthy 20–34 yr olds, 28817

psychological stress, 17–71 yr olds with profound mental retardation, 16170
psychological stressors, temperament & physiological stress responses, fully remitted & medication-free patients with panic disorder (mean age 37.1 yrs), 31093
psychosocial adjustment & psychological distress & depression, 18–65 yr olds being evaluated for bone marrow transplantation, 24009
psychosocial influence, physical & mental development, 4 yr olds in families with alcoholic &/or high-stress parents, Sweden, follow-up study, 26693
psychosocial stress in early pregnancy, 16–41 yr old females with miscarriage vs successful pregnancy, UK, 8482
psychosocial stressors & physical illness, individuals (mean age 74.1 yrs) with major vs psychotic vs minor vs organic depression, Australia, 30835
psychosocial stressors vs climatic variables, seasonal mood variations, Asian (mean age 28.32 yrs) vs Asian-British (mean age 26.28 yrs) vs White (mean age 27.07 yrs) females, 1 yr study, England, 30909
psychosocial support & other factors, cytokine induced natural killer cell activity associated with chronic stress, current vs former elderly spousal caregivers of patients with Alzheimer's disease, 556
receipt of social support, subsequent perceived social support & psychological distress, hurricane victims, test of deterioration deterrence model, 3759
relation between femininity & depression & stress, female college students, 15908
rest vs mental stress & caffeine, cardiovascular reactivity, healthy male 20–30 yr olds, 11077
sense of coherence, psychological distress & depression & anxiety following Hurricane Hugo, 17–45 yr olds, 15879
SES & hostility & blood pressure reactions to mental stress, male 35–55 yr olds, England, 21785
severe environmental stressor & coping self-efficacy, psychological & physiological distress, 18–50 yr old gay males with HIV who experienced Hurricane Andrew, 31646
sex & family size & educational level, stress & attitudes, 13–20 yr old siblings of children with autism or mental retardation or Down's syndrome, Turkey, 8356
sex, psychomotor & mental development & development of psychopathology, 1 yr olds & their mothers with psychosocial stress, Sweden, 3 yr followup, 26411
single 5 min isolation stress, activation & turnover & binding of dopamine in striatum & septal regions, 10 day old rat pups, 3231
social desirability scores & cardiovascular reactivity to baroreceptor stimulation & mental arithmetic stress, 20–33 yr old males, Germany, 29468
social isolation, time course of thymosin & cortisol & acute inhibition of functional immunity, juvenile squirrel monkeys, 6770
social psychological strain & low income, suicide rate, suicide victims, Sweden, 26612
sociodemographic characteristics & stress, drinking patterns & attitudes & alcoholism, male vs female 12–64 yr old recent immigrants, Canada, 8266
somatic symptoms & psychological distress, 18–65 yr old primary care patients, Europe vs Asia vs South America vs Nigeria vs United States, 29486
sources & characterization of stress & workload, psychological morbidity & alcohol consumption, 1st yr medical students, England, 2112
sources & levels of experienced stress in practice & professional & private coping strategies, members of Association for Family Therapy, UK, 33270
sources of & self presentational mechanisms underlying competitive stress, 17–31 yr old athletes, 24805
stability of personality disorders & change in psychological distress, HIV positive vs negative gay males, 2 yr study, 19544
state anxiety & worry & motivation to avoid failure & cognitive ability, effects of stress inducing instructions on time based performance, 16–18 yr olds, China, 28997
stress & articulatory suppression, performance of motor skill acquired under explicit vs implicit learning conditions, adults, Wales, 17876
stress & coping & disease progression & immunological parameters, homosexual males infected with HIV, commentary reply, 16279
stress & coping & disease progression & immunological parameters, homosexual males infected with HIV, commentary, 16282
stress & coping resources & adjustment, families with visually impaired children (mean age 10.6 yrs), 4725
stress induced vs oral cortisol, procedural & declarative memory & spatial thinking, healthy adults, 6948
stress types & informational & emotional & tangible support, well being, 40–68 yr old mothers of adult children with moderate to severe mental retardation, China, 26802
systemic circadian variation of cardiovascular responses to mental & physical stress, 21–75 yr old males with vs without coronary artery disease, 4637
task- & emotion-oriented coping style & avoidance, disease-related outcomes & behaviors & psychological distress, adults with insulin dependent diabetes, 23287
traumatic & contextual influences in model of peacekeeping stress, Canadian Forces personnel, Yugoslavia, implications for stress management, 22202
traumatic event experience & psychological distress, change in empirical & metaphysical assumptions & religious beliefs, adults (mean age 20 yrs), 15705
vaccine dose, hepatitis B antibody levels & psychological stress, college students scoring extremely low vs high on measures of daily problems & psychoneurotic symptoms, longitudinal study, 21789
validity of masculine gender role stress construct & negative psychological adjustment, male vs female college students, 3677
Vietnamese ginseng & majonoside-R2, pentobarbital induced sleep & gastric lesions, psychologically stressed male mice, 6930

Psychological Terminology—Serials

B. F. Skinner & analysis of psychological or mentalistic terms, implications for mental health & verbal behavior, 7143
compilation of folk concepts & generic & symptomalogical terms into glossary of sexually transmitted diseases, Zambia, 39355
concept & boundaries of personality disorders, 35703
conceptual history of pseudohallucinations, 1192
definition & clinical usage of concept of pseudohallucinations, psychiatrists, 4040
definition & diagnosis of intellectual disability, physicians, 1898–1923, Australia, 22685
definition & 3 conditions describing pre-dementia in elderly, 36131
definitions & epidemiology of interpersonal violence in family & intimate relationships, 22955
difficulties in definition & assessment of DSM-IV gender identity disorder based on 3 phenomenological axes, 22719
documentation of & reasons for increase in use of variable as term in social psychological & personality research, 24967
ethical & philosophical origins of term cognitive or cognitivism in psychology & differences from traditional mentalism, 2458
history & establishment of embodiment in psychology, 18386
history of concept of psychosis & current use for serious mental disorders with postulated organic etiology, 1845 to present, 12021
interpretations of concept of comorbidity & its valid application in psychiatric research, 11868
introduction of term anti alpha-function to describe tendency of human mind to concretize nonsensual mental phenomena, extension of W. R. Bion's theory of thinking, psychoanalytic vignettes, 27356
issues in & need for specific descriptors of depression, 30895
language of psychological assessment, teacher expectations & behaviors & student outcomes, children with learning disabilities, 13859
limitations in current definition & classification of personality disorders & development of related database, 31161
multifaceted definition of intrapersonal component of empowerment in rehabilitation services, 13413

need for new paradigm to understand role of neurobiological or organic & psychosocial factors in psychiatric disorders, 4012

internal validity of single-subject studies & efficacy of language therapy, aphasic patients, 27810
Lancashire Quality of Life Profile psychometric properties & clinical utility, application to severely mentally ill, 28396
local dependence & reliability & quality of original & new SAT scores, 6110
methodological & psychometric & practical qualities of SF-36 Health Survey of general health status, 65 yr olds & older, 21130
multimodal data placement & collection model, estimation of threshold & slope parameters of psychometric function, 25223
norms & reliability & validity of Behavior Assessment System for Children, assessment of emotional disorders & personality constructs & behavior problems, 4–18 yr olds, 6046
parameters of personality test item characteristic curves & differential item functioning, translation errors vs cultural bias, 18–65 yr olds, East Germany vs West Germany, 2534
peer assessment of social reputation, psychometric properties of Revised Class Play method, disruptive vs nondisruptive 2nd–5th graders, 24658
positive vs negative item context & think aloud vs silent response, psychometric properties of & relations between constructs on organizational justice questionnaire, college students, 17719
preliminary findings on Continuous Visual Memory Test & Visual Motor Integration Test, 60–69 vs 70–79 vs 80–92 yr olds, 2649
probit & logit & normit analyses & least squares regressions of untransformed & logit-transformed probabilities & stimulus strength, estimations of thresholds from psychometric functions, 6149
process dependence vs aggregation bias & functional independence of recollection & automatic influences in process-dissociation, adults, implications for recognition memory, commentary reply, 21420
process dependence vs aggregation bias & functional independence of recollection & automatic influences in process-dissociation, adults, implications for recognition memory, commentary reply, 21425
profile components & clinical usefulness of Wechsler Adult Intelligence Scale—Revised vs Luria-Nebraska Neuropsychological Battery vs Halstead Reitan Neuropsychological Battery, adult patients, 28552
pseudoscience of psychometric assessment of & assumptions about racial & ethnic differences in intelligence in R. Herrnstein & C. Murray's "The Bell Curve," commentary, 3901
psychometric & curriculum-based tests & demographic & biographical data & rating by parents & teachers of everyday behavior, prediction of achievement, 2nd graders living in rural area, South Africa, 41652
psychometric assessment of Attitudes Towards Mathematics & its Teaching Scale, college students, survey appended, 10532
psychometric assessment of social disability construct, male 6–17 yr olds with ADHD, 8345
psychometric assessment of social disability construct, male 6–17 yr olds with ADHD, commentary and reply, 31441
psychometric characteristics of anger-related Self-Expression and Control Scale, 18–73 yr olds who attempted suicide vs 18–86 yr old community residents, 17675
psychometric characteristics of dispositional & situational models of coping, 9–13 yr olds, 14252
psychometric characteristics of measures of sense of coherence & social support & reintegration to normal living & geriatric depression, 75 yr olds & older, 10519
psychometric comparability of Washington University Sentence Completion Test Form 81 & male and female forms, outpatients (mean age 40 yrs), 33988
psychometric equivalence of paper & pencil vs computer versions of personality tests, 19–53 yr old inmates, Canada, 2597
psychometric properties & applied purposes & extent of use & attitudes toward Rorschach Inkblot Method, 17676
psychometric properties & construct validity of Criminal Sentiments Scale-Modified & Pride in Delinquency scale, measurement of criminal attitudes, 19–59 yr old incarcerated male offenders, Canada, 28455
psychometric properties & cross-cultural uses of versions of General Self-efficacy Scale, college students, Germany vs Costa Rica vs Hong Kong, 21017
psychometric properties & diagnostic utility of Beck Anxiety Inventory & State-Trait Anxiety Inventory, psychiatric outpatients aged 55 yrs and older, 31089
psychometric properties & predictive validity of Dieting Readiness Test, prediction of attendance at & weight loss during weight management program, 21–70 yr olds with obesity, 17697
psychometric properties & test validity & reliability, Japanese version of Toronto Alexithymia Scale, 22–74 yr olds, Japan, 10442

psychometric properties of Alcohol Use Disorders Identification Test, literature review, 37424
psychometric properties of Driver Social Desirability Scale, measurement of driver impression management & self-deception, license holders, Australia & Finland, 21003
psychometric properties of Imposed Mechanical Restraint Inventory, assessment for prevention of infliction of physical injuries to self or others, 12–78 yr olds with mental retardation, Netherlands, 34008
psychometric properties of Interorganizational Climate Scale, assessment of relationship with distributors, manufacturers, 6116
psychometric properties of Interpersonal Relationship Inventory, homeless & 1st time shelter using males, Canada, 40824
psychometric properties of Life Orientation Test & Attributional Style Questionnaire, assessment of dispositional optimism & explanatory style, 17–35 yr olds, 5982
psychometric properties of Male–Female Relations Questionnaire & correlations with Attitudes Toward Women Scale, male vs female college students, 1978 & 1992, 33992
psychometric properties of Preschool Social Behavior Scale, assessment of relational & overt aggression & relation to sex & social & psychological adjustment, 3.5–5.5 yr old preschool students, 37532
psychometric properties of PTSD Checklist, severe automobile accident vs sexual abuse victims, 6014
psychometric properties of revised Swedish Religious Orientation Scale & intrinsicness & degree of religious commitment & self esteem, 19–60 yr old psychology & theology students, Sweden, 25023
psychometric properties of scores derived from calibration curves & analogue of overconfidence based on estimates of correctly solved items, college students, Australia, 21193
psychometric properties of Self-Esteem Index, 8–18 yr olds, 5969
psychometric properties of Substance Abuse Subtle Screening Inventory, alcohol problem screening, 19–67 yr old DUI offenders, 40888
psychometric properties of Swedish Religious Orientation Scale, college students, Poland, 14268
psychometric properties of WISC-III, 5959
psychometric quality & item content of Maryland School Performance Assessment Program, evaluation & tracking of school performance & improvement, 3rd & 5th & 8th graders, 17714
psychometric quality of the Interpersonal Relationship Inventory, research review, 24991
psychometric testing, differentiation of language disability subgroups, 7 yr olds with specific language impairment, England, 40862
psychometrics & definition of measurement in establishment of quantitative science, commentary, 40979
psychometrics of & sociohistorical approach to gender role attitudes measures, literature review, 20962
psychometrics of Consumer Susceptibility to Interpersonal Influence Scale, college students, 14232
psychometrics of Decision-making Questionnaire, assessment of effectiveness & confidence & information in making tactical & strategic organizational decisions, college students, 17724
psychometrics of National Institute of Mental Health multisite condom use self-efficacy & outcome expectancy scales, 18–58 yr olds from geographically diverse sexually transmitted disease clinics, 34052
psychometrics of neurological soft signs, interrater & test retest reliability & internal consistency, 6-9 yr olds, 4699
psychometrics of peer treatment measure assessing relation between overt & relational victimization & social acceptance, male vs female 3rd–6th graders, 29861
psychometrics of psychiatric rating scales, identification & quantification of psychiatric symptoms, patients with Alzheimer's disease, test review, 2638
psychometrics of scale, measurement of thought-action fusion, adults with obsessive compulsive disorder, 6061
psychometrics of Spouse Situation Inventory, role play measurement of coping skills, female adults (mean age 35 yrs) with alcoholic partners, 40898
psychometrics of Sprituality Scale, Afrocultural perspective of spirituality, African- vs European-American college students, replication, 10401
psychometrics of Tower of London & Six Element & Twenty Questions & Complex Figure tests, measures of planning ability & problem solving, neurologically normal 17–55 yr olds, 25080
psychometrics of 28- vs 30-item Clinician-Rated vs Self-Report Inventory of Depressive Symptomatology, severity & response to fluoxetine, patients with major vs remitted depression, 10461
psychometrics of 30-item General Health Questionnaire & Edinburgh Postnatal Depression Scale & utility in psychiatric morbidity screening after miscarriage, 16–44 yr old females, China, 40879
rationale & validity data for extensions of Percentage of Consonants Correct metric, 40795
reliability & validity & efficiency of simulation & video & pencil & paper tests, assessment of communication skills in problem clarifying interviews in counseling, psychologists & college students, Netherlands, 17575
reliability & validity & factor analysis of Pictorial Scale of Perceived Competence & Social Acceptance for Young Children, measurement of self concept, learning disabled 1st–3rd graders, Canada, 6018
reliability & validity & factor structure of biodata scoring key, selection of entry level sales personnel, life insurance company applicants, US vs UK & Republic of Ireland, 2702
reliability & validity of Conners Teacher Rating Scale-28, assessment of student attention deficit/hyperactivity or passive-withdrawal behavior or emotional lability, teachers of 5–10 yr olds, 2677
sensitivity & specificity & diagnostic agreement of short computerized version of Diagnostic Interview Schedule, discharged psychiatric inpatients, 10436
sensitivity & specificity between somatic eye symptoms question & Geriatric Depression Scale, detection of depression, 65 yr old & older patients of low vision clinic, 37520
SPECT regional cerebral perfusion deficits & psychometric testing, adults (mean age 70.15 yrs) with probable Alzheimer's disease, implications for identifying language disorder in Alzheimer's disease, 19645
status of graduate training in psychometrics of psychological measurement, survey of programs offering graduate psychology degrees, 20439
status of school psychology specialty & history & trends & purposes & problems associated with educational & psychological testing with emphasis on European conditions, 28118
teaching method project in developing & creating & evaluating psychological tests, college students in sophomore level psychological testing & measurement course, 24568
temporal stability & incremental validity of perceptual age measures in prediction of ratings of employee health & career future, employees & managers, 2 yr study, 40942
"Test Taker's Bill of Rights" as method in teaching ethics & test standards, college students in psychological testing course, 24578
transition from classical to modern test development models & methods & basic concepts & applications & future directions of item response theory modeling, 24982
use of statistical significance testing in "Journal of Applied Psychology", 1917–94, 40957
utility & sensitivity & specificity of Cognitive Assessment Screening Test, elderly with dementia, test appended, 25053
utility of factor replication approach to determine factors that are generalizable across samples in tests measuring coping behaviors in work settings, principals & deputy principals, New Zealand, 6128
validity & reliability of Japanese version of Toronto Alexithymia Scale & psychosomatic questionnaire, college students vs psychiatric patients (mean age 34.2 yrs), Japan, 40869

Visual Basic based Bivariate Agreement Program computer software for analysis of psychological assessment & simulation of normal distribution at various correlations & univariate scores, 10237
weaknesses in current psychology graduate training curriculum & advancements in statistics & measurement & research methods, 2110
Psychomotor Development [See Also Speech Development]—Serials
neurologic examination at 6 & 12 & 24 mo, cognitive & psychomotor development at 40 mo, very low birth weight infants with high vs low medical risk, 42716
presence of models, drawings of human figures standing facing front vs in profile vs running in profile, 5 vs 7 vs 9 yr olds, 7221
role of rhythmic biological patterns of movement in shaping interpersonal relationships, mother & infant, 4 yr study, implications for nonverbal aspects of early child development, 15296
sex, psychomotor & mental development & development of psychopathology, 1 yr olds & their mothers with psychosocial stress, Sweden, 3 yr followup, 26411
Psychomotor Processes [See Perceptual Motor Processes]
Psychoneuroimmunology—Serials
behavioral factors in psychoneuroimmunology, 435
brief maternal separation, acute ability of peripheral blood lymphocytes to lyse K562 cells, 6 mo old through 4 yr old pigtail vs bonnet macaques, longitudinal study, 14989
diversity in new directions in psychoneuroimmunology & application of complexity theory, commentary reply, 10901
diversity in new directions in psychoneuroimmunology & application of complexity theory, commentary, 10898
diversity in new directions in psychoneuroimmunology, 10903
diversity in new directions in psychoneuroimmunology & issues in exclusion of downward causation, commentary reply, 10902
diversity in new directions in psychoneuroimmunology & issues in exclusion of downward causation, commentary, 10904
diversity in new directions in psychoneuroimmunology & use of animal models, commentary reply, 10899
diversity in new directions in psychoneuroimmunology, commentary, 10897
diversity in new directions in psychoneuroimmunology, commentary, 10905
diversity in new directions in psychoneuroimmunology, commentary reply, 10900
elevated levels of serum interleukin-1β & changes in immune function, male veterans with combat-related PTSD (mean age 25.6 yrs), 42389
G protein functions & immunoreactive levels in mononuclear leukocytes, 19–78 yr old patients with major depression vs healthy volunteers, 22745
methodological issues in psychoneuroimmunological research, 13526
neonatal endotoxin, intermale social behavior & growth & corticosterone & hypothalamic CRF, male mice bred for high vs low aggression, 15038
positive vs negative mood & natural killer cell activity, healthy 22–63 yr old females, 41430
prevalence of psychological disorders & allergic & immunological disturbances, 19–63 yr olds with allergies vs panic disorder with vs without agoraphobia, 22677
psychoneuroimmunologic factors of disease progression, females with human papillomavirus related cervical dysplasia & HIV-1, biopsychosocial model implications, erratum, 31659
psychoneuroimmunological-based theories of autism, literature review, 31446
quantification of G proteins in platelets & leukocytes, patients with panic disorder or social phobia, 8046
reaction to humorous film, salivary immunoglobulin-A & frequency & severity of respiratory infections, college students, 41423
recent benzodiazepine use, natural killer cell & lymphocyte function & proliferation, patients with current major depressive disorder (mean age 35.8 yrs), Switzerland, 23860
role of psychological factors in physical illness from psychoneuroimmunology perspective, literature review, 16237
serum zinc & copper levels before & after antidepressant treatment & treatment & immune/imflammatory response, adults with treatment resistant major depression, 42273
stress & coping & disease progression & immunological parameters, homosexual males infected with HIV, commentary reply, 16279
stress & coping & disease progression & immunological parameters, homosexual males infected with HIV, commentary, 16282
vaccine dose, hepatitis B antibody levels & psychological stress, college students scoring extremely low vs high on measures of daily problems & psychoneurotic symptoms, longitudinal study, 21789
Psychoneurosis [See Neurosis]
Psychopath [See Antisocial Personality]
Psychopathology—Serials
abortion, long-term psychological problems, 38 & 24 yr old females, case reports, 22699
abuse & family violence & psychopathology, children of mothers with borderline personality disorder, 1339
adolescent age at onset of anorexia nervosa, psychopathology, adult females with good vs intermediate vs poor clinical outcome, 10 yr followup, 12426
age, behavioral outcomes & psychopathology & adaptive & cognitive functioning, 6–16 yr olds with mild vs moderate vs severe closed head injury assessed 3–60 mo postinjury, 16239
alcohol abuse & psychopathic deviance & child support compliance & postdivorce visitation frequency, noncustodial vs custodial parents, longitudinal study, 18729
alcohol consumption & psychopathology & prognosis, male vs female alcoholic inpatients, 13458
alternative treatment approaches, couples with jealousy, 12801
application of structural analysis of social behavior to study of process & outcome in time limited dynamic psychotherapy & development of general theories of psychopathology & psychotherapy, 16482
assessment & characteristics of childhood psychopathy, 12–13 yr old males, 39157
associations between child maltreatment & psychological symptoms & development, high risk children & adolescents, commentary reply, 4280
associations between child maltreatment & psychological symptoms & development, high risk children & adolescents, commentary, 4241
associations between child maltreatment & psychological symptoms & development, high risk children & adolescents, commentary, 4252
associations between development & psychological symptoms, high risk children & adolescents, 4061
behavioral & emotional disturbances & psychopathology, children with Williams syndrome (mean age 9.2 yrs), 38850
behavioral genetic methods in relation to child & adolescent psychopathology & focus on nonshared environmental factors in adolescent depression, research review, 7927
behavior-genetic concepts in developmental psychopathology, 38852
bias & other issues in cross-cultural assessment & diagnosis of child psychopathology, 2636
blood donation & laxative abuse as indication of psychopathology, 32 yr old female with bulimia with symptoms of obsession & depression, case report, letter, 23206
bulimia nervosa & obesity, eating disorder symptomatology &/or general psychopathology, White vs Minority adult females, 35945
buspirone, alcohol dependence & associated psychopathological & physiological symptoms, ambulatory alcoholic 25–60 yr olds, 13439
C. R. Cloninger's temperament dimensions of harm avoidance & novelty seeking & reward dependence, comorbidity of Axis I & Axis II personality disorders, 15–72 yr old outpatients, Italy, 11828
C. Walker's interpretation of Karl Jaspers' phenomenology, commentary, 29657

C. Walker's interpretation of Karl Jaspers' phenomenology, commentary, 29653
causal & maintenance factors, females recovered vs not recovered from bulimia, treatment & recovery implications, 31524
characteristics of childhood sexual abuse, adult psychopathology, 19–62 yr old female patients, 12 yr retrospective study, Australia, 39163
child emotional abuse with vs without physical abuse with vs without sexual abuse, psychiatric sequelae, female adults, Canada, 22650
child maltreatment, implications for developmental theory & research, 4245
childhood sexual abuse, coping responses & self criticism & personality & behavior disturbance & eating pathology & affective distress, adults with subtypes of bulimia & anorexia nervosa, 4477
childhood sexual abuse, psychopathology, 20–62 yr old females, Australia, 39164
classification & characteristics of rapists & theoretical explanations of rape & approaches to treatment & research issues concerning rape and rapists, 31384
clinical & demographic variables, use of informal vs voluntary vs emergency vs involuntary admission status in psychiatric emergency room, psychiatric patients, 5372
clinical boundary issues in PTSD & normal psychology & psychopathology & psychotherapy, 4211
clinical characteristics & institutional behaviors & psychopathology, insanity malingerers vs non-malingering insanity acquittees, 8307
clinical differences in nature & severity of comorbid psychiatric disorders, 13–19 yr old psychiatrically referred outpatients with vs without substance use disorder, 39219
clinical presentation & epidemiology & management & prognosis of depression, elderly, 4102
cognitive behavioral psychopathological approach to treatment of morbid jealousy, 12829
cognitive model & sexual behavior/attractiveness schema & misinterpretation of neutral stimuli & behavioral & emotional aspects, morbid jealousy, 17–66 yr olds, UK, questionnaires appended, 11888
coherence among raters of psychopathology in adolescents & coherence of ratings with earlier & later stress & development of psychopathology, 13 yr olds rated by self & teachers & parents, 26384
color rejection on MMPI Goldberg Index, indication of explicit rejection of emotionality & global psychopathology, psychiatric patients, 11838
comorbid psychopathology & psychological distress & self esteem & social problems in obesity with vs without binge eating disorder, literature review, 8420
comorbidity between sleep disturbance & psychopathology, adults with primary sleep complaint vs psychiatric problems vs community sample, 19096
comorbidity of ADHD & associated psychopathology, 6–12 yr olds with tic disorder, 31618
comorbidity of panic attacks & suicidal ideation & psychopathology, nonclinical undergraduates (mean age 20.1 yrs), 31281
complementarity of conflict & deficit in relational & classical structural models of psychopathology & psychoanalysis, commentary, 19060
conceptual & technological developments in cognitive neuroscience & its application to the psychopathology of schizophrenia & depression, 30731
conceptual development of loquacity & verbigeration & echolalia as symptoms of catatonia in modern psychopathology, 11926
conceptualization of developmental profiles of physiological & behavioral indicators of psychopathology, implications for research on children's temperaments, 38858
concurrent validity of MMPI & MMPI-2, prediction of DSM-III-R psychopathology, college students, 99
construct validity of Internalizing Symptoms Scale for Children, assessment of internalizing social-emotional symptoms, gifted 3rd–6th graders, 6047
conventional symptom clusters, validation of subjective experience & related symptoms, 20–61 yr old patients with active or residual schizophrenia, Japan, 42328
correlates & prevalence of psychopathology, pregnant adolescents, 15897
correlation between cognitive deficit & depression & multiple pathologies & level of functional dependence, elderly patients, conference presentation, 31833
correlation of serotonin dysfunction to persistent eating related psychopathology & comorbid illness, long term weight restored female anorexics, 23211
course of eating disorder symptoms & psychopathology & family climate & psychiatric comorbidity & clinical outcome, 16–20 yr old females with bulimia vs anorexia, 2 yr followup, 12406
course of psychopathologic features of behavioral disturbance & depression & delusions, elderly with early Alzheimer's disease, 5 yr prospective study, 36074
cultural perspective on emotions & impact on psychopathology, 11904
daydreams & sustaining fantasies & self reported stress coping behaviors & psychopathology, 18–22 yr olds, 26346
deficit model of psychopathology, commentary, 42223
deficit model of psychopathology, commentary, 42234
deficit model of psychopathology, commentary, 42195
deficit model of psychopathology, commentary, 42207
deficit model of psychopathology, commentary, 42231
deficit model of psychopathology, commentary, 42214
deficit model of psychopathology, commentary, 42193
deficit model of psychopathology, commentary, 42215
deficit model of psychopathology, commentary, 42212
deficit model of psychopathology, commentary, 42236
degree of agreement between parent & adolescent report of major psychiatric disorders in adolescent, parents & 14–18 yr olds, 35458
delayed vs immediate cognitive behavioral therapy, schema & emotional aspects of jealousy, morbidly jealous patients, England, 8839
demographic & clinical characteristics & functional disabilities & health beliefs & expectations, outpatients with affective disorders vs symptomatic volunteers for study of major depression, 1253
demographic & family & child characteristics, prevalence of psychopathology & psychiatric disorders, 2–5 yr olds, 7850
demographic characteristics & social pathological rates, 20 states which adopted English as their official language since 1984, 43965
demography & psychopathology & social behavior & history of illness & service usage, schizophrenic patients, England, 4156
depression & Axis I comorbidity & family psychopathology & autonomy, prediction of self-generated episodic life stress, female 16–19 yr olds, 2 yr study, 30833
depressive/anxiety disorders & emotional instability & symptom attribution & interpersonal vulnerability worries, primary care patients with transient vs emerging vs persistent hypochondriasis, 12481
descriptive psychopathology with clinical markers for prediction of response to treatments, research on anhedonia & classification of depression & likelihood of improvement with antidepressants, 1258
development of abridged threshold of somatization to screen for psychopathology in primary care settings, 32797
developmental perspective of psychopathology & maladaptation, 38876
developmental perspective on recall of stressful life events & onset of child psychopathology, implications for longitudinal studies, 26389
developmental psychopathological concept of mental disorders, 38879
developmental psychopathology of emotion regulation & caregiver attachment, infants, 26424
developmental psychophysiology & psychopathology & role of prefrontal cortex in regulation of sleep & arousal & affect & attention, 6771
diagnosis & treatment of psychiatric illness, outcome, 26–35 yr olds with irritable bowel syndrome, 6–9 yr prospective study, 1486

diagnosis of reactive attachment disorder, 22 yr old female inpatient, case report, England, 1215
diagnostic categories in 1994 version of DSM-IV specific to children & adolescents, implications for assessment & treatment & legal & ethical issues for clinicians & impact of managed care, 7790
differences in levels of anger & hostility & paranoid ideation & global psychopathology, male 16–23 yr old nonviolent vs violent offenders, 23112
dilemma between open vs closed system paradigms of developmental psychopathology research, 38872
DSM-III-R vs Child Behavior Checklist rates of psychopathology, mothers & their 4.6–5.8 yr olds, 35477
dysfunctional family of origin & adult MMPI psychopathology, 18–71 yr olds, 15874
early affective experiences & maturation of orbitofrontal cortical systems, development of affect regulation & psychopathology, infants, 7865
early childhood experiences & behavioral & personality profiles, antisocial behavior & schizophrenia & depression & other psychopathology in adulthood, 1974–94, literature review, 22710
early school problems & psychosocial problems & risk factors, 10 yr olds, 8 yr study, Sweden, 26419
eating & body image attitudes & psychopathological traits, development of anorexia & bulimia spectrum disorders, mothers & fathers & sisters of eating disordered females, transgenerational implications, 4473
efficacy of cognitive therapy approach, 50 yr old female with nonpsychotic morbid jealousy, 12832
emotional disturbances & psychopathological symptoms, 18–55 yr old homosexuals in early asymptomatic stages of HIV infection, 23314
emotional security as regulatory process, implications for normal & psychopathological development, 7315
emotionally stressful life events, psychopathology & illness related psychosocial changes, patients with benign essential blepharospasm vs hemifacial spasm, 12482
epidemiological & clinical features & adult risk of depression, children, 26453
equifinality & multifinality perspectives on developmental psychopathology, 26380
ethics of psychohistorical research into A. Hitler's psychopathology & subsequent projection & rationalization as social policy, 18935
evaluation of forensic day treatment program, personality disorder symptoms & hostility & general psychopathology, 17–64 yr old perpetrators of sexual vs nonsexual crimes, 20371
exposure to Hurricane Andrew, posttraumatic stress symptomatology & psychological morbidity, 7–13 yr olds, 21 mo followup, 11921
factor structure of Brief Psychiatric Rating Scale, assessment of effect of plasma haloperidol & clinical outcome, patients admitted with acute schizophrenia or schizoaffective disorder, 6025
familial alcoholism vulnerability & pattern of co-occurring psychopathology, adult sons of alcoholics, 19366
family & personal psychopathology, unwanted sexual experiences as predictor of bulimia nervosa, 16–54 yr old females, 35933
family disturbance & hopelessness & psychopathology, parasuicidal Indian 14–21 yr olds, South Africa, 39166
family functioning & psychopathology & child diagnosis, mothers &/vs fathers & school refusing 7–17 yr olds from 1 vs 2 parent families, 26339
family history & personality & affect & psychopathology, blood harman & nonharman levels, alcoholic 30–59 yr olds before vs after 6 mo abstinence, 12252
family history of personality or other psychopathology, prediction of combat exposure & predisposition to PTSD, male military veteran with PTSD vs anxiety &/vs depressive disorder, 22908
family therapy, family anger & irritability & rates of sexual abuse & sibling psychopathology & attachment difficulties, adolescents with borderline personality disorder, 32218
form & content of psychopathological material in letters, patients at Royal Edinburgh Asylum, 1873–1908, 38907
formal thought disorder & psychopathology, 5.7–14.0 yr olds with primary generalized epilepsy with absences vs complex partial seizures, 42789
frequency & nature of mental illness, 17–39 yr old patients of university psychology clinic, Nigeria, 22716
functioning level & psychopathology & multiple paraphilias, males practicing autoerotic asphyxiation that did vs did not result in accidental death, case reports, 8092
general vs perceptual performance vs verbal IQ scores & diagnosed psychopathology, 2–5 yr olds & mothers, 22704
global urbanization & biomedical technology, dialectic relationship between culture & psychopathology in role of anorexia nervosa & fat phobic form as cultural pursuit of thinness, 23210
glossolalia frequency & context & associated behaviors & feelings & meaning & association with psychopathology, speakers vs witnesses, 38917
heterogeneity within diagnostic categories of psychopathology in DSM-IV model & alternative diagnostic schemes, 22673
historical review of 19th century chronic pain research & psychopathology of chronic pain, treatment implications, 26867
history of associationism, implications for understanding of psychopathology, 10349
history of conduct disorder & associated psychopathology & family psychiatric history, symptomatology & comorbidity & response to tricyclic antidepressants, patients with major depression, 7931
history of study of psychodynamics of alexithymia & somatic & neurotic pathology, 1217
homozygous sickle cell disease, psychiatric complications, 18–20 yr olds, Jamaica, 35977
incidence of suicide attempts & depression & PTSD & other psychopathology, 21–23 yr old friends of adolescent suicide victims, 3 yr study, 8082
internal consistency & construct validity & test-retest reliability of York Enviousness Scale, assessment of envious personality & relationship to psychopathology, male vs female 18–53 yr olds, 5978
internal vs moderate vs external locus of control, level of psychopathology, 20–30 yr olds, Nigeria, 22703
interparental conflict, young adult functioning & antisocial behavior & general psychopathology, 17–22 yr olds & their biological mothers, 35429
interpersonal self & boundary formation & symbolization & response differentiation in interpersonal treatment of severe psychopathology, 12792
interrater reliability of Global Assessment Scale, measurement of psychiatric status & progress & outcome in mental health care systems, psychiatric patients, 21061
issues in origins & theory & method & profile analysis & applications of Interpersonal Adjective Scales & Inventory of Interpersonal Problems, assessment of normal & abnormal interpersonal behavior, 17677
issues of diagnostic assessment & comorbidity of mental disorders & research design & analog strategies in psychopathology research, 15891
K. Jaspers' phenomenological approach to psychopathology & turn of century Methodenstreit over nature & scientific status of human sciences & Kantian vs Husserlian influences, 7812
malingering by proxy involving reporting of psychological disturbance for purpose of financial gain, mother & her 9 yr old son, case report, letter, 35738
maternal expressed emotion & behavioral inhibition & psychopathology, at risk 4–10 yr olds of mothers with vs without panic disorder & behaviorally inhibited vs uninhibited 11 yr olds, followup, 30764
maternal history of alcoholism, prevalence of psychopathology & risk of alcoholism, 8–18 yr olds, 8253
maternal psychopathology & expressed emotion toward their children, at-risk & behaviorally inhibited vs uninhibited 4–12 yr olds & their mothers with vs without anxiety disorder, 38919
MAXCOV-HITMAN, determination of taxonic dimensional data for diagnosis of psychopathology, commentary reply, 6143

mental organization of primitive personalities, patients, implications for analytic treatment, 19906
metabolite signal intensity & tissue volume & other neurochemical pathology of hippocampal region vs dorsolateral prefrontal cortex vs other brain structures, 22–51 yr olds with schizophrenia, 19186
methylprednisolone or fluocortolone, development of neuropsychological symptoms & psychopathology, patients with ocular diseases, Germany, prospective study, 9275
MMPI profile & psychopathology, 18–44 yr olds referred for problems with shyness, 30500
MMPI profiles & extent and pattern of psychopathology, 19–77 yr old patients with medically vs psychologically based chronic insomnias, 39377
MMPI profiles of eating disorder subtypes, hospitalized patients, France vs US, 42662
movement from psychopathological to existential diagnosis during 1st interview in psychoanalysis, 26 yr old female with sexual difficulties, 27328
narrative performance, prediction of psychopathology, 16–26 yr old substance abuse patients, 31309
network model of global cortical organization based on observations of gamma band neuroelectric recordings, network of neuronal ensembles, implications for psychopathology, 3076
neurological signs & symptoms & psychological changes & coping & psychopathological symptoms, patients with idiopathic spasmodic torticollis, 8488
neuropsychological & neurobehavioral models of psychopathology, children & adolescents, literature review, 19121
neuropsychological & social & psychopathological variables & attitude toward treatment, development of insight, 18–66 yr old acutely psychotic inpatients in compliance therapy, 30998
neuropsychological assessment, psychopathology, adults with vs without olivopontocerebellar atrophy, 4647
neuroticism & susceptibility of dysregulation & attention & negative affect & psychopathology, 30809
offense history & family functioning & psychological difficulties & delinquent behavior, sexually abused vs nonabused adolescent sexual offenders, 8304
overlap & divergence issues in Freud's early theorizing on hysteria & contemporary trauma theory, implications for psychotherapy, 22717
parental psychopathology, disturbed family climate & disruptive & traumatic events & severity of disorder, 16–30 yr old females with borderline personality disorder, 42424
parental warmth & protectiveness & authoritarianism, psychopathology in offspring, adult female co-twins & their parents, 35478
past & present parental psychiatric disorder & childhood psychopathology & symptomatology, prediction of affective disorders, 6–19 yr olds, 4 yr followup, 11941
pathological morally outraged character type & dominance of hypercathexis of superego, 17 & 37 yr old male anaysands, 30608
pathological optimism & nostalgia fantasies as related forms of defensive idealization & unfolding in psychoanalysis, conference presentation, 19874
pathophysiology & psychopathology, schizophrenic male & 37 yr old female with herpes encephalitis, 23417
patterns of DSM–III Axis I & II psychopathology, males who committed homicide &/vs rape, 8330
perceived influence of E. Husserl's early philosophical phenomenology on K. Jasper's psychopathological phenomenology, 13525
person–environment correlations, implications for developmental psychopathology research, 38875
philosophical convergence & divergence in K. Jaspers's view of psychopathology & E. Husserl's early phenomenology & descriptive empirical vs eidetic psychology, 10351
physical fatigability & exercise capacity & disability & somatization & psychopathology, adults with chronic fatigue syndrome, 31591
political attitudes & personality characteristics & psychopathology & substance abuse, adults, test of Libertarianism-Totalitarianism & Conservatism-Libertarianism scales, 7526
pre-adolescent chumship as buffer against psychopathology & weak vs strong family support & parental bonding, high school (mean age 16.7 yrs) students, Israel, 38374
precision & reliability & accuracy in symptom onset recall, 8–18 yr old psychiatric outpatients & their parents, England & US, 7828
presence & treatment of parental psychopathology, nonorganic failure to thrive, 6–18 mo olds, case reports, 4512
pretransplant assessment of psychiatric diagnosis & coping style & psychosocial support, survival & health care utilization, cardiac transplant patients, 20069
prevalence & clinical features & etiology of uncontrolled buying, literature review, 19125
prevalence & severity of binge eating & psychopathology & weight control, obese 20–73 yr olds, 8413
prevalence of HIV/AIDS & related psychopathology & suicide, implications for suicide intervention & mental health services, Spain, 8513
prevalence of malingering, claimants seeking Social Security disability income on psychological grounds, 15873
prevalence of psychiatric comorbidity & outcome & cross over to other eating disorders & changes in clinical features, 10.3–20.9 yr olds with anorexia nervosa, 3 & 7 yr follow up, Germany, 12410
prevalence of psychiatric morbidity & psychopathology, 18–60 yr old remanded prisoners who were vs were not in solitary confinement, Denmark, 8298
prevalence of psychopathology, adults with mental retardation, Italy, 42648
prevalence of psychopathology, severely vs profoundly mentally retarded 21–30 vs 31–40 vs 41–50 vs 50 yr olds & older, 4426
prevalence of psychopathology, 6–17 yr old children of military personnel living in military posts, commentary, letter, 7868
prevalence of psychopathology, 6–17 yr old children of military personnel living in military posts, commentary reply, letter, 7848
prevalence of significant psychopathology & personality measures outside the norms, 21–50 yr old normal volunteers, 33980
process view of self, psychopathological implications, 15862
profile of demographic & clinical variables & comorbid psychopathology, adults with attention deficit & hyperactivity disorder, 19437
proposals for resolution of problems with concept of repression, implications for psychopathology, 19095
proposition of psychopathological organizers to synthesize schemes of comprehension of internal experiences around meaningful core independent from nosology, 7806
psychiatric diagnoses & relationship with life stressors, 6.5–14.6 yr olds with alopecia areata, 26884
psychiatric diagnosis & cognitive achievement & social & school & family functioning, persistence & timing of remission, 6–17 yr old males with ADHD, 4 yr followup, 12312
psychiatric disorder prevalence & characteristics & relationship to parental psychopathology, 10–12 yr old males & their fathers with vs without substance use disorders, 26653
psychiatric history & symptomatology & psychological functioning, & suicidal ideation, parasuicide prior to vs during incarceration, male inmates, 19413
psychiatric profiles & personality traits, female 37–73 yr olds with glossodynia, 12472
psychoactive drug use & psychiatric comorbidity & inclusion of nicotine dependence, adults with ADHD, commentary, letter, 23161
psychological factors in etiology of Kleine-Levin syndrome, case reports, 42688
psychological presentation based on psychiatric referrals, only children vs children from 2 child families, England, 7861
psychological strength orientations in personality & cognitive & biological & occupational domains & psychopathology, 1226
psychometrics of psychiatric rating scales, identification & quantification of psychiatric symptoms, patients with Alzheimer's disease, test review, 2638

psychopathological & personality factors related to self concept, self excoriative behavior, females with mild to moderate facial acne vulgaris, 1498
psychopathological & psychosocial characteristics, epileptic patients with cognitive vs noncognitive auras, 1600
psychopathological correlates & symptomatology, aggressive patients with schizophrenia (mean age 37.7 yrs), 30950
psychopathological dimensions & familial morbid risk of psychosis, patients with recent onset functional psychosis & 1st degree relatives, 35638
psychopathological manifestations & clinical patterns & stress factors & evolution & social adaptation, patients with psychogenic paranoid psychosis, Spain, 39065
psychopathology & alcohol/drug abuse & early adjustment problems, crime & aggression, psychiatric patients in national maximum security facility, 16109
psychopathology & cognitive & family functioning, 12.3–18 yr old suicidal African-American adolescents, 12 mo followup, 4294
psychopathology & cultural factors & social stress, dissociative symptom severity, female 9–14 yr old victims of outbreak of spirit possession epidemic, Thailand, 1223
psychopathology & depersonalization-derealization & other psychosensorial symptoms, outpatients with panic disorder & agoraphobia vs complex partial temporal lobe epilepsy, Italy, 1147
psychopathology & depression, 16 yr old & older females meeting DSM-III-R vs DSM-IV criteria for anorexia &/vs bulimia with vs without history of anorexia, 31496
psychopathology & self vs judge perception of odor & periodontal status, adults with halitosis, 4516
psychopathology & symptomatology, incarcerated males with self mutilation history, 4257
psychopathology & weight cycling, obese adult females with binge eating disorder, 4440
psychopathology & weight loss criterion, importance & length of abstinence & spirituality, Overeaters Anonymous participants with current vs past obesity or other eating disorder, 32641
psychopathology index of MMPI & electrodermal responses, 18–68 yr old patients with affective disorders, 26469
psychopathology, obese females with vs without binge eating disorder vs bulimic females, 42667
psychopathology patterns & type of hostility, males with borderline vs antisocial personality disorder, Greece, 42419
psychopathology, quality of life & life satisfaction, patients with schizophrenia, 42341
psychopathology, schizophrenic 18–60 yr olds with vs without substance vs alcohol abuse vs alcoholic psychosis, Germany, 4164
psychophysiological methodology in studies of cognitive neuroscience & emotion & psychopathology, 6791
psychosocial characteristics & physical abuse, 9–17 yr olds & their caretakers, New York State & Puerto Rico, 31199
psychosocial morbidity & family relationships, 5–16 yr olds awaiting heart or heart-lung transplantation & their families, England, 27576
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9362
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9371
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9361
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, 9345
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary reply, 9346
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9348
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9392
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9377
rate of psychopathology in at-risk offspring, 7–12 yr old offspring of parents with major depression &/or anxiety disorder, 38905
Rating Ego Balance scores, assessment of level of personality organization & psychopathology, drug abusers, Sweden, 12255
rational emotive behavioral treatment of morbid jealousy, 12833
referral to mental health services after initial referral to fire department, 3–15 yr old firesetters with psychopathology, 35737
referrals by clinical staff to consulting psychiatrist for comorbid psychopathology, diagnosis of DSM-III-R comorbid Axis I or Axis II disorders, substance abusing Ss admitted to detoxification unit, 1390
relationship between child & adult psychopathology, 26417
reliability & validity of modified Referral Decision Scale, screening for mental disorders & prison adjustment, inmates at maximum security prison, 2590
reliability & validity of Symptom Checklist-90-Revised, assessment of self reported psychopathology, acute & involuntary psychiatric inpatients (mean age 35.19 yrs), 10457
religiosity & genetic vs environmental influences, familial resemblance of psychopathology & drug use & dependence & stress, adult female twins, 22666
residence & ethnicity & age & sex, comorbid patterns of psychopathology & aggression, urban poor 1st–6th graders, 7873
resilience to psychopathology & stress & adversities & risk factors & moderating processes, 11931
response indicator Frequency psychopathology from MMPI-2 & diagnosis, male veteran psychiatric inpatients, 35448
response style, self-report & O ratings of psychopathology using MMPI & other response style measures, psychiatric inpatients (mean age 15.1 yrs), 37452
restrictive behavior & impulsivity vs frequency of bingeing & vomiting & client characteristics, prediction of dropout from group therapy, bulimic females, 4901
risk factor research, developmental psychopathology, 35421
risperidone vs haloperidol, psychotic symptom & psychopathology scores & extrapyramidal side effects, 1st admission schizophrenic patients, 13015
role of disruptions in attachment processes in psychological dysfunctions underlying bulimia & anorexia nervosa, theory & research review, 1953–94, 4463
role of reflexive self-awareness, self-descriptions of severe psychopathology, adolescent & young adult inpatients with schizophrenia vs borderline personality disturbances, 7829
sample biases in indices of neighborhood income & urban residence, prevalence rates of adult psychopathology, 8–16 yr old twins & their parents, 26409
scores on Rorschach Indexes of Schizophrenia & Depression & Coping Deficit as indication of psychopathology vs creative thinking, 12–17 yr olds in early college entrance program, 18563
seizure content items on MMPI, interpretation of psychopathology, epilepsy patients, Canada, 37432
self assessment essays & self concept, insights into patient pathology & management, 15 & 16 yr old females, Nairobi, 22672
self consciousness & mental agency & clinical psychopathology of thought insertion, commentary, 12078
self consciousness & mental agency & clinical psychopathology of thought insertion, 12070
self directed learning in psychopathology course, 2nd yr medical students, 13540
self vs ego & personality development & psychopathogenesis, 11726
sex & age & SES, content category analysis of written communication for anxiety & hostility, job applicants, Chile, implications for diagosis of psychopathology, 11279
sex & stability of clinically relevant fears, 13 yr olds, 2 yr study, New Zealand, 31111

sex, psychomotor & mental development & development of psychopathology, 1 yr olds & their mothers with psychosocial stress, Sweden, 3 yr followup, 26411
shame & its role in adolescent social & cognitive & physical & interpersonal development, implications for development of psychopathology, literature review, 18614
significant psychiatric disorder & sex & birth cohort & sociodemographic characteristics, probability & timing of 1st marriage, 15–54 yr olds, 11837
single variable vs wholistic pattern analysis in person-oriented approach in developmental psychopathology research, 38844
social & medical & psychopathological factors & alcohol consumption patterns, 17+ yr olds in rural community, Spain, 30304
social class, prevalence of psychopathology, Black vs Hispanic vs White vs other minority 5–17 yr olds, 35485
social pathology, Roman Catholics, commentary, 42471
social phobia & perfectionism & levels of anxiety & general psychopathology, adults with vs without social phobia, 8026
stability of behavioral & emotional problems, 13–16 yr olds, 8 yr followup, commentary reply, letter, 19119
stability of behavioral & emotional problems, 13–16 yr olds, 8 yr followup, commentary, letter, 19123
starvation induced alterations of neuropeptide activity & neuroendocrine dysfunction, contribution to hypercortisolemia & amenorrhea & pathological behavior, 4451
stealing behavior & associated psychopathology, females with anorexia or bulimia or unspecified eating disorder, 31540
symptomatology & parent child interaction & parental psychopathology, 3–9 yr olds & their mother with Munchausen syndrome by proxy, 4275
syndromal vs functional classification strategies in psychopathology & utility & implications of functional dimensional category of experiential avoidance, 15876
systematic assessment with semistructured clinical interviews & rating scales to determine psychopathological features & presence of anxiety disorders, 3–15 yr olds with selective mutism, 35956
temperament & psychopathology, 8–17 yr old siblings of probands with depressive & anxiety disorders, 7849
time of onset & duration & frequency of ultra-rapid vs ultradian cycling, female patients with bipolar illness, longitudinal study, 4103
transcendent & pathological characteristics of inner voices in historical & contemporary accounts, 15881
traumatic vs pathogenic nature of psychically real fantasies, implications for psychoanalysis, conference presentation, 36372
types & complications & assessment & management & underlying psychopathology of laxative abuse, 16073
urinary levels & time course & excretion patterns of beta-carbolines harman & norharman & relation to life events & psychopathology, male alcoholics, 23097
use of term hypersexuality & association of excessive sexual behavior with symptoms of addiction & dependency & compulsivity & impulsivity, 22380
usefulness of Neuropsychiatric Inventory, assessment of psychopathology in dementia patients, caregivers familiar with dementia patient, 34040
utility of patient narratives in balancing scientific perspective of DSM-IV in psychopathology courses, 13562
validity & reliability of Pediatric Symptom Checklist as screening for psychosocial problems in screening & diagnostic process for Medicaid, Mexican American 4–5 yr olds, 17660
validity of Basic Personality Inventory for measuring psychopathology & adjustment, 18–56 yr old incarcerated males, Canada, 34015
validity of General Health Questionnaire & Beck Depression Inventory vs Schedules for Assessment of Neuropsychiatry, screening for psychiatric morbidity, patients with chronic fatigue syndrome, 2593
verbal creativity, prevalence of personality & affective disorders & alcoholism & other psychopathology & psychosocial aspects in biographical data, American & British male writers, 7809
vulnerability to environmental risk factors for psychopathology, 17 yr old males with minor physical anomalies, 30693
WAIS-R subtests & identification of cognitive descriptors of Harris-Lingoes psychopathic deviancy subscales of MMPI, male vs female normal adults, Australia, 37440
working with head injured vs other rehabilitation patients, stress & job satisfaction & psychopathology, nurses, 33272

Psychopathy [See Antisocial Personality]

Psychopharmacology—Serials

acute intranasal cocaine, subjective effects & plasma cocaine levels, male vs female 21–35 yr old occasional cocaine users, 610
advances in psychopharmacology & medication regimens & costs associated with institutionalization, psychiatrists at board & care homes, 33142
aging & nitric oxide synthase inhibitors, spatial memory in radial-arm maze task & neurotransmitter role of nitric oxide, 3 vs 30 mo old rats, 21896
alprazolam plasma concentration levels, 63–88 yr old multimorbid patients, 32476
anthracycline, prion disease delay & survival time, hamsters, animal model of neurodegenerative diseases, 34716
antipsychotic efficacy & anxiolysis & extrapyramidal side effects of potential antipsychotic 1192U90, mice & rats & pigeons, implications for schizophrenia, 3269
application of neurobehavioral model of alcoholism to pharmacotherapy, adults with alcoholism with vs without PTSD, 4981
befloxatone, pharmaco-EEG profile & P300 amplitude & latency & contingent negative variation of ERPs, 21–38 yr olds, France, implications for use as nonsedative antidepressants, 29578
benefits & efficacy of venlafaxine vs other antidepressants in achieving rapid onset of action, 43167
beta-adrenoceptor antagonist carteolol vs muscarinic receptor antagonists propranolol & biperiden, neuroleptic-induced catalepsy & stereotypy & locomotor activity, rats, animal model of akathisia, 38118
body dysmorphic disorder & pharmacologic treatment, 23914
cerebral perfusion changes, acute & never treated schizophrenics (mean age 30.2 yrs) in pre & post psychopharmacotherapy using Tc-99m HMPAO SPECT, 42317
chronic inhalation of ethanol &/or isradipine, withdrawal hyperexcitability in isolated hippocampal slices & in vivo & in vitro, mice, 11194
classification of antidepressants & considerations in antidepressant selection, focus on pharmacotherapeutic profile of venlafaxine, 43172
clinical outcome of adults with panic disorder, 5 yr followup, Sweden, 42356
clozapine, multilead quantitative EEG profile in vigilance task, healthy adults, implications for antipsychotic drug classification, 25574
community hospital model of postdoctoral training in clinical psychopharmacology, psychologists, 24429
competence & training criteria for & feasibility of psychopharmacology prescription privileges, psychologists, commentary on APA Task Force on Psychopharmacology, 24498
Department of Defense Psychopharmacology Demonstration Project, training in prescription of psychotropic medications, doctoral level psychologists, 24446
diagnosis & pharmacologic treatment of hypochondriasis & efficacy of fluoxetine vs placebo, 23879
dosage & mode of action & effectiveness of antiandrogens & antidepressants on paraphilias, literature review, 1949–95, 27410
dose & time response relationships of behavioral & physiological & biochemical effects of 8-OH-DPAT, male rats, 41543
dose of lithium & carbamazepine & time of death during 24 hr rhythm, deiodinase activity in CNS & peripheral tissues & thyroid hormone metabolism, rats, 34636
drug interactions of antidepressants, 23876
efficacy & safety of psychotropic drugs available in Europe but not US, 23885

electrochemical recording procedures & electrode design, assessment of dopamine transmission & its metabolites during electrical stimulation & drug-induced & species-typical behaviors, commentary, 25144
electrochemical recording procedures & electrode design, assessment of dopamine transmission & its metabolites during electrical stimulation & drug-induced & species-typical behaviors, 25138
elimination half-lives for plasma clozapine, 34–42 yr old schizophrenic patients, letter, clinical implications, 12960
ethically justifiable guidelines for use of placebo controls in clinical trials of psychopharmacologic agents, 25149
family focused psychoeducational treatment vs individual interpersonal psychotherapy as psychosocial treatments in combination with pharmacotherapy, recently ill patients with bipolar disorder, 23638
findings related to cytochrome P450 isozymes & other developments in pharmacogenetics, importance of clinical & cross ethnic observations, literature review, 3242
fluvoxamine & interaction with various opioid receptor subtype agonists, pain perception, male ICR mice, 29608
haloperidol & clozapine, latent inhibition, rats, 34725
haloperidol with vs without scopolamine vs metergoline with vs without scopolamine vs scopolamine vs placebo, cognitive processes & behavior, 20–33 yr old healthy males, conference presentation, 34721
heterogeneity of therapeutic efficacy & pharmacology & side effects of fluoxetine & sertraline & paroxetine, literature review, 27447
impact of ethnicity & gender & sociocultural factors on clinical psychopharmacology, analysis of AIDS awareness programs & phenomenology of suicide & anorexia nervosa, literature review, 5004
importance of stress as variable in psychotropic drug studies, rats, 15096
integration of "knockout" mutations & transgenic expression & antisense oligonucleotides molecular biological techniques in behavioral pharmacology, mice & rats, commentary, 25596
integration of "knockout" mutations & transgenic expression & antisense oligonucleotides molecular biological techniques in behavioral pharmacology, mice, commentary, 25559
integration of "knockout" mutations & transgenic expression & antisense oligonucleotides molecular biological techniques in behavioral pharmacology, mice, commentary, 25599
integration of "knockout" mutations & transgenic expression & antisense oligonucleotides molecular biological techniques in behavioral pharmacology, mice, 25576
kavain & dihydromethysticin, ipsapirone-induced field potential changes, antemortem guinea pig hippocampal slices, 38173
lines of psychopharmacologic research in treatment of Alzheimer's disease, 32718
logarithmic transformation & baseline correction in validity of electrocorticographic analysis of drug effects, rats, 25130
long-term lithium treatment, calibre of axons & nerve fibres in sural nerve, female rats, implications for neuropathy in humans receiving lithium therapy, 34677
marijuana cigarettes varying in tetrahydrocannabinol concentration & snack availability & money, marijuana self-administration & subjective effects & performance on computer tasks, 22–36 yr olds, 41464
metrifonate, learning & brain cholinesterase activity & extracellular levels of acetylcholine, basal forebrain-lesioned rats, 21862
need for interethnic psychopharmacologic research on children & adolescents, 5033
nefiracetam, cognitive task performance, normal & naturally aging rats & mice with vs without amnesia induced by drugs vs lesions vs hypoxia vs ischemia, 21856
neurobiological pathogenesis & psychopharmacological treatment aspects of eating disorder within other psychiatric pathologies, 4459
neurochemical & electrophysiological effects of 1192U90, rats, implications for schizophrenia, 3229
nicotinic vs dopamine neuroreceptor pretreatment & dose manipulations & neurochemical mediators, nicotine self-administration, animal models vs humans, literature review, 25609
novel prolyl endopeptidase inhibitor, prolyl endopeptidase activity & brain neurotransmitters & memory, rats, implications for treatment of Alzheimer's disease, 21926
olanzapine, D2 dopamine & 5-HT-2 receptor occupancy, 23–33 yr old healthy males, 36488
pharmaco-EEG data processing modes & ANOVA vs Wilcoxon sign rank test, results of clinical evaluation of MAO-A inhibitor brofaromine, 21–30 yr olds, Germany, 18329
pharmacokinetics & toxicity & drug interactions of carbamazepine, clinical use in neurology & pharmacology & efficacy with psychiatric disorders, literature review, 4977
pharmacologic characteristics & clinical profile of new neuroleptics for treatment of psychoses, conference presentation, 5111
pharmacological effects on hormones & neurotransmitters, learning & memory storage, inbred strains of mice, implications for study of neural & hormonal factors in emotion & cognition, 579
pharmacotherapy & continuation & maintenance treatment of depression & venlafaxine & nefazodone, adults, 23927
polypharmacotherapy in treatment of major depressive disorders, implications for treatment resistant depression, 23875
polypharmacy in bipolar I disorder, 23932
prescription privilege issues in combination of psychotherapy & psychopharmacology, 19717
psychological & pharmacological & neurobiological & risk factors in drug dependence & addiction, 1385
psychopharmacology of hallucinogenic drugs, 3183
psychotherapeutic & pharmacological approach to psychosomatic research & psychological characterization of medical illness, 12454
racial & ethnic variables in psychopharmacological studies as possible sources of variance & strategies for control of variables in research, 2738
research perspectives on psychopharmacology in HIV-positive patients, 32576
restrictions & regulations by public health authorities & introduction of new medications, prevalence of psychopharmacological use & dispension, non-hospitalized Reykjavik residents, Iceland, 36457
role of adenosine receptor antagonism & cyclic nucleotide phosphodiesterase inhibition in behavioral and physiological effects of xanthines in nonhuman primates, literature review, 18301
role of mesolimbic & mesocortical vs nigrostriatal selectivity & 5-HT receptors, mechanisms & lack of extrapyramidal & tardive dyskinetic effects from atypical antipsychotics, literature review, 6998
role of serotonin & monopharmacotherapy & polypharmacotherapy in obsessive compulsive disorder treatment, 23897
role of serotonin receptors in therapeutic & side effect profile of serotonin selective reuptake inhibitors, conference presentation, 11140
S-mephenytoin 4-hydroxylation capacity & habitual cigarette smoking, kinetics of alprazolam, 25–41 yr old males, 34688
somatization & hypochondriasis & its pharmacological treatment, implications for primary care settings, 23877
symptoms & treatment for Irritable Bowel Syndrome & comorbidity & posttraumatic stress & mood & panic & anxiety disorders & brain-gut treatment model, literature review, conference presentation, 36476
theoretical models on memory systems & attentional resources & role of benzodiazepines & scopolamine & other drugs in cognitive psychopharmacological research, 29534
theoretical models on memory systems & attentional resources & role of benzodiazepines & scopolamine & other drugs in cognitive psychopharmacological research, commentary, 29533

theoretical models on memory systems & attentional resources & role of benzodiazepines & scopolamine & other drugs in cognitive psychopharmacological & neuropsychological research, commentary, 29566
time-related pharmacokenetic & pharmacodynamic factors & effects of pharmacological manipulations on time's current, clinical outcomes, 39830
use of instrumental measures in geriatric psychopharmacology, elderly with psychosis or depression or Alzheimer's disease, 1836
valproic acid, beta-adrenergic receptors & G-proteins & adenylyl cyclase in C6 glioma cells, rats, implications for mania, 3201
3-2-carboxypiperazine-4-yl vs MK-801, popping behavior, mice, 21837

Psychophysical Measurement [See Also Magnitude Estimation]—Serials
accelerometry as a means to quantify physical activities in studies with Lorazepam & other benzodiazepines, males aged 19–25 yrs, 34136
algorithm for estimation of error parameters in psychophysical discrimination experiments, 14457
coincident auditory stimuli, perceived intensity of visual stimuli, adults, 17813
conventions in measurement of intensive magnitudes & implications of psychophysical law, 14492
development & testing of postural stability measurement, detection of motion sickness following use of virtual environment systems, adults & pilots & adults walking heel-to-toe, 10611
effectiveness of Alpha Attenuation Test vs Multiple Sleep Latency Test, assessment of sleepiness during 40 hr sleep deprivation protocol, adults, implications for organizational studies, 10364
Fechner's law & unity of character in psychophysics, 41003
force & amplitude & frequency of oscillations of the isometric pincer grasp, mirror movements, 24–40 yr olds, 25241
forestry machine work station shoulder–arm muscle load & cycle time & skill & perceived exertion & heart rate & preferred set up, male adults, 24881
handles on box & lifting distance & frequency, psychophysical test based rating of acceptable loads, male postal workers, Finland, 17474
initial-value dependencies & change measurement in psychophysiology, 6159
intra-arterial vs finger pressure measurements of BP, effects of mental workload on BP, 20–40 yr olds, 6804
J. Plateau's papers on measurement of sensations of light & fatigue & theoretical & experimental research on law of intensity of source, translated article, 25145
linear model quantification of force & angle & frequency, biomechanical stress & subjective discomfort in repetitive exertion & motion, 19–25 yr olds, 28637
methodological issues in psychophysical measurement of perceptual & attitudinal components of body image & size, 6160
noninvasive continuous BP measurement methods & heart rate & BP responses to mental stress & application to study of cardiovascular disease risk, 6800
probit & logit & normit analyses & least squares regressions of untransformed & logit-transformed probabilities & stimulus strength, estimations of thresholds from psychometric functions, 6149
psychometric properties & predictive value & clinical applications of phallometry, measurement of sexual interest, male sex offenders & aggressors, 18250
psychophysical approach to size of pay raise & perceptual & attitudinal reactions, employees, 33663
Psychophysiological Reserve Capacity Comprehensive Evaluating System, assessment of professional reliability, healthy vs hospitalized vs sleep deprived pilots, 28618
sensory vs post-sensory theories of inspection time as measures of sensory processing speed, adults, psychophysical implications, 6218
video based polar cross correlation method & algorithm, torsion assessment of 3-dimensional eye position during eye movements & projection onto image plane during processing, adults, 205

Psychophysics—Serials
additional rules for H. Levitt's transformed up-down method in psychophysics, 6767
auditory psychophysics & pattern perception & role of selective processing & attention in individual differences, adult listeners, literature review, 14562
conventions in measurement of intensive magnitudes & implications of psychophysical law, 14492
definition of measurement in establishment of quantitative science & psychophysics, commentary, 40985
duration & onset of 2-tone forward maskers, thresholds & psychophysical suppression & enhancement of signal, adults, application of 2-stage neural model, commentary, letter, 25210
factor structure & psychophysical analysis of sitting comfort vs discomfort, 20–60 yr old office workers & students, 28304
fast vs slow floor to knuckle vs knuckle to shoulder lift range, maximum acceptable weight of lift & moment about the lumbar spine, college students, 41046
Fechner's law & unity of character in psychophysics, 41003
load weight knowledge, leg lift vs back lift technique & low-back loading & balance in bimanual lifting tasks, healthy males (mean age 22.5 yrs), 28815
measurement theoretic approach as partial explanation of empirical contradictions of R. Luneberg's conception of a psychophysical theory of binocular space perception, conference presentation, 34095
numerical simulations, role of neural signals in middle temporal visual area in psychophysical decisions, rhesus monkeys, 18186
psychophysical threshold measurement in demarcation between qualified vs unqualified, implications for egalitarian selection criteria, 2471
psychophysics & anatomy & neurophysiology, orientation specific processing of visual contours & surfaces, 21257
range of acceptable stimulus intensities as estimators of dynamic range, prediction of power law exponents, adults, 41012
use of maximum likelihood estimators in auditory psychophysics, 40961

Psychophysiologic Disorders [See Psychosomatic Disorders]

Psychophysiology [See Also Psychoneuroimmunology]—Serials
adaptive automation & psychophysiological measures, 14073
alpha- vs beta-adrenergic blockade, vascular responses during embarrassing tasks vs moderate exercise, 17–45 yr old frequent vs infrequent blushers, Australia, 25541
ambulatory monitoring device, assessment of physiological & behavioral & psychological effects of viewing different types of TV programs, 10–13 yr old males with high vs low TV consumption, Germany, 15184
autonomic nervous system reactivity & antisocial behavior, 59–61 yr old males at high risk for criminal behavior, Denmark, 42567
Bell's inequality & influence of mental activity on physical reality, 5924
bibliometric examination of psychophysiological research in journal "Psychophysiology", 1964–93, 6796
cardiovascular & behavioral & cognitive & affective response to interpersonal conflict, 18–25 yr old males from families from different levels of cohesion & adaptability, 15584
chronic novel stressors, behavior & 5-HT system, Sprague-Dawley vs Wistar Kyoto male rats, 18257
CNS effects of relaxation response, 18–49 yr olds, 3156
cognitive & physiological appraisal processes, elicitation of threat & challenge responses to potentially stressful situations, adults, 34629
contributions to psychophysiological research, A. F. Ax, obituary, 6775
detection of 6% vs 8% inhaled carbon dioxide & associated physiological sensations & mood correlates, healthy males (mean age 21.0 yrs), 18316
development & validity of psychoacoustical model, prediction of noise masking of plosive bursts during speech perception, 24–30 yr olds, conference presentation, 37671

developmental psychophysiology & psychopathology & role of prefrontal cortex in regulation of sleep & arousal & affect & attention, 6771
differences in differential effort reactivity & psychophysiological or performance indicators of effort, introverts vs extraverts, 15677
difficulty of psychophysical same–different task, use of uncertain response adaptively to escape indeterminate stimulus relations, college students vs rhesus monkeys, 29485
EEG & eye movements as measures of & psychophysiological mechanisms in development of delirium, patients admitted to coronary care unit, 35991
familiar vs unfamiliar alcoholic beverage consumption, cognitive & subjective & psychophysiological indicators of ethanol tolerance, male 18–25 yr olds, test of classical conditioning hypothesis, 25603
female sexual arousal, psychophysiological theory, 29455
food exposure, heart rate & blood pressure & electrodermal activity & respiration rate & nervousness & distress & desire to binge & hunger, females (mean age 27.5 yrs) displaying binge-eating episodes, 31542
initial-value dependencies & change measurement in psychophysiology, 6159
integration of humanistic & scientific principles on psychophysiologic self-awareness training, implications for humanistic psychology, 27308
logico-ethical considerations in use of "control" question "test" polygraph, psychophysiological practitioners & researchers, commentary, 3154
molecular biological perspective on role of NMDA receptor in pathophysiology & neurodevelopment of schizophrenia, 30945
molecular biology perspective on & techniques for assessment of gene expression in pathophysiology of major psychoses, 31010
neuroanatomy & physiology of mammalian central serotonin nervous system & neural substrates in fear & defense responses, implications for panic disorder, 31080
neurophysiological & biochemical stress-related aspects of generalized anxiety disorder, literature review, conference presentation, 35649
nicotine delivering nasal spray vs vapor inhaler vs cigarettes, subjective psychophysical effects & heart rate & plasma nicotine, 21–45 yr olds, implications for abuse liability, 29609
nomenclature & instrumentation & recording procedures & units of measurement in measurement of electrodermal activity, implications for standardization of methodology, 21772
notched-noise suppressed transitory evoked otoacoustic emissions & psychoacoustical critical bandwidth, 23–34 yr olds, 37938
ondansetron as 5-HT antagonist vs cocaine, psychoactive & physiological responses, 26–40-yr-old male inpatient cocaine abusers, implications for drug abuse treatment, 9619
physiological & psychophysical & psychological responses to firefighting training drills, male firefighters, 10143
physiological & subjective responses to anxiety, adults with posttreatment hyperthyroid vs low vs high euthyroid, 8495
positive vs negative vs neutral picture series, eyeblink reflex magnitude vs corrugator supercilii muscle region EMG activity vs self-report measure of affective state, 18–22 yr olds, 25549
presenting features & cognitive & physiological mediating variables & psychobiological conceptualization of nocturnal panic & distinction from other sleep related disorders, 31069
prevalence & classification & neurophysiology & etiology & psychophysiology of premature ejaculation, 26117
psychophysiological & neurological & genetic factors associated with autism, literature review, 4403
psychophysiological & neuropsychological variables & concurrent levels of psychosocial functioning, adults (mean age 33.2 yrs) with schizophrenia or schizoaffective disorder, 19188
psychophysiological determinants of health & disease, 6808
psychophysiological effects of night shift work & noise, arousal & stress reactions, 20–30 yr old males, 11063
psychophysiological indicators of peritraumatic dissociation & relation to PTSD symptoms, 18–54 yr old female victims of rape, 42370
psychophysiological methodology in research on emotional & arousal effects of alcohol, literature review, 3281
psychophysiological methodology in studies of cognitive neuroscience & emotion & psychopathology, 6791
Psychophysiological Reserve Capacity Comprehensive Evaluating System, assessment of professional reliability, healthy vs hospitalized vs sleep deprived pilots, 28618
regression-based models using horizontal distance from ankles to load & vertical location of load in calculation of L5/S1 compression forces, adults, 38065
reinforcement magnitude & psychophysiological mechanisms & solution capacity in transitive inference test, crows vs pigeons, 21515
research in sexual psychophysiology & multidimensional & multidirectional model of female sexual arousal, conference presentation, 30280
response force & time & other psychophysiological measures in target detection & motor coactivation, college students, 17878
review of psychophysiological responses to facial stimuli, 14975
serotonin & dopamine antagonism in pathophysiology & treatment of schizophrenia, 18242
slow paced breathing through resistive load, cardiac rhythm, 18–40 yr olds, implications for paced breathing therapy as relaxation technique & polyvagal theory, 3167
sympathetic & parasympathetic cardiac control in visual illusion & mental arithmetic tasks, 18–27 yr olds, implications for psychophysiological studies of autonomic control, 14969
systemic psychophysiology approach in description of formation & realization of individual experience, animal & human data, 41409
theoretical basis & criticisms & statistical significance of "p" values in null hypothesis testing in psychophysiology research, 14471
use of estimates from single tasks in risk assessment & estimation of hand force & peak lumbar compression & shear force in combination manual tasks, college students, 38067

Psychosexual Behavior [See Also Bisexuality, Erection (Penis), Extramarital Intercourse, Heterosexuality, Homosexuality, Human Courtship, Hypersexuality, Masturbation, Monogamy, Orgasm, Promiscuity, Prostitution, Seduction, Sex Roles, Sexual Abstinence, Sexual Arousal, Sexual Deviations, Sexual Function Disturbances, Sexual Intercourse (Human), Sexual Risk Taking, Transsexualism, Transvestism, Virginity]—Serials

A. Jenkins' model of restraint vs physiological & sociological & psychological reasons as explanation for male violence against females, 16105
actor vs observer attitudes toward carrying and using condoms, male vs female 14–20 yr olds, Australia, 18589
adolescent sexual activity, 38614
affective & cognitive & global attitudes about condom use & previous sexual behavior & prior & intended condom use, college students, 41938
affective link between romantic relationships & sexual harassment in workplace, implications for organizational policy, 43818
AIDS knowledge & condom attitudes & depressive symptoms & drinking motives & decision making style & self-esteem & vulnerability to HIV, risky sexual behavior, 13–21 yr old substance abusers, 31320
AIDS-related knowledge & condom use & risky sexual behavior & commercial sex patronage, young males, Thailand, 30290
approaches to sexuality issues in rehabilitation context, survivors of traumatic brain injuries & their partners, 5392
aspects of parenting & parent-child relationships & demographic characteristics, participation in sexual possibility situations, urban African American 9–12.9 yr olds, implications for HIV prevention, 18606

attitudes & sex & norms & sexual behavior patterns, intention to use condoms & stay with single partner & engage in other low risk AIDS related behaviors, secondary school students, Malawi, 8514
attitudes toward fellatio & sexual compatibility & desire for each other, nondistressed husbands and wives, 22256
attitudes toward intimate sexual relationships among people with learning difficulties, speech & language therapists, 17076
attitudes toward male sexuality & sexual behavior outside marriage, males & females, Nigeria, implications for AIDS reduction strategies, 38615
attitudes toward sexual behaviors, scientists vs engineers, implications for grouping occupations in attitudinal surveys, 20775
attitudes toward sexuality & sexual expression in cognitively impaired vs intact residents, nursing home staff, 43406
background characteristics & sexual relationships & condom use & risk perception, 18–30 yr old female bar workers, Tanzania, 41947
behavior analytic perspective on human sexual behavior, 30283
beliefs about epidemiology of HIV/AIDS and sexually transmitted diseases & public expression of sexual behavior & control programs/intervention, decision makers, Turkey, 4588
beliefs about sexuality & gender differences & sexual drives & sexual power & sexual orientation & naturalization of sexuality, adult men vs women, 26114
biological & psychosocial contributions to sexual well-being & satisfaction, aging males, 3540
casual & commercial sexual networks, prostitutes & 18–52 yr old male clients, 6 mo study, Uganda, implications for HIV & sexually transmitted ddisease transmittal, 30277
changes in initiation of sexual & contraceptive behavior, 15–44 yr old females, 1978–88, 781
characteristics & treatment strategies, cybersex addicts in outpatient community based treatment program for sex offenders, 4735
childhood & early adolescent behavior problems, sexual intercourse patterns, 10th & 11th grade students, 2 yr study, implications for health risk, 7383
childhood sexual abuse, adolescent sexual aggression or victimization, White vs Native American vs African American 9th & 12th graders, 8130
cognitive & social & emotional issues of sexual decisions & sexual scripts & beliefs about AIDS, 15–19 yr old Black inner city males, 26111
cognitive model & sexual behavior/attractiveness schema & misinterpretation of neutral stimuli & behavioral & emotional aspects, morbid jealousy, 17–66 yr olds, UK, questionnaires appended, 11888
cohort analysis & intervention to reduce HIV transmission, trends in sexual behavior, urban male factory workers & their spouses, Tanzania, longitudinal study, 27603
communication with partner about sexual needs, emotional well being & sexual & relationship satisfaction & depression & self esteem, female 30–50 yr olds, Australia, 30263
concern about HIV & AIDS & predictors of condom use, Dominican vs Puerto Rican females who knew or suspected that their partners had other partners, 4591
concerns about being accused by students of inappropriate sexual behavior, university faculty members, 2161
consistent vs intermittent condom use & sexual activity, incidence of sexually transmitted disease, pregnant HIV seropositive vs seronegative urban females, 1989 vs 1993, Malawi, prospective study, 8530
counterbiasing information on condom use, reduction of social desirability bias in self reported condom use, adults, implications for health-care marketing, 11630
course on sexual history taking with instruction on HIV risk factors & role playing, sexual history taking performance & attitudes, medical students, 5483
cultural factors of traditional gender-role beliefs & sexual coercion & sexual comfort & condom social norms & self-efficacy, condom use, 18–49 yr old Latino men, 41944
deception in sexual vs nonsexual contacts, male psychopaths (mean age 28.7 yrs), 22948
decision making & reasons given for engaging in specific sexual practices, gay males, 7551
demographic & psychological characteristics & sexual behavior & compulsivity & sensation seeking, HIV positive men in substance abuse support groups & HIV prevention programs, 42741
demographic markers & sexual behavior & identification of individuals at risk for premarital sexual activity, 9th–12th graders, Canada, 29904
design & reporting guidelines of sexually transmitted disease/HIV behavioral intervention research, literature review, 28674
determinants of lapses of unsafe sex & attribution as predictor of lapses, homosexual males in HIV prevention treatment program, 30260
development & test of model of factors influencing intensity & variety of sexual desire, females, 30282
development of policy on sexuality & sexual rights, adult chronically hospitalized psychiatric patients, Canada, 2049
difficulties & challenges of lesbian client being attracted to lesbian therapist, 32031
discrepancies in desired level of sexual intimacy, 19–62 yr old male vs female university alumni members in long-term relationships, 22377
double standards for sexual jealousy, male vs female college students, 18796
drug use & sexual & HIV testing behaviors, female Dominican vs Mexican vs Puerto Rican prostitutes, 35158
eccentricity & sexual indulgence, autocratic rulers from long lasting agrarian states, 25984
educational interventions, changes in sexual behavior & incidence of HIV & sexually transmitted diseases, male truck company workers, Kenya, 1 yr followup, 42740
emotional & relational commitment & steady partner relationship, sexual experience, male vs female adolescents, 30287
epidemiology & biology of host related factors in sexual transmission of HIV, 31686
eroticism & maintenance of sexual desire, implications for clinicians treating inhibited sexual desire, conference presentation, 30267
ethical beliefs about & behaviors regarding sexual attraction & expression toward clients, Christian therapists, 36557
ethnicity & sex, sexual behavior, 17–55 yr old Asian vs non-Asian college students, Canada, 7566
ethnographic chronicles of male sex in public places, 26119
etiology & symptoms & age at onset & response to treatment of benign vs symptomatic headaches precipitated by cough vs exertion vs sexual excitement, 10–81 yr olds, 23275
evaluation of HIV village-based intervention, males vs females, Thailand, 36642
evaluation of probability of child's sexual abuse victimization based on frequency & base rate information about sexual behaviors, professionals vs college students, commentary, 16038
evaluation of probability of child's sexual abuse victimization based on frequency & base rate information about sexual behaviors, professionals vs college students, commentary reply, 16048
evolutionary perspective on sexual behavior, human females, 30272
evolutionary psychological roots of sexual possessiveness & wife abuse, males, 4303
factors in support of legalization of certain drug & sexual & gambling activities, adults, 22197
family background & sexual behaviors & contraception & sexually transmitted diseases & sexual attitudes, guilt & shame of 1st sexual intercourse experience, female college students, 26118
female sexual arousal, psychophysiological theory, 29455
females' methods for dealing with unwanted sexual advances in dating relationships, male college students, 22375
feminist & multicultural perspective on physiological & cognitive & affective & developmental sociocultural risk factors for perpetration of sexual aggression, 19412
frequency of protected vs unprotected heterosexual behavior during pregnancy, incidence of perinatal transmission of HIV-1, HIV-1-infected females & their infants, 31678

frequency of sexual activity & indifference & sexual behavioral modifications, community living patients with probable or possible Alzheimer's disease & their spouses, 19 mo followup, 19600
gender, control & positive & negative behavior in conversation to resolve disagreements, married couples, implications for identity & expectation states theories, 15602
gender stereotypes & family communication & involvement, promiscuity & sexual activity, adolescent males, implications for family therapists, 23769
general hostility & hostility toward own mother & women as group, sexual aggression, male college students, 41946
genital love & homosexuality as Oedipal defense & homophobia, implications for training of homosexuals as psychoanalytic psychotherapists, 43508
grouping by demographic or medical data vs frequency of specific sexual practices & motivations & condom use, AIDS intervention & prevention messages & barriers to change, male 19–66 yr olds, 13193
history & practices & community structures of sadomasochism practitioners & relation to feminist therapy, 30281
HIV counseling & testing, HIV-related sexual & drug use risk behaviors, iv drug users participating in methadone maintenance treatment, 31321
HIV seroprevalence trends, males who have sex with males, 1988–93, 8531
HIV serostatus, AIDS prevention information & motivation, HIV+ and HIV- Israeli males, 24065
homologies of animal & human sexual behaviors & application of Incentive Sequence Model, 25538
illusion of fertility control & adult attachment tendencies, contraceptive behavior & efficacy, 16–24 yr old college students, 26128
inability to kiss, treatment outcome, 42 & 49 yr old lesbian couple, case study, 32060
indicative sexually aggressive behavior, children who molest other children, literature review, implications for detection in school settings, 19289
interpersonal communication & receiver apprehension, sexual communication satisfaction, male vs female college students in intimate relationships, 18868
interpersonal exchange model of sexual satisfaction in long-term relationships, conference presentation, 30268
issues in methodology in studies of sexual behavior in relation to HIV infection & AIDS, Uganda, 19542
issues in training & supervision of sexology researchers, sex research supervisors & graduate students, 24415
issues related to aging & sexuality, elderly, literature review, 30285
item differences on parent vs staff completed Child Sexual Behavior Inventory, male 6–12 yr old psychiatric inpatients with vs without history of sexual abuse victimization, 31280
jurisprudential & legislative mandates for right to sexual relationships & marriage & parenthood, mentally disabled adults, 5880
knowledge of & attitudes toward HIV & personal loss & HIV testing status, coping behavior & problems in own & counseling about sexual behavior, HIV counselors, Zambia, 9746
lifetime & recent sexual partnerships & infidelity & casual sex & sexual initiation abroad & oral & anal sex & sexual abuse, female 15–48 yr olds with cervical papillomavirus infection, 12486
marital & sexual satisfaction, psychosocial well-being & life satisfaction & positive sexual relationship characteristics, 24–58 yr old female nurses, 30222
masturbatory practices & relationship to sexual intercourse & personal characteristics, male vs female 15–18 yr olds, Australia, 11471
media pornography, sexual behavior, 15–20 yr old males vs females, Nigeria, 30261
medroxyprogesterone acetate, pretreatment vs posttreatment testosterone & self reported sexual activities & relapse, paraphilic male 24–77 yr olds, 1833
menopause, ovarian & adrenal hormones & sexuality & well being, 40–60 yr old females, 21757
methods used to assess AIDS related sexual behaviors, adults, literature review, 31647
mother child & sexual social bonding hypothesis of REM sleep, mammals, 21792
mutative impact of transference interpretation with preoedipal focus, masochistic male 35 yr old with sadistic sexual behavior, case report, 36370
nature & role of eroticism in sexual interaction, implications for understanding & treatment of sexual desire problems, 967
nature vs nurture in biosocial model of gender differences in sexual interest, 30256
noncoital sex as educational strategy for prevention of sexually transmitted diseases & pregnancy, adolescents, 36644
nonconsent & aggressive force cues in erotic auditory & visual stimuli, sexual arousal, sexually coercive vs noncoercive male college students, 30269
normative & cultural structure of & use of nonverbal communications in anonymous sexual encounters with males in public places, males who engage in cruising, 3703
number of cohabiting relationships & sexual interest level & personality characteristics & hormone levels, heterosexual male alcoholic detoxification patients, 4317
organization of sexual information using Pathfinder, male vs female college students, 7559
origin & maintenance of incest taboo & model of impact of adult–child incestual sexual intercourse on normative mate selection, 35725
parent homosexuality, sexual orientation or experiences as children, human adults, 11617
parent vs peer vs sex partner influence, sexual behavior & attitudes, 13–25 yr olds with hemophilia & HIV infection, 31592
parental involvement in school-based AIDS prevention program, attitude & behavior & communication patterns & intentions, at risk 7th & 8th & 9th graders & their parents, 5 yr study, 32764
paternal alcoholism & maternal socioeconomic position, behavior problems & pubertal maturation & sexual behavior & school adjustment, 10–11 yr old males, 4 yr study, 25889
peer education, self-esteem & personal development & sexual behavior, 18–31 yr old peer educators, 1 yr study, 43720
perceived morality & trustworthiness & friendship appeal of religiously-active vs nonactive females who engage in casual sex, college students, 15616
perception of penis size vs appearance & sexual orientation & heterosexual experiences & circumcision & experiences with sexually explicit material & brother & fathers, 18–28 yr old males, 15532
perceptions of prevalence of condom use & sexually transmitted disease acquisition, 12–15 yr old females with vs without sexual experience, 38404
perceptions of resident sexual behavior, staff in hostel for homeless men, England, 32886
perceptions of sexual & nonsexual partner behaviors constituting positive vs negative vs typical dating experiences, male vs female 18–26 yr olds, 15525
perceptions of sexual attractiveness & attitudes about polygamy & sexual behavior, 18–21 yr old college students, 30289
personal expectations & experience & beliefs about the timing of 1st sexual intercourse in relationships with & without physical attraction &/or closeness, 17–37 yr old male vs female college students, 26105
physical & psychosocial factors, sexual function, elderly males, 25955
predictors of heterosexual aggression, female college students, 7552
prevalence & pattern of sexual activity & relationship with high-risk sexual behavior & family & school & individual variables, urban Hispanic & African-American adolescents, longitudinal study, 38407
prevalence of circumcision & sexually transmitted diseases & sexual dysfunction & practices, 18–59 yr old males, US, 32818
prevalence of psychosexual exploitation, females in cults, 31227

prevalence of regular vs casual partners & protected vs unprotected anal intercourse & other sexual behavior, homosexual males, 1993 vs 1994 vs 1995, UK, implications for HIV prevention, 11624
professional opinions on 4 vs 8 vs 12 yr olds' noncoercive sexual behaviors & undergraduate recollections of pre-13 yr old sexual experiences, 22–77 yr old professionals & 17–46 yr old students, 7331
progression rate to AIDS, HIV positive homosexual males with vs without steady HIV positive sexual partner, 31656
psychoanalytic theories of sexual identity & psychosexuality & anatomy & psychic reality, 1109
psychoanalytic view of & developmental failures in problems of sexual expression, adult male homosexuals, implications for psychoanalysis, 26305
psychological aspects of sexual functioning, cleric vs noncleric alleged child molesters, 8114
psychosexual boundary disasters in academic institutions, application of W. R. Bion's theory of psychoanalysis as culturally specific knowledge & role of relationship between container & contained, 33505
psychosexual boundary disasters in academic institutions, application of W. R. Bion's theory of psychoanalysis as culturally specific knowledge, commentary reply, 33504
psychosexual boundary disasters in academic institutions, application of W. R. Bion's theory of psychoanalysis as culturally specific knowledge, commentary, 33495
psychosexual boundary disasters in academic institutions, application of W. R. Bion's theory of psychoanalysis as culturally specific knowledge, commentary, 33488
psychosexual implications of vulvar diseases & treatment, conference presentation, 23266
psychosocial & behavioral factors, condom use, 18–63 yr old foreign tourist males & 18–44 yr old female prostitutes, Indonesia, 30288
psychosocial factors & psychosexual development & predictors of condom use & knowledge about HIV transmission, 18–49 yr old Latino vs non-Latino White females, 27596
psychosocial impact of infertility & its treatment on couples' sexual lives & primary & secondary preventative measures in context of infertility clinic, 24030
psychosocial variables & sexual behavior & condom use, 18–30 yr old Black vs White males who have had sex with men, 26123
recent sexual activity & condom use, HIV seropositive patients, letter, 8528
refusal & resistance skill training for tobacco use & substance abuse & sexual activity, children & adolescents, literature review, 24076
regulation of young people's sexual practices with current sex education policies, maneuvering by New Right in policy formation, 13709
relational frame theory in exploration of human sexuality, 38601
relationship of marital adjustment & depression & anxiety to low sexual desire, 20–50 yr old couples, Canada, 22384
relationship status & technical vs communication skills training, HIV-preventive condom use self efficacy & intentions & behaviors, college students, 3 mo followup, 20140
reliability & factorial validity of Initiating Heterosexual Contact Scale, female college students (mean age 22.3 yrs), 40812
religiosity & gender, social judgments of sexual activity & double standards, adolescents, Scotland, 796
residence in home for senior citizens, sexual behaviors & attitudes, 69–95 yr old males vs females, 24248
risk & efficacy issues in postexposure treatment, individuals exposed to HIV through sexual behavior or iv drug use, 31671
risky sexual behavior & counseling experiences, females with HIV, 31689
risky sexual behaviors, HIV seropositive vs seronegative females dependent on noninjection drugs, implication for safer-sex interventions, 26674
ritual female circumcision, sexual function & health, females, Africa, 22234
role of fantasy in normal & deviant sexual behavior & evaluation & treatment of sexual obsessions & compulsivity, 31374
role of opioids & dopamine from ventral tegmental & preoptic areas & nucleus accumbens & amygdala in sexual motivation & behavior, literature review, 21715
safe sex practices & attitudes, 20–40 yr old single sexually active heterosexuals, Australia, 30284
safer sex behavior practices & knowledge of AIDS & social norms & familiarity with persons with HIV, HIV risk appraisal, 18–42 yr old women, 43292
safer sex education, lesbians & bisexual women, 30275
self-centeredness vs sensitivity to others' needs, risk factors & sexually aggressive behavior & imagined sexual aggression, male college students, 19277
self efficacy & perceived risk of HIV transmission & subsequent intention to reduce risk, 21–63 yr old HIV negative iv drug users with multiple sexual partners, test of AIDS risk reduction model, 23323
self-efficacy & safe sexual behavior, female college students, 18797
self reported global vs sexual personality attributes vs ideal male & female sexual attributes, male vs female college students, Canada, 15504
self reported reasons for having sex & frequency of participation & sexual risk taking, 19–66 yr old heterosexual males from public STD clinic, 38607
self reported risk-taking sexual behaviors, high school juniors & seniors, 41701
sertraline, obsessive sexual urges & thoughts, 15 yr old African American male with negative thinking & thoughts of early death & violent themed writings, letter, 9048
sex & number of & regular vs casual partners, reported sexual practices, heterosexual 18–69 yr olds with multiple partners, France, implications for risk of sexually transmitted diseases, 3698
sex & personality traits & erotophobia-erotophilia & ego development & sociosexuality & psychometric qualities of the Sociosexual Orientation Inventory-Revised, White vs Asian college students, 35357
sex, characteristics desired in potential sexual vs marriage partner, 17–25 yr olds, 26120
sex, coercive tactics & reasons for compliance, college students, 22974
sex guilt & sexual behavior, female childhood sexual abuse victims vs nonabused females (mean age 32 yrs), 26634
sex, reported discrepancies in desired level of sexual intimacy, unmarried heterosexual 17–35 yr olds, 22376
sexual activites & attitudes, 14–27 yr olds, Korea, 11634
sexual assertiveness & esteem & disposition toward sexual fantasy, compliance with & effectiveness of orgasm consistency training, females with hypoactive sexual arousal, 32037
sexual attitudes & behaviors, male vs female 15–20 yr olds, Switzerland, 29900
sexual attitudes & behaviors, 16–63 yr old homosexual males, China, 3699
sexual behavior & condom use & attitudes toward HIV/AIDS & homosexuality, gay vs bisexual males, 41949
sexual behavior & dysfunction, 18–60 yr old outpatients with neuroleptic treated vs nontreated schizophrenia vs affective psychosis, Germany, 1209
sexual behavior & group home sexual policies & training programs, 16–59 yr olds with autism, 26776
sexual behavior & HIV risk taking patterns, Hispanic youth, US vs Dominican Republic, 8533
sexual behavior & knowledge & sources of health information, deaf & hard of hearing college students, 23506
sexual behavior & knowledge of transmission & prevention of sexually transmitted diseases & AIDS & condom use, unmarried adolescent males, India, 11468
sexual behavior patterns & other risk factors, HIV prevalence, HIV+ 20–54 yr olds, Tanzania, 31683
sexual issues highlighted by spread of HIV infection, 4590
sexual partner relations & attitudes toward & knowledge of HIV risk behaviors, adults, Japan, implications for AIDS prevention education, 8523

sexual perceptions & attitudes & behaviors, college students on Spring Break, 30274
sexual practices & attitudes & knowledge related to HIV transmission, low income Hispanic females, 26912
sexual practices, illicit drug users (mean age 43.9 yrs), implications for sex & marital therapy for high risk behaviors, 19357
sexual preoccupation & sex-seeking behavior as lifestyle vs pathology, 22386
sexual sensation seeking & self-control & pleasure ratings for sexual behavior, gay & bisexual males, implications for HIV prevention, 41948
sexuality in older adults, 38609
sexuality of obese persons, 38602
sibling relationship qualities, childbearing attitudes & expectations & problem & sexual behaviors, 11–16 yr old females with 15–19 yr old pregnant or parenting sisters, 29866
skill based intervention, condom use, high risk heterosexually active 14–19 yr olds in detention vs health clinic, 32746
sober vs alcohol vs placebo condition, HIV behavioral skills & condom attitudes, unmarried heterosexual men (mean age 24.9 yrs), 41958
social & cognitive factors, consistent condom use & safer sex intentions, heterosexual college students, implications for HIV educational interventions, 24082
social cognitive theory & correlates of early onset of sexual intercourse, female adolescents, 1984–1994, literature review, 41710
social psychological characteristics of high vs low sexual mixing across age & ethnic groups & herpes simplex virus 2, White vs African American vs Hispanic heterosexual 20–44 yr olds, 1489
sociodemographic characteristics in cross dressers or homosexuals or gigolos or bisexuals or heterosexuals, prevalence of HIV-1 & syphilis, 13–68 yr old males who have sex with males, Dominican Republic, 8529
socioeconomic development & marital satisfaction & harmonious extended family relations & desire for sexual possessiveness in urban marriages, 19–68 yr old husbands vs wives, Turkey, 35079
sociosexual knowledge & experience & attitudes & interests, 16–46 yr olds with autism vs developmental delay, 42606
Southwest Sexual Compulsivity Program, sex offenders & sexual compulsives, 24371
spokesperson sex & announcement appeal & involvement, effectiveness of safe sex public service announcements, 17–35 yr olds, 9326
stability of sexual orientation, male-to-female & female-to-male transsexuals in hospital based gender program, Canada, 22388
state & goals & objects of sexual desire, adults, 15535
Stella Seattle serial cartoon strip media campaign addressing unprotected anal sex, gay males, 3318
substance use & cognitive escape model & HIV-risk sexual behaviors, gay & bisexual men, implications for behavioral interventions, 31680
support of stereotypes about male sexuality & resulting sexual behavior strategies, 20–60 yr old females, 30259
survey of sexual behavior, 16–22 yr old college students vs 13–22 yr old high school students, Brazil, 7554
symptom presentation & history & impulsivity & sexual experience & eating attitudes & personality psychopathology, females with restricted vs binge/purge anorexia, 12419
symptoms & sexual history/experience & eating disorder attitudes & traits, 18–35 yr old bulimic females with vs without multi-impulsive behaviors, 26838
target's rating of sober or moderate or high level of intoxication, inferences about target's sexual availability & willingness, male vs female college students, 30426
tattooing & unusual sexual practices, male 27 yr old with obsessive compulsive disorder, case report, 4198
testosterone, sexual behavior & mood & psychological symptoms, 46–67 yr old males with erectile dysfunction, 31626
the psychological considerations of sexual health for men in culturally diverse communities, 26107
theory based curriculum, sexual intercourse & condom use, middle school students (mean age 12.3 yrs), 32753
traditional ideology & political & religious beliefs & sexual behavior & attitudes, 19–40 yr old college students, Germany, 18781
traditional sexual scripts & promotion & maintenance of sexual coercion, 22962
understanding of HIV & AIDS & sexual behavior, at-risk male vs female commercial farm workers in rural communities, Zimbabwe, 36018
unsafe sex & perceptions regarding safer sex related to HIV transmission, subsequent fact based AIDS prevention, gay male 13–19 yr olds, 13205
use of term hypersexuality & association of excessive sexual behavior with symptoms of addiction & dependency & compulsivity & impulsivity, 22380
validity & test reliability of Sexual Function Questionnaire, assessment of orgasmic & erectile functioning & sex drive & satisfaction & frequency, males with erectile dysfunction & their female partners, 6024
validity of Condom Use Self-Efficacy Scale, male college students, implications for HIV-risk reduction education, 20998
variables of sexual satisfaction, 18–74 yr old male vs females, 1971 & 1992, Finland, 41941
variations of interpretations on Sexual Experiences Survey items, assessment of sexual coercion, male college students, 10420
woman affirming sex research on low income urban & Black & North American Indian & Asian females & Latinas, literature review, conference presentation, 22372
yohimbine, sexual experiences & nocturnal penile tumescence & rigidity, 25–64 yr old males with erectile dysfunction, 9271
21 vs 90 day methadone detoxification, HIV risk behavior, iv drug users out of treatment, 6 mo followup, 33051

Psychosexual Development—Serials

childhood sexual abuse victimization & characteristics of adult sexual offending behavior, 17–67 yr old male sex offenders, 26627
conceptual analysis of impact of father's approval on a man's sexuality, sons, conference presentation, 29905

generativity, themes of agency & communion in autobiography, 25–72 yr olds, 7727
growing up in stepfamilies after divorce vs single-parent vs unstable vs stable intact families, intimate relationships & relational attitudes & well being, 15–24 yr olds, Netherlands, 30166
having friends & friendship quality & identity of friends, developmental significance of friendships, children & adolescents, conference presentation, 7330
health & neurobehavioral organization & cognitive development & maternal responsiveness & self perception & behavior & school achievement, 12 yr olds born premature, 12 yr study, 20586
identity & prosocial developmental benefits of community service participation, changes in sense of agency & social relatedness & moral political awareness, adolescents, 1952–94, research review, 7390
infant temperament, behavior problem development, 1.5 yr olds & their mothers & teachers, 10 yr study, 29875
integration of causal vs noncanonical information on intention in prediction of agent's behavior & judgment of punishment, 3 vs 4 vs 5 yr olds vs college students, 18636
intergenerational continuity & change in farming life & developmental implications for children, 2nd generation farmers & their children, 782
judgments of rights of child & adults to freedom of speech & religion in society & school & family, 1st vs 3rd vs 5th vs 7th graders vs college students, Canada, 41714
Jungian perspective of need for international cooperation toward social development & professional social work response, 22211
levels of thinking about child's social & emotional development, parents of gifted children & adolescents, application of model of parental reasoning, 7513
living in orphanage vs at home, cognitive & affective & personal development, 6.1–7.3 yr olds, Russia, 32854
long-term differential gender effects of early day care, 13 yr olds, Sweden, 25673
maternal vs paternal separation, psychosocial functioning, 4–8 yr olds living with mother vs father on military base, 3402
mental health & psychosocial development & understanding regarding exile & nature & cause of violence & feelings & thoughts regarding returning to home country, 7–16 yr old Guatemalan refugees, Mexico, 7352
mentoring & athletic participation, occupational plans & psychosocial developmental at termination of college career, male college athletes vs nonathletes, 13790
methods for study of stability of relationships in peer & social network structures, children, implications for socialization processes, 7343
model of psychosocial development & life experiences in areas of education & socioeconomic status & marital & family relationships in adulthood, male vs female undergraduates, 22-yr study, 34957
models of ethnic & identity development in heuristics & attitudes of & toward ethnic groups, White vs minority students, 30102
models of grief as developmental task & life crisis & coping skills & psychosocial development, bereaved adolescents, 3404
mothers' personality & parenting, psychosocial developmental outcomes, toddlers, longitudinal study, 34921
mothers' vs fathers' self concepts & self esteem & positive & negative statements, development of self concept & self esteem, 3rd–7th graders, social learning & symbolic interaction models, 11569
multiple-relationships context of attachment & individual adaptations & secure-base behavior in expanded study of relationship development, children, commentary, 3438
multiple self states model & developmental damage classification for borderline personality disorder, 37 yr old female patient, extension of cognitive analytic therapy, 36290
nature vs nurture in biosocial model of gender differences in sexual interest, 30256
nonlinear dynamic mathematical model of effect of peer social interaction on individual social & emotional competence, preschool age male children with vs without developmental delays, 38382
nonsatisfactory basic skills as measured by standardized achievement tests, social maladjustment both before & after late adolescence, Swedish males, longitudinal study, 25905
number & types of war traumas, psychosocial development, 10–16 yr olds, Lebanon, 7348
observation & experience of violence during childhood & adolescence, adult marital violence, 11–15 yr olds, longitudinal study, application of social learning model, 25894
ontogenetic vs sociogenic vs liberative models of psychological development, adults, 7182
ontogenetic vs sociogenic vs liberative models of psychological development, adults, commentary, 7192
ontogenetic vs sociogenic vs liberative models of psychological development, adults, commentary, 7170
parental occupational & family role social stressors, cognitive & behavioral outcomes, 10–14 yr olds of young mothers, longitudinal study, 29718
parenting & family relationships & child's social & emotional development, families & 4–8 yr olds conceived with reproductive technology vs naturally vs adopted at birth, reprint, 30173
pathway vs agentic goal-directed thinking, definitions & self-reports of hope, children & adults, application of developmental model to social & group contexts, instruments appended, 38681
pathway vs agentic goal-directed thinking, definitions & self-reports of hope, children & adults, application of developmental vs other models to social & group contexts, commentary, 38658
peer education, self-esteem & personal development & sexual behavior, 18–31 yr old peer educators, 1 yr study, 43720
perception of & responses to rejection by peers, nonaggressive 7th grade males, 2 yr study, commentary, 18543
perception of & responses to rejection by peers, nonaggressive 7th grade males, 2 yr study, 18596
perception of & responses to rejection by peers, nonaggressive 7th grade males, 2 yr study, commentary reply, 18597
perception of maternal availability before 5 yrs old, psychosocial development, medical students, 15291
personality disorders & psychosocial functioning, 12–16 yr olds referred for psychiatric treatment, 5 yr follow-up, 38941

pervasive overall vs articulation vs comprehension speech/language classification at age 5, behavioral & emotional & social outcomes, 12.5 yr olds, 8428
protective factors & successful adaptation, adults in Kauai Longitudinal Study originally assessed as high-risk resilient children & youth, 26236
psychological well-being & employment status & history & identity development, 18–25 yr old unemployed vs employed young adults vs unemployed school-leavers, Netherlands, longitudinal study, 34934
psychosocial & cognitive determinants, development of understanding of gender-role development, young children, literature review, 29869
psychosocial adjustment & development & psychotherapeutic needs, Vietnamese Amerasians, literature review, 26008
psychosocial development, male exhibitionists vs extrafamilial child molesters vs incest offenders, 42580
relationship between antisocial traits & Axis I disorders & functioning, psychiatrically ill veterans without antisocial personality disorder, 42222
religious orientation & ego identity status for ideology & ethnic identity formation, Mormon vs non-Mormon vs Jewish 9th–12th graders, Canada & US, 3454
research on cognitive & social development, understanding of interaction between cognitive & social processes, children, 7171
responses to peer conflicts involving rights infraction, well vs low accepted 4th & 5th graders, 34915
school phobia, persistence of psychiatric disorder & psychosocial adjustment, 32–37 yr olds with childhood history of separation anxiety disorder vs psychiatric disorders, 20–29 yr followup, Sweden, 42367
self & behavioral racial identity attitudes, psychosocial competence, male vs female Black college students, test of F. B. Tyler's tridimensional model, 25854
sensorimotor deficiencies, social & emotional development in early childhood, children, 26865
sex & alcohol use & aggressive behavior & episodes of acute alcohol-related aggression during transition to young adulthood, adolescents, longitudinal study, 22149
sex & childhood & adolescent physical & sexual abuse, psychosocial functioning, 15 vs 21 yr olds, 17 yr study, 8157
sex role orientation & psychosocial crises of identity vs identity diffusion & intimacy vs isolation, males vs females, 18778
sexual identity & personal & social development & social & public policy issues, 4–9 yr old children of gay or lesbian parents, literature review, 18608
social skills deficits, development of psychosocial problems, college students, 26181
socialization, school grades & feelings of depression & antisocial behavior, 5th & 8th graders, 4 yr study, 41681
stability in behavioral inhibition & peer relations & emotional distress & life-course timing, 8–12 yr olds, 12 yr study, 18568
teacher ratings of vulnerability to psychosocial disturbance & self-rated norm breaking in adolescence & personality scores & MAO activity & criminal offenses in adulthood, males vs females, 22081
teacher–child relationship, social competence & compensatory function for insecure mother–child relations, 2.8–4.6 yr olds & their teachers, 24644
teasing & disputing & playing, male vs female 1st vs 3rd grade students, 29942
therapeutic play group, psychosocial development through peer group relations & school & home & community adjustments, latency age males with hearing impairments, 2 yr followup, 9237
understanding of & explanation for ethnic discrimination, Dutch & ethnic minority 10–13 yr olds, Netherlands, 22145
use of racial & ethnic concepts & actions, children in preschools, 29940
validation of theory of stages of faith development, college students, 7445
validity of Rorschach Human Experience Variable, prediction of interpersonal relatedness & group membership & nonhuman object representation, adult females, erratum, 33977
war, living conditions & personal & collective development, children, 22110
youth sports & physical activity & moral & social development, 22088

Psychosocial Factors—Serials

abnormal psychosocial situations & disordered family relationships, female adolescents with bulimia &/vs anorexia nervosa vs other major psychiatric conditions, Israel, 8415
academic motivation & aspiration & classroom learning environment in mathematics & psychosocial factors & demographic characteristics, resilient vs nonresilient Latino middle school students, 37049
accidents & delinquency & common predictors, 12–24 yr olds, Netherlands, 8310
acculturation & family & personality & ecology & peer factors during adolescence, drug use, African American vs Puerto Rican adults (mean age 20 yrs), longitudinal study, 42515
affect & utility beliefs & norms & habit & facilitators, asymptomatic use of mammography, 40–89 yr old females, test of care-seeking behavior theory, 39948
age & exposure to past painful experience & temperament & fears & female caregiver's child rearing practices, pain responses to venipucture, male vs female 8–12 yr olds, 36612
age & gender & birth order & history of interparental conflict & parental concerns & attitudes, post-separation visitation reluctance & refusal, 5–12 yr olds in custody & visitation disputes, 41893
age & gender & history of clinical depression, state vs nonstate dependence of depression related psychosocial variables, adults, 8 mo study, 11999
aggression & conduct disorder prevalence & background characteristics, runaway & homeless 12–19 yr olds, 8081
AIDS & psychosocial needs, delivery of hospice social services, social service directors, implications for collaboration with community agencies & need for staff training, 20254
AIDS knowledge & condom attitudes & depressive symptoms & drinking motives & decision making style & self-esteem & vulnerability to HIV, risky sexual behavior, 13–21 yr old substance abusers, 31320
AIDS Risk Reduction Model & other psychosocial factors, HIV sexual risk behavior, heterosexual 24–60 yr old noninjecting cocaine dependent males, 12240
antecedent & concurrent psychological & interpersonal & behavioral correlates of chronic self-destructiveness, 16–65 yr olds, 4240
assessment prior to vs during vs after badminton instruction, perceptions & values & beliefs, 9th graders, 9898
asymmetrical role-taking & power & coping & self & emotional appraisals, 19–58 yr old battered females, test of symbolic interactionist model of oppressive social situations, commentary reply, 31200

pre-Vietnam & Vietnam & homecoming factors & psychological morbidity & social well being, Vietnam veterans, Australia, 30755
precocious vs regular weaning & changes in social variables, cocaine conditioned place preference, male vs female mice, 38122
predictive validity of prenatal biomedical risk vs biopsychosocial risk assessments of low birth weight, mother–infant pairs, Argentina & Columbia & Honduras & Uruguay, 37441
predisposing & psychosocial factors, psychological distress during first-year posttransplant, family caregivers to heart transplant recipients, 24180
preparation & expectation–experience concordance & pain intensity & doctor's support & physical & emotional status, satisfaction with abortion, accompanied vs unaccompanied females, Canada, 27638
presentation & factor structure & sociodemographic correlates of DSM-IV alcohol dependence, White vs Black vs Mexican-American 18–40 yr olds & older, 12212
prevalence & level of dieting & its association with body weight & social circumstances & psychiatric morbidity, 12–17 yr olds, Australia, 29919
prevalence of dementia & psychosocial correlates & risk factors, 60 yr olds & older, India, 12675
prevalence rate of & biological & social factors in major depression & dysthymia, 18–65 yr olds, Italy, conference presentation, 7897
primacy of & presence vs absence of cross sex friendships, social & cognitive competence & family composition & endorsement of sex role stereotypes, Black vs White 3rd & 4th graders, 18583
proportional mortality ratios of suicide & related psychological problems & other possible reasons, 16–75 yr old male farmers, England & Wales, 39159
psychiatric & psychosocial variables, abnormal illness behavior, 18–73 yr olds with cancer, Italy, 31699
psychiatric diagnosis & cognitive achievement & social & school & family functioning, persistence & timing of remission, 6–17 yr old males with ADHD, 4 yr followup, 12312
psychiatric symptoms & social adjustment, 5–14 yr old survivors of parent or sibling suicide, 31246
psychic & biological & social influences on sexuality in psychoanalytic theory & practice, conference presentation, 30602
psycho-oncology & cognitive behavior therapy & the relationship between psychosocial factors & the etiology or progress of cancer, women with metastatic breast cancer, 39650
psychoanalytic & group dynamic & family systemic perspectives on intrapsychic & interpersonal functions & management in psychiatric units, adolescents with nonsuicidal self cutting behavior, 16021
psychodynamic sources of stress, prevalence of Axis I disorders & suicide, soldiers during initial weeks of Operation Uphold Democracy, Haiti, comparison with peace keeping missions, 11841
psychological & behavioral & familial psychosocial correlates of organic vs nonorganic recurrent abdominal pain, adolescents, 42700
psychological & psychiatric & environmental factors contributing to offending behavior, adults with self-reported learning disabilities, 35914
psychological & social & economic impact of recurrent cancer & treatment, patients, 4 & 8 mo followups, 8542
psychological & social & political issues in transracial family placement, literature review, 27656
psychological & sociological factors underlying decision to have augmentation mammoplasty despite known risks & complications, females, research review, 24008
psychological factors & mortality due to road traffic accidents vs killer diseases, Nigeria, 33821

psychological factors affecting decisions to militarily intervene, US vs other countries, 18679
psychological factors of security fears & desire for power & prestige in international proliferation vs restraint in spread of access to nuclear weapons, 18678
psychological health & psychosocial functioning & personality style & childhood background, subtle vs blatantly racist vs racially tolerant White 25–40 yr olds, 35058
psychological issues in suicide & assisted suicide & euthanasia, 31233
psychopathological & psychosocial characteristics, epileptic patients with cognitive vs noncognitive auras, 1600
psychosocial & academic benefits of living with same vs opposite sex parents, children & adolescents living in single parent households, 41905
psychosocial & behavioral factors, condom use, 18–63 yr old foreign tourist males & 18–44 yr old female prostitutes, Indonesia, 30288
psychosocial & cognitive-affective variables as barriers to early diagnosis & treatment of human papillomavirus infection & cervical cancer treatments, 31704
psychosocial & demographic characteristics, Hispanic ESL students who did vs did not participate in heart health nutrition program, 43274
psychosocial & health & demographic variables, acceptability of end of life decisions under terminal vs nonterminal conditions with very low quality of life, 60–100 yr olds, 22164
psychosocial & psychoeducational & neuropsychological status, frequency of learning disabilities, 6–14 yr olds with Tourette's syndrome with vs without ADHD, 8641
psychosocial adjustment & personality traits, leisure motivation, 14–18 yr old offenders vs high school students, 12302
psychosocial adversities as predictors of persistent disorder, 8–16 yr olds with major depression, 36 mo study, 26451
psychosocial beliefs, 4th yr medical students planning to specialize in family medicine vs other specialties, 43665
psychosocial biases, perceptions of health risk in comparison to others & actual health standing & behaviors, 18–75 yr old Northern Plains Indians, 32650
psychosocial characteristics & functioning & predictors of psychiatric morbidity, homeless 2–16 yr old children & their parents, UK, 38415
psychosocial characteristics & gender, smoking behavior, 6th graders, Canada, 38401
psychosocial characteristics & physical abuse, 9–17 yr olds & their caretakers, New York State & Puerto Rico, 31199
psychosocial consequences of receipt of left ventricular assist device, 19–66 yr olds, implications for heart transplant programs, 27577
psychosocial correlates of depression, pregnant females, 11972
psychosocial correlates of job strain & health risk, female corporate employees, 37203
psychosocial correlates of risky sexual activity & placing others at risk, HIV+ vs HIV– homosexual or bisexual males, 39447
psychosocial criteria used in assessment of candidates for organ transplantation & violations of Americans with Disabilities Act, 27570
psychosocial effects of outpatient cognitive-behavioral treatment, behavioral outcomes, 18 yr old & older crack cocaine users, 9 mo followup, 5403
psychosocial factors & academic achievement, high risk children observed from school entry to 16 yrs old, 2188
psychosocial factors & genetic relatedness, risk for affective & other psychiatric disorders, 6–17 yr old offspring of parents with bipolar disorder & their adult parents, 7938
psychosocial factors & health behavior & alterations in medical treatment & physiological mechanisms, cancer incidence & progression, research review, 23350
psychosocial factors & influence on stress, 29–74 yr old spousal caregivers of persons with multiple sclerosis, 24233
psychosocial factors & job stress, pain disclosure, keyboard users, New Zealand, 24795
psychosocial factors & low back pain related disability, literature review, 19519
psychosocial factors & models, perceptions of competition & threat from other racial groups, Whites vs Blacks vs Latinos vs Asians, 18876
psychosocial factors & parental bereavement after suicide vs car accident, 33–75 yr old parents of 18–35 yr old deceased males, 8155
psychosocial factors & perceived hazard exposure in the workplace & subsequent development of nonspecific symptoms & other ill-health problems, 40638
psychosocial factors & psychosexual development & predictors of condom use & knowledge about HIV transmission, 18–49 yr old Latino vs non-Latino White females, 27596
psychosocial factors & religiousness, life satisfaction & psychological distress & depression, 65–92 yr old retired Catholic sisters, 22510
psychosocial factors, assessment of risk of developing chronic musculoskeletal incapacity, adults, 5433
psychosocial factors, depressive symptoms & ambivalence & fears related to pregnancy, females in 2nd trimester of pregnancy, test of multifactorial model, 30736
psychosocial factors, development of & adjustment to coronary heart disease, females at risk for coronary heart disease, literature review, 26937
psychosocial factors, diagnosis of coronary heart disease, symptomatic females with vs without negative coronary angiography, 19576
psychosocial factors, high vs low density lipoproteins & triglycerides & total/high density cholesterol ratio, Black vs White 18–30 yr olds, 11073
psychosocial factors, HIV sexual risk behaviors, drug abusing adolescent offenders (mean age 15.5 yrs), 31677
psychosocial factors in epilepsy, application of medical & sociological models, 12641
psychosocial factors in progression of infection, individuals with HIV and AIDS, 31653
psychosocial factors, sexual risk-taking behavior, 20–51 yr old female workers at risk for HIV, Jamaica, 26916
psychosocial family history & therapist assessment of remarried family life, stepfamilies seeking help in mental health facilities, 32236
psychosocial features of employment status & pain as predictors of emotional distress, 18–60 yr old females with chronic pain, Canada, 35980
psychosocial functioning, adolescents with past history of dysthymic vs major depressive vs non-affective disorder, 35479
psychosocial functioning, probability of reunification with family, 2–16 yr olds in foster vs kinship care, 9426
psychosocial impact of infertility & its treatment on couples' sexual lives & primary & secondary preventative measures in context of infertility clinic, 24030
psychosocial influence, physical & mental development, 4 yr olds in families with alcoholic &/or high-stress parents, Sweden, follow-up study, 26693
psychosocial influences on alcohol use & misuse, adolescents, literature review, implications for social policy, England, 8241
psychosocial influences on long term impact & nature & mental health consequences of & intervention planning for & adaptation to chronic disasters in communities, 13314
psychosocial interventions for management of schizophrenia, 16478
psychosocial life events & onset of breast cancer, 1966–94, research review, 12535
psychosocial mediator variables & stressful life events, emotional stress response, 19–68 yr old HIV-positive homosexual males, 12 mo study, 23331
psychosocial mediators of hostility & coronary heart disease, adults & peers, 4630
psychosocial model of dementia care, family & professional caregivers, 27736
psychosocial morbidity & coping styles & health locus of control risk factors, 18–45 yr olds with chronic fatigue or chronic fatigue syndrome following presumed viral illness, 26860
psychosocial outcomes of breast-conserving surgery vs mastectomy, cancer patients, meta analysis, erratum, 42762

psychosocial outcomes of breast-conserving surgery vs mastectomy, cancer patients, meta analysis, 31706
psychosocial predictors of eating disorders, 14–23 yr old female high school vs college cheerleaders, 4468
psychosocial predictors of suicide rate, Sweden, 42473
psychosocial risk factors & reduction interventions, patients with cardiovascular disease, research review, 23999
psychosocial risk factors for late onset severe dementia, 70 yr olds, 9 yr followup, Sweden, 12655
psychosocial stressors, pregnancy & concurrent drug abuse, 14–21 yr old females with low SES, 26682
psychosocial support & other factors, cytokine induced natural killer cell activity associated with chronic stress, current vs former elderly spousal caregivers of patients with Alzheimer's disease, 556
psychosocial talk & barriers in 1st-time primary care medical encounters, physicians & elderly patients, 24117
psychosocial variables & sexual behavior & condom use, 18–30 yr old Black vs White males who have had sex with men, 26123
psychosocial variables in depressed adolescents (mean age 16.6 yrs), 38995
psychosocial work characteristics & employment grade & sickness absence due to back pain, 35–55 yr old office workers, England, 43793
psychosocial work environment & recent outbreak of technostress & electric & magnetic field sensitivity & nonspecific physiological symptoms & other health problems among modern office employees, 40631
psychosocial work environment in human service organizations, analysis & development of demand-control model, 5731
public-self vs inner-self perspectives on formation of personal relationships, 35215
publicly degrading situation, development of antisocial behavior & delinquency, undergraduates, France, 8174
purpose & development of DSM for Primary Care Child & Adolescent Version, commentary, 38856
quality of life & well being & mobility & degree of dependence & isolation & withdrawal & coping, adults with multiple sclerosis, New Zealand, 12618
quality of life & work related disability & independent predictors, adults with panic disorder vs infrequent panic, 35666
race & age & education & income & social support & coping & functional health & need for & use of health & social services, 60–93 yr old African American & White & Hispanic women, 41774
ranking by classmates on various measures of social status & their correlates, 10th–12th graders, China, 15281
rate & correlates of depressive symptoms, community dwelling 75 yr olds & older, Israel, 19165
recent life stressors & biological markers & psychosocial & clinical variables, 18–50 yr old newly admitted patients with an acute psychotic episode, 31015
reciprocal influences among adrenocortical activities & psychosocial processes & behavioral adjustment, clinic referred 9–16.45 yr olds, 26345
reliability & validity of Measure of Processes of Care, measure of attitude toward care received & psychosocial outcomes, parents of children with neurodevelopmental disorders, Canada, 28405
reliability & validity of 6 psychosocial scales, assessment of intermediate outcomes of violence prevention programs, 12–16 yr old Black males, 6-mo followup, 40841
religious & secular social involvement & social background & life satisfaction, undergraduates & church members, implications for counseling, 25998
religious well-being & religiosity & hope & social support & health & age & level of education & income, 65 yr old & older females, 41797
report of Pew-Fetzer task force for integration of biomedical model & psychosocial factors in health, 13189
risk & protective factors, adjustment & internalizing & externalizing symptoms, 8–16 yr old siblings of 4–18 yr olds with pervasive developmental disorder vs Down's syndrome, Canada, 3 yr study, 26752
risk factors & child support & visitation & relations with child's father & court & social system impact, noncustodial mothers, 41892
role of environmental & psychosocial & cognitive risk factors in onset of alcohol & tobacco & drug use, 12267
role of personality & cognitions & affect & behavior & biogenetics & demographics & bonding in biopsychosocial model of etiology of drug use & abuse, 12247
role of physical & psychological factors in psychosomatic illness, 31638
role of psychological factors in physical illness from psychoneuroimmunology perspective, literature review, 16237
role of technology & materials & participants, designing & enhancing learning environments, 43933
role of 5-HT subsystems & neurotransmission & psychosocial factors & self esteem & social anxiety in depression & anxiety, 1200
school & work & psychiatric history & symptoms & social adjustment & self perception of school efficacy & self esteem, 17–75 yr old psychiatic patients in supported post-secondary education program, 28078
school based vs school plus family intervention, psychosocial determinants of development of cardiovascular disease risk factors, 3rd graders, 17125
seizure recurrence & psychosocial outcome, patients who underwent en bloc anterior temporal lobe resection for lesions associated with intractable seizures, follow up study, 39902
self-esteem & attributional style & social adjustment & social support & clinical risk factors as predictors of recurrence, recovered bipolar & unipolar depressive patients, prospective study, 42286
self esteem & death of relative of friend & other psychosocial variables & presence of PTSD & stressful academic & familial & other stressful life events, depression, Vietnamese 14–20 yr olds, 4088
self rated psychosocial work conditions & characterisitcs & location of symptoms & signs & syndromes of musculoskeletal system, workers, 43840
sense of control & coping strategies & other psychosocial factors, perceived & objective caregiver burden & psychological distress, family member carers of chronic & subchronic schizophrenics, 30935
SES & language preference & cultural values & perceived family functioning, psychosocial adjustment, rural vs urban 13–19 yr old Chinese immigrants, US, 34905
sex & age, psychosocial predictors of health-compromising behaviors of unhealthy weight loss & substance abuse & delinquency & sexual activity & suicide attempts, 11–21 yr olds, 43295
sex, age-related variation in marital status & living arrangements & employment & alcohol misuse & social interaction, 9–88 yr old suicide victims, Finland, 8115
sex, injuries & self reported anxiety & self esteem & negative addiction to running, 18–69 yr old marathon participants, 5801
sex, psychological & sociocultural motivation for alcohol use, 17–24 yr olds, Nigeria, 26135
sexual abuse & multiple psychosocial problems, female 14 yr old with vocal cord dysfunction, case report, implications for multidisciplinary approach by health care providers, 23295
sexual orientation & affiliation with gay & lesbian community, body dissatisfaction & psychosocial distress, lesbian vs heterosexual females vs gay vs heterosexual males, 3689
signal detection analysis of physical & psychosocial & demographic predictors of long-term physical adherence to group- vs home-based exercise program, initially sedentary 50–65 yr olds, 2-yr study, 39945
situational & personality dependent cognitive & emotional & biological effects, drug use & craving & affect-modulating effects, Situation by Trait Adaptive Response model, 42525
social & clinical & discharge factors, length of stay, 60 yr olds & older in geropsychiatric hospital, 33005
social & cognitive factors, consistent condom use & safer sex intentions, heterosexual college students, implications for HIV educational interventions, 24082

social & communicative vs internal & personal factors as essential in conception of emotions, 18990
social & environmental problems, military veterans receiving general health care, 1653
social & medical & psychopathological factors & alcohol consumption patterns, 17+ yr olds in rural community, Spain, 30304
social & psychological & biological explanations of sex differences in depression, 30819
social background & working conditions, female commercial sex workers in low price brothels & tea houses & other urban work sites, Thailand, implications for HIV epidemic, 19560
social correlates of infant homicide, mothers (mean age 22.13) deemed legally responsible in Texas Criminal Justice System for homicide, 39230
social factors & stressors, Bradford Somatic Inventory screening for prevalence of emotional distress & psychiatric morbidity, residents of mountain village, Pakistan, 4060
social factors & stressors, Bradford Somatic Inventory screening for prevalence of emotional distress & psychiatric morbidity, residents of mountain village, Pakistan, commentary, 22707
social-psychological analysis of interpersonal forgiving & determinants & structure & consequences of forgiving & empathy-forgiving link, college students, test of empathy model of forgiveness, 38675
social psychological characteristics of high vs low sexual mixing across age & ethnic groups & herpes simplex virus 2, White vs African American vs Hispanic heterosexual 20–44 yr olds, 1489
social psychological factors, group decision making, school psychologists in school-based multidisciplinary diagnostic teams, implications for treatment outcomes, 35206
social situation & mental illness or retardation or substance abuse or other child abuse & solo vs multiple extrafamilial vs intrafamilial offense, case outcome, females who sexually abused children, 31377
societal pressure & negative stereotypes, identification with school & academic success, females & African Americans, 37045
sociodemographic & clinical characteristics, 15–73 yr old insanity acquittees from 1850–1995, Ireland, 39227
sociodemographic & clinical factors in recovery & baseline predictors, 8–13 yr olds with 1st episode major depressive or dysthymic disorder, 35537
sociodemographic & psychosocial factors, adherence to dietary & fluid restrictions, patients on hemodialysis, 24056
sociodemographic characteristics & stress, drinking patterns & attitudes & alcoholism, male vs female 12–64 yr old recent immigrants, Canada, 8266
sociodemographic factors, prediction of late life firearm vs other methods of suicide, White male 65–84 yr olds, implications for policy initiatives & community interventions, 16025
sociodemographic variables, suicide rate, 21–64 yr old dentists, 4292
sociodemographics & psychosocial adversity & conduct disorder & alcohol or substance dependence & depression, interactions with their 2–24 mo old infants, 15–20 yr old mothers, 15805
socioeconomic & demographic factors & psychological factors based on health belief model, decisions to seek medical consultation & care, literature review, 32786
socioeconomic & personal & drug use & criminal justice characteristics, 18–25 yr old Black vs Hispanic vs White male inmates in the federal correctional system, 39229
sociological & psychological implications of gate control theory of pain management, 23989
source of referral to child psychiatry service & attendance pattern & diagnostic & abnormal psychosocial situations, 2–16 yr olds, England, 30688
status of psychosocial interventions for major depression & anxiety disorders & alcoholism & drug abuse, 1652
status of psychosocial treatments for anxiety disorders, literature review, implications for health care system, 1671
stress & physical health or HIV status & psychosocial resources & coping, depressive mood, gay vs bisexual vs heterosexual Black men, 16280
stress & social support & other psychosocial factors, smoking cessation & related mortality, under 50 to over 70 yr olds with acute myocardial infarction, 5.6–6.9 yr followup, England, 12560
structural modeling of biomedical & demographic & psychosocial determinants of global subjective health, patients (mean age 58.4 yrs) with left ventricular dysfunction, 42775
substance abuse & depression & social variables, risk for physical abuse & neglect of children, parents, 4243
suicidal ideation & bereavement & psychosocial variables, HIV positive vs negative male caregivers of partners with AIDS, 2 yr prospective study, 42747
suicide as a result of social forces & pathologies & individual characteristics, 31238
temporal lobe resection, seizure frequency & psychosocial sequelae, adults, 8.4 yr follow-up, 36077
test–retest correlation of English vs Spanish version of Problem Oriented Screening Inventory for Teenagers, unique Spanish–English bilingual adolescents living on US-Mexico border, 21062
the psychological effects of vasectomy, males, 27574
traditional vs specialized AIDS education program, self esteem & emotional distress & coping style & drug use behavior, 18–50 yr old impoverished African American females, 2 yr followup, 39955
training program in psychosocial methods of intervention, community psychiatric nurses treating 20–60 yr old schizophrenic patients, 12 mo study, 33198
transition to high school, self esteem & efficacy & perceived school & peer social contexts, Black vs Latino vs Asian American vs White economically poor students, 17205
treatment approach with social & psychological & psychiatric components, patients with insulin dependent diabetes mellitus, 16731
underlying factors & correlates of & cultural differences in work values & model of effects on behavior, 13962
utility of standard health assessment information collected by nurses, prediction of psychosocial & physiological healthcare needs, 18–68 yr old HIV/AIDS patients, 32681
validity of multidimensional patterns of aging, mortality differences, 70 yr olds, Sweden, 20 yr study, 11512
validity of neuropsychological & demographic & medical & emotional predictors of occupational functioning & psychosocial activity & pension impairment, 15–73 yr old head injured workers, Canada, 24789
verbal creativity, prevalence of personality & affective disorders & alcoholism & other psychopathology & psychosocial aspects in biographical data, American & British male writers, 7809
vicarious & associative learning & familial water-related competence, fear of water, 5–8 & 23–73 yr old non-swimmers, 31079
weekly contact with adult friend through Big Brothers program, self competence & academic performance & behavior problems & parent–child relations, 8–14 yr old males raised by single mothers, 25841

Psychosocial Readjustment—Serials

behavior & psychological distress & sense of self following sibling's bone marrow transplantation, 6–18 yr old donors vs nondonors, 43259
body image & social adjustment, 11–21 yr olds who completed cancer treatment, 19571
classical neuroleptics & atypical antipsychotics & psychosocial treatments & community programs, patients with treatment refractory schizophrenia, 27087
comprehensive rehabilitation program, health risks & psychosocial consequences & life habits, adults with myocardial infarctions, Sweden, 5 yr follow up study, 27770
development of forensic hospital drug abuse policy & resocialization program, court committed patients, Netherlands, 13460
distrust & resocialization, survivors of war & torture, 31061

family focused psychoeducational treatment vs individual interpersonal psychotherapy as psychosocial treatments in combination with pharmacotherapy, recently ill patients with bipolar disorder, 23638
l'Envol SRT vs other community based health services, socio-economic reintegration & employment status, chronically mentally ill, Canada, 24181
mental health services & psychosocial functioning & symptoms & service use & costs, 18–59 yr old White vs non-White patients with severe mental illness & substance use disorder, 27086
neuropsychological & psychosocial adjustment following cochlear implant, adult patients, Spain, implications for role of mental health workers in rehabilitation, 24057
personality traits & coping & social support & emotional distress in readjustment to home culture, 18–20 yr old international high school & college exchange students, Japan, longitudinal study, 25869
perspectives on factors influencing work integration process, 29–46 yr old employed consumers of mental health services, Canada, 40083
pre- & post-parental divorce adjustment, adolescents, 25867
psychosocial adjustment, cancer survivors, implications for counseling interventions, 23346
psychosocial intervention program, refugee children, Yugoslavia, 19740
recidivism rates & adult criminal behavior & community readjustment, adolescent sex offenders, 4 yr followup, correctional implications, 23104
self efficacy & perceived social support, recovery related behaviors following coronary artery bypass graft surgery, adults diagnosed with coronary artery disease, 32678
self-hypnosis training, captivity survival & coping & readjustment, prisoners of war, 27493
1 vs 2 or more late posttraumatic seizures & injury severity, neuropsychological & psychosocial functioning, adults with severe traumatic head injury, 1 yr followup, 12622

Psychosocial Rehabilitation [See Also Therapeutic Social Clubs, Vocational Rehabilitation]—Serials

application of cognitive therapy using Islamic & psychological principles in prison reform project, Iran, 24370
arrival at day center seen as inundation or invasion or selection, rehabilitative intent & activities & setting of center, psychiatric patients, conference presentation, 20280
assessment practices & cultural sensitivity & cultural competence training, development of culturally responsive psychosocial rehabilitation programs, African American clients, 13419
clinical & demographic characteristics, vocational outcome, adults in psychosocial rehabilitation, 3.3 yr study, 33109
clozapine & psychosocial rehabilitation program, clinical functioning & aggressive behavior, inpatients with chronic schizophrenia, 8715
community vs hospital based psychiatric rehabilitation, quality of life & satisfaction with services & psychopathology, clients with serious mental illness, Canada, 1968
control relevant psychosocial intervention, 50–96 yr old nursing home residents with major or minor depression, 40127
cornerstones & purpose of rehabilitative intervention, psychosis & desocialization of psychotic patient, conference presentation, 20303
distrust & resocialization, survivors of war & torture, 31061
drama group therapy, interpersonal relations, mentally ill homeless inpatients, 36578
dynamic & supportive individual & group psychotherapies & psychosocial skills training, clinical & social outcomes, schizophrenic patients, literature review, 4809
effectiveness of skills training, adults with severe mental illness, meta analysis, 1970–92, 16941
evaluation of cognitive-behavioral & community based Psychosexual Treatment Program, sex offenders (mean age 35.9 yrs), 1 yr followup, Australia, 20376
evaluation of psychosocial clubhouse program for severely disabled psychiatric patient members, improvement of overall impact of member roles in successful program delivery, 5385
family's expressed emotion & individual inpatient psychosocial intervention with vs without family intervention followed by outpatient treatment, relapse rates, young adult psychiatric patients, 24272
foundations of rehabilitation in psychiatry, conference presentation, 19710
functional techniques for & description of supported education program, people with mental illness, 32923
guidelines for psychotropic medications & educational rounds, behavior disorders & use of medication & restraints & activity & cognitive & functional status, demented nursing home residents, 5343
history of formation of psychosocial day center, conference presentation, 20282
hospital Schizophrenia Psychosocial Rehabilitation Program, hospital discharge & long term community adjustment & overall quality of life, institutionalized long stay clients, 13399
housing & vocational facilities provided by rehabilitation organizations & funding, schizophrenic patients, France, 16956
implementation & initiation of community mental health program in rural area, Venezuela, implications for international psychosocial rehabilitation, 24198
matching of problem drinkers to effective treatment & future of psychosocial forms of treatment for alcohol problems, 9585
nature vs nurture contribution to & prevention & treatment of violent criminal acts, seriously disturbed youngsters & adolescents, 1408
need for comprehensive & multidisciplinary assessment during rehabilitation to promote recovery & facilitate school & community reentry, children with traumatic brain injuries, 20299
neuropsychological & psychosocial adjustment following cochlear implant, adult patients, Spain, implications for role of mental health workers in rehabilitation, 24057
outcome of social interventions, homeless substance abusers, 13454
patient & environmental & service delivery factors, fit between psychosocial support needs & hospital discharge plan, 13–98 yr old hospitalized patients, 32788
perception of most useful services including employment & social skills & technical skill training & provision of sustained access to available services, homeless mentally ill, 13227
pharmacotherapy & psychotherapy as viewed from vulnerability stress model, deinstitutionalization & psychosocial rehabilitation & long term outcome, schizophrenic clients, 12723
process of resolving value differences in psychosocial rehabilitation & perspectives on goal setting & rehabilitation process & autonomy & competence, rehabilitation workers & their clients, 33020
program characteristics of rural vs urban psychosocial rehabilitation programs, 33016
psychiatric rehabilitation & decentralization & psychiatric hospital capacity for mentally ill, Denmark & Finland & Iceland & Norway & Sweden, 16950
psychiatric rehabilitation, Switzerland, 16957
psychosocial & sociobiological rehabilitation & cognitive methodology training, research & administrative reform, chronically mentally ill, Spain, 16932
psychosocial intervention program, refugee children, Yugoslavia, 19740
psychosocial intervention, victims & survivors of disasters, Philippines, 1883
psychosocial rehabilitation in community residential programs, seriously mentally ill, implications for national health care reform, 2032
psychosocial rehabilitation in day center as part of service network in department of mental health, Italy, conference presentation, 20179
psychosocial rehabilitation, 53-yr-old male with borderline personality disorder & 34-yr-old male with chronic paranoid schizophrenia & alcohol abuse, case reports, 33017

psychosocial treatment & clozapine therapy, level of hope & symptoms & suicidality & treatment outcomes, patients with refractory schizophrenia & suicide attempts, 6 & 12 mo followups, 12720
psychosocial treatment intervention combinations, treatment retention & exposure & postdischarge outcomes, cocaine abusing adults, 1-yr study, 9588
rehabilitation of schizophrenic & other psychiatric patients, 16944
rehabilitation of schizophrenic patients, Austria, 16934
rehabilitation program based on principles of nontreatment & need specificity & normalization & networking, adults with chronic psychosis, 3-yr followup, 16939
reintegration model in partial hospitalization program, effective movement from treatment setting to community involvement, clozapine treated adults with schizophrenia, 5 yr study, 5368
reliability & validity of Member Satisfaction Scale, assessment of satisfaction with partial care & club house programs, community psychiatric rehabilitation facility members, 13420
role of consultant to psychosocial rehabilitation programs, commentary, 24141
role of consultant to psychosocial rehabilitation programs, 24124
self help partnership group participation, social reintegration, discharged psychiatric patients, translated article, 23976
social & professional reintegration & multimodal perspective for evaluation of reintegration process, mentally handicapped adults, 16940
social persuasion strategies in psychosocial rehabilitation of chronic mentally ill, 2053
social skills training, social skills & negative symptoms, 30–40 yr olds with schizophrenia with vs without deficit symptoms, 24289
termination of rehabilitation for psychiatric patients, conference presentation, 20305
transition of community based mental health agency from milieu structure to psychosocial philosophy & structure, 24177
validity of Level of Community Support Systems, assessment of needs for community support systems & screening for planning community based psychosocial rehabilitation, psychiatric inpatients, 6036
views & expectations regarding psychosocial rehabilitation program, healthy staff vs psychotic patients, 16942
World Health Organization's activities related to psychosocial rehabilitation, consumer empowerment & consensus between medical & lay views about mental disorders & rehabilitation, 16935

Psychosocial Resocialization [See Psychosocial Readjustment]

Psychosomatic Disorders [See Also Conversion Neurosis, Dysmorphophobia, Hypochondriasis, Somatoform Pain Disorder]—Serials

accuracy of restandardized MMPI-2, discrimination of pseudoseizures, patients with intractable epilepsy, 31758
affect & desomatization & psychosomatic disorders & consequences of infantile psychic trauma, adult male, 35984
alexithymia & associated somatic symptomatology & suggested etiology, implications for rehabilitation personnel, 19521
application of cognitive behavior therapy to functional somatic complaints, individuals with chronic fatigue syndrome, 39709
autogenic training, development-related cognitions & emotions & psychosomatic complaints, 66–80 yr old healthy adults in two studies, 23744
cognitively based approaches & treatment of psychophysiologic disorders & depression & anxiety & work strain, implications for use in managed care environment, 8842
comparison of DSM-IV & Diagnostic Classification: Zero to Three psychiatric diagnostic systems, 1–24 mo olds with psychogenic & functional pediatric symptoms, 7838
concordance of ICD & DSM classifications of multiple somatoform symptoms & somatization disorders, adult inpatients, Germany, 16258
content & quality & trends in randomized controlled trials in psychosomatic research, 1956-93, literature review, 1497
dance therapy, 22–55 yr old patients with psychosomatic disorders, Sweden, 43230
differential reinforcement, 13 yr old female with psychogenic cough, 12 mo study, case report, 16734
dimensional model of correlation of single occurrence vs comorbidity of depression & anxiety & somatic symptoms, 11840
EEG & neuroimaging & psychodiagnostic features, patients with epileptic &/vs nonepileptic seizures, 23248
elaboration of dormant traumatically induced intrapsychic conflict labelled Personal Sensitization Factor, implications for posttraumatic psychiatric & somatic disease, 15978
etiology & symptoms & age at onset & response to treatment of benign vs symptomatic headaches precipitated by cough vs exertion vs sexual excitement, 10–81 yr olds, 23275
family members' behavior, reinforcement of persistent pain symptoms, chronic patients with psychosomatic disorders, 12444
group psychoanalytic psychotherapy in general hospital setting, 23–60 yr olds with psychosomatic illness & somatizing disorder, 9235
health behaviors such as tobacco or alcohol use & indicators of social adjustment & psychosomatic symptoms, 11–15 yr olds with vs without asthma, Australia, 16230
hypothetical developmental model of psychosomatic states in patients with addictive tendencies & suggested psychotherapeutic & drug & alternative treatments, 1506
management of chronic pain associated with somatization disorder & hypochondriasis & psychiatric conditions, distinction between malingering vs factitious disorder, 4514
medical utilization & costs & unexplained physical symptoms, patients with panic disorder, 26564
negative bias & factors affecting positive findings in randomized controlled trial of psychotherapy, effectiveness of cognitive behavioral therapy, patients with medically unexplained symptoms, 1923
neuroticism & depression, reporting of somatic symptoms, healthy male & female students with mean ages 23.35 yrs & 20.72 yrs respectively, 27602

manualization of therapy & limitations & factors influencing outcome variability of empirically validated forms of psychotherapy, 4775
manualization of therapy & limitations & factors influencing outcome variability of empirically validated forms of psychotherapy, commentary, 4779
manualization of therapy & limitations & factors influencing outcome variability of empirically validated forms of psychotherapy, commentary, 4773
manualized psychotherapeutic treatment practices & outcome research, clients with DSM disorders, 8758
medical comorbidity & perceived health, treatment outcomes, patients with panic disorder in cognitive behavior therapy, 22911
mental health services utilization & outcome assessment of psychotherapy in "Consumer Reports" survey & 1995 "American Psychologist" article, 4820
methodological criticisms of "Consumer Reports" study of psychotherapeutic outcome & impact on concerns of managed care organizations, 4811
methodological issues in use of clinical trials vs 1995 "Consumer Reports" survey of effectiveness of psychotherapy, 4783
mother–infant interaction, maternal psychopathology & treatment outcome prediction, 18–41 yr old mothers hospitalized with depression or bipolar manic disorder or schizophrenia & their infants, 30763
need for & design & implementation & prototype model of outcome evaluation in mental health care, 8756
need for identification & measurement of psychotherapy results, 8802
need for integration of research & practice in psychotherapy process & outcome research, managed health care multispecialty group practices, 9387
negative bias & factors affecting positive findings in randomized controlled trial of psychotherapy, effectiveness of cognitive behavioral therapy, patients with medically unexplained symptoms, 1923
number of sessions & acute distress vs characterological & interpersonal symptoms, treatment response in time-limited psychotherapy, depressed clients, England, implications for dose-effect relations, 8749
occurrence of therapeutic benefits early in treatment, adult patients receiving psychotherapy from clinical psychology & social work trainees, 8771
operationalization & assessment of patient's psychological mindedness, implications for process & outcome of psychotherapy & psychoanalytically oriented therapy, 10453
order effect & treatment preference & hypnotizability, exposure in vivo with vs without hypnosis outcomes, panic disorder outpatients with agoraphobia (mean age 34.3 yrs), 27083
outcome & process differences, psychotherapy clients treated by professional vs lay therapists in time limited group psychotherapy, 8888
outcome data for cognitive & cognitive-behavioral therapies, depressed elderly, research review, 12837

outcomes assessment & Subjective Health Process Model for decision support & research, 8719
overview of 1995 "Consumer Reports" survey of effectiveness of psychotherapy, 4787
patient characteristics & early response to 3 types of therapies, prediction of symptom improvement vs relapse after 12 mo follow-up, 18–65 yr olds with generalized anxiety disorder, Scotland, 23605
patient profiling, evaluation of efficacy & effectiveness of & progress in psychotherapy, patients, 4781
pharmacotherapy &/vs cognitive behavioral therapy vs other psychotherapeutic treatment, assessment of body image & treatment outcomes of eating disorder programs, literature review, 27091
population & outcomes of children's mental health services called Fort Bragg Demonstration Project, 39994
predictors of therapeutic benefit & conversion to heterosexuality in analysis with homosexual patients, psychoanalysts, 43082
pretreatment reasons for depression, homework compliance & perceived helpfulness & outcome of cognitive therapy vs behavioral activation treatment, depressed clients, 16466
probability of superiority estimate, estimation of probability of superior outcome in comparisons of psychotherapy vs placebo vs control, clients, meta analysis, 6139
process & outcome indicators in community psychogeriatric teams, newly referred geriatric patients with dementia, England, 1993, 6 mo followup, 27677
proposed pathway to change in client centered empathic responding vs process experiential approach to treatment of depression, outcome, 26–63 yr olds, 8990
psychoanalytic approach & personal relationship with therapist, resolution of traumatic amnesia, case report, implications for analysis of psychoanalysis outcomes, reprint, 4941
psychodynamic psychotherapy vs interaction guidance therapy, infants' symptoms & dyadic interactions & maternal self esteem, mother infant dyads, 6 mo followup, 12802
psychotherapy, adjustment disorder & depression & anxiety & other psychiatric disorders & course of cancer & survival time, cancer patients, 13138
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, 9345
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9348
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary reply, 9346
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9377
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9392
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9371
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9362
quality & use & short term psychopathology outcomes & cost of continuum of care vs traditional models, 5–17 yr olds, commentary, 9361
relation of "Consumer Reports" study of psychotherapeutic outcomes with tripartite model of mental health evaluation & therapeutic outcomes, 4817
repetition for mastery & interpretation of affect & experiences & characteristics & testing of therapeutic relationship & undoing denial, cycle of therapeutic change, sexually abused children, 32041
satisfaction & clinical & demographic variables as measure of outcome, counseling center clients, 42941
school phobia, persistence of psychiatric disorder & psychosocial adjustment, 32–37 yr olds with childhood history of separation anxiety disorder vs psychiatric disorders, 20–29 yr followup, Sweden, 42367
single vs multiple interpersonal psychotherapy foci/nortriptyline, probability of recovery & time to clinical response, elderly patients with recurrent major depression, 32268
social & policy issues related to dissemination of information regarding psychotherapy effectiveness & problems with empirically validated forms of psychotherapy, commentary, 4761
status & types of outcome measurement used to evaluate effectiveness of practice, advanced practice psychiatric nurses, 43320
survival & multistate analysis models of effectiveness of psychodynamic psychotherapy with vs without cognitive behavioral techniques, inpatients with anorexia nervosa, 23616
termination process & long term outcome of intratherapeutic separations, 20–30 yr olds with psychosis or severe personality disorders, Sweden, 23662
therapeutic alliance, outcome of coping skills vs clinical management treatment, adult cocaine abusers, 36789
therapeutic community program, symptomatology & readmission rates & client views, 20–53 yr old residents with psychiatric disorders, 5360
therapist focusing & leader skill of psychologists vs natural helper nonprofessional group leaders & therapeutic relationship, treatment outcome, time-limited group psychotherapy members, 43017
therapy in clinical conditions, treatment outcome, meta analysis, 36226
treatment outcome assessment of child & adolescent mental health services & childhood mental disorders, 32059
utility of TAT, assessment of outcome group treatment, female sexually abused 7–9 yr olds, 28516
verbal process components, rate of change in standard symptom intensity measures across brief treatments, psychotherapy clients, implications for drug metaphor in therapy studies, commentary reply, 8805
verbal process components, rate of change in standard symptom intensity measures across brief treatments, psychotherapy clients, implications for drug metaphor in therapy studies, commentary, 8768

school climate & school-parent communication & parent empowerment, involvement & satisfaction with public education, parents of elementary school students, 17128
self esteem & religiosity & adjustment, 13–15 yr old Catholic vs public junior high school students, Canada, 40442

Public Sector [See Also Government, Government Agencies]—Serials

age & experience level, job satisfaction, male private vs public sector bank employees, Bangladesh, 2309
consensus on characteristics of effective performance appraisal systems, municipal personnel professionals vs research scholars, 10071
effectiveness of clozapine vs medication alternatives used in public sector, adult inpatients meeting FDA criteria for clozapine use, 2-yr study, 23878
evaluation of assessment center method for public sector personnel selection, police & fire chiefs & human resource professionals, 10055
high pay & benefits, job satisfaction, municipal water utility employees, 10097
initiatives for diversity management in organizations, public vs private sector executives & human resource managers, 10050
justice-fairness & scientific-technical adequacy & feasibility-utility standards, evaluation of public sector selection systems, political & management & union & systems stakeholders, 13918
legal & professional guidelines for use of & methods for setting cutoff scores in public sector selection contexts, fire fighters, 10559
managed mental health care, public-sector psychiatry, 40327
managerial values, business vs federal government executives, 10081
motivation & management styles, managers vs nonmanagers in public vs private sector, Taiwan, comparison with US data, 13945
political process & social responsibility & personal experiences in public service & the involvement of psychologists in public administration, implications for mental health services & managed care, 35125
political process and social responsibility and personal experiences in public service and the involvement of psychologists in public administration, 35126
rumored changes in policies & operating procedures, ability to influence program direction & manage decreased staff morale, public sector managers of smaller vs larger offices, 20752

Public Speaking—Serials

appraisal & coping & task performance & cardiovascular responses, 17–25 yr old males with high vs low speech anxiety, 3145
conversational analysis of timing & format & sequential organization of heckling, adult audiences, England, 3756
nonverbal behavior & race, attitude attributions of opinion in freely chosen vs assigned public speeches, college students, 7661
repeated presentations of public speaking & mental arithmetic task, cardiovascular & neuroendocrine & psychological adjustment, males, 34616
sex & race & age & GPA normative score data for Personal Report of Confidence as a Speaker, measurement of fear of public speaking. 17–40 yr olds & older, 28506
workshops based on book "Coping with Speech Anxiety" vs systematic desensitization, public speaking apprehension, college students, 19722

Public Transportation—Serials

conflict between self-interest vs long term collective interest & judgments regarding decision to commute by car vs public transportation, adults, Netherlands, 10229
fatigue related variables & optimism bias, accident involvement, male metropolitan taxi drivers, Australia, 2 yr study, 43914
terrorist incidents, rates of luggage theft in railway & underground stations, 42584
wayfinding training, generating sense of community, persons with mental & mobility handicap traveling by mass transit to use urban outpatient services, 27709

Public Welfare Services [See Community Welfare Services]

Puerto Rican Americans [See Hispanics]

Puerto Rico—Serials

alcohol expectancies, 17–46 yr old college students, Puerto Rico vs US, 30316
Jungian therapeutic processes vs traditional healing system of Puerto Rican Espiritismo, 1887
movement patterns between mainland US & Puerto Rico, low income adults with HIV seeking health care services, Puerto Rico, conference presentation, 26910

Pulmonary Disorders [See Lung Disorders]

Pulmonary Emphysema—Serials

buspirone, anxiety, 65+ yr olds with chronic obstructive airways disease & symptoms consistent with emphysema, letter, 32333

Pulse (Arterial) [See Arterial Pulse]

Punishment [See Also Response Cost]—Serials

affiliation with conservative Protestant denominations, corporal punishment for children, parents, 22293
altering shock intensity & shock delivery, anti-anxiety effects of 5HT-1A agonists & traditional anxiolytics in punished responding, pigeons, 21816
attitudes about rewards & punishments, 12–14 yr old male vs female & African vs Caucasian American 8th grade students, US vs England, 40444
attitudes toward & experiences of physical punishment, students from Northeastern vs Southern universities, 7506
attributional determinants of punishment decisions & reactions to O. J. Simpson, adults, 22527
beliefs about effects of disciplinary actions for subordinate's unsatisfactory performance when attributional stimuli are minimized, male vs female college student mock supervisors, 20737
blood alcohol concentration, effects of negative punishment on risk-taking & decision making, adult males, 15556
child reactions, mothers' attitudes toward corporal punishment, 25–44 yr old mothers & 3 yr olds, 38567

chlordiazepoxide, development of tolerance to response-suppressant & antipunishment effects in multiple schedule of operant behavior, male rats, 11204
cognitive therapy, punishment paranoia, 31 yr old male with schizophrenia, case report, 1731
cost equalization, behavioral allocation & binary choice in social settings with noncontingent & contingent reward probabilities for positive reinforcement & punishment, adults, 1019
culture of punishment, social attitudes toward insanity defense & intensified punishment for plea as scapegoat for perceived inequities of criminal justice system, commentary reply, 33900
culture of punishment, social attitudes toward insanity defense & intensified punishment for plea as scapegoat for perceived inequities of criminal justice system, commentary, 33896
culture of punishment, social attitudes toward insanity defense & intensified punishment for plea as scapegoat for perceived inequities of criminal justice system, commentary, 33898
culture of punishment, social attitudes toward insanity defense & intensified punishment for plea as scapegoat for perceived inequities of criminal justice system, 2449
fairness for self vs others regarding punishment & responsibility, bias & differences for ingroup & outgroup members, college students, 7658
family aggressiveness, corporal punishment, college students & their parents, implications for reciprocal effects model & impact of observer bias, 15482
frequency & severity & determinants of physical & psychological maltreatment of students, Bedouin elementary & junior high & high school teachers, Israel, 39137
juvenile's race & admission vs denial of crime, adjudication & disposition decisions, judges & probation officers & court service workers, 24944
maternal punishment &/vs reasoning, delay of misbehavior recurrences, mothers & their 25–38 mo olds, erratum, 30175
maternal punishment &/vs reasoning, delay of misbehavior recurrences, mothers & their 25–38 mo olds, 930
negative social sanctions & self-derogation, deviant behavior, junior high school students, 3 yr study, 22979
neuropeptide Y receptor ligands, punished responding behavior in conflict test & modulation by GABAa receptor ligands, male rats, animal model of anxiety, 41439
personality & trait anxiety & impulsivity & punishment, procedural learning, volunteers, England, test of J. A. Gray's anxiety theory, 38755
politics of Russian society & family & school socialization of personality using discipline with violent punishment & fear of shame & revenge, children, 3440
positive vs negative framing & image compatibility & formulation effects, punishments, 20–46 yr old business students, 15627
power to reward or punish in cooperative vs competitive vs independent context, college students, Canada, 2284
predictive validity of Psychological Inventory of Criminal Thinking Styles, prediction of subsequent disciplinary adjustment, prison inmates, 2 yr follow up, 17621
presentation of video vignette of aggressive individual, acceptability of positive reinforcement vs negative consequences, adults working with persons with developmental disabilities, 19831
prolonged fixed duration shocks, cues for fear conditioning & punishment intensification effects, Sprague Dawley rats, 18038
public opinion on interchangeability & equivalency of criminal fines vs imprisonment, 18–60+ yr olds, Canada, 43973
punishment, discriminative stimulus effects of midazolam & pentobarbital, pigeons, 38166
reinforcement vs aversion vs neutral stimulus pairing condition, vocal behavior, 11 & 14 mo old females, 7277
reinforcement vs punishment method of decreasing sedentary behavior, activity choice, obese 8–12 yr olds, 23739
repeated prisoners' dilemma & issue & player linkage in punishment strategies & synthesis of domestic–international linkage, 22325
reward & punishment, response disinhibition & heart rate & skin conductance & mood during instrumental learning, students, Australia, J. A. Gray's theory of behavioral approach & inhibition systems, 41413
teacher personality & pupil control ideology & leadership style, classroom management & attitudes toward corporal punishment, K–12th grade graduate student teachers, 9826
thinning of punishment schedule from continuous to intermittent, self-injurious behavior, 25–39 yr olds with profound mental retardation, 39155
use of corporal punishment in schools, 20624
views on & use of corporal punishment in schools, 23–60 yr old secondary school teachers, South Africa, 5576
5-HT agonists vs antagonists vs sertraline, punished responding in drug discrimination, male pigeons, 18315

Punishment (Capital) [See Capital Punishment]

Pupil (Eye)—Serials

observing binocular 3-D images & visual distance, accommodation & pupil functions, female students, 21243
pupil size & pupillary oscillation measure as markers of cocaine induced paranoia, recently abstinent crack cocaine addicts, 1400

Pupil Dilation—Serials

classically conditioned pupillary dilations & thalamus & dorsal & posterior hypothalamus cell activity, paralyzed cats, implications for role of posterior hypothalamus in learning, 21622
cognitive processing demands approaching vs exceeding processing resources, pupillary responses, college students, 18248
pilocarpine in increasing concentrations, muscarinic receptor sensitivity & pupil dilation, male patients with depression, test of cholinergic-adrenergic imbalance theory, 4125
pupillary responses & digit recall, index overload & working memory resources, adults with schizophrenia, conference presentation, 39036
topical tropicamide with vs without influence of cognitive task, pupillary dilation reflective of capacity for cognitive activation, 31–60 yr olds with multiple sclerosis, 16245
tropicamide, hypersensitive pupil dilation, 37–77 yr olds with vs without apolipoprotein E epsilon 4 allele, implications for Alzheimer's disease, Japan, 29557
tropicamide, mydriatic response, patients with Alzheimer's dementia (mean age 82.9 yrs) vs patients with vascular dementia (mean age 72.7 yrs), 31804

Purkinje Cells—Serials

binge-like alcohol exposure, total Purkinje cell count, male rat pups at postnatal day 4 vs 9, 38104
neural activity of Purkinje cells in the floccular complex driving plasticity during cerebellum-dependent learning in vestibular-ocular reflex, male monkeys, 37993
neural network model of metabotropic glutamate receptor 2nd messenger system in cerebellar Purkinje cells, adaptive timing in classical conditioned nictitating membrane response, 10946
role of cerebellar cortex vs deep nuclei in eyeblink learning, mutant mice deficient in Purkinje cells, 10935
sustained phosphorylation, long term desensitization of cerebellar Purkinje cell AMPA-type glutamate receptors, rat cerebellar slices, 37988
validity of cerebellar motor learning hypothesis & view of long term Purkinje cell activity depression as mechanism behind cerebellar motor learning, 37981

Putamen—Serials

computer model of neural network & parallel recording of spike activity of neostriatum neurons during performance of sequential actions, monkey, translated article, 33861
escalating & multiple high-dose binge pattern of amphetamine administration, extracellular dopamine responses in caudate putamen & nucleus accumbens, rats, 41482
MK 801, dopamine receptor-specific agonist induced priming of contralateral turning & c-fos expression in caudate putamen, male rats with 6-OHDA lesions of left medial forebrain bundle, 7007
morphometric abnormaliaties of caudate or lenticulate or putument or white matter volumes, females with trichotillomania, 35675

spatial & cue navigational abilities in water maze tasks, male rats with fimbria/fornix vs caudate putamen lesions, 25462
Pygmalion Effect [See Self Fulfilling Prophecies]
Pyramidal Tracts—Serials
electrophysiological & morphological characteristics of pyramidal prefrontal cortex efferents to nucleus accumbens in brain slices, male rats, 3133
intra or infrapyramidal mossy fibers in the hippocampus, paw preference, mice, 18173
pyramidal tract responses to CS & UCS, temporospatial organization of membrane-synaptic modifications & topograms of slow oscillations in cortical potentials during learning, rabbits, translation, 29426
Q Sort Testing Technique—Serials
construction & validity of Affect Regulation and Experience Q-Sort, assesment of characteristic patterns of experiencing & regulating emotions, psychiatric patients, 33998
development of Q-Sort descriptions & procedures of secure-base & supportive behavior, 1–3 mo old Japanese macaques & their mothers, 2970
Q sort personality analysis, postwar presidents, US, 3921
Q-sort vs observational measures vs Family Adaptability & Cohesion Evaluation Scale, assessment of family structure & relations, 1 vs 2 parent families, 17566
reliability & validity of Attachment Q-Set scales & ratings, 18–36 mo olds from English-speaking American vs French-speaking Canadian families, 2519
Quadriplegia—Serials
interdisciplinary treatment team approach, 24 yr old female with factitious quadriplegia, 23527
use of direct selection vs scanning in augmentative & alternative communication systems, 48 mo old male with cerebral palsy & quadriplegia & no spoken language, case report, 33120
Quality Circles [See Participative Management]
Quality Control—Serials
conceptual model of transfer of organizational innovations over cultural & national boundaries, transfer of quality control circle & time based competition & other Japanese principles to US & Europe, 2282
corporate integration of concurrent quality improvement & work–family programs & underlying philosophies & values & assumptions, managers in business organizations, 20786
ergonomics & total quality movement, conference presentation, 33797
implementation of total quality management principles, job satisfaction & communication & perceptions of work environment, employees, 40557
implementation of total quality management procedures after psychiatric facility reconfiguration in state run general hospitals, patient satisfaction & documentation & admissions procedure improvement, 32987
integration of total quality management & sociol-technical systems theory work design strategies to achieve organizational stability & flexibility, 43816
internal formal competition, quality control in sorting & loading of packages, package delivery company employees, 5752
manuscript peer review & administrative help, publication quantity & quality, authors of journal manuscripts, 13514
project management strategies & service quality in architectural firms, US vs Turkey, 17325
research design & model for self evaluation in practice of reality therapy & control theory & quality management, 28377
role of organizational learning in continuous improvement programs, 10117
techniques & characteristics & measures of organizational learning in move beyond total quality management, 10120
use of quality assurance vs continuous quality improvement in outpatient psychotherapy, 8769
Quality of Care—Serials
acuity of disorder & symptom severity & quality of care & treatment duration, readmission rates within 6 mo of discharge, 11–67 yr old psychiatric inpatients in HMO, 24273
adequacy of mental health services within drug treatment system, administrators of drug treatment programs, 40164
aging & caregiving concerns & health care practitioners' ageist attitudes toward & other issues in AIDS, 50 yr olds & older, 4603
assessment of extent & quality of consultation liaison psychiatric services, 1991–93, European countries, 5362
attitudes toward accommodation service, community dwelling moderately to severely learning disabled 27–73 yr olds, implications for service planning & evaluation, 16854
case management, patient care, general medicine ward team at teaching hospital, 39999
chain-affiliated business vs sole proprietorship of sheltered care facilities, quality of care & costs, 9516
community-based service, service quality & quality of life & sense of community, 21–52 yr olds with intellectual disabilities, Australia, 39250
comprehensive assessment of mental health service outcomes for children in terms of domains of symptoms/diagnosis & functioning & consumer perceptions & environments & systems, 16805
continuity of care after discharge to rural vs urban community health centers, state hospital psychiatric patients, 9412
cost vs quality of psychotherapeutic treatment in college settings, students with borderline personality disorders, 5725
daycare quality & home & family environment, behavioral problems & adjustment, 3.8–9.7 yr olds & their mothers, 4 yr study, 11431
dynamic & interactional model of outcomes & consequences of care, accountability response to expansion of managed care as corporate strategy in health reform, 16804
economic needs vs preferences in use of market child care vs by relatives, satisfaction & quality of care, employed 15–39 yr old mothers of preschoolers, implications for public policy, 11584
Elaboration Likelihood Model, assessment of quality judgments & quality expectations & importance & quality evaluation of dietetic care, patients, Netherlands, 27644
evaluation of Health Plan Employer Data & Information Set system measure of mental health care quality, 32795
group peer review & quality improvement & care, psychiatrists, 33132
high-quality & cost-effective approach to advocacy for for-profit mental health care, implications for mental health care professionals, 33305
homophobia & heterosexism, barriers to provision of quality or services afforded to heterosexual counterparts, lesbian & gay 17–24 yr olds in need of drug addiction services, Canada, 13459
hospital labor quality & nonlabor resources & managerial practices & employee attitudes, perceptions of hospital services & physical care & pain management & education, hospitalized patients, 43350
hospital psychiatric service vs primary care community mental health team, cost saving & quality of care & clinical & social outcomes, patients with depression or anxiety, England, 13238
implementation of abuse prevention training program, job performance & care quality & staff burnout & staff-resident conflict & resident aggression toward staff, 19–65 yr old nursing assistants, 43500
implementation of proposed quality assurance standards, teaching hospital vs private practice vs private institution peer review groups, psychiatrists, Australia & New Zealand, 33157
Interact Project workshop to explore quality of & improve client-caregiver relationship, 20–59 yr olds with learning disabilities & chosen staff members, England, 33143
keyworker role in good practice & empowerment of older people in residential care, 43405
lack of mental health services research for elderly, research paths of effectiveness & quality of care experimentation, 20184
long term community hospital ward vs housing groups with staff support & resident involvement, quality of care & life & staff satisfaction, staff & elderly with dementia, England, 6 vs 12 mo followup, 5344

management style & quality of care in community residential homes vs mental hospital long stay wards, staff & patient satisfaction, adults, 5277
medical professional dominance displayed by physicians, levels of satisfaction with care, 18–63 yr old obstetric & gynecologic patients, Trinidad & Tobago, 27916
multidisciplinary patient records & symptoms & postdischarge questionnaire, outcome audit of psychogeriatric unit's care planning & delivery, mentally ill 65–90 yr olds, England, 13405
need for practice guidelines & standards of care in social work profession & hospital program attempt with suicidal clients, hospital social workers, 13639
nonparental & out of home child care, child development, literature review, 15481
parental attitudes about quality & degree of social & health care support, families with child affected by cerebral palsy, Northern Ireland, 43319
patient review instrument & risk adjusted outcome measures of activities of daily living & functional status, assessment of quality of care, nursing home patients (mean age 82.4), 43410
patterns of health care use & perceptions of doctor patient relationship & quality of care, 15–82 yr old chronic fatigue syndrome patients, 32863
perceptions of purpose & goals & quality & benefits of & satisfaction with mental health care experiences, 13–18 yr old clients, 16802
practice visits as quality assurance method, psychiatrist practitioners & visitors, Australia, 13628
preferences for aspects of quality of care, 18–75 yr old outpatients with chronic diseases vs medical specialists, Netherlands, 20224
prescribing antipsychotic medications & quality of care, Black patients in psychiatric emergency services, 13406
principles of risk management central to quality care & services & issues of community care & alcohol & sexuality in risk management, people with learning disabilities, 32823
program quality & provider professionalism & family support, accredited vs nonaccredited family child care providers, 16868
promotion of continuous quality improvement & quality assurance methods with housestaff & graduate medical education in urban teaching hospital, chief residents, 13542
psychophysical reactions to & perceptions of childbirth care, mothers, US vs Germany vs Italy vs France, implications for quality of care, 27755
quality & cost & ethics & legal concerns in clinical decision making & physicians' responsibilities, implications for medical education, 13643
quality & costs of hospital based vs campus style specialized services vs specialized vs ordinary group home services, 17–57 yr olds with severe learning disabilities & sensory impairments, 9369
quality indicators to establish guidelines for managed primary mental health care within public health perspective & issues of concern for consumers & families & providers & payers, 43324
quality of care & severity of illness, decision to refer patients to inpatient care vs less restrictive alternative care, mental health clinicians in hospital psychiatric emergency services, 9539
range of functional decisional capacity & quality of treatment, long-term psychiatric patients on antipsychotic medication, 9086
reduction of youth to staff ratios, protection vs termination from placements & subsequent cost estimates & treatment outcomes, troublesome 9–16 yr olds in voluntary residential care, 16896
regulatable features & observed experiences & child & parent perspectives on quality of care in child-care programs, 3rd–5th graders & parents & Os, 18742
reliability & validity of Alcohol Outcomes Module, measures of types & extent & outcomes of care, alcoholic patients, 5420
reliability & validity of Measure of Processes of Care, measure of attitude toward care received & psychosocial outcomes, parents of children with neurodevelopmental disorders, Canada, 28405
reliability of Family Day Care Rating Scale, day care providers for preschoolers, England, 5943
sensitivity of adapted Lehman's Quality of Life Interview, quality of life & satisfaction & psychiatric & social functioning after discharge to community, 27–77 yr old psychiatric patients, Wales, 5290
service quality of Fort Bragg demonstration of managed care for mental health problems, children & adolescents, 13223
sociocultural characteristics, empowerment & satisfaction with care & attitudes toward personal vs professional qualities & availability of psychiatrists, psychotic patients, England, 9344
state mental hospital services, long-term mental patients, implications for service planners, literature review, 33131
surgical education & treatment & care in hospital, 18–50+ yr old cholecystectomy & herniorrhaphy patients, Netherlands, 16738
sustained partnership in clinician patient relationship, quality of primary care, 13250
task manipulation & scheduling, quality of patient services & amount of revenue, physicians & staff in optometry practice, conference presentation, 24770
treatment accessibility & flexibility & matching & focus & involvement of collaterals & therapist quality & client motivation & accountability & followup, effective addictions treatment, 20343
use of quality assurance vs continuous quality improvement in outpatient psychotherapy, 8769

Quality of Education [See Educational Quality]

Quality of Life [See Also Quality of Work Life]—Serials

acceptability & validity & internal consistency of McGill Quality of Life Questionnaire, people with HIV, questionnaire appended, Canada, 25096
AIDS diagnosis & dependence for help with daily living & enabling skills & self help & quality of life, 18+ yr olds with HIV, 31662
alcohol abuse & dependency & consumption patterns & health related quality of life, 18–86 yr old primary care patients, 42544
alcohol use & treatment compliance & quality of life, older males with diabetes, 12448
anemia & erythrocyte sedimentation rate & white blood count & blood glucose & serum iron & potassium, subjective & objective health & quality of life, 80 yr olds, 5 yr followup, 1502
applicability & validity of quality of life scales, prediction of recurrence of depression, 41–78 yr olds with manic depression, 14332
appraisal of quality of life & depression & anxiety, cardiovascular disorder patients with implanted cardioverter defibrillators, 24013
assessment of quality of life, evaluations of treatment & work productivity & economic costs & benefits of sleep disorder treatment, conference presentation, 5187
assessment of quality of life outcomes, child & adolescent oncology patients, commentary, letter, 16285
assessment of quality of life outcomes, oncology patients, commentary reply, letter, 16288
assessment of quality of life outcomes, oncology patients, commentary, letter, 16287
assessment of quality of life outcomes, oncology patients, commentary, letter, 16286
atypical antipsychotic olanzapine, relapse & tardive dyskinesia & quality of life, schizophrenic patients, implications for mental health care costs, 32421
Axis I psychiatric disorders, quality of life & function & well-being, patients with HIV (mean age 37.2 yrs), 42739
chronic fatigue & other physical & hypochondriacal & depressive symptoms & quality of life, 18–75 yr olds with major depression vs chronic fatigue syndrome, 26355
clinical efficacy & side effects & advantages & disadvantages & effects on quality of life & work productivity, benzodiazepine treatment, patients with panic disorder, 27400

clinical state & social functioning & background sociodemographic factors & global quality of life, 20–80 yr old users of mental health day care services in inner city, 27641
cognitive & behavioral deterioration & quality of life, 60–90 yr olds with chronic cerebrovascular disorders vs noninsulin dependent diabetes mellitus vs hypertension, 19502
community-based service, service quality & quality of life & sense of community, 21–52 yr olds with intellectual disabilities, Australia, 39250
community integration & quality of life & role of socialized housing in deinstitutionalization, adults with psychiatric disabilities vs community residents, Canada, 40074
conceptual & methodological issues in measuring quality of life, elderly, developing countries, 10416
concurrent validity of revised Global Assessment of Functioning vs nurses' quality of life ratings, measurement of clinical symptoms vs functioning, 18–65 yr old psychiatric patients, 17666
content & construct & discriminant validity & internal consistency & reproducibility of Herpes Related Quality of Life Instrument, 19–55 yr old genital herpes patients, 14367
content & construct validity & factor analysis of Quality of Life—Cancer Survivors Instrument, cancer survivors, 14360
conventional chemotherapy vs bone marrow transplantation, psychosocial functioning & rehabilitation needs & quality of life, 16–45 yr olds with acute myelogenous leukemia, followup, 1949
conventional vs atypical neuroleptics, quality of life, 18–61 yr old schizophrenic patients, Germany, 39804
conversation analysis of Quality of Life Questionnaire interview, individuals with learning disabilities, England, 6010
cost effectiveness of nicotine patch with vs without counseling, quality adjusted life years saved & coverage by 3rd party insurance payers, male 45 yr old smoker, 20313
cross cultural measurement of quality of life concepts for intellectually & developmentally disabled, intellectual & developmental disabilities professionals, 22242
daily activity & community participation & staff contacts & quality of life, 23–82 yr olds with intellectual disabilities, England, 31435
definitions of & factors influencing quality of life & application to health promotion & development of wellness programs, adults, Canada, 27592
demographic & clinical variables predictive of functional impairment, adults with panic disorder, 42372
development & evaluation & selection & interpretation of quality of life instruments, study designs & application to medical treatments or programs, 21131
development & evaluation of the Ferrans & Powers Quality of Life Index, adults, 25097
development & reliability of Quality of Life Assessment Scale, measurement of personal & work & family & socially related factors of well being & life satisfaction, 20–50 yr olds, India, 25014
development & validity & reliability of instrument for measurement of cognitive domain of quality of life, college students, Canada, 14259
development & validity & reliability of Functional Assessment of Multiple Sclerosis, assessment of quality of life & impact of illness, 30–67 yr olds with multiple sclerosis, 10509
development & validity of Index of Affective Suffering, linking of depressed mood to impairment in quality of life in elderly, 37518
development & validity of McGill Quality of Life Questionnaire, 38–88 yr old palliative care patients with advanced cancer, 28567
development of quality of life questionnaire, clients with serious mental illness, 28478
disease severity & social support & self concept & self efficacy, quality of life, patients with non insulin-dependent diabetes mellitus, 8456
dynamics of successful aging using qualitative research of exemplars, 74 yr old female in long term care, 29989
education groups focused on information about condition, quality of life & social functioning & social networks, schizophrenic patients, Scotland, 4138
EEG neurofeedback, neurocognitive functioning & activity levels & quality of life, 31 yr old White female Naval officer with chronic fatigue syndrome, case report, 5132
evaluation & assessment questionnaire & measurement criteria for quality of life, vision therapy patients, implications for behavioral optometrists, 14364
explanatory model of health promoting behaviors & quality of life, 32–65 yr olds with multiple sclerosis, implications for rehabilitation, 36784
factor analysis of Quality of Life Questionnaire, cross cultural comparability, learning disabled adults, Great Britain, 5999
factorial structure & interscale correlations & internal consistency of French version of Angina Pectoris Quality of Life Questionnaire, coronary patients, 14363
fluoxetine & tryptophan depletion, vulnerability to depressed mood & quality of life, healthy adults (mean age 32.2 yrs), 29505
general intellectual ability vs current mood, quality of life, young adult males, Norway, 7754
generalized high threshold model with multidimensional representation vs principal components analysis, analysis of global & specific quality of life items in comparing cross national character, 3602
global well being & quality of life, patients with psychotic illness vs mental health staff workers, 26508
governmental policies on normalization & quality of life issues, individuals with intellectual disability, Nordic countries, conference presentation, 39296
haloperidol vs remoxipride, quality of life & negative symptoms, 18–65 yr olds with schizophrenia, 43115
health & psychosocial factors, health related quality of life, 20–64 yr old patients with diabetes, Finland, 42687
health-related quality of life research, patients with epilepsy, 36149
high vs low stress, quality of marriage & life & immediate & extended family & friendships, 22–40 yr old married students, Australia, 11714
historical origins of concepts of welfare as positive right & quality of life & subjectively based approach to medicine, 16784
human development, quality of life in old age & health & coping functions & social relations & recreational activity, 77–87 yr olds, 25956
implementation of cognitive remediation intervention, caregiving reactions & interactions & process of discovering life quality, caregivers & spouses with Alzheimer's disease, 9550
improved medical treatment options, life quality & functional outcome & rehabilitation counseling interventions & planning, patients with chronic renal failure, 5400
improvement of sleep environment & quality of life & treatment of insomnia with hypnotics & benzodiazepines, Japan, conference presentation, 5209
in person vs telephone interviews of mania & depression & quality of life & disability days & medication compliance, 23–50 yr old bipolar disorder patients, 42282
individual characteristics & living conditions & perceived quality of life, intellectually disabled 18–69 yr olds, Finland, 16172
information technology & race inequality, quality of life, Blacks, European Community, 7457
integration of environmental monitoring programs to ensure human quality of life & provide essential quality control for ecosystem services, 37268
intensive rehabilitation, social behavior & independence & quality of life, 17–64 yr olds, 31761
internal consistency & split-half reliability & validity of German version of Sickness Impact Profile, 15–76 yr olds with hypoxemia & chronic obstructive pulmonary disease, 28404
issues in measurement of quality of life during antipsychotic drug therapy, patients with schizophrenia, 43201
labeling, receipt of services & perceived stigma & quality of life, adults with chronic mental illness, 42225

Lancashire Quality of Life Profile psychometric properties & clinical utility, application to severely mentally ill, 28396
long term community hospital ward vs housing groups with staff support & resident involvement, quality of care & life & staff satisfaction, staff & elderly with dementia, England, 6 vs 12 mo followup, 5344

construction & validity & reliability & stability of Toddler Behavior Assessment Questionnaire, assessment of temperament, 1.2–4 yr olds & their parents, 5960
convergence between Infant Behavior Questionnaire & Early Infancy Temperament Questionnaire, assessment of temperament, 3 mo old infants, 40854
convergent validity of French version of Parenting Stress Index, assessment of maternal depression & marital adjustment & parenting stress & child adjustment, mothers & their 2.7–6.2 yr olds, Canada, 31
correlational & factor analysis of organizational culture inventory vs culture gap survey vs organizational beliefs questionnaire vs corporate culture survey, 20–69 yr old employees, England, 2325
criterion related validity of personality variables & job competence assessed by Occupational Personality Questionnaire, employees, commentary with reply included, 21147
criterion validity of Language Background Questionnaire, assessment of sign language & oral communication skills, deaf or hard of hearing 17–29 yr olds, 21064
cultural bias in reading & math scales of Self Description Questionnaire, 6th graders, Singapore vs Australia, 2521
D. A. Kolb's experiential learning theory examined through psychometric analysis of Learning Style Questionnaire, managers, UK & Ireland, 10386
degree of agreement between 4 self report depression questionnaires, assessment of postnatal depression, postpartum females, 40861
demand features of interview vs questionnaire assessed subjective psychological states, 18–56 yr olds, 170
development & characteristics of Caregivers' Beliefs About Feelings questionnaire, assessment of emotion-related beliefs, early childhood teachers, US vs Korea, scale appended, 10400
development & content validity of Employment Expectations Questionnaire, employer expectations for selection criteria, 18–56 yr old college students, rehabilitation counseling implications, 37545
development & dimension structure & validity of questionnaire, assessment of satisfaction of Rehabilitation Activities Profile TEAM in team conferences, rehabilitation professionals, 21144

development & factor analyses of Claustrophobia Situations Questionnaire & Claustrophobia General Cognitions Questionnaire, college students with claustrophobic symptoms, 2594
development & factor analysis of Identification with School Questionnaire, Black vs White male vs female 8th graders, 10536
development & reliability & validity & factor structure of Meta-Cognitions Questionnaire, assessment of relationship between metacognition & worry & intrusions, patients with anxiety & normal controls, 37429
development & reliability & validity of Anxiety Control Questionnaire, assessment of perceived control over emotional reactions & external threats, 18–65 yr old patients with anxiety disorders, 2617
development & reliability & validity of Driving Expectancy Questionnaire, assessment of expectancies based on driving skill vs style & frequency & amount of drinking & driving, 18–25 yr olds, 2532
development & reliability & validity of Lifestyle Appraisal Questionnaire, 15–83 yr olds, questionnaire appended, 2530
development & reliability of Multidimensional Health Questionnaire, measure of psychological constructs associated with health-related behaviors, college students, 34056
development & reliability of multimethod & multi-informant Alabama Parenting Questionnaire, 6–13 yr olds with behavioral or emotional or learning disorders & their caretakers, 2487
development & validation of Relapse Situation Appraisal Questionnaire, adult cocaine users, 6048
development & validity & item analysis of Edinburgh Family Scale, assessment of "psychosomatic family" construct & family functioning, adults & adolescents, implications for family therapy, 14255
development & validity of Life Satisfaction Research Questionnaire, assessment of relationship between life satisfaction & tendency to engage in self deception, college students, 3 mo followup, 28436
development of Adult Homesickness Coping Questionnaire, homesick female 18–79 yr olds, 33996
development of Army Harassment Awareness Training Evaluation Questionnaire, Army personnel, Australia, 14391
development of Nausea Profile, quantification of subjective experience of nausea, college students, questionnaire appended, 10514
development of Patient Requests Form, assessment of expectations & requests from general practitioners, 16–87 yr old patients, UK, 10520
development of quality of life questionnaire, clients with serious mental illness, 28478
development of Questionnaire Design Tool as authoring language for psychiatric interviews, 28275
development of Shame/Guilt Recognition Questionnaire, assessment of accurate distinction between affective states of shame & guilt, counseling psychologists (mean age 44.57 yrs), 33948
diagnosis & classification of panic & agoraphobia & the Panic-Agoraphobic Spectrum Questionnaire, inpatients (mean age 36.7 yrs) with psychiatric disorders, 35652
dimensionality & relationship among handedness & accidents & propensity for cognitive failures as measured by the Cognitive Failures Questionnaire, Navy personnel (mean age 21.5 yrs), errata, 33955
dimensionality & relationship among handedness & accidents & propensity for cognitive failures as measured by the Cognitive Failures Questionnaire, Navy personnel (mean age 21.5 yrs), 28406
discriminant & convergent validity of the Mood & Anxiety Symptoms Questionnaire, 18–47 yr old students, England, comparison with Hospital Anxiety & Depression Scale, 40896
efficacy of AUDIT vs CAGE vs brief MAST, identification of hazardous or harmful alcohol use in general hospital admissions, 17–91 yr old medical inpatients, Scotland, 23074
efficacy of Sheehan Disability Scale & SF-3 Questionnaire, assessment of disability, patients with anxiety disorders, 42383
epistemic beliefs & preference for rationalist vs constructivist therapies & factor structure & validity of Therapist Attitude Questionnaire-Short Form, college students & 26–67 yr old therapists, 28449
evaluation of Dementia Questionnaire for Persons with Mental Retardation, 70–98 yr olds with mental retardation vs 35–62 yr olds with Down's syndrome, 5 yr study, 14343
evaluation of the Components of Primary Care Index & its association with satisfaction, patients of family physicians, 37517
factor analyses of & determination of overlap between Eysenck Personality Questionnaire & Learning Styles Questionnaire, unpaid volunteers & college students, 5984
factor analysis & cross cultural construct validation of Learning Process Questionnaire & learning models, 8–15 yr olds, 6 countries, 6111
factor analysis & item endorsement rates & concurrent validity of Generalized Anxiety Disorder Questionnaire, identification of physical symptoms associated with worry, nonclinical college students, 6030
factor analysis & path modeling of Questionnaire of Smoking Urges & subscale size, urges vs expectancies vs intentions, 18–62 old smokers, 7578
factor analysis & psychometric properties of Coping Strategy Indicator, seeking social support & problem solving strategies & avoidance, 18–67 yr olds, Belgium, 37398
factor analysis of Frankfurt Complaint Questionnaire, self assessment of subjective experiences, adults with schizophrenia, Spain, replication, 2588
factor analysis of Privacy Preference Scale vs Privacy Questionnaire, college students, 14276
factor analysis of Quality of Life Questionnaire, cross cultural comparability, learning disabled adults, Great Britain, 5999
factor composition of Short Mood & Feelings Questionnaire, assessment of depression, male 1st–7th graders, 14318
factor structure & construct validity of MGQ multidimensional questionnaire, assessment of experience of & satisfaction with mammography, patients, Norway, 28574
factor structure & convergent validity of Aggression Questionnaire, 17–69 yr old offenders, 14336
factor structure & internal consistency reliability of sleep & weight items, Seasonality Score Index of Seasonal Pattern Assessment Questionnaire, 17–67 yr olds, Iceland, 34017
factor structure & invariance & reliability & construct validity of social life in neighborhoods questionnaire, public or private housing residents & housing department officials, Norway, 5947
factor structure of Coping Strategies Questionnaire, assessment of coping & relationship to pain & disability & depressive mood, hemophiliac patients, 6087
factor structure of Ethical Climate Questionnaire, marketers, 2710
factor structure of Multifactor Leadership Questionnaire, distinguishability of transactional vs transformational vs laissez-faire leadership, 16–64 yr old employees, Netherlands, 25118
factor structure of Role Questionnaire, assessment of role ambiguity & incongruity & conflict, 26–64 yr old high school counselors, 28606
factorial structure & dimensionality of questionnaire, assessment of idiocentrism & allocentrism, adults, Sri Lanka, 47
factorial structure & interscale correlations & internal consistency of French version of Angina Pectoris Quality of Life Questionnaire, coronary patients, 14363
factorial structure & reliability of Hospital Anxiety & Depression Scale questionnaire in combat & examination situations, combat vs military service soldiers vs male vs female college students, 21073
factorial validity of Group Environment Questionnaire, measurement of group cohesion, musicians, 5975
flight simulator training, validity of Simulator Sickness Questionnaire disorientation subscale vs physiological measure of postural instability, male Navy aviators, 17581

handedness & factor analysis of hand preference questionnaire, college students, Japan vs Canada, 17877
health status, 21.6–93.6 yr olds with learning disabilities, England, test of factor structure & interrater reliability of SF-36 Health Survey Questionnaire scale in 3rd party format, 21128
hierarchical models for confirmatory factor analysis of Alcohol Expectancy Questionnaire, college students, 1 yr followup, 33953
internal consistency & concurrent validity & reliability of Hindi adaptation & translation of Social Support Questionnaire, 15–49 yr old females, India, 14227
internal validity of French version of Dutch Eating Behaviour Questionnaire, obese vs normal weight patients, France, 37407
latent factor structure of Postconcussion Syndrome Questionnaire, medical & psychiatric patients (mean age 41.1 yrs), 14340
logged data & questionnaires & interviews & verbal protocol analyses used alone & in combination, evaluation of spreadsheet & word processor & database software types, college students, 10203
managed care demand for outcome measurement in mental health treatment & construction & psychometric characteristics of Youth & Adult Outcome Questionnaires, 6067
material incentive, conditional vs unconditional completion of psychotherapy followup questionnaire, self-referred patients (mean age 34 yrs) in individual psychotherapy, 3 yr study, Sweden, 16470
measurement of "work" in Current Population Survey, alternative diagnostic measures for pretesting & selection of questions on survey questionnaires, 17572
order of presentation of photographs & items on Photo Anxiety Questionnaire, assessment of dental anxiety, psychology students, 6001
personalization & commitment & trust in researcher & followup strategies for maximization of response rates on questionnaires in health related survey research, 6168
predictions of goal perspective theory in & factor analysis of Korean version of Task & Ego Orientation in Sport Questionnaire & Intrinsic Motivation Inventory, 12–18 yr old athletes, Korea, 33983
predictive power of CAGE questionnaire, detection of problem drinking, male vs female college students, 25063
prevalence of heavy & binge drinking & effectiveness of CAGE questionnaire as screening tool, primary care patients aged 60 yrs and older, 26648
prognostic value of Therapy Impact Questionnaire quality of life scores, patients with terminal cancer treated at home, 9500
psychometric properties & discriminant validity of Automatic Thoughts Questionnaire—Positive, assessment of anxiety & depression, 11–18 yr old depressed vs nondepressed inpatients, 10446
psychometric properties of Bereavement Phenomenology Questionnaire & ability to measure grief, spouses & offspring of deceased patients, Australia, longitudinal study, 40877
psychometric properties of Situational Confidence Questionnaire subscales, assessment of self efficacy in drinking situations, 12–18 yr olds with vs without psychoactive substance use disorders, 28490
psychometric properties of Suicidal Ideation Questionnaire, 13–18 yr old psychiatric inpatients, 17662
psychometric validity of Adolescent Relapse Coping Questionnaire, assessment of alcohol & drug abuse & abstinence-related coping behaviors in relapse-risk situations, 13–19 yr olds, 1 yr followup, 14322
psychometrics of Decision-making Questionnaire, assessment of effectiveness & confidence & information in making tactical & strategic organizational decisions, college students, 17724
quantity & quality of data collected via telephone vs face-to-face interview vs questionnaire method & effectiveness of community-based Spanish arthritis self management program, adults with arthritis, 43386
questionnaire for measurement of functional outcomes with assistive technology, evaluation of clinical practices & client needs fulfillment, 9653
Questionnaire of Personality Traits vs International Personality Disorder Examination, measurement of DSM-III-R & ICD classified personality disorders, psychiatric patients, 2591
questionnaire vs direct observation measurement of supervisor structure & consideration & monitoring & consequence behavior, supervisor's performance, subordinates & 1st line supervisors & managers, 13939
red vs black questionnaire identification numbers with vs without prefix or outline, mail survey response rate & item omission, adults, England, 2734
refinement of Decision-Making Questionnaire, strategic & tactical organizational decision making, 23–70 yr old workers, 21145
reliability & construct validity of Codependency Assessment Questionnaire, young adult children of alcoholics, 14304
reliability & factor structure of Time Structure Questionnaire & Time Management Behavior Scale, working adults, 25120
reliability & factor validity of Self-Description Questionnaire-II, academically gifted 10–16 yr olds, 37409
reliability & validity of anxiety & depression subscales of the Symptom Questionnaire, 55–97 yr old adults hospitalized for an acute episode of a chronic disease, 25095
reliability & validity of bipolar measure of Big-Five personality dimensions & correlation with EPI & Personal Attributes Questionnaire & Masculine Behavior Scale, adults, 10423
reliability & validity of Group Development Questionnaire, 18–66 yr old members of various groups, 2493
reliability & validity of Interpersonal Guilt Questionnaire, neighborhood safety organization members vs mental health professionals vs drug addicts vs college students, 17612
reliability & validity of Medical Outcomes Study Questionnaire, quality of life measure for iv drug users, HIV seropositive 28–35 yr old iv drug users, 28566
reliability & validity of Patient Satisfaction Questionnaire, assessment of doctor–patient interaction & patient hostility, doctors & their female patients with chronic pelvic pain, 3 mo followup, 28571
reliability & validity of Questionnaire on Stress in Patients with Diabetes-R, 18–85 yr olds with insulin-dependent- vs noninsulin-dependent diabetes mellitus, Germany, 21053
reliability & validity of The Questionnaire for Measuring Political Considerations in Performance Appraisal, assessment of distortions in job performance ratings, supervisors, replication, 25123
reliability of Occupational Stress Indicator, university staff, 21133
research limitations in questionnaire vs interview methods of panic ascertainment & clinical correlates of panic symptoms, 11–16 yr old girls, 28402
self image questionnaire vs interview for evaluation of perceived body image, female adolescent leukemia survivors, 25150
short form Mental Outcomes Study 20-Item questionnaire based assessment of well being & functioning, 18–65 yr old euthymic patients with bipolar disorder, 11951
Situational Attitude Scale & Noncognitive Questionnaire, assessment of prejudice & definition of nontraditional group status for use in research & diversity programs, minority group members, 5946
Social Problem Questionnaire test–retest reliability, primary care patients, Italy, 28409
Somatoform Dissociation Questionnaire, assessment & discrimination, 20–57 yr old patients with dissociative disorder & 16–79 yr olds with other psychiatric diagnoses, 14323
test-retest reliability & internal consistency of Communities Mobilizing for Change on Alcohol or Tobacco Policy Options for Prevention questionnaire, assessment of alcohol & tobacco availability, 8th–9th graders, 2663

test retest reliability of Suicide Opinion Questionnaire, adults, US vs Germany vs Italy vs China vs Taiwan vs Japan vs Mexico, 46
test validity of Arabic version of General Health Questionnaire-30 & General Health Questionnaire-12, 16–65 yr old primary health care patients, United Arab Emirates, 28570
the Alcohol Related Problems Questionnaire as a proxy for resource costs and quality of life in alcoholism treatment, 21–70 yr old patients with alcohol problems, 31330
thought listing vs self statement questionnaire, assessment of cognition, high vs moderate vs low test anxious 5th & 6th graders, Netherlands, 34069
translation of Chinese versions of International Version of Mental Status Questionnaire & Hypochondriasis Scale, normal vs demented old age home residents, Hong Kong, 6020
tripartite methodology with questionnaires & individual interviews & nonparticipant observations, characteristics of partnerships, general practitioners, UK, 13271
use of Maastricht Interview for Vital Exhaustion vs Maastricht Questionnaire in classification & discrimination of exhaustion, myocardial infarction patients, 2664
use of new intake routine to assess substance use disorders with structured interview, 19–68 yr old patients admitted to department of orthopedic rehabilitation at general hospital, 28488
use of response scale of Photo Anxiety Questionnaire, discrimination of anxious facial expressions in male vs female photographs, male vs female college students, Netherlands, 2486
utility & relevance of Hostility & Direction of Hostility Questionnaire, assessment of aggression & hostility, psychiatric patients, 6052
validation of elementary school version of Questionnaire on Teacher Interaction, 5th graders, Singapore, 10529
validation of Task & Ego Orientation in Sport Questionnaire, assessment of dispositional differences in goal perspective, undergraduates (mean age 21.05 yrs), US vs Thailand vs Taiwan, 14226
validity & reliability of active & passive coping strategy dimensions of Vanderbilt Pain Management Inventory vs Coping Strategies Questionnaire, 29–74 yr old chronic pain patients, 28578
validity & reliability of Codependent Questionnaire, correlation of codependence with clinical disorders, college students & psychotherapy outpatients, 6054
validity & reliability of Existential/Dialectical Marital Questionnaire, assessment of marital interaction, married couples, Israel, 5971
validity & reliability of new version of Attributional Style Questionnaire, college students, 10389
validity & subtype classification reliability of Seasonal Pattern Assessment Questionnaire, patients with seasonal affective disorder & subsyndromal seasonal affective disorder, Iceland, 6041
validity & test reliability of Sexual Function Questionnaire, assessment of orgasmic & erectile functioning & sex drive & satisfaction & frequency, males with erectile dysfunction & their female partners, 6024
validity of Childhood Trauma Questionnaire, neglect & abuse, 12–17 yr old psychiatric patients, 28461
validity of Chinese version of International Version of Mental Status Questionnaire, normal vs demented 61–94 yr olds, Hong Kong, 6019
validity of complete vs shortened Spanish version of Informant Questionnaire on Cognitive Decline in Elderly vs Mini-Mental State Examination for diagnosis of dementia, 41–84 yr olds, Spain, 28470
validity of Coping Styles Questionnaire, adults, 14263
validity of Flinders Decision Making Questionnaire, assessment of coping with decisional conflict, college students, Hong Kong vs US vs New Zealand vs Taiwan vs Australia vs Japan, 33984
validity of Health Locus of Control Questionnaire, measurement of health belief & behavior, college students, Malawi, 25098
validity of modified Interpersonal Competence Questionnaire, assessment of competence in mother–adolescent relationships, high school students, 40808
validity of Perspectives on Adolescent Decision-Making Questionnaire, assessment of how adolescents & parents approach issues of potential conflict, 13–15 yr olds, Italy, 2524
validity of Physical Self-Description Questionnaire, assessment of physical self-concept, male vs female elite athletes vs physical education high school students, Australia, 28446
validity of survey questionnaire, assessment of therapists' opinions & practices with regard to spirituality & therapy, 22–67 yr old US registered occupational therapists, 28605
validity of WHO (Ten) Well-Being Index, assessment of positive & negative well being, diabetic 16–60 yr olds in insulin pump treatment vs injection therapy, Europe, commentary reply, letter, 25043
validity of WHO (Ten) Well-Being Index, assessment of positive & negative well being, diabetic 16–60 yr olds in insulin pump treatment vs injection therapy, 8 European countries, commentary, letter, 25049
validity of WHO Well-Being Questionnaire, assessment of positive & negative well-being, 16–60 yr old diabetic patients in insulin pump treatment vs injection therapy, 8 European countries, 21043
validity of written vs oral responses for scoring on Environmental Deprivation Scale, 18–32 yr olds, 40853

Quinidine [See Alkaloids]

Quinine—Serials

application of quinine to head, generalized & signal specific long term sensitization in defense behavior command neurons, snails, 21683
curare & quinine methochloride, convulsive shock therapy, 43212
CYP2D1 inhibitors budipine & quinine, amphetamine-induced hyperactivity & self-administration & drug discrimination & plasma amphetamine & 4-OH-amphetamine levels, male rats, 41532
d-fenfluramine, taste responses to sucrose vs quinine, male rats, 21850
glossopharyngeal &/or chorda tympani nerve transection, conditioned shock-avoidance-induced quinine detection thresholds, male rats, 14881
prophylactic mefloquine for multidrug resistant malaria & acute psychosis, 50 yr old female & 30 yr old male, Austria, 19957
uncontrollable response contingent vs independent vs no water deliveries, finickiness of quinine vs water ingestive behavior, male Wistar rats, 18055

Quinpirole—Serials

associational & nonassociational mechanisms in locomotor sensitization to dopamine agonist quinpirole, rats, 15024
cue properties of quinpirole & blocking capabilities of spiperone, dose response curve & time course of quinpirole discriminative stimulus & rebound, rats, 18302
dextroamphetamine vs apomorphine vs quinpirole, affiliative & nonaffiliative social interaction, monkeys, model of amphetamine psychosis & schizophrenia & other psychotic behavior, 634
dopamine agonist 7-OH-DPAT with vs without cocaine vs flupenthixol vs quinpirole, cocaine discrimination & generalization, rhesus monkeys previously trained to discriminate cocaine, 3238
eticlopride vs quinpirole with vs without dopamine receptor agonist vs antagonist, play behavior, juvenile male rats, 11206
stability of maintaining straight body in unconstrained locomotion, rats treated with saline vs quinpirole vs amphetamine vs apomorphine, 34661
strain differences & cholinergic drugs oxotremorine & atropine &/or D2-receptor agents quinpirole & sulpiride, memory retention of Y-maze discrimination task, mice, 34656
withdrawal from continuous administration of cocaine, spontaneous locomotor activity & SKF-38393 induced grooming & tongue protrusions & quinpirole induced locomotion & stereotypy, rats, 7014

Race (Anthropological)—Serials
author race & weight & sex, evaluation of writing competence, White college students, 30442
concept of race as scientific & social construct, implications for social work practice, 43356
education level & race, validity & development of norms for 9 neuropsychological tests, 55+ yr olds, 34044
historical work of W. H. Hellpach on direct interrelation between impact of climate on human culture & race, implications for joining natural & social phenomena into single discursive approach, 18675
meaningfulness of racial constraint & social mobility, low-income urban Black 20–25 yr old males, 42034
personal experience, racial identity formation, 21–59 yr old light-skin African Americans, implications for social work, 41852
race & ethnicity & class as influences in experience of rape, adult female rape survivors, implications for counseling & recovery process, 22341
racial identity of fictional protagonists, reading comprehension, African American 7th graders with high vs low reading ability, 3352
social context & psychological testing & eugenics & Christian nationalism in construction of "race", 1918–1939, South Africa, 35059
Race and Ethnic Discrimination—Serials
application of R. Stark's theory of racial accommodation to Blacks & Whites, US, 15432
development & validation of Index of Race Related Stress, 18–61 yr old African Americans, 17576
dilution of requirement for social work students to understand & confront institutionalized inequality & discrimination in society following government review, UK, 1994–95, 43503
emotional life complexes of racial discrimination & financial strain & optimism–pessimism, stress balance, African American college students, 26260
enforced categorization by South African apartheid law, psychological sense of community, 23–74 yr olds classified as Coloured, Australia, 18712
impact of individual & institutional & structural discrimination, minority groups & women, 30026
information technology & race inequality, quality of life, Blacks, European Community, 7457
language accent ethnicity & strength & identification & monocultural vs multicultural ethnic contact, speaker status & solidarity evaluations & stereotyping, 10 vs 12 yr olds, Australia, 15438
multiculturalism & ethnic conflict as basis for intergroup relations, conference presentation, 3598
net effect of race & controlling for cognitive skill on hourly wages & role of discrimination in racial gap in hourly wages, Ss, 1976 vs 1985, commentary, 15433
net effect of race & controlling for cognitive skill on hourly wages & role of discrimination in racial gap in hourly wages, Ss, 1976 vs 1985, commentary reply, 15436
net effect of race on hourly wages & role of discrimination in racial gap in hourly wages, Ss, 1976 vs 1985, 15430
perceived discrimination & coping resources & moderating variables, organizational commitment & job satisfaction & work tension, Hispanic workers, 2311
prejudice & contributing psychological & social & political factors & counseling theories & techniques for preventing & combating & eliminating prejudice, 19746
prevalence of racial discriminatory bias in legal decision making for Black vs White defendent or victim, Black college students, Canada, 30104
racial bias on WAIS-R short forms, Blacks vs Whites, 21011
racial discrimination & context & having White friends, life satisfaction, 18–94 yr old African Americans, 26009
racial discrimination, ability to purchase tobacco in Black vs White neighborhood with Black vs non-Black store clerk, Black vs White 10 & 14 & 16 yr olds, 30311
racial policy attitudes & policy-specific differences, White adults, commentary, 30111
racial policy attitudes, White adults, 30116
racial policy attitudes, White adults, commentary reply, 30117
racial policy attitudes, White adults, commentary, 30078
racial policy attitudes, White adults, commentary, 30086
racial policy attitudes, White adults, commentary, 30109
relativity of genotypes & phenotypes in critique of R. Herrnstein & C. Murray's "The Bell Curve," commentary, 3955
residential segregation, racial unrest assessed with event histories of 154 race riots, African Americans & Whites, 1960–93, 15439
speed of racial categorizations of ambiguous vs unambiguous targets, racially prejudiced vs nonracially prejudiced undergraduates, 35261
stated musical genre & Black vs White musician, reactions to violent rap lyrics, 20–84 yr olds, implications for racial stereotyping models, 18883
stereotypes, assessment of male vs female White vs Black job applicants, male vs female White college students, 33610
the assessment of the glass ceiling effect by psychological consultants, 28222
understanding of & explanation for ethnic discrimination, Dutch & ethnic minority 10–13 yr olds, Netherlands, 22145
Race Attitudes [See Racial and Ethnic Attitudes]
Race Relations [See Racial and Ethnic Relations]
Racial and Ethnic Attitudes [See Also AntiSemitism, Ethnocentrism, Racism]—Serials
acculturation & distrust of Whites, AIDS knowledge, 15–70 yr old African Americans, 27599
activation of positive vs negative Maori vs nondescript ethnic stereotype, judgements of responsibility for positive & negative stereotypic behaviors, college students, New Zealand, 30088
age & ingroup vs outgroup racial preference & self-esteem, Black 6–12 yr olds, South Africa, 11445
ambivalence & positive vs negative emotional priming, amplification of attitude responses to Native peoples vs Canadians, 17–38 yr old college students, Canada, 41849
ambivalence & strong vs weak persuasive messages, attitudes about immigrant groups from Hong Kong, undergraduates, Canada, 15636
antecedents to ingroup vs outgroup emotional responses to & stereotyped attitudes toward Surinamese vs Turkish or Moroccan ethnic groups, adults, Netherlands, 1018
anti-Hispanic & anti-Asian attitudes, African Americans, 41851
assumed similarity to in-group attitudes & attribution of adversary extremity bias in political intergroup conflict, Arab vs Jewish high school & college students, Israel, 18863
attitudes & cultural background & familiarity of cultural content of stories, reading comprehension, Arab students learning Hebrew vs Jewish students learning English, Israel, 5636
attitudes toward & desire for & amount of contact with Americans, 18–42 yr old male Saudi Arabian students in US, 30074
attitudes toward ethnic minorities, White 13–14 yr olds, England, 11424
attitudes toward immigration reform, Mexican vs Anglo Americans located in counties near Texas-Mexico border, 41850
attitudes toward interracial contact & multicultural education issues & racial & ethnic stereotypes & quotas & discrimination, Blacks vs Whites, 17151
attitudes toward racially integrated schooling, English- vs Afrikaans-speaking White secondary school teachers at previously nonintegrated government vs integrated private schools, South Africa, 2167
attitudes toward US & Americans & Mexico & Mexicans & knowledge about Proposition 187, Mexican wives of documented vs undocumented Mexican immigrant workers, Mexico, 25969
attitudes towards multiculturalism & maintenance of heritage culture & language in urban environments, Black vs White vs Cuban vs Nicaraguan vs Haitian mothers, US, 18713
beliefs about own ethnicity & self-perception & attitudes toward school & school performance & relation between own & parents beliefs, 4th & 5th grade Mexican American students, 28056

biases favoring color white vs color black & favoring light-skinned vs dark-skinned human figures, 5 vs 8 yr old students, Portugal, 34938
Black students' perceived & actual value violations & sexual orientation, judgments of Blacks' values violations, White college students, 3589
causal assumptions in stereotypic beliefs about African Americans, construal of social information, White college students, 22254
changes in demand for soft skills & perceptions of these skills in employees, Black males' access to entry level jobs, managers, 17289
Chinese vs Malay race &/vs Malaysian vs Singaporean nationality, adding vs averaging cross categorization effects in competence & attractiveness ratings, 15–16 yr old Chinese students, Singapore, 34951
class based racial stereotyping & sociohistorical analysis of psychological experiences of & psychotherapy for rape survivors, African American females, 32050
classroom study of Whiteness in representation of race & ethnicity in media, 36958
clinical manifestations of & methods to assess racial &/or ethnic prejudice, psychotherapy patients, case reports, 19757
cognitive development & self-competency & teacher evaluations, own group attitudes & racial identity, White vs Native Indian kindergarten–2nd grade students, Canada, 33490
comfort level, attitudes toward other ethnic groups, adults, Canada, 26015
comparison information about stereotypic racial beliefs & validation of personal beliefs, college students, 7685
cultural stereotype & category activation, high & low prejudiced White college students, 18891
debates on Ebonics & on use of Jamaican vs Standard English, Jamaica, 38239
development & validity of Intercultural Tolerance Scale, college students, 40837
dimensions of stereotypes of own vs other group, Chinese vs European 13–16 yr olds, New Zealand, 3490
discourse analysis of talks about race & racism, young White South Africans who defined themselves as Nationalist, South Africa, 38516
discrepancies between personal values & prejudiced responses, experienced compunction, White college students with low vs high prejudice toward Blacks, erratum, 7686
distinctiveness of prejudice-related conflict with Blacks, White college students, 3596
Dutch identity & symbolic beliefs & emotions, attitudes toward ethnic minorities, male vs female Dutch ethnic 14–16 yr olds, Netherlands, 41863
enhancement of clinicians' understanding of influences of culture & AIDS epidemic & racial & ethnic factors in development, homosexual males, 30276
European policy of closed vs open frontiers & immigrant status, prejudices, natives & immigrants, Spain, 7459
exposure to negative stereotype-related behavior of single Black confederate, perceptions & avoidance of subsequently encountered Black confederate, college students, 3592
expressions of racial prejudice in private vs public context, 18–24 yr old college students, 22429
factors involved in enhancing TV programs aimed at reducing prejudice toward ethnic minorities, White adults, Netherlands, 3320
hermeneutic-dialectic inquiry approach to diverging views on O. J. Simpson murder trial & other issues related to perceived justice, White vs Black adults, commentary, 18904
hermeneutic-dialectic inquiry approach to diverging views on O. J. Simpson murder trial & other issues related to perceived justice, White vs Black adults, 18890
hermeneutic-dialectic inquiry approach to diverging views on O. J. Simpson murder trial & other issues related to perceived justice, White vs Black adults, commentary, 18900
hermeneutic-dialectic inquiry approach to diverging views on O. J. Simpson murder trial & other issues related to perceived justice, White vs Black adults, commentary reply, 18901
impact of race & gender & sexual orientation & relationships & career & religious beliefs & political beliefs & self concept on identity, 18–22 yr old African-American females, 25901
ingroup & outgroup homogeneity effect in attitudinal similarity, White college students, 30444
issues in assumptions Whiteness & processes in students' constructions of gender & class & ethnicity & race, 37073
issues in context & attitudes & Anglo public opinion toward immigration, 41854
kinship social support & racial socialization beliefs, African American adolescents, 11548
language accent ethnicity & strength & identification & monocultural vs multicultural ethnic contact, speaker status & solidarity evaluations & stereotyping, 10 vs 12 yr olds, Australia, 15438
liberal vs conservative political ideology, perceptions of disadvantage vs conventionality in & attitudes toward elderly vs Blacks, college students, 26086
mentor ethnicity & cultural sensitivity & student level of cultural mistrust, perceptions of Black vs White faculty mentor credibility & cultural competence, Black male college students, 30082
milieu group therapy & leader role, ethnic based paranoia & cultural awareness, ethnically diverse chronically mentally ill group members, 32204
models of ethnic & identity development in heuristics & attitudes of & toward ethnic groups, White vs minority students, 30102
multicultural educational component infusion, attitudes toward minority groups & toward poverty & cultural diversity awareness, college students in pre-service coaching education course, 33348
negative vs positive stereotyped perceptions of Hispanic vs Euro-American persons, 23–41 yr old Euro-American MBA graduates, 41862
news media, formation of racial policy opinions, White adults, 11301
nonverbal behavior & race, attitude attributions of opinion in freely chosen vs assigned public speeches, college students, 7661
perceived personality characteristics of Blacks using Black vs Standard English, Black 12–16 yr olds, 38391
perceived personality characteristics of Blacks using Black vs Standard English, Black 12–16 yr olds, commentary, 38375
perceived personality characteristics of Blacks using Black vs Standard English, Black 12–16 yr olds, commentary, 38408
perceived personality characteristics of Blacks using Black vs Standard English, Black 12–16 yr olds, commentary, 38397
perceptions of host country & citizens & stereotypes & attitudes toward & perceived variability of host country citizens, US college exchange students assessed before vs after studying in West Germany or UK, 7679
possible causes of North–South regional differences & temporal change in racial attitudes toward Blacks, White adults, 1972–91, 30103
psychosocial factors & models, perceptions of competition & threat from other racial groups, Whites vs Blacks vs Latinos vs Asians, 18876
race & immigraton status, labor union membership, Asian Americans, 43749
racial & ethnic exclusion in popular political movements, ethnocentric basis of Proposition 187 in California in 1994 denying services to primarily Mexican illegal immigrants, 30112
racial & ethnic identity & other-group orientation & self-esteem, 17–61 yr old Black vs 17–55 yr old White students, 38512
racial & political views of community press & perception of quality & fairness & usefulness of press coverage, Southern Black elected officials, 30106
racial identity & cultural allegiance, biracial 14–18 yr olds with White & African or African Caribbean parents, England, reprint, 30115
racial identity & prejudice & attitudes toward Blacks, White Mormon college students, replication, 15414
racial identity attitudes, counseling expectations, White male vs female college students, 20162

racial policy attitudes & policy-specific differences, White adults, commentary, 30111
racial policy attitudes, White adults, 30116
racial policy attitudes, White adults, commentary reply, 30117
racial policy attitudes, White adults, commentary, 30109
racial policy attitudes, White adults, commentary, 30086
racial policy attitudes, White adults, commentary, 30078
receipt of American Psychological Foundation Gold Medal Award for Life Achievement in the Practice of Psychology concerning cultural stereotypes & prejudices, T. M. Abel, 40242
relative deprivation & ethnic identification, racial attitudes, Blacks & Whites on eve of new political dispensation, South Africa, 26006
repertory grid technique, measurement of perceptions of intercultural distance, adolescents, England, 7364
retrospections on race relations course with required live-in experience with family of another race, racial perceptions & interactions, college students, 20 yr followup, 3594
school size & pupil/teacher ratio & specialization & teaching intensity & school climate & academic emphasis & social milieu, likelihood of dropping out, high school students, 40451
scope of justice & information frame, attitudes toward ethnicity based employment selection, European vs Maori college students, New Zealand, 22249
self & behavioral racial identity attitudes, psychosocial competence, male vs female Black college students, test of F. B. Tyler's tridimensional model, 25854
self labels of multiethnic vs monoethnic groups & parents' ethnicity, self esteem & ethnic identity, 14–24 yr old high school & college students, 7358
sex & ethnic group & social class of 6–7 yr old students, assessment expectations & bias, Key Stage One teachers, England, 37077
similarity in views of Roms & Romanians & Germans & Jews & sex stereotypes, 1st–8th graders & their parents, erratum, 7386
situational prototypes, intercultural communication & understanding of & attitudes toward Japanese culture, adults, US, 3591
skin tone, clinical judgments & attributes & primary diagnosis & diagnostic severity of female African American client, African American vs European American psychologists, 17071
social & interpersonal & educational context, attitudes toward American Indian students, college students, 5670
social construction & racial boundaries & differences in the perception of the O. J. Simpson trial, 41827
social construction of race & theories of multiracial identity development & challenges for psychotherapists working with multiracial clients, 42924
social norm activation, expression of prejudiced opinions regarding gay males & Blacks, college students, 1022
sociodemographic variables associated with racial group identification, 18–101 yr old Blacks, 38522
sociohistorical perspective on intergroup conflict & ingroup/outgroup biases in Whites vs Blacks vs other minority groups, 38520
sociopolitical attitudes & symbolic & traditional racism, Standard 8–10 class students, South Africa, 11451
sociopolitical trends & changing attitudes toward race & moral management in Robben Island Lunatic Asylum in mid to late 19th century, Black vs White psychiatric patients, British Cape Colony, 16916
stated musical genre & Black vs White musician, reactions to violent rap lyrics, 20–84 yr olds, implications for racial stereotyping models, 18883

race & ethnicity & class as influences in experience of rape, adult female rape survivors, implications for counseling & recovery process, 22341
rape myth acceptance, male vs female college students, US vs Scotland, 8313
rape rates & pornography consumption, comparison of data from 6 US cities, 22367
rape reform legislation, public knowledge & attitudes regarding crimes of sexual aggression, adults, Canada, 10303
reactions from social network members upon disclosure of assault, adjustment & coping & self blame, female 18 yr old & older victims of pressured or forced sexual intercourse or other experiences, 16045
research consent & perception of research participation in sexual assault research, adult female sexual assault victims, 31190
sexist culture as condition for rape of women during civil war, former Yugoslavia, 23122
sexual assault victim sex & victim-attacker acquaintance, attitudes toward male vs female victims & need for services for male victims, 17–49 yr old undergraduates, Canada, 8147
short term 1 hr sessions in cognitive restructuring & coping skills training vs progressive relaxation, female 15–45 yr old rape victims with PTSD, 1–12 mo followups, Spain, 12775
socialization & psychopathology & feminist theories on date & acquaintance rape, 23109
structured module including victim empathy & relapse prevention, cessation of denial of guilt, rapists vs child molesters, 17010
target focus & counterfactual comparison, judgment of victim vs perpetrator blame & injustice & severity of rape, college students, 1023
validity of Sexual Experiences Survey, identification of victims of rape & attempted rape & item content related to statute definitions, prosecuting attorneys, 10444
validity of Violence Risk Appraisal Guide & recidivism, convicted male child molesters & rapists, 10-yr followup, 28511
vicarious traumatization as effect of treating rape victims, therapists, application of information processing theory, 36198
victim's carelessness & time of day of rape, attribution of responsibility & identification with victim, female registered nurses, 5522

Raphe Nuclei—Serials

benzodiazepine inverse agonist FG 7142 & kainic acid into dorsal raphe nucleus 5-HT pathways with dexfenfluramine, inhibitory avoidance vs 1-way escape in elevated T-maze, male rats, 3219
cholecystokinin receptor antagonist devazepide, feeding response to dorsal or median raphe injections of 5-HT agonist OH-DPAT, rats, 15018
learned helplessness, elevated level of 5-HT 1B autoreceptor expression in serotonergic neurons in dorsal raphe nucleus, male rats, 38064
lesions of serotonergic pathways in dorsal & median raphe nuclei, temporal memory in delayed interval bisection task, female rats, 18139
microdialysis perfusion of 8-OH-DPAT in role of dorsal raphe nucleus, serotonin release & REM sleep, cats, 10995
midazolam vs flumazenil, benzodiazepine receptor function in dorsal raphe nucleus & social interaction, rats naive to vs experienced with plus maze, 34662
pharmacology & distribution of norepinephrine transporter in locus coeruleus & raphe nuclei of brain, 26–78 yr old postmortem humans, implications for etiology of psychiatric illnesses, 29342
REM sleep deprivation, reduced inhibitory potency of serotonin reuptake blockers on central serotonergic neurons in dorsal raphe nucleus, male rats, 10977
risperidone vs antipsychotics vs alpha2 vs 5-HT receptor antagonists, central 5-HT system activity, rat frontal cortex & raphe nucleus, schizophrenia & schizoaffective disorder treatment implications, 34666
role of presynaptic 5-HT receptors in median raphe nucleus & postsynaptic receptors in projection area of dorsal hippocampus in social interaction & anxiety, rats, 3064
role of raphe nucleus 5-HT pathway in drug induced stress responses, rats & humans, 15037
serotonergic pathway lesions in dorsal & median raphe nuclei, alternate responding in VI reinforced free operant lever pressing, female rats, 18140
sertraline vs desmethylsertraline, extracellular 5-HT reuptake in corpus striatum & firing of serotonin containing dorsal raphe neurons, male rats, 3279
stimulation of dorsal raphe region following destruction of 5-HT pathways or blockade of 5-HT receptors, hypothalamic 5-HT release & hypertension & tachycardia, rats, 21671
systemic vs intracerebral 8-OH-DPAT in median vs dorsal raphe nuclei vs dorsal hippocampus, spatial short term memory, male rats, 25625
total sleep deprivation & recovery, serotonergic neuronal activity in dorsal raphe nucleus, male cats, 41321
zimeldine & citalopram & inhibitory effects of serotonin reuptake blockers, sensitivity & neuronal firing in dorsal raphe nucleus, male rats with learned helplessness, 29588
zimelidine & REM sleep deprivation, nucleus raphe dorsalis neurons & response to citalopram, male rats, animal model of depression, 6989
5-HT uptake inhibiting antidepressants & blockade of NA & 5-HT uptake, 5-HT cell firing in dorsal raphe nuclei, male rats, 29545

Rapid Eye Movement—Serials

cognitive rehabilitation, stability of unilateral suppression of REM, patients with right brain damage & left unilateral neglect, 9547

regional cerebral blood flow during REM sleep & dreaming, 20–25 yr old males, 3081
Rapid Eye Movement Dreams [See REM Dreams]
Rapid Eye Movement Sleep [See REM Sleep]
Rapid Heart Rate [See Tachycardia]
Rapport [See Interpersonal Interaction]
Rasch Model [See Item Response Theory]
Rat Learning—Serials
calcium channel blocker, preoperative acquisition of brightness discrimination & postoperative recovery from damage to visual neocortex & long term performance, male rats, 21658
learning of spatial response vs place task in Morris water maze, male rats with vs without medial prefrontal cortex damage, 29266
long delay aversion conditioning with aqueous odors & potentiation of taste by odors, rats, implications for role of taste in food aversion learning, 41207
neuronal activity of mediodorsal thalamic nucleus during associative learning behaviors, rats, implications for existence of 2 limbic circuits, 14867
nimodipine, autoshaping learning task, normotensive vs hypertensive middle aged rats, 29593
sc vs olfactory bulb injection of ritanserin or sc 2,5-dimethoxy-4-iodophenyl-2-aminoproprane hydrochloride, 5-HT-2 receptor mediation of conditioned olfactory learning & preference, rat pups, 15059
scopolamine hydrobromide, acquisition of learned behaviors with vs without pre-drug treatment training, rats, 21824
sex & nonstationary hidden platform training, spatial task performance on stationary hidden platform in Morris water maze, rats, 14733
techniques for screening for presence of age-related pathology & impact of pathology on behavioral tests of learning & memory, Fischer 344 & Wistar rats, animal models, 25383
Rating—Serials
accuracy of absolute vs comparative performance appraisal ratings, college students, 37732
coherence among raters of psychopathology in adolescents & coherence of ratings with earlier & later stress & development of psychopathology, 13 yr olds rated by self & teachers & parents, 26384
determination of consensus on critical variables for rating clinical global impressions of change in Alzheimer's disease clinical trials & development of new scale for assessment, clinicians, 25064
differential comparison standards, agreement between job performance ratings, supervisors vs employees, 13934
factors affecting & derivation of typicality ratings, 4.3–6 yr old kindergartners & 19–21.3 yr old college students, Greece, test of rating-based procedure, 41655
FORTRAN program to calculate probability of observed difference between agreement measures from 2 independent sets of raters, 25125
FORTRAN subroutine, measurement of joint agreement between multiple raters & correct set of responses, 28399
habituation & rating procedure parameters, assessment of neuroleptic-induced vacuous chewing movements & locomotion, rats, 6876
juror use, significance & usefulness of selected books in consultation theory & research & practice, experts in consultation & participants in the 1995 Keystone Corporate Psychology Conference, 27835
methods for estimation of interrater reliability vs agreement of subordinate vs superior performance ratings, 25–61 yr old manager ratees, 2716
model of supervisory performance ratings & fit for race & gender subgroups, peer vs supervisor raters in government agency, 10070
perceived accuracy of informants for information about children's emotional & behavioral problems, parents (mean age 31.57 yrs), 26358
perceptions & ratings of ADHD symptoms of students & referral decisions, elementary school teachers & students, Taiwan, 39256
rater & ratee race, performance ratings of managers, adult peers & subordinates & bosses, implications for developmental feedback program, 28181
rater severity & halo effect & central tendency & range restriction errors & criteria for evaluating quality of ratings in assessment of written composition with Rasch measurement model, erratum, 2713
rater's self consciousness & appraisal purpose, leniency & accuracy of performance ratings, college students, 28179
rating vs point allocation in judging importance of attributes, college students, 37702
ratings of intelligence of reviewer & author in positive & negative book reviews, adults, replication, 38700
requirement of rating for promotion, amount of information gathered on candidates, managers, 2272
response style, self-report & O ratings of psychopathology using MMPI & other response style measures, psychiatric inpatients (mean age 15.1 yrs), 37452
standard or "fake good"or prompted honesty instruction & type of behavioral intervention, treatment acceptability ratings, 18–60 yr old direct-care staff at mental retardation facility, 12848
teacher ratings vs curriculum-based achievement tests vs identification of learning disabilities & academic difficulties by school, grade 3 students, Canada, 20599
trait anxiety & social desirability, self-reported vs rated cross-situational variability, high vs low vs defensive-high anxiety vs repressor adults, 2474
types of questions asked by the interviewee, ratings of the interviewee on job-related & personal-trait items, graduate students serving as interviewers, 33605
use of sign based CORE rating system of psychomotor disturbance for identification of melancholia & prediction of responses to ECT, patients with primary affective disorders, 22842
use of simulated patients vs videotapes of simulated patients as teaching methods, obtainment of clinical skills & process & content ratings, occupational & physical therapy students, 40394
video analysis & rating of symptomatic & expressive behaviors of depression, psychiatrists, 14 countries, implications for drug therapy, 19161
video vignette of extremely aggressive & self-abusive man, treatment acceptability ratings of behavioral interventions, college students, experimental replication, 12845
Rating Scales [See Also Likert Scales]—Serials
ability of measures of locus of control & job hazards, prediction of involvement in workplace accidents, employees, 17722
ability profiles including overall differential ability & academic achievement & demographic prevalence trends representative of norms for Differential Ability Scales, 6–17 yr olds, 10399
age, scores on Sources of Personal Meaning in Life Profile, 25–95 yr old males, Israel, 41730
Alcohol Dependence Scale validity & agreement with Diagnostic Interview Schedule, homeless substance-abusing women, 37430
anxiety & Type A behavior & concurrent validity of Work Addiction Risk Test, assessment of workaholism, 17–53 yr olds, 17732
applicability & adaptation & standardization of Bengali version of modified Ego Function Assessment Scale, 20–23 yr old college students, India, 14253
applicability & validity of quality of life scales, prediction of recurrence of depression, 41–78 yr olds with manic depression, 14332
applicability of questions in Levenson locus of control scale & influence of spirituality, 70–99 yr old nursing home residents, 25957
applicability of revised Conners Teacher Rating Scale for problem behavior assessment, age & sex norms of preschool classroom behavior, nonreferred vs clinically referred 3–5 yr olds with ADHD, 26764
approaches to construct validation of scales from Rorschach method & development of Rorschach Rating Scale as criterion tool, adult raters, 10408
assaults, Nurses' Observational Scale for Inpatient Evaluation score, psychiatric inpatients, 42495

association between DST & DSM-III-R & Newcastle & CORE definitions of melancholia, patients with major depression, Australia, 11986
avoidance of intimacy & validity of Fear of Intimacy Scale in relation to dating partner & closest same sex friend, 15–17 yr olds, 28453
Beck Hopelessness Scale scores, suicidal behavior & other clinical factors, hospitalized adult suicide attempters, 34021
Bereavement Response Scale & caregiving & bereavement as indicated by narrative accounts, bereaved partners of males who died of AIDS, 30553
bidimensionally scored Cultural Life Style Inventory vs undimensionally scored scale, differentiation of dimensionality of acculturation, 19–70 yr old Hispanic patients, 24987
category ratio scale ratings of perceived discomfort vs written questionnaires, New Zealand vs UK type of backpack, males (mean age 22.5 yrs), New Zealand, 40691
characteristic components & phenomena of near death experiences as assessed with translation of Near Death Experiences Scale, resuscitated patients, Italy, 14229
choice of Hamilton Depression Rating Scale to assess depression severity & adherence to use with diagnosis of primary depression & selection of scores in research in psychiatry journals, 6062
Clinical Dementia Rating training & reliability in multicenter studies of Alzheimers disease, health professionals, 37510
clinical rating scales & patient self report, identification of substance abuse, psychiatric patients, commentary, 28476
clinical rating scales & patient self report, identification of substance abuse, psychiatric patients, commentary reply, 28465
cognitive development, psychometric validity of lie scales, 3.9–11.9 yr olds, 2515
cognitive functioning & validity of & false negatives on Geriatric Depression Scale, nursing home patients, commentary, letter, 2622
Colorado Parental Child Rearing Scale & initial development & validation & reliability, college students & parents & siblings, 33952
comprehensibility & reliability & concurrent & predictive validity of Generalized Self Efficacy Scale, assessment of perceived coping ability, adults with arthritis, UK, 14289
concurrent & convergent & construct validity of Mini-Mental State Examination & Alzheimer's Disease Assessment Scale & CAMCOG, 65–89 yr olds with probable Alzheimer's disease, Denmark, 37505
concurrent validity & reliability of St. Hans Rating Scale vs Abnormal Involuntary Movement Scale, assessment of tardive dyskinesia, male schizophrenic patients, letter, 6053
concurrent validity of Beck Depression Inventory vs MMPI Depression Scale vs Rorschach Depression Index, depressed vs nondepressed hospitalized 12–17 yr olds, 2583
concurrent validity of Differential Ability Scales vs WISC-III, assessment of cognitive abilities, 6.2–14.8 yr olds with learning disabilities, 3 yr followup, 6026
concurrent validity of Mini Mental State Examination & Mattis Dementia Rating Scale & effects of sociodemographic factors on test result variance, 50–80 yr olds, Austria, 25057
concurrent validity of revised Global Assessment of Functioning vs nurses' quality of life ratings, measurement of clinical symptoms vs functioning, 18–65 yr old psychiatric patients, 17666
concurrent validity of target complaints measure & ability to elicit complaints & sensitivity to client change while in therapy, 18–73 yr psychotherapy clients & therapists, followup, 34006
concurrent validity of 15-item version of Geriatric Depression Scale-Short Form, 17–30 yr olds, 2595
concurrent validity of 5-point clinician rating scales of levels of alcohol and other drug abuse, 23–63 yr old psychiatric outpatients, 17629
confirmatory factor analysis of Time Management Behavior Scale, 19–74 yr olds, 25012
confirmatory factor vs common principal component analyses, assessment of validity & stability of structure in psychiatric scales, 14469
consistency & 1 yr stability & predictive power of scales assessing left-right & libertarian-authoritarian political positions, electorate, England, 5940
construct & concurrent & predictive validity & reliability & development of Interpersonal Relationship Resolution scale, forgiveness in family & couples therapy, 19–77 yr olds, 28437
construct & discriminant validity of Attitudes Toward Women Scale vs Modern Sexism Scale, measurement of overt & covert & subtle sexism, male vs female European American college students, 20969
construct & predictive validity of Severity of Psychiatric Illness rating scale & associations with clinical status & outcomes & length of inpatient stay, 55 yr old & older psychiatric inpatients, 5369
construct validity & factor structure of McCarthy Scales, assessment of cognitive ability, 7 yr olds, Spain, 5961
construct validity & internal consistency of Japanese translated Beck Hopelessness Scale, 18–91 yr old community residents, Japan, 10428
construct validity of Affective Continuance & Normative Commitment Scales, assessment of organizational commitment, adults, literature review, 14389
construct validity of Anger Expression Scale, female 18–22 yr olds, 40833
construct validity of Ethical Issues Rating Scale, undergraduate business students, 28429
construct validity of Internalizing Symptoms Scale for Children, assessment of internalizing social-emotional symptoms, gifted 3rd–6th graders, 6047
construct validity of Multidimensional Perfectionism Scale, assessment of obsessive compulsive tendencies, male college students, 43
construct validity of Rorschach Oral Dependency Scale scores & level of intelligence, 16–69 yr old psychiatric inpatients, 25048
construct validity of Rosenberg Self Esteem Scale, 5th–8th graders, 49
construction & evaluation of the Social Adaptation Self-evaluation Scale, assessment of social motivation & behavior, 18–65 yr olds with & without major depression, 37426
construction & internal consistency of Five Minute Speech Sample subscales, measurement of kins' expressed emotions, fathers &/or mothers of 15–26 yr old schizophrenics, Holland, followup study, 40831
convergent & discriminant validities of Italian version of Gottschalk-Gleser Content Analysis Scales, measurement state vs trait anxiety & hostility, 19–39 yr olds, Italy, 62
convergent & discriminant validity & temporal stability of Student's Life Satisfaction Scale, middle school students, 37390
convergent validity of Depression-Happiness Scale vs other measures of depressive symptomatology, 18–48 yr olds, Northern Ireland, 86
convergent validity of Depression–Happiness Scale & Crown-Crisp Experiential Index, college students, Ireland, 5990
convergent validity of Francis Scale of Attitudes toward Christianity with intrinsic & extrinsic religiosity, 17–39 yr olds, 28440
convergent validity of Internalizing Symptoms Scale for Children & 3 self-report measures of internalizing problems, 8–12 yr old public school students, 37394
convergent validity of self-report & peer & teacher rating measures of risk propensity & relationship to self reported frequency of risky health behavior, elementary & junior high school students, 25007
coping strategies & control expectancies & personality & psychological distress & psychometric properties of Ways of Coping Checklist, 18–65 yr old survivors of trauma, 28466
correlation of Acculturation Rating Scale for Mexican Americans-II & MMPI-2 scale scores, assessment of acculturation, male Mexican American substance abusing 18–70 yr olds, 40881

correlation of scores on Kansas Marital Satisfaction Scale & Quality Marriage Index, spouses, 5970
correlations of 3 MMPI-2 validity scales with Michill Adjective Rating Scale & Big-Five factors, undergraduates, 17614
criterion validity of Mattis Dementia Rating Scale subscales, 54–89 yr olds with Alzheimer's disease, 28551
cross-cultural generalizability of 8 cross informant Youth Self-Report & Teacher's Report Form, 5–18 yr olds with behavior problems & their teachers, Netherlands, 17638
cross cultural validity of Assessment of Motor & Process Skills, assessment of activities of daily living, 16–98 yr olds, US vs Sweden, 120
cross cultural validity of Brown Locus of Control Scale, adult females, Kuwait, comparison with US data, 10382
cross validation of Delirium Rating Scale, geriatric psychiatry patients with delirium or dementia or other psychiatric disorders vs medical patients, 21113
cross validation of Suinn-Lew Asian Self-Identity Acculturation scale, male vs female foreign- vs US-born Asian American college students, 2480
cultural acceptability of Conners Parent Rating Scale & Child Behavior Checklist, Dakotan/Lakotan parents, 30098
current psychological adjustment & validity of Family-of-Origin Scale, assessment of perceived health of family of origin, 18–26 yr olds, 17699
cutoff scores & interobserver agreement & validity & reliability of behavioral rating scales, assessment & diagnosis of ADHD, students, commentary, 14328
Depression & Anxiety List rating scale, assessment of early symptomatic changes in fluoxetine treatment, 19–68 yr olds with major depression, 14297
detection of dysphoria & postpartum–related affects, Beck Depression Inventory vs Edinburgh Postnatal Depression Scale, adult mothers at 2 & 6 mo postpartum, 26460
development & construct validity & reliability & item refinement of Exercise Benefits/Barriers Scale, 18–88 yr olds, 5945
development & construct validity & reliability of Fear of Rape Scale, 16–59 yr old females, 14233
development & construct validity of Kuder Task Self-Efficacy Scale, assessment of career task self-efficacy, male vs female undergraduates, 34077
development & construct validity of Verbal Immediacy Scale, response sets in assessment of verbally effective vs immediate teacher verbal behaviors, 17709
development & cross cultural validity of Bulgarian Individualism/Collectivism Scale, 18–60 yr olds, Bulgaria vs US, 2539
development & evaluation of Sleep Behaviors Scale 60+, assessment of nature of activities during periods of nocturnal wakefulness, 55–89 yr old good vs poor sleepers with vs without insomnia, 21060
development & factor analysis of Massachusetts General Hospital Hairpulling Scale, chronic hair pullers, test appended, 14312
development & factor analysis of "Things I Worry About" scale, 13–19 yr olds, Northern Ireland, 10409
development & factor structure & predictive validity of Motivation to Control Prejudiced Reactions Scale, adults, 40822
development & factor structure & psychometrics of Multidimensional Anxiety Scale for Children, 8–16 yr olds with ADHD & their parents, 25061
development & factor structure of 6-item Attitudes Toward Treating Elderly Patients Scale, assessment of efficacy of & satisfaction from treating elderly, medical & podiatry students, 28467
development & internal consistency & test-retest reliability & factor analysis & concurrent validity of Multidimensional Hope Scale, 18–89 yr olds with chronic illnesses, 14365
development & internal consistency & validity of scale of perceived empathy & prediction of sales performance, purchasing managers, 17730
development & interrater reliability & validity of 22-item rating scale & 14-item screening instrument for assessment of catatonia, psychiatric patients, scale & screening test appended, 21044
development & interrater reliability of Timed Self-Injurious Behavior Scale, 11-yr-old male, 25050
development & predictive validity of Edinburgh Postnatal Depression Scale, females in 3rd trimester of pregnancy, 10439
development & psychometric properties of Index of Readiness, assessment of individual appraisal of readiness to initiate health behavior, 36–80 yr old cardiac rehabilitation patients, 14361
development & psychometrics & factor structure of Reactivity of Psychosis Rating Form, assessment of reactivity to stress in psychosis, patients with functional psychosis, Scandinavia, 21051
development & reliability & construct validity & sensitivity of Amyotrophic Lateral Sclerosis Functional Rating Scale, assessment of activities of daily living, amyotrophic lateral sclerosis patients, 17685
development & reliability & validity of Feedback on Physical Appearance Scale, 17–35 yr olds, implications for development of body image & eating disturbances, 14331
development & reliability & validity of Greek-American Acculturation Scale, 15–63 yr old Greek Americans, 5980
development & reliability & validity of Hospital Social Work Self-Efficacy Scale based on social cognitive theory, assessment of confidence to perform related work tasks, social workers, 17721
development & reliability & validity of Severe Impairment Rating Scale, assessment of cognitive capacity, elderly with Alzheimer's or Huntington's disease or other dementia, 17663
development & reliability & validity of Yale Brown Obsessive Compulsive Scale Modified for Body Dysmorphic Disorder, assessment of illness severity, patients, conference presentation, 28507
development & reliability of Quality of Life Assessment Scale, measurement of personal & work & family & socially related factors of well being & life satisfaction, 20–50 yr olds, India, 25014
development & standardization of Comprehensive Sexuality Scale, assessment of sexual adjustment & satisfaction, 26–45 yr old married couples, India, 5987
development & validation of Cardiac Depression Scale, 17–88 yr old cardiac outpatients, conference presentation, 28572
development & validation of Chinese Affect Scale, measurement of emotional disposition & mood state, college students (mean age 20.7 yrs) & adults (mean age 36 yrs), Hong Kong, 10395
development & validation of Cultural Congruity Scale & University Environment Scale, assessment of environment & cultural fit & academic persistence decisions, 17–50 yr old Chicano & Chicana undergraduates, 25105
development & validity & reliability of scales for assessment of attitudes toward menopause & estrogen replacement therapy, college vs mid-aged females, 28422
development & validity of confusion scale, 65–75+ yr old hospitalized patients, 21067
development & validity of decision making processes scale, high school students, Israel, 10372
development & validity of Intercultural Tolerance Scale, college students, 40837
development & validity of Multiple Ethics Scale, assessment of ethical judgments common to workplace, salespeople vs advertising vs retail managers vs accountants vs customers, 28612
development & validity of School Achievement Motivation Rating Scale, elementary & secondary school students, 25103
development of & factor structure & factor analysis of secure vs fearful vs preoccupied attachment style scales, college graduates, 28425
development of a bidimensional acculturation scale for Hispanics, Hispanic adults, 24988
development of Bethlem Mother–Infant Interaction Scale, assessment of interactions with baby & capacity for care & risk to child, mentally ill postpartum mothers in mother baby unit, 21058

development of Chinese version of Self-Report Altruism Scale, 11–28 yr old social service members, Hong Kong, 2527
development of Comfort from Companion Animals Scale, assessment of perceived level of emotional comfort from pets, 17–73 yr old dog vs cat owners, 6007
development of Economic Nationalism Scale & link with measures of national & international orientation, business students, 17592
development of scale, assessment of functional & dysfunctional impulsivity, 8–16 yr olds, England, 20992
development of Spouse Specific Dependency Scale, assessment of marital dependency, 18–26 yr olds in steady relationships, implications for marital violence, 28452
development of subset items to identify depressed individuals from the Center for Epidemiologic Studies–Depression Scale, 17–80 yr old primary care patients with & without major depressive disorders, 40899
Devereux Scales of Mental Disorders, measurment of psychopathology in behavior, 5–20 yr olds, implications for treatment evaluation, 32908
differential validity of Behavior Assessment System for Children Teacher Rating Scale & Student Observation System, students with vs without ADHD or ADHD & comorbid diagnoses, 34065
differentiation & cross cultural validation of Perception of Ability Scale for Students, test of academic self-concept, gifted vs average vs learning disabled 10–13 yr olds, Africa vs New Zealand, 34059
dimensionality & convergent & discriminant validity of Need for Closure Scale & relationship to other similar instruments, student samples & female shoppers, US & Canada, 33987
discriminant validity of Meyer & Allen scales of organizational & work commitment, nurses, Canada, 10545
Dissociative Experiences Scale & MMPI-2 scores, adult pathological video poker gamblers vs other gamblers vs alcoholics, 19295
Dissociative Experiences Scale, assessment of effectiveness of inpatient treatment in reducing frequency & intensity of dissociative experiences, inpatients with dissociative identity disorder, 2037
Dutch Restrained Eating Scale vs Cognitive Restraint Scale from 3-Factor Eating Questionnaire & criterion confounding of Restraint Scale, bulimic symptoms, 17–55 yr old females, 28523
effectiveness of Active-Interactive vs Passive-Accurate approaches using SAD PERSONS Scale, assessment of suicide risk & application of interventions, clinical supervisors & supervisor trainees, 2602
efficacy of Sheehan Disability Scale & SF-3 Questionnaire, assessment of disability, patients with anxiety disorders, 42383
epidemiological sensitivity of Conflict Tactics Scale & derivation of correction factors, detection of partner abuse, couples presenting for marital therapy, 40874
equivalence of data from 5 vs 7 point rating scales, 20–60+ yr olds, 28628
estimation of conditional measurement error variances specific to individual examinees or each point on raw score scale of test, 14429
evaluation of Defensive Functioning Scale, assessment of psychological defense ratings, clinicians of personality disordered patients, 28426
factor analyses of items in the Hospital Anxiety & Depression Scale & review of previous studies, psychiatric outpatients (mean age 37.6 yrs), 40858
factor analysis & concurrent & predictive validity of Missouri Addressing Resistance Scale, 21–46 yr olds with relationship difficulties, 21057
factor analysis & development of reduced versions of Verona Service Satisfaction Scale-82, patients in community-based psychiatric services, 14366
factor analysis & reliability of parent involvement scale & perceptions of parent behavior & teenage alcohol problems, 7th–12th grade students, 40849
factor analysis of Conflicts and Problem-Solving Scales, assessment of interparental conflict, effect on child adjustment, couples & their children, 14269
factor analysis of French version of Toronto Alexithymia Scale-20 Items, 17–36 yr olds, France, 2550
factor analysis of Privacy Preference Scale vs Privacy Questionnaire, college students, 14276
factor analysis of Research Training Environment Scale-Revised, college graduate students in counseling psychology, 14372
factor structure & construct validity of Multidimensional Self Concept Scale, White vs Hispanic 5th & 8th & 12th grade students, 37537
factor structure & external validity & reliability of Balanced Inventory of Desirable Responding, 18–64 yr old incarcerated males, 6038
factor structure & internal consistency of Perception of Birth Scale, perception of labor & delivery experience, females who had vaginal vs unplanned cesarean deliveries, 6084
factor structure & multidimensionality of Launay-Slade Hallucination Scale, measurement of predisposition toward auditory hallucinations, psychiatric patients, Australia, 2606
factor structure & reliability & convergent & divergent validity of Body Esteem Scale, male vs female 5th–12th graders, 25016
factor structure & reliability & validity of Whitley Index & Illness Attitudes Scale & Somatosensory Amplification Scale, assessment of hypochondriasis, medical patients, 10517
factor structure & reliability of Henderson Environmental Learning Process Scale, assessment of intellectual development & academic achievement, parents of children (mean age 9.4 yrs), 25104
factor structure & reliability of My Memories of Upbringing scale–Parent form, assessment of rearing behavior, mothers vs fathers of college students, Spain, 37399
factor structure & validity of negative affectivity scale, management students & managers, 10398
factor structure of Brief Psychiatric Rating Scale, assessment of effect of plasma haloperidol & clinical outcome, patients admitted with acute schizophrenia or schizoaffective disorder, 6025
factor structure of combined item pool of Life Satisfaction Index A & Philadelphia Geriatric Center Morale Scale, assessment of subjective well-being, 60–90 yr olds, Israel, 17588
factor structure of expanded Brief Psychiatric Rating Scale, mentally ill homeless individuals, 37428
factor structure of Hamilton Rating Scale for Depression, differential assessment of depressive symptomatology, 60–92 yr old community dwelling elderly, 40893
factor structure of Impact of Events Scale & stressful life events, normal 19–81 yr olds, England, 40834
factor structure of Measure of Ingratiatory Behaviors in Organizational Settings scale, state government employees (mean age 42.6 yrs), 25119
factor structure of Modified Scale for Suicidal Ideation, suicidal young adults, 28487
factor structure of Montgomery-Asberg Depression Rating Scale & Hamilton Rating Scale for Depression, elderly residential care patients with depression, 17667
factorial & divergent validity of Calgary Depression Scale for Schizophrenia vs Hamilton Depression Rating Scale for positive & negative symptomatology, psychiatric patients with schizophrenia, Canada, 6008
factorial measurement properties of Social Physique Anxiety Scale, assessment of social anxiety associated with physique, 13–35 yr old female students & athletes, 5976
factorial structure & construct validity of the Work Autonomy Scale, Australian manufacture employees, 37547
factorial structure of Center for Epidemiologic Studies-Depression Scale, assessment of latent trait-state model of adolescent depression, high school students, 14262
factorial validity & dimensionality of Aiken Attitude to Mathematics Scale, 21–65 yr old pretertiary students, Australia, 17712

feasibility & reliability of German form of Autism Diagnostic Interview-Revised, 5–29 yr olds with autism, Germany, 10456
five-factor approach to construct validity of Team Role Self-Perception Inventory & Observer's Assessment, assessment of types of team members & use as parallel forms, managers, 21142
follow up validity of Children's Global Assessment Scale & treatment outcomes, 3.5–15 yr old short-term inpatients with antisocial or behavior or emotional disorders, Finland, 6063
Geriatric Depression Scale vs Hamilton Rating Scale for Depression, assessment of depressive symptoms, 60–80 yr olds with Generalized Anxiety Disorder, 28468
goal importance & development of the Importance of Goals Scale, delinquent vs at-risk vs not-at-risk 12–16 yr old students, Australia, 40927
Hamilton Rating Scale for Depression & Hamilton Anxiety Scale & Brief Psychiatric Rating Scale, anxiety & depression in 18–80 yr old psychiatric inpatients with major depressive disorder, 28474
historical development of the Global Assessment of Relational Functioning Scale, assessment of family relationships, families in therapy, 21050
incremental predictability of Role Hassles Index, measurement of job demands & role conflict & ambiguity & overload & prediction of burnout, 22–61 yr old hospital nurses & their partners, Canada, 28619
intercase reliabilities of standardized patient checklist vs rating scale form, assessment of interpersonal & communication skills, medical students, conference presentation, 6098
internal & external construct validity of Sternberg Triangular Love Scale, intimacy & passion & decision-commitment components of love, 18–71 yr olds, 33994
internal consistency & construct validity & factor structure & revision of Life Skills Development Scale—Adolescent Form & subscales, assessment of general life skills, 17–19 yr olds, 14242
internal consistency & construct validity & test-retest reliability of York Enviousness Scale, assessment of envious personality & relationship to psychopathology, male vs female 18–53 yr olds, 5978
internal consistency & construct validity of Professional Self-Esteem of Physicians Scale & associations with job & life satisfaction & burnout, physicians, Israel, 28602
internal consistency & factor structure of Companion Animal Bonding Scale, 18–94 yr old pet owners, 40791
internal consistency & factor structure of Hopelessness Scale for Children, 12–18 yr old psychiatric inpatients, 101
internal consistency & intraobserver reliability of the Companion Animal Bonding Scale, 18–60 yr old male pet owners from Multicenter AIDS Cohort Study, 1991–93, 21124
internal consistency & reliability & concurrent validity of Kansas Marital Satisfaction Scale & Quality Marriage Index, couples, 25015
internal consistency & validity of Diabetes Regimen Responsibility Scale, 8–18 yr olds with insulin dependent diabetes mellitus, 34051
internal consistency reliability & construct validity of Dimensions of Self Concept Scale Form W, nurses, 28457
internal reliability of Bullying-Behaviour Scale & Peer-Victimisation Scale & correlation with Self-Perception Profile & Birleson Depression Inventory scores, primary school students, England, 17700
internal reliability of General Mattering Scale, assessment of extent to which one considers oneself significant to others, homeless males, 28569
interparent agreement on 4 preschool behavior rating scales, mothers vs fathers of 4–5 yr olds, 10376
interrater reliability of Behavior Pathology in Alzheimer's Disease Rating Scale, 58–90 yr olds with dementia, US vs France, 21115
interrater reliability of Global Assessment Scale, measurement of psychiatric status & progress & outcome in mental health care systems, psychiatric patients, 21061
interrater reliability of Scale for Prediction & Dangerousness in Psychotic Patients, prediction of occurrence & severity of aggressive behavior, 23–58 yr old psychiatric nurses, 14291
interrater reliability of 8 teacher rating scales, assessment of ADHD, coteachers of 8–17 yr olds with serious emotional disturbance, 14296
interrater variability of Danish version of Geriatric Depression Scale, hospitalized elderly, Denmark, 10434
intra- & inter-rater reliability of Motivation Assessment Scale, mentally retarded 10–40 yr olds, 33
item analysis & factor structure of 37-item love behaviors scale, measurement of behaviors expressing love toward romantic partner, college students, 17608
item analysis & validity & reliability of Speeding Perception Inventory, assessment of predisposing & enabling & reinforcing factors that influence speeding behavior, drivers, 28435
item development & validity of Hunter Opinions & Personal Expectations Scale, assessment of hope & despair & global hopefulness & postdisaster morbidity, 17–90 yr old earthquake victims, Australia, 10411
item response theory analysis of Rosenberg Self-Esteem Scale, undergraduates, 25021
item response theory method, estimation of average conditional standard error of measurement for & reliability of scale scores, 14437
items representative of negative symptoms in Comprehensive Psychopathological Rating Scale as compared with Schedule for Assessment of Negative Symptoms, schizophrenic patients, 14316
minimum data set plus ratings of behavior & function & mood & communication & cognition compared with rating scales score, 30–100 yr old nursing home residents, 10362
Mississippi PTSD scale vs G. Watson et al's interview, 18–50 yr old & older Bosnian & Herzegovinan refugees, Croatia, 10452
Mississippi Scale for Combat-Related PTSD vs MMPI-2 Pk PTSD scale vs Impact of Event Scale, prediction of PTSD, WWII prisoners of war & combat veterans (mean age 71 yrs), 14301
need for revision of Kogan Attitudes Toward Old People scale, 41776
norms for cognitive subscale of Alzheimer's Disease Assessment Scale, patients (mean age 72.1 yrs) with Alzheimer's disease, conference presentation, 28471
norms for Danish adaptation of Harvard Group Scale of Hypnotic Susceptibility Form A, 19–63 yr olds, Denmark, comparison with US & Australian & Canadian samples, 5950
parent & staff assessment of behavior during medical procedures, 4–7 yr olds, test of concurrent validity of Child Adult Medical Procedure Interaction Scale Revised, 17696
Parents' Checklist vs Child Behavior Checklist & method of communication, detection of emotional & behavioral problems, parents of deaf children, England, 31934
perception of coercion assessed by Admission Experience Scale, patients voluntarily vs involuntarily admitted to psychiatric clinic, Sweden, 37454
Pleasure-Arousal-Dominance model, scales for describing & measuring individual differences in temperament & emotional states, 51
predictive & comparative validity of CORE scale vs Depressive Retardation Rating Scale, rating of psychomotor function, depressed 25–89 yr olds undergoing ECT, 2599
predictive & discriminant validity of Male Role Norms Scale, assessment of masculinity ideology in relation to other gender-related constructs, 18–48 yr old male college students, 21019
predictive & postdictive validity of Criminal Sentiments Scale, 18–60 yr old violent vs sexual offenders, Canada, 33985
predictive validity of Manitoba Risk-Needs Scale & prediction of recidivism, aboriginal vs non aboriginal probationers, Canada, 40779

predictive validity of prenatal biomedical risk vs biopsychosocial risk assessments of low birth weight, mother–infant pairs, Argentina & Columbia & Honduras & Uruguay, 37441
predictive value of J. S. Strauss & W. T. Carpenter's Prognostic Scale, prediction of symptomatology & premorbid adjustment & social disability, schizophrenic patients, 14308
primacy effect &/or number of response options on rating scales, ratings of instruction, medical students from respiratory or hepatic course, 40262
psychometric characteristics of anger-related Self-Expression and Control Scale, 18–73 yr olds who attempted suicide vs 18–86 yr old community residents, 17675
psychometric properties of Computer Attitude Scale, graduate students, 2485
psychometric properties of Driver Social Desirability Scale, measurement of driver impression management & self-deception, license holders, Australia & Finland, 21003
psychometric properties of H & H Lactation Scale, maternal confidence & infant satiety & maternal infant breast feeding satisfaction, mothers of low birth weight vs term infants, 6085
psychometric properties of Interpersonal Relationship Inventory, homeless & 1st time shelter using males, Canada, 40824
psychometric properties of Preschool Social Behavior Scale, assessment of relational & overt aggression & relation to sex & social & psychological adjustment, 3.5–5.5 yr old preschool students, 37532
psychometric properties of revised Swedish Religious Orientation Scale & intrinsicness & degree of religious commitment & self esteem, 19–60 yr old psychology & theology students, Sweden, 25023
psychometric properties of Spanish version of Rationality/Emotional Defensiveness Scale, assessment of emotional expression & cancer risk factor, adult females with breast cancer, Spain, 28431
psychometric properties of Swedish Religious Orientation Scale, college students, Poland, 14268
psychometrics of Consumer Susceptibility to Interpersonal Influence Scale, college students, 14232
psychometrics of psychiatric rating scales, identification & quantification of psychiatric symptoms, patients with Alzheimer's disease, test review, 2638
psychometrics of scale, measurement of thought-action fusion, adults with obsessive compulsive disorder, 6061
psychometrics of Sprituality Scale, Afrocultural perspective of spirituality, African- vs European-American college students, replication, 10401
Q-sort vs observational measures vs Family Adaptability & Cohesion Evaluation Scale, assessment of family structure & relations, 1 vs 2 parent families, 17566
rating scale language, category activation & usage with bipolar vs unipolar scales, college students, 2476
rating scales for nominations & dimensions of sociometric status, 7–12 yr olds, 28443
raw score means on Cook-Medley Hostility scale of MMPI vs MMPI-2, normative groups, 40816
relationship between RAGE & Staff Observation Aggression scales, measurement of aggressive behavior, nursing home residents, 6 mo prospective study, Australia, 37455
reliability & construct validity of Learned Helplessness Scale, learned helplessness in relation to drug abuse treatment retention & outcome, cocaine addicts, 2631
reliability & content & concurrent & construct validity of the Social Change Attitude Scale, adults, India, 14223
reliability & criterion validity of Schwab-Gilleard Depression Scale, assessment of depression vs dementia, 65+ yr olds in residential homes, England, 28512
reliability & factor structure of adjustment to unemployment scale, professionals, 2708
reliability & factor structure of Time Structure Questionnaire & Time Management Behavior Scale, working adults, 25120
reliability & factor structure of tolerance for ambiguity scale, college students, 14254
reliability & factorial validity of Initiating Heterosexual Contact Scale, female college students (mean age 22.3 yrs), 40812
reliability & predictive validity of Excessive Drinker Outcome Expectations Scale, assessment of valence of outcomes of reduced vs usual drinking, 17–69 yr old excessive drinkers, 28515
reliability & sensitivity to change & concurrent & construct validity of McMaster Quality of Life Scale, 29–95 yr old palliative care patients, 14282
reliability & usefulness of Staff Observation Aggression Scale & frequency & circumstances of aggressive incidents on acute psychiatric admissions ward, psychiatric inpatients, 42217
reliability & validity & equivalence of alternate forms of Positive & Negative Mood Scales, individuals from community mental health center or state hospital or university counseling center, 37524
reliability & validity & equivalence of computer vs clinician administered symptom rating scales, assessment of depression & anxiety & social phobia & obsessive compulsive disorder, literature review, 17649
reliability & validity & factor structure of Dissociative Experiences Scale, college students, 28438
reliability & validity & factor structure of High Royds Evaluation of Negativity Scale, symptoms & neurological signs & neuropsychological impairment, Chinese schizophrenic 16–65 yr olds, Hong Kong, 2584
reliability & validity & predictiveness of Esteem Enhancement & Threat Scales, assessment of social relationships & perceived support & stress & psychological symptoms, 14–51 yr olds, 3 mo followup, 21018
reliability & validity of Akathisia Ratings of Movement Scale & phenomenology of akathisia, mentally retarded adults receiving maintenance vs dose reduction neuroleptic treatment, 33966
reliability & validity of Anxiety Rating for Children-Revised, child & adolescent school refusers, 10433
reliability & validity of Attitudinal Ambiguity Tolerance scale & generality vs content specificity of ambiguity tolerance, Black vs White vs Colored college students, South Africa, 28430
reliability & validity of bipolar measure of Big-Five personality dimensions & correlation with EPI & Personal Attributes Questionnaire & Masculine Behavior Scale, adults, 10423
reliability & validity of caregiver responses on Dementia Severity Rating Scale, 50–89 yr olds with Alzheimer's disease, scale appended, 2647
reliability & validity of Children's Action Tendency Scale, assessment of behavior in conflict situations, Latino 11–15 yr olds, use in social work practice with Latino 6th–7th graders, 10381
reliability & validity of Children's Yale-Brown Obsessive Compulsive Scale, 8–17 yr olds with obsessive compulsive disorder, 34025
reliability & validity of concepts & scales of authoritarianism by T. W. Adorno et al vs G. Lederer vs B. Altemeyer, modern political racism, high school students, Belgium, 17587
reliability & validity of Conners Teacher Rating Scale-28, assessment of student attention deficit/hyperactivity or passive-withdrawal behavior or emotional lability, teachers of 5–10 yr olds, 2677
reliability & validity of Disruptive Behavior Rating Scale-Teacher Version, teachers of 5–10 yr old students, 25055
reliability & validity of Dissociative Experiences Scale, normal vs clinical populations, meta analysis, 2635
reliability & validity of Global Assessment of Relational Functional Scale, assessment of family relationships, 18–57 yr olds with bipolar disorder, 21045
reliability & validity of integrated God control subscale in Multidimensional Locus of Control Scale, college students, 11762
reliability & validity of M. H. Rapaport et al Scale of Functioning, assessment of social & cognitive & functional ability & activities of daily living, 45 yr old & older schizophrenics, 17664

reliability & validity of Massachusetts General Hospital Hairpulling Scale, chronic hair pullers, 14325
reliability & validity of Member Satisfaction Scale, assessment of satisfaction with partial care & club house programs, community psychiatric rehabilitation facility members, 13420
reliability & validity of Middle School Self-Efficacy Scale, assessment of career related self efficacy intervention, Latino & Hispanic inner city 13–15 yr olds, 28587
reliability & validity of Occupational Crisis Scale, identification of dead end job/career crisis situations, employees & college students & ex-vocational counseling clients, Finland, 1 yr follow-up, 2705
reliability & validity of Post-Stroke Depression Rating Scale, 35–75 yr old stroke patients with no depression vs minor vs major post-stroke depression, Italy, scale appended, 37436
reliability & validity of Revised Behavior Summarized Evaluation Scale for evaluation of autistic behavior, developmentally disordered 1–11 yr olds, France, 25042
reliability & validity of revised Purdue Posttraumatic Stress Disorder scale, assessment of traumatic events & resulting psychological symptoms, college students, 2604
reliability & validity of Riley Infant Pain Scale vs Nursing Assessment of Pain Intensity vs Postoperative Pain Score, postoperative children
reliability & validity of the modified Societal, Attitudinal, Familial, & Environmental Acculturative Stress Scale, Latino & Euramerican 8–10 yr olds, 24986
reliability & validity of Treatment Program Process rating scale, counselor ratings of patient response to 12 step substance abuse treatment interventions, cocaine & alcohol dependent patients, 21049
reliability & validity of Tversky condition in rating scales, assessment of science attitudes, 3rd graders, 63
reliability & validity of Universal Orientation Scale, measure of nonprejudice, college students, 17574
reliability & validity of 6 psychosocial scales, assessment of intermediate outcomes of violence prevention programs, 12–16 yr old Black males, 6-mo followup, 40841
reliability & validity of 7-item short scale of Francis Scale of Attitudes towards Christianity-Adult, 17–73 yr olds, US & Republic of Ireland & England & Northern Ireland, 28444
reliability of Depression & Anxiety List rating scale, assessment of symptomatology, 24–76 yr olds with depressive or anxiety disorders, 14309
reliability of Family Day Care Rating Scale, day care providers for preschoolers, England, 5943
reliability of Hospital Anxiety & Depression Scale vs Beck Depression Inventory vs Hamilton Rating Scale for Depression as screening tool, 14–25 yr olds with major depression, South Africa, 14290
reliability of self report vs interview version of Yale-Brown Obsessive Compulsive Scale, 17–72 yr olds with normal health vs obsessive compulsive vs Axis I or II disorders, 6064
reliability of Weak Opiate Withdrawal Scale, inner city males, 17647
reliability of Well Being & Treatment Satisfaction scales vs general health instrument, insulin vs diet/tablet treated diabetic patients, 14368
religiosity assessed with self report & hetero-rating scales, inpatients with endogenous vs neurotic vs reactive depression, 6 mo followup, translated article, 19164
reminiscence functions in life review group & normative data for Reminiscence Functions Scale, 64–83 yr old male veteran psychiatric inpatients, 8752
reports of fears of medical events & reliability of Child Medical Fear Scale, 6–14 yr old children with emotional disorders vs parents vs health care providers, 40908
Research Diagnostic Criteria vs Cornell Depression Scale vs DSM-III-R assessed major depression, patients with dementia (mean age 79.7 yrs), 1 yr study, letter, 36053
screening efficacy of Center for Epidemiological Studies Depression Scale in relation to age & gender & physical illness & cognitive & functional impairment & social desirability, 50–96 yr olds, 34016
self report vs ratings of depression scales of onset & course of antidepressant effect of brofaromine vs imipramine, elderly vs nonelderly patients with major depression, 9124
sensitivity of Life Skills Profile, adult hospital- vs community-based clients, Australia, 21 mo study, 37459
sensitivity of 5 measures of social phobia to treatment related changes, adults with generalized social phobia, 34029
sex & age & construct validity of Rosenberg Self-Esteem Scale, 12–19 yr old high school students, Canada, implications for utility of self-esteem measures in school counseling, 28110
sex, assessment of motivation to manage, Miner Sentence Completion Scale vs in-basket exercise scores, White vs Black vs Hispanic vs Asian college students, 25122
short term reliability of multiple visual analog scale, assessment of self report of mood symptoms & severity & fluctuations, patients with unipolar vs bipolar depression, scale appended, 2575
similarities between the Holland Vocational Preference Inventory & the Interpersonal Adjectives Scales—Revised through scaling analyses, 18–30 yr old students, 20968
Situational Attitude Scale & Noncognitive Questionnaire, assessment of prejudice & definition of nontraditional group status for use in research & diversity programs, minority group members, 5946
Stages of Change Scale, prediction of adinazolam treatment outcome, outpatients with generalized anxiety disorder, 40909
subscales of Brief Psychiatric Rating Scale, treatment outcome prediction, psychosocial day program clients (mean age 37.6 yrs), 43338
Supportive & Conflicted & Controlling components of Family Environment Scale subscales, college students (mean age 18.6 yrs), 37404
Swedish translations of Autism Behavioral Checklist & Childhood Autism Rating Scale, screening & diagnosis of autism spectrum disorders, 2–17 yr olds with mental retardation &/or physical disability, 28500
symptom positive & negative item modes, construct validity of Self-Rating Depression Scale, inpatients with unipolar depression (mean age 46.2 yrs), Belgium, 25069
taxometric analysis of dimensional & typological constructs of Dissociative Experiences Scale, adults with multiple personality disorder, 103
test-retest & interrater reliability & standardized videotape method training of Japanese version of Barnes Akathisia Scale, evaluation of neuroleptic-induced akathisia symptoms, raters, 14311
test retest reliability & validity of modified Derogatis Affects Balance Scale, assessment of positive & negative moods, 55 yr olds & older with early dementia, 20954
test-retest reliability of Participative Decision-making Scale for Nurses & expectations for participation in clinical & unit & hospital-wide & strategic decisions, student nurses, 6 wk followup, 14395
test validity of Feeding Scale, global rating scale standardized for observation of mother-child/toddler interactions during feeding, 6 wk–36 mo olds, 37387
test–retest reliability & internal consistency & validity of self report Endicott Work Productivity Scale, depressed outpatients (mean age 41 yrs) vs community residents, conference presentation, 28473
the P vs N2 index of the Defining Issues Test as a measure of the relative importance testtakers' give to principled moral considerations in making a moral decision, 40843
theoretical development & factor structure of Personal Disturbance Scale, assessment of states of anxiety & depression, adult psychiatric patients, England & Scotland & Canada, 25044
therapeutic community principles in treatment programming, Ward Atmosphere Scale assessed treatment milieu, schizophrenic inpatients, 13395
thought & paranoid disturbance & anxiety-depression & emotional withdrawal-motor retardation scales of Brief Psychiatric Rating Scale, hospitalized patients with schizophrenia or depression, 38943

transferability of family concepts into Japanese culture & reliability & validity of Family Environment Scale, assessment of social-environmental family characteristics, housewives, Japan, 20966
translation of Chinese versions of International Version of Mental Status Questionnaire & Hypochondriasis Scale, normal vs demented old age home residents, Hong Kong, 6020
typical neuroleptics, factor structure of Brief Psychiatric Rating Scale, assessment of clinical symptom changes, male patients with schizophrenia, followup study, 28479
use of Adolescent Reinforcement Survey Schedule, identification of reinforcing stimuli, adolescents, US vs Japan, 17585
use of parent & teacher ratings to determine reliability of Aberrant Behaviour Checklist for assessing challenging behavior, 20–72 mo olds with developmental disabilities, Australia, 28420
usefulness of Clinical Dementia Rating scale in screening for dementia, 75 & 80 & 85 yr olds, 17690
utility of McNeil-Sjostrom Scale vs scales by S. W. Lewis et al & J. Pamas et al, assessment of obstetrical complications, adult schizophrenics born in January–April vs May–December, Sweden, 17654
validity & internal consistency of Asthma Multidimensional Health Locus of Control scale, 13-55 yr old asthmatic patients, 2661
validity & internal consistency of observational scale, assessment of child competence & mother–child interaction, low income urban African American 2–30 mo olds & 14.0–42.5 yr old mothers, 10371
validity & reliability & factor structure of Caregiver Reciprocity Scale, caregivers of elderly parents & other family members, application of social exchange & equity theory, 6083
validity & reliability & factor structure of Shiftwork-specific Locus of Control Scale, assessment of locus of control & coping with disruptive impact of shift work, nurses, 10556
validity & reliability of Bethlem Mother–Infant Interaction Scale, correlation of illness severity & disturbances in interactions with infant, mothers in psychiatric mother baby unit, 21075
validity & reliability of Conflict Tactics Scale-2, measurement of attacks on partner & use of negotiation, college students in marital vs cohabiting vs dating relationship, scale appended, 5948
validity & reliability of Family Worries Scale, assessment of interpersonal anxiety, 7–12 yr olds from families with vs without domestic violence, 2477
validity & reliability of Marital Disaffection Scale, spouses, implications for planning conjoint therapy, 5941
validity & reliability of Maryland Psychiatric Research Center involuntary movement scale & characterization of involuntary movements, patients with drug-induced movement disorders, 37379
validity & reliability of Obsessive Compulsive Drinking Scale, self-rating of obsessive thoughts about & compulsive use of alcohol, alcohol dependent adults, 12 wk study, 6011
validity & reliability of scales for evaluation of health & disease related quality of life, conference presentation, 2660
validity & reliability of Sense of Coherence Scale vs Defense Style Questionnaire, 19–62 yr old psychiatric outpatients, Finland, 96
validity & reliability of the Japanese version of the Workaholism Scales, work involvement & enjoyment & drive, full-time workers, Japan, 25024
validity & reliability of the Multidimensional Students' Life Satisfaction Scale, teachers & students in 3–8th grade (mean age 11 yrs), 40930
validity & sensitivity of Visual Analog Mood Scales, assessment of ECT-related mood change, 23–74 yr olds with major depression, 25041
validity of & normative data for Silencing Self Scale, assessment of cognitive schemas related to depression, African American vs Caucasian adult females, 10438
validity of Chemical Use & Abuse & Dependence Scale, screening for drug & alcohol use, severely mentally ill inpatients, 6012
validity of Chinese version of Rating Scale for Aggressive Behaviour in Elderly, psychogeriatric inpatients (mean age 74 yrs), Hong Kong, 37444
validity of Condom Use Self-Efficacy Scale, male college students, implications for HIV-risk reduction education, 20998
validity of ESTCOL Scale, assessment of collectivism structure & relationship to personality, 15–87 yr olds from Estonian cultural subgroups, Estonia & Sweden, 20964
validity of extended Clinical Dementia Rating Scale, assessment of profound & terminal stages of dementia, participants in dementia study, 21102
validity of Icelandic translation of Basic Personality Inventory, bilingual native Icelandic graduate students, North America, 1 mo followup, 2523
validity of job insecurity scale construct & its effect on work attitudes, unionized vs personal contract teachers vs unionized kibbutz members vs hirees, Israel, 10553
validity of McCloskey/Mueller Satisfaction Scale, assessment of professional interaction & participation & extrinsic reward & control over work, 22–57 yr old Palestinian nurses, West Bank, 6122
validity of Perceived Self Efficacy Scale & incorporation of family & adjustment variables & adolescent use, 12–16 yr olds, Australia, 14267
validity of Rorschach analogs of dissociation compared with Dissociative Experiences Scale scores, 20–54 yr old females in a dissociative disorder unit & adults referred for psychological testing, 40878
validity of self-report Self Monitoring Scale-R vs observer-based Q-sort measure, adults, 2547
validity of Suicide Probability Scale, prediction of subsequent suicide attempts & verbalizations & minor self destructive behaviors, 8–18 yr olds in group homes, 6039
validity of Suicide Probability Scale, prediction of suicide attempts & ideation, nonpatient populations, commentary, 6059
validity of Toronto Alexithymia Scale-Revised & interaction between alexithymia & psychosomatic symptoms, psychiatric inpatients, Germany, 2619
Variable Response Scale, detection of randomness in Jesness Inventory, honest vs not honest 14–18 yr old male delinquents, 37375
Visual Analogue Scale, measurement of anxiety & depression during Structured Clinical Interview for DSM-III-R Non-Patient Version, adults with HIV related concerns seeking testing or treatment, 4606
3- vs 2-factor constructs of Multidimensional Health Locus of Control Scales, clinical vs nonclinical group, Canada, 100
5- vs 4-factor structure of Brief Psychiatric Rating Scale & symptoms, patients with schizophrenia, 40915

Reaction Time—Serials
accessibility of attitude toward category, cued recall & response time of categorization of multiply categorizable objects, college students, 11757
accuracy demands imposed by size of subtended angle, movement pathway in target striking tasks & RT & movement times, adults, 10681
active vs passive coping during mental arithmetic tasks of average vs extreme difficulty, RT performance & effort & cardiovascular responses, male vs female college students, 11060
active vs passive voice & conceptual focus, RT in preamble manipulation, adult schizophrenics, examination of D. Hoffman's theory of language planning processing, 19211
affective appraisal of negatively vs positively valenced target vs distractor words, RT during color naming, college students, 10742
age & IQ, stimulus & response timing on temporal generalization & bisection & differential threshold & interval production tasks, 60–79 yr olds, England, 38343
age & RT tercile, amplitude & latency of N2 & P3 somatosensory ERPs, 20–85 yr olds, 29421
age, RT on visual discrimination & recognition tasks, 20–83 yr olds, 11395
age, working memory & processing speed & fluid intelligence, 7–19 yr olds, 15216
aging & counting speed, 20–86 yr olds, 22046
alerting effects on choice RT & photic eyeblink reflex, 18–31 yr olds, 535
AMPA lesions in Broca's band, performance on RT task & acquisition of conditional visual discrimination task, rats, 21679
angle of approach & target size & distance on computer display screen, cursor movement time with mouse, college students, application of Fitts' law linear model, 21296
angular & depth rotation in picture plane, perceptual RT, adults, 41032
anxiety about health issues, response times to disease detection & health promotion behaviors, college students & community members, 3926
anxiety, task performance & response time in working memory articulatory loop & central executive using processing-efficiency theory, 18–31 yr olds, 37772
apparent width & distance of gates, RT & mental walking time in imaginary walk in 3-dimensional virtual environment, adults, support for Fitts's law, 228
assessment of direction of turn stereotypes for 2-D horizontally moving displays & 3-D display/control arrangements & RT as measure of compatibility of displays & controls, adults, Australia, 17808
astronomical history of D. Kinnebrook's dismissal in 1796 & implications for studies of RTs & order judgments in 1st experimental psychology laboratory founded by W. Wundt, 1879, 5917
attention & sensory modality & speeded detection & intensity & color discrimination & spatial discrimination for auditory & visual targets, 18–46 yr olds, 28725
attentional speed & accuracy & controlled vs automatic information processing, male patients with schizophrenia, 4194
behavioral RT variability & auditory P300 & contingent negative variation as measures of attention & information processing, moderate-to-severe traumatic brain injured 18–49 yr olds, 25495
betel nut chewing, visual choice RT & digit span & eye-hand coordination & pulse rate & BP, 23–42 yr old male operators of earth movers, Papua New Guinea, 11228
bimorphic compound vs suffixed words, reading vs online vs delayed naming tasks, college students, 250
black & white photographs of Black males & females & White males & females, judgment of target race & sex & response time, college students, 18908
capacity limitations of digit placement task, RT during 3- vs 4-item digit placement task vs tone alone vs tone & 3-item digit placement task, 7.7–10.3 yr olds, conference presentation, 41640
color & orientation & category of flankers & targets, target selection time, college students, 28740
color & shape of object, RT & selection negativity in ERPs, adults, 41011
color patch vs incongruent vs backward incongruent vs upside-down incongruent vs upside-down backward incongruent color words, color naming RT, 18–25 vs 64–82 yr olds, 22055
compatible & incompatible stimuli, RT latencies & reaction intervals within sequence & transfer of action plan to motor program, college students, 6283
concussion, performance on 4 choice RT task & other neuropsychological sequelae, football players, 31829
control & representation & time course of visual attention, literature review, 28748
correlation of string measure of ERPs with RT estimates & WAIS-R subtest scores, adults, implications for A. E. Hendricksons' theory of ERP & intelligence, 18948

correlations between cross-uncrossed differences in RT & errors in commission & omission & bilateral field advantage & same vs different decision in go no-go dot size matching task, college students, 41014
covariation of speed & ERPs during response preparation, 19–30 yr olds, 3131
coverage area & time on task & shifts, aircraft detection RTs, surveillance operators, 17462
cued RT task performance as measure of object-based visual attention in luminance increment detection, 17–39 yr olds, 34299
decision making processes in command & control settings, active duty naval personnel, 2346
design of multiple display security system, monitoring performance & RT, 26–32 yr old skilled operators, 2393
diagnostic discriminative ability of Processing Speed Factor of WISC-III, 6.1–16.6 yr olds referred for psychological assessment, Canada, 2633
diastolic vs systolic cardiac phases & stimulus & response laterality, visual RT task, male vs female 19–29 yr olds, 550
differential allocation of attentional resources & skin conductance orienting responses & secondary RT, schizophrenic adults & college students at risk for psychosis, 30982
directed attention, attentional performance in RT procedure, adults with Huntington's disease, 39505
discriminability of serial vs parallel architectures in mathematical model of response time decomposition rules, implications for sample size distribution, 14424
distribution inequalities for parallel models of RT & application to auditory profile analysis, conference presentation, 34089
dopamine depleting lesions of dorsal striatum, RTs contralateral to lesion as measurement of covert orienting, rats, implications for motor impairment, 6689
dose & time response relationships of behavioral & physiological & biochemical effects of 8-OH-DPAT, male rats, 41543
driver height & seat position, fractionated RT, motor vehicle drivers, South Africa, 17490
duration of intertask delay in system response time, readiness for task execution, 17–38 yr olds, 33800
ERP & RT & response accuracy during rhyming & semantic classification of spoken words, 9.1–14 yr old average vs impaired readers, 7254
ERPs & RTs & semantic priming deficits in categorization, 67–81 yr olds with dementia of Alzheimer's type vs healthy 18–27 vs 63–86 yr olds, 1623
ERPs & simple RT & probability patterns in stimulus identification, 18–24 yr olds vs 57–68 yr olds, 6711
Exemplar-Based Walk Model for perceptual classification, prediction of response times, graduate students, 25271
Experimental RunTime System software for writing & running RT experiments, 10235
exposure to correct performance, time to approach goal area & food selection, horses, 10762
extended generalized context model, time course of categorization of stimuli with multivalued dimensions, graduate students, England, 34218
facilitatory effects of negative emotional primes, RT & endorsement rates for positive & negative trait adjectives, 18–65 yr olds with depression, 15927
factors responsible for occurrence of cognitively based spatial stimulus-response correspondence effects in simple RT tasks, adults, 17916
feature similarity & spacing, RT in focused attention paradigm, young vs elderly adults, Netherlands, 2898
fixation offset condition, saccadic RT in response to visual targets in prosaccade vs antisaccade tasks, adults, 2770
fluid intelligence ability, performance on visual serial choice RT task with auditory feedback & error analysis, 60–81 yr olds, 10698
general recognition theory & same-different judgments, 21196
heart rate during warned simple RT task, anticipatory EMG of facial & masticatory & neck muscles, healthy adults, 3174
horizontal vs vertical spatial codes & RT in visual task, 19–40 yr olds, 6232
identity suppression effect in Stroop color-word task, RT for matching & nonmatching trials, 19–32 vs 63–86 yr olds, 22021
images presented side by side, time to detect difference between images, adults, France, 37618
induced emotional state, evaluative response latencies to affectively valenced stimuli, college students, 2899
induced pain & memory search, reaction time & errors & event-related potentials, 22–28 yr olds, 41394
infant visual anticipation & RT, prediction of childhood manual RT & verbal & performance IQ, 3.3–4.3 yr olds, 3–4 yr study, 15213
information processing speed & motor RTs & stimulus categorization, patients with vascular dementia vs Alzheimer's disease, 39530
key peck response rate & time allocation & peck duration & gape amplitude in concurrent VI–VI schedule with food vs water reinforcers, food & water deprived pigeons, 18078
lateralized visual stimuli, motor reaction times, 46–77 yr old right brain-damaged patients recovered from vs with left hemineglect, 39478
lexical decision & naming tasks, speed & fluency of word recognition, adults, 21440
life events stress & social support & coping skills, central & peripheral vision & RT during demanding tasks, male vs female college athletes, implications for stress-injury relationship, 21228
lower vs higher energy meals at morning vs afternoon, mood & alertness & discrimination & simple response & serial choice RT, 21–32 yr old males, 21802
luminance & eccentricity & hemifield & hemispace of stimulus presentation, RT to & extinction of unilaterally & bilaterally presented light flashes, 48 yr old male with right hemisphere lesion, 16377
manual movement initiation time in single gestural vs dual verbal gestural tasks, college students, 21962
maternal wait time after open & closed ended questions, 3.3–4.8 yr olds with Down syndrome vs language age matched 1.7–2.3 yr olds, 35927
mathematical theory of empirical recovery of response time decomposition rules using sample level tests, 14427
mean RTs of cognitive processing, adults with closed head injury, meta analysis, 16323
memory-guided saccadic RT in ocular-motor delayed response task, schizophrenic adults, implications for pathology of prefrontal cortex, 31016
memory RTs for positive vs negative responses, brain damaged 19–54 yr olds with cognitive slowing, replication, 4670
methylphenidate, RTs for errors & succeeding correct responses on memory task, 6.10–11.9 yr olds with 3 subtypes of attention deficit disorder, 19950
model for explaining speed of reaction to motion onset & motion velocity changes, commentary, 17824
moderating effects of physical fitness, vigilance & serial choice RTs, 18–30 vs 43–62 yr olds, 14028
multilevel modelling alternative to MANOVA, prediction of recovery of speed of information processing, 17–70 yr olds with closed-head injury, longitudinal study, Canada, 4721
multiple spatial codes & temporal overlap & attention shifting effect on stimulus-response relations, Simon effect & RTs in choice-reaction tasks, adults, replication & extension, 14610
neuropsychological functioning & determinants of morning alertness as assessed by RT test, 29–73 yr olds with obstructive sleep apnea vs primary insomnia, 31637
nicotine yield in cigarettes, EEG spectrum power & nonlinearity & complexity during auditory & visual RT tasks, male 22–35 yr old smokers, 6927
number of stimulus features used to cue spatial location of target, RT during report of presence or absence of target letter, 18–41 yr olds, test of race models of visual search, 25207
object orientation & size, response time & error rates in visual perception of affine-invariant coordinates, Os, 14545

orientation of stimulus & response arrays along parallel vs orthogonal axes, 4-choice RT task performance, college students, 41051
paper map vs head-down vs head-up turn-by-turn display vs head-down electronic route map vs audio guidance system, reaction time, 19–35 yr old automobile drivers, 43900
parallel vs conjunction visual searches, P300 latency & amplitude & RT, Parkinson's disease patients, implications for preattentive mechanisms, 31911
parallel vs serial processing, response time for programming of direction of planar reaching arm movements, 25–40 yr olds, 10686
performance on lexical decision & auditory vocal RT tasks, 4.1–9.7 yr olds with specific language impairment vs peers, 16196
peripheral & endogenous cuing, response time to targets above vs below fixation point, college students, Canada, 17840
physical characteristics of response cue & immediate recall, response force & speed in RT tasks, adults, 17814
physical distance between signal & response, RT on pointing task, college students, Germany, 25242
picture–word format & onset of verbatim vs inference test sentence, problem solving RT, college students, 21341
position of head & direction of gaze, RT & ascription of sex to face, 16–40 yr olds, England, 21242
positional relationships between pattern elements, duration of visual search, observers, 25204
positions & time course of somatic & visual cues to targets in unilateral & bilateral stimulations, RT, 20–41 yr olds, 10618
positive vs negative priming, RT in Erikson flanker task, college students, 6214
practice effects in structured vs unstructured continuous key pressing task & longer vs shorter response groups, college students, Netherlands, 2797
practice vs no practice of difficult vs not difficult mental arithmetic problems, RT & ERPs, 20–28 yr olds, Germany, 3125
presentation rate of word stimulus, mediation of recall memory of word lists by speed measures, 18–93 yr olds, 11389
prior experience with target &/vs distractor, visual search RT, college students, 14530
processing of simple vs choice RT tasks, performance consistency, 18–45 vs 61–81 yr olds, 11345
processing time of inhibition of return, frequency of illusory line motion, adults, 6247
programming processes, motor response duration in precueing & priming RT paradigm, 18–50 yr olds, 28827
psychometric intelligence & RT in elementary cognitive tasks of Hick vs Sternberg vs Posner, 16–39 yr olds, 33986
psychopathy & passive avoidance & response modulation deficits in cued RT task performance, male 19–40 yr old prison inmates, Singapore, 31214
P300 evoked potential amplitude in response to go/no go RT paradigm, males at high vs low risk of alcoholism, 35802
rapidly escalated doses of venlafaxine vs imipramine, production of earlier response, hospitalized patients with depression & melancholia, 27392
Rasch model for speed tests with incomplete statistical data, 37560
rates of omission errors in interhemispheric transfer time in Poffenberger paradigm, college students, Canada, 6604
reaching with ipsilateral vs contralateral hand movement toward imperative vs unilluminated stimulus target location, reaction & movement time & initial direction of reaching, adults, Netherlands, 28823
reaction time & semantic priming in detection of words vs nonwords in letter strings, HIV+ vs HIV– adults, 39445
reaction time in speed of response selection & stimulus categorization in information processing, 7 vs 12 yr olds, 38303
reactivity & locus of control & situational control & rate of stimulus presentation, RT performance & posttask anxiety & anger & curiosity, 16–18 yr olds, 11447
recognition/metarecognition model in time stressed decision making, implications for naval tactics, 243
regression modeling & M-estimators, missing data & outliers around central tendency variance due to extreme responses on performance measures, employees over morning vs night shift, 10595
reinforcement schedule, behavioral momentum, college students, implications for behavior analysis & therapy, 8874
relatedness & number of word meanings, lexical decision RT, college students, 28832
relationship of saccadic eye movements during visual search to manual response time, adults, 14499
relative target frequency with vs without extinction or removal of differential probabilities, RT & attentional priming during multiple-target search, White Carneaux pigeons, 10759
repeated presentations of words, ERPS & RT, adults with probable Alzheimer's disease, 16336
repeating sequence, formation of explicit knowledge in sequential RT task, college students, France, 41149
research practice issues & theoretical shortcomings in study of role of mental speed in intelligence, 22573
response bias & variability of simulated data in mean lateralized readiness potential onset latency, assessment of RT values & ERPs, 14478
response choice & motor preparation stages of information processing assessed in ERP paradigm, depressed patients with retarded & blunted affect vs anxious-agitated & impulsive symptoms, France, 1251
response force & time & other psychophysiological measures in target detection & motor coactivation, college students, 17878
response uncertainty cued by response probability with visual vs auditory stimuli, motor response force measured by RT, college students, Germany, 37687
robustness of Fligner-Policello rank-order test for nonnormal populations with unequal variances & applicability to symmetric vs skewed RT data, 40965
role of lower limb strength & visual contrast sensitivity & RT in predicting cognitive function, 60–86 yr old females, Australia, 22160
RT & attentional bias & hemisphere dominance in cue–target light detection task presented in right vs left visual field, 21 yr old male callosotomy patient, 39898
RT & ERP assessed changed in neural & cognitive processes during learning of miniature artificial language, college students, 38236
RT & error rates of indecisives & decisives in simple & complex tasks, adults, 37706
RT & neuropsychological test performance as measures of impairment, patients with brain damage, 8660
RT & subjective assessment of memory processing & confidence as predictors of accuracy of recall vs recognition of details of a crime, college students, implications for eyewitness testimony, 28975
RT, depressed &/or cognitively impaired outpatients (mean age 76.6 yrs), 30652
RT in detection of large vs small stimulus, adults, 25195
RT of brain processes preceding execution of pro- & antisaccadic eye movements, 30–50 yr olds, 549
RT on continuous performance test of attention, young males with Tourette's syndrome, 23473
RTs & ERPs in & localization of brain activations & sequence of processing stages in number comparison task, 18–23 yr olds, 3113
RTs to brake signals when appearing with red vs yellow turn signals, 20–25 vs 61–73 yr olds, 33802
segmentation of multiple vs large gratings into single vs multiple stimuli, speed of visual discrimination, Os, letter, 10646
sensory vs post-sensory theories of inspection time as measures of sensory processing speed, adults, psychophysical implications, 6218
sentences with attitude-value concepts low vs moderate vs high in relatedness & with weak vs strong primes or targets, semantic memory & truth vs falsity judgment & response speed, college students, 17950
serial choice RT during rapid decompression using positive pressure breathing survival system, adults, 33801

serial reaction time task, higher-order associative learning, patients with amnesia vs controls, 42793
serial RT & mirror reversed vs unreversed tracking tasks, 43 yr old female with circumscribed lesion to supplementary motor area of left mesiofrontal cortex, case report, 23358
set-inducing instructions to avoid reference to specific water jugs, problem solving speed & accuracy, students, implications for Einstellung effect, 10693
short-term food deprivation vs chronic dietary restraint, reaction time on the Stroop Color and Word Test, college students (mean age 21.8 yrs), Canada, 31532
short vs long cue-target interval vs foreperiod, RT & advance reconfiguration of task shifting & proactive processing, adults, 6331
simple & choice visual RT measures & neuropsychological test performance, assessment of cognitive function & treatment needs, traumatic brain injured patients with vs without cognitive impairment, 6069
simple motor RT & sustained attention, adolescents & adults with untreated non-PKU-hyperphenylalaninemia, 4577
simple visual RT & somatosensory EPs following electrical stimulation, sedentary adults vs elite gymnasts vs endurance runners, 17417
single vs multiple format assumption in arithmetic retrieval, 20–41 yr old college students, Germany, 34265
sleep loss, task performance & RT distribution functions & spectral performance of EEG, 18–24 yr olds vs 62–73 yr olds, Netherlands, conference presentation, 29463
sleeping in chemical protective mask, sleep quality & choice RT & mood, male 19–25 yr old soldiers, 6786
slower RT & hyperpriming in neutral condition on lexical decision task, patients with Parkinson's disease, test of semantic deficit & set shifting hypotheses, 23437
spatial frequency & visual hemifield of stimulation, RTs to targets in selective attention task, healthy 18–28 yr olds, 37992
spatial frequency in right vs left visual field, global vs local interference & RT advantage to bright vs contrast-balanced hierarchical stimuli, 18–48 yr olds, 21261
spatial orienting of attention & RT, 10–15 yr old vs 28–31 yr old rhesus monkeys, implications regarding underlying neural systems, 10922
spatially predictive vs misleading target tones, endogenous covert spatial orienting in audition measured by ERPs & RT, 22–35 yr olds, implications for intermediate vs peripheral attentional selection, 37604
speed &/vs power performance factors, visuospatial ability, male vs female 17–23 yr olds, Spain, 244
speed-accuracy tradeoffs in visual discrimination & lexical decision tasks, 18–24 yr olds, test of deadline model, 6207
speed in detection of vowels, English- vs Spanish-speaking students, England vs Spain, 6270
speed–accuracy trade-off retrieval curves in recognition-memory & modality judgement tasks, college students, 37778
speeded discriminations of whole vs occluded vs mosaic shapes, college students, Canada, 37633
standard vs multiple target search task, RTs for visual search & enumeration, college students, 34159
start of response preparation in relation to mental rotation, RT & lateralized readiness potentials during go vs no go mental rotation task trials, undergraduates & volunteers, 25522
stop signal, heart rate as indicator of deficient inhibitory processing, 7–12 yr old males with ADHD, 23163
strength of habit acquired during training & time to study & respond to stimulus word, recollection vs memory slip in cued recall test, college students, Canada, 6378
Stroop interference effects & RT & P3 latencies & amplitudes in color of word identification, adults with vs without PTSD, 31102
Stroop response times to positive & threatening words related to panic vs social vs general concerns, 18–49 yr olds with vs without panic disorder vs social phobia, 8032
structure of correlations between RT to sounds of different intensities & values of EEG spectral density of separate frequencies or narrow frequency bands, adult males vs females, 11076
structured event sequences, error rates & RT & learning, university students, Germany, 41147
supervisory control on Stroop test under paced vs self paced single vs dual task condition, 16–42 yr olds with closed-head injury, 4644
task specific processing speed & working memory, long term memory, 20–90 yr olds, 11381
time of day & cigarette smoking, CFF test performance & choice RT, 24–45 yr olds, 38144
time of day, driving performance on driving simulator & subjective mood & RT, 21–26 yr old males, implications for automobile accident patterns, 43924
time-related changes in detection & RT & cerebral blood flow & EEG activity during auditory vigilance, 19–44 yr old males, implications for neural substrates underlying sustained attention & arousal, 37990
time required to orient visual-spatial attention, autistic 16–37 yr olds, 12338
time uncertainty & instructed muscle tension, fractionated RT, college students, Japan, 25238
training interventions supporting perceptual decision making, performance acquisition in time-pressured & complex dynamic tasks, college students, 253
unilateral vs bilateral attentional primes, RT for bilaterally presented letter pairs, college students, implications for interhemispheric interaction, 14533
unilateral vs bilateral presentations of hierarchical stimuli & exposure duration, local vs global processing, adults, 10926
unprimed lexical decision delays & times for sexual & romantic & neutral word targets, male vs female college students, 11623
use of connectionist network model in predictive timing in cerebellum for learning & performance of conditioned eyeblink responses, 40723
use of Local Tau 1 vs 2 & spherical vs oval ball with vs without rotation, interception time, male adults (mean age 26 yrs), 25205
usefulness of covariance structure analysis in asymmetrical & symmetrical models of bilingual word processing, native Dutch speaking adults, Netherlands, 14455
variable rate vs variable threshold RT model evaluated by cerebral cortex neuron activation related to saccade production, rhesus monkeys, 21652
verb argument structure complexity, P300 amplitudes & lexical decision RT, 21–26 vs 60–70 yr olds, 21797
Verbal GRE scores & word difficulty & task preparation, individual differences in RT & recognition potential & P3 ERP latencies in word detection task, 20–34 yr olds, 38022
visual cues, neural mechanics of orienting & alerting & influence on target response speed, adults, 29276
vocal RT to printed words, 8–10 yr olds with vs without central auditory processing disorder vs normal young adults, 39588
vocal vs typed response & age of English language acquisition, naming times of Snodgrass & Vanderwart pictures, native & nonnative English speaking adults, 14664
word association emotional indicators based on RT & response repetition & relation to anxiety & neuroticism & psychoticism & extraversion & creativity, males, India, 15719
word–nonword anagram problem solving, RT & speed–accuracy decomposition during continuous vs discrete processing, adults, 6342
20-msec presentation of color photo, RT in categorization & processing of images containing vs not containing animals, 22–45 yr olds, letter, 10643
8-OH-DPAT vs serotonin antagonist, RT & choice accuracy in computerized visual learning task, male rats, implications for animal models of Alzheimer's disease, 6848
Reactive Attachment Disorder [See Failure to Thrive]
Reactive Depression—Serials
driving cessation, depressive symptoms, older drivers (mean age 72.1 yrs), 6 yr study, 34998
empathy & reactive depression, 21–53 yr old female nurses or counselors or social workers, 43534
mortality, patients with endogenous vs neurotic/reactive depression vs healthy adults, 24 yr study, UK, 19175

religiosity assessed with self report & hetero-rating scales, inpatients with endogenous vs neurotic vs reactive depression, 6 mo followup, translated article, 19164
Reactive Psychosis—Serials
cumulative trauma from infancy through adulthood, 26570
development & psychometrics & factor structure of Reactivity of Psychosis Rating Form, assessment of reactivity to stress in psychosis, patients with functional psychosis, Scandinavia, 21051
onset of use & psychosis, non- vs drug-abusing schizophrenic patients, medical chart review, 30939
stress or arousal of negative affect, reactivity of symptoms, patients with schizophrenia, 7955
Reactive Schizophrenia [See Reactive Psychosis, Schizophrenia]
Readability—Serials
analysis of lay vs professional audience reading ability & comprehension of psychological reports, school & independent psychologists & psychology graduate students, 33144
readability level & ethnically related content of patient health information & education materials, community health nurses, 9334
text vs outline vs matrix displays, computational local search efficiency, college students, 6336
Readaptation [See Adaptation]
Readiness Potential [See Contingent Negative Variation]
Reading [See Also Oral Reading, Remedial Reading, Silent Reading]—Serials
ability to label speech sounds & phonological awareness, normal hearing vs hearing impaired 5–7 yr old beginning readers, 1 yr followup, 15221
attitudes toward reading & current reading behaviors, 9th–12th graders, 18434
characteristics of classroom contexts that influence motivations for reading, 37066
color & semantic context in picture vs word stimuli, forward vs backward word reading & translation, bilingual college students, Netherlands, 17929
combination of visual & lexical & oculomotor information in Mr. Chips ideal-observer model of reading, implications for reading with low vision, 34155
computer-controlled display procedures for research on reading, college students, conference presentation, 34121
concurrent prompts, transfer to reading words with vs without shared phonological status, 1st & 2nd graders, 25782
different reading & language arts assignments, motivational goals & strategy use & achievement affect, 3rd graders, 1 yr study, 37040
dual lexical vs nonlexical route theory of print to sound translations & pronunciation, college students, 6291
encoding resource allocation, reading recall, young vs older adults, 3383
fixation location & frequency, fixation duration on low- vs high-frequency target words in reading, college students, implications for lexical vs oculomotor eye movement control models, 2779
framework of academic responding according to learning hierarchy & components of reading intervention, students, 17122
home & family influences on motivations for reading, implications for guidance to parents & for the development of family literacy intervention programs, 36952
individual differences & lexical & sublexical patterns of reliance in spelling vs reading, 7–10 yr old 3rd graders, 21999
intensity of initial & ending letters, direction of saccades to eccentric word targets & luminance distribution effect, college students, France, 10623
interaction & picture book reading, literacy development, mothers & their 2.5–3.8 yr olds with language delay, conference presentation, 39344
issues in view of reading & writing as social & cultural practices & concept of time as dimension of literacy practices & classroom applications, 34199
knowledge-seeking vs pleasure-seeking as motivations to read, 37023
language arts achievement level & attitude survey format, attitudes toward reading, 6th graders, 37078
language play, development & language pathology & reading, children, implications for teaching & therapy, 24350
left to right vs right to left reading habits, visuomotor bisection task performance, 3–29 yr olds, France & Israel, 3324
letter search task & phonological constraints, phonology & performance in reading without pattern masking, adults, 28728
line length representation, normal vs left unilateral neglect dextral French vs Israeli left to right vs right to left readers, 26956
listening to stories by different vs 1 author vs listening in installments to multiple-volume series, decoding & reading comprehension & storytelling & voluntary reading, 5.7–6.9 yr olds, Israel, 25781
motivation in the domain of reading, 37050
Myers-Briggs Type Indicator preferences for sensing or intuition & reading for pleasure, 17–45 yr old undergraduates, England, 35343
normal & low vision reading processes & theoretical evaluation of design of low vision aids, literature review, 17454
number of letters, high- & low-frequency word & nonword naming latency, college students, England, implications for nonlexical reading, 37734
order of viewing diagram & reading text, recall, 8th graders, 13762
quality of affective relationship & attachment security, picturebook reading, 12–15 mo olds & their mothers, 41690
reading habits & interests, 14–18 yr old secondary school students, Nigeria, 33502
reading motivation & its relation to the amount & breadth of reading, male vs female 4th- vs 5th-graders, conference presentation, 43649
right hemisphere amobarbital, reading errors, adults with complex partial seizures, 36139
rule training & transfer performance in reading vs nonreading (music) paradigm, reading disabled vs nondisabled 7–9 yr olds, 26784
saccadic eye movement during reading, 23–54 yr olds with visual field defects & contrast sensitivity loss, 27058
single letter misidentification & letter-by-letter reading, 73-yr-old male with letter-by-letter dyslexia, 1433
submorphemic processing in visual recognition of Chinese characters, native Chinese speakers, Australia, 34289
temporal pattern disruptions in familiar vs unfamiliar sentences presented visually & as natural speech, ERPs during sentence reading & listening, 18–34 yr old native French speakers, France & US, 41387
theory & motivations for reading & assessment of reading programs, commentary, 37039
use of cooperative learning in integration of science & reading & writing, 20561
use of morphological & whole word form information during eye fixations on prefixed & suffixed words in reading, college students, France, 14584
verb tense & aspect, construction of mental models while reading, college students, Spain, 41560
visual field advantage in language-specific scanning & reading, laterality in chair identification & chimeric face perception, native Hebrew speaking & Arabic–Hebrew bilingual college students, Israel, 34151
visual field laterality, Hangul syllabic vs Hanzaa logographic script judgments, native Korean reading college students, 34246
visual problems & vertigo, saccadic & smooth pursuit eye movements during reading, 24–62 yr olds with whiplash, 8677
word reading & picture labeling vs reading comprehension methods, emergence of reading comprehension & oral picture labeling, 4–10 yr olds with intellectual disability, 2223
2-character words familiar from oral but not written language, awareness of radical characters & word acquisition, 1st & 3rd & 5th graders, China, 18515
Reading Ability—Serials
age & selective attention & handedness & reading ability, right ear advantage in dichotic listening of consonant-vowel stimuli, 6–12 yr olds, meta analysis, 22036

age of spoken & written acquisition, Kanji character reading speed, 18–24 yr old native Japanese speakers, England, 41167
analytic & synthetic phoneme training, cognitive abilities predicting growth in explicit phonological awareness & reading/spelling skills & verbal ability, kindergartners, 9899
childhood reading difficulties, transition to adulthood & early adult psychosocial functioning, poor vs normal readers, 29896
community based peer tutoring, reading age & self esteem & academic self confidence, mainstreamed disabled students assessed at 11 vs 13 yrs old, 9967
ERP & RT & response accuracy during rhyming & semantic classification of spoken words, 9.1–14 yr old average vs impaired readers, 7254
factors in effective literacy tutoring, 1st graders with poor reading ability with college students with poor reading ability serving as tutors, 5643
general phonological impairment, nonword reading & dyslexia, 62 yr old male with progressive impairment of auditory language comprehension, 19459
grade & syllable segmentation & speed of presentation, word-blending ability, K–2nd graders, Canada, 11366
impulsiveness & aggression & reading level & event-related brain potential P300, oddball type- vs continuous performance tasks, 11–17 yr olds from psychiatric in-patient unit & 2 middle schools, 26347
instructional match & word content overlap, ability to generalize from reading passage, 8.5–12 yr olds in special education, 17222
letter knowledge & phonemic awareness, reading ability, 4–5 yr olds, Scotland, 15227
letter spacing & size & grouping, case mixing disruptive effects on reading individual words, college students, England, 41572
letter training, letter-naming speed on beginning reading skill, 1st graders, 40424
level of reading proficiency, within-group correlations between Stroop Color & Word test & measures of response inhibition & executive functioning, parents of children with learning disabilities, 34204
lexical–semantic & reading task performance, 73–89 yr old female patients with probable Alzheimers disease with moderate vs severe semantic impairment, 31864
local & global coherence & background knowledge & understanding levels, comprehension of science texts, 10–15 yr olds, 9954
models of speech perception & phonological processing in reading, 8.0–10.8 yr olds, replication, 11365
neuropsychological & cognitive treatment, reading performance, 6–15 yr olds with dyslexia, .5–2.5 yr followup, Netherlands, 27769
neuropsychological profiles & essential features of hyperlexia, children with specific language impairment with vs without hyperlexia, 31553
nonword reading ability, 65 yr old female with reading impairment analogous to phonological alexia, case study, 19646
nonword reading speed & accuracy in learning to read German, 9.1–11.4 yr olds with dyslexia, Austria, 4418
oral language deficits, ability to learn to read & develop mature reading skills, children, 31563
orthographic consistency, severity of written language impairments, German vs English 10–12 yr olds with dyslexia, 42632
parent-reported prevalence of stuttering & other speech problems & hyperactivity & attention deficit & reading problems, 8–20 yr olds born to mothers with systemic lupus erythematosus, 38278
peer tutoring program, reading ability, low achievers with vs without reading disabilities vs average achievers in grades 2–6, 26788
phonemic segmentation vs rhyme sound categorization vs alliteration sound categorization vs onset-rime segmentation, reading & spelling ability, 5.4–9.4 yr olds, England, 25770
phonologic impairment, prereading ability & working memory & productive syntax, letter identification, 3–6 yr olds, 3 yr study, 39350
phonological & metasyntactic & metasemantic & metamorphological & narrative skills, word decoding & reading comprehension, K–3rd graders with or without oral language difficulties, literature review, 12436
phonological & orthographic processing, reading ability, reading disabled kindergarten vs 1st vs 2nd graders with vs without discrepancies in IQ, 1–3 yr study, replication, 12365
phonological & syntactic awareness, reading recoding ability & comprehension, 5.3–6.1 yr olds, 4 yr study, France, 9919
phonological awareness & visual skills before & after learning alphabetic system, prediction of reading ability, Chinese 1st graders (mean age 6.48 yrs), Taiwan, longitudinal study, 33454
phonological processes & errors & strategies in pseudoword reading, dyslexic vs poor vs normally achieving 8–15 yr old readers, 1432
phonological processing ability & word-level reading skills, kindergartners–4th graders, 5 yr study, 33480
phonological text alexia, reading pseudowords & functors & affixes in text, 75 & 62 yr olds with reading difficulty, 19609
phonological vs surface dyslexia subtype identified by regression based procedures & comparison to CA vs reading level matched controls, 3rd grade males & females with dyslexia, 23189
pictures &/or titles, reading comprehension &/or accuracy of running text, research review, 1973–95, 22005
readability of patient education pamphlets regarding prevention & detection & treatment of breast cancer, implications for patients with low literacy skills, 9311
reading & cognitive ability, 8–20 yr old twin pairs with vs without reading disabilities, 35903
reading & reading related skills development, 7.6–12.6 yr olds with vs without dyslexia, 2 yr study, England, 12373
reading ability & context use, orthographic processing during silent reading, poor readers (mean age 12.1 yrs) vs normal readers (mean age 8.9 yrs), Netherlands, 15202
reading ability & handedness, 11.2–13.9 yr olds, New Zealand, 18436
reading ability, 70 yr old male with phonological alexia after stroke, case study, 19639
reading level & usefulness of nutrition education pamphlets, 9307
reading level & vocabulary reading skills & IQ & hyperlexia, 8.8–12.4 yr old females with genetic disorder of Turner's syndrome, 16264
reading rate & memory span for digit words & Arabic numerals, Spanish dominant Spanish–English bilingual adults, 34741
reading skill & passage length, illusion of knowing & recall & relationship between monitoring & recall, good & poor adult readers, 17898
real word vs nonword reading, 85 yr old female with developmental phonological dyslexia, 19460
relative contribution & trade-off effects of knowledge vs reading skill, domain general vs specific text comprehension, 4th–7th graders, 15199
reliability & validity of 6th grade reading level version of Multiple Affect Adjective Check List-Revised, community mental health clinic outpatients, 37446
repetition vs semantic priming, reading ability, 6th graders, 5646
role of assembled phonology in beginning reading, advanced vs less advanced 1st grade readers, 18464
screening & descriptive & educational value of Slosson Oral Reading Test-R vs Woodcock Reading Mastery Test-R vs Wide Range Achievement Test-R, 19–64 yr old substance abusers, 28486
self-reported education level & current reading level, 50 yr olds & older in mental health & community settings, implications for treatment instructions, 9342
skilled reading & impaired phonology, 18 yr old woman with deficient phonological processing & phonological memory, case study, 31796

spoken word recognition on speech gating task & relation to phonemic awareness & reading, reading disabled 6–14 yr olds, 23184
strategic literacy knowledge & abilities & potential, low literacy bilingual middle school students, 6 mo study, 40482
strategy instruction within literature-based environment, learning about reading & writing & literature, 2nd graders, 1 yr program, 40384
teacher modeling, engagement during silent reading, 7.3–8.1 yr old low vs average vs high achieving readers, New Zealand, 5622
transmission vs transactional implicit models of reading, reader engagement & text recall, college students, 2830
TV caption presentation rate, reading performance, ESL vs English as primary language graduate students, implications for hearing impaired viewers, 25208
Verbal GRE scores & word difficulty & task preparation, individual differences in RT & recognition potential & P3 ERP latencies in word detection task, 20–34 yr olds, 38022
visual art procedures, literary reading, 7th grade reluctant readers with learning disabilities, 8380
Wide Range Achievement Test-Revised reading scores & demographic variables & drug use severity, prediction & estimation of premorbid ability, cocaine abusers, 19382
word & nonword reading ability, 47–67 yr olds with nonlexical reading impairments after stroke, 19575
word & pseudoword reading errors, 75 yr old dysgraphic & dyslexic male, implications for role of graphemic buffer in reading, 12431
word length & wordlikeness, pseudoword repetition, 7.7–9.4 yr old normal vs 9.8–11.8 yr old poor readers, Netherlands, 29832
word-reading processes, 21–40 yr old literacy students vs 3rd–5th graders matched for reading level, 33534
word training, word identification speed & story reading fluency & reading comprehension of words in context, poor reading 4th graders, implications for students with developmental disabilities, 41651
working memory & reasoning & reading ability, 4th–6th graders, Netherlands, 22001

Reading Achievement—Serials

causal attributions about reading achievement, low income 3rd vs 6th vs 9th graders & their parents, questions appended, 13756
Concept Oriented Reading program, changes in motivations & strategies in literacy engagement, 3rd & 5th graders, 5597
icon depictions of nouns & adjectives associated with written words in Bridge vs "Whole Language" instruction, predictive & reading achievement & oral reading, 1st graders, Canada, 2 yr study, 36953
individual community-based tutoring, phonological & early reading & spelling skill achievement, at-risk 4th graders, 37123
issues in basal readers & creation of reading failures in elementary schools & role of differences of students' social & economic backgrounds, 36975
performance assessment project in reading & mathematics, learning & achievement, 3rd graders, 17152
phonologic recoding & phoneme awareness in early phonological processing skill intervention, reading achievement, low & high-achieving kindergartners, Canada, 36983
planning & attention & simultaneous & successive processing in Process-Based Reading Enhancement Program, word decoding deficiency remediation, Chapter 1 status 4th graders, 37092
reading acceleration vs auditory masking, reading performance, 8–9 yr olds with dyslexia, Israel, 23179
reading motivation & its relation to the amount & breadth of reading, male vs female 4th- vs 5th-graders, conference presentation, 43649
reintegration into general education classroom, reading achievement, elementary students with mild disabilities, implications for instructional programs, 20673
relationship between phonemic awareness & reading achievement, kindergartners, 3 yr followup, 43645
school entrance age, reading & mathematics achievement, older kindergarteners vs younger 1st graders vs older 1st graders, Canada, 9-mo followup study, 24618
self induced brief positive vs neutral mood induction, short and long term performance on novel reading acquisition task, 7th graders with vs without learning disabilities, 9968
Sing, Spell, Read, & Write program in schools differing in SES & racial makeup & standardized achievement scores, reading & writing & spelling achievement, K–2nd graders, 24549
syntactic awareness & reading acquisition, 5.7 yr olds, Brazil, longitudinal study, 33466
training in phonological & semantic & syntactic processing skills in spoken language, reading accuracy & comprehension ability, 10–12 yr old primary school students with reading disabilities, 13832
whole language vs traditional reading instruction & teacher's interpretation in classroom & pacing of instruction, attitudes toward & achievement in reading & writing, 1st graders, 13724

Reading Aloud [See Oral Reading]

Reading Comprehension—Serials

accessibility of objects in spatial situation models, generality of impact on attention & narrative comprehension, college students, implications for cognitive modeling, 2826
action-research project, teachers' vs students' reader based & text based responses to "Sarah, Plain and Tall" by P. MacLachlan, pre- & inservice teachers or 3rd–8th graders, 24538
active processing vs metacognitive intervention, self directed learning & story comprehension & self questioning, kindergartners, 43596
advance information about questions, reading comprehension, college students, 17926
attitudes & cultural background & familiarity of cultural content of stories, reading comprehension, Arab students learning Hebrew vs Jewish students learning English, Israel, 5636
automaticity & inference generation in reading comprehension, implications for education, 22049
cognitive mapping strategy, literal & inferential reading comprehension, 6th–8th graders with mild learning disabilities & educable mental retardation, 37091
cognitive strategy intervention of question generation, reading comprehension, students, literature review, 24579
comprehension of metaphors describing simple emotional reactions, younger vs older adults, 22011
computer tool for modeling inference generation processes in text comprehension, college students, conference presentation, 34236
constructionist vs resonance vs current state selection models, fate of completed goal information in narrative comprehension, undergraduates, conference presentation, 34222
contributions of orthographic & phonological representations in reading comprehension, 34742
cooperative story mapping, reading comprehension, learning disabled or high or low achieving readers, 24674
developmental changes in & relationship of syntactic awareness & reading comprehension, 3–10 yr olds, India, 745
encoding of superordinate goal causal inferences in memory for text, college students, 2867
experimentally induced depressed mood state & motivation, detection of contradictions in text passages & self rated comprehension, college students, 28996
fluent aphasia with superior reading vs auditory comprehension, 24-yr-old with herpes simplex encephalitis, implications for neurological pathways for speech production, 16202
frequency-based verb bias & plausibility of word combinations, ambiguous sentence comprehension in eyetracking & self-paced moving-window reading paradigm, college students, 38229
goal setting &/vs self-instruction, acquisition & maintenance & generalization of reading comprehension strategy, 4th–6th graders with learning disabilities, replication, 28071
increased oral reading, text comprehension, 3rd graders, 43639

individual differences in adaptation to type of task in selecting main points from text, 10th graders, 13757
inferential comprehension of text about Zambian issues, adults, Zambia vs England, 21354
inferential reading comprehension of passages on familiar vs unfamiliar topics, 8th graders with learning disabilities, 35906
instruction in regulation strategy of rereading, answering questions about previously read text, 4th graders, 24550
interrelationship of cognitive processes & use as predictor of word recognition & reading comprehension, learning disabled 8–12 yr olds, Canada, 23191
interventions in reading comprehension, students with learning disabilities, literature review, 1976–96, 42634
irrelevant sounds, phonological coding in reading comprehension & short term memory, college students, 2801
issue-related emotional involvement, reading comprehension, 8th graders, 11347
issues in hyperlexia & phonologic & orthographic reading strategies, young children, 31451
language proficiency & comprehension skill, situation model construction during narrative comprehension, native English speakers in 2nd yr French class, 6356
learner centered approach in intervention, reading comprehension, mentally handicapped 14 yr old African American female with hyperlexia, case report, 8381
local & global coherence & background knowledge & understanding levels, comprehension of science texts, 10–15 yr olds, 9954
meaning representations & reading comprehension of written text, literature review, 28853
metacognitive reading strategies, reading comprehension think aloud task performance, gifted reading disabled 10–12 yr old elementary students, implications for individualized instruction, 9999
mismatch between stereotypical gender of referent & sex-specific pronoun in sentence, reading time & comprehension, undergraduates, England vs Spain, 17895
modeling of knowledge structure search during question answering about expository texts, college students, 2878
more vs less directed instructions & academic ranking, detection of lexical problems & inconsistent information in texts, college students, 17187
non word decoding skills & phonological & morphological awareness, spelling ability & comprehension, learning disabled vs regular 9th & 10th graders, 17177
overview of contributions of cognitive research on text comprehension & agenda for future research, 28866
overview of contributions of cognitive research on text comprehension & agenda for future research, commentary, 28875
perspectives on comprehension & implications for assessing & treating listening or reading comprehension problems, 31555
phonemically confusing stories, listening & reading comprehension & phonemic sensitivity, kindergarten & 2nd grade children, 18473
phonological & syntactic awareness, reading recoding ability & comprehension, 5.3–6.1 yr olds, 4 yr study, France, 9919
phonological mediation of reading & spelling, male stroke patient with impaired speech production, case report, England, 36039
pictures &/or titles, reading comprehension &/or accuracy of running text, research review, 1973–95, 22005
predicting & questioning & clarifying & summarizing in transactional strategies instruction approach, reading comprehension achievement & reading group engagement, 4th graders, 20551
processing of causal vs diagnostic statements with vs without space builders, reading time, college students & postgraduates & department staff, Scotland, 17951
Questioning the Author instructional intervention, classroom interaction & reading comprehension, inner city 4th graders & their teachers, 13694
R. Goldman's application of Piagetian theory to interpretation of religious texts, 6–17 yr olds, 22020
racial identity of fictional protagonists, reading comprehension, African American 7th graders with high vs low reading ability, 3352
reading comprehension addressing background knowledge & vocabulary & alignment & imagery, intermediate grade teachers, 24573
reading comprehension skills vs prior subject-matter knowledge, learning from expanded vs unexpanded history text, college students, 9902
reading narratives of varying difficulty & length from computer screen vs printed page, reading comprehension, 4th graders, 18485
reinstatement & integration strategy for processing previous knowledge during current-context problem solving while reading, college students, 2817
relative contribution & trade-off effects of knowledge vs reading skill, domain general vs specific text comprehension, 4th–7th graders, 15199
role of metacognition in working memory & comprehension & vocabulary, learning disabled vs average readers, 8378
selecting & organizing & integrating strategy for expository text comprehension, teachers, 17170
sentence lexical vs conceptual constraint & word frequency, reading mixed-language sentences, Spanish-English bilingual adults, 237
sentence vs discourse level representation in reading comprehension, college students skilled vs less skilled in reading, 21350
short term memory for printed words vs signs vs visuospatial stimuli & reading comprehension, deaf 23–67 yr olds, Australia, 4726
single-word training vs phrase training vs no training, reading comprehension, 7–10 yr old below-average readers, New Zealand, 33558
spaced vs unspaced text reading, eye movements & word recognition & comprehension, adult, commentary, letter, 209
spaced vs unspaced text reading, eye movements & word recognition & comprehension, adults, commentary reply, letter, 195
spatial position of adjunct pictures, processing of accompanying text, college students, 14647
story map, conceptual understanding of story elements & reading comprehension & written expression, 13-yr-old males with learning disabilities, 43695
storytelling ability & academic achievement in reading comprehension, 4th & 6th grade African Americans, 28013
text analysis vs reciprocal teaching programs, text comprehension, reading disabled adolescents, Canada, 2230
time course & specificity, interpretation of anaphoric noun phrases, college students, UK, 21340
training in phonological & semantic & syntactic processing skills in spoken language, reading accuracy & comprehension ability, 10–12 yr old primary school students with reading disabilities, 13832
TV, reading comprehension & decoding skills, 8 & 10 yr olds, Netherlands, 3 yr study, questionnaire items appended, 25758
type of information in topic overview, topic sentence reading times, college students, 28870
use of "they" as singular pronoun vs generic pronoun "he" after referential vs nonreferential antecedents, reading comprehension, college students, 29672
validity of reading comprehension therapy materials, non-brain-damaged 55–75 yr olds, 31564
visual vs verbal short term memory & reading metacognition & print exposure, reading comprehension, 5th graders, China, 9930
word meaning deafness, 66 yr old male with impaired auditory & intact written comprehension, case study, 31773
word reading & picture labeling vs reading comprehension methods, emergence of reading comprehension & oral picture labeling, 4–10 yr olds with intellectual disability, 2223
word training, word identification speed & story reading fluency & reading comprehension of words in context, poor reading 4th graders, implications for students with developmental disabilities, 41651

working memory capacity & knowledge access, text comprehension & reading speed, undergraduates, Canada, 14663
working memory capacity, processing of high & low level macropropositions in summaries of expository passages, 9th graders, Finland, 24614
Reading Development—Serials
abstract vs concrete words, reading vocabulary development, 2nd graders, 17171
age of spoken & written acquisition, Kanji character reading speed, 18–24 yr old native Japanese speakers, England, 41167
automaticity & constructivist & psycholinguistic views of reading acquisition & neurological & cognitive models of phonemic representations, 22034
development of ability to perform complex skills with minimal effort & attention & indicators of automaticity in teaching reading, 22042
large vs small unit theories of phonological awareness in beginning reading, preschoolers, Scotland, longitudinal study, 38314
linguistic awareness in oral language & reading acquisition, children with oral language problems, 31558
nonword reading speed & accuracy in learning to read German, 9.1–11.4 yr olds with dyslexia, Austria, 4418
oral language deficits, ability to learn to read & develop mature reading skills, children, 31563
phonemic segmentation vs rhyme sound categorization vs alliteration sound categorization vs onset-rime segmentation, reading & spelling ability, 5.4–9.4 yr olds, England, 25770
phonetics, learning to read Chinese, 1st & 2nd graders, Hong Kong, 38322
phonological & functional & syntactic awareness & decoding & listening comprehension & spelling & word-pseudoword identification, reading proficiency, 1st graders, Turkey, 29811
phonological awareness & early reading, 1st graders with low letter-sound knowledge in kindergarten, 1 yr followup, 33522
questions regarding emergent literacy in kindergarten, school psychologists & teachers, 33328
rhyming & segmentation & letter-name knowledge, learning to read, 3.8–4.8 yr old prereaders, 2 yr study, 34817
TV, reading comprehension & decoding skills, 8 & 10 yr olds, Netherlands, 3 yr study, questionnaire items appended, 25758
understanding of alphabetic representations of phonological structures of speech, preschool children, Australia, 21997
use of orthographic analogies, new word acquisition, 8.7–11.7 yr olds with dyslexia, 42631
Reading Disabilities [See Also Dyslexia]—Serials
absolute & relative theta vs alpha brainwave activity, maturational lags, children with minor or severe reading & writing difficulties, 23183
age, phonological vs metacognitive decoding skills training in word identification training programs, reading skills, 7–12 yr olds with severe reading disabilities, 43690
application of planning & attention & simultaneous & successive processing model to understand cognitive differences, 9.5–11 yr olds with vs without reading disabilities & high vs low IQ, Canada, 12366
background characteristics & cognitive functioning, inner city 16–63 yr olds with severe reading difficulties seeking assistance from literacy programs, 16150
differences in parental reports of ADHD & speech & reading & behavior problems, 4–12 yr old twin &/vs siblings, Australia, 7802
factors in successful use of talking books, students with reading problems, research review, 24675
hyperactive & antisocial behavior, 5 yr olds with reading disability &/vs ADHD, 10 yr study, New Zealand, 26767
internal vs external vs reflected attributions & help seeking behavior, 18–62 yr old low literate adults, 16152
issues related to reading disabilities, literature review, 1985–1997, 42629
learner centered approach in intervention, reading comprehension, mentally handicapped 14 yr old African American female with hyperlexia, case report, 8381
learning disabilities involving mathematics & spelling & reading following right hemisphere injury in infancy, 17 yr old male, case report, 4684
management of reading & spelling problems, children & adults, bibliography, 31456
metacognitive reading strategies, reading comprehension think aloud task performance, gifted reading disabled 10–12 yr old elementary students, implications for individualized instruction, 9999
peer tutoring program, reading ability, low achievers with vs without reading disabilities vs average achievers in grades 2–6, 26788
phonological & orthographic processing, reading ability, reading disabled kindergarten vs 1st vs 2nd graders with vs without discrepancies in IQ, 1–3 yr study, replication, 12365
phonological & semantic categorization, ERP & RT & response accuracy, average vs reading-impaired undergraduates, 39269
phonological processes & errors & strategies in pseudoword reading, dyslexic vs poor vs normally achieving 8–15 yr old readers, 1432
phonological recoding instruction, sight-vocabulary, 1st & 2nd graders with phonological processing deficits, 37121
pragmatic & semantic language abilities, 7–11 yr old males with ADHD &/vs reading disabilities, 26768
reading & cognitive ability, 8–20 yr old twin pairs with vs without reading disabilities, 35903
red vs white background field, metacontrast function, adolescents with vs without specific reading disability vs adults, Australia, 4416
revised Woodcock-Johnson Psycho-Educational Battery for differentiating learning disability subtypes, 7–16 yr olds with weakness in arithmetic vs reading & spelling, 35909
rhyming vs non-rhyming pictures, ERPs, reading disabled 12–16 yr olds with poor vs better phonetic ability, 8372
rule training & transfer performance in reading vs nonreading (music) paradigm, reading disabled vs nondisabled 7–9 yr olds, 26784
single-word training vs phrase training vs no training, reading comprehension, 7–10 yr old below-average readers, New Zealand, 33558
specific stimulus prompts, accuracy of academic performance, 17 yr old female special education students with mental disability or reading disorder, 37109
speech-specific failure in phonological representation vs general deficit in auditory temporal processing, speech perception, reading-impaired 2nd graders, 23185
spoken word recognition on speech gating task & relation to phonemic awareness & reading, reading disabled 6–14 yr olds, 23184
success of early intervention program in reading & writing, 1st graders referred for severe reading problems, 43678
success of phonological awareness training with vs without articulation component, 2nd–5th graders with reading disabilities, 43696
syntactic context & attentional factors, identification of spoken words, 7th & 8th graders with reading disabilities, 13822
temperament & behavior from infancy to 6 yrs of age, 7–8 yr olds with reading disability &/vs behavior problems, Australia, 7811
test-retest reliability of colored filter testing procedures in treatment of dyslexia, 15–17 yr olds with reading problems, 31463
text analysis vs reciprocal teaching programs, text comprehension, reading disabled adolescents, Canada, 2230
training in phonological & semantic & syntactic processing skills in spoken language, reading accuracy & comprehension ability, 10–12 yr old primary school students with reading disabilities, 13832
verbal & spatial memory tests & identification of side of seizure onset, patients with temporal lobe epilepsy with vs without reading deficits, 36062

vowels & context in reading paragraphs & sentences & isolated words, reading accuracy, reading disabled vs normal native Arabic readers in 10th grade, Israel, 39264
word frequency & lexicality, sound to spelling transcription & spelling procedures, French-speaking 2nd–5th graders with reading disabilities, 12363
1 vs 5 second intertrial interval, sight word learning & recognition, 2nd graders with reading disabilities, implications for role of school psychologists in instructional decision making, 33561
Reading Education—Serials
approaches to & principles of child centered individualized reading programs, 5589
barrier task as teaching tool, sight word & letter recognition, 6.5 yr old male augmentative & alternative communication user, 9985
clarification of Canadian Psychological Association's position on beginning reading instruction for schools with emphasis on blend of phonics & whole language materials, Canada, 9893
classroom practices for successful cooperative learning, engagement in cooperative learning reading lesson with nondisabled peers, mildly disabled 3rd–6th graders, commentary, 20668
classroom practices for successful cooperative learning, engagement in cooperative learning reading lesson with nondisabled peers, mildly disabled 3rd–6th graders, 20667
Concept Oriented Reading program, changes in motivations & strategies in literacy engagement, 3rd & 5th graders, 5597
cooperative story mapping, reading comprehension, learning disabled or high or low achieving readers, 24674
cultural identity development model as culturally responsive reading & writing instructional methods, teachers & their culturally & linguistically diverse students, 13705
development of ability to perform complex skills with minimal effort & attention & indicators of automaticity in teaching reading, 22042
evaluation of effectiveness of Reading Recovery early instruction intervention, learning gains, at risk children, commentary, 20563
evaluation of effectiveness of Reading Recovery early instruction intervention, learning gains, at risk children, commentary reply, 20568
examination of empirical literacy research studies that influenced instructional practice & examination of role of research in instruction, 27973
factors in successful use of talking books, students with reading problems, research review, 24675
icon depictions of nouns & adjectives associated with written words in Bridge vs "Whole Language" instruction, predictive & reading achievement & oral reading, 1st graders, Canada, 2 yr study, 36953
individual community-based tutoring, phonological & early reading & spelling skill achievement, at-risk 4th graders, 37123
instance theory of automatization, literature review, implications for reading instruction, 22027
instruction in regulation strategy of rereading, answering questions about previously read text, 4th graders, 24550
instructional match & word content overlap, ability to generalize from reading passage, 8.5–12 yr olds in special education, 17222
instructional ratios of known to unknown vocabulary words, reading progress, 2nd graders, 9887
Integrated Reading-Writing vs phonics & basic skills focussed DISTAR beginning literacy programs, reading & writing gains, at-risk 1st graders, 36982
issues in basal readers & creation of reading failures in elementary schools & role of differences of students' social & economic backgrounds, 36975
literacy instructional program supplemented with home-based audio model reading, 1st grade 2nd language learners with limited English proficiency, 9845
literature-based approach to teaching values, attitudes toward caring for others, male vs female 7th graders, 36950
matching to sample & stimulus equivalence of printed words & pictures, reading & spelling generalization, nonreading 7.5–10.8 yr old 1st graders, Brazil, 17224
parental involvement in reading remediation, young children, literature review, 13704
phonologic recoding & phoneme awareness in early phonological processing skill intervention, reading achievement, low & high-achieving kindergartners, Canada, 36983
phonological awareness & early reading, 1st graders with low letter-sound knowledge in kindergarten, 1 yr followup, 33522
phonological recoding instruction, sight-vocabulary, 1st & 2nd graders with phonological processing deficits, 37121
phonological training in print vs nonprint context, phonological awareness of phonically regular vs irregular words, 4–5 yr olds, 11393
planning & attention & simultaneous & successive processing in Process-Based Reading Enhancement Program, word decoding deficiency remediation, Chapter 1 status 4th graders, 37092
predicting & questioning & clarifying & summarizing in transactional strategies instruction approach, reading comprehension achievement & reading group engagement, 4th graders, 20551
reading comprehension addressing background knowledge & vocabulary & alignment & imagery, intermediate grade teachers, 24573
teaching of reading as supportive language development program, young children with physical & intellectual & emotional & sensory disabilities, 11847
whole language vs traditional reading instruction & teacher's interpretation in classroom & pacing of instruction, attitudes toward & achievement in reading & writing, 1st graders, 13724
Reading Materials—Serials
attitudes & cultural background & familiarity of cultural content of stories, reading comprehension, Arab students learning Hebrew vs Jewish students learning English, Israel, 5636
clarification of Canadian Psychological Association's position on beginning reading instruction for schools with emphasis on blend of phonics & whole language materials, Canada, 9893
content analysis of basal readers for androgynous vs traditional gender role orientation, educational implications, 33440
embedded support devices in printed distance education materials, college students, Netherlands, 9877
informational booklet with vs without video on prenatal screening for genetic disease & developmental disabilities, information retention, pregnant women, 9302
issues in basal readers & creation of reading failures in elementary schools & role of differences of students' social & economic backgrounds, 36975
listening to stories by different vs 1 author vs listening in installments to multiple-volume series, decoding & reading comprehension & storytelling & voluntary reading, 5.7–6.9 yr olds, Israel, 25781
perspectives on clinical reasoning content of occupational therapy reading materials & lectures & courses relative to orthopedic injuries, students vs faculty, 20442
readability level & ethnically related content of patient health information & education materials, community health nurses, 9334
readability of patient education pamphlets regarding prevention & detection & treatment of breast cancer, implications for patients with low literacy skills, 9311
reading habits & interests, 14–18 yr old secondary school students, Nigeria, 33502
reading level & usefulness of nutrition education pamphlets, 9307
use of games & workbooks in cognitive behavioral therapy with elementary school children reluctant to undergo counseling, implications for school counselors, 33571
validity of reading comprehension therapy materials, non-brain-damaged 55–75 yr olds, 31564

Reading Measures—Serials
neuropsychological validity of modality preference measures from Reading Style Inventory, left vs right hemisphere reading styles, males with dyslexia (mean age 13.4 yrs), 10472
screening & descriptive & educational value of Slosson Oral Reading Test-R vs Woodcock Reading Mastery Test-R vs Wide Range Achievement Test-R, 19–64 yr old substance abusers, 28486
stability & concurrent validity of Wide Range Achievement-Revised & Woodcock Reading Mastery Tests-Revised, drug abusers, 2601
Wide Range Achievement Test vs North American Adult Reading Test as estimates of premorbid intelligence, neurologically impaired adults, 14344
Reading Skills [See Also Reading Comprehension, Reading Speed]—Serials
abstract vs concrete words, reading vocabulary development, 2nd graders, 17171
age, ability to learn fluent reading, adult foreign speakers of languages with non-Latin scripts, 14631
application of planning & attention & simultaneous & successive processing model to understand cognitive differences, 9.5–11 yr olds with vs without reading disabilities & high vs low IQ, Canada, 12366
assessment of reading & writing skills, principals & teachers in school districts using whole language curriculum, 5619
barrier task as teaching tool, sight word & letter recognition, 6.5 yr old male augmentative & alternative communication user, 9985
computer based study strategies & intelligence & reading skill differences associated with strategy adoption level, 12–16 yr old secondary students with learning disabilities, 20647
extent of transfer of decoding skills from controlled vocabulary basal used in resource program to literature basal used in general education, 2nd–4th graders with learning disabilities, 28083
fast vs slow paced taped words interventions, sight-word reading accuracy, 10.4 & 11.8 & 12.2 yr old male elementary students with mental retardation, 33557
home schooling vs public schooling, reading & math & written language, elementary & junior high school students with learning disabilities, 43685
individual instruction in phonological & early reading skills by nonteacher tutors, reading skills, 1st graders at risk for reading disabilities, 28087
instructional ratios of known to unknown vocabulary words, reading progress, 2nd graders, 9887
Integrated Reading-Writing vs phonics & basic skills focussed DISTAR beginning literacy programs, reading & writing gains, at-risk 1st graders, 36982
interspersal of known items & multiple response error correction in treatment package, teaching of sight words, 12 & 13 & 16 yr old middle school students with moderate mental retardation & severe behavior disorders, 13815
language & reading & behavioral adjustment, 5.9–11.8 yr olds in primary school unit for developmental language disorders, England, 3.3–3.7 yr followup, 28065
letter training, letter-naming speed on beginning reading skill, 1st graders, 40424
metacognitive reading strategies, reading comprehension think aloud task performance, gifted reading disabled 10–12 yr old elementary students, implications for individualized instruction, 9999
motor coordination & reading problems, perception of own competence levels, premature 6 yr olds with specific learning difficulties, England, 8371
oral presentation previewing rates, accurate oral rereading rates, male 12 yr olds with reading skills deficits, 39270
perceptual & conceptual priming, text rereading implicit memory task, 20–29 vs 60–73 yr olds, 7258
phonetics, learning to read Chinese, 1st & 2nd graders, Hong Kong, 38322
phonological awareness & IQ, reading & spelling skills, nonspeaking 14–20 yr olds with cerebral palsy, Sweden, 16371
phonological difficulties & reading & spelling skills, 6.5 yr old female, 40 mo study, implications for role of phonological processes in learning to read, 12439
phonological sensitivity & syntactic processing & verbal working memory & reading performance, 3rd graders, 11352
picture & word naming performance, 8.8–12.9 yr olds with developmental dyslexia vs poor reading skills, 23190
praise as critical element in pause & prompt & praise reading tutoring procedure, 11–12 yr olds, England, 5607
prediction of reading & spelling deficits with cognitive vs language vs behavioral assessments, 8–13 yr olds with psychiatric disorders at day treatment & school, 5367
reading level & vocabulary reading skills & IQ & hyperlexia, 8.8–12.4 yr old females with genetic disorder of Turner's syndrome, 16264
reading skill & passage length, illusion of knowing & recall & relationship between monitoring & recall, good & poor adult readers, 17898
relative contribution & trade-off effects of knowledge vs reading skill, domain general vs specific text comprehension, 4th–7th graders, 15199
rhyming & segmentation & letter-name knowledge, learning to read, 3.8–4.8 yr old prereaders, 2 yr study, 34817
sentence vs discourse level representation in reading comprehension, college students skilled vs less skilled in reading, 21350
short term memory & working memory operations, reading proficiency, 13–15 yr olds with vs without learning disabilities, 19455
success of early intervention program in reading & writing, 1st graders referred for severe reading problems, 43678
teacher modeling, engagement during silent reading, 7.3–8.1 yr old low vs average vs high achieving readers, New Zealand, 5622
tutoring, phonological & visual & semantic & syntactic skills, difficult-to-remediate vs readily remediated reading impaired 1st graders with cognitive vs experiential deficits, longitudinal study, 13862
vowels & context in reading paragraphs & sentences & isolated words, reading accuracy, reading disabled vs normal native Arabic readers in 10th grade, Israel, 39264
word level reading skills & orthographic rime usage in nonword reading, 2nd & 4th & 6th graders, Australia, 11333
1st & 2nd language reading & 2nd language knowledge, 2nd language learning, beginner vs upper level English speaking students enrolled in French courses, 7131
Reading Speed—Serials
accelerated reading, short term memory processing, children with dyslexia (mean age 9.3 yrs), Israel, 31453
caffeine & impulsivity & sex, reading time & recall, college students, 6976
effects of age on memory & frequency of occurrence & nonverbal stimuli, absolute & relative judgments & reading speed, young & aged adults, 25324
eye-tracking of French sentences with noun–verb syntax ambiguity, early-closure attachments measured by 1st-pass reading times, college students, France, implications for cross-linguistic processing, 37739
individual letter recognition vs letter processing ability vs lexical processing ability, individual differences in reading speed, males with right homonymous hemianopia & pure alexia, 12623
learning of 1st programing language & basic concepts, transfer of procedural knowledge to 2nd language & declarative transfer, adults, 5832
lexical & sentential context effects, reading rate & working memory of semantically associated & unassociated word pairs, adults, 34290
nonword reading speed & accuracy in learning to read German, 9.1–11.4 yr olds with dyslexia, Austria, 4418
processing of causal vs diagnostic statements with vs without space builders, reading time, college students & postgraduates & department staff, Scotland, 17951
reading acceleration vs auditory masking, reading performance, 8–9 yr olds with dyslexia, Israel, 23179
reading speed of words vs automaticity of naming colors, Stroop effect for undegraded stimuli, 64 yr old male with focal brain atrophy, 36165

reading speed vs word recall as measures of implicit vs explicit memory & evidence of preserved priming, 19–55 yr olds with post-head-injury memory impairment, 36156
word training, word identification speed & story reading fluency & reading comprehension of words in context, poor reading 4th graders, implications for students with developmental disabilities, 41651
working memory capacity & knowledge access, text comprehension & reading speed, undergraduates, Canada, 14663
working memory span & main verb vs relative clause in syntactically ambiguous vs unambiguous sentences, on-line reading times & off-line sentence comprehension, 18–25 yr olds vs 63–84 yr olds, 34805
Readjustment (Psychosocial) [See Psychosocial Readjustment]
Readmission (Hospital) [See Hospital Admission]
Readmission (Psychiatric Hospital) [See Psychiatric Hospital Readmission]
Realism (Philosophy)—Serials
analysis of psychoanalyzed history from standpoint of fictionalism vs realist framework, 19061
experience of psychotherapy through social constructionism vs critical realism vs humanist tradition as mode of reality construction, clients, 1668
problems associated with relativism & empiricism approach to psychology & scientific realism as alternative approach, 21954
radical vs social constructivist positions & epistemology vs modest realism, styles of learning & curriculum in science education, 5610
Reality—Serials
age, false belief & representational change & appearance-reality distinction in understanding of mind, Junin Quechua 4–8 yr olds, Peru, implications for cultural differences in cognitive development, 11398
experience of psychotherapy through social constructionism vs critical realism vs humanist tradition as mode of reality construction, clients, 1668
idealization from relational viewpoint, shared distortion of reality as familial risk factor in mental disorders & intergenerational transmission of relational suffering, 7866
issues in psychoanalytical method & concept of unconscious & psychic reality, 38812
model of perceptions of psychic reality & integration of inner & outer reality into reflective mode, children at oedipal stage, 1118
paranoid delusions vs behavioral signs vs passivity vs remission, ability to infer mental states of characters & answer memory/reality questions, schizophrenic patients, 12033
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, 1770
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, commentary reply, 19894
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, commentary, 27357
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, commentary reply, 27341
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, commentary, 27358
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, commentary, 19904
performance on appearance–reality vs trick vs reduced information processing tasks, 3–4 yr olds, 15246
performance on Wisconsin Card Sorting Test & psychomotor poverty & cognitive disorganization & reality distortion, 25–64 yr olds with schizophrenia, 35627
personal experience with risk & perceived frequency of occurrence or preventability of risk & trait anxiety, unrealistic optimism with regard to genetic risk, female adults & 16-19 yr olds, 4578
positive & dysfunctional aspects of counterfactual thinking in reasoning, 21363
postmodernist vs social constructionist conceptions of reality in therapy & people as constructing vs being constructed by reality, systemic therapists & clients, 12780
psychoanalytic interpretation of concept of O (being) & reality, 42118
psychoanalytic perspective on child sexual abuse & incest & loss of sense of reality, 4301
psychoanalytic perspective on imaginative psychic reality during early language development, infants, conference presentation, 26307
psychoanalytic perspective on psychic reality & unconscious belief & phantasy, commentary, 32280
psychoanalytic perspective on psychic reality & unconscious belief & phantasy, male analysand, commentary reply, 32272
psychoanalytic theories of sexual identity & psychosexuality & anatomy & psychic reality, 1109
reality monitoring model, justifications for the origins of memories, 23–59 yr old sexually abused women, replication, 42499
rhetoric & symbolism in TV coverage of sexual harassment charges by A. Hill against Supreme Court nominee C. Thomas during 1991 confirmation hearings, construction of reality frames, 11302
scientific realism & anthropological perspectives on representation of truth & reality & culture & cultural differences & communication, 30077
social construction & racial boundaries & differences in the perception of the O. J. Simpson trial, 41827
the Buddhist 6-worlds model of consciousness and reality & the 12-fold chain of interdependent origination, 30068
traumatic vs pathogenic nature of psychically real fantasies, implications for psychoanalysis, conference presentation, 36372
witnessing of violent vs nonviolent event & repeated test schedule for confidence, realism in confidence judgments, 19–51 yr olds, Sweden, 37709
Reality Testing—Serials
apparitions & physical environment & physiological parameters, subjective vs objective reality, 24–50 yr olds, 18030
discrimination accuracy & decision biases in reality monitoring, schizophrenic patients, 26488
evolution & comorbidity of childhood-onset psychosis, 14 yr old male followed from age 12 with history of problems in behavior & mood & reality testing, case report, 22837
false belief vs desire & perception training, conceptual coherence in theory of mind as intuitive theory, 3 yr olds, 25788
impairments in object relations & reality testing, drug use & family & social problems & psychological distress & treatment length & outcome, opiate addicted methadone maintenance patients, 33072
object relations & reality testing, methadone maintenance patients, 12253
object relations & reality testing, 18–55 yr old psychopathic or antisocial methadone patients, 19388
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, commentary reply, 19894
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, 1770
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, commentary, 19904
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, commentary, 27357
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, commentary, 27358
perception of fantasies vs reality & reality testing in analysis, patients with perverse defenses, commentary reply, 27341
performance on appearance–reality vs trick vs reduced information processing tasks, 3–4 yr olds, 15246
personality traits & psychosis proneness, deficiencies in reality testing as seen in discrimination of percepts & image vividness, college students, 30507
stability & characterization of metacognitive realism as cognitive vs learning style vs learning strategy, 28859
visual or reality monitoring & metamemory, male detoxified alcoholic 19–46 yr olds, 4318
Reality Therapy—Serials
active choice box paradigm for organizing behaviors & making better choices, clients, case example, 32036
advantages of reality therapy & choice theory & quality school concept in education management, transition from boss to lead manager, school principal, 33331

belief structure of fatalism, integration with control theory & reality therapy applications with multicultural populations, 32067
choice theory & reality therapy teacher training, attendance & academic performance & student self concept & interstudent & student & staff relationships, teachers & K–4th graders, 33321
control theory & reality therapy approaches to counseling homosexual males, 32073
efficacy of reality therapy applied to education, literature review, 33414
reality therapy counseling vs choice theory instruction, internal & external locus of control, 18–28 yr old college students, Taiwan, 4 wk followup, 32058
research design & model for self evaluation in practice of reality therapy & control theory & quality management, 28377
role of human will in process of change, training & application of reality therapy & related ethical standards of maintaining role play guidelines & boundaries, 33212
total behavior & responsibility & choice & modeling & self evaluation & quality world & emphasis on present in reality therapy & control theory & Zen Buddhism, 31951
use of Medicine Cards derived from Native American legends about observing animal life in control theory & reality therapy, 32047

Reasoning [See Also Inductive Deductive Reasoning]—Serials
abstract reasoning task performance on Halstead Category Test, schizophrenic vs brain damaged patients, implications for conceptual learning, 30976
age & linguistic condition, performance on class inclusion reasoning tasks, 5–8 yr olds, 18470
age & social influences measured by number of peer & sibling & adult daily interactions, understanding of false belief task, 36–59 mo olds, Greece, 25760
analogy as inference & abstraction tool in cognitive psychology & artificial intelligence & philosophy of science, science watch section introduction, 17907
analysis based on case reasoning vs principalism in psychiatric nursing, ethical analysis of medical data & patient preferences & privacy & quality of life & context, 17 yr old mother & gang member, 9340
arithmetical reasoning ability, patients with right vs left hemisphere cerebral lesions, 31811
attributional & reasoning style, hypothetical hiring decisions, job interviewers, 40537
belief–desire reasoning & projective measure of attachment security, 3.2–6.3 yr olds, 25866
case-based reasoning & learning & planning from failure & memory reuse, artificial intelligence agents, 21416
case-based reasoning model of encoding & retrieval & adaptation in analogical problem solving, 17924
changes in knowledge & reasoning about legal issues concerning juvenile justice system, 7–12 yr olds from laboratory school or treatment program for those at risk for criminal offenses, 42482
changes in moral reasoning between entry into & exit from baccalaureate nursing program, students, 43496
cognitive deficits in attention & memory & executive function, patients with schizophrenia, conference presentation, 26518
cognitive processes involved in explanation of events, 34217
cognitive strategies to deal with system error in scientific reasoning task & hypotheses testing, college students, 21359
computer program for representing mental models & temporal reasoning in one- vs multiple-model problem solving, 17–19 yr olds & college students, 10704
conceptual reasoning & verbal recall & recognition, 19–76 yr olds with multiple sclerosis, Canada, 8499
construct validity of Category Test as measure of reasoning vs intelligence, adults with heterogeneous cognitive dysfunction, 17646
context of non-covariant vs covariant relations, statistical reasoning, 6th graders, implications for model of instruction, 22045
contextual vs abstract reasoning & performance on Raven Progressive Matrices, children (mean age 9.5 yrs), commentary, England, 18509
counterfactual reasoning & assignment of blame in scenario involving product failure & personal injury & luck, college students, implications for advertisers, 33762
critical examination of & structural developmental theory as framework for investigating biophilia & environmental reasoning & values, implications for childhood development, 21981
deduction & induction & abduction & specialization & generalization & personality traits & elementary memory association with focus on partially computerized reasoning, creative ideas, humans, 26282
deontic vs indicative reasoning strategies, 3 & 4 yr olds, 15210
description & validity of Enhanced Computer Administered Test battery, assessment of nonverbal reasoning & spatial ability & psychomotor skill & perceptual speed, 17561
development of proportional reasoning in fraction learning, 5–7 yr olds, 33475
development of reasoning about interaction of force & motion, 6–10 yr olds vs 19–37 yr olds, Germany, 25775
developmental differences & reasoning, career practical self-relevant vs self-neutral problem-solving, adolescents vs young adults, 41646
developmental suggestibility effects & reasoning about conflicting mental representations, 3–5 yr olds, 15258
dextroamphetamine, neural activity as measured by regional cerebral blood flow & tomography during abstract reasoning & sensorimotor control tasks, adults, 3250
diagnostic reasoning with circumstantial evidence modeled in terms of logic of abduction, analysis of think aloud protocols for simulated case, medical students, 13535
domain-free & context based reasoning & performance on Raven Progressive Matrices, children (mean age 9.5 yrs), England, commentary reply, 18508
domain-free & context based reasoning & performance on Raven Progressive Matrices, children (mean age 9.5 yrs), England, commentary reply, 18506
domain-specific knowledge & domain-general experimentation strategies, scientific reasoning, 9–10 vs 11–12 vs 13–14 yr old females, 25776
E's prior expression of desire for food, reasoning about E's future food preference, 14–18 mo olds, 15245
evaluation of pragmatic reasoning schema theory predictions, college students, 2822
everyday situations with positive vs negative outcomes, use of confirmation vs disconfirmation hypothesis testing strategies, Ss with paranoid schizophrenia or delusional disorder vs major depression, 4033
experiential vs rational mode of thinking about mortality salience, worldview defense & accessiblity of death-related thoughts, college students, 28886
explaining & envisaging in reasoning about ecological phenomenology, 17–20 yr olds, 34212
familiarity & importance of purchase task, buyer's motivated reasoning & vendor selection, 43871
fantasy vs realistic context of problem, reasoning & information retrieval, 8 vs 10 vs 12 yr olds, Canada, 25764
feedback on personal endorsement vs nonendorsement & predictability of social desirability, consensus bias & false effects, undergraduate psychology students, replication, 28837
frequency distribution of analogical reasoning performance to detect bimodality, 5–11 yr old elementary school students, 29788
functional MRI, assessment of working memory associated regions of neocortical activation during analytical vs figural vs visuospatial reasoning in problem solving tasks, 23–30 yr olds, 38021
geometric reasoning, 12–14 vs 16–18 yr olds in ultraorthodox vs mainstream schools, Israel, 17162
given vs constructed analogy used in physical science learning, knowledge restructuring, 5th graders, Italy, 9929
grade level & field dependent vs independent cognitive style & sociocognitive transaction, reasoning about speed, 6th & 8th & 10th graders, Israel, 2–3 mo followup, 18478

heuristics & artificial intelligence & naturalized epistemology & human problem solving models & justification of defeasible rules, 14098
high vs low memory load, reasoning-remembering in class inclusion, 10 vs 13 vs 15 vs 23 vs 67 yr olds, 3364
imprecise pattern-matching algorithm & informal fuzzy reasoning, local student modeling in arithmetic problem solving tutor, 14091
inspection time & reasoning in selection task, college students, UK, 6302
integration of information & analogical reasoning, 5–39 yr olds with autism vs mental retardation, 4407
intellectual ability & career goal threatening vs enhancing statistical reasoning problem, application of law of large numbers & ANCOVA reasoning, 14–18 vs 19–23 yr olds, 25757
interpretation of thematic conditionals, solving conditional reasoning problems, 15–17 yr olds, Hong Kong & Taiwan, 18490
justification of defection by minimizing perceived efficacy of cooperative act in social dilemma game, college students, 30363
kinesthetic thinking as computer-naive reasoning about computer–human interfaces & design, high school students & college students, 43893
levels of thinking about child's social & emotional development, parents of gifted children & adolescents, application of model of parental reasoning, 7513
listening to Mozart piano concerto vs repetitive relaxation music, spatial reasoning measured by performance in maze task varied by complexity & size, college students, replication, 34250
literal recall & schematizing & evaluation of source story structure similarity to previously elaborated problem, analogical reasoning, college students, Italy, 10715
logical & analogical & psychological reasoning, autistic vs mentally handicapped children, England, 8355
meaning of universal connectives against hypothetical conditional connective in selection task, young adults, Spain, 17944
medical training environment, moral reasoning determined by tolerance for ambiguity & motivation for pursuing medical career & intrinsic vs extrinsic religiousness, freshmen vs senior students, 2118
mental animation as mechanical reasoning, impairment of simultaneously held visuospatial vs verbal working memory load, college students, 34287
moral reasoning & religiosity & orientation & age & education, 16–84 yr olds from conservative vs moderate vs liberal religious groups, replication, 30062
moral stage & integrative complexity of social reasoning & perspective taking, 35–54 yr olds vs 64–80 yr olds, 4 yr study, 7362
mothers' elaborative vs repetitive responses in conversation about past, ability to reason about conflicting mental representations & knowledge understanding, 3.5–4.5 yr olds, conference presentation, 38345
motivation & intellectual ability, reasoning about belief relevant evidence, adolescents, 3368
music & visual arts curriculum with emphasis on sequenced skill development, generalization to visuospatial reasoning in other subjects, 5–7 yr old 1st graders, letter, 13706
personal theories & intellectual ability & everyday reasoning & biases in rating quality & truth in logically fallacious hypothetical arguments, 9th–12th graders, 22023
personality factors & world view & learning styles & moral orientation, ethical reasoning, male vs female 21–50 yr old law students, 30445
perspectives on clinical reasoning content of occupational therapy reading materials & lectures & courses relative to orthopedic injuries, students vs faculty, 20442
political involvement level & explanation task of providing reason for political attitude, consistency in attitudes, adults, Netherlands, 17889
positive & dysfunctional aspects of counterfactual thinking in reasoning, 21363
practical thinking & problem solving skills & acquisition of optimal solution strategies in goal directed mathematically oriented task, 3 & 4 yr olds, 735
premise believability, acceptability of conclusion, college students, Canada, 10708
primacy & recency of evidence & reasoning, burden of proof in argument, adults, 21324
probability based reasoning to explicate hypothesized & empirical relationships & structure of inference in school learning, 5638
probability tasks in which all evidence is seen in advance vs amount of evidence seen is determined by S, reasoning, patients with delusions vs with depression, 30748
problem solving of spatial task, spatial reasoning, rhesus monkeys, 29068
procedural reasoning in narratives about & reflections on treatment sessions, occupational therapists, 13604
psychoanalysis & interpretive vs scientific reasoning, conference presentation, 30606
psychological research methods vs developmental psychology courses, methodological & statistical reasoning about real-life events, college students, 33479
reasoning about expected & prescribed responses to unprovoked aggression as victim vs witness, 2nd vs 4th vs 6th graders, 11465
reasoning skills in intellectual adult development & multicultural education, college students, 29794
reasons theory model of self reported reasons for performing & not performing behavior as representation of specific motives, adults intending to attend aerobics class, 19010
relationships among critical reasoning & personal goals & general intellectual ability & information-processing style, college students, 43635
representational & motivational variables related to personal involvement, performance in false belief task, 2–5 yr olds, Italy, 41632
resolving apparent contradictions in nonclassical language negation, 3–4 yr olds & college students, Canada, 25787
responsibility & involvement in deceptive strategies for hiding object, anticipation of behaviors & false beliefs of opponents to find object, 3 yr olds, England, 25751
retention of moral & ethical reasoning skills, 1st yr medical students, 4 yr study, 9725
role of individual rationality considerations in learning to coordinate social conventions, 2809
role of pragmatic factors in analogical mapping inferences, college students, 14613
scientific knowledge & reasoning, male vs female 6th–8th graders, 33476
simultaneous concrete & unnatural representation as cause of conjunction errors in solving Linda conjunction problem, college students, 21336
spatial ability, choice of spatial vs cancellation strategy in reasoning task, 1st yr undergraduates, England, 41085
statutory & common law criteria, assessment of reasoned evaluation & communication of case in fitness to stand trial evaluations, accused persons, 10293
syllogistic & conditional & probabilistic reasoning with emotional vs neutral content, delusional patients with chronic psychotic illness (mean age 41 yrs), 38928
teacher support with vs without hypermedia framework, reflective writing achievement & reasoning, 14–15 yr olds, 43625
test indicators of transition in analogical reasoning development, 6–8 yr olds, 140–161 day longitudinal study, 25753
training in reasoning skills & mnemonic strategies, recall of expository prose, learning disabled students, commentary, 20662
training in reasoning skills, recall of expository prose & explanations of information, learning disabled 7th–8th graders, 20661
training in statistics, general & statistical critical thinking ability, college students, 2827
transitions between use of depictive models & rule based reasoning in solving gear problems, graduate students & male 10th–11th graders, 21361

use of examples, analogical problem solving & reasoning & transfer & generalization, students, application of computer-based learning environment, 28974
utility of desire-then-belief interpretation of children's belief reasoning successes & failures, 2.9–4.8 yr olds, 11328
videotaped occupational therapy evaluations with vs without classroom-as-clinic format , diagnostic reasoning skills, 20–40 yr old occupational therapy students, 33415
visual reasoning & systemic mapping between conceptual & spatial relations during graph interpretation, college students, 6308
wording tax rules to convey the presence of a permission or obligation situation, accuracy of reasoning performance, college students without vs with familiarity vs with familiarity & experience, 41087
working memory & reasoning & reading ability, 4th–6th graders, Netherlands, 22001
Rebuttal [See Professional Criticism Reply]
Recall (Learning) [See Also Cued Recall, Free Recall, Serial Recall]—Serials
ability to acquire memory skills of memorists & mnemonists, college students, conference presentation, 28958
accuracy of report of sick teddy examination after 3 day vs 1 yr delay when interviewed with real vs toy props vs with verbal prompts, 3 vs 5 yr olds, New Zealand, 1 yr follow-up, 34823
acquisition & forgetting, age-related differences in multitrial free recall performance, 18–94 yr olds, 25744
age difference metamemory vs memory performance vs memory predictions & postdictions, 18–78 yr olds, 25301
age, predictions of global vs item by item recall & recall performance for verbal vs action items, 19–81 yr olds, 7256
anterograde episodic recall & recognition for verbal & nonverbal material, elderly with early dementia of Alzheimer type, 12617
attention & stimulus presentation duration, functional independence of recollection & automatic influences in process-dissociation procedure, adults, implications for recognition memory, commentary, 21424
attention & stimulus presentation duration, functional independence of recollection & automatic influences in process-dissociation, adults, implications for recognition memory, commentary reply, 21403
auditory stimuli, elicitation of tip-of-the-tongue phenomenon, 17–70 yr olds, 2879
automatic vs consciously controlled memory processes, recollection performance, 18–23 yr old students vs 63–88 yr old adults, 34802
awareness of causal relation between labeling strategy use & recall performance & study behavior & recall, preschool vs 1st vs 3rd grade children, 34804
biased vs unbiased story summaries, suggestibility & accuracy or recall, 3.5–5.5 yr olds, implications for child eyewitnesses, 15231
brain activity while reading vs recognizing vs recalling paired associates, functional neuroanatomy involved in episodic memory recall & recognition, healthy 19–31 yr olds, Canada, 28945
caffeine & impulsivity & sex, reading time & recall, college students, 6976
category superiority effect in recall of verbal vs pictorial stimuli, 18–24 vs 65–84 yr olds, 34829
category typicality of item & model of distinctiveness, item recall, college students, 21444
causal linkages between sentences, sentence comprehension & recall, 18–35 vs 36–58 vs 60–80 yr olds, 14644
causal network analysis of human trained vs nontrained vs synthetic text proposition order recall, college students, conference presentation, 25129
causal text structure, immediate vs delayed story recall, 9.4–13.4 yr olds with vs without mild mental retardation vs learning disabilities, 35894
chlormethiazole & global cerebral ischemia, recall & neuroprotection measured by extracellular striatal aminergic neurotransmitters & their metabolites, male rats, 41530
cognitive interview procedures, recall following exposure to misleading suggestions, 5–7 & 9–11 yr olds, 38321
computerized vs printed questionnaire administration, recall of health-risky behaviors assessed at 2 vs 4 wks, undergraduates, 25157
conceptual reasoning & verbal recall & recognition, 19–76 yr olds with multiple sclerosis, Canada, 8499
concurrent & delayed & combination imitation patterns & modeling, immediate & long-term recall of 26 handshapes of American manual alphabet, college-aged males & females, 28981
confabulation in recall narratives, schizophrenic patients, 22854
context reinstatement & rapport in social techniques of cognitive interview, recall, 8–9 yr olds, 34813
cross-language facilitation & nonoccurrence of repetition blindness & list-sentence effects during split-language translation, commentary, 14650
cue distinctiveness evaluated by cue novelty & contextual appropriateness, effectiveness of ambient odor as retrieval cue in context-dependent memory task, college students, Canada, 34273
delayed digit recall & random digit generation & subsidiary task degeneration while driving & traffic difficulty, measurement of spare cognitive capacity & driver work load, drivers, 17465
development & efficacy of verbal memory assessments, Spanish speaking healthy adults (mean age 75 yrs), 20960
diagnostic context model vs intentional recollection & automatic familiarity in process-dissociation model of recognition memory, college students, 21435
dietary phenylalanine challenge, tardive dyskinesia symptoms & involuntary movements & recall memory & plasma phenylalanine, schizophrenic 28–65 yr old males with tardive dyskinesia, 26509
different vs repeated listening with vs without retelling, retention & fluency of delayed retelling, junior high school students with developmental disabilities, implications for special education, 28062
direct experience vs observation vs stories of event, recall, 5–6 yr olds, 25768
directed forgetting of categorized vs unrelated word lists, 18–29 vs 59–81 yr olds, 6354
disease onset before vs after age 5, short term memory rehearsal strategies & word recall performance, 9–16 yr olds with insulin-dependent diabetes mellitus, 16271
disruption of formation of word-to-phrase links, repetition deafness, college students, implications for relations between language & memory, 17994
distinctiveness vs recollective experience in face recognition, 19–35 yr old college students, Sweden, 41141
dual trace model for processes of memory storage & access & modification, 14640
duration of exposure, free recall of target items & recognition of context & target items in indirect or direct memory tasks, 18–27 vs 77–93 yr olds, Israel, 25792
effects of age on memory & frequency of occurrence & nonverbal stimuli, absolute & relative judgments & reading speed, young & aged adults, 25324
efficacy of spaced-retrieval memory intervention, 63 & 79 yr old males with dementia associated with Parkinsons disease, 13415
effort & interest & recall, beliefs about cognitive task performance, preschoolers, 29812
encoding & delayed recall of positive vs negative affect words, 40–65 yr olds with major depressive episode, 4082
encoding & retrieval conditions, episodic memory for photographs, 60–79 yr olds with Alzheimer's disease, Sweden, 39521
encoding resource allocation, reading recall, young vs older adults, 3383
ERP correlates of performance on word-stem cued recall vs recognition memory tests, 17–28 yr olds, 29403
errors during sequence learning, delayed recall, adults, 2876
exercise vs rest condition, memory performance on free & cued recall & recognition tests & state dependent learning, 18–38 yr olds vs 60–80 yr olds, 34826
expectancy & motivation, reconstructive memory of likable vs neutral vs unlikable target's midterm grades, college students, 14653

exposure to original stimulus information & second hand information obtained from others, recall of original information, college students, 2860
face-name mnemonic strategy, delayed vs immediate name matching & recall of caricatures vs photographs, college students, 37766
false recollection of details induced by photo review, 60–75 yr old vs 16–22 yr old adults, 35003
familiarity & recollection independence assumption & list similarity in 2-study-list process-dissociation procedure, college students, Canada, implications for recognition memory, 21414
fantasy vs realistic context of problem, reasoning & information retrieval, 8 vs 10 vs 12 yr olds, Canada, 25764
feedback & text form & sequence, text recall, college students, 301
focused vs divided attention, encoding & retrieval of automatized information, adults, 21397
forward & backward recall factor analyses, 5–19 yr olds, implications for clinical interpretation, 25066
frequency of mention of topic label & position in passage where topic is 1st mentioned, recognition memory & recall from lengthy informative text, college students, 37788
generality of expanding pattern of retrieval mnemonic, retention, college students, 14637
grammar structure of simple dyadic conversation, memory for conversation, college students, 28952
hippocampal formation size, memory recall function, 55+ yr olds, followup study, 25953
immediate vs delayed recall & spatial memory deficits, children with fetal alcohol syndrome, 12261
immediate vs delayed recall performance & recency effects, patients with anterograde amnesia, 12596
immediate vs delayed retention for self referencing vs keyword method, learning vocabulary words, college students, 18007
implicit & explicit retrieval of learned material, cortical activations, college students, 34516
implicit vs explicit cue conditions, recall vs semantic vs serial clustering on memory tasks, adults with Parkinson's disease, 12687
individualized assessment of predicted & actual & recalled positive & negative pregame affect, Olympic level male soccer players, Finland, 10149
induced depressed mood & task organization & cognitive interference & recall, 18–49 yr olds, 37704
instructions & retrieval sequences & feedback, ability to recall responses to multiple choice items & confidence with which responses were made, college students, 28980
interactive effects of presentation modality & message generated imagery, recall of advertising information, adults, 2381
interference, short & long term recall memory in verbal learning, patients with multiple sclerosis, 8576
interrogative vs narrative recall responses, accuracy & confidence of eyewitness recall, male vs female 18–65 yr olds, 18010
interstimulus interval of & background music vs silence in advertisements, recall & retention of brand information, adults, 33771
intralist & extralist distinctiveness, recall of common vs bizarre sentences, college students, 309
judgments & recall of familiar names & cartoon characters, 6 & 8 & 10 yr olds & college students, test of developmental differences in use of availability heuristic, 11397
keeping of diaries & structured recall, organization in memory & accuracy of recall for employee performance incidents, first-line supervisors & middle level managers, 13932
knowledge map vs text format presentation & presence of structural icon at recall, immediate vs delayed recall, college students, test of spatial–semantic display processing model, 37785
knowledge of a written passage's title, recall & recognition, college students, Japan, 25307
learning conditions & set size, recollective & automatic uses of memory, college students, 37784
learning goals & discrepant brand, recall & categorization of product brands & brand attributes & preferences, adults, implications for marketing strategy, 14056
learning strategies & taxonomic & contextual & unrelated conceptual relations, recall, kindergartners (mean age 5.1 yrs) vs 3rd graders (mean age 8.3 yrs), 29783
list making & intent to refer back to list & organization, recall & recognition, 18–30 vs 60–77 yr olds, 11336
literal recall & schematizing & evaluation of source story structure similarity to previously elaborated problem, analogical reasoning, college students, Italy, 10715
lorazepam, verbal memory capabilities as tested by interference & recall, 20–35 yr old low social drinkers, 7097
manipulation of encoding & retrieval processes, frequency of recall of nonrepresented words in recall task, college students, 6393
map orientation & prior knowledge, learning & remembering cartographic map features, high school students (mean age 16.9 yrs), 17964
Markov model assessment of storage loss & retrieval failure in retroactive inhibition, college students, Germany, 6367
massed vs spaced words during episodic priming tasks, RTs & cued recall in associative learning, younger (mean age 20.3 yrs) vs older (mean age 71.8 yrs) adults, 11394
meaningfulness & length of phrasal stimuli, phrase repetition ability, patients with mild vs moderate Alzheimer's disease, 1556
medication-taking schema, recall of medication instructions, 20–30 vs 60–87 yr olds, 24045
memorability of event, use of enumeration in event frequency estimation, college students, Canada, 37765
memory & face-name mnemonic training with name recall ability, uniform vs realistic visual materials, elderly, 29997
memory deficits & recall & recognition performance characterized by false alarm & intrusion errors, 50 yr old male with ruptured aneurysm of anterior communicating artery, 8 yr followup, 12564
memory retrieval in lexical decision vs recognition memory tasks, college students, 41134
memory strategies, recall process of concrete vs other than concrete words, hyperactive 7–11 yr olds, 31439
mixed language sentences with identical vs semantically identical vs nonidentical across or within language target words, repetition blindness, monolingual vs bilingual undergraduates, 14632
modified mnemonic keyword-pegword training & rehearsal & representational pictures, name recall or numerical order of US presidents, inner city junior high school students with learning disabilities, 24673
mood related depressive symptoms, episodic memory, 90+ yr olds with vs without Alzheimer's disease &/vs major depression, Sweden, 11827
multiple sclerosis, short term vs long term vs working memory & free recall vs cued recall vs recognition, meta analysis, 36154
name list recall & frequency effect & face recognition, 36 yr old male savant with autism & mental retardation & proper name hypermnesia, 1424
name recall and face-name association abilities, 61 yr old female patient with selective left hemispheric medial & lateral temporal lobe damage, 31866
narrative elaboration vs instruction based intervention, amount & accuracy of spontaneous recall of staged activity, 7–8 vs 10–11 yr olds, 15250
neural architecture for associative/content addressed vs address based neural memory module & support for recall from partial input patterns & multiple recalls & fault tolerance, 17495
neural network model & computer simulation of hippocampal & cortical memory function, ability to predict memory sequences & account for phase precession of place cells, rats, 24911
neuropsychological theoretical assumptions of induced song recall, 42117
NMDA antagonist MK-801, acquisition & retention & cross modality transfer of learning on active avoidance task, rats, 21836

nonverbal delayed recall & recognition, patients with obsessive compulsive disorder, implications for role of corticostriatal dysfunction, 4212
odor learning & recall & recognition memory, 18–27 vs 60–78 yr olds, 21436
oral vs written variations of elaborative interrogation for group settings, associative matching vs recall performance, 18–50 yr olds, 17164
order of viewing diagram & reading text, recall, 8th graders, 13762
overaccommodative speech, comprehension & recall of diagnostic & medication regimen instructions, younger (mean age 21 yrs) vs older (mean age 71 yrs) females, 38230
perspective of being provider vs recipient of social support, judgments & recall of provider's supportiveness, college students, 7620
phonological similarity & irrelevant speech effect, immediate recall of visually presented items, college students, 21432
pictorial vs verbal presentation of semantically related vs unrelated items, recall, young vs older adults, 41663
plasma cortisol & recall performance, inpatients with schizophrenia or major depression, 15857
pleasure & arousal & demand characteristics, mood-congruent recall, 18–45 yr olds, replication, 37774
post-learning clue to reorganize & segregate interfering material, recall of target memories, college students, replication, 6368
presentation format, arithmetical-fact retrieval processes, French-speaking vs Dutch-speaking college students, Belgium, 41148
presentation rate of word stimulus, mediation of recall memory of word lists by speed measures, 18–93 yr olds, 11389
process dependence vs aggregation bias & functional independence of recollection & automatic influences in process-dissociation, adults, implications for recognition memory, commentary reply, 21425
process dependence vs aggregation bias & functional independence of recollection & automatic influences in process-dissociation, adults, implications for recognition memory, commentary reply, 21420
productivity & reciprocal influence & generalizability of memory principles in collaborative vs individual recall, college students, 41164
promotion of cognitive vs emotional interest by adding entertaining text & illustrations vs summary illustrations with captions, scientific text recall, college students, 24611
psychophysical evidence for consolidation of motor skill, 18–35 yr olds, letter, 21398
pupillary responses & digit recall, index overload & working memory resources, adults with schizophrenia, conference presentation, 39036
reading skill & passage length, illusion of knowing & recall & relationship between monitoring & recall, good & poor adult readers, 17898
reading speed vs word recall as measures of implicit vs explicit memory & evidence of preserved priming, 19–55 yr olds with post-head-injury memory impairment, 36156
recall & organization of categorized lists, college students in collaborative vs nominal groups, 41122
recall of autobiographical memories & public events & acquisition of newly learned material in episodic memory, 50+ yr old male with amnesia following cerebral anoxia & heart failure, case report, 12566
recall of cigarette vs automobile advertisements, abstinent vs nonabstinent smokers, 7582
recall of essential & detail propositions & bit-based information from prose, 24–51 yr old sober male alcoholics vs left hemisphere damaged stroke patients, 23092
recall of own or other's drawing based on false belief, 3–4.5 yr olds, 7271
recall of print vs TV news information with vs without expectation of recall test, 4th & 6th grade males & females, Netherlands, 22054
reiteration effect in asymmetry in true vs false assertions & recall confidence in hindsight bias, 14643
remembering vs knowing in word recognition & recall, 16–39 yr olds, test of Tulving-Wiseman law, 41157
repeated open & closed form questioning, recall of eyewitnessed event, 5–8 yr olds, England, implications for legal testimony, 11367
retrieval of word vs word pair presentations, frequency judgments, undergraduates, 14645
role of lexical priming in verbatim short-term sentence recall, college students, 25304
rounded vs exact numbers, recall & recognition of sums in addition problems, college students, 10696
S-generated bizarre vs common images & sentences, bizarreness effect in noun recall, college students, 307
sad vs neutral mood induction, order & valence of retrieved memories, depressed college students, test of mood-congruent recall hypothesis of memory repair, 28959
salient cues during vs after activity, memory for previously visited arms in 8-arm radial maze, rats, 361
"same" vs "different" stimulus imagery, recall in paired associative learning, adults, 18008
science lesson review with vs without response cards, performance on next day & weekly tests of recall, 9th graders with vs without learning disabilities or behavior disorders or mental retardation, 9969
self-generation vs reading of word lists, recall of word occurrence frequency, 13–57 yr olds with left vs right frontal vs temporal lobe damage, 12679
signaling & notetaking & field independence vs dependence in text comprehension & recall, college students, conference presentation, 43642
single- vs multi-trait vs social stereotype expectancies, recall of behaviors & person impression formation, adults, 38762
skill level, recall of random & distorted chess positions, 17–45 yr old chess players vs computer simulation, US & Switzerland, 297
source monitoring in recall of self- vs other-generated vs new solutions to word puzzle in unconscious plagiarism paradigm, paired college students, 37780
speaker rate & pitch, recall of information & perception of benevolence & competence, college students, 11278
spontaneous study strategies, content & coherence of essay type answers, 18–48 yr old medical school applicants, Finland, 24613
strategic vs nonstrategic behavior, recall performance, gifted vs nongifted children, 3358
strength of habit acquired during training & time to study & respond to stimulus word, recollection vs memory slip in cued recall test, college students, Canada, 6378
stress levels & age differences in amount & accuracy of recall of central vs peripheral details of traumatic injury, 2–5 yr olds & adult witnesses, Canada, 26883
study of pictures with vs without verbal intervention, recall of black & white line drawings, 6–10 yr olds with low vision, 16409
study vs test intervening trials, word list recall, college students, implications for methodological problems in examining testing effect, 21430
tempo change & mood arousal, music-dependent memory in recall contexts, college students, 6366
temporal distinctiveness, recall of aurally vs visually presented word lists under aural vs visual distractor conditions, college students & community residents, 17991
temporal order memory for new & prior learning, patients with early vs middle stage Alzheimer's disease, 23420
theta/gamma networks with slow NMDA channels, humans, applications to recall & sequence learning & episodic memory, 24910
time course of retrieval of item vs spatial position information, adults, 41130
time of day, recall of & processing strategies in comprehension of written text, 18–29 yr olds, 6325
training in reasoning skills & mnemonic strategies, recall of expository prose, learning disabled students, commentary, 20662
training in reasoning skills, recall of expository prose & explanations of information, learning disabled 7th–8th graders, 20661
transcripts of testimony of 3 vs 6 yr olds with vs without summary of event, adult comprehension of events, college students, New Zealand, 14126

transmission vs transactional implicit models of reading, reader engagement & text recall, college students, 2830
triazolm vs trazodone, learning & recall & memory & performance, healthy 21–48 yr olds, 34701
use of process dissociation procedure in examination of noncriterial recollection, college students, Canada, 14668
use of toys & models in facilitation of personally experienced events, 5–6 yr olds, 22130
verbal & pictorial elaborations, recall of verbal material, undergraduates vs older adults, 25741
visual mnemonic, prospective recall, 61–83 yr olds, 21447
Wechsler Memory Scale-Revised, general memory & delayed recall, 16–70 yr olds referred for neuropsychological evaluation, erratum, 14349
word number, disruption of visual serial recall, adults, 17963
working memory capacity & functioning, young vs older Ss, 29769
zolpidem vs triazolam vs temazepam, learning & recall & motor performance & other estimates of drug effects, healthy 21–50 yr olds, 11198

Recency Effect—Serials

atropine sulfate, primacy & recency effects in serial probe recognition task, rhesus monkeys, 38084
history of lung cancer presented at beginning vs end of clinical vignette, diagnosis of transient ischemic attack vs brain tumor, 32–80 yr old family physicians, test of belief-adjustment model, 23241
immediate vs delayed recall performance & recency effects, patients with anterograde amnesia, 12596
performance on recency vs recognition memory tests, 22–29 vs 65–88 yr old females, 22004
primacy & recency of evidence & reasoning, burden of proof in argument, adults, 21324
scoring procedures, recency effect in free recall, patients with Alzheimer's disease, Italy, 4653

Receptive Fields [See Also Visual Receptive Fields]—Serials

electrical stimulation of paws, activity recorded from ipsilateral vs bilateral receptive fields of primary somatosensory cortex, male rats, 29396
NMDA receptor antagonists in inferior colliculus, receptive field circuitry in newly learned tectal auditory responses induced by altered visual experience, barn owls, 3062
receptive field plasticity in primary auditory cortex during instrumental avoidance conditioning, male guinea pigs, 10920
type of deafferentation, responses to activation of new receptive fields from ventral posterior lateral thalamus neurons, rats, 14880

Receptor Binding—Serials

activation of NMDA receptors on neighboring cells & subsequent plasticity, role of hippocampal synaptic long term depression in neural development & information storage, letter, 6668
acute vs chronic fluoxetine, extracellular serotonin concentrations in frontal cortex, rats, implications for role of 5-HT1A receptors, 15047
acute vs chronic triiodothyronine, brain serotonin levels & density & affinity of serotonergic receptor subtypes, male rats, 7060
addition of short-term lithium to long-term clomipramine or citalopram treatment, serotonergic receptors in cerebral cortex, rats, 7020
age, binding of major 2nd messengers in cerebellum vs cerebral cortex, 3 wk vs 6–24 mo old rats, implications for role of adenylate cyclase system, 29240
agonist-promoted downregulation & functional desensitization of Ser22 & Val28 naturally occurring variants of 5-HT receptor, hamster ovary cells, implications for antidepressant & anxiolytic treatment, 34572
alpha-bungarotoxin-binding nicotinic cholinergic receptors, genetic correlation of inhibitory gating of hippocampal auditory EPs, male mice, 7085
alterations in 5-HT†B 1a †b ligand binding & alcohol withdrawal kindling convulsive behavior, male rats, 41535
amisulpride dose, dopamine receptor occupancy, 19–39 yr olds with schizophrenia, 5066
amperozide & metabolite FG5620, CNS & monoamine receptor binding, animals & humans, 41528
amphetamine- & apomorphine- & stress-induced locomotor activity & dopamine D1 & D2 & D3 receptor binding density in striatal & limbic subregions, neonatal rats with bilateral hippocampal lesions, 21637
anatomical distribution of NMDA glutamate receptor binding during Lat maze performance, Naples high- vs low-excitability rats, implications for neural model of ADHD, 29357
androgenic neurosteroid interaction at GABA receptor complexes in medial basal hypothalamus vs preoptic area, lordosis & aggressive behavior, ovariectomized rats, 6894
antidepressant therapy, SPECT assessed dopamine D2 receptor binding, unmedicated vs medicated depressed male patients, 9058
antidepressants, 5-HT-2C receptor mediated calcium mobilization in ovary cells transfected with 5-HT-2C clone & subsequent regulation of 5-HT-2C receptor function, Chinese hamsters, 11101
atypical antipsychotic ICI 204,636, affinity for dopamine & 5-HT receptor binding & prolactin elevation & catalepsy & other behaviors & dystonia & extrapyramidal side effects lability, rodents, 6922
atypical neuroleptic affinity for dopamine receptors & radioligand dependence, literature review, commentary reply, 25613
atypical neuroleptic affinity for dopamine receptors & radioligand dependence, literature review, commentary, 25626
atypical neuroleptic affinity for dopamine receptors & radioligand dependence, literature review, 25612
atypical neuroleptic affinity for dopamine receptors & radioligand dependence, literature review, commentary, 25610
atypical neuroleptic affinity for dopamine receptors & radioligand dependence, literature review, commentary, 25597
atypical neuroleptic affinity for dopamine receptors & radioligand dependence, literature review, commentary, 25619
atypical sertindole vs clozapine & olanzapin & typical antipsychotics & risperidone, extrapyramidal side effects & striatal dopamine D2 receptor binding, 32–39 yr old schizophrenic inpatients, 32495
benzodiazepine receptor binding sites, 19–54 yr olds with vs without schizophrenia & suicide victims, 42219
beta-adrenoceptor-linked protein kinase A activity in human fibroblasts, adults with vs without major depression, 11981
beta-adrenoreceptor coupling to GS protein, adults with abstinent alcohol dependence &/vs panic disorder, 35418
binding at forebrain sites of GABA-benzodiazepine receptor complex, quail selectively bred for short vs long tonic immobility responses to manual restraint, 15046
brain binding kinetics & distribution of venlafaxine & velafaxine's action on serotonin uptake inhibition & biodistribution & binding in human & pig blood platelets, female pigs, 41521
castration with vs without testosterone, V1 vasopressin receptor binding density in ventrolateral hypothalamus & offensive aggression in resident–intruder paradigm, male golden hamsters, 6867
cholecystokinin gastrointestinal tract & brain receptor antagonists, spontaneous drinking behavior, ethanol vs water preferring rats, 37962
chronic ethanol, brain [3H]nicotine & [125]alpha-bungarotoxin receptor binding, female LS & SS mice, 6 mo study, 38080
chronic ethanol, inositol triphosphate & tetrakisphosphate receptor binding in cerebellum & hippocampus, rats, 25611
chronic exercise, open field locomotor activity & GABA-A binding in corpus striatum & urination & defecation, male rats, 10943
chronic maternal ethanol exposure, brain development & hippocampal glutamate & NMDA binding sites, near-term fetal guinea pigs, erratum, 6810
chronic nimodipine treatment, motor behavior & maze learning & hippocampal binding of [3H]CGS 19755 to NMDA receptors, aged male rats, 11155
chronic paroxetine, 5-HT receptor subpopulations & binding in brain, male rats, 6977
chronic vs acute ethanol intoxication, A1 adenosine receptor binding in cerebellar cortex, male rats, 6856

clozapine dosage, D2 dopamine receptor occupancy & 123I benzamide specific binding & blood level & symptoms, 26–50 yr olds with schizophrenia, 19963
continuous FG 7142, anxiety during elevated plus maze & benzodiazepine/GABA receptor coupling response to challenge dose of FG 7142, male rats, animal model of anxiety, 15009
decreased expression of alpha-amino-3-hydroxy-5-methyl-4-isoxazole propionate-preferring non-NMDA glutamate receptors in medial temporal lobe, 28–83 yr olds with schizophrenia, 39033
Depo-Provera &/vs fadrozole with vs without estradiol, sexual behavior & progestin & androgen receptor binding & immunoreactivity, castrated testosterone-treated male monkeys with estrogenized female, 7117
disulfiram & flumazenil, regional cerebral glucose metabolism & benzodiazepine receptor binding & neuropsychology, alcoholic adults (mean age 48 yrs), retrospective study, 27558
dopamine depletion, SPECT imaging of D_2 receptors, males (mean age 25 yrs) & rats, 41483
dopamine D1 & D2 receptors, neuroleptic naive vs drug-free schizophrenic patients, 31029
dopamine D2 receptor occupancy profile of loxapine, 21–38 yr old patients with schizophrenia or delusional disorder, dose range implications, 12985
dopamine D3 receptor binding, postmortem brains of antipsychotic-free vs treated schizophrenic 46–98 yr olds, 36454
dopamine D4 receptor binding affinity & polymorphisms, individual differences in clozapine response & susceptibility to schizophrenia, 42345
dopamine receptor sensitivity & dopamine D1 & D2 receptor gene polymorphisms & poor treatment outcomes, alcohol-dependent patients, 31313
D3 vs D2 receptor binding & functional selectivity & potency of dopamine agonists, operant behavior, male rats, 29606
efficacy & safety & receptor activity of atypical antipsychotic olanzapine vs clozapine, animal behavioral model of schizophrenia, 32473
enhancement of dopaminergic neurotransmission & bupropion & dopaminergic antagonists & SCH 23390 &/or pirenzepine &/or stereoisomers of SKF 10047, cocaine induced lethality, male mice, 25607
enhancement of serotonergic neurotransmission & fluoxetine & muscarinic & 5-HT & dopaminergic & noradrenergic antagonists & stereoisomers of SKF 10047, cocaine induced convulsions, male mice, 25606
ethanol, binding of raclopride to dopamine D2 receptors, 20–24 yr old males, Finland, 34703
feasibility of selective in vivo labeling of delta 1 brain sites with radioactive benzylidenenaltrexone, mice, 18172
fluoxetine vs desipramine, binding parameters of platelet imidazoline binding site & alpha2-adrenoceptor, adult patients with major depressive disorder, 5084
flupenthixol vs ritanserin pretreatment, clozapine binding to D1 dopamine & 5-HT-2 & other receptors in dorsolateral & medial frontal cortex, healthy adults, 6974
food restriction, opioid receptor binding in brain stem, male rats, implications for functional changes, 14893
frontal cortical dopamine D1 receptors, postmortem schizophrenics, 31002
glucocorticoid receptor agonist & antagonist in basolateral &/or central nucleus of amygdala, memory storage, male rats, 38153
haloperidol, acute stress or prelimbic brain region electrical stimulation extracellular levels of dopamine in nucleus accumbens, rats, test of depolarization block hypothesis, 21871
hyperserotoninemia & brain serotonin receptor antibodies in plasma, 10 yrs old & younger autistic vs mentally retarded vs normal children, 39254
illness severity, beta-adrenergic receptor coupled Gs protein function & Gs alpha immunoreactivity in mononuclear leucocytes, 20–68 yr olds with unipolar or bipolar depression, 11940
in vivo benzodiazepine receptor binding & psychotic symptoms, 18–37 yr olds with vs without schizophrenia, England, 22827
in vivo benzodiazepine receptor binding & psychotic symptoms, 18–37 yr olds with vs without schizophrenia, England, erratum, 31743
inescapable shock induced learned helplessness, beta-adrenergic receptor coupling in frontal cortex & hippocampus & hypothalamus, male rats, 10953
interaction between zopiclone & GABA-A receptor binding & sensitivity, research review, 1977–95, conference presentation, 3209
interactions of selective serotonin reuptake inhibitors vs tricyclics vs other antidepressants with 5-HT-2C & 5-HT-2A receptors in assayed choroid plexus & clonal cell line, rats, 3264
intra & interindividual variability in platelet serotonin receptor binding, healthy 18–79 yr olds & 21–24 yr old females using contraceptive pills, Sweden, 25498
lead exposure, NMDA receptor complex blinding & NMDA & MK-801 induced impairment in learning accuracy & sensitivity to learning impairments, male rats, 29262
ligand binding to glutamate receptor subtypes & benzodiazepine/GABA receptor complex in brain during repeated alcohol withdrawal induced seizures, rats, 7099
long-term food restriction, density of serotonin transporters in frontal cortex, young vs old male rats, implications for etiology of eating disorders, 34613
low vs high intensity footshock, retention of inhibitory avoidance & changes in muscarinic receptor density in neostriatum & hippocampus & amygdala & neocortex, male rats, 10991
low vs moderate vs high maze-learning performance & acute swimming stress, 3H-flunitrazepam & 3H-Ro 5-4864 receptor bindings in synaptosomal/mitochondrial forebrain membranes, chicks, 11164
MDL 100,907, time course of 5-HT_2 receptor occupancy, 23–43 yr olds, 41461
membrane protein levels, seasonal patterns of platelet 3H-imipramine binding, healthy 20–40 yr olds vs depressed 14–70 yr olds, implications for role of circadian rhythms, 7905
memory-enhancing herbs, cholinesterase inhibition & nicotine & muscarinic receptor binding, implications for patients with dementia & Alzheimer's disease, 27573
MK-801, hippocampus-based learning during preexposure & subsequent food conditioned cue preferences, female rats, 38160
morphine, up-regulation of adenosine transporter binding sites in striatum & hypothalamus, mice, 41477
mu & delta opioid receptor distribution & density in limbic system & ventral tegmental area & nucleus accumbens & other brain regions, alcohol-preferring C57BL/6 vs alcohol-aversive DBA/2 male mice, 37963
muscarinic acetylcholine & NMDA & protein kinase C & 5-HT & benzodiazepine receptor binding, senescence-accelerated mice, 21897
neurochemistry & receptor autoradiography & neuroanatomy of prefrontal system, male rats infected with neurotropic RNA Borna disease virus, rat model of human psychotic state, 25496
neurosteroidal modulation of GABA-A & mitochondrial diazepam binding inhibitor receptors, immobilization stress-induced antinociception & anxiety & ascorbic acid & motor activity & toxicity, male mice, 18328
neutral vs cat predator odor, behavior & benzodiazepine binding, chicks, 14833
nicotine withdrawal, body weight & food & water intake & locomotor activity & acquisition in conditioned avoidance & ligand binding to D1 & D2 receptors in striatum & nucleus accumbens, male rats, 11134
NMDA receptor antagonists, short-term memory, rats with scopolamine-induced amnesia, 21875
NMDA receptors & MK-801 binding in brain regions, genetically determined differences in hypnotic sensitivity to ethanol, long-sleep vs short-sleep selectively bred mice, 11225

number & affinity of 5-HT receptors in postmortem prefrontal cortex, 23–53 yr olds with schizophrenia, 12071
number of platelet 3H-paroxetine binding sites & serotonin 5-HT uptake, 18–39 yr olds with obsessive compulsive disorder, 22904
olanzapine, dopamine receptor binding, 20–56 yr olds with schizophrenia, 5085
olanzapine, D2 dopamine & 5-HT-2 receptor occupancy, 23–33 yr old healthy males, 36488
ontogeny of cholecystokinin binding sites in hindbrain, embryonic & neonatal rats, 3077
opioid & stimulant & sedative abuse liability of zipeprol, monkeys & mice & rats, 21809
opioids with mu & kappa opioid receptor activity, discriminative stimulus & subjective effects, laboratory animal models &/vs human data, literature review, 25569
ORG 5222, serotonin & dopamine receptor occupancy, healthy 23 & 29 & 28 yr old males, 38073
ovarian steroids, benzodiazepine receptor & postrestraint stress receptor binding over estrus cycle, female rats, 6830
PD 128907 vs raclopride vs 7-OH-DPAT selectivity, D3 dopamine receptor binding density measured by whole-hemisphere autoradiography, postmortem brains of 53–54 yr olds, 18161
pharmacological characteristics & localization & inhibition by monoamine uptake inhibitors of RTI-55 cocaine binding sites in brain, gestational day 20 vs adult rats, 7071
pindolol with vs without paroxetine &/or citalopram, terminal 5-HT release elicited by activation of somatodentritic 5-HT 1A receptors & extracellular 5-HT, male rats, 21915
pineal beta-adrenergic receptor alterations, suicide victims with major depression, 31235
platelet G-protein coupled alpha2-adrenoceptors & platelet I1 binding site density & affinity, adult patients with major depressive vs generalized anxiety disorder, 4062
platelet guanine nucleotide binding protein levels & G protein function & status of cell signal transduction, depressed 26–63 yr olds, Switzerland, 4100
platelet imipramine binding & sulfotransferase activity, 19–32 yr old severely aggressive patients institutionalized for mental retardation, 31475
platelet serotonin dysfunction & [^{3}H]paroxetine binding, recurrent suicide attempts, 18–70 yr old patients with vs without borderline personality disorders, 1 yr followup, 42498
platelet serotonin transporter protein reduction, children & adolescents with obsessive compulsive disorder vs Tourettes syndrome, 31115
platelet 5-HT receptor binding & aggressive behavior, Ss with personality disorders vs healthy volunteers, 22938
polymorphisms of dopamine receptors, schizophrenics, 31028
postmortem brain 5HT1A a binding sites, 16–69 yr old suicides completers with vs without previous antidepressant treatment, 35541
posttraining temporal course of 3H-AMPA glutamate receptor binding in hippocampus, synaptic plasticity mediating learning & memory in inhibitory avoidance, rats, 18149
potency & binding selectivity profiles of ibogaine vs 12-hydroxyibogamine, rats, 7080
prazosin & yohimbine & propranolol induced norepinephrine depletion, learning vs performance of novel motor task, male rats, 29555
psychotogenicity & NMDA receptor antagonism, implications for neuroprotective pharmacotherapy, 32444
quantitative EEG frequencies & neuroleptic receptor affinities, patients with schizophrenia, 5100
quetiapine, platelet 5-HT receptor binding, male inpatients with schizophrenia, 27404
reduced GABA/benzodiazepine receptor sensitivity to benzodiazepines, 30–45 yr olds with PMS, 31633
repeated swim stress, peripheral-type benzodiazepine receptors, rats, 6768
role of serotonin receptors in therapeutic & side effect profile of serotonin selective reuptake inhibitors, conference presentation, 11140
selective light exposure, DNA binding activities of transcription factors AP-1 & ZIF 268 on nuclear extracts from visual cortices, male rats, 18166
serotonin brain receptors & choroid plexus receptor mediated phosphoinositide hydrolysis, alcohol preferring vs nonpreferring rats, 29343
serotonin transporter binding & mRNA levels in midbrain & hippocampus & frontal cortex, postmortem brains of depressed adults committing suicide, 35540
sertraline vs imipramine, monoamine receptors & adenylate cyclase activity & water wheel behavior, male Wistar rats, 29625
single 5 min isolation stress, activation & turnover & binding of dopamine in striatum & septal regions, 10 day old rat pups, 3231
social stress induced hyperstimulation of hypothalamo pituitary adrenal axis, corticosteroid receptor binding in spleen & plasma binding globulin levels, rats with vs without adrenalectomy, 6753
SPECT assessed benzodiazepine receptor distribution & diazepam binding, patients with schizophrenia (mean age 30.2 yrs), 26511
strychnine-insensitive glycine binding site of NMDA receptor in nucleus accumbens & anterodorsal striatum, prepulse inhibition of acoustic startle response, male rats, 29319
tactile & noxious stimulation & conditioning, MK-801 binding to NMDA receptor sites & AMPA binding to AMPA receptor sites in primary somatosensory cortex, mice, 18164
time course of ziprasidone binding to dopamine receptors, 20–33 yr old males, 3195
usefulness of 123I-epidepride as D2 ligand & effects of endogenous dopamine release on 123I-epidepride binding in vivo, 21–62 yr olds with schizophrenia, 31044
valproic acid, modulation of DNA-binding activity of activator protein 1 & cyclic adenosine monophosphate responsive element binding protein CREB, rat C6 glioma cells & human neuroblastoma, 21829
V_1a receptor gene expression, V_1a receptor binding sites & behavioral response to vasopressin administration, monogamous vs nonmonogamous voles, 34510
zolpidem vs bretazenil vs ZG-63 vs loreclezol vs diazepam, motor impairment & ligand binding & benzodiazepine agonist action at GABA-A receptor subunit, alcohol tolerant vs alcohol nontolerant rats, 11226
1–5 mg/day haloperidol, plasma levels & dopamine D2 receptor occupancy, 20–43 yr old patients with schizophrenia or schizoaffective disorder, Canada, 39816
3-dimensional visualization & quantification of benzodiazepine receptor population using positron emission tomography & MRI, healthy male 29 yr old, 34570
[3H]-imipramine platelet binding & clinical response to imipramine vs fluoxetine, 20–59 yr olds with major depression & compatible agitation, 9162
[3H]paroxetine & [3H]imipramine binding in platelet membranes, 38–75 yr olds with major depression with melancholia, 35564
5-HT 1A & 5-HT 2A receptor binding in prefrontal cortex, 22–83 yr old suicide victims with major depression, 26633
5-HT1A receptor binding in orbital frontal cortex, postmortem brains of schizophrenic patients, implications for hypothesized abnormal glutamatergic innervation in schizophrenia, 4183

Receptors (Neural) [See Neural Receptors]

Recidivism—Serials

background characteristics, treatment agency contact & criminal recidivism & drug abuse & psychosocial functioning, inmates in standard vs Drug Free Detention Program, Netherlands, longitudinal study, 5439
court ordered treatment, recidivism, males convicted of wife assault, 11 yr followup, 43471
criminal recidivism rate & length of incarceration, mentally ill vs healthy offenders, 1 yr followup, 12289
distress & restraint in personal narratives, predicting criminal recidivism, male 13–21 yr olds convicted of sexual & physical assault, 8327

factors related to recidivism, 12–18 delinquent males in correctional facility, implications for intervention programs, 40216
go/no go contingent negative variation, reoffending, adult male mentally disordered offenders released from high security hospital, England, 12292
jail-based drug treatment program, time & rearrest rates, released inmates (mean age 30 yrs), 33079
mental disorders & homicide recidivism, homicide offenders, 1981–93, Finland, 12287
participation in Victim Offender Reconciliation Program, reoffense, 9–18 yr old juvenile property offenders, 1 yr followup, 13507
patient demographic characteristics & treatment & recidivism rates for forensic conditional release programs in California vs New York vs Oregon, mentally ill offenders, 36829
predictive efficacy of risk factors & recidivism, criminally charged male extrafamilial child molesters, 24-yr follow up, 19416
predictive validity of Manitoba Risk-Needs Scale & prediction of recidivism, aboriginal vs non aboriginal probationers, Canada, 40779
predictors of recidivism in schizophrenia, Slovenia, commentary, letter, 39060
predictors of recidivistic violence, 19–49 yr old criminally insane vs civilly committed psychiatric inpatients, 2 yr study, 35858
prevalence of re-arrest for alcohol or drug use & blood alcohol concentration at time of offense, drunk driving offenders, Norway, 11 yr study, 23038
principles for sex offender risk assessment, legal implications, 28361
recidivism after treatment program, 12–19 yr old male rapists vs child sexual offenders, 2+ yr follow up, 20372
recidivism rates & adult criminal behavior & community readjustment, adolescent sex offenders, 4 yr followup, correctional implications, 23104
risk factors for recidivism, male criminal sex offenders, 22970
role of inheritable biological factors within framework of behavioral genetics & law, genesis of repetitive antisocial behavior, implications for forensic psychiatry & psychology & insanity defense, 2445
scores on Level of Supervision Inventory based on social learning theory, prediction of chances for recidivism, provincially incarcerated offenders, 17009
social disadvantage & prior record & education level, probation revocation, probationers (mean age 27 yrs), 31372
social support provided by court referred program for prevention of delinquency, recidivism, adolescents, 20377
solution focused brief therapy with focus on networks, recidivism, male prisoners, Sweden, 16 mo study, 43474
use & acceptance of client anger, recidivism & group cohesion in involuntary group counseling, adults arrested for DUI offenses, 20344
validity of Psychopathy Checklist & Psychopathy Checklist-Revised, prediction of violent & nonviolent recidivism, meta analysis, 2626
validity of Violence Risk Appraisal Guide & recidivism, convicted male child molesters & rapists, 10-yr followup, 28511

Reciprocity—Serials
affective reaction to parental behavior & perception of parental acceptance & birth parent vs stepparent relationship, reciprocity in response to parental behavior, 12–16 yr olds, Australia, 38577
bidirectional effects in parent–child relationships, 38563
emotions & reciprocity in relationships with close friend vs younger sibling, 1st born 5 yr olds, 18629
mutuality in parent–child play & children's social competence, 45–76 mo olds & parents, 38570
mutually responsive mother-child orientation & maternal perspective taking & power use & child internalization, mothers & their children at 26–41 vs 43–56 mo, implications for socialization, followup, 29886
reciprocity & emotional well being & family functioning, family satisfaction, caregivers of parents aged 65 yrs or older, 29983
roles between recipients & providers of care & patient symptoms & coresidence & sociodemographics, reciprocity of support, mentally ill 18–55 yr olds & their family caregivers, 13357
seasonal effects on acquisition & distribution of prey & predictions of kin selection & tolerated theft & risk-reduction reciprocity & trade models of sharing, hunters, Melanesia, commentaries & reply, 30076
time between initial favor & opportunity to reciprocate, obligation to return favor, college students, 22415
use of dialects as marker of membership in social group, stability of reciprocal exchange between nonkin, implications for the evolutionary bases of cooperation & exchange, 30375
validity & reliability & factor structure of Caregiver Reciprocity Scale, caregivers of elderly parents & other family members, application of social exchange & equity theory, 6083
wage offers & employee effort, reciprocity & trust vs egoistic money maximization, 18–29 yr old male military personnel, test of competitive economic vs social exchange theory of labor market, Austria, 3750

Recognition (Learning) [See Also Object Recognition]—Serials
acquisition of tactile Hiragana character recognition & bimanual motor coordinated tracing, 43–83 yr olds with probable Alzheimer's disease, Japan, 8605
affect recognition as a function of global impairment vs specific cognitive deficit, adults with schizophrenia or schizoaffective disorder receiving psychiatric services, 42309
age, RT on visual discrimination & recognition tasks, 20–83 yr olds, 11395
anterograde episodic recall & recognition for verbal & nonverbal material, elderly with early dementia of Alzheimer type, 12617
application of MINERVA memory model to confidence-accuracy inversions in recognition memory, 17970
aptitudes for semantic identification & asemantic recognition & sound discrimination, nonverbal auditory recognition, 20–75 yr olds with brain damage, 12598
association of name & occupation with recognition of unfamiliar faces, 18–64 yr olds, England, 28948
attention & stimulus presentation duration, functional independence of recollection & automatic influences in process-dissociation, adults, implications for recognition memory, commentary reply, 21403
attention & stimulus presentation duration, functional independence of recollection & automatic influences in process-dissociation procedure, adults, implications for recognition memory, commentary, 21424
attention at encoding, repetition priming in direct recognition vs indirect lexical decision tasks, college students, 252
attractiveness &/vs distinctiveness of photograph faces, recognition & memorability, college students, 25315
auditory &/vs visual free recall modalities, word learning & rate of learning, 16–50 yr olds with moderate to severe closed head injury, 12599
auditory stimuli sequence interpolated between initial & comparison tones, short-term tone recognition memory, college students, test of streaming vs interference disruption hypotheses, 37712
base rates, learning & choosing high vs low frequency categories, college students, 6382
brain activity while reading vs recognizing vs recalling paired associates, functional neuroanatomy involved in episodic memory recall & recognition, healthy 19–31 yr olds, Canada, 28945
category familiarity & prototypical structure, discrimination learning of checkerboard stimuli & generalization to recognition paradigm, 18–35 yr olds, application of face inversion effect, 37719
character recognition task difficulty, heart rate & BP responsivity, fluid-deprived vs fluid-satiated college students, 29490

coarse vs fine spatial information, visual face & object processing, 18–50 yr olds, Scotland, 6334
color retrieval cues, verbal overshadowing of visual stimuli, college students, Italy, 37608
conceptual reasoning & verbal recall & recognition, 19–76 yr olds with multiple sclerosis, Canada, 8499
contextual judgments about recognized items, recollection memory, young adults, England, 17998
decision processes in recognition memory, college students, meta analysis, 296
diagnostic context model vs intentional recollection & automatic familiarity in process-dissociation model of recognition memory, college students, 21435
differential processing of band-pass filtered letters in left vs right cerebral hemispheres measured by RT & accuracy & low vs high spatial frequency interactions, college students, commentary reply, 37621
differential processing of band-pass filtered letters in left vs right cerebral hemispheres measured by RT & accuracy & low vs high spatial frequency interactions, college students, replication, 37620
differential processing of band-pass filtered letters in left vs right cerebral hemispheres measured by RT & accuracy & low vs high spatial frequency interactions, college students, commentary, 37630
distinctiveness vs recollective experience in face recognition, 19–35 yr old college students, Sweden, 41141
distributional & consistent prosodic cues to word segmentation in artificial language, college students, 262
duration of exposure, free recall of target items & recognition of context & target items in indirect or direct memory tasks, 18–27 vs 77–93 yr olds, Israel, 25792
elongation axis & symmetry of surrounding context, reference frames in perception of ambiguously oriented objects, college students, Canada, 10642
ERP correlates of performance on word-stem cued recall vs recognition memory tests, 17–28 yr olds, 29403
exemplar similarity, automaticity development measured by RT in random pattern numerosity judgments, college students, 21437
face context, recognition memory for voices, college students (mean age 21.3 yrs), Canada, 10716
face only & body only & whole animal inverted stimulus figures, categorical representation of animal species, 3 & 4 mo olds, 11387
false recognition of visual vs auditory vs pseudoword vs pictorial stimuli, male 66 yr old with right frontal lobe infarct, implications for encoding & retrieval processes in episodic memory, 1622
familiar vs unfamiliar faces & names, associative priming & RT & ERPs in person recognition, 20–34 yr olds, 6341
familiarity & recollection independence assumption & list similarity in 2-study-list process-dissociation procedure, college students, Canada, implications for recognition memory, 21414
familiarity-based explicit recognition in conceptual processing vs word-identification priming & word-stem completion in implicit perceptual memory, college students, 21453
foveal load & visual context, peripheral letter recognition, graduate students, 6246
free recall vs recognition survey techniques, morphological & relational & functional features of egocentered networks, 18–32 yr olds, Germany, 35280
frequency of mention of topic label & position in passage where topic is 1st mentioned, recognition memory & recall from lengthy informative text, college students, 37788
global matching models of recognition memory, 6371
grammaticality & specific item similarity & chunk frequency, recognition & classification memory judgments in artificial grammar learning, college students, 37777
habituation & dishabituation to recognition of intact &/vs contour-deleted line figure exemplars & variants, 12 mo olds, 38334
habituation & recognition memory & auditory temporal processing efficiency, early identification of language impairment, 6–10 mo olds with vs without family history of language impairment, 11329
hemifield specific visual recognition memory, 20–41 yr olds with partial unilateral temporal lobe removal, England, 42808
holistic vs multiplicative or intersection vs independent-contributions mechanisms of cue integration, dual-cue recognition of items from newly learned triples of words, college students, 41128
immediate vs delayed judgments of learning cued by stimulus alone vs stimulus response pair, recognition of stimulus response pairs, college students, 21405
impaired recognition memory, patients with amnesia with lesions limited to hippocampal formation, 39545
independence of neurological systems for face & object recognition, brain damaged patients, research review, 8589
individual differences in fixation duration & vertex absent vs vertex present degraded visual targets, target recognition, 4 mo olds, 7232
integrated picture mnemonics, letter recognition & letter-sound acquisition, 1st graders with special needs, 24669
irrelevant speech, memory in serial-order recall task vs missing-item vs recognition vs paired-associates tasks, college students, Wales, 21395
irrelevant speech vs irrelevant tones, serial recall, college students, test of equipotentiality hypothesis, 21431
item specific & relational processing of print advertisement focus & context, cued recall & recognition of ad & product judgment, adults, 14062
knowledge of a written passage's title, recall & recognition, college students, Japan, 25307
learning features as consequence of categorizing & representing objects, college students, Canada & France, 34284
left hemisphere temporolateral resections & selective amygdalohippocampectomy, verbal learning & memory & recognition, patients with epilepsy, Germany, 36092
left–right orientation & size & color stimulus transformations, role of explicit vs implicit memory in recognition & affective preference measures, college students, 34285
level of involvement/task difficulty, confidence in print advertisement recognition judgments, adults, application of behavioral decision theory, 24859
linear discriminant analysis of discriminatory power of various facial features, implications for automatic face recognition systems, 40715
list making & intent to refer back to list & organization, recall & recognition, 18–30 vs 60–77 yr olds, 11336
list position & retention interval, serial position effect for recognition of spatial abstract patterns vs words, adults, 21429
live birds vs photographs as social stimuli, recognition of flock-mates vs unfamiliar birds, Brown hens, 29104
lorazepam challenge, recognition memory & ERPs, male light vs heavy social drinkers, Australia, 18325
memorableness of critical objects, misinformation effect in visual vs verbal recognition tests, college students, Japan, 28983
memory deficits & recall & recognition performance characterized by false alarm & intrusion errors, 50 yr old male with ruptured aneurysm of anterior communicating artery, 8 yr followup, 12564
memory retrieval in lexical decision vs recognition memory tasks, college students, 41134
mental models used in categorization & experiential knowledge & recognition of specific cases, undergraduates, 17897
mirror image of self-recognition, self-perceptual development of peer discrimination, 2–8 mo olds, 18461
MK-801 &/vs scopolamine, visual recognition memory performance, rhesus monkeys, implications for interactive role of cholinergic & glutamatergic systems, 29583
modeling & recognizing human simple actions based on hidden Markov model representation, application to human intent recognition & skill learning, 20901
multimodal identity matching to sample & oddity from sample responding, rats, 29052
multinomial modeling approach to mapping source-monitoring onto process-dissociation response categories in recognition judgment, 18–57 yr olds, Germany, test of memory processes hypothesis, 41124

musical experience, retention capacity & temporal aspects of auditory short term memory as assessed with multitone sequence paradigm & recognition task, 16–38 yr olds, 14658
name list recall & frequency effect & face recognition, 36 yr old male savant with autism & mental retardation & proper name hypermnesia, 1424
neuron firing in parahippocampal region during odor-guided delayed nonmatching-to-sample task, rats, 41369
nonverbal delayed recall & recognition, patients with obsessive compulsive disorder, implications for role of corticostriatal dysfunction, 4212
object properties & arrangements & presentation with vs without verbal labeling, immediate visual memory, college students, 2885
odor learning & recall & recognition memory, 18–27 vs 60–78 yr olds, 21436
old vs new sentence with vs without noise, recognition of sentence & confidence in judgment as test of implicit & explicit memory, adults with vs without obsessive compulsive disorder, 31073
overt head movements, memory for valenced words & conceptual-motor compatibility, adults, Germany, 2868
performance of recognition memory exclusion task, ERPs, 17–27 yr olds, 21721
performance of verbal & facial recognition tasks & correlations with performance & effort, lateralized changes in regional cerebral blood flow, healthy right-handed adults, experimental replication, 29296
performance on recency vs recognition memory tests, 22–29 vs 65–88 yr old females, 22004
performance on word–picture naming task with nouns vs verbs, patients with Alzheimer's disease, 8663
perirhinal vs fornix lesions, spatial & nonspatial memory & recognition tests, male rats, implications for dissociation of actions of perirhinal cortex & hippocampus, 21635
phonological code, performance in Reicher-Wheeler letter identification task, college students, 41569
phonological training in print vs nonprint context, phonological awareness of phonically regular vs irregular words, 4–5 yr olds, 11393
pointing & verbal labeling directions in spatial layout learning, college students, Spain, 14592
position specific masking, word-letter phenomenon in critical-letter report under backward-pattern mask condition, college students, Scotland, 6380
poststimulus rehearsal interval, picture recognition, younger adults vs 57–83 yr olds, 41790
presence vs absence of E's direct eye contact & head movement & orientation, gestures & recognition of attention, chimpanzees, 6521
presentation of studied & semantically related & unrelated nonstudied words & forewarning against false recognition effect, avoidance of false memory creation, college students, 37773
prior exposure to visual stimuli, recognition memory & savings & forgetting, infant macaque monkeys, 6450
process dependence vs aggregation bias & functional independence of recollection & automatic influences in process-dissociation, adults, implications for recognition memory, commentary reply, 21425
process dependence vs aggregation bias & functional independence of recollection & automatic influences in process-dissociation, adults, implications for recognition memory, commentary reply, 21420
processing capacity, recall & recognition dual-task performances, 61–82 yr old adults vs 18–24 yr old undergraduate students, 35008
recognition & inhibition of partially activated information & picture/word interference, young (mean age 22.9 yrs) vs older (mean age 75.3 yrs) adults, 29777
recognition & memory for items vs locations, adults with Down syndrome vs nonspecific mental retardation, 8389
recognition & naming of living vs nonliving stimuli, 65–86 yr olds with Alzheimer's disease, replication, 12683
recognition following presentation of interpolated story of theft, integration vs response bias theory analyses of eyewitness memory, 4.3–6.2 yr olds, 10 wk followup, 29804
recognition memory & high false remember response rate, 67 yr old man with right frontal lobe lesion, 39492
recognition memory for naturalistic melodies varying in phrase structure, musically trained vs untrained listeners, Canada, 37768
recognition memory of former students' names from 1968–1994, 55 yr old college professor, 4 day study, 34276
recognition of emotion, 4 vs 6 vs 8 yr olds in collectivist vs individualistic culture, China vs Australia, 3453
recognition/metarecognition model in time stressed decision making, implications for naval tactics, 243
recollection & conscious retrieval vs familiarity & unconscious retrieval, picture recognition, male vs female adults vs preschool age children, 3344
repetition of Polish vs classical novel melodies, remember & know responses in recognition memory, college students, England, 17977
repetition priming & peristriate cortical function as measure of implicit vs explicit memory, Alzheimer's disease patients (mean age 71.7 yrs), 23455
response bias in extended process dissociation measurement model, college students, commentary, 14617
response bias in extended process dissociation measurement model, college students, commentary, 14591
response conformity in recognition memory judgments, college students, 18001
retrieval cue recognition, delayed intention performance, adults, 17975
retrieving effectively from memory mathematical model for predicting explicit episodic recognition memory, 37787
reviewing self-produced accounts of events, accuracy in free recall vs information recognition, college students vs high school students, implications for pretrial eyewitness testimony, Australia, 10724
rounded vs exact numbers, recall & recognition of sums in addition problems, college students, 10696
route learning & recognition of landmarks for learning real world environments & map learning & translation, 18–21 yr old undergraduates vs 59–81 yr old volunteers, 34840
scopolamine, cerebral blood flow & relationship to changes in performance on continuous recognition memory tasks, adults, 3262
selectively impaired recognition of living vs nonliving things, patients with head injuries or brain damage & visual agnosia or prosopagnosia, replication & extension, 36105
semantic encoding, recognition memory, patients with Alzheimer's disease, 12603
sex, visual recognition memory, 10–15 yr olds & college students, 41077
similar vs dissimilar & auditory vs visual & correct vs incorrect orthographic primes, word fragment completion memory blocks, college students, 21448
similarities in recollection judgments & recollection of encoding sources, college students, 17972
single process model of remember–know paradigm, conscious correlates of recognition memory, 34274
source discrimination & item detection & response biases in 1 vs 2 high vs low threshold source monitoring models of decision process, college students, 6290
source-monitoring framework for research on closure processes involved in identification of occluded objects, college students, 25256
source monitoring, unconscious plagiarism in creative idea generation, college students, 37718
speed & accuracy of visual inspection performance on domain specific vs general probe recognition task, 21–29 vs 36–69 yr old female experts vs novices, 2866
standardized naming & recognition test stimuli & procedures for evaluating retrieval of lexical & conceptual knowledge for actions, college students, 41129
stimulus context & 1 vs 6 day delay of presentation, stimulus recognition, 6 mo olds, 11332
successive vs simultaneous vs delayed matching task performance, element superiority effect, pigeons, retrieval failure vs limited processing capacity implications, 34401
tacit learning & acquisition of sensitivity to structure of memory lists, college students, 21419

tests of visual discrimination & recognition of spatial frequency & pattern & location & trajectory, 20–55 yr old male medicated patients with schizophrenia, commentary, letter, 30937
tests of visual discrimination & recognition of spatial frequency & pattern & location & trajectory, 20–55 yr old male medicated patients with schizophrenia, commentary reply, letter, 31026
tests of visual discrimination & recognition of spatial frequency & pattern & location & trajectory, 20–55 yr old male medicated patients with schizophrenia, commentary, letter, 31036
tone recognition task performance levels & PET scan regional cerebral glucose utilization patterns, 25–35 yr olds, 29301
type of encoding condition & length of study-test interval, recognition of famous vs nonfamous names, college students, 25314
use of Korsakoff's syndrome case in E. Claparede's early report on consciousness & memory & modes of recognition including remembering & inferring & knowing, 10722
use of Lie theory & spherical harmonics to construct iterative matching algorithms, implications for automated image processing & pattern recognition, 37563
use of process dissociation procedure in examination of noncriterial recollection, college students, Canada, 14668
verbal encoding, recognition memory & name association of & RT to low familiar target vs distractor odors, 18–32 yr olds, 21233
verbal overshadowing effect in face recognition task, college students, 25296
viability of process dissociation procedure in exploring implicit & explicit memory processes underlying place recognition & spatial cognition, healthy adults, 6364
viewpoint dependency in shape-based visual object representation & recognition, adults, 10632
visual field-hemisphere differences in error types, recognition of pronounceable vs unpronounceable letter & non-letter symbol trigams, adults, 10963
visual recognition & segmentation of handwritten words & digits & processing by connectionist network governed by procedural controller, 17504
voice extract length & variation, recognition & short & long term memory for familiar voices & words spoken, Ss, 28947
vowels vs consonants vs words vs sentences presented at 50 vs 60 vs 70 dB sound-pressure level, speech recognition, postlinguistically deaf adults, 39595

Reconstructive Psychotherapy [See Psychotherapy]

Recorders (Tape) [See Tape Recorders]

Recovery (Disorders)—Serials

ablation of medial agranular region of frontal cortex & neglect of contralateral stimuli, binding of striatal glutamatergic & dopaminergic receptors & spontaneous recovery from neglect, rats, 498
acute phase vs post-recovery movement related cortical potentials, 26 yr old female & 50 yr old male with cerebellar stroke, 8–10 mo followups, 8551
alcoholism recovery process & changes in brain chemistry, 35805
anterior communicating artery aneurysm rupture & repair, recovery of memory & executive function, 27–66 yr old patients with anterograde &/vs retrograde amnesia, 1 mo followup, 12604
antidepressant therapy, triggers & course of recovery, depressed patients with predispositions to treatment response vs nonresponse, implications for delayed onset concept of therapeutic effect, 5081
aspects of doctor patient relationship, perceived recovery, medical patients, Mexico, 20168
attribution of blame to self &/vs fate vs perpetrator, symptomatology & recovery, female 18–65 yr old survivors of childhood sexual abuse, 8101
biological & psychological & social processes in theory of postoperative fatigue, literature review, 42891
body image, female leukemia survivors (mean age 18.6 yrs), Finland, 23349
causal & maintenance factors, females recovered vs not recovered from bulimia, treatment & recovery implications, 31524
cerebral glucose metabolism, 14–29-yr-old females with anorexia assessed before vs after weight gain, 31498
characteristic course & brain imaging studies of & factors predicting recovery from first episode schizophrenia, 42333
clinical & psychosocial factors & recovery status in long-term disease course, adults with major depression, 6 yr postdiagnosis followup study, 35532
common factors & coping strategies in recovery without treatment, former smokers vs former snuff vs drug vs alcohol abusers, 13440
concepts of recovery & stigmatization & consumer professional identity in mental health consumer–survivor movement, 31954
coping strategies, anxiety about major orthopedic surgery & return to normal activities, 8–17 yr olds, 9269
correlation of serotonin dysfunction to persistent eating related psychopathology & comorbid illness, long term weight restored female anorexics, 23211
course of & recovery from major depression, psychiatrist, personal experience, conference presentation, 30878
course of illness & ECT treatment & recovery process, 77 yr old male with severe psychotic episodes of major depression, clinical case study, 19141
course of symptoms & correlates & predictors of recovery, treatment seeking female 13–45 yr olds with bulimia &/vs anorexia nervosa, 4 yr study, implications for subtyping of anorexia, 8414
CSF & cerebral gray matter volumes, 11–36 yr olds after weight recovery from anorexia nervosa, 35944
current & expected levels of pain & differing chances for survival, probability of committing suicide, college students hypothetically afflicted with cancer, implications for rationality of suicide, 12156
definite or possible functional psychotic illness with no diagnostic classification & partial or transient symptoms, outcomes, psychiatric patients, 2.5 yr followup, 22844
depression & anxiety & obsessionality, underweight vs short-term weight restored vs long-term weight restored females with anorexia nervosa, 31518
depression & cognition, activities of daily living & ambulation recovery, 60–99 yr old medical rehabilitation inpatients, 32834
diagnosis of nonlinear processes in brain EEG dynamics & disease onset characteristics, recovery vs recurrence, patients with 1st episode vs recurrent depression, 11996
discharge information intervention, physical functioning & mood following coronary artery bypass surgery, surgery patients, 1 mo followup, 20275
discrete-time survival analysis & first recovery from long-term illness, hospitalized patients (mean age 20.7 yrs) with severe anorexia nervosa, 12-yr study, Germany, 19476
drawing strategies as evidence of recovery of spatial integrative abilities, 7–15 yr olds with left vs right hemisphere brain injury, 23477
drinking related locus of control, alcoholic vs recovering alcoholic vs non-alcoholic males, commentary, 8292
drinking related locus of control, alcoholic vs recovering alcoholic vs non-alcoholic males, 4337
dysthymia & major depression & childhood onset & rates of recovery & clinical outcomes, children (average age 11 yrs at beginning of study), 9–10 yr longitudinal study, 22774
efficiency & accuracy of performance on Automated Neuropsychological Assessment Metrics battery & recovery, 18–64 yr olds with marginal vs mild vs moderate traumatic brain injury, 2–3 mo followup, 28550
etiology & ambulatory & general outcome features, patients with ischemia & infarction of spinal cord, 19596
experiences with & recovery from self-harm of genitalia, female sexually abused during childhood, 42460
explanatory model of trauma healing process & resurrecting buried self, adult female incest survivors, implications for nursing research, 26388
factors that predict mobility recovery, subacutely ill patients (mean age 79.5 yrs) admitted to a geriatric rehabilitation unit, Italy, letter, 36586

family functioning in early recovery & frequency of Alcoholics Anonymous meeting attendance, 20327
feelings of disconnection & deprivation in sexual/love relationships, initiation & continuation of drug use & treatment & recovery, drug abusing pregnant 19–40 yr olds in HIV prevention project, 2057
financial incentives & recovery, patients with minor vs severe closed head injury, meta analysis, commentary, letter, 23481
financial incentives & recovery, patients with minor vs severe closed head injury, meta analysis, commentary, letter, 23468
financial incentives & recovery, patients with minor vs severe closed head injury, meta analysis, commentary reply, letter, 23371
genetic transmission of stuttering & susceptibility & persistence & recovery, 2–7 yr old male vs female stutterers & immediate & extended family members, followup study, 39339
good vs poor clinical outcome, self & family functioning ratings, female patients of intensive day treatment program with anorexia nervosa &/or bulimia, 2 yr followup, 23216
history of rape &/or incest, sexual functioning & depression level & satisfaction with surgical decision, female 26–55 yr olds recovering from elective hysterectomies, 2 yr study, 24062
illness duration before treatment, time to recover from & duration of depressive illness, 21–76 yr old female inpatients with severe depression &/or previous depressive illness, 27158
independent verification vs self reports of speech behavior, 24–74 yr old self recovered vs persistent stutterers vs nonstutterers, 16197
individual & group cognitive therapy, recovery & residual & positive symptoms, 19–55 yr old psychiatric inpatients with acute psychosis, 9 mo follow-up, 32123
lateralized visual stimuli, motor reaction times, 46–77 yr old right brain-damaged patients recovered from vs with left hemineglect, 39478
lay beliefs about 24 contributors to overcoming dyslexia & fear of flying & amnesia & learning difficulties, adults, meta analysis, 42143
life narratives during rehabilitation & recovery, female with traumatic head injury, 16953
life stress & social support networks & 1st vs recurrent episode, recovery, adults with clinical depression, England, 42252
localized brain dysfunction, 12–18 yr old females with anorexia nervosa assessed before vs after weight gain, 23204
long term recovery & effects of therapy, 25–60 yr olds in Alcoholics Anonymous, 33076
long-term treatment outcomes of mortality & recovery & relapse & crossover & prognostic variables, females with bulimia nervosa, literature review, 23209
median sensory nerve transection followed by surgical repair, representation of innervated hand in primary somatosensory cortex, immature macaques monkey, 29279
melodic expression in music therapy & reflection of emotional recovery, 35-yr-old female breast cancer patient following breast removal, case report, 20044
methodological issues in & clinical & theoretical aspects of recovery in affective disorders, literature review, 22758
negative life events, recovery time from bipolar disorder, 18–65 yr olds with bipolar disorder, longitudinal study, 38984
neuroticism & dysfunctional attitudes & self esteem & age & severity of index episode, recovery, male vs female inpatients with depression, 2 yr followup, 38967
ORG 2766 & other ACTH/MSH peptides, spontaneous behavioral recovery after CNS injury without recuperation of damaged neurons & role of aging, mammals, animal model, literature review, 7103
outcome & assessment of differences in duration & severity of disorder to define recovery & recurrence, 8–17 yr olds with major depressive disorder, 1–5 yr followup, 35525
parental alcoholism & gender, attendance at Alcoholics Anonymous meetings & general recovery maintenance, adult children of alcoholics, 33073
perceptual differences in comparison with normal speech, speech of preschool & early school age children who recovered from stuttering without formal treatment, 42680
personal viewpoint on role of hospital staff & visitors & other caregivers in recovery, male 41 yr old who sustained brainstem thrombosis, 4639
personality traits & psychiatric symptoms as predictors of physical outcome, patients with neck sprain injuries, Norway, 6 mo followup, 31575
phonological characteristics, 27–65 mo olds with early vs late recovery from vs persistent stuttering, longitudinal study, 23227
pre- and post-treatment perfectionism ratings, patients recovering from anorexia nervosa, commentary, letter, 23214
pre- and post-treatment perfectionism ratings, patients recovering from anorexia nervosa, commentary reply, letter, 23208
pre- vs post-operative physical & mental fatigue, patients undergoing major hip or knee joint arthroplasty, 1 & 7 wk postsurgical followups, 24006
premorbid vs postillness self rated health, recovery from major medical event & physical disability after event, 65–97 yr olds, 6 wk & 6 mo followups, 9294
preoperative hypnosis & perioperative suggestions during general anesthesia, stress during maxillofacial surgery & recovery processes, patients, 24022
prevalence of osteopenia, 20–46 yr old females recovered from anorexia nervosa, 31546
prevalence of psychosexual exploitation, females in cults, 31227
private vs shared hospital room with pre- vs post-operative cardiac vs noncardiac patient, affiliation patterns & preoperative anxiety & postoperative recovery, 41–70 yr old coronary bypass patients, 13400
psychoeducation vs recovery group, duration in treatment & agreement with 1st 3 steps of Twelve Steps & dropout rate, patients in prerecovery stage of drug or alcohol addiction, 6 mo study, 33061
psychoeducational vs recovery oriented group treatment approach, outcomes, drug & alcohol abusing patients, 9598
psychosocial functioning, adolescents with past history of dysthymic vs major depressive vs non-affective disorder, 35479
recovery & chronicity & recurrent nature of major depression, literature review, 22786
recovery & frequency of physician contact & identification of factors associated with outcome, patients with unexplained physical symptoms, Netherlands, followup study, 1517
recovery after 5 yrs of depression, patients with major depressive disorder, 10 yr study, 7921
recovery sensitive counselling & developments in recovery research, alcoholism treatment, 1952–95, literature review, 16975
recovery with vs without treatment & abstinence or moderate drinking, 20 yr olds & older with alcohol problems, Canada, 33075
regression of functional depression in structurally unaffected regions, language recovery in 1st mo, 41–75 yr olds with acute onset of aphasia after unilateral left hemisphere stroke, 6 mo followup, 16312
single vs multiple interpersonal psychotherapy foci/nortriptyline, probability of recovery & time to clinical response, elderly patients with recurrent major depression, 32268
social influences & theory, subjective transformations in time and space, persons recovering from eating disorders, implications for therapy, 26821
social support & course of depression, adults diagnosed with major depression, 38991
social support & stress debriefings, recovery after mass shooting incident, emergency medical personnel, 1 mo followup, 17079
sociological reasons for recovering from anorexia nervosa, treatment implications, 35938
spiritual beliefs & role of spirituality in recovery from addiction, dually diagnosed inpatients with severe mental illness & chemical dependency & their nurses, 5415

spiritualism & materialism & cognitive patterns before vs after treatment, adults recovering from substance abuse, retrospective analysis, 5992
spirituality & experience of cancer, 50+ yr old African Americans successfully treated for cancer, implications for psychosocial interventions, 32618
stage of recovery & coping & anxiety symptoms, stroke patients (mean age 66.6 yrs), 42769
sunny hospital rooms, recovery, psychiatric inpatients with major depression or bipolar disorder, 32604
sustained attention capacity, prediction of motor & functional recovery, stroke patients with left vs right brain damage, 2 yr followup, 23464
Recreation [See Also Athletic Participation, Baseball, Basketball, Camping, Childrens Recreational Games, Clubs (Social Organizations), Dance, Football, Gambling, Soccer, Summer Camps (Recreation), Swimming, Television Viewing, Tennis, Traveling, Vacationing, Weightlifting]—Serials
adventure program &/vs traditional counseling, self esteem & locus of control & behavior, 12–18 yr old males with behavior disorders, 4798
all terrain vehicle operational & safety practices & injuries, 13–19 yr olds, 802
assistive technology, play options, children with disabilities & their parents, 27645
collaboration among teachers & school counselors & parents to promote freedom of choice of recreation & leisure activities by individuals with disabilities, literature review, 24525
dyadic interaction during structured vs unstructured play, mothers who abused drugs during pregnancy & 8–12 mo olds, 23035
enduring involvement with golf & downhill skiing & windsurfing, participants, 14038
experience dimensions & conditions of concern & coping behaviors in wilderness recreation, visitors to wildlife refuge, 10160
goal orientation & place dependence & interference attribution, setting vs activity based goal interferences, helicopter skiers vs winter backcountry users, 15576
historical & contemporary function & significance of sports & recreation in community settings, 24801
incidence & patterns of normal vs addictive home video game playing, male vs female 11–16 yr olds, 3466
injuries & use of protective equipment & applicability of Health Belief Model constructs to protective equipment use prediction, college in-line skaters, 20839
internal & external reality & object relations & symbol formation, play & scientific experimentation & artistic creativity, 11795
interpersonal & cognitive-perceptual deficits, time spent per week in exercise or active recreation & in reading & watching TV & other activities, adults, 20838
language play, development & language pathology & reading, children, implications for teaching & therapy, 24350
perceived constraints to leisure activity participation, 68–80 yr old spousal caregivers, Israel, 9502
perception of constraints on leisure, 18–65 yr old recreational sport participants vs nonparticipants, Greece, 43855
personal importance of outdoor recreation activity, accessibility of motivations for & perceptions of recreational participation, 18+ yr olds, 10158
personal reflection on creative potential of play and regression in analytical training, commentary appended, 40261
recess during school, cognitive performance, primary school students, 27970
relationship between interpersonal conflict & differences in social values, hunters vs nonhunting visitors to public mountain area, 15603
Recreation Areas—Serials
creation of community park as environmental enhancement project, perceptions, primary & secondary school students & community leaders, Australia, 14078
goal orientation & place dependence & interference attribution, setting vs activity based goal interferences, helicopter skiers vs winter backcountry users, 15576
model for visitor responses to outdoor recreation conflict, implications for planning & visitor information strategies, 15598
participant observation & videotape recordings of laughter & perspective on distorting mirror funhouse, families visiting amusement park, France, 15631
perceptions of conflicts & problems resulting from llama use & attitudes toward social acceptability, llama packers vs backcountry visitors to national park & forest, 15569
relationship between interpersonal conflict & differences in social values, hunters vs nonhunting visitors to public mountain area, 15603
Recreation Therapy—Serials
issues in stimulated serial repetitions of gymnastic exercises in therapy of autistic children, 36579
Recreational Day Camps [See Summer Camps (Recreation)]
Recruitment (Military) [See Military Recruitment]
Recruitment (Personnel) [See Personnel Recruitment]
Recruitment (Teachers) [See Teacher Recruitment]
Recurrence (Disorders) [See Relapse (Disorders)]
Recurrent Depression—Serials
acute vs maintenance psychotherapeutic & antidepressant drug treatment, response & relapse rates, elderly vs midlife patients with recurrent major depression, 12725
clinical correlates of active suicidal ideation vs passive death wish, 60–80 yr olds with recurrent major depression, 19174
desipramine vs phenelzine, symptoms, 18–65 yr old outpatients with recurrent unipolar depression, 32561
development of risk & frequency of recurrence, patients with depression, literature review, 26452
diagnosis of nonlinear processes in brain EEG dynamics & disease onset characteristics, recovery vs recurrence, patients with 1st episode vs recurrent depression, 11996
ECT following bilateral frontal lobotomies, female 89 yr old with recurrent depression & suicidal ruminations & delusions, case report, letter, 9184
efficacy & safety of sertraline vs fluvoxamine, prevention of recurrence of depressive episodes, patients with recurrent unipolar depression, Italy, 2 yr followup, 32413
efficacy of nefazodone, 18–81 yr olds with severe or melancholic or recurrent depression, 13012
elimination pharmacokinetics in serum following overdose with fluvoxamine, female 32 yr old with recurrent depression, case report, letter, 1861
family history of psychiatric disorder & adolescent onset of depression & presence of severe depression in childhood, risk for major depression in adulthood, children & adolescents, 18-yr followup, 22765
fluoxetine & psychotherapy, 37 yr old female with recurrent nonpsychotic unipolar depression & work-home struggle, case report, 31974
fluoxetine, stability of reversed vs positive neurogenerative symptoms through relapsing or recurrent depressive episodes, 18–65 yr old outpatients with atypical unipolar major depression, 30891
lifetime prevalence of & risk factors for brief recurrent depression, 18–65 yr olds, Italy, conference presentation, 7888
maintenance psychotherapy & delta sleep ratio, wellness & recurrence prevention following absence & discontinuation of drug therapy, patients with recurrent unipolar depression, 12730
pharmacokinetics & plasma levels of tricyclic antidepressants, 28 & 41 yr old pregnant females with recurrent major depression, case reports, letter, 9025
primary care & patient education for treatment of acute & major depression, conference presentation, reprint, 5108
prophylactic treatment & indications for & efficacy of antidepressant & psychotherapy maintenance treatment of recurrent & nonrecurrent major depressive disorder, 23518
sertraline, development of stuttering & speech blockage, female 32 yr old with recurrent depression, case report, commentary, letter, 9052
severity of life events during 6 mo prior to onset, latency time to depression onset, patients with recurrent unipolar depression, 11963

single vs multiple interpersonal psychotherapy foci/nortriptyline, probability of recovery & time to clinical response, elderly patients with recurrent major depression, 32268
trimipramine, development of clinical & biological pattern similar to neuroleptic malignant syndrome, 39 yr old female with recurrent major depressive disorder, case report, 39782
Red Blood Cells [See Erythrocytes]
Red Nucleus [See Mesencephalon]
Reductionism—Serials
philosophy of science & reductionism & theories & testing theories & psychoanalysis, conference presentation, 30629
theoretical & methodological concerns with & reductionism & biological concepts in psychiatry, 31989
Reemployment—Serials
career development & opportunities for older adults, 40527
demographic information & psychometric measures of problem & case progression, return to work, teachers with stress related illness undergoing occupational rehabilitation, Australia, 5434
determination of most common medical problems during return-to-work examinations, aviation ground personnel vs other workers, 16241
efficacy of work hardening program, gains in physical strength & return to full-time work, 19–60 yr olds with chronic low-back pain, 2 mo followup, 5397
inservice training workshops on reemployment of sexual addicts/offenders, rehabilitation counselors, 5485
interdisciplinary use of exposure techniques during occupational therapy work simulation activities, return to work, 34-yr-old male with work related chronic back pain & PTSD, 43460
job clinic attendance with small group counseling vs receipt of unemployment compensation, reemployment, unemployed scientists, 17280
maternal employment outcome expectations & employment timing preference, 17–45 yr old Black vs White female college students, 26091
neuropsychological variables & time period for return to work & employer selection & vocational success, adults with traumatic brain injury, 8588
selection effects of long-standing health problems & psychological distress, job loss & reemployment probability, private sector employees, Norway, 5 yr study, 10042
sociocultural aspects of self-detrimental investment in motherhood, female analysands previously in pursuit of career ambitions, 15780
teaching abroad, employment prospects upon returning to work at home, teachers & headteachers, England, 33345
Reenactments [See Enactments]
Reentry Students—Serials
academic achievement, matriculated vs mature nonmatriculated undergraduate admission students, Canada, 5641
apprehension about communicating in classroom, traditional vs nontraditional college students, 2307
member educational similarity & emotional support & socializing, social support network continuity, female adults who returned to school in midlife, 10 yr study, 26183
need for comprehensive & multidisciplinary assessment during rehabilitation to promote recovery & facilitate school & community reentry, children with traumatic brain injuries, 20299
time constraints & studying difficulties & perceptions & patterns of social support, 23+ yr old college students, Hong Kong, implications for student counseling & guidance, 43676
Reference Groups—Serials
accuracy of ingroup & outgroup stereotypes, Black vs White college students, 11693
attitudes toward employee individual & job & career characteristics & perceived relevance of external & internal & individual & self equity, managers, Canada, 37171
factor analysis of models of collectivism & individualism varied by ingroup & culture, college students, South Korea vs US, 11547
family racial socialization & adoption stressors, ecological competence for Eurocentric vs Africentric group orientation & psychological adjustment, 4 yr old Blacks adopted by Whites, 10 yr study, 18551
norm setting &/vs values clarification intervention, exaggerated perceptions of norms or expectations of peers & parents & other reference groups about appropriate drinking levels, college students, 26133
public representation of opinion of social group, private endorsement of opinion, female college students, 7653
self-views & affiliation choices, 17–24 yr olds with high vs low self esteem, 35203
social identity & group membership, shared vs diffused parental ideas, kibbutz vs high vs low education level urban parents, Israel, 7673
social identity & use of realistic groups & domain specific self esteem & intergroup discrimination, Catholic vs Protestant 16 yr olds, Northern Ireland, 7337
social validation by in-group vs out-group traits, stereotype applicability & sharedness, college students, Australia, 7663
trait self esteem & valuation of group membership enhanced by general information vs symbolic laminated card, 18–44 yr olds in process-oriented group psychotherapy, test of social identity theory, 38674
use of intraorganizational & extraorganizational referents for sensemaking, socialization outcomes, newly-hired mental health specialists, 37213
Referral (Professional) [See Professional Referral]
Referral (Self) [See Self Referral]
Reflectiveness—Serials
perceived benefits for attentional recovery or reflection of ordinary natural vs sports/entertainment vs everyday urban settings, college students, 43908
reflection & presence & self-knowledge & divided & undivided consciousness, 32267
reflexivity & unconsciousness & qualitative research, 25156
significance of reflective capacity to attachment concept of social & private self, 25909
strategic & self-regulated & reflective model of metacognitive knowledge & regulatory processes that underlie & support expert learning, 28009
Reflexes [See Also Acoustic Reflex, Eyeblink Reflex, Flexion Reflex, Hoffmanns Reflex, Nystagmus, Ocular Accommodation, Orienting Reflex, Startle Reflex, Yawning]—Serials
acetylcholinesterase inhibition, siphon/gill withdrawal reflex & gill pumping, mature vs old Aplysia, 639
active vs passive control of aircraft, opto-kinetic cervical neck reflex, military pilots, 34193
angiotensin II antagonists, ethanol intoxication assessed by aerial righting reflex, male rats, 11216
c-fos & c-jun gene expression in conditioned defensive reflex, edible snail, 34497
chronic sensory stimulation of siphon-gill reflex, circulating & neural levels of AChE & gill behaviors, old Aplysia, 21689
classical conditioning procedure using warm & cold water for UCS & tone for CS, bilateral hand reflex & skin temperature, 22–35 yr olds, 11079
contribution of central nucleus of amygdala to morphine induced suppression of noxious heat evoked spinally mediated tail flick reflex, male rats, 25591
developmental timetable for long term memory for sensitization in gill & siphon withdrawal reflex, juvenile & adult Aplysia, 2942
dose range of MK-801 vs CPP, stereotyped behavior & ataxia & locomotor activity & righting reflex latency, guinea pigs, 6938
food reflex excursions during normal vs dissociative learning, brain cholinergic system substances & mechanisms, male rats, 41306
habituation & dishabituation of proleg withdrawal reflex, sphinx hawk moth larvae, 11022
habituation & orientation & motor behavior & range & regulation of state & autonomic stability & abnormal reflexes, infants of HIV positive vs HIV negative mothers, 19557
head stabilization & reflex mechanisms, 65–73 vs 79–88 yr olds, 29793

hypnotic analgesia, R-III nociceptive spinal & sensory vs affective unpleasantness, 21-45 yr olds, commentary, 3275
hypnotic analgesia, R-III nociceptive spinal & sensory vs affective unpleasantness, 21-45 yr olds, commentary reply, 3232
I. P. Pavlov's transition from study of digestive physiology to psychological study of conditional reflexes, 40766
left hemilabryinthectomy, vestibular compensation in horizontal vestibulo-ocular reflex, goldfish, 6691
neural circuit model, prediction of plasticity of array of excitatory & inhibitory synaptic connections of tap withdrawal circuit, nematodes, 18219
neuropsychology & contemporary views of Pavlovian reflex theory, 29242
pentapeptide YFRKD, 2 step food procuring conditioned reflex during ontogenesis, infant rats, 34702
prevalence of developmental reflexes, differential diagnosis & prognosis of incontinence, normal vs mildly impaired individuals vs individuals with Alzheimer's disease, 6 yr study, 31774
primitive reflexes & early motor development, infants, 18 mo study, 38305
responses to tickling &/vs humor, 18–41 yr olds, 18019
role of supraspinal systems & avoidance learning in tail-flick test, male rats, 37832
scopolamine injection to neostriatum, food conditioned reflex, rats with different levels of operant habit fixation, 34718
seasonal changes in training load, mood disturbance & neuromuscular function as measured with H reflex & anaerobic swimming power, female collegiate swimmers, 21796
stimulation of bilaterally symmetrical clusters of tail sensory neurons in siphon withdrawal reflex, lateral restriction of short term & long term habituation, Aplysia californica, 14738
torus longitudinalis ablation & luminance response, dorsal light reflex measured by body tilt angle & duration, goldfish, 29289
vestibulo-ocular reflex during yaw & roll head movements in microgravity & re-adaptation to gravity, 28–43 yr old cosmonauts, 14951
Refraction Errors [See Myopia]
Reframing [See Paradoxical Techniques]
Refugees—Serials
age & prearrival trauma & sociodemographic correlates, prevalence of depression, adult Vietnamese vs Chinese refugees, US, 12–18 mo study, 19157
analysis of & recommendations for cultural & mental health aspects of government's refugee resettlement policy, implications for international social welfare, 11527
anxiety & depression & PTSD & association with pre-migration trauma & post-migrations stressors, political asylum-seekers, Australia, 35495
diagnosis & assessment of traumatic experiences & PTSD, multicultural refugee or immigrant psychiatric patients, Sweden, 1 yr study, 22887
distrust & resocialization, survivors of war & torture, 31061
economic well being, Southeast Asian vs Soviet/East European vs Cuban vs Haitian vs Nicaraguan refugees who arrived in US as children, 22216
experience of neglect in orphanages, neurological & emotional development & attachment behavior, refugee children, Eastern Europe, 25680
factor structure of Diagnostic Interview for Children & Adolescents PTSD module, 13–25 yr old Cambodian refugees, 28517
flight from torture & persecution in China & involuntary hospitalization & treatment, 30 yr old male with severe paranoid psychosis, case report, Australia, 31011
genocidal trauma & related psychiatric disorders & family system changes & therapy, Bosnian refugees & their 14 & 16 yr old children who survived Serbian genocide, US, 32253
genocidal trauma & related psychiatric disorders & family system changes & therapy, Bosnian refugees & their 14 & 16 yr old children who survived Serbian genocide, US, commentary, 32219
genocide, ability of health & social care system to meet needs, refugee children, Rwanda, 24112
mental health & psychosocial development & understanding regarding exile & nature & cause of violence & feelings & thoughts regarding returning to home country, 7–16 yr old Guatemalan refugees, Mexico, 7352
Mississippi PTSD scale vs G. Watson et al's interview, 18–50 yr old & older Bosnian & Herzegovinan refugees, Croatia, 10452
MMPI scores, Guatemalan & El Salvadoran war refugees vs Mexican immigrants, 15431
persistence stories & survival strategies of Cambodian refugee or immigrant college students, US, 33499
post-immigration factors, anxiety & depression, Southeast Asian refugees & Pacific Island & British immigrants, New Zealand, 15440
pre- & post-migration experiences, Southeast Asian vs Central American refugees (mean age 10.5 yrs), Canada, 38406
premigration exposure to violence & SES & postmigration stressors, adults (mean age 35 yrs) seeking asylum, Australia, 41815
psychosocial intervention program, refugee children, Yugoslavia, 19740
PTSD & depression prevalence rates, 18–25 yr old Cambodians living in refugee camps, Thailand vs US, 11919
PTSD & depressive disorders & war trauma & resettlement stress & recent stressful events, adolescent Cambodian refugees & their mothers, 7862
religion & nationality & suicidal behavior, asylum applicants & refugees with PTSD, Sweden, 39080
sense of coherence & resistance deficits & resources, psychological adjustment, Vietnamese vs Cambodian vs Laotian vs Hmong vs Chinese-Vietnamese refugees, US, conference presentation, 22255
social emotional states & cognitive development, 4–7 yr old orphans vs refugees living in families following war & drought, Eritrea, reprint, 29836
time splitting & suppression of past life, mental health, Southeast Asian refugees, Canada, 38752
war trauma, functional health & mental health status, 12–13 yr old Cambodia refugees, Thailand, 41812
Refusal (Treatment) [See Treatment Refusal]
Regression (Defense Mechanism)—Serials
forms of structural regression in identity status & ego development models of adolescence, 3445
model of group centered psychoanalytic psychotherapy & levels of therapeutic regression in group, 32285
negative therapeutic reaction & umbilical transference as sources of author's ideas on regression, analysts & their patients, 22608
personal reflection on creative potential of play and regression in analytical training, commentary appended, 40261
preoedipal transference & analyst's role during patient's regression, conference presentation, reprint, 32292
preoedipal transference & analyst's role during patient's regression, conference presentation, 16575
psychoanalytic aspects of relation of hierarchical brain function & development of human behavior regulation in altered consciousness states of regression, conference presentation, 26310
regression & fixation in anaclitic depression, implications for therapeutic relationship, 43092
topographic concepts in regressive process & accessibility of unconscious to preconscious thought, 22629
transference neurosis & functions of regression in group psychotherapy, commentary, 27260
traumatic early object relations & regression, maintenance of boundaries & therapist's role as group leader vs figure of authority, adolescents in group therapy, 32228
working through countertransference & use of verbal squiggle game in psychoanalysis, analyst & severely disturbed & regressed analysand, 23820
Regression Analysis [See Statistical Regression]
Regression Artifact [See Statistical Regression]
Rehabilitation [See Also Cognitive Rehabilitation, Drug Rehabilitation, Neuropsychological Rehabilitation, Occupational Therapy, Physical Therapy, Psychosocial Rehabilitation] —Serials

age & sex & diagnosis & activities of daily living, return to previous living conditions after rehabilitation, 64–85 yr olds, Germany, 33019
analysis of age & race/ethnicity & language & sexual orientation & gender content specific to cultural diversity in rehabilitation journals, 1984–94, 5391
approaches to sexuality issues in rehabilitation context, survivors of traumatic brain injuries & their partners, 5392
avenues of remediation & rehabilitation for psychotherapist–client sexual relations & other ethics violations, commentary, 33300
avenues of remediation & rehabilitation for psychotherapist–client sexual relations & other ethics violations, commentary, 33291
avenues of remediation & rehabilitation for psychotherapist–client sexual relations & other ethics violations, commentary reply, 33294
avenues of remediation & rehabilitation for psychotherapist–client sexual relations & other ethics violations, commentary, 33284
balance evaluation & training & rehabilitation strategies for reduction of falls, elderly, 16945
basic principles & training & role of psychologists in ethical decision making in rehabilitation psychology, 36919
behavioral treatment for depression, medical rehabilitation inpatients (mean age 78 yrs), 23745
boot camp program themes of structured lifestyle with high expectations & opportunity to form positive relationships & alliances, substance abusing incarcerated females, 33128
classroom intervention strategies, management of behavioral disturbances & cognitive deficits, traumatic brain injured children & adolescents, 17233
community-based rehabilitation's involvement with disabled people's organizations & the disability rights movement, disabled individuals & their parents, 27772
companion bird, depression & loneliness & morale on admission vs 10 days later, 65–95 yr olds entering skilled rehabilitation unit following hospitalization, 20301
comprehensive rehabilitation program, health risks & psychosocial consequences & life habits, adults with myocardial infarctions, Sweden, 5 yr follow up study, 27770
conductive education, functional & motor skills, 3–12 yr olds with cerebral palsy, Australia vs Hungary, 5696
contributions to neuropsychological rehabilitation with disorders of self-awareness following brain injuries, E. A. Weinstein, 16954
contributions to neuropsychological rehabilitation, A. R. Luria, biography, 16938
coping strategies & social support & rehabilitation adherence levels following knee surgery, 16–40 yr old injured athletes, 24294
costs of delayed treatment, disabled low back pain patients in rehabilitation program, 16943
critical pathways defining services from admission to discharge to achieve optimal goals in interdisciplinary rehabilitation program for postacute brain injury, 5384
development of Transformational Paradigm for treatment of sex offenders & compulsive sexual behavior, 33130
dextroamphetamine treatment, progression in active rehabilitation, brain injured patients, 32701
dispositional optimism, success in making health changes associated with lower coronary heart disease risk, 40–80 yr old cardiac rehabilitation program patients, 18 wk study, 20306
duration of admission & diagnosis & ward factors, physical aggression & disruptive behavior, psychiatric & brain trauma patients in psychiatric hospital rehabilitation program, Australia, 5353
effective assessment of & treatment strategies for & impediments to & other issues in rehabilitation programs, criminal offenders, 13505
effects of amisulpride & remoxipride & risperidone & clozapine & other neuroleptics in rehabilitation, schizophrenic patients, 16662
efficacy of sexual rehabilitation services, 25–48 yr olds with spinal cord injury, 27771
ethical standards of conduct in publication, rehabilitation researchers, 13645
evolution of therapeutic milieu concept for neuropsychological rehabilitation, young adults with traumatic head injury, 16933
experiences & interventions, family members of children with traumatic brain injuries, 16316
experiences with & adjustment to hearing loss & role of group aural rehabilitation, 28–78 yr olds with hearing loss, 24287
explanatory model of health promoting behaviors & quality of life, 32–65 yr olds with multiple sclerosis, implications for rehabilitation, 36784
factor analysis of Brief Symptom Inventory item responses, psychological assessment, rehospitalized vs non-rehospitalized 18–70 yr old spinal cord injury patients following rehabilitation, 83
factors affecting motivation to participate in geriatric rehabilitation program, 80–94 yr old females admitted for physical & occupational therapy, 9551
factors that predict mobility recovery, subacutely ill patients (mean age 79.5 yrs) admitted to a geriatric rehabilitation unit, Italy, letter, 36586
family intervention, long term rehabilitation & community reintegration, 29 yr old male & 32 yr old female with brain injuries, case reports, 5389
feminist analysis of delayed memories of childhood sexual abuse, adult females, implications for recovery & rehabilitation, 36778
fine & restitution issues in supervision & probation work, low-risk nonviolent offenders, 5440
forensic treatment & rehabilitation of mentally ill criminal offenders, adult male criminal, case report, implications for biopsychosocial interventions, 31967
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, 20307
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, commentary reply, letter, 36786
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, commentary, letter, 36783
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, commentary, letter, 36781
historical review of neuropsychological rehabilitation, 1914–1996, Germany, 16952
hypnosis, pain & neuromuscular rehabilitation, 30 yr old female with multiple sclerosis, 1 mo & 1 yr & 8 yr follow ups, case report, 20046
immediate vs long term strategies & explanations for intervention with stereotypy of self injurious or aggressive or other challenging behavior of intellectually disabled, nursing staff, UK, erratum, 16897
impact of ethics & values & cultural beliefs on rehabilitation, implications for health care personnel & patients' understanding of illness, 20298
integration of pharmacological & psychosocial therapies & rehabilitative services in meeting treatment needs of schizophrenia, 8714
integration of psychiatric rehabilitation into managed care systems, 27624
integrative approach to treatment & rehabilitation of patients with serious mental illness, 36 yr old female with schizophrenia, 1656
intensive rehabilitation, social behavior & independence & quality of life, 17–64 yr olds, 31761
interval between identification of need for & fitting of & subsequent use of hearing aids, hearing impaired 4.3–13.9 yr olds, Denmark, 20108
issues related to Rehabilitation Act Amendments of 1992 & delivery of rehabilitation services to disabled community, 5398
language rehabilitation, picture naming deficits & semantic memory, 19 & 40 yr old females with amnestic aphasia, 24354

learning & information needs during & following hospitalization, rehabilitation patients, 6 wk followup, 9529
lesion site & degree of improvement after rehabilitation, 46–59 yr old aphasic patients, Italy, 39480
life narratives during rehabilitation & recovery, female with traumatic head injury, 16953
listening to preferred music during exercise, perceived exertion & mood & time estimation, adult male cardiac rehabilitation patients, 16947
Measure of Processes of Care, perceptions of health care providers' behaviors, parents receiving child care services from rehabilitation services vs cleft lip & palate program, Canada, 20177
mental health aspects of International Classification of Impairments & Disabilities & Handicaps & use in field of rehabilitation & need for assessment guidelines, 15830
methodological limitations in neuropsychological tests in measurement of disability & functional independence following rehabilitation, 15–67 yr olds with traumatic brain injury, commentary, 31801
microcomputer rehabilitation of picture naming disorders, written vs oral naming process, 22–76 yr old aphasic stroke patients, 24351
motivating effect of computerized vs manipulative vision therapy techniques, training in stereopsis & spatial visualization, 8.3–12.5 yr olds with visual disabilities, 5390
motivation & quality of life approach to defining rehabilitation goals, mentally retarded persons, 24290
motivation model, rehabilitation patients, 16729
motivational vs confrontational intervention approaches, child sex offenders, 32040
multicontext rehabilitation treatment, 56 yr old female & 63 & 64 yr old males with Balint's syndrome, case report, 20304
multiculturalism & affirmative action & Section 21 of 1992 Rehabilitation Act Amendments, 16949
multifaceted definition of intrapersonal component of empowerment in rehabilitation services, 13413
need for comprehensive & multidisciplinary assessment during rehabilitation to promote recovery & facilitate school & community reentry, children with traumatic brain injuries, 20299
neuropsychological tests in measurement of impairment & disability & functional independence following rehabilitation, 15–67 yr olds with traumatic brain injury, 31884
new sex offender treatment programs in relation to repealed sexual psychopath legislation & orientation toward child molestation vs sex offenses of adults, 20373
parent vs teacher ratings of adaptive skills, 3–12 yr olds with multiple disabilities in rehabilitation day treatment, 19101
pelvic floor rehabilitation, degree of control of ejaculatory reflex, male 20–52 yr olds with premature ejaculation, 9548
post-stroke depression & pattern of treatment, length of stay & functional improvement & rehabilitation outcomes, patients in rehabilitation center, Singapore, 13417
problems with needs assessment & service delivery & coordination & brokerage in case management, multiproblem offenders, 5443
profile of university programs for preparation of professionals for instructional & rehabilitation services to persons with visual impairments, college teachers, 20445
prosthetic rehabilitation in older patients with major lower limb amputation, literature review, 27768
psychiatric rehabilitation services in managed behavioral health care systems, persons with long term mental illness, 27626
psychosocial risk factors & reduction interventions, patients with cardiovascular disease, research review, 23999
recidivism after treatment program, 12–19 yr old male rapists vs child sexual offenders, 2+ yr follow up, 20372
rehabilitation therapy, mental age, mildly vs moderately mentally retarded adolescents, Italy, 3.5 yr study, 5387
right eye patching, rehabilitation effectiveness for left-sided visual neglect, brain-injured 61–82 yr olds with right hemisphere lesions & unilateral visual neglect symptoms, 31908
role of conventional neuroleptics in rehabilitation, hospitalization & relapses & side effects, schizophrenic patients, 16624
role of workplace in development & successful rehabilitation & prevention of musculoskeletal disorders, female 20–55 yr old industrial workers, 5430
self-expression video workshop for rehabilitation, psychiatric patients, Belgium, 16985
services offered by community agencies & organizations for psychiatric rehabilitation, India, 16955
social & behavioral & environmental factors & ethnic minority status & psychosocial reactions & disabling conditions & secondary complications following rehabilitation, literature review, 36785
therapeutic & interpretive & consoling & integrative & conserving role of nurses, rehabilitation of acute stroke patients, 36779
trends in topics of doctoral dissertations on rehabilitation, 1992 & 1993, dissertation bibliography appended, 13412
use of Functional Autonomy Measurement System, assessment of progress during rehabilitation following discharge to home vs original accommodation, 77–89 yr old patients, 121
verbal regulation of movement, movement initiation, male 53 yr old with supplementary motor area syndrome secondary to dominant supplementary motor area lesion, 2051
wellness philosophy & program at community rehabilitation & treatment agency, persons with psychiatric disabilities, 27701

Rehabilitation (Drug) [See Drug Rehabilitation]

Rehabilitation (Psychosocial) [See Psychosocial Rehabilitation]

Rehabilitation (Vocational) [See Vocational Rehabilitation]

Rehabilitation Centers [See Also Sheltered Workshops]—Serials

adaptation of indigenous African games in community based rehabilitation programs, social rehabilitation & integration, individuals with disabilities, 33106

Rehabilitation Counseling—Serials

barriers to culturally sensitive informed choice in rehabilitation counseling, clients with disabilities, 40155
client & counselor relationship attitudes & humanistic conditions facilitating effective rehabilitative counseling relationship & treatment outcomes, 40152
criteria for evaluating & planning qualitative rehabilitation counseling research & elements of research article, 5452
cultural & gender issues & program orientation & coercion, case management & treatment selection for persons with alcohol & other drug abuse problems, rehabilitation counselors, 33053
efficacy of enhanced outreach counseling to reenroll in methadone maintenance 1 yr after discharge from treatment, 26–67 yr old military veterans, 2080
employment attitudes & mental health, long-term unemployed 17–60 yr olds with disabilities, New Zealand, implications for rehabilitative counseling, 38867
ethical dilemmas in corrective counseling & differences in therapeutic process & treatment guidelines, clinicians & voluntary vs nonvoluntary clients, 4752
framework for addressing emotional needs & cognitive themes & behavioral strategies via rehabilitation counseling, consumers with Cluster B personality disorders, 40151
fundamental principles & problems of moral relativism, rational analytic vs collaborative approach to ethics and problem solving in rehabilitation counseling, 33288
humor, adaptation & coping with acquired physical disability, implications for rehabilitation counseling, 27765
improved medical treatment options, life quality & functional outcome & rehabilitation counseling interventions & planning, patients with chronic renal failure, 5400
prestige of master's level training programs in rehabilitation counseling associated with research & training institutes, program directors, 5473
rehabilitation & psychological interventions, physical injury & posttraumatic stress symptoms & pathology, 33 yr old female & 33 yr old male, 33025

skill building approach to family intervention, relationship enhancement model of counseling for families of patients in rehabilitation for severe mental illness, 32189
stage & family systems & family stress theories in rehabilitation practice, families with disabled members, 5395
symptoms & behavior & drug therapy & relapse prevention of obsessive compulsive disorder, impact on employment history & ability to work, implications for rehabilitation counselors & employers, 31972
use of hypnosis in rehabilitation counseling, disabled adult clients, 40154
visual node-link mapping enhanced vs standard drug rehabilitation counseling, behavioral & psychosocial adjustment, opioid addicts, 12 mo followup, 36793
5-phase model of adaptation, innovative rehabilitation counseling, clients with traumatic physically disabling conditions, 5399

Rehabilitation Counselors—Serials
alexithymia & associated somatic symptomatology & suggested etiology, implications for rehabilitation personnel, 19521
client's locus of control & attitudes toward work, counselor's evaluation of client's cooperation, clients with work related disabilities & their rehabilitation counselors, Israel, 5429
cultural & gender issues & program orientation & coercion, case management & treatment selection for persons with alcohol & other drug abuse problems, rehabilitation counselors, 33053
demographic characteristics & motivations & job satisfaction/burnout & employment intentions, psychosocial rehabilitation workers, 13608
development & dimension structure & validity of questionnaire, assessment of satisfaction of Rehabilitation Activities Profile TEAM in team conferences, rehabilitation professionals, 21144
diagnostic implications of mental retardation & mental illness dual diagnosis, implications for rehabilitation counselors, 27767
differentiation of counselor types based on psychometric variables & characteristics of being exemplary, Arkansas Rehabilitation Services vocational rehabilitation counselors & supervisors, 40296
effectiveness of knowledge- & skills-building workshop on treatment of nicotine dependence, chemical dependency counselors & their tobacco-smoking & alcohol-abusing clients, 27860
ethical & professional practices & required ethical training & policies & procedures for processing ethical complaints, addiction counselor certification boards, 33309
guidelines for written scholarship & dissemination of knowledge through journal publication as professional activity, rehabilitation practitioners, 5447
inservice training workshops on reemployment of sexual addicts/offenders, rehabilitation counselors, 5485
interpersonal characteristics, 18–52 yr old rehabilitation counseling students vs college students with vs without congenital vs acquired disabilities, 15813
motivation & working conditions, self esteem & job satisfaction, vocational rehabilitation professionals, 5526
personal history of applicants with physical or behavioral disabilities, rating of functional limitations, vocational rehabilitation counselors, eligibility determination implications, 13466
positive attitudes toward disabled, response to politically correct vs incorrect labels, practicing rehabilitation counselors vs students vs administrators of rehabilitation counseling agencies, 13627
training in client based neuropsychology & treatment, assessment of substance-abusing patients' level of cognitive impairment without prior neuropsychological data, counselors (mean age 34.3 yrs), 19364

Rehabilitation Education—Serials
basic principles & training & role of psychologists in ethical decision making in rehabilitation psychology, 36919
development & implementation of undergraduate psychiatric rehabilitation curriculum, 43499
prestige of master's level training programs in rehabilitation counseling associated with research & training institutes, program directors, 5473

Rehearsal [See Practice]

Reinforcement [See Also Differential Reinforcement, Negative Reinforcement, Noncontingent Reinforcement, Positive Reinforcement, Punishment, Reinforcement Amounts, Reinforcement Schedules, Rewards, Secondary Reinforcement, Self Reinforcement, Social Reinforcement]—Serials
acute smoking exposure, reinforcing value of smoking & self report measures of reward value, adult males vs females, 38642
addictive drugs as reinforcers & their actions on learning & memory systems, literature review, 12264
addictive drugs as reinforcers & their actions on learning & memory systems, literature review, commentary, 12259
addictive drugs as reinforcers & their actions on learning & memory systems, literature review, commentary, 12256
addictive drugs as reinforcers & their actions on learning & memory systems, literature review, commentary reply, 12263
addictive drugs as reinforcers & their actions on learning & memory systems, literature review, commentary, 12221
addictive drugs as reinforcers & their actions on learning & memory systems, literature review, commentary, 12217
addictive drugs as reinforcers & their actions on learning & memory systems, literature review, commentary, 12209
addictive drugs as reinforcers & their actions on learning & memory systems, literature review, commentary, 12220
amphetamine, responding reinforced by the opportunity to run, male rats, application of matching law equation, 38077
arbitrarily applicable stimuli relations & reinforcement, transformation of self discrimination response, adults, Ireland, erratum, 14638
assortative mating occurring in reinforcement process in explanation for speciation, 34409
attention as establishing operation vs reinforcement during functional analyses, individuals with self-injurious behavior, 39138
auditory & visual feedback devices & reinforcement, excessive vocal loudness, 27 & 46 yr old adults with moderate mental retardation, 32158
awareness of aversive vs nonaversive contingency in conditioning, discrimination of startle eyeblink & skin conduction responses, 20–35 yr olds, Germany, 6780
backward chaining & reinforcement & fading, water intake, 12 yr old male with total liquid & food refusal & autism & mental retardation & life threatening gastrointestinal problems, 16730
brief vs extended zone discrimination reinforcer assessment procedure, 1–9 yr olds with feeding disorders, 4884
buprenorphine &/vs concurrent access to nondrug reinforcer, cocaine self administration under FR schedules, male rats, 582
caffeine restriction, subjective acute & withdrawal effects & reinforcement, moderate caffeine consumers, 29610
carbamazepine & isradipine, conditioned taste aversion, female rats, implications regarding confound in research on reduction of drugs' reinforcing effects, 7030
changes in effectiveness or value of reinforcer, within-session changes in pecking response rates, pigeons, 18075
changing cue or context during multiple reminders, long term retention, 82–110 day old infants, 3361
chlorpromazine vs diazepam, temporal response differentiation & progressive ratio motivation to work for food reinforcers, male rats, comparison with data on rhesus monkeys, 3213
combined desensitization & symbolic modeling & reinforcement, reduction of fear of dental exam, 6.3 & 9.7 yr old autistic males, 8869
compound stimulus reinforcement with reinforced vs nonreinforced component, response to intramodal blocking, foraging honeybees, 41195
concurrent schedules with different reinforcer components, within-session changes in response rates & time spent responding, rats & pigeons, 14730

cost equalization, behavioral allocation & binary choice in social settings with noncontingent & contingent reward probabilities for positive reinforcement & punishment, adults, 1019
costs of gaining access to resources, number of visits to & time spent with resources, laboratory mice, 362
Cu/Zn-superoxide dismutase transgene insertion & morphine & mu opiate receptor, locomotor stimulation & sensitization & reinforcement of drug-seeking behavior, male transgenic vs wild-type mice, 25570
development of inexpensive liquid reinforcement dispenser, chimpanzees, 40978
development of inexpensive solid food reinforcement dispenser, chimpanzees, 40977
endogenous opioid & dopaminergic system, mediation of reinforcing effects & consumption of alcohol & alcoholism, humans & mice, 4330
endogenous opioid system as mediator in reinforcing effects of ethanol, adults at high vs low risk for alcoholism development & ethanol preferring vs avoiding mice, 6904
ethanol anticipation on dopamine efflux in nucleus accumbens, reinforcement substrates in alcohol-seeking behavior, male alcohol-preferring vs Wistar rats, 25586
ethanol as neurochemical surrogate of natural reinforcers & role of link between dopamine & opioids, 6870
external & self reinforcement, appropriate conversation, autistic adolescents, 19834
feedback & reinforcement, labor cost & safety behavior, 29–34 yr old male roofers, 5779
food restriction & reinforcement & body weight, progressive ratio performance, male rats, implications for appetite motivation, 29053
functional systems theory, process of reinforcement & brain structure activity, 41364
ginseng total saponin, cocaine induced hyperactivity & conditioned place preference as reinforcement index & apomorphine induced climbing behavior, male mice, 3233
hyperbolic-decay model in prediction of choices & fixed delays & conditioned reinforcement, animals, 34380
lesions induced by intracerebral infusion of ibotenic acid in sublenticular extended amygdala, food reward & reinforcement effects, male rats, 29047
logical functional analysis as approach to refinement of structural diagnostic categories of DSM-IV & application to reinforcement-based disorders of alcoholism & pedophilia, 16049
manipulations of prevocational task requirements & task sequence & reinforcement contingencies, stereotypy, 12 yr old with severe mental retardation, 19836
maternal reinforcement of independence & warmth & self-reported stressful events, internal vs external locus of control, 2nd graders & their mothers, 18545
modafinil, cocaine-like discriminative stimulus & reinforcing effects, adult male rats & rhesus monkeys, 11138
morphine & cocaine vs lithium as psychoactive UCS, saccharin vs NaCl as gustatory CS, female rats, test of reward comparison vs conditioned taste aversion hypotheses of taste–drug reinforcement, 21852
motivation & reinforcement in systemic organization of behavioral acts in individual brain neurons, 21710
naloxone, conditioned taste aversion mediated suppression of ethanol intake on limited access schedule, male rats, 21833
negative & positive consequences & effortfulness & pleasantness, reinforcement & predictors health behavior, college students, 9301
neural network algorithms for reinforcement learning & encoding function of noradrenaline & acetylcholine & dopamine, vertebrates, literature review, 18183
neurochemical & neuroendocrine effects of cocaine on hypothalamo-pituitary-adrenal axis & cocaine reinforcement, 38103
neurochemical mediation of alcohol reinforcement & alcohol dependence, 3241
nonalcoholic beer with vs without 10% added ethanol, alcohol intake & preferences & operant reinforcement, male rats, 631
nondifferential reinforcement, judgment of relations between relations, symbolic language-naive vs -trained chimpanzees, 18085
nucleus accumbens infusions of GABA agonist muscimol &/or antagonist bicuculline, onset & maintenance & termination of ethanol-reinforced responding, male rats, 6924
paired vs multiple stimulus with vs without replacement, assessment of reinforcer preference, 25–45 yr olds with developmental disabilities, 16127
pedal speed dependent automated reinforcement system, measurement of exercise behavior, 18–25 yr old males, 34124
positive vs negative reinforcement sensitivity, escape-maintained destructive behavior, 7–9 yr old inpatients, 39165
prompting & reinforcer sampling & assistance, participation & challenging behavior during leisure skills programming, 23 yr old males with mental retardation, 36307
prompting & repetition & reinforcement procedure, gestural yes-no responding, profoundly mentally retarded 32–33 yr old females, 27217
propranolol, locomotor stimulating & neurochemical & reinforcing effects of cocaine, male rats, 6917
reinforcement & consumer demand theory in strategies for cocaine use reduction, 8251
reinforcement concept in study of learning in simple nervous systems, invertebrates, 41307
reinforcement effectiveness & anxiety sensitivity in sensitivity theory of motivation, implications for behavior assessment & psychopathology & treatment, 7742
reinforcement history as underutilized concept in behavior analysis, 19835
reinforcement history, attention to compound visual cues assessed using computer technique, 4.5– 5.5 yr olds of normal development vs 14 & 15 & 17 yr olds with severe mental retardation, 31473
reinforcement magnitude & psychophysiological mechanisms & solution capacity in transitive inference test, crows vs pigeons, 21515
reinforcement or reward, intrinsic motivation, meta analysis, educational implications, commentary reply, 9918
reinforcement or reward, intrinsic motivation, meta analysis, educational implications, commentary, 9935
reinforcement or reward, intrinsic motivation, meta analysis, educational implications, commentary, 9927
reinforcement or reward, intrinsic motivation, meta analysis, educational implications, commentary, 9926
reinforcement, recruitment of new members & collection of dues, existing volunteer members of chamber of commerce, 17266
reinforcement vs aversion vs neutral stimulus pairing condition, vocal behavior, 11 & 14 mo old females, 7277
reinforcement vs punishment method of decreasing sedentary behavior, activity choice, obese 8–12 yr olds, 23739
reinforcing effect of caffeine self-administration & subjective effects & serving dose, 32–57 yr old coffee vs cola drinkers, 38639
reinforcing effects of GABA A receptor blockade, self infusion of picrotoxin into ventral tegmental & adjacent areas, rats, 29305
reinforcing potency of dopamine agonist 7-OH-DPAT &/vs cocaine self administration, monkeys with vs without cocaine history, 7009
residual gradient vs Q-learning vs advantage updating algorithms for simulated reinforcement learning systems, optimal control in missile-aircraft differential game, 5853
role of tuberomammillary nucleus in neural plasticity & memory & reinforcement processes, rats, literature review, 21662
selectionistic & mechanistic accounts of Skinner's 3-term contingency of reinforcement on pragmatism & determinism & natural selection & operant behavior, 29654
self-verification as means to reinforce clinical progress & therapeutic relationship & as feedback of client's self-views, patients with drug abuse, implications for psychotherapy, 36796
similarity of interactional synchrony & context dependent reinforcement in children's dispositions to comply with or oppose parental instructions, 38579

single vs 2nd morphine exposure, dose effect functions of naloxone precipitation of withdrawal symptoms & suppression of food reinforced operant responding, male rats, 18336
stimulus response in behavior analysis & neural network models of conditioning, commentary reply, erratum, 41196
stimulus response issues in behavior analysis & neural network models of conditioning, erratum, 41197
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25390
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25385
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25378
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25366
stimulus response issues in behavior analysis & neural network models of conditioning, commentary reply, 25364
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25370
stimulus response issues in behavior analysis & neural network models of conditioning & behavioral neuroscience, commentary, 25380
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25387
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25368
stimulus response issues in behavior analysis & neural network models of conditioning, 25363
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25384
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25377
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25371
stimulus response issues in behavior analysis & neural network models of conditioning, commentary, 25362
stimulus-stimulus pairing & automatic reinforcement, vocal response, 2–4 yr olds with severe to moderate language delays, 8879
stimulus–reinforcer & location–reinforcer contingencies, resistance to change, pigeons, 18072
sucrose & toy reinforcement, lever pressing behavior, rats, test of R. J. Herrnstein's response-strength equation, 29067
synthetic cannabinoid CP 55,940, locomotor activity & body temperature & food & water ingestion & conditioned taste avoidance & place preference, male rats, 11171
use of Adolescent Reinforcement Survey Schedule, identification of reinforcing stimuli, adolescents, US vs Japan, 17585
use of praise & other types of reinforcement in regular vs integrated vs self contained special classrooms, elementary school teachers, Canada, 37096
1A/1B receptor specific 5-HT agonist CGS-12066B, 1A receptor specific 5-HT agonist GBR-12909 vs cocaine self administration, male rats, implications for dopamine mediated reinforcement, 15074
6-OHDA depletion of dopamine in nucleus accumbens, response allocation in T-maze cost-benefit food reinforcement task, male rats, 6613

Reinforcement (Vicarious) [See Vicarious Experiences]

Reinforcement Amounts—Serials

constant vs alternating food delivery schedule, preference for partial vs 100% reinforcement, pigeons, 2931
contingent reinforcer magnitude vs alternative reinforcement, resistance to change in responding, pigeons, replication, 29069
ethanol vs sucrose concentration in sucrose/ethanol vs sucrose solutions, reinforced response behavior, male rats, 29072
food vs water reinforcer type, sensitivity to variation in reinforcer amount & delay, male rats, 21486
key peck vs treadle press response type, sensitivity to variation in reinforcer amount & delay, pigeons, application of self control paradigm, 14725
number of reinforcers during training & VR–VR vs VR–FR reinforcement schedules, key pecking during extinction, pigeons, 18090
numerically vs visually quantified arrays of reinforcers, selection, monkeys, 2939
post-training 4-hydroxyamphetamine, retention for reward reduction, male rats, 7057
preceding sample stimulus & proportion of reinforcement in delayed matching to sample task, choice, pigeons, 2928
rate & change in reinforcements, choice behavior, pigeons, 37837
rate & schedule of reinforcement & amount of food access, rate of maintained operants, pigeons, 41204
reinforcement, within-session pattern of running times in T maze sessions, male rats, 14731
reinforcer amount & delay, relative sensitivity in self control choice situation, rats, 18065
response independent reinforcers in VI variable time schedule, within session response patterns, rats vs pigeons, 18086
reward magnitude & probability of reinforcement, spaced-trial operant learning, pigeons, 37841
self control in food reinforcer amount & delay preferences & language ability, 3 vs 5 vs 7 yr olds, 790
signal presentation probabilities & reinforcer distributions, signal detection performance & response bias, college students, 18066
single vs multiple alternatives & amount of reinforcement, task choice, 19–21 yr olds, Japan, 21370
stability of reinforcement, assessment & choice in operant simulation of patch foraging, pigeons, 14736
sucrose solution concentration vs chlordiazepoxide & repeated reward reduction, tolerance to anticontrast & sedative effects, rats, 6886
token reinforcement size & delay & choice & self control, male pigeons, 2930
visual reinforcement, reinforcer magnitude & schedule effects on free-operant responses, male rats, 18079
water deprivation & adjusted amounts in procedure to measure discounting of reinforcer value by delay, rats, 34391

Reinforcement Delay—Serials

amphetamine with immediate vs resetting- vs nonresetting-delayed reinforcement, response acquisition, male rats, 15054
body weight, lever press response acquisition in delayed reinforcement procedure, female rats, 18067
choice procedures & monetary deductions, independent scheduling procedure & delayed reinforcement, 18–22 yr olds, Japan, 21347
constant vs alternating food delivery schedule, preference for partial vs 100% reinforcement, pigeons, 2931
correct motoric CR to tone, delayed food reinforcement & changes in neuron activity in frontal cortex, dogs, translated article, 10968
delayed reinforcement with reduction of confinement in goal box & elimination of handling following runway traversal, male rats, 2926
drugs with serotonergic actions, response choice under varying delays of reinforcement, rats, implications for mechanisms of impulsive behavior, 15025
FI vs VI reinforcement, response rate & memory for delay, pigeons, 18045
food vs water reinforcer type, sensitivity to variation in reinforcer amount & delay, male rats, 21486
frequency & recency of prior interfood intervals, time discrimination, pigeons, test of diffusion generalization model, 2929
key peck vs treadle press response type, sensitivity to variation in reinforcer amount & delay, pigeons, application of self control paradigm, 14725
monetary reward size, independence of delay-discounting reward rate, college students, 6381
postconditioning manipulation of contextual cues, instrumental performance on signaled delay of reinforcement schedule, male rats, 18080
preceding sample stimulus & proportion of reinforcement in delayed matching to sample task, choice, pigeons, 2928
reinforcer amount & delay, relative sensitivity in self control choice situation, rats, 18065
self control in food reinforcer amount & delay preferences & language ability, 3 vs 5 vs 7 yr olds, 790

serotonin agonists or antagonists, strategies in choice between delayed reinforcers, rats, implications for validity of operant paradigm, 15012
temporal control in brief vs long unscheduled transition in interval duration during fixed-interval reinforcement schedule, rats, 37826
token reinforcement size & delay & choice & self control, male pigeons, 2930
water deprivation & adjusted amounts in procedure to measure discounting of reinforcer value by delay, rats, 34391
Reinforcement Schedules [See Also Concurrent Reinforcement Schedules, Fixed Interval Reinforcement, Fixed Ratio Reinforcement, Reinforcement Delay, Variable Interval Reinforcement, Variable Ratio Reinforcement]—Serials
adjustment to changes in time of reinforcement, peak interval responding, male rats, 25373
analysis of cocaine self-administration under progressive ratio reinforcement, rhesus monkeys, 629
behavioral sensitivity to changing rates of reinforcement, 8–12 yr olds with ADHD, 23164
changes in duration of reinforcement, behavioral contrast, pigeons, 34476
choice procedures & monetary deductions, independent scheduling procedure & delayed reinforcement, 18–22 yr olds, Japan, 21347
concurrent saccharin, oral PCP self-administration in progressive ratio schedule, rhesus monkeys, 41514
continuous vs intermittent reinforcement vs extinction schedule, buying & following instructions comprised of novel verbal stimuli, 8–10 yr olds, 28839
continuous vs VR vs FR reinforcement schedules, within-session patterns of operant response rate, male gerbils, 34393
demand curve similarities of progressive vs FR schedules of food delivery, hens, 21493
discrimination learning in initial vs prolonged FI & peak interval training, peak response distribution, pigeons, 357
drugs of abuse, behavior under fixed consecutive number schedules, rats, 41523
food reinforcement schedule simulating extremes of natural search-effort-prey-encounter contingencies, adaptive foraging response, female starlings, 25401
FR vs continent schedule of compliance with mands & functional communication training, destructive behavior function, male 12 & 15 yr olds exhibiting self-injury & aggression & property destruction, 39134
frequency level of thetadriving septal stimulation, continuously vs partially reinforced running, male rats, test of frustration anxiety hypothesis, erratum, 540
lever pressing for pulses under fixed variable vs interval vs ratio reinforcement schedule, electrical self stimulation rewards, male rats with lateral hypothalamic electrodes, 6622
methods for collecting & representing response rates maintained by schedules of reinforcement, pigeons, 2938
model for behavior regulation under time based reinforcement, animals, 25374
models of fixed & variable ratio schedule performance, homing pigeons, test of predictions of P. R. Killeen's mathematical principles of reinforcement, 34351
naloxone, sucrose motivated behavior under progressive reinforcement schedule vs under unrestricted access, male rats, 581
nicotine pretreatment, partial reinforcement extinction effect, male rats, 594
operant-based incentive system of individual rewards & schedules of reinforcement, job performance in meeting numerical quotas, 25–40 yr old telemarketers in day vs evening shifts, 37178
pimozide induced dopamine depletion & continuous vs FI schedules of reinforcement, self-administered brain stimulation, male rats with intracranial electrode implants, 29246
prenatal lead exposure, motor behavior in schedule controlled task, squirrel monkeys 3 yrs old & older, 38142
progressive vs fixed rates of contingent reinforcement vs yoked control, abstinence from cigarette smoking, 18–70 yr olds, 16979
rate & change in reinforcements, choice behavior, pigeons, 37837
rate & schedule of reinforcement & amount of food access, rate of maintained operants, pigeons, 41204
reinforcement density, steady state response performance on probabilistic schedules, pigeons, comparison of real-time linear operator model vs temporal control model, 18063
reinforcement schedule & probability changes, within-session response patterns, male rats & pigeons, 25388
reinforcement schedule, behavioral momentum, college students, implications for behavior analysis & therapy, 8874
remoxipride, reduction of cocaine self administration using FR-1 & progressive ratio reinforcement, male rats, implications for treatment of cocaine addiction, 18272
resistance to change in multiple schedules & preference within conditions & subjects in concurrent chains, pigeons, 18059
reward magnitude & probability of reinforcement, spaced-trial operant learning, pigeons, 37841
schedule induction & entrainment in experimental & classroom settings, 8 & 12 & 13 yr olds with severe mental retardation & challenging behaviors, 8859
stopping vs continuing decreased reinforcement rates lengthening interfood intervals, leverpressing producing & terminating time-out, male rats, 29062
sucrose-substitution initiation, alcohol self-administration during continuous alcohol access, rats, 38098
target stimuli yielding various amounts of rewards & penalties &/vs neutral stimuli, value transfer in discrimination learning, pigeons, 6454
temporal control by progressive interval schedules of reinforcement, male rats, 14729
thinning of punishment schedule from continuous to intermittent, self-injurious behavior, 25–39 yr olds with profound mental retardation, 39155
transfer tests of stimulus value & reinforcement context in concurrent chains, pigeons, 41232
type of knowledge of results scheduling, no knowledge of results retention, college students, 17986
use of different schedules of reinforcement in enhancement of academic performance, educators, 40393
visual reinforcement, reinforcer magnitude & schedule effects on free-operant responses, male rats, 18079
6-OHDA lesions of medial prefrontal cortex, self administration of cocaine at higher vs lower doses under progressive ratio reinforcement schedule, male rats, 3251
Reinnervation [See Neural Development]
Rejection (Social) [See Social Acceptance]
Relapse (Disorders)—Serials
abstinence & relapse, neuropsychological functioning & cerebral glucose metabolism, adult patients with severe chronic alcoholism, 32 mo study, 39206
accuracy & bias in real-time vs 12 wk retrospective recall of first lapse & temptation episodes, ex-smokers, 23000
antipanic medication taper, panic relapse & anger & effect of adding cognitive behavioral therapy, 23–46 yr olds with panic disorder, implications for need for long term drug therapy, 5017
applicability & validity of quality of life scales, prediction of recurrence of depression, 41–78 yr olds with manic depression, 14332
atypical antipsychotic olanzapine, relapse & tardive dyskinesia & quality of life, schizophrenic patients, implications for mental health care costs, 32421
atypical antipsychotics, relapse & long term outcome, patients with schizophrenia, conference presentation, 26523
behaviorally oriented social skills training &/vs supportive group therapy &/vs fluphenazine, psychotic relapse & social adjustment, male outpatients with schizophrenia, 19695
brain metabolic correlates of tryptophan depletion induced depressive relapse, 18–65 yr olds with major depression in remission & receiving antidepressants, 35516
brief treatment with vs without adjunctive medication, rates of response & relapse & sustained remission, elderly with recurrent major depression, 13033

carbohydrate deficient transferrin vs gamma-glutamyltransferase levels as relapse detection methods, male alcoholics in outpatient aftercare, Germany, 24324
clozapine withdrawal with vs without prior neuroleptics, relapse of psychotic symptoms, schizophrenic patients, 12 mo followup, 5070
comorbidity with other anxiety disorders & depression & remission & relapse & psychotherapy & somatic treatments, male vs female 19–75 yr olds with generalized anxiety disorder, prospective study, 4216
coping skills training group, self efficacy to withstand relapse, chronic alcohol-dependent inpatients, Norway, followup, 33081
coping strategies, unauthorized drug use, opiate addicted 20–63 yr old methadone maintenance patients, 33032
course & outcome & relapse & development of new psychiatric disorders, 5–18 yr olds with anxiety disorders, 4 yr study, 26568
demographic & personality & addiction characteristics, prediction of in-treatment relapse, substance abusing female 1st time admissions to perinatal treatment program, 2067
demographics & personal resources & psychiatric characteristics, relapse risk, discharged mental health patients (mean age 36.8 yrs), 2-yr study, 30783
dependency & life events & length of survival & prediction of relapse, depressed 18–65 yr olds, 1 yr followup, 4104
depression at time of treatment, prediction of relapse, 19–66 yr old alcohol dependent males, 6 mo followup, New Zealand, 31338
development & reliability & validity of Cocaine Relapse Interview, adult cocaine & alcohol rehabilitation patients, 6044
development & validation of Relapse Situation Appraisal Questionnaire, adult cocaine users, 6048
development of innovative antipsychotics & response to traditional treatment strategies & economic aspects of relapse & incidence of tardive dyskinesia, patients with schizophrenia, 43146
development of risk & frequency of recurrence, patients with depression, literature review, 26452
dosage level of reduced maintenance fluphenazine decanoate regime, predictors of relapse, schizophrenic outpatients, 2 yr followup, 16630
dual diagnosis & degree of drinking relapse following liver transplantation, patients with cirrhosis or alcohol abuse or dependency, 7 yr study, 16763
duration & phasing out of antiandrogen treatment with testosterone, deviant sexual behavior & relapse, 15–39 yr old paraphilics, 16660
dysfunctional cognitions & personality disorders, major depression relapse, inhouse patients postdischarge, 5 yr followup, 35531
early warning signs & symptoms of prodromal phase of recurrent depression, 29–65 yr olds with major depressive or bipolar disorder, 30851
effect of alcohol-related cues & negative mood induction on desire for alcohol & physiological reactivity, prediction of relapse, alcoholic male patients in substance abuse treatment programs, 31303
efficacy & safety of sertraline vs fluvoxamine, prevention of recurrence of depressive episodes, patients with recurrent unipolar depression, Italy, 2 yr followup, 32413
ERP components in concept formation, prediction of relapse, 19–42 yr olds with schizophrenia, 1.5 yr followup, 7982
expressed emotion & causal attributions & prediction of depressive relapse, spouses of depressed patients, 30856
expressed emotion development & illness course, schizophrenic patients & their families, longitudinal study, replication, 31020
expressed emotion of patient's adult children or spouse, relapse & course of illness, 60 yr olds & older hospitalized for major depressive disorder, 1 yr followup, 30855
family climate & expressed emotion as predictors of relapse after treatment program, 20–60 yr old alcoholic patients, Germany, 43447
family's expressed emotion & individual inpatient psychosocial intervention with vs without family intervention followed by outpatient treatment, relapse rates, young adult psychiatric patients, 24272
fluoxetine discontinuation, relapse, elderly outpatients with dysthymic disorder, 23874
fluoxetine, stability of reversed vs positive neurogenerative symptoms through relapsing or recurrent depressive episodes, 18–65 yr old outpatients with atypical unipolar major depression, 30891
growth hormone response to dopaminergic stimulation with apomorphine during intoxication & after detoxification, relapse following rehabilitation, alcoholics, 6 mo followup, 2075
illness severity & self-efficacy, prediction of relapse & relapse latency & coping behavior, alcoholic adults, 6 mo followup, 4342
immediate recurrence of psychotic symptoms after discontinuation of clozapine, female schizophrenic 30 yr old, case report, implications for supersensitivity vs withdrawal psychosis, 13061
insomnia as prodromal symptom, relapse, 27–49 yr olds with recurrent unipolar nonpsychotic depressive disorder, 35555
life events, onset of recurrent affective episodes, 19–68 yr old unipolar vs bipolar outpatients, 22789
life stress & social support networks & 1st vs recurrent episode, recovery, adults with clinical depression, England, 42252
lithium vs fluvoxamine, recurrent episodes of depression, adults with unipolar disorder, 3-yr followup, 16626
lithium vs no lithium prophylaxis, probabilities of recurrence, patients (mean age 37.3 yrs) with, 36429
long term effectiveness of phenelzine vs imipramine, patients with atypical depression, 23934
long-term treatment outcomes of mortality & recovery & relapse & crossover & prognostic variables, females with bulimia nervosa, literature review, 23209
maintenance nortriptyline with vs without interpersonal psychotherapy, subjective & EEG sleep measures & symptom recurrence, 60–80 yr olds with major depression, 1 yr study, 4737
model of behavioral & monoaminergic variables, prediction of symptom exacerbation risk following haloperidol withdrawal, 20–63 yr old schizophrenic males, 4191
monitoring prodromal symptoms as predictor of relapse, schizophrenic patients, literature review, 4158
naturalistic course of remission & relapse & recurrence, patients with endogenous/melancholia subtype of depression, literature review, 26464
neuroleptic compliance & relapse & rehospitalization, patients (mean age 26 yrs) with 1st episode schizophrenia, Switzerland, prospective study, 32405
nicotine dependence & self-efficacy & attributions & affective reactions to initial smoking lapse, prediction of progression & characteristics of relapse, adults in smoking cessation program, 9615
nicotine withdrawal effects on anger & depression & craving & appetite & confusion & tension, time to relapse following abstinence, 22–63 yr old ex-smokers, 5424
observable behavior of remitted patients & their interviewer during discharge interview, prediction of relapse, 25–68 yr old inpatients with depression, 6 mo followup, 38981
outcome & assessment of differences in duration & severity of disorder to define recovery & recurrence, 8–17 yr olds with major depressive disorder, 1–5 yr followup, 35525
outcome & relapse, 20–62 yr olds with bipolar disorder on maintenance pharmacotherapy, implications for use of bupropion & associated mania, commentary, letter, 13074
outcome & relapse, 20–62 yr olds with bipolar disorder on maintenance pharmacotherapy, implications for use of bupropion & associated mania, commentary reply, letter, 12973
outcome & relapse, 20–62 yr olds with bipolar disorder on maintenance pharmacotherapy, commentary, letter, 13007
parental communication deviance, prediction of relapse, males with schizophrenia & their parents, 1 yr followup, 4193

patient attributes & relatives' expressed emotion & household composition as risk factors for relapse, Ss (mean age 20.5 yrs) with schizophrenia & related disorders, Netherlands, 19208
pharmacological treatment tactics & duration of remission & frequency of relapses & maintenance treatment cessation, 20–77 yr olds with schizoaffective or paranoid schizophrenia, 5054
posttreatment course of bereavement-related depression, elderly patients treated with nortriptyline or placebo with vs without interpersonal psychotherapy, 2 yr study, 23549
prevalence & recurrence & relapse & chronicity of depression & costs to economy, literature review, 15918
probability of recurrence in long term fluvoxamine vs lithium treatment, patients with unipolar depression, 36 mo followup, 12967
process of coming to terms with 1st recurrence of cancer, parents & children's guardians, 8540
processes underlying relapse, alcohol dependent 28–61 yr old males, Sweden, 12228
psychoanalytic approach to substance abuse & addiction as manifestations of unresolved fantasy & relapse prevention through compromise formations, 40 yr old male with anxiety & polydrug abuse, 24300
psychological & social & economic impact of recurrent cancer & treatment, patients, 4 & 8 mo followups, 8542
psychometric validity of Adolescent Relapse Coping Questionnaire, assessment of alcohol & drug abuse & abstinence-related coping behaviors in relapse-risk situations, 13–19 yr olds, 1 yr followup, 14322
quality of life & alcohol consumption & relapse, male posttreatment alcohol dependent inpatient veterans returning vs not returning to limited drinking, 1 yr followup, 12262
recovery & chronicity & recurrent nature of major depression, literature review, 22786
recovery & termination of nortriptyline, depressive & anxiety symptoms as predictors of depression recurrence, elderly with major depression, 3 yr followup, 19958
recurrence & chronicity of depression & undertreatment with antidepressants, patients, 12 wk to 10 yr followups, 9097
recurrence & relapse & longitudinal outcome in & pharmacologic & electroconvulsive prophylaxis of geriatric depression, literature review, 32556
referral intensity, engagement & relapse & retention in outpatient treatment, females (mean age 33.5 yrs) with alcohol or other drug problems, 33058
relapse & management of alcohol dependence, 8277
relapse episodes, male vs female 18–60 yr old cocaine dependent patients, 12243
relapse in cognitive behavior therapy, patient with panic disorder arising from preexisting vasovagal reactions to blood injury stimuli, case study, 19225
relapse of panic disorder induced by intravenous methamphetamine injection, 33-yr-old female, Japan, implications for psychotropic treatment, 31085
relapse precipitants & reasons & methods for stopping drinking again, abstinence seeking alcohol dependent 23–65 yr olds in outpatient treatment programs, Canada, 43449
relapse risk following abrupt vs gradual withdrawal of maintenance neuroleptic treatment, schizophrenic patients, 36526
role of conventional neuroleptics in rehabilitation, hospitalization & relapses & side effects, schizophrenic patients, 16624
role of expressed emotion in etiology & course of affective disorders & relapse & as measure of family experiences, affectively ill patients, 19145
seizure recurrence & psychosocial outcome, patients who underwent en bloc anterior temporal lobe resection for lesions associated with intractable seizures, follow up study, 39902
self-esteem & attributional style & social adjustment & social support & clinical risk factors as predictors of recurrence, recovered bipolar & unipolar depressive patients, prospective study, 42286
sensitization, psychosis & relapse vulnerability, adult inpatients with cocaine dependence, followup study, 35796
serum lithium levels, psychosocial functioning & relapse, 18–75 yr olds with bipolar I disorder, 13051
sex & age & recurrence or continuation of depression or agitation or psychosis, 50–87 yr olds with Alzheimer's disease, 1 yr study, 12635
signal detection algorithm, analysis of interactive effects of depression & nicotine dependence & weight change on late smoking relapse, ex-smokers, 9593
significant change for better & bimodal response as causes for relapse, borderline analysands with childhood traumatization, 19876
standard vs low vs targeted dose of fluphenazine & applied vs supportive family management, relapse & rehospitalization, patients with schizophrenia (mean age 29.6 yrs), 31980
stressors & prior history & relapse, outpatients with bipolar disorder (mean age 41.8 yrs), 42264
structural equation modeling of emotional & psychological distress & social instability & coping skills & relapse, Black male substance abusers, 6 mo study, test of bidirectional theory of addiction, 26651
termination of pharmacotherapy, recurrence of depressive symptoms, asymptomatic & euthymic & depressed spousal caregivers of dementia patients, Canada, 23912
time between relapse start & interview, retrospective relapse reports, 18–60 yr olds undergoing cocaine abuse treatment, 9601
treatment retention for less vs more than 6 mo & employment status, continued cocaine use, 21–62 yr olds with methadone maintenance reporting cocaine use in previous yr, 2070
urge intensity & temptation episodes, prediction of subsequent lapse risk, adult smokers who recently quit, 18825
use & confusion in terms of early warning signs of impending relapse vs prodromal symptoms, patients with schizophrenia, 4143
use of biochemical markers in monitoring & prevention of relapse, alcohol abusing patients, implications for treatment, 24299
venlafaxine, relapse, outpatients with major depression (mean age 40.9 yrs), 19931

Relapse Prevention—Serials

animal models of effects of savings from prior learning on later learning & application to relapse & maintenance of therapeutic outcomes, 41203
bright vs dim light therapy after partial sleep deprivation, prevention of symptom relapse, antidepressant treated 26–69 yr olds with major depression or depressed episode of bipolar disorder, Austria, 1888
cognitive & behavioral strategies, prevention of relapse in weight control, commentary, 9297
cognitive & behavioral strategies, prevention of relapse in weight control, commentary reply, 5240
cognitive-behavioral relapse prevention program, interpersonal problem solving & negative affect regulation, 18–56 yr old males convicted of driving while disqualified, Australia, 36284
cognitive therapy outcome & relapse prevention effectiveness & response prediction in treatment of affective disorders, 1967–95, research review, 8845
continuation of cognitive behavioral therapy, relapse of major depression, 11–17 yr olds in remission, 8840
Coping with Depression course as part of aftercare, relapse & maintenance, clinically depressed psychiatric inpatients or outpatients, 8841
desipramine, relapse prevention, patients with alcohol dependence with vs without secondary depression, 13441
early intervention & secondary prevention & outcome predictors of early psychosis, 30989
effectiveness of multi-component smoking relapse intervention, pregnant females, followup, 43452
fluvoxamine maintenance, prevention of relapse, patients with bulimia nervosa successfully treated with psychotherapy, 9064
group coping skills with time & arousal management & cognitive restructuring & social skills, relapse reduction & treatment goals achievement, schizophrenic 18–60 yr olds, 6 mo followup, 12859

haloperidol plasma concentration, relapse prevention, 21–48 yr old schizophrenic patients, 3 yr followup, conference presentation, 9024
high dose estrogen immediately following delivery, relapse prevention, pregnant females with histories of puerperal psychosis vs major depression & no nonpuerperal affective disorder, 1856
intensive behavior therapy followed by maintenance self-monitoring & brief therapist contact, symptoms & relapse prevention, 21–37 yr olds with obsessive compulsive disorder, 6 mo followup, 12849
long term antidepressant therapy, relapse prevention & prophylaxis, depressed patients, 13020
managed care for prevention of relapse & provision of community based support services for lowering of total health care expenditures, schizophrenic patients, 13237
opioid antagonists, alcohol consumption & relapse, patients with alcohol dependence, literature review, 5077
paroxetine vs imipramine in medium term continuation therapy, relapse prevention, ECT treated major depression patients, Denmark, 12998
psychoeducational family programs with medication management & relapse prevention, psychotic patients & their families, conference presentation, 4895
relapse intervention component of Lung Health Study, smoking cessation program participants, 5 yr longitudinal study, 40175
relapse prevention with & adverse effects & cost considerations of clozapine & risperidone & other new antipsychotic drugs, patients with schizophrenia, 23864
social support network needs, relapse prevention, adults with schizophrenia, 15933
treatment matching & client characteristics of craving & cognitive function & alcohol dependence severity, outcome of naltrexone & relapse prevention vs supportive therapy, alcoholic patients, 9590
treatment recommendations & relapse prevention following acute schizophrenic episode, conference presentation, 5226

Relationship Termination [See Also Marital Separation]—Serials

codependency & termination of relationships, lesbians, 22359
role of intimacy in contemporary couple relationships & reasons for relationship breakdown & available support services, 41875
transformation of romantic relationship to friendship, adult lesbian ex-lovers, application of psychoanalytic relational theories, 7569

Relativism—Serials

problems associated with relativism & empiricism approach to psychology & scientific realism as alternative approach, 21954
relativism in social work paradigms & concerns regarding a relativist meta-paradigm, 41813

Relaxation—Serials

behavioral relaxation training, short & long term memory & incidental learning, adults with severe intellectual disabilities, 16534
biofeedback & hypnosis & relaxation & cognitive behavioral approaches, patients with tinnitus, literature review, 32658
circadian rest-activity rhythm phase delays & amplitude & entrainment to 24-hr day, 18–65 yr old outpatients with seasonal affective disorder, 35573
CNS effects of relaxation response, 18–49 yr olds, 3156
computer based cognitive restructuring vs relaxation, rationally mediated self-esteem, 11th & 12th graders with below average self esteem, 18487
eye movement desensitization & restructuring & mentally active vs mental relaxation conditions, T-wave amplitude & heart rate & alpha activity, 21–54 yr olds, Australia, 12852
factors affecting use of nonpharmacologic techniques of distraction & focusing on breathing & relaxing & imagery & changing perceptions of painful stimuli with patients, 27–51 yr old pediatric nurses, 9228
music & hand massage, relaxation & decreasing aggressive behavior, female cognitive impaired elderly nursing home residents, 13137
neutral vs dysphoric face viewing after hyperventilation vs relaxation, self-rated emotional reactivity, adult female top vs bottom scoring 15 percent on Anxiety Sensitivity Index, 30488
pets vs no pets in home setting, systolic & diastolic BP & heart rate & mean arterial pressure & relaxation & activity levels, 58–82 yr olds with essential hypertension & other medical conditions, 8552
physiological & subjective responses during relaxation & stress, adults with alexithymia vs other clinical disorders, 26386
relaxation & mental imagery as hypnobehavioral treatment, 6–13 yr olds with functional dysphagia or food aversion or globus hystericus or phagophobia, case report, 13103
relaxation &/vs mucosal immune imagery, mediation of mucosal immunoglobulin A levels via self efficacy & confidence & anxiety & stress & mindfulness & calmness, adult high vs low absorbers, 3153
relaxation, secretory immunoglobulin A, 8–12 yr olds with recurrent upper respiratory tract infections, 12459
relaxation technique, blood lipid levels, 39–76 yr old males with hyperlipidemia, 13126
self-control intervention program, eating & relaxing behaviors, 37 & 42 & 47 yr old females with Type A behavior pattern & physical/psychosomatic symptoms, Japan, 8872
self hypnosis & relaxation, psychological distress & immune system reactivity to examination stress, 1st yr medical students, 2122
self monitoring & dissociative hypnotic techniques & relaxation & mental imagery, 3–17 yr olds with trichotillomania, case report, 13104
systematic-relaxation exercises after autogenic training, divergent productions that measure creativity & convergent performance, 8–10 & 67–80 yr olds & college students, 38393
types of relaxation responses, practitioners of massage vs progressive muscle relaxation vs yoga vs stretching vs breathing vs imagery vs meditation techniques, 5139
use of Alexander Technique with communication limited clients for organization & use of own body, relaxation & posture & anxiety & spasticity, learning & physically disabled, 9549
validity of Behavioral Rating Scale, observational method of assessing degree to which individuals show relaxation response, 18–24 yr olds, implications for stress management, 34055

Relaxation Therapy [See Also Progressive Relaxation Therapy]—Serials

age & medical or psychiatric diagnosis, effectiveness of relaxation training, physically or mentally ill 61–77 yr old nursing home patients, 24246
behavioral relaxation therapy, short term memory & incidental learning task & general knowledge & self assessed anxiety, 28–53 yr olds with moderate intellectual disabilities, replication, 35921
biofeedback &/vs relaxation, symptoms of psoriasis, patients, 24000
biofeedback-assisted relaxation, mental stress test reactivity, adults with mild hypertension, Israel, 6 mo followup, 9227
biofeedback assisted relaxation therapy, 20–60 yr olds with posttraumatic headache, 5126
breathing therapy, anxiety level & symptoms, 17–62 yr olds with hyperventilation syndrome & anxiety disorder, 23986
cognitive attentional skills vs relaxation training, test anxiety & academic achievement, female 9th graders, India, 2187
cognitive behavior therapy vs progressive relaxation, functional impairment & fatigue & psychological stress outcomes, adults with chronic fatigue syndrome, 23998

religious beliefs & issues & practices in psychotherapy, letter, 32076
religious practices & interfaith marriage, denominational retention & switching among Orthodox & Conservative & Reform denominations, Jews, 18700
ritualization of vision & openness to expressions of numinosity in life of Ralph Waldo Emerson, implications for appearance of Transcendentalism in US, 18366
scores on Eysenck Personality Questionnaire, frequency of personal prayer & church attendance, male college students, 893
symbolic religious vs instrumental religious objectives, variation in protest activities, pro life movement anti abortion activists, 15394
traditional healing rituals, culturally specific social work interventions, Negev Bedouin, Israel, 5289
Religious Prejudices [See Also AntiSemitism]—Serials
heuristic principles of judgment & religious vs political content of religious conservative source cues, political choices & judgments, college students, 38584
treatment & attitudes towards disability, Western religious traditions & institutions, 38500
REM [See Rapid Eye Movement]
REM Dream Deprivation—Serials
pulsed high-frequency electromagnetic fields, REM sleep, healthy 21–34 yr olds, implications for effects on mnestic functions & learning processes, 6717
REM Dreams—Serials
holistic vs analytic processing, sleep onset & REM sleep reports, adults, test of cognitive psycholinguistic model, 2910
REM sleep dream recall & content, 14–28 yr old right hemispherectomized epileptic patients, 31835
REM Sleep—Serials
absence of platelet MAO-B & increased plasma serotonin, cataplexy & unarousable REM sleep & seizures, male patients with atonic spells & apnea & Norrie disease gene deletions, 12497
acute vs chronic citalopram, REM & NREM sleep inhibition & EEG power spectrum & behavior, male rats, 7013
acute vs subacute nefazodone vs paroxetine, REM sleep & latency & awakenings, healthy 14–45 yr olds, 7070
amount of REM sleep deprivation, sexual behavior, male rats, 14968
antidepressant drugs, REM & nonREM sleep, implications for clinical improvement, 39847
Brief Psychiatric Rating Scale symptom factors & sleep onset latency & sleep time & slow wave sleep & REM minutes & latency, 19–47 yr olds with schizophrenia, 31055
cellular recordings from multiple neocortical areas, synchronization of fast spontaneous cortical rhythms during arousal vs sleep induced brain activation, cats, 11037
cholinergic abnormalities in strain & abnormal light or dark pulses, REM & NREM sleep patterns, Flinders Sensitive Line rats, 6731
cholinesterase inhibitor tetrahydroaminoacridine, onset & latency of REM sleep, healthy 21–50 yr olds, 11193
chronic haloperidol vs REM sleep deprivation, REM sleep rebound & involvement of dopamine receptor up-regulation, male rats, 38155
dream content during REM sleep, mood states, 21–63 yr olds with unipolar or bipolar disorder hospitalized for depressive episode, 26438
DST nonsuppression & REM latency & positive & negative & depressive symptoms, schizophrenic inpatients, 26517
ECT, REM latency, 37–80 yrs with major depression, 39860
felbamate vs lamotrigine vs carbamazepine vs phenobarbital, EEG REM & NREM sleep & waking in light & dark phases, male rats, 11107
first night effect in new situation reaction, REM sleep structure, hospitalized adults with depression, 42283
food deprivation or icv adrenaline, EEG & EKG & EMG & EOG patterns of postprandial slow wave & REM sleep, pigeons, 14933
gaboxadol, nocturnal & REM & NREM sleep, 22–31 yr old males, 29537
imposed sleep wake schedule followed by sleep restriction, dysregulation of sleep latency & REM sleep & recovery sleep, 12–18 yr olds with major depression, 7903
inverse benzodiazepine receptor agonist beta-carboline-3-carboxylate & REM sleep, 3291
Lewy body disease, 84 yr old male with REM sleep behavior disorder, case report, commentary with reply, letter, 12473
melatonin, REM & non-REM sleep time & efficiency & latency, 41–67 yr olds, 568
microdialysis perfusion of 8-OH-DPAT in role of dorsal raphe nucleus, serotonin release & REM sleep, cats, 10995
mother child & sexual social bonding hypothesis of REM sleep, mammals, 21792
nefazodone vs fluoxetine, sleep architecture & clinician- & patient-rated sleep measures, outpatients with moderate to severe major depression and insomnia, 36410
neural network processing of EEG data for recognition of REM sleep, adult depressed patients with vs without amitriptyline treatment, Germany, 20902
neural plasticity & paradoxical sleep following acquisition in formal tasks & exposure to enriched environments, learning & memory, conference presentation, 492
number of eye movements in REM sleep & visual imagery in dreaming, 36 yr old male, 34316

paradoxical sleep deprivation, avoidance performance & sleep recording, male rats, 25548
paroxetine, REM & NREM sleep EEG microstructure, healthy male 23–32 yr olds, 41516
postmortem brain stem histochemical analysis, 72 yr old male with REM sleep disorder & delayed-emergence Alzheimer's disease, case report, 31625
pretraining paradoxical sleep deprivation, 2-way active avoidance conditioning & retention, male rats, 351
REM & short wave sleep, depressed patients with vs without 1st night effect, 39010
REM latency vs thyrotropin releasing hormone stimulation vs dexamethasone suppression test, discrimination of endogenous vs nonendogenous depression, adult inpatients vs outpatients, 30904
REM sleep behavior, 43–80 yr olds with multiple system atrophy, Italy, 36128
REM sleep deprivation, reduced inhibitory potency of serotonin reuptake blockers on central serotonergic neurons in dorsal raphe nucleus, male rats, 10977
scopolamine, REM latency & duration & activity, 19–62 yr olds with remitted vs nonremitted unipolar depression, implications for cholinergic dysregulation, 30898
selective & total sleep deprivation, non-REM sleep vs REM sleep EEG parameters, male rats, 29450
sleep continuity & architecture parameters & sleep onset REM periods & response to ECT, 38–88 yr olds with major depression, 27481
static charge sensitive bed recordings of standard sleep & sleep activity stages, adults, 6736
total sleep time & REM sleep during acute vs subacute withdrawal period of short term abstinence, alcoholic vs stimulant abusing patients, 1402
tricyclic antidepressants vs selective serotonin reuptake inhibitors vs nefazodone, REM & slow wave & nonrestorative sleep, depressed patients, literature review, 9027
unipolar depression comorbidity, REM sleep densities & latencies & percents of sleep & facial EMG activity, inpatients with Vietnam combat related PTSD, 1326
zimelidine & REM sleep deprivation, nucleus raphe dorsalis neurons & response to citalopram, male rats, animal model of depression, 6989
zopiclone, transition from slow wave sleep to paradoxical sleep, male rats, 29546
10 vs 20 mg 5-HT1A agonist ipsapirone, REM sleep suppression, adults with major depression, 9071

Remarriage—Serials
age & sex & other demographic characteristics, patterns of entrance & re-entrance into marriage, 50 yr olds & older, Russia, 30131
attitudes toward dating & remarriage, frequency of remarrying or becoming romantically involved, widows vs widowers questioned 2 vs 7 vs 13 vs 19 vs 25 mo after spouse's death, 22274
family therapy & counseling before remarriage & use of ritual, 27265
father's SES & mother's vs father's education & remarriage & child's age & mother's sole vs joint custody, postdivorce contact with children, fathers, 11568
marital status & number of partnerships, division of housework, adults, England, longitudinal study, 38544
parental treatment, social & emotional adjustment & problem behavior, biological vs nonbiological 10–18 yr old siblings of nondivorced vs remarried families, 18594
period of 1-parent family life & child's preadolescent or adolescent development, relations with sons vs daughters in stepfather families, remarried mothers, literature review, 30165
Program Box Ritual technique, pre-marital & second marriage family counseling, case example, 27266
psychological & economic distress, remarried vs divorced 25 yr olds & older, 7499
psychosocial family history & therapist assessment of remarried family life, stepfamilies seeking help in mental health facilities, 32236
remarriage, coparenting & parenting support from & attitudes toward former spouse & parenting satisfaction & involvement in children's activities, males vs females 3 yrs postdivorce, 30160
typology of stepfamilies based on past orientation & acceptance of difference & focal subsystem & number & ages of children from previous & current marriages, remarried couples, 30159

Remedial Education [See Also Remedial Reading]—Serials
cognitive diagnoses for remedial instruction, computerized adaptive testing system using rule-space methodology, 34071
implications of school-linked services integration reform movement for professional practice & discourse in special & remedial education, 2238
need to improve empirical basis of interventions in curriculum design & classroom management & academic remediation, implications for teacher training, 36927
parental involvement in reading remediation, young children, literature review, 13704
self-correction procedure, acquisition & maintenance & generalization of written spelling, 7–13 yr old students receiving remedial tutoring for spelling & written language deficits, 33547
teacher-led & independent seat-work techniques to prevent & remediate learning problems & increase accurate response & learning rates, students, 17154
transition of services from remedial class to learning support, pupils with special needs, Malta, 17238

Remedial Reading—Serials
rationale for & key elements of literacy acceleration strategy, secondary age students, 17235
tutoring, phonological & visual & semantic & syntactic skills, difficult-to-remediate vs readily remediated reading impaired 1st graders with cognitive vs experiential deficits, longitudinal study, 13862

Remembering [See Retention]

Reminiscence—Serials
aftereffects & reminiscence, response imagery, young adults, 28712
anticipation of & affective & actual experiences in & subsequent recollection of meaningful life events, travelers & undergraduates, examination of rosy view effect, 38779
cognitive availability of regrettable actions vs inactions, adults, test of attribution of Zeigarnik effect, 41088
collective reminiscence of the immigrant experience, individual adaptation & restoration of identity, 70–80+ yr old Russian Jewish immigrants, 26013
parent child conversations about past event, memory performance, 3–4 yr olds, New Zealand, 743
pathological optimism & nostalgia fantasies as related forms of defensive idealization & unfolding in psychoanalysis, conference presentation, 19874
presence of demonic/bad vs daimonic/good phenomena on natural or supernatural level, treatment progress with memories of happy times, mentally & emotionally disturbed offender patients, 23119
provision of narrative structure in joint retellings of past & children's personal narrative skill development, 40–70 mo olds & their parents, 22013
reminiscence functions in life review group & normative data for Reminiscence Functions Scale, 64–83 yr old male veteran psychiatric inpatients, 8752
reminiscences of training under & contact with Anna Freud concerning child psychoanalysis & psychotherapy, 22611
retrospections on race relations course with required live-in experience with family of another race, racial perceptions & interactions, college students, 20 yr followup, 3594

Remission (Disorders) [See Also Symptom Remission]—Serials
biopsychosocial factors, prediction of symptom remission vs retention, 35–69 yr olds who underwent cardiac surgery, 5193
brief treatment with vs without adjunctive medication, rates of response & relapse & sustained remission, elderly with recurrent major depression, 13033

comorbidity with other anxiety disorders & depression & remission & relapse & psychotherapy & somatic treatments, male vs female 19–75 yr olds with generalized anxiety disorder, prospective study, 4216
concurrent validity of target complaints measure & ability to elicit complaints & sensitivity to client change while in therapy, 18–73 yr psychotherapy clients & therapists, followup, 34006
continuation of cognitive behavioral therapy, relapse of major depression, 11–17 yr olds in remission, 8840
continuation therapy with tricyclic or selective serotonin reuptake inhibitor antidepressants, persistence of deficits in psychomotor & perceptual performance, major depressive patients in remission, 16627
depression & anxiety, 36–67 yr old female long-term breast cancer survivors who had been disease free for at least 5 yrs, 31708
DST & corticotropin releasing hormone challenge test, assessment of hypothalamic-pituitary-adrenal system function, patients with acute vs remitted mania vs major depression, 1255
history of depressive episodes & family members' expressed emotion, remission after short term treatment, outpatients with major depression, Japan, 12813
long term outcome of cognitive behavior therapy with vs without medication, patients in remission from panic disorder, 19821
naturalistic course of remission & relapse & recurrence, patients with endogenous/melancholia subtype of depression, literature review, 26464
personality traits, adults with bipolar I disorder in remission, 30907
personality traits, 28–59 yr olds in remission from primary unipolar depression vs patients in remission from other non-organic mental disorders, Japan, 42288
pharmacological treatment tactics & duration of remission & frequency of relapses & maintenance treatment cessation, 20–77 yr olds with schizoaffective or paranoid schizophrenia, 5054
pituitary–adrenal cortical axis measures, patients with major depression who required continuing treatment vs those who had been successfully tapered off medication, 39827
prediction of remission rates & development of dementia, assessment of severity of subcortical hyperintensities with magnetic resonance imaging, adults with severe depression, longitudinal study, 42265
predictors of remission, patients with panic disorder with or without agoraphobia, 6 mo to 5 yr followup, 42393
psychiatric diagnosis & cognitive achievement & social & school & family functioning, persistence & timing of remission, 6–17 yr old males with ADHD, 4 yr followup, 12312
psychiatric symptoms & hostility & stressful life events during active phase of disease vs remission, patients with ulcerative colitis, Greece, 23234
psychometrics of 28- vs 30-item Clinician-Rated vs Self-Report Inventory of Depressive Symptomatology, severity & response to fluoxetine, patients with major vs remitted depression, 10461
scopolamine, REM latency & duration & activity, 19–62 yr olds with remitted vs nonremitted unipolar depression, implications for cholinergic dysregulation, 30898
sertraline vs imipramine continuation therapy, stability of remission & psychosocial adjustment, 25–65 yr olds with early onset dysthymia without major depression, 23893
tryptophan depletion, mood, medication-free patients who previously suffered from major affective disorder, Canada, 26457

Renal Diseases [See Kidney Diseases]
Renal Transplantation [See Organ Transplantation]
Repairmen [See Technical Service Personnel]
Repeated Measures—Serials
analyses & interpretations of counterbalancing & other uses of repeated-measures Latin-square designs, 20951
interindividual & intraindividual variance in appraisal of emotional states when using lay theories of emotion, 21–42 yr olds, Israel, 11705
Monte Carlo studies of Type I error & power properties of univariate & multivariate procedures for testing within-S effects in split-plot repeated measures designs, meta analysis, 14436
nonlinear mixed-effects models in study of individual differences with repeated measures data, 14425
power differences in univariate vs multivariate statistical detection of repeated measures effects, 28622
repeated measures ANOVA with ipsative data, Type I error rate & power in Monte Carlo paradigm, 28633
repeated presentations of words, ERPS & RT, adults with probable Alzheimer's disease, 16336
repeated questions & age & retention interval & frequency of specific instantiations of items, memory of final occurrence of repeated events, 4–5 vs 6–8 yr olds, Australia, 18505
tests & estimates for unknown covariances in saturated models for repeated measures, 14417
use of empirical Bayes estimator in hybrid univariate & multivariate repeated measures analysis, 37549
use of Monte Carlo techniques to test tetrad contrast hypothesis in single between & within Ss trials repeated measures designs, 147
variation in results of measurement repetition of human characteristics & activities, implications for human control & setting margins in design, 40690

Repetition (Compulsive) [See Compulsive Repetition]
Replication (Experimental) [See Experimental Replication]
Reply (to Professional Criticism) [See Professional Criticism Reply]
Repressed Memory—Serials
accuracy & timing & circumstances of disclosure, recovered & continuous abuse memories, females (mean age 29.5 yrs) who recovered abuse memories in therapy & their 43–72 yr old fathers, 31188
anxiety level & repression & obsessive compulsiveness, autobiographical memories & personality profile, college students, 30549
authenticity of recovered repressed vs false memories involving childhood sexual abuse, sexual offenders, 8297
Canadian Psychiatric Association position paper on recovery of repressed memories & false memory syndrome, adult survivors of childhood sexual abuse, commentary reply, letter, 27119
Canadian Psychiatric Association position paper on recovery of repressed memories & false memory syndrome, adult survivors of childhood sexual abuse, commentary, letter, 27134
careful exploration of 'historical truth' of recovered memories of childhood sexual abuse in mental health therapy, therapists, implications for criminal or civil cases, 1687
child abuse experiences & quality of general childhood memory & nature of recovered abuse memories, nonclinical 17–46 yr olds, 16032
complexity of manifestations of dissociative disorders & recovered memories of childhood abuse & trauma, implications for forensic psychologist role in educating attorneys & providing court testimony, 7876
contextual & ethical associations for understanding & litigating & treating repressed memories of childhood sexual abuse, implications for therapists' role, 23645
creation of repressed & false memories, commentary, 25299
creation of repressed & false memories, 10723
diagnostic criteria & incidence of false memory syndrome, 18–57 yr old females with continuous vs recovered childhood sexual abuse memories, Canada, 31212
emergence of memories of childhood sexual abuse in therapy, female patients, case reports, 8765
ethical issues in repressed memory therapy, 12797
existence & accuracy of recovered memories of childhood sexual abuse, literature review, 31261
factors & risks affecting testimony reliability of psychotherapeutic memory recovery techniques, suspected childhood sexual abuse victims, implications for therapist involvement in litigation, 23609
feminist analysis of delayed memories of childhood sexual abuse, adult females, implications for recovery & rehabilitation, 36778

guidelines for psychotherapeutic & legal & clinical & forensic use of delayed traumatic recall, 1134
hypothetical victim's age at time of alleged sexual abuse & repressed vs nonrepressed testimony, belief that abuse occurred & decision to convict defendant, college students, 24940
identification & processing of flashback from childhood sexual abuse, posttraumatic symptoms, female patient, case report, 4793
importance of discovery of truth of recovered memories of childhood incest, therapists, commentary, 8785
influences of Feminist Therapy Institute & ethical issues & strategies for repressed memory therapy, implications for counselors of child sexual abuse victims, 23607
issues related to use of formerly repressed memories in lawsuits, use of experts for expert testimony & illumination of controversy regarding repressed memories, 2448
legal history & context of repressed memory in childhood sexual abuse civil suits, 33873
malpractice risk management, psychologists who treat patients with lost & recovered memories of childhood abuse, 17090
memories of childhood sexual abuse recovered in therapy, 21399
memory of traumatic experience as flashback vs in narrative form, patients with PTSD, implications for therapy & for childhood memories of abuse, 8016
neurobiology & organization of memory & recovered memories, 41370
neurobiology of repressed traumatic memories, implications for therapeutic retrieval, 23619
opinions of & experiences with repressed memories, 17–65 yr olds, 15685
placement of controversy regarding use of memory recovery techniques in psychotherapy into broader cultural context, symptoms as indicators of sexual abuse history, 1683
plaintiff's memory of abuse as repressed vs nonrepressed & therapeutic intervention & role of false memory syndrome, decisions about child sexual abuse allegations, male vs female mock jurors, 14158
political & historical role of feminist therapy, adult survivors of childhood incest & sexual abuse with repressed memories, implications for professional ethics, 23595
recovered memories of childhood sexual abuse, survivors' perceptions & recall explanations, 21–55 yr old females sexually abused prior to age 18, 31254
recovered memory in psychoanalysis & false accusations & denials of incest, 4943
recovered or false memories of child sexual abuse & legal treatment of claims in court, 20924
repressed & false memories of child abuse & other traumatic events, research review, erratum, 22999
repressed & false memories of child abuse & other traumatic events, research review, 8150
repressed memory & false memory creation, 28963
repression & recovery of traumatic World War II memories & PTSD symptoms, 35665
review of conceptual issues & controversy of repressed memories of childhood sexual abuse & false memories, implications for feminist psychotherapy, 23629
risks & benefits of recovered memory therapy & potential false memories of childhood sexual abuse & trauma in Ramona v Isabella lawsuit, father accused of incest & his bulimic daughter, 4802
role of trauma in use of recovered memories in psychotherapy, 16493
roles of memory & trauma in use of recovered memories in psychotherapy, 16494
suggestibility in treatment as explanation for falsification of recovered memories of childhood sexual abuse involving amnesia, female psychiatric patients, 42468
suggestion vs repression vs personality, recovery of memories of childhood sexual abuse in psychotherapy, 23623
therapist role in legal recourse for repressed memories of child sexual abuse in civil court cases, implications for empowering victims, 24929
traumatic memories of childhood abuse, literature review, implications for recovered memory debate, 31186
validity of repressed memory phenomena & recovered memory therapy in cases of alleged sexual abuse, literature review, 27124

Repression (Defense Mechanism)—Serials

architecture of emotion-related memories & repressive coping style, 19–32 yr olds, 17997
avoidance of negative affect & illusions of unrealistic optimism & overly positive self-evaluations, 18–58 yr old repressive females, 18986
facial emotional expression & symbolic communication correlates of repressive coping during preparation & delivery of self disclosing speech, high vs low anxious female 17–22 yr olds, 3758
heightened recall of pleasant memories as repressive defense against unpleasant stimuli, adults, 35305
proposals for resolution of problems with concept of repression, implications for psychopathology, 19095
psychoanalytic perspectives on "Peggy Sue Got Married" & reconstruction of intrapsychic past by undoing repression & elucidation of mother–daughter relationship, 22605
relationship between repressed emotion & severe paroxysmal hypertension as seen from responses to psychotherapy or drug therapy, patients, case reports, 16431
repressed memory & false memory creation, 28963
suggestion vs repression, recovery of memories of childhood sexual abuse in psychotherapy, commentary, correction, 19739
symbiotic-separation problems & gender identity problems & repression, male 28 yr old with anorexia nervosa, case report, 19473
symbolization of desire & psychoanalysis of original sin & repression in Garden of Eden story & analyst's ability to bracket own desire for analysand, 15122
theory of repression & reliability of memory & recovery techniques & guidelines for therapists, adults with false memory syndrome reporting allegations of childhood sexual abuse, 4803
trait anxiety & social desirability, self-reported vs rated cross-situational variability, high vs low vs defensive-high anxiety vs repressor adults, 2474

Repression Sensitization—Serials

repression desensitization scale & response to public information of water shortage, adult respondents, 26254
repression-sensitization, socioemotional adjustment & academic performance & self image, high school students, 20583
validity of Repression-Sensitization Scale, assessment of emotional control & response style, college students, England, 10419

Reproductive Technology—Serials

assisted reproduction & shifts in structure of modern family from nuclear to nonnuclear & sexuality issues, 24007
attitudes toward rights of participants & other issues in adoption & use of new reproductive technologies such as surrogacy & donor insemination & in vitro fertilization, 28–74 yr old social workers, 11580
childrearing styles & parental characteristics & parent child relationship, in vitro fertilization vs other formerly infertile vs fertile parents of 2–4 yr olds, Netherlands, 7514
ethical & social & legal issues in sex selection, humans, 24098
genetic counseling & screening for cystic fibrosis, health concerns & plans for sperm aspiration from epididymis or in vitro fertilization, male 28–46 yr olds with congenital absence of vas deferens, 13188
national policy for access to information on gamete donor, adults conceived through reproductive technology, New Zealand, 10283
parenting & family relationships & child's social & emotional development, families & 4–8 yr olds conceived with reproductive technology vs naturally vs adopted at birth, reprint, 30173
pros & cons of homologous artificial insemination as treatment for infertility resulting from sexual problems, 24010
psychological impact of infertility and new reproductive technologies, literature review, 23282

psychological stress & responses to infertility & assisted reproductive technology, males vs females, literature review, 23272
religious objections to & feminist concerns about & other social issues related to donor insemination to treat male factor infertility, 24039
sex-selection technology status & use & preference for male vs female firstborn, literature review, 15460
Republican Party [See Political Parties]
Reputation—Serials
company's corporate social performance & reputation & attractiveness to prospective employees, college students, 40603
peer assessment of social reputation, psychometric properties of Revised Class Play method, disruptive vs nondisruptive 2nd–5th graders, 24658
reputation enhancement & self-concept & coping strategies, 13–17 yr old male vs female current vs former substance users vs nonusers, Australia, 11460
social reputation & preference or acceptance of children, sampling bias, teachers & 2nd–12th graders with vs without parental permission to participate in classroom research, 24655
Research [See Experimentation]
Research Design [See Experimental Design]
Research Diagnostic Criteria—Serials
clinical validity & nosological status of Kahlbaum's syndrome within DSM-III—R & DSM-IV & Leonhard's systems & its relation to schizophrenia & mood disorder, adults with catatonia, Spain, 42220
content validity of revised DSM-IV criteria sets, narcissistic & borderline personality disorder diagnoses, patients (mean age 28 yrs) with axis-II disorder, 40859
diagnostic accuracy & confusability of diagnostic categories as applied to Diagnostic Interview for Genetic Studies, sensitivity & specificity of RDC & DSM-III-R, patients, 22705
gender-fair criteria & inclusion of help-seeking, incidence & prevalence of depression, 18–64 yr old males vs females, replication, 39020
reliability of clinical vs research diagnoses of schizophrenia, 16 yr old birth cohort, 11 yr study, Finland, 42326
Research Diagnostic Criteria vs Cornell Depression Scale vs DSM-III-R assessed major depression, patients with dementia (mean age 79.7 yrs), 1 yr study, letter, 36053
Research Dropouts [See Experimental Attrition]
Research Methods [See Methodology]
Research Subjects [See Experimental Subjects]
Resentment [See Hostility]
Reserpine—Serials
scopolamine, motoric & temporal characteristics of vacuous jaw movements induced by reserpine & apomorphine, male rats, model of parkinsonian tremor, 3271
Residence Halls [See Dormitories]
Residency (Medical) [See Medical Residency]
Residential Care Attendants [See Attendants (Institutions)]
Residential Care Institutions [See Also Halfway Houses, Hospitals, Nursing Homes, Orphanages]—Serials
admission criteria for primary inpatient or residential rehabilitation for alcohol or drug abuse/dependence, patients, 9572
admission with vs without children in residential treatment program, treatment retention & completion, 18–50 yr old chemically dependent females, 16982
advances in psychopharmacology & medication regimens & costs associated with institutionalization, psychiatrists at board & care homes, 33142
attitudes toward use of physical restraints in long term care, nursing staff, 9510
attitudes toward working environment & training background & responses to challenging behavior, 18–51 yr old day time direct care staff working with severely learning disabled clients, UK, 5338
care practices & social/recreational activities, & reality orientation cues & physical appearance of ward & space available, behavior, long-stay adults with dementia, 43415
caregiver strain & professional role in assessment of psychiatrically impaired elderly's suitability for foster care or propriety homes, case managers & placement workers, 9514
chain-affiliated business vs sole proprietorship of sheltered care facilities, quality of care & costs, 9516
client characteristics & cost of care, 18–65 yr olds in mental health residential care, England, 36755
cost comparison of traditional mental health inpatient vs community-based care, implications for service provision, England & Wales, 36674
criteria of instrument selection & plan assessment & candidate assessment & evaluation of rival instruments in residential treatment outcome research, 28398
critical factors for service reconfiguration from facility based residential service model to housing & support approach, community living for people with developmental disabilities, 24206
demographic variables as related to length of sobriety, adult female patients in a long-term residential treatment facility, 27782
design for longitudinal study of impact of enhanced environment in assisted living facility on residents' functioning, low to moderate income frail elderly, 17777
design of group living unit, psychiatric symptoms, elderly patients with dementia, Sweden, 1 yr study, 32971
environmental factors of ideal community living facility, operators of small & medium sized residential facilities vs 18–65 yr old mental health consumers in community residential care facility, 5340
evaluation & efficacy of residential–work therapy program, veterans with chronic severe substance abuse disorders (mean age 40.5 yrs), 40178
factor structure of Montgomery-Asberg Depression Rating Scale & Hamilton Rating Scale for Depression, elderly residential care patients with depression, 17667
factors interacting with residentially based treatment, housing stability & employment, adult homeless alcohol & drug abusers, 6 mo followup, 13462
factors used by social workers in discharge decisions, children in residential care, Hong Kong, 16901
FIRO-B Wanted Inclusion & Affection & Total scores, discrimination of successful graduation from peer-culture residential program, male 13–17 yr olds with behavior disorders, 20264
formal restraint reduction program, attitudes toward restraint use & benefits of reduced use, staff & family members of residents of long term care facilities, 20262
group care vs treatment foster care models of residential care, peer perceptions & staff assumptions & strategies for supervision, male adolescent offenders, 17008
group psychotherapy dynamics & therapist's task & difficulties, mildly learning disabled institutionalized adults with emotional & maturational problems, 8899
health status & health care utilization patterns, sheltered care facility residents with severe mental illness, 10 yr study, 20235
hospital & institutional change & care associated with last 3 mo of life, deceased 65–75 yr olds & older, 13372
I. King's theory of Goal Attainment, conceptualization of role and function of a transitional residential program, mentally ill homeless individuals, 27741
intergenerational volunteer program in geriatric settings, teen volunteers & elderly in residential care institutions, 16902
job & personal characteristics & job satisfaction & decision to leave present employment, nursing home nurses, 20463
keyworker role in good practice & empowerment of older people in residential care, 43405
length of stay & social competence & cognitive & clinical factors, staffed vs independent residential placement, under 55 vs 56–67 vs 68 yr old & older psychiatric inpatients, Wales, 27647
liaison involvement & relationship between community mental health teams & residential homes, elderly patients, 24243
life-style & hassles of sheltered care living, patients with serious mental illness, 10 yr follow up, 9517
logistical vs practical vs ethical issues in outcome assessment, residential treatment facilities, 28397

long term community hospital ward vs housing groups with staff support & resident involvement, quality of care & life & staff satisfaction, staff & elderly with dementia, England, 6 vs 12 mo followup, 5344
meaning & experience of involuntary intra-institutional relocation to assisted living, elderly religious sisters living in retirement facility, 9511
Minnesota Contextual Content Analysis, computer based measure of social structure & organizational climate, administrators & staff & residents in residential settings for older people, 37584
model for preparing agencies & practitioners for move to family centered services, residential & nonresidential child & youth care workers, 16820
models & methodology & outcome studies of residential treatment & family preservation services & treatment foster care & individualized services, literature review, 24097
models & methodology & outcome studies of residential treatment & family preservation services & treatment foster care & individualized services, literature review, implications for managed care, 24115
models & methodology & outcome studies of residential treatment & family preservation services & treatment foster care & individualized services, literature review, commentary, 24128
nature of caring in volunteerism in geriatric settings, 16895
need for familial or emotional care, children with disabilities in residential care settings, 32973
outpatient group therapy, transition to independent living, 16–22 yr olds in long term residential care, 27255
outpatient vs residential drug treatment program & heroin vs cocaine as primary drug problem, demographic & drug usage profiles, drug treatment clients, 16967
own early experience & expression of fear, treatment process, mental health staff working with angry & troubled children & adolescents in residential setting, implications for training & development, 5515
perception of training needs of shift supervisors in residential treatment facility for developmentally disabled persons, shift supervisors & middle managers, 20446
personal characteristics & increased risk for injury, mentally retarded inpatients in intermediate care facility, 39297
positive reinforcement, decreased running away from institution, 45 yr old male with Down's syndrome dementia, case report, 24244
prevalence & patient characteristics related to use of physical restraints, elderly patients in geriatric care facilities, Sweden, 27740
prevalence of psychotropic medication use in Oklahoma residential facilities, 1–98 yr olds with mental retardation, 40129
process of seeking care from formal & informal caregivers, 76–88 yr olds residing in continuing care retirement community, 16900
Program Analysis of Service System 3rd edition evaluation of residential services for 19–67 yr olds with mental retardation, Wales, 36757
proportion of use of hospitalization & community care & prevalence of behavior problems & need for help with self care, 61+ yr olds with mental retardation, England, 1984–94, 16865
psychometric properties of Physical & Architectural Characteristics Inventory, program administrators of community & hospital based psychiatric & substance abuse residential treatment programs, 2489
psychosocial rehabilitation in community residential programs, seriously mentally ill, implications for national health care reform, 2032
psychotherapeutic work issues, mental health personnel working with adolescent patients in residential setting, 4797
psychotropic drug use & clinically relevant concurrent nonpsychotropic use, 65–109 yr old residents of board & care homes, commentary & implications for computer assisted therapy, 23895
quality & costs of hospital based vs campus style specialized services vs specialized vs ordinary group home services, 17–57 yr olds with severe learning disabilities & sensory impairments, 9369
quality of life domains measures of activity & autonomy/choice & housing quality & personal development & social/community integration & interactions in community residential settings, 16899
reduction of youth to staff ratios, protection vs termination from placements & subsequent cost estimates & treatment outcomes, troublesome 9–16 yr olds in voluntary residential care, 16896
relationship between community mental health teams & residential homes, elderly patients, letter, 40123
reliability of Shortened Ways of Coping (Revised) Questionnaire, assessment of social desirability & distress & job & life satisfaction, direct care staff in residential learning disability service, 2704
relocation to community nursing homes vs supported residential services, activities of daily living & emotional well being & social support & quality of life, 42–90 yr old psychiatric patients, 13374
residence in home for senior citizens, sexual behaviors & attitudes, 69–95 yr old males vs females, 24248
residential & community-based nonresidential treatment programs, homeless adults dually diagnosed with serious mental illness & substance dependence, 13423
residential crisis program as an alternative to hopitalization, patients with acute psychotic episodes & staff, 27690
residential planning & predictors of waiting list use & placement for mentally retarded adults, 55+ yr old mothers of adults with mental retardation living at home, 4.5 yr prospective study, 31467
restrictiveness of behavioral placement, language deficits, 6–12 yr old students with behavioral disorders in a day school program vs residential treatment center, 40481
school performance & attitudes, troubled adolescents receiving residential care with academic emphasis vs nonresidential counseling &/or treatment (mean age 14 yrs), longitudinal study, 32977
self & resident & facility related stress, job satisfaction & attitudes toward elderly & residential home, 20–60 yr old care staff members, England, 5511
seroprevalence of hepatitis C, developmentally disabled 26–82 yr old institution inpatients, Australia, 13389
service-user-centered approach & involvement in the process & knowledge of its nature & function, clients with learning disabilities & their caregivers & family members, 40079
size of residence & staff presence, opportunities for choice, 19–58 yr olds with mental retardation, Australia, 19469
sources of stress & well being, informal carers or frequent visitors of frail elderly persons living at home or in residential care institutions, England, 43316
staff assistance & restraint, engagement in nonsocial activity & disengagement & social interaction & challenging behavior, intellectually disabled in hospital vs residential community housing, 5335
states' utilization of large residential settings for persons with mental retardation, 5342
structural model for appropriate adult functioning & outcome, males with disruptive behavior disorders released from residential treatment center, 2 & 5 yr & 24th birthday followups, 5336
symptom & need overlap & use of Health of the Nation Outcome Scales for same service longstay healthcare, 50–65 yr olds with learning disabilities vs 65 yr old & older psychiatric inpatients, 36762
training, improvement in interactions, severely & profoundly mentally retarded 23–55 yr olds & staff in residential facilities, 6 mo followup, 9509
training needs & knowledge & attitudes toward aging & old age & role in empowerment, care workers & practitioners working with developmentally disabled in supported facilities, 9512
training procedure for changing approaches to prevention & management of aggressive behavior in residential treatment unit for persons with mental retardation & challenging behavior, staff, 36855

transitional residential program, residence & entitlement & employment procurement, 19–62 yr old homeless adults with server persistent mental illness, 1 yr study, 32974
variability in methods & results in published studies of stress, residential & other staff working with learning disabled clients, literature review, 5540
Resilience (Psychological) [See Hardiness]
Resistance [See Also Psychotherapeutic Resistance]—Serials
coach power & resistance & morality in sports, male vs female middle vs high school vs college students, 24799
deductive techniques for coping with supervisee resistance in training, social work supervisors, 24433
eating disorders prevention program designed to improve nutrition & exercise behavior & to promote self-acceptance & body esteem, promotion of media analysis & resistance skills, 9–11 yr old students, 33405
existential-phenomenological perspective on resistance in counseling & psychotherapy, 32082
factors influencing psychoanalysts' resistances in conceiving of termination & failure of psychoanalysis to provide paradigm for termination, 43081
factors influencing resistances in conceiving of termination, psychoanalysts, 43084
optimism about future & violent resistance to Nazis during WWII, Jews in Warsaw vs Lodz Ghetto, Poland, 25983
pivotal group member & other central figures in group therapy, treatment-destructive resistance, clients, 39723
quantity insensitivity & agent relativity & moral obligation & anger & denial in tradeoff resistance of protected values in judgment, college students, 38472
reflection enhancing regulative communication across children's misbehavior situations & resistance, 23–44 yr old parents, 30186
reinforcer quality, resistance to change, male 14 & 16 yr olds with mental retardation & mice, 32159
resistance & impairment of cognitive processes underlying inertia toward & initiation of social change, commentary, 22191
resistance & impairment of cognitive processes underlying inertia toward & initiation of social change, 22204
resistance to & teaching strategies & selection of course materials on race & class & gender inequality issues, students & teachers, 33494
resistance to science & need for strength of scientific methods within social work, 20483
resistance to violence & oppression & abuse as symptom of health & health-inducing process in therapy, female adult survivors of childhood abuse, 42958
self analysis & resistance to self analysis of countertransference, psychoanalyst, 36364
types of resistance from fraternity little sister programs, Black vs White female college students, 38682
Resistance (Psychotherapeutic) [See Psychotherapeutic Resistance]
Resocialization (Psychosocial) [See Psychosocial Readjustment]
Resonance [See Vibration]
Resource Allocation—Serials
age & household net wealth & income & taxes, economic risk taking, adults (mean age 48.3 yrs), Sweden, 24847
allocation of medical treatment resources to male vs female rich vs poor right wing vs left wing smoking vs nonsmoking hypothetical patients with kidney failure, 17–41 yr olds, 16426
assessment of health & well-being needs indicators for health & social services regional resource allocation in Quebec, Canada, 9435
birth of baby, psychological & financial coping & management practices & debting behavior, 18–43 yr old mothers, UK, 24829
budget allocation for on-demand video & other entertainment products, price-demand relationship in consumer behavior, 19–62 yr olds, 24835
concepts & classifications of saving money, 16–72 yr old consumers, Netherlands, 24842
conjunctive vs disjunctive group decision rule with vs without knowledge of distribution of players, allocation to ingroup vs outgroup members under ultimatum bargaining conditions, MBA students, 26174
dispositional inferences about decision makers who positively vs negatively allocate resources according to equity or equality or need, college students, US vs Germany, 15620
downsizing psychiatric intensive care units, financial resource & nurse authority & skills & empowerment ramifications, case example, Canada, 24138
economic self-interest & utility maximization to avoid wastefulness, college students, 21466
encoding resource allocation, reading recall, young vs older adults, 3383
equal ratio rule vs linear distributions in productivity situations, judgments of fairness & allocation decisions, adults, UK, 7636
group vs individual level analyses of raw & rescaled data, managers vs students, India, evaluation of subtractive vs ratio model of equity judgments, 17332
judgment of amount of money companies spend on advertising, adults, 43877
life history theory's principle of allocation & role of attachment process in optimizing evolutionary trade off between survival & growth & development, infants & children, 11304
mental discounting & saving behavior, 20–75 yr olds with different financial strategies, Sweden, 24852
national character & personal savings, industrialized nations, 1960, 41818
philopatry & bonding of unrelated females & food control & aggression toward males & sexual dimorphism & reproductive behavior, bonobos, implications for human female bonding, 10870
power & distribution norms & type of need & scope of future interaction, small group negotiation to receive resources, college students, 17527
price justification & preference for distribution of scarce goods by means of regulation or market, 25–34 yr olds, 24844
property for individual use vs social power & for groups vs individuals, intergroup resource allocations, college students, 26206
qualitative analysis of opinions on saving money & social & economic change, adult discussion groups, 22478
quality-adjusted life year measures, health care evaluation & mental health care resource allocation, 28392
quality of life & clinical outcome & resource distribution & health economics, patients with schizophrenia, 42303
resource allocation efficiency, indicator of boredom & work performance & absence, clerical personnel (mean age 32.3 yrs), 33616
resource availability, conflict & resolution strategies vs prosocial task related behavior & attainment, same sex dyads of African American 3.2–5.2 yr olds in preschool centers, 778
restructuring of student experience & life of teachers & school governance & management & leadership & community resources, professional community, elementary & middle & high school teachers, 17110
self-harvest & resource-management outcome, self–other attributions in commons dilemma, college students, 7665
self-interest & assessment of & fairness in equitable vs inequitable resource allocation, graduate & undergraduate students, 30357
use of inpatient vs community psychiatric nurse vs day care vs outpatient services & costs, 21–64 yr old patients with schizophrenia, implications for cost effective service allocation, Scotland, 43345
value premises in drug rehabilitation allocation policy, probationers, 33043
values underlying health measurement & implications for health resource allocation & cost-benefit analysis, 43236
Victorian model of resource allocation for public mental health services, Australia, 32914
Respiration—Serials
academic examination stress, immunity & lung functioning, asthmatic adolescents (mean age 16.5 yrs), 12461

alternative health practice of use of touch with awareness of breathing, metabolic control & physical symptoms & self perception of well being, Mexican Americans with diabetes, 32667
anxiety sensitivity & suffocation fear & trait anxiety & breath holding duration, response to carbon dioxide challenge, college students, 6773
breath reductions & skin conductance responses & heart rate deceleration as markers of Transcendental consciousness vs other meditation experiences, adults practiced in Transcendental Meditation, 18262
breathing retraining, functional cardiac symptoms related to hyperventilation syndrome, adults, 3 yr followup, 5164
breathing therapy, anxiety level & symptoms, 17–62 yr olds with hyperventilation syndrome & anxiety disorder, 23986
causes & characteristics of breath holding spells syndrome, 15–24 mo olds, 8452
chemical defense clothing & individual equipment, ventilatory function & subjective reactions, male US Army soldiers (mean age 24 yrs), 24820
cholecystokinin tetrapeptide, subjective dyspnea & respiratory resistance, healthy 20–32 yr olds, implications for panic disorder, 38158
cognitive performance & respiratory symptoms of sleep disordered breathing & snoring & breathing stoppage during sleep, 60–70 yr olds, France, 26861
cognitive performance & respiratory symptoms of sleep disordered breathing & snoring & breathing stoppage during sleep, 60–70 yr olds, France, commentary, 26855
coordination between breathing & finger tracking velocity & accuracy, 21–47 yr olds, 2794
diaphragmatic breathing, physiological & psychological aspects of sports anxiety, athletes, 24808
dynamic pulmonary function, 18–49 yr olds with panic disorder with vs without agoraphobia & without lung disease, Netherlands, 31128
dyspnea & lung function parameters & variance in exercise tolerance, 40–86 yr olds with chronic obstructive pulmonary disease, 26864
emotional stress, correlation between arterial pressure & heart & respiration rate, rats & 17–38 yr old female workers, 11090
end-tidal carbon dioxide levels & respiration rate & issues in hyperventilation subtype, adults with panic disorder vs generalized anxiety disorder, 35662
epinephrine, cardiovascular & respiratory & panic reactions, adult outpatients with panic disorder with agoraphobia, 31127
experimenter expectancy, resistance to respiratory air flow, 18–29 yr old healthy females, 34144
facial emotional expression as determinant of volume of ambient air nasal inhalation, forehead/brain temperature & affective states, adults, implications of vascular theory of emotional efference, 29477
fearful responding to repeated carbon dioxide inhalation, college students, 6762
feeding behavior & respiration & evolution of anatomical structures, lampreys vs ammocoete larvae vs hagfishes, 21597
full vs partial experimental instructions, anxiogenic & respiratory response to room air hyperventilation or carbon dioxide inhalation, patients with panic disorder, replication, 1319
increased carbon dioxide concentration in air, coherent motion perception, adults, 21297
influences of central CO2 related chemosensory drive on poststimulatory respiratory phenomena induced by superior laryngeal nerve stimulation, adult cats, 21618
mixed anaerobic & aerobic respiration, dive cycle patterns & optimal foraging time allocation, tufted ducks & pochard, 378
moderate to extreme cold exposure, thermogenic & respiratory & ultrasonic responses, male rat pups, 38045
muscimol, dorsomedial vs paraventricular hypothalamic nucleus suppression of cardiovascular reaction to air stress, rats, 11014
oxygen level & oxygen partial pressure, cognitive performance, 20–28 yr old males in hyperbaric chamber system, Sweden, 28865
paroxysmal narcosis symptoms resulting from narcotic potencies of inert gases in breathing mixture, test of hypothesis for cause of psychotic like episodes from exposure to high pressure, divers, 16231
perceived air flow obstruction & added resistive load discrimination training, 18–24 yr old asthma patients, 42712
positive & negative valenced CS & CO2-enriched air UCS, respiratory behavior & somatic complaints, 20–57 yr old psychosomatic patients, experimental replication, 39400
prevalence of panic disorder in asthma & pulmonary function & anxiety & symptom perception during histamine-induced bronchoconstriction, 18–65 yr old asthma patients with vs without panic disorder, 1148
prone positioning with vs without a positioning device, heart rate & respiratory rate & scapular position & behavioral state, premature infants, 32707
respiration rate & anticipation of electric shock, heart rate variability as index of cardiac parasympathetic response, healthy college students, 3166
respiratory sensation & adaptation to high altitude, male lowlanders under chronic altitude hypoxia conditions, 6744
right vs left nostril dominance during breathing, cardiovascular & psychological task performance, male college students, 18256
sadness &/or happiness, autonomic reactivity & pulmonary function, asthmatic 8–17 yr olds, 35992
self reported emotional effort & heart rate & respiration during voluntary facial configurations, adults, 14971
slow paced breathing through resistive load, cardiac rhythm, 18–40 yr olds, implications for paced breathing therapy as relaxation technique & polyvagal theory, 3167
sodium lactate, BP & heart rate & lung volume, adults, 11229
successive focus on imagined environment & preparation & exercise, ventilatory & cardiac responses, adult athletes, 6777
theories for cause of panic attacks & agoraphobia & response to antidepressants with serotonin activity & serotonin selective reuptake inhibitors, role of serotonin in respiratory regulation, 19898
timing within cardiac cycle & heart rate response to respiratory change, young adults, 3157
workload in simulated flight task, respiration & eye blinks & variabilities in heart rate & BP, 20–30 yr olds from military academy, Netherlands, 11093
35% carbon dioxide challenge as laboratory-induced anxiety, panic disorder potentiation, nonclinical adults, 4 yr study, 42381

Respiration Stimulating Drugs [See Also Caffeine]—Serials

doxapram, induction of panic attacks & hyperventilation partially attenuated by cognitive intervention, 19–39 yr olds with panic disorder, replication, 12925
tacrine, plasma levels & clinical results & level of liver enzymes, patients with dementia of Alzheimer type, 20064
tacrine, regional cerebral blood flow & correlations with cognitive performance deficits, 57–84 yr olds with Alzheimer's disease, 13164

Respiratory Distress [See Also Dyspnea, Hyperventilation]—Serials

active vs passive stress inducing laboratory tasks, pulmonary & autonomic reactivity & airway irritability, 18–40 yr olds with vs without asthma, 31603
biofeedback induced reduction of respiratory resistance, 66 yr old female patient with bronchial asthma, 23962
neonatal jaundice & respiratory complications, contingency learning & habituation performance, 5–11 mo olds, 26897
occurrence of respiratory symptoms despite partial response to sertraline or citalopram, 49 yr old male & 54 yr old male with panic disorder & being treated for hypertension, case report, letter, 32366

Respiratory System [See Larynx, Lung, Nose, Thorax]

Respiratory Tract Disorders [See Also Bronchial Disorders, Dyspnea, Hyperventilation, Lung Disorders, Pharyngeal Disorders]—Serials
chronic social stress & social status & susceptibility & exposure to virus, development of upper respiratory infection, adult male cynomolgus monkeys, 15 mo study, comment, 34619
chronic social stress & social status & susceptibility & exposure to virus, development of upper respiratory infection, adult male cynomolgus monkeys, 15 mo study, 34620
family & friend support & time married, marital satisfaction, male vs female patients with chronic obstructive airway disease & their spouses, 1520
individual differences in diurnal cycle of cortisol levels & relation to psychosocial variables & upper respiratory illness, healthy Ss (mean age 36.4 yrs), 29464
interactive educational & managerial intervention, prescribing practices for rhinopharyngitis, physicians, Mexico, followup, 17053
interleukin-2 receptors on T lymphocytes, frequency of upper respiratory infections & stress responses, patients with generalized anxiety disorder, 4210
knowledge about upper respiratory tract infections & expectations from consultation, adults & guardians of child & adolescent patients, Hong Kong, 8455
likelihood of seeking care for & knowledge of normal presentation of a upper respiratory infection & beliefs in the effectiveness of antibiotics as a treatment modality, adult patients, 39914
nicotine nasal spray, smoking cessation, 30–70 yr olds with chronic obstructive pulmonary disease & chronic bronchitis, 42696
physiologic & environmental variables, weaning from mechanical ventilation support, 6 yr old female with chronic respiratory failure, case report, 39912
prevalence & subtype of respiratory dyskinesia, inpatients (mean age 51.2 yrs) with schizophrenia or delusions or affective disorders or alcholism, Japan, 36486
psychological stress, immunity & susceptibility to upper respiratory infections, 1491
psychosocial stress & susceptibility to upper respiratory tract infections, 8–12 yr olds, Australia, 42693
reaction to humorous film, salivary immunoglobulin-A & frequency & severity of respiratory infections, college students, 41423
relaxation, secretory immunoglobulin A, 8–12 yr olds with recurrent upper respiratory tract infections, 12459
upper aerodigestive tract reflexes as mediating abnormal response to tilt-table test in chronic fatigue syndrome & role of hypotension, 39360
Respite Care—Serials
evaluation of summer holiday home respite care program, mothers of 6–18 yr olds with learning disabilities, 9497
functional analysis of respite care & episodic self injury, moderately mentally retarded 25 yr old male, 8393
illustration of social environment of psychiatric inpatient vs acute day hospital/crisis respite program, adult female, implications for normalization concept, 20189
information seeking & access to & utilization of respite care services, parents or other caregivers of people with learning disabilities, England, 27691
methodological & conceptual factors in research on effects of formal respite care, patients with dementia & their caregivers, research review, 32954
respite care training of family oriented camping program, mothers/caregivers of children infected with HIV, 9224
respite service use, spouses vs coresiding vs not coresiding adult children providing care for persons with dementia, 32951
Respondent Conditioning [See Classical Conditioning]
Response Amplitude—Serials
age & RT tercile, amplitude & latency of N2 & P3 somatosensory ERPs, 20–85 yr olds, 29421
amplitude & asymmetry of P3 ERPs during covert counting of tones, males with schizotypal disorder, comparison with schizophrenia, 12121
amplitude & bandwidth & frequency of signal added in phase to maskers, estimation of threshold signal levels, adults, 17866
emotionally negative vs positive vs distractor pictorial stimuli, ERP P3 & slow wave amplitudes, college students, 29409
habituation following repetitive stimulation, threshold & amplitude & latency of startle reaction, rats, 18077
mental simulation of an action, T- & H-reflex amplitudes, 21–33 yr olds, 29405
physical characteristics of response cue & immediate recall, response force & speed in RT tasks, adults, 17814
presence & orientation of motion stimulus & response amplitude & direction of motion, synchronization of spatially segregated middle temporal area cells, awake macaque monkeys, 18169
P300 evoked potential amplitude in response to go/no go RT paradigm, males at high vs low risk of alcoholism, 35802
quiet wakefulness vs concentrated attention in performance of monotonous work with display, temporal course of visual EPs in frontal area of left hemisphere, 18–25 yr olds with high vs low amplitudes, 11071
sentences containing reflexive pronoun referring to definitionally or stereotypically male or female antecedent noun, event-related brain potentials, male vs female college students, 34568
sex, inhibitory gating of amplitudes of auditory EPs, 18–38 yr olds, 464
Response Bias—Serials
accuracy & bias in real-time vs 12 wk retrospective recall of first lapse & temptation episodes, ex-smokers, 23000
accuracy of self-evaluations & calibration for individual questions & response bias on gender-typed tasks, males vs females, replication, 22509
age & sex & level of retardation & living conditions & communicative ability & interview situational factors, acquiescence in quality of life interviews, 18–69 yr olds with mental retardation, Finland, 31476
aging & toxin induced lesions of cholinergic cells in basal forebrain, discriminability & response bias to visual stimuli in operant task, 3 vs 18 mo old male rats, 34581
bias in interpretation of ambiguous homophones, chronic pain patients, 19514
choice & responsibility & negative decisions, escalation bias, undergraduates, 10706
coaching & faking instructions, performance on overt vs covert integrity test, college students, 18938
cognitive assessment approach to evaluation of questionnaire, assessment of disease history, 18–43 yr old sexually transmitted disease clinic patients, 14358
conditions of & conscious & unconscious memory processes leading to gender biases in fame judgments, college students, commentary reply, 14588
conditions of & conscious & unconscious memory processes leading to gender biases in fame judgments, college students, 14589
conditions of & conscious & unconscious memory processes leading to gender biases in fame judgments, college students, commentary, 14593
Counselor Evaluation Rating Scale scores to detect response-shift bias & effectiveness of counselor education program & counseling skill, student counselors, 3 yr study, New Zealand, 36879
demand features of interview vs questionnaire assessed subjective psychological states, 18–56 yr olds, 170
depression severity & psychomotor retardation, discrimination & response bias in verbal recognition memory task, outpatients with depression, 38969
development of research validity scales of positive & negative presentation management & inconsistency for NEO Personality Inventory Revised, adults, 17619
direct vs indirect expectation induction with interpersonal verbs, linguistic behavior & question formulation choices & biases in rape victim situation, interviewers, 38715
direction & magnitude of non-response bias in mail surveys & true sample mean, 2711
effectiveness of response bias indices of willingness to respond in vigilance task, Os, 28645

emotional adjustment, response bias in subsections of Nottingham Adjustment Scale regarding acceptance of sight loss & attitudes toward blindness, visually impaired, 14261
false consensus biases & perceived self & other vulnerability to AIDS, male vs female college students, 23991
impression management bias of NEO 5-Factor Inventory profiles, college students, 40815
individual differences in leakage beliefs, correspondence bias in expectations for essay writer's true traits & attitudes, college students, 41981
induced vs naturally occurring mood, biases in self-evaluation & memory, nondysphoric vs experimentally dysphoric vs naturally dysphoric adults, 19154
information from others, correspondence bias in attribution of attitude toward abortion, college students, 1020
information processing model as explanation for response bias & repetition priming effects in implicit memory tasks, adults, 6392
interviewer conversational organization & reformulation, acquiescence bias in Quality of Life Questionnaire interviews, learning disabled adults, England, 8377
judgment bias & conversational convention, dilution effect in prediction tasks, college students, 22494
lead exposure, mnemonic effects & side bias & proactive interference in delayed spatial alternation task, female rats, 38072
low end specificity of depression measures, fake-good responding, college students, 6013
lying & demand characteristics & role of adverbs, social desirability & impression management, undergraduates (mean age 20.8 yrs), Spain, 11725
maternal depression &/or anxiety & substance use disorders, reports of their children's internalizing & externalizing behavior problems, mothers (mean age 33.1 yrs) vs teachers of 6–7 yr olds, 38912
method for studying individual & gender biases in educational assessment using final year psychology projects, college students & their markers, England, 17776
methodological differences in perceptual vs conceptual tests, implicit memory task performance, 58–80 yr olds with Alzheimer's disease, 8621
mood bias, 19–24 yr old college students, Poland, 22417
motivation vs prevention of honesty, exit interview & survey responding, MBA students with full-time employment, 37196
multinomial vs dual process signal detection approach for treatment of response bias, commentary, 6353
multinomial vs dual process signal detection approach for treatment of response bias, commentary, erratum, 17956
multiple anchors in 2 party single issue negotiation, anchoring induced bias in individual & group judgments, MBA college students & experienced managers, 21375
neutral vs combat-relevant sentences, implicit memory bias for threat during noise judgment task, Vietnam War combat veterans with PTSD (mean age 47.3 yrs), 19223
paper vs computer vs computer linked to larger database survey conditions, impression management in responding, male Navy recruits, 11658
perceived vs imagined vs new memory source attribution bias in reality monitoring of decisions about verbal vs pictorial stimuli, college students, application of strength model of recognition memory, 21422
prepulse inhibition, cortical excitability & response bias in auditory 2-tone discrimination task, 17–33 yr olds, Australia, 29436
problems associated with & detection & measurement of response error within the context of total error, implications for consumer survey research, 33763
public vs private responses, anticipated surveillance, college students, 15591
recognition bias for critical faces, social phobics, 22903
reiteration effect in asymmetry in true vs false assertions & recall confidence in hindsight bias, 14643
response bias & variability of simulated data in mean lateralized readiness potential onset latency, assessment of RT values & ERPs, 14478
response bias in extended process dissociation measurement model, college students, commentary, 14617
response bias in extended process dissociation measurement model, college students, commentary, 14591
response bias in self-reported problematic cognitive & emotional functioning, litigating vs nonlitigating patients, 17509
response bias, priming effects in color perception, 25–32 yr olds, 41018
response biases in oral reading, 62 yr old female with progressive impairment of semantic memory & surface dyslexia, test of "semantic glue" vs "summation" hypotheses, 4667
response conformity in recognition memory judgments, college students, 18001
response distortion in computer vs paper & pencil administered noncognitive selection tests, college students, 21012
response style, self-report & O ratings of psychopathology using MMPI & other response style measures, psychiatric inpatients (mean age 15.1 yrs), 37452
responses to personality test items based on references to behavior/experience vs characteristics/traits, college students, 21000
signal presentation probabilities & reinforcer distributions, signal detection performance & response bias, college students, 18066
social desirability bias in cross cultural ethics research, 15441
socially desirable responding, dark side consumer behavior & materialism value, 18–90 yr old consumers, implications for consumer research & impression management, 6130
source discrimination & item detection & response biases in 1 vs 2 high vs low threshold source monitoring models of decision process, college students, 6290
strength of vs request to discount critical testimony in court situations, bias & adjustment in judgments of defendents' guilt & punishment, college students, Israel, 38714
style of socially desirable responding, value priorities in relation to social environment, adults, Israel & Finland, 30052
uniformative cues to target stimuli, visual-spatial attentional bias measured by ERPs & response latencies, 21–35 yr olds, 41019

Response Consistency [See Response Variability]

Response Cost—Serials

alternative reinforcer & condition & FR schedules of reinforcement, food & amphetamine & fluid intake, male baboons, 41454
combined medical & positive reinforcement & response cost treatment approach, encopresis, 4 yr old female & 5 yr old male, 13134
response cost treatment package, classroom behavior, 3–5 yr old aggressive male preschoolers & their teachers, 27225

Response Duration—Serials

closely spaced above & below threshold acoustic stimulus pairs, area & duration & latency of blink reflex, 19–51 yr olds, 29297
constant vs variable target discriminability, fixation duration control in visual search task, male 25–45 yr olds, 17825
key peck response rate & time allocation & peck duration & gape amplitude in concurrent VI–VI schedule with food vs water reinforcers, food & water deprived pigeons, 18078
presentation of complex sounds, habituation & quantal duration of neuronal responses in caudomedial neostriatum, adult zebra finches, 29258
programming processes, motor response duration in precueing & priming RT paradigm, 18–50 yr olds, 28827
robust neural network mechanism explanations for visual persistence & temporal integration properties, 14110

Response Frequency—Serials

acceptability of & responses to NIMH Epidemiology of Child & Adolescent Mental Disorders Study, development of surveys of mental disorder & service utilization, 9–17 yr olds & their parents, 7801
autoshaping & negative automaintenance procedures, within session rate of responding, pigeons, implications for classical conditioning, 2932
cellular processing of temporal information in medial vestibular nucleus neurons, chicks, 25465
changes in effectiveness or value of reinforcer, within-session changes in pecking response rates, pigeons, 18075

changes in required lever force, within-session response rates in multiple variable interval reinforcement paradigm, male rats, 10779
characteristics of pictures & names & demographics & misnamings & target associates & nondominant responses, picture confrontation oral naming, aphasic vs non aphasic 20–76 yr olds, 8581
concurrent schedules with different reinforcer components, within-session changes in response rates & time spent responding, rats & pigeons, 14730
concurrent VI schedules of reinforcement, response rate, rats vs pigeons, 2933
continuous vs VR vs FR reinforcement schedules, within-session patterns of operant response rate, male gerbils, 34393
differential-reinforcement-of-high- vs low-rate schedule history, variable-interval responding, pigeons, 34383
direction & magnitude of non-response bias in mail surveys & true sample mean, 2711
dopaminergic vs opiate agonists vs antagonists, multiple schedule responing maintained by sucrose/ethanol vs sucrose, male rats, 34710
eticlopride vs naltrexone, responding maintained by food or self administration dose effect functions of cocaine &/vs heroin, male rats, 6919
FI vs VI reinforcement, response rate & memory for delay, pigeons, 18045
linearity properties & frequency response of sound propagation through skull, male 52 yr old with bilateral skin penetrating titanium implants for bone anchored hearing aids, 10661
low vs high presentational demands, frequency & accuracy of feeling of knowing & tip of tongue states, college students, 17953
methods for collecting & representing response rates maintained by schedules of reinforcement, pigeons, 2938
"more" & "less" in English vs Filipino math problems vs stories, verification response & time in word problem solving, bilingual students, Philippines, 21325
NBQX vs MK-801 vs GYKI 42466, operant DRL & delayed matching to position task performance, male rats, 3280
nicotine antagonist dihydro-beta-erythroidine, locomotor activity & discriminative stimulus & operant response rate effects produced by & dose response curve for nicotine, male rats, 25618
number of follow-ups needed to obtain maximal response rate to e-mail surveys, adults, 37582
opioid agonists with vs without naltrexone, response rate on FR30 reinforcement schedule, 624
red vs black questionnaire identification numbers with vs without prefix or outline, mail survey response rate & item omission, adults, England, 2734
reinforcement, within-session pattern of running times in T maze sessions, male rats, 14731
response independent reinforcers in VI variable time schedule, within session response patterns, rats vs pigeons, 18086
reward & punishment, response disinhibition & heart rate & skin conductance & mood during instrumental learning, students, Australia, J. A. Gray's theory of behavioral approach & inhibition systems, 41413
role of frequency of switching between keys, variability of behavioral response sequence, pigeons, 41256
simultaneous processing of short delays & higher order temporal intervals in foraging, pigeons, 14702
sponsorship of patient satisfaction survey, response rate & satisfaction ratings, medical patients, Switzerland, 5254
stimulus–reinforcer & location–reinforcer contingencies, resistance to change, pigeons, 18072
teacher-led & independent seat-work techniques to prevent & remediate learning problems & increase accurate response & learning rates, students, 17154
variable-interval reinforcement & reinforcer duration & opportunity to run, running & response rates, male rats, 34349

Response Generalization—Serials
isolation & retention interval & age & stimulus preexposure, contextual vs generalized auditory-cue fear conditioning, rats, 14737
maximum entropy inference of Shepard's theory of generalization, 21182
reinforcement history & stimulus frequency, transitive inference & responding to positive vs negative reinforcers in discrimination paradigm, pigeons, 10789
respondent-type training procedure using nonsense syllable pairs, symmetry & equivalence responding, 18–25 yr olds, Ireland, 6383
semantic similarity in guilty knowledge paradigm, orienting response & skin conductance generalization, college students, 6763
single vs multiple examples of correct & incorrect stimuli, discrimination acquisition & generalization, 10–19 yr olds with moderate retardation, 37113
value transfer in concurrent-schedule discriminations, White Carneaux pigeons, 10792

Response Lag [See Reaction Time]

Response Latency—Serials
accuracy of report of sick teddy examination after 3 day vs 1 yr delay when interviewed with real vs toy props vs with verbal prompts, 3 vs 5 yr olds, New Zealand, 1 yr follow-up, 34823
age & RT tercile, amplitude & latency of N2 & P3 somatosensory ERPs, 20–85 yr olds, 29421
bistable arrays of disjunct dots followed by stimulus onset asynchrony mask, perceptual grouping time course by proximity & alignment, adults, 21260
brief airpuff stimuli, cardiovascular response magnitude & latency & habituation, male normotensive vs spontaneously hypertensive rats, 11091
capsaicin vs red peppers during gestation, hot plate escape response latency, rat pups, 7023
chronic aluminum intoxication & brain & serum & liver body burden, radial maze cue & place learning & working & reference memory & total time & 1st-choice latency, male rats, 41526
closely spaced above & below threshold acoustic stimulus pairs, area & duration & latency of blink reflex, 19–51 yr olds, 29297
component function, visual recognition of Chinese characters, college students, China, 34268
daily events & somatic symptoms appearing 3–4 days later, college students, 19518
delayed discriminative choice cue vs opportunity for choice response execution, memory for event duration, male rats, 37844
direct stimulation of mossy fibers to cerebellum as CS, latency of conditioned eye-blink response, decerebrate ferrets, 37847
direction of sudden visual target displacements vs smooth target motion, saccadic latency, monkey, 29360
global–local attention shifts, visual ERP component latencies, 21–25 yr olds, Germany, 41178
habituation following repetitive stimulation, threshold & amplitude & latency of startle reaction, rats, 18077
habituation period & thermal apparatus temperature & light: dark cycle, thermal nociception & latency, rats, 41406
haloperidol vs bromocriptine, response accuracy & latency for spatial vs nonspatial working memory, 19–37 yr olds, 38128
initiation & completion latencies of compliance with parental commands, 2–10 yr olds with behavior problems, 32175
instruction & habitual response latency, reliability & validity of personality assessments, 16–18 yr olds, Austria, 40839
latency & selective non-disclosure in verbal self-reports, adults, 6297
latency of N2 & P3 somatosensory ERPs, 30–75 yr olds with lateralized Parkinson's disease, 16325
latency of saccadic eye movements for presentations to left vs right visual fields, adults with schizophrenia, 15936
length of chronic ethanol exposure & subsequent abstinence, midlatency auditory evoked potentials, male rats, 34654
mathematical framework for random walks with premature sampling, 21187

number of letters, high- & low-frequency word & nonword naming latency, college students, England, implications for nonlexical reading, 37734
processing of English inflectional morphology measured by response latencies in lexical decision task, college students, 41578
P3 latency as mental chronometry index, literature review, 25529
response bias & variability of simulated data in mean lateralized readiness potential onset latency, assessment of RT values & ERPs, 14478
response latency vs verbal pause as stochastic models of individual differences, 7–10 yr old males with specific language impairments, 42677
response speed on computerized aptitude tests as an index of intellectual performance, 9–11 yr old students, Canada, 41650
search latency in ability to detect ambiguous vs nonambiguous descriptions of location, 3 vs 4 vs 5 yr olds, 746
short vs long latency for the GSR response, electrodermal & cardiovascular activities, 5th & 6th graders, Slovakia, 38270
Simon effect, lateralized readiness potential & P300 latency, 19–26 yr old undergraduates, 14941
spatial frequency & location of sinusoidal gratings flashed to relevant & irrelevant visual field quadrants, ERPs, college students, implications for early attentional selection of visual input, 29442
spatially distributed vs rapid communication display, response latencies & visual search performance, 17–32 yr olds, 28297
speech fluency & clause & syllable structure & response latency characteristics of conversational utterances, 3–5.5 yr old male stutterers vs age matched male nonstutterers, 26847
stimulus duration & response latency issues in use of Micro Experimental Laboratory for tachistoscopic presentations, 10250
stimulus presentation during delay between response & outcome, ratings of causal effectiveness of response, 18–52 yr olds, England, 259
sustained vs transient motion & varied intensity of visually textured peripheral stimuli, latency of saccadic eye movements, adults, 6224
trial duration & reinforcer interval, performance on free operant psychophysical choice procedure, pigeons, implications for theories of animal timing, 18040
unilateral inactivation of amygdala with buffer infusions & shift in number of food rewards, latency to respond to & memory for reduced reward magnitude, male rats, 458
unimodal vs bimodal distractors & attention type, allocation of attentional resources & distraction latencies during object exploration, 7 vs 10 mo olds, 22048
visual 1- vs 2-dimensional tasks, P300 ERP lateralization abnormalities & latencies, 17–30 yr old males with schizophrenia, 26498
Y chromosomal & maternal effects on & physiological & neuronal correlates of aggression based on attack latency, selectively-bred male wild house mice, conference presentation, 10915
Y chromosome & long vs short attack latency, coping flexibility in non-social situations, house mice from 6 genotypes, 446

Response Parameters [See Also Interresponse Time, Reaction Time, Response Amplitude, Response Duration, Response Frequency, Response Generalization, Response Latency, Response Probability, Response Set, Response Variability] —Serials

amplitude & latency of auditory EPs recorded in N1 latency range at midline & temporal sites & effects of stimulus intensity, 4–8 vs 20–30 yr olds, 18202
application of fuzzy set theory to marketing scale allowing responses with degrees of membership in more than 1 response category, college students, 126
auditory &/vs light stimuli on TV screen with dark vs white interval between trials, response summation, pigeons, 18039
auditory intensity & tone frequency in oddball vs single-stimulus paradigms, P300 amplitude & latency, college students, 41389
cochlear mechanical & temporal modulation of spatial bandpass filtering bandwidths, amplitude of response of auditory nerve transfer functions to signals, cats, 10951
concurrent schedules with different reinforcer components, within-session changes in response rates & time spent responding, rats & pigeons, 14730
covariation of speed & ERPs during response preparation, 19–30 yr olds, 3131
discrimination learning in initial vs prolonged FI & peak interval training, peak response distribution, pigeons, 357
food reward, physical dimensions of vocalization response, male budgerigars, 21499
general knowledge level, rating of usability of interface designs varying in compatibility of stimulus-response mappings, Ss, application of theory of item summing heuristic, 17461
genomic response modulation to birdsong in caudomedial neostriatum & relation to nuclear gene regulation, male zebra finches, 34583
item difficulty & absolutely certain responses, eyewitness confidence & accuracy, 17–43 yr olds, 17985
low vs high distraction & immediate vs delayed rating, memory of cold-pressor pain intensity, undergraduates (mean age 19 yrs), 38057
multinomial modeling approach to mapping source-monitoring onto process-dissociation response categories in recognition judgment, 18–57 yr olds, Germany, test of memory processes hypothesis, 41124
number of response alternatives, response selection in 2nd task of simple dual-task experimental situations, college students & female volunteers & adult male, 41094
N200 EPs of response activation & inhibition & executive control in flanker task, adults, 3118
observation of food reward following demonstrators' treadle depression by beak vs foot, method of observers' response, pigeons, 18091
parametric features of swim cycle number habituation, marine mollusca, 6734
psychopathy & passive avoidance & response modulation deficits in cued RT task performance, male 19–40 yr old prison inmates, Singapore, 31214
relationship between movement time & intelligence, 17–50 yr olds, application of P. M. Fitts' law, 42088
relationships between behavioral items of the revised Sensory Profile & sensory modulation, 3–10 yr olds without disabilities, comparison with children with disabilities, commentary, 37378
response indicator Frequency psychopathology from MMPI-2 & diagnosis, male veteran psychiatric inpatients, 35448
response rate decreasing effect of fentanyl vs U50,488 vs butorphanol vs nalorphine with vs without beta funaltrexamine, rats, 7029
response-to-stimulus interval length & consistency, implicit motor sequence learning & performance, college students, attentional load implications, 41097
retrieval cues & proactive interference, short term recall, undergraduates, Australia, 14666
self-management intervention requiring alternating written vs verbal responses, response efficiency & learning rates, 10–11 yr old males with behavior disorders, 33555
spatial & form based processing in stimulus-response compatibility task, performance on fixated stimuli & automaticity reflecting stimulus-response mappings vs codes, college students, 10710
start of response preparation in relation to mental rotation, RT & lateralized readiness potentials during go vs no go mental rotation task trials, undergraduates & volunteers, 25522
stimulus code & response modality & interference & facilitation, set- & element-level stimulus response compatibility, college students, 2838
stimulus onset & intensity, characteristics of long term adaptation of auditory nerve fiber responses, cats, 10961
stimulus–response incompatibility & degradation, RT & P3 latency, 20–29 vs 68–80 yr old females, 11305

sucrose & toy reinforcement, lever pressing behavior, rats, test of R. J. Herrnstein's response-strength equation, 29067
5-HT, short & long-term sensitization of escape response, male crab, 6812
Response Probability—Serials
analytic vs naturalistic conditions, probability of accurate judgments vs illusions of control in response-independent task outcomes, college students, 2818
assertion training with vs without pre- vs posttesting, anxiety & responsiveness, adult inpatients with schizophrenia or depression or other diagnoses, 27304
behavior analysis with fixed time extinction schedule, pigeons, application of linear analysis in determination of transfer function & predictability of behavior, 14440
general recognition theory & same-different judgments, 21196
maximum entropy inference of Shepard's theory of generalization, 21182
reinforcement density, steady state response performance on probabilistic schedules, pigeons, comparison of real-time linear operator model vs temporal control model, 18063
response execution, perception of response-compatible stimuli, young adults, Germany, 28762
response uncertainty cued by response probability with visual vs auditory stimuli, motor response force measured by RT, college students, Germany, 37687
variant vs high-probability request sequences, compliance with low-probability requests to initiate interaction with social peer, 4 & 5 yr olds with emotional-behavioral disorders, 16530
Response Rate [See Response Frequency]
Response Set—Serials
acquiescence response set, bipolarity of Jungian functions as measured by Myers Briggs Type Indicator, college students, 5994
correlation of response options with content scales of NEO Personality Inventory & Constructive Thinking Inventory, college students, 2545
development of ability to change response set & locus of impulsive responding, 7.1–12.7 yr olds with vs without ADHD with vs without tics, 23178
faking good vs bad vs standard report on Subtle–Obvious scales of MMPI-2, 18–69 yr olds, clinical implications, 74
Lie scale scores on Hindi Eysenck Personality Inventory & Trait scale of State-Trait Anxiety Inventory, impulsivity & neuroticism under no motivation to fake good, female Indian students, 17607
Personality Assessment Inventory vs Addiction Severity Index vs Diagnostic Interview Schedule response set effects, methadone maintained patients with fake bad vs fake good invalid vs valid profiles, 71
utility of standard & alternative MMPI 2nd edition validity indices, detecting random responding & interpretable & uninterpretable protocols, college students, conference presentation, 37437
Response Speed [See Reaction Time]
Response Time [See Reaction Time]
Response Variability—Serials
alternative traffic light signal phasing system, 1st response variability, 18–58 yr old drivers, 28324
anticipation of rewards & contingent vs noncontingent reinforcement, operant variability vs repetition, rats vs pigeons, 346
attack response to bright vs moderate vs dull video images of conspecific male intruder, male sticklebacks, 10809
auditory event-related potential as a measure of response variablity in neuropsychological development, infants 5, 8, 11, 14 & 17 wks old, 34833
balance between excitatory & inhibitory inputs, temporal variability in neuronal firing in networks in cortex, 25501
compatible & incompatible stimuli, RT latencies & reaction intervals within sequence & transfer of action plan to motor program, college students, 6283
conditioning context return after other context extinction, renewal of conditioned taste aversion, rats, 34395
contingent reinforcer magnitude vs alternative reinforcement, resistance to change in responding, pigeons, replication, 29069
efficiency & consistency in visual discriminations with noisy images, Os, 6250
extinction & spatial aspects of compounded visual stimuli, variable responding, male pigeons, tests of summative vs additive models, 29063
financial motivation for response consistency & choice of preferred gamble with higher attractiveness rating vs selling price, awareness of reversals & consistency of responses, college students, 2823
improved auditory EP estimation & differences in phase characteristics of S1 & S2 stimuli responses, 18–42 yr olds with chronic schizophrenia, replication, 35645
inconsistencies in personality descriptions of self vs other & trait features associated with inconsistent trait use, college students, 35322
information load, consistency of decisions, college students, 2807
item memories vs position cues, discriminative responding in reward outcome serial learning, rats, 34354
nontarget stimuli & reinforcer random preexposure, key peck response acquisition, pigeons, general learned irrelevance demonstration, 34378
person vs situation vs interaction model of cross-situational consistency in a mastery condition, architects, 35325
prelimbic cortex excitotoxic lesions, scores in spontaneous & reinforced spatial delayed-alternation tasks, male rats, implications for working memory & response selection & attentional hypotheses, 14726
role of frequency of switching between keys, variability of behavioral response sequence, pigeons, 41256
temporal control by progressive interval schedules of reinforcement, male rats, 14729
uncertain responses in psychophysical paradigms, humans vs rhesus monkeys, 25356
variability of WAIS—R profiles using subtest range vs Profile Variability Index, psychiatric inpatients, 17645
Variable Response Scale, detection of randomness in Jesness Inventory, honest vs not honest 14–18 yr old male delinquents, 37375
visual delayed response test with vs without spatial condition, spatial working memory, adults with Parkinson's disease, 23456
Responses [See Also Conditioned Responses, Emotional Responses, Mediated Responses, Orienting Responses, Unconditioned Responses]—Serials
acquiescent responding as a cognitive style vs social concern, college students, 35333
action vs desire suggestions & test type, posthypnotic responding, highly hypnotizable adults, Australia, 6408
affective & self-evaluative & behavioral responses to objective vs social comparison information, college students, 30432
age, ability to hold 2 rules in mind & inhibit strong response tendency, 3.5–7 yr olds, implications for frontal cortex development & functioning, 737
arbitrarily applicable stimuli relations & reinforcement, transformation of self discrimination response, adults, Ireland, erratum, 14638
arbitrary vs nonarbitrary violent behavior of psychiatric patient towards staff member, behavioral reaction & attributions, psychiatric nurses, 20460
chronological age, survey response rates, male vs female clergy ordained in Anglican Church, Wales & England, 11747
critical stimulus bits & Rorschach response process, adults & children, 10391
detecting & identifying response-compatible stimuli, adults, 25200
developmental differences in understanding of & reaction to others' inhibition of emotional expression, 5–21 yr olds, Canada, 29930
existing conceptual work on & behavioral analytic conceptualization of private events, 43004
exposure to unresolved vs resolved interadult arguments, distress responses, male vs female 4–5 yr olds, 18557
frontostriatal structures & response inhibition deficits, 5–12 yr old males with ADHD, 31414
laughter as result of mix of perceptual & response patterns, 21227

low vs high dose of Ritalin, responses to reward & punishment, children with ADHD, erratum, 32342
multimodal identity matching to sample & oddity from sample responding, rats, 29052
normative word frequency & number of alternative completions & response length of unprimed performance in word-stem completion, 18–40 yr old college students, 41090
order specific vs nonspecific motion responses in direction discrimination of random block kinematograms, Os, 41030
perception of & responses to rejection by peers, nonaggressive 7th grade males, 2 yr study, 18596
perception of & responses to rejection by peers, nonaggressive 7th grade males, 2 yr study, commentary reply, 18597
perception of & responses to rejection by peers, nonaggressive 7th grade males, 2 yr study, commentary, 18543
performance in Sustained Attention to Response Task paradigm & self- vs relative-reported everyday attentional slips, 18–65 yr olds with traumatic brain injury, England, 36133
personalization & commitment & trust in researcher & followup strategies for maximization of response rates on questionnaires in health related survey research, 6168
prepractice, automatic attention response development to perceptual skill, 19–29 vs 65–80 yr olds, 25748
response cues, early component of eye blink reflex, 20–30 yr olds, implications for role of upper brain stem, 6707
response to peer aggression & reduced vs persistent victimization, 5–6 yr olds, 35851
severity & gender & status at university & duration of harassment as predictors of responses to unwanted sexual attention, male & female college students & faculty & staff, 35717
stimulus-stimulus congruence & stimulus-response compatibility, adults, 25171
strategies for teaching literature, complexity & analytic vs aesthetic stance of responses, 3rd graders, 20554
target & harasser relationship & harassment type & gender, targets' responses to sexual harassment, federal government employees, implications for policy design, 1361
unwillingness vs imposition vs inability to complete request of assistance, persistence or compliance to rejected response, adults, 7666
updated conception of response expectancy theory & its applications in treatment & prevention, research review, 25345

Responsibility [See Also Accountability, Criminal Responsibility]—Serials

activation of positive vs negative Maori vs nondescript ethnic stereotype, judgements of responsibility for positive & negative stereotypic behaviors, college students, New Zealand, 30088
age of help seeker, responsibility attributions for cause of & solution to memory vs weight problem, 18–22 vs 65–100 yr olds, conference presentation, 35278
attitudes toward emotional responsibility in commercial sex, male clients of prostitutes, New Zealand, 30278
attributions of responsibility & trust in S. Milgram's obedience scenario, college students, implications for Milgram's & D. Mixon's theoretical explanations, 7646
chart for assessing development of responsibility, children, 7354
child's sex & age & type of problem, perceived responsibility for & treatment acceptability of child's emotional/behavioral maladjustment, parents, 15885
choice & responsibility & negative decisions, escalation bias, undergraduates, 10706
choice responsibility, regret vs elation attributions in evaluation pf hypothetical decision making by others, college students, 37698
cognitive therapy targeting inflated responsibility, patients with obsessive compulsive disorder, 23729
concerns with nuclear weapons & control beliefs & social responsibility values, antinuclear activism, college students, Canada, 18664
definition of corporate consciousness & relation to construct of social responsibility, implications for methodological issues & selection of viable research topics, 10112
definition of corporate consciousness based on cognitive & social & organizational literature vs construct of social & moral responsibility, commentary, 10116
development of scale, assessment of global social & personal responsibility & social conservatism, 18–82 yr olds, 6003
duties & responsibilities therapists have to 3rd persons as illustrated by tort cases, 2439
fairness for self vs others regarding punishment & responsibility, bias & differences for ingroup & outgroup members, college students, 7658
gender & physical attractiveness of female victim vs male harasser, attributions of responsibility for & sympathy in sexual harassment, college students, 1358
individual differences in attitudes about corporate social responsibility & ethics, employees vs college vs graduate students, Canada & US, 33662
individual responsibility for work allocation & acquisition of "actor competences", career education & guidance, students, 13903
Korean cultural just-world beliefs & attributions of causal responsibility, 15–20 yr olds, South Korea, 30084
level of perpetrator vs victim alcohol intoxication, attributions of responsibility & blame in acquaintance rape scenario, male vs female undergraduates, 18907
naturalistic philosophy of moral responsibility & free will, 29652
negative consequences of alcohol use &/vs severity of outcome of DUI offenses, attribution of responsibility, 18–25 yr olds, 42530
open classroom meetings, social responsibility & interest & sense of mutuality within & across grades, 2nd–5th graders, 33509
patient physician alliance in community model of patient physician relationship & responsibilities within new social context of health care system, 13216
perceived controllability & responsibility for problem & sympathy & anger, willingness to offer help to government in need, 18–71 yr olds, Nigeria, 22576
perceived role responsibilities & conflicts & boundary issues, experienced personal trainers, 17412
physician's actions in euthanasia, attribution of physician's responsibility for critically ill newborn's death, nursing vs non-nursing students vs nurses, 31631
practices & ideas about responsibility & self regulation, completion of homework, students in grades 2 & 4 & 6, Australia, 37083
psychological study of large business corporations & corporate responsibility & role of psychologists in restructuring corporate society through legal reform, 33866
responsibility for decision to take wage cuts & accept wage freeze, perceptions of fairness of wage cuts & pay, co-op employees, Canada, application of distributive justice theories, 40579
Responsibility Model & development of personal & social skills in physical activity programs for inner city youth, 24075
role of personal responsibility & sexual ethics in AIDS prevention, 9299
sex & presence of children, extent & type of household activity & sense of domestic obligation across familial stages, mothers vs fathers, implications for gender socialization, 7484
teacher's described outcome of S. Milgram's obedience experiment, responsibility attribution, college students, implications for cognitive view of defensive attribution, replication, 26202
views about responsibility for adolescent support, 12–19 yr old females vs their mothers vs grandmothers, 7356

Restlessness—Serials

antiandrogen therapy, agitation & aggressivity & pacing & restlessness, demented patients, 20065
hypothalamic stimulation, restlessness & threat & search biting behaviors & EKG changes, cats, animal model for cardiac & gastric & adrenal pathophysiologies, 11074
restlessness & sleep disorder & history of hypotension lipothymia, chronobiological explanation of sundowning syndrome, elderly with dementia, 1594

role of psychological factors in manifestations of restlessness in neuropsychiatric syndromes & development of pathogenic model, 1902–94, literature review, 4013
Restraint (Physical) [See Physical Restraint]
Restricted Environmental Stimulation [See Stimulus Deprivation]
Retail Stores [See Retailing]
Retailing—Serials
alcohol outlet policies & practices concerning sales to person under legal drinking age, 7586
anchor stores & site location & layout, shopping center image & consideration & choice, mail survey respondents, Canada, 10170
application of user modeling & fuzzy techniques in computerized selling using electronic sales assistant & usability in hypertext like information systems, 20888
balanced vs unbalanced exchange in transactions, customer equity as value of resources invested in retailer, 10168
common cause models of relationship between store-level situational constraints & organizational climate & employee satisfaction & performance & customer service perception & shopping, adults, 10110
community intervention, tobacco sales to adolescents, retail merchants, program evaluation, 32888
environmental features of stores/supermarkets that provoke vs ease anxiety, agoraphobics, 31086
implications of interactive electronic home shopping for consumers & retailers & manufacturers, 40652
perceptions of coupons & rebates & sales & other retail promotions & timing of savings, price perceptions, college students, 14045
performative vs symbolic action in response to economic needs vs institutional norms & community reputation, choice of retail store to patronize, adults in regional market areas, US vs Canada, 10164
retail patronage experience of shopping & buying & delivering & using & service & disposal, customer affection & satisfaction, shoppers, 10184
store awareness vs attitudes & cognitive associations, patronizing competing retail stores, new vs loyal vs defector vs noncustomer supermarket shoppers, 10186
store environment & emotional states, purchase behavior, consumers, 40662
territory vs brand selectivity, manufacturers vs distributors, 28272
Retaliation—Serials
dissipation & rumination, aggression exhibited in delayed opportunity to retaliate for provoking situation, male college students, 30486
distributive & procedural & interactional justice, retaliatory behavior, manufacturing employees (mean age 30.7 yrs), 33671
ethnomethodological study of the role of social work in & familial consequences of blood vengeance practice, Bedouin of Israel, 43366
intrusive vs nonintrusive driving, retaliation by occupants of public parking spaces, adults, 37284
normal allowable coercion & level of coercion & provoker's conformity to vs violation of norm, aggressive & retaliatory reactions, male college students, 3820
reasoning about expected & prescribed responses to unprovoked aggression as victim vs witness, 2nd vs 4th vs 6th graders, 11465
retaliation threat & malpractice seriousness & occupational status, occurrence & mode of whistle-blowing, white collar workers, 2303
revenge & resentment in Oedipus situation as form of psychic retreat in psychoanalysis, 1117
validity of Vengeance Scale, male vs female college students, 40830
Retardation (Mental) [See Mental Retardation]
Retarded (Mentally) [See Mentally Retarded]
Retarded Speech Development—Serials
clinical profile of speech & prosody-voice & causal-correlates characteristics in developmental phonological disorders, 3–6 yr olds with delayed speech, 8437
development & use of script-based task to assess stimulability, 1.8–2.3 yr olds with normal vs 2.3–3.3 yr olds with delayed speech-language development, 4494
diagnostic markers, 3–14 yr olds with suspected developmental apraxia of speech vs 3–13 yr olds with speech delay, 31560
individual &/vs group differences in sequence & rate & error patterns in long-term speech normalization, 3.7–5.3 yr olds with developmental phonological disorders, 7 yr study, 8436
speech & prosody-voice & risk-factor characteristics, prediction of short & long-term speech-sound normalization in developmental phonological disorders, 3–6 yr olds with speech delays, 1 yr followup, 8438
Retention [See Also Recall (Learning), Recognition (Learning)]—Serials
age, event- vs time-based tasks of prospective memory, college students & 57–84 yr old adults, 34999
alternating task modules vs massed protocol in isochronal distributed training, learning & retention in computer games & algebra word problems, 18–30 yr olds, 298
amylin dose in lateral brain ventricle, active & passive avoidance behavior & open field activity, male rats, 6956
appointment keeping on a routine day vs less scheduled day, remembering, college students, 41161
AP5 infusion in parietal vs entorhinal cortex vs hippocampus vs amygdala, retention of inhibitory avoidance, male rats, implications for NMDA receptor-mediated mechanisms in memory consolidation, 7116
arecoline vs bicuculline vs glutamate vs ST587 vs SKF38393 in hippocampus, age related decline in retention, senescence accelerated mice prone vs resistant to develop impaired learning & memory, 589
aspiration lesions of dorsal hippocampus, selective deficit in retention of visual discrimination, male rats, 11020
bilateral chorda tympani nerve transection, NaCl conditioned taste aversion retention, Fischer 344 vs Wistar male rats injected with LiCl vs NaCl, 6455
bilateral neostriatal/hyperstriatal injections of presynaptic cholinergic antagonist toosendanin, memory formation & retention following passive avoidance training, day old chicks, 34595
blockade of NMDA receptors in hippocampus & receptor dependent long term potentiation, memory acquisition vs retrieval in visual task, monkeys, 18160
brian & location of the mind, 41155
catechol-O-methyltransferase inhibitors entacapone & tolcapone, lesion or scopolamine impaired cognitive function in passive avoidance retention task, male rats, 34670
changing cue or context during multiple reminders, long term retention, 82–110 day old infants, 3361
cocaine, autoshaped lever touch response acquisition & retention, rats, 29563
cocaine vs physostigmine, memory storage, C57 vs DBA mice, 6849
conditioned serial feature-positive vs feature-negative discrimination, long-term retention, pigeons, 25381
conditioned vs unconditioned stimulus, long-term retention, rats, 21491
constant vs variable practice conditions & practice distance, acquisition & retention of tossing skill, patients with Alzheimer's disease, 1 wk & 1 mo followups, 8583
contextual change & retention interval, temporal discrimination & suppression to CS duration, male rats, 29070
cooperative &/or mastery learning methods, acquisition & retention of economic concepts, 1st & 2nd graders, 2174
delay of interpolated postevent information, interference with retention of original information, 6 mo olds, implications for memory facilitation vs impairment vs categorization, 7261
discriminability measures of effect of retention interval duration on memory performance & rate of forgetting, macaques with vs without brain lesions, commentary, 6693
fit of published data sets on retention with 2-parameter functions, 2883
gaming vs test vs text presentation, knowledge acquisition & retention, military trainees, 14660

generality of expanding pattern of retrieval mnemonic, retention, college students, 14637
glucose, memory improvement in object recognition, male mice, 37838
glucose vs insulin, memory storage & long term retention, male mice, 6953
hippocampal kindling, acquisition & retention of spatial learning & memory in water maze, rats, 21494
hippocampal vs sham lesions, acquisition vs retention of negative patterning task, male rats, implications for theories of learning & memory, 29369
incidental ad exposure & familiar vs unfamiliar buying situation, memory & stimulus based consideration set inclusion & ad recognition, college students, 40661
inferior parietal vs bilateral fornix lesions, route running retention, male monkeys, 6599
information quantity & communication effectiveness & ability to retain message content, wilderness visitors (aged 18+ yrs), 41177
informed consent procedure & depression, initial perceptions of counselor & recall, adults, 19760
interstimulus interval of & background music vs silence in advertisements, recall & retention of brand information, adults, 33771
intervening activities vs retention interval, prospective memory, 18–19 vs 65 yr olds & older, Belgium, 7227
intra-amygdala CNQX, aversively motivated retention & reactivity to footshock & anxiety & locomotor activity, male rats, 25594
keyword mnemonic, long term learning & retention of 2nd language vocabulary, college students, 14667
learning vs relearning vs long-term retention of temporal & spatial & noun information, college students, 28977
length of retention interval, blocking in stimulus selection, rats, implications for selective memory vs selective associations, 360
low vs high intensity footshock, retention of inhibitory avoidance & changes in muscarinic receptor density in neostriatum & hippocampus & amygdala & neocortex, male rats, 10991
manipulation of retention interval in within vs between Ss experimental designs involving distractor short term memory tasks, college students, 17778
monosodium glutamate after visual reminder at different intervals following passive avoidance learning, transient loss of memory on retention tests, day old chickens, 3282
multimedia laboratory vs recitation style or video lecture, learning & retention of factual knowledge & skills, college students, 9875
musical experience, retention capacity & temporal aspects of auditory short term memory as assessed with multitone sequence paradigm & recognition task, 16–38 yr olds, 14658
NMDA antagonist, early acquisition vs retention of classically conditioned eyeblink response, male rats, 11203
NMDA antagonist MK-801, acquisition & retention & cross modality transfer of learning on active avoidance task, rats, 21836
NMDA antagonists, conditioned lever-press retention, male BALB/c vs C57BL/6 mice, 41492
NMDA lesions of amygdala & insular cortex, retention of footshock motivated escape task, rats, 34522
NMDA receptor antagonist, retention performance in passive avoidance task, male mice, 3255
ontogenetic differences in retention of spatial learning tested with Morris water maze, preweanling vs juvenile vs adult rats, 29046
oral reading & maze & vocabulary general outcome measures, prediction of comprehension & acquisition & retention performance on content area tasks, 6th–8th graders, 2182
pegword mnemonic instruction, study & retrieval times & long-term retention, 5th graders, 9874
peripheral vs central information & experience of 2 similar events & suggestions by others, metamemory & judgments about long term information retention, preschoolers & 1st & 3rd graders, Canada, 25773
pharmacological effects on hormones & neurotransmitters, learning & memory storage, inbred strains of mice, implications for study of neural & hormonal factors in emotion & cognition, 579
placement of background music vs silence & use of silence as contrast in advertisement, retention of advertisement information, college students, 24861
post-training 4-hydroxyamphetamine, retention for reward reduction, male rats, 7057
postinjury long term retention deficits, 40 & 50 yr old females with disproportionate retrograde amnesia secondary to left temporal lobe damage, case reports, 4676
posttraining administration of L-enantiomer vs D-enantiomer of competitive inhibitor of nitric oxide synthase, 48-hr retention of inhibitory shock avoidance task & memory, male mice, 3191
posttraining epinephrine administration, long term retention of massed active avoidance training, poor vs good learning rats, 29627
posttraining glucose & drugs acting on cholinergic system, retention of habituation response, male mice, implications for cholinergic mechanisms involved in memory storage, 3235
posttraining injection of L-enantiomer nitric oxide synthase inhibitor, retention of inhibitory avoidance conditioning task, mice, implications for central cholinergic system in memory impairment, 3236
posttraining lateral hypothalamic intracranial self- stimulation, facilitation & retention of active avoidance learning, 16–17 mo old rats, 34514
potent activity of GABA antagonist CGP 36 742 over range of doses, retention performance on social recognition tasks, male rats, 618
preacquisition vs preretrieval tetrodotoxin inactivation of medial septal area, retention of conditioned passive avoidance response, rats, 18174
pretraining on spatial delayed matching to sample followed by estrogen, working memory performance under retention intervals with vs without emotional distraction, ovariectomized rats, 6745
pretraining paradoxical sleep deprivation, 2-way active avoidance conditioning & retention, male rats, 351
processing resources, visual–spatial vs verbal retrieval efficiency, 30–80 yr olds, 7229
relative stimulus validity, long retention interval between training & testing & conditioned responses & cue competition, rats, 21487
repeated questions & age & retention interval & frequency of specific instantiations of items, memory of final occurrence of repeated events, 4–5 vs 6–8 yr olds, Australia, 18505
retention intervals manipulated within vs between training sessions, temporal decay of delayed matching & nonmatching to sample, rats with lesions affecting thalamus or cortex or hippocampal system, 14898
retention of moral & ethical reasoning skills, 1st yr medical students, 4 yr study, 9725
retention of nondeclarative & declarative tasks & classical conditioning, 17–29 vs 63–80 yr olds, 29837
RT & subjective assessment of memory processing & confidence as predictors of accuracy of recall vs recognition of details of a crime, college students, implications for eyewitness testimony, 28975
scopolamine hydrobromide, acquisition of learned behaviors with vs without pre-drug treatment training, rats, 21824
selective perirhinal cortex lesions, acquisition & retrograde & anterograde amnesia & retention of brightness discrimination task, male rats, implications for dementia in humans, 3087
self administration of large doses of lithium chloride solution vs water colored blue in poison based aversion learning & retention paradigm, domestic chicks, 10772
self vs other vs semantic encodings, retention, college students, India, 305
simple verbal label with vs without detailed explanatory statement, comprehension & retention of safety pictorials, college students, 28897

simultaneous prompting with vs without error correction, retention of science vocabulary words, 16–17 yr olds with learning disabilities, 17231
sodium azide-infusions, changes in hippocampus & cortex & retention of water-maze & passive-avoidance tasks, male rats, animal model for learning & memory deficits, 29527
statistical measures for assessment of long term retention, infants, commentary, 3379
statistical measures for assessment of long term retention, infants, 3349
statistical measures for assessment of long term retention, infants, commentary reply, 3348
stochastic modeling of storage & retention & retrieval in prose passage learning & forgetting, 45–77 yr olds with Parkinson's disease, 36078
structural vs functional explanations with vs without pictures, facilitation of learning & retention & transfer of procedural assembly task, Navy personnel, 6375
sucrose infusions, c-Fos like immunoreactivity in intermediate nucleus of solitary tract after acquisition of conditioned taste aversion, male rats, 6 mo study, 21661
temporal order memory for new & prior learning, patients with early vs middle stage Alzheimer's disease, 23420
trace integrity model of storage & retrieval processes in development of long term retention & applications to adult recall of childhood memories, 34801
type of knowledge of results scheduling, no knowledge of results retention, college students, 17986
unilateral electrolytic tuberomammillary nucleus lesion, acquisition & short-term & long-term avoidance retention, male rats, 21700
varied relative frequency of knowledge, acquistion vs retention of motor skill learning, college students, 1 yr followup study, 41166
verbal & visual perceptual explicit memory & verbal repetition priming task, long term memory, children with vs without Down's syndrome or nonDown's mental retardation, 19463
water temperature, acquisition & retention in visible platform task, S100 beta transgenic mice, implications for hippocampal long-term potentiation & depression, 6588
0 vs 2 vs 10 training trials in aversively-motivated escape task, impairing effects of left vs right amygdala inactivation with lidocaine on subsequent retention performance, male rats, 34642

Retention (School) [See School Retention]

Retention Measures [See Wechsler Memory Scale]

Reticular Formation—Serials

activation of mesencephalic reticular formation, desynchronization of EEG & enhancement of stimulus specific synchronization of neuronal spike responses in visual cortex, cats, 537
cooling of facial nucleus & cerebellar cortex & lateral parvocellular reticular formation & interpositus nucleus, eyeblink & learning process disruption, male rabbits, 37960
pontine reticular formation neuronal firing & convulsive behavior, genetically epilepsy-prone rats, 29412

Retina [See Also Cones (Eye), Ganglion Cells (Retina), Rods (Eye)]—Serials

central island of foveola as minimal layer of pyramid in pyramidal models of visual system, image processing using pyramidal based algorithm, literature review, 14540
chronic lithium treatment, retinal light sensitivity, 24–65 yr old euthymic bipolar patients, Canada, 38989
coherent vs incoherent noise vs speckle illumination with lasers, identification of orientation of gratings imaged on retina & contrast sensitivity function of visual system, Os, 34152
electroretinogram responses to patterned stimuli in contrast & spatial frequency, 3–4 vs 16–20 mo old male vs female quail, animal model of effects of aging & sex on retinal mechanisms of vision, 41028
electroretinographic analysis of retinal dystrophy, abnormalities in rod b waves & cone a waves, patients, role of delay in activation of inner nuclear layer, 23505
evidence of genetically programed circadian oscillator in neural retina cultured from golden hamsters, circadian rhythms of melatonin synthesis, 14967
eye position, thresholds for detection of full field visual rotation, adults, implications for visual coding according to head centered craniotopic vs retinal based reference system, 14519
long-term lithium treatment, visual system, 23–80 yr old euthymic patients, 39021
orientation of square wave gratings presented to opposing visual fields as measure of nasotemporal overlap at retinal vertical meridian, epileptic 41 yr old male treated by callostomy, 1929
persistence of blue cone retinal function, cocaine-withdrawn male adults, 8 wk study, 31335
retinal anatomy & multistage model of color processing, conceptualization of stages & problem of color/luminance confounding, commentary reply, 21244
retinal anatomy & multistage model of color processing, conceptualization of stages & problem of color/luminance confounding, commentary, 21249

Retinal Eccentricity—Serials

luminance & 2-channel chromatic shifts in cone weightings & spectral shape, threshold detection of spectral sensitivity in photopic white background across parafoveal retina, Os, 215
phi vs mu vs theta motion random dot kinematograms, retinal eccentricity, 23–39 yr old experienced psychophysical observers, 37638
spatial frequency & peripheral vs foveal target area & retinal eccentricity, RT & accuracy of texture segmentation, adults, 14526
visual stimuli size & eccentricity, global precedence effect in speed of processing compound stimuli, college students, Australia, 6288

Retinal Ganglion Cells [See Ganglion Cells (Retina)]

Retinal Image—Serials

approach angle, sensitivity of retinal periphery & center & time to contact estimates, male vs female 18–32 yr olds, 6239
correlation between illusion produced by 3-dimensional Mueller-Lyer figures & retinal image vs 3-dimensional coordinate form defined figure shape, college students, 206
postsaccadic target blanking, saccadic suppression of image displacement, 21–32 yr olds, 2767
radial vs laminar flow presented on different parts of retina, estimation & spatial distribution of heading during movement through environment, human vs ideal Os, 227
residual vision in multiple retinal locations within a scotoma, 40 yr old male with hemianopia, case study, 31929
retinal image & extraretinal information, estimation of heading direction in presence of executed &/vs simulated eye movements & rotation, Os, 189
retinal shape similarity of uncompleted elements or perceived shape of completed elements, perceptual grouping, college students, 6240
target motion & velocity, corrective saccade vs accuracy of pursuit eye movements & catch up saccades for extraretinal target, schizophrenic patients with vs without tardive dyskinesia, 4189

Retinal Vessels [See Arteries (Anatomy)]

Retirement—Serials

observational study of organizational & individual functions of farewell retirement parties, retirees, Israel, 17375
pre- & post-transition experiences & adjustment to retirement, 22–53 yr old disabled athletes, 16269
pre-retirement vs early vs late retirement phases, attitudes toward conjugal life, males, Israel, longitudinal study, 7481
preretirement characteristics of husband's job & division of labor & health & social support, retirement effects on marital quality, older married couples, longitudinal study, 7418
preretirement employment structures & application of male model of life satisfaction in retirement to females, male vs female elderly retirees, 1973–90, 11497
quality of life, 20–65+ yr old people with learning disabilities who moved out of long-stay hospital to ordinary housing with support staff vs unemployed & retired people, England, 26790
racial differences in retirement earnings, married White vs Black men, 41808

representation in retiree based economic development literature & identity formation & position of bodies & identities in consumer culture of postmodernism, elderly, 15374
social class & work & retirement behavior, 1990–1996, literature review, 13912
vocational script in counseling, retired or near retirement 40 & 50 yr olds, 17275
worker role & preretirement identity, self esteem & depression, 58–64 yr old workers vs retirees, 2 yr study, 24708
Retirement Communities—Serials
meaning & experience of involuntary intra-institutional relocation to assisted living, elderly religious sisters living in retirement facility, 9511
perceptions of independence & appropriateness criteria for independent living, residency acceptance guidelines for retirement community, elderly, 15379
social support via friends within vs outside of a retirement community & depression, aged adults, 40126
TV program choices & discussion of content, adults living in retirement community, 15377
Retroactive Inhibition—Serials
degree of original & interpolated learning, retroactive interference, college students, Germany, 17962
formal analysis & simulation studies under retroactive interference, approximations to ideal network geometries & application of Hebbian Autoassociative Recognition Memory model, 17503
Markov model assessment of storage loss & retrieval failure in retroactive inhibition, college students, Germany, 6367
retroactive & proactive interference & verbal memory disorder, males with chronic alcoholism, 16074
retroactive interference effects caused by surprising reward omission, T maze memory, rats, 366
retroactive interference vs exposure to the event, rate of forgetting in delayed matching-to-sample, pigeons, 34366
Retrospective Studies—Serials
accuracy & stability of retrospective accounts of adverse childhood experiences, adults with personality disorder, 26586
changes in suicide patterns, male vs female 15–75+ yr olds, 1974–1992, UK & other Western countries, 31250
perception of maternal acceptance vs rejection, 7–11 yr olds, 7 yr followup, implications for reliability of retrospective recollections, 18547
retrospective vs prospective design & data & autobiographical recall in longitudinal studies, implications for child & adolescent psychiatry, 25143
sociocultural factors & frequency & distribution & methods of suicide, under 15 to over 64 yr olds, 30 yr study, Hong Kong, 31211
time between relapse start & interview, retrospective relapse reports, 18–60 yr olds undergoing cocaine abuse treatment, 9601
Rett Syndrome—Serials
contingency games, kicking & vocalization & reaching & eye movement, 3 yr old female with Rett syndrome, case study, 19663
CSF levels of beta-endorphin, 2–6 yr olds with infantile autism vs 10–14 yr olds with Rett syndrome, 26766
volumetric analysis of cerebral cortex & posterior fossa, female 3–23 yr olds with Rett syndrome, followup study & experimental extension, 31443
Return to Work [See Reemployment]
Revenge [See Retaliation]
Reversal Shift Learning—Serials
developmental change in discrimination reversal learning ability, 1 vs 2 vs 3 vs 5 vs over 7 yr old monkeys, 29061
discrimination reversal learning & performance crossing trail bridge & jumping obstacle, yearlings & 2-yr-old horses, 34396
idazoxan as adrenoceptor antagonist, selective attention in nonreversal shift paradigm, male rats, 7054
learning compound classification, performance on reversal & single & double previously relevant & irrelevant dimension shifts, college students, application of AMBRY connectionist model, 28960
limbic thalamic lesions, reversal learning & eyeblink conditioning, male rabbits, 21641
prefrontal cortex lesions, attentional set shifting & visual discrimination reversal & object retrieval & spatial delayed response in analog of Wisconsin Card Sorting Test, female marmosets, 10941
prenatal ethanol, auditory discrimination & reversal learning assessment procedure, adult rats, animal model of fetal alcohol syndrome, 11128
2-tone CS & air-puff UCS in classical discrimination & reversal eyeblink conditioning, hippocampal neuronal activity, male rabbits, 21744
Review (of Literature) [See Literature Review]
Revolutions (Political) [See Political Revolution]
Reward Allocation—Serials
equity vs equality in allocations of rewards to adults & children, 20–55 yr olds, England, 41999
gain vs loss & self vs other & acquaintance vs friend & ease of divisibility, social norms in distribution of adventitious outcomes, college students, 3762
job satisfaction & person–organization fit & leadership support & fairness in reward allocation, organizational citizenship behavior, cellular phone vs real estate salespeople, 40582
manipulation of Allocator vs Recipient offers during modified Ultimatum game, expectation & fairness satisfaction of equitable allocation, adults, Israel, implications for game theory, 22441
monetary reward size, independence of delay-discounting reward rate, college students, 6381
reward allocations, college students, US vs South Korea, 30443
sex composition of work group & sex of high or low producer & output of deviant producer & group task outcome, money reward allocations, college student mock supervisors, 15587
vertical vs horizontal dimensions of individualism-collectivism, preference for reward allocation reform, adults, China, 22236
Rewards [See Also External Rewards, Internal Rewards, Monetary Rewards, Preferred Rewards]—Serials
amphetamine dosage, aversive & rewarding effects on place conditioning, mice, 6843
amygdala & hippocampal innervation of nucleus accumbens, conditioned reward responding of d-amphetamine & AMPA receptor antagonist CNQX, male rats, 38115
anabolic-androgenic steroids &/vs d-amphetamine, brain stimulation reward in rate–frequency curve shift paradigm, male rats with electrodes in lateral hypothalamus, 11116
attitudes about rewards & punishments, 12–14 yr old male vs female & African vs Caucasian American 8th grade students, US vs England, 40444
chronic desipramine, waiting behavior for & time spent locating larger but delayed food reward in T-maze & hyperactivity in open field apparatus, male rats with olfactory bulbectomy, 6944
comparative perspective & personality traits & other variables, understanding individual differences in self control & discounting of delayed rewards, 7737
demographics & family psychiatric history & age & cholesterol & use of neuroleptics & severity of depression & anxiety, novelty seeking & harm avoidance & reward dependence, alcoholic patients, 1395
dopamine neurons as reporters of prediction of changes or errors for future rewards in animals, 29361
electrical brain self stimulation & axonal linkage between reward-relevant sites in ventral tegmental area & posterior mesencephalon, male rats, 18147
emotional consequences of surprising reward omissions, literature review, 34384
empathic involvement & social supportive rewards, work burnout, nurses working with HIV/AIDS patients, Italy, 9773
estrogen & progesterone, brain stimulation reward, female rats, 21784
excitotoxic lesions of central amygdaloid nucleus, potentiation of reward related stimuli by intra-accumbens amphetamine infusions, male rats, 10998

Harm Avoidance & Reward Dependence subscale scores on Tridimensional Personality Questionnaire, patients with social phobia vs major depressive disorder, 19237
ibotenic acid hippocampal lesions, food rewarded performance under progressive ratio reinforcement schedule, female rats, 11005
individual vs group identity salience & personal & collective advantage or disadvantage, evaluations of personal performance & attractiveness of rewards, college students, 7748
initiation & maintenance & extinction of cocaine self administration with vs without conditioned reward, male rats, animal model of drug addiction & cocaine seeking behavior, 15084
intra-amygdala injections of GABA agonist vs antagonist, memory for reward magnitude, rats, 21697
lever pressing for pulses under fixed variable vs interval vs ratio reinforcement schedule, electrical self stimulation rewards, male rats with lateral hypothalamic electrodes, 6622
method of payment & choice of self set goals & self esteem, choice of goal difficulty & perceived task success expectancy & perceived total valences of job performance, college students, 10699
morphine & cocaine vs lithium as psychoactive UCS, saccharin vs NaCl as gustatory CS, female rats, test of reward comparison vs conditioned taste aversion hypotheses of taste–drug reinforcement, 21852
operant-based incentive system of individual rewards & schedules of reinforcement, job performance in meeting numerical quotas, 25–40 yr old telemarketers in day vs evening shifts, 37178
ovarian steroid hormones, reward effectiveness of hypothalamic stimulation, rats, 21936
power to reward or punish in cooperative vs competitive vs independent context, college students, Canada, 2284
preference for clear message & no reward vs ambiguous message & possibility of hope vs bad news, uncertainty, college students, Scotland, 21467
preferences for larger delayed vs smaller immediate rewards & stimulation, self control, 5–6 yr old males with ADHD, commentary, 12853
preferences for larger delayed vs smaller immediate rewards & stimulation, self control, 5–6 yr old males with ADHD, commentary reply, 12851
reinforcement or reward, intrinsic motivation, meta analysis, educational implications, commentary reply, 9918
reinforcement or reward, intrinsic motivation, meta analysis, educational implications, commentary, 9926
reinforcement or reward, intrinsic motivation, meta analysis, educational implications, commentary, 9927
reinforcement or reward, intrinsic motivation, meta analysis, educational implications, commentary, 9935
restrictive environments & food reward size, arousal & expectation of daily food reward & feeding behavior, sows, 6439
reward & punishment, response disinhibition & heart rate & skin conductance & mood during instrumental learning, students, Australia, J. A. Gray's theory of behavioral approach & inhibition systems, 41413
reward magnitude, discrimination ability for memories, rats, 34355
reward type & presentation, activity of prefrontal neurons during spatial delayed response tasks, monkeys, implications for role of prefrontal cortex in goal directed behavior, letter, 14888
reward vs extinction, heart rate & skin conductance levels during repetitive motor tasks, 8–13 yr old males with ADHD, 19442
rewarding properties of putative neurotransmitter gamma-hydroxybutyric acid in conditioned place preference paradigm, male rats, 41490
rewards for retaining customers vs generating new sales, extraversion in sales performance, sales representatives, 13936
role of A1 vs A2 adenosine receptor subtypes in motor activation & reward in place-conditioning, rats, 6837
self-administration of low dose of morphine into ventral tegmental area vs amygdala, mice, 21832
sensation seeking & extraversion & introversion & impulsivity, rate of temporal discounting of rewards, college students, Poland, 11745
sensitivity to ethanol induced reward vs aversion, wild type vs mutant knockout mice lacking 5-HT1A receptors, 25605
short-term spatial memory for rewarded location, foraging honeybees, 34374
stress from lack of personal accomplishment & client gratitude & support & recognition from management as rewards, burnout & attrition, volunteers to HIV/AIDS clients, 9748
stressors & enhancers resulting from training, marriage & family therapy graduate students & spouses, 33222
synthetic cannabinoid CP 55,940, locomotor activity & body temperature & food & water ingestion & conditioned taste avoidance & place preference, male rats, 11171
task interdependence & reward interdependence, group cooperative behavior & performance, 18–22 yr olds, implications for organizational work redesign, 33692
testosterone in nucleus accumbens, affective reward in conditioned place preference, male rats, 21901
unilateral inactivation of amygdala with buffer infusions & shift in number of food rewards, latency to respond to & memory for reduced reward magnitude, male rats, 458
urinary monoamine levels, novelty seeking & harm avoidance & reward dependence, 25–35 yr old healthy males, 41290
work characteristics & burnout & emotional/social stressors & rewards & general health, grief, volunteers for HIV/AIDS clients' care, 9764
5-HT & metergoline injection into nucleus accumbens, response potentiating effect of d-amphetamine or response for conditioned reward, male rats, 6887

Rhetoric—Serials

epistemology & advocacy of normative rhetoric in organization science, commentary, 17367
feminist theorizing & feminine style in rhetoric of Our Bodies Our Selves, 41920
Gramscian hegemony perspective on cultural dominance of rhetoric & role in formation of critical telos, 41556
ideological assumptions on truth & adversarial confrontation & rhetoric in meaning of naturally occurring social arguments, males vs females, 993
issues in rhetorical demarcation of psychology & common sense, 40759
perceptions & uses of electronic mail as function of rhetorical style, college academic & administrative personnel, 40711
rhetoric & symbolism in TV coverage of sexual harassment charges by A. Hill against Supreme Court nominee C. Thomas during 1991 confirmation hearings, construction of reality frames, 11302
self-categorization, social influence in rhetoric of speech, anti-abortionist, 974
self category constructions in political rhetoric of M. Thatcher & N. Kinnock during miners' strike, UK, 7529
use of principle of perfection to examine Senator B. Packwood's rhetorical subterfuge in public response to sexual misconduct charges & his hierarchal psychosis, 15137

Rheumatic Fever—Serials

basal ganglia involvement in etiopathogenesis of obsessive compulsive disorder, adults with rheumatic chorea, India, 1–7 yr followup, 12443
D8/17 identification of antineuronal antibodies prevalent in rheumatic fever, 7–24 yr olds with obsessive-compulsive disorder &/or Tourette's syndrome, implications for use as biological marker, 22906
prevalence of obsessive compulsive symptoms & vocal tics, children & adolescents with rheumatic fever & Sydenham's chorea, 31840
rheumatic fever trait marker, identification of disorders associated with streptococcal infections, children with vs without pediatric autoimmune neuropsychiatric disorders or Sydenham's chorea, 22681

Rheumatism [See Arthritis]

Rheumatoid Arthritis—Serials

arthritis & family in juvenile rheumatic diseases & adult onset arthritis areas, literature review, 23280

biases in self-description & information processing & schema-consistent illness behavior, depressed & nondepressed persons with rheumatoid arthritis, 35970
biological & functional illness & maternal appraisal of prognosis, mental health, mothers of 2–11 yr olds with juvenile rheumatoid arthritis, 8475
content & structure of common types of self & illness conceptions, 25–67 yr olds with rheumatoid arthritis, Sweden, 12476
coping & adjustment strategies, 32–75 yr old females with rheumatoid arthritis, 23285
cultural & ethnic & racial issues in clinical practice & research affecting minorities with rheumatoid arthritis, 23273
depression & pain & daily hassles & cognitive factors & positive & negative affect & emotional impact of chronic disease, 23–81 yr olds with rheumatoid arthritis, 26890
depression & pain & disability, rheumatoid arthritis patients, 23274
emotional disclosure of stressful life events, mood disturbance & pain & joint condition & physical dysfunction, 22–79 yr old patients with rheumatoid arthritis, 3 mo study, 39379
major vs small stressful life events, disease activity & symptoms, patients with rheumatoid arthritis, 23278
moderating effect of perceived illness control, relation between causal attributions for disease unrelated negative events & depression symptoms, 25–75 yr olds with rheumatoid arthritis & depression, 19492
neuroticism & somatic factors & future health status expectation, rheumatoid arthritis patients, 31622
performance of self care activities, adults with rheumatoid arthritis, 5 yr study, 23264
social support intervention, mental health, mothers of 2–11 yr olds with juvenile rheumatoid arthritis, 9203
soft vs hard resting splints on dominant hand, joint pain & hand function & compliance, 19–76 yr olds with rheumatoid arthritis, conference presentation, 1925
spouse responsiveness, pain behavior & report, adults with rheumatoid arthritis, 16270
Vanderbilt Multidimensional Pain Coping Inventory vs Vanderbilt Pain Management Inventory, assessment of patients with rheumatoid arthritis, 40798

Rhombencephalon [See Hindbrain]

Rhythm [See Also Speech Rhythm]—Serials

cognitive multiplicity in polyrhythmic pattern performance, percussionists, application of structural equation modeling, 2824
melodic & rhythmic & tonal features, perceived musical stability profiles of stable & less stable tones in melody, musicians vs nonmusicians, 28783
melodic & rhythmic discrimination & classification & development of representations of tonality & meter, 7 vs 9 yr olds, 22056
pitch-structure variations &/vs rhythmic patterns, long-term memory for music, 18–51 yr olds, Canada, 41132
rhythmic ability & syllabic structure in production of single- & 2-word phrases & overall language ability, 4–8 yr olds with moderate learning difficulties, 26791
rhythmic properties of tone sequences & divided vs selective attention, target detection performance & RT, adults, 6401
subjective tempo performance, psychiatrically disordered vs nondisordered 20–55 yr olds, 15884

Ribonucleic Acid—Serials

adrenalectomy with vs without corticosterone replacement, increases in glucocorticoid levels after stress & subsequent changes in c-fos mRNA expression, male rats, 21655
antidepressant desipramine, glucocorticoid receptor mRNA in brain areas controlling hypothalamic-pituitary-adrenocortical axis, mice, animal model of depression, 11105
cholecystokinin mRNA in entorhinal cortex, schizophrenia patients vs nonpsychotic suicide victims (mean age 57 yrs) vs rats, 42304
chronic administration of serotonin & norepinephrine selective reuptake inhibitor antidepressants, expression of cAMP response element binding protein mRNA in hippocampus, rats, 18324
chronic antidepressant treatment, Gs & Gi alpha-subunit protein & mRNA levels in cerebral cortex, rats, 3212
chronic lithium, basal & stress- & muscarinic- & pilocarpine- & haloperidol-induced c-†i fos †n mRNA expression, male rats, 34685
chronic social stress, levels of corticotropin-releasing factor & arginine vasopression mRNA, rats, 34617
clozapine or haloperidol, dopamine receptor messenger RNA expression in hippocampus or entorhinal cortex, male rats, 38151
depressive disorder due to mitochondrial transfer RNA mutation, 22 yr old male, case report, Japan, 35550
expression & distribution of gGluR1 mRNA receptors in cochlear neurons & coexpression in spiral ganglion neurons with NMDA & non-NMDA receptors, guinea pigs & rats, 14877
expression of mRNAs for NMDA receptor subunits in prefrontal & parieto-temporal & cerebellar cortex, schizophrenic patients, 12016
fetal alcohol exposure, performance of alternation task & expression of immediate early gene RNA in brain areas, female rats, 7010
haloperidol vs sulpiride vs D1 receptor antagonist SCH23390, mRNA expressions, male mice, 41503
immobilization stress, nitric oxide synthase messenger RNA expression in adrenal medulla vs adrenal cortex, male rats, 3141
luteal phase of menstrual cycle, glucocorticoid feedback regulation in HPA axis & mRNA expression in lymphocytes, 20–39 yr old females, implications for premenstrual irritability & dysphoria, 41400
neuropeptide melanin concentrating hormone mRNA overexpression in hypothalamus, regulation of energy homeostasis & body weight, obese vs nonobese C57Bl/6J mice, letter, 6661
ovariectomy & estrogen replacement, nerve growth factor trkA messenger RNA levels in basal forebrain, female rats, implications for cognitive deficits in aging & Alzheimer's disease, 3083
progesterone, female typical sexual behavior & hypothalamic estrogen & progesterone receptor mRNA expression, ovariectomized female whiptail lizards, 18228
restriction fragment length polymorphism of DNAs & presence of RNA in brain containing repeat sequence, individual variability in circadian locomotor activity, blind mole rats, 3025
serotonin transporter binding & mRNA levels in midbrain & hippocampus & frontal cortex, postmortem brains of depressed adults committing suicide, 35540
serum leptin & ob gene mRNA secreted by adipocytes with vs without weight loss & maintenance of lower weight, percentage of body fat, obese adults, implications for food intake regulation, 4438
serum leptin & ob mRNA in adipocytes, mechanisms of neuropeptide Y in regulation of link between food intake control in brain & leptin, obese adults, commentary, 4470

Right Brain—Serials

cognitive & communicative faculties of right cerebral hemisphere, 21716
cognitive activity of right hemisphere, theoretical & therapeutic implications for dynamic psychology, literature review, 1968–95, 21699
cognitive knowledge of scripts reflected in discourse analysis, aphasic vs right-hemisphere damaged patients, 8620
crossmodal decoding of emotional intonations in semantically meaningless sentences adults with left vs right brain damage, 36127
drawing strategies as evidence of recovery of spatial integrative abilities, 7–15 yr olds with left vs right hemisphere brain injury, 23477
inhibition of 1 hemisphere, perception of 3-dimensionality of objects as assessed with holograms of spherical surfaces, 19–57 yr olds, 14507
judgments of line orientation, former servicemen with unilateral left vs right hemisphere post-Rolandic brain lesions, 31838

pragmatic understanding & ability to draw inferences in false belief theory of mind tasks, right vs left hemisphere brain damaged 41–83 yr olds, 8646
production of nonpropositional speech & aphasic speech automatisms following right hemispherectomy, 23376
referent status vs familiarity vs addressee familiarity, use of terms of reference, 46–74 yr olds with right hemisphere damage, 23373
right brain lesions & neuropsychiatric syndrome manifestation, case review, 23381
right eye patching, rehabilitation effectiveness for left-sided visual neglect, brain-injured 61–82 yr olds with right hemisphere lesions & unilateral visual neglect symptoms, 31908
right hand use & right hemisphere activation, line bisection with right hand vs head-mounted miner's lamp, 24–83 yr olds with left visual neglect, 42806
right hemisphere dominance in mental rotation, research review, 21625
right hemisphere in psychoacoustic processing underlying discrimination of voiced vs voiceless cues, research review, 21707
role of different hemispheres in comparison of triangles presented in right vs left visual field, adults, 14512
role of right hemisphere in language & intentional movement, research review, 21692
sentential syntax processing, right cerebral hemisphere vs left hemisphere brain damaged vs elderly patients, Italy, 26966
suppression of 1 hemisphere, representation of visible vs objective geometry of objects & visual sensual spatial relations, 21–45 yr olds with depression vs schizophrenia, 15882
symmetry of left & right hippocampal neuronal size & shape & orientation, 28–83 yr olds with vs 22–84 yr olds without schizophrenia, 42352

Rigidity (Muscles) [See Muscle Contractions]

Rigidity (Personality)—Serials

attitudinal flexibility vs psychomotor speed vs motor-cognitive rigidity, prediction of self vs other oriented vs socially prescribed perfectionism, college students, 18959
complementarity & hostility & interpersonal rigidity & positive regard for others & group integration, band members, US & Canada, 18857
ego involved vs neutral conditions, authoritarian mental rigidity, 18–28 yr olds, 18997
repetitive motor patterns & object manipulation & behavioral rigidities & tactile defensiveness, 7–14 yr olds with developmental disabilities & autism, 26744

Riots—Serials

event history analysis & ethnic competition arguments & models of diffusion to investigate effects of local conditions, city level hazard rates of rioting, Blacks, 1961–1968, 25979
exposure to 1992 Los Angeles riots, aggressive content of spontaneous narratives, 4 yr olds, 1992, 7323
interorganizational collaboration on telephone crisis line following urban riots, 32911
PTSD symptomatology & coping strategies & perceptions of police department role, police officers assigned to 1992 Los Angeles riot, 35661
residential segregation, racial unrest assessed with event histories of 154 race riots, African Americans & Whites, 1960–93, 15439
self-control & frustration & emotionalism & precipitating incidents in theory of riot participation, 15393

Risk Analysis—Serials

actuarial & clinical approaches & empathy & degree of isolation & predicting risk, serious sex offenders, 35469
alcohol consumption vs abstinence, perception of consequences of risk taking, female moderate heavy drinkers (mean age 22 yrs), 18819
apolipoprotein E, risk & onset of dementia, patients with frontal lobe dementia, Netherlands, 39560
assessing dangerousness & false positives & practitioner responsibility, 36913
attitudes about driving, risk for road accidents, drivers 18–70 yrs old & older, Norway, 28320
background & situational factors & risk assessment & management & prevention of homicide, children & adolescents, literature review, 4372
birth risk factors, visual & auditory sensory capacity, young adults, 2758
child & parental factors in abuse potential, mothers & their 2–8 yr olds with vs without disabilities, 4229
childhood salutogenic variables & psychiatric risk factors, mental health & functioning, adults, Sweden, followup study, 25675
decision making concerning life threatening risks, appraisal of alternatives & public policy & laws & communication, 15392
definitions & concepts & requirements of risk factors, 35335
degree of Native American heritage & recent drinking history & family history of alcoholism, alcohol expectancies, nonalcoholic 18–25 yr old male Mission Indians, 26661
development & evaluation of fuzzy linguistic model for prediction of risk for carpal tunnel syndrome in occupational settings, 24–72 yr olds, 40685
early school problems & psychosocial problems & risk factors, 10 yr olds, 8 yr study, Sweden, 26419
effectiveness of lecture format & seminar teaching & national conferences & apprenticeships as techniques for training trainers in risk assessment, 36869
estimation of risk for illnesses, college students, Malawi, 22669
ethical issues & assessment of risks in biological psychiatry research, children & adolescents, reprint, 31939
family risk factors, suicidal behavior, children & adolescents, literature review, 19308
findings concerning assessment of risk for violence, implications for potential expert witnesses in civil cases arising from employee caused workplace violence, 14132
guidelines for risk assessment & liability & overcautious assessments, mental health professionals, 36916
hyperactive & conduct problems as risk factors for adolescent development, 6 & 7 yr old males, 9 yr followup, England, 8170
identification of dynamic risk factors associated with workplace violence, implications for clinician consultants to employers, 14022
individual social factors vs constructivist approaches to process of risk construction in HIV sexual transmission, 31644
internal & external risk factors for posttraumatic stress symptomatology, 22–39 yr old police officers interviewed 3 & 12 mo after traumatic incident, Netherlands, 42361
issues of right not to know & medical management decisions & pre & postsurgery interactions in cancer risk counseling, females with or at risk for cancer, case reports, 39959
measures of risk & children's resiliency to high risk environments, Texas state & local area assessment of needs for substance abuse prevention services, 43387
mortality risk, male vs female suicidal vs nonsuicidal psychiatric emergency patients, followup study, Iceland, 38938
nature & prevalence of health risks, 18+ yr olds with spinal cord injuries, Canada, 16355
overcautious decisions & need for risk assessment & who should assess risk, clinicians, 36912
overlap of genetic risks for disease, 1st degree relatives & patients with Alzheimer's disease (mean age 74.9 yrs) or Parkinson's disease (mean age 67.8 yrs), 36114
parental divorce, perceived risk & dyadic trust in intimate heterosexual relationships, college students, 7497
patient attributes & relatives' expressed emotion & household composition as risk factors for relapse, Ss (mean age 20.5 yrs) with schizophrenia & related disorders, Netherlands, 19208
perceived investment values & benefits, economic vs hedonistic vs altruistic, informal investors, 24851
perceptions & determinants of trust & credibility in environmental risk communication, adults, 30321
perceptions of potentially dangerous situations as hazardous for children, expectant 14–19 yr olds vs 20–29 yr old mothers, 7508

personality & family characteristics & peer factors & ecological & acculturation variables as risk factors for drug use & delinquency, African American & Puerto Rican 7th–10th graders, 23105
portfolio characteristics & investment period, investment risk judgments, adults, 2799
predatory vs nonpredatory odors & red vs white light conditions, risk assessment behavior, male mice, 21561
predictive efficacy of risk factors & recidivism, criminally charged male extrafamilial child molesters, 24-yr follow up, 19416
predictive validity of Manitoba Risk-Needs Scale & prediction of recidivism, aboriginal vs non aboriginal probationers, Canada, 40779
reactions toward & unrealistic optimism for risk level in smoking, nonsmoking vs smoking male nationals vs doctors, Egypt, 5228
real vs false risk statistics for "average person", accuracy of own personal risk estimate, college students, 1024
risk & rate of committing crimes, schizophrenic vs nonschizophrenic mentally ill patients, England, 35640
risk & rate of committing crimes, schizophrenic vs nonschizophrenic mentally ill patients, England, commentary, letter, 42339
risk assessment & identification & management & training issues, forensic psychiatrists, 37319
risk assessment & management & violence, mentally ill populations, 35494
risk factor approach to prediction of falls, patients in mixed acute & rehabilitation elderly care wards, 5337
risk factor research, developmental psychopathology, 35421
risk factors for crime & intentional & unintentional injuries, children & adolescents, 8321
risk factors for postservice suicide & death rates, Vietnam era draftees, Australia, 17 yr study, 8144
risk factors for recidivism, male criminal sex offenders, 22970
risk/protective factors based on 3 behavioral theories & explanation of stages of alcohol initiation, inner city 6th grad students, 41743
rota-risk criteria for Rota-Risk-Profile-Analysis computer program, working-time schedule theory encompassing physical & social risks of rota & comparison of schedules, 14010
self efficacy & perceived risk of HIV transmission & subsequent intention to reduce risk, 21–63 yr old HIV negative iv drug users with multiple sexual partners, test of AIDS risk reduction model, 23323
sex & age & minority status, risk for suicidal ideation or attempt or oppositional-defiance or aggression related emergency room visits, cohort under age of 16 yrs, 10 yr study, 8148
sex vs race or ethnicity vs history of injection drug use vs sex for drugs vs sexual orientation, risk for infection with HIV vs syphilis, 20–67 yr old drug users, 31349
signed orders in linear & nonlinear utility theories of decision under risk, 2715
single vs combination manual handling tasks, risks assessed by ratings of discomfort & exertion & heart rate, adults, 37261
sociodemographic & reproductive & psychiatric factors in increased risk for 1st episode or recurrence of major depressive episode in 6 mos after miscarriage, adult females, 30890
symptoms & functional disability & prior hospitalization & residence type & urban vs rural referral source & treatment compliance, risk of rehospitalization, psychiatric patients, 6 mo follow up, 27761
Toxocara canis infection, risk factors & cognitive development, disadvantaged 6 mo olds, 4 yr study, 39387
unidirectional vs bidirectional framing effects on choice outcomes, risk preference in life-death vs public property vs personal money problem domains, college students, 14618
unknown outcome & probability, choice behavior upon violation of transitivity & independence between alternatives, college students, China vs Australia, 24845
unrealistic optimism & perceptions of health & safety risks, bungee jumpers & friends & family members, UK, 5809
unrealistic optimism about risk of experiencing negative events, 3953
use of estimates from single tasks in risk assessment & estimation of hand force & peak lumbar compression & shear force in combination manual tasks, college students, 38067
varied personal control & base rate, estimated risk for aversive events, 17–34 yr old college students, 35270
vivid or self-relevant information, societal & personal judgments of risk, college students, Netherlands, 3945
workplace violence & risk management & assessment, UK, 22958

Risk Management—Serials

approach of Home Office Mental Health Unit to assessment & management of risk, UK, mentally ill offenders, 43945
assessment of cardiac disease risk in patients & development of risk management counseling skills, family practice residents, 20420
change in mission of nuclear weapons complex following end of Cold War from nuclear weapons production to environmental cleanup & public's health fears & risk management, 40600
clinical & legal issues & liability & clinical risk management, patients with rapid cycling bipolar disorder, 22799
comorbidity of substance misuse & mental illness & pharmacological & psychosocial factors in modification of intoxicated or aggressive behavior, psychiatric patients, 42150
comparison of application of knowledge from professionals with different backgrounds to 3 case vignettes in forensic psychiatry, 27 & 36 yr old males & 36 yr old female, UK, 43950
cosmopolitanism vs pluralism, risk management judgments, adults, 30080
decision making & home environment & intergenerational identification of risk & access to resources & power relations, understandings & management of risk, 9 vs 12 yr olds & their parents, 41717
effectiveness of background checks for driving while intoxicated vs random preflight alcohol testing as strategies for prevention of alcohol misuse, airline pilots, 31326
enhancement of risk management by psychodynamic understanding of internal world of offender patient & unconscious meaning of forensic act & interactions between patient & environment, 42945
explicit risk factors, patterns of service selection & level of casework effort in child protective service provision, children, 20232
family-based & culture-specific dietary intervention, cancer risk reduction, low-literacy low-income Hispanic American mothers & their 7–12 yr old children, 13187
government inquiries into mental disorder & homicide & importance of suicide awareness for forensic psychiatry, offenders, UK, 43947
HIV risk reduction intervention programs, adults with severe mental illness, literature review, 32752
incorporation of psychosocial assessment & risk reduction education & counseling & support into HIV exposure management programs, 28 & 32 yr old male health care workers occupationally exposed to HIV, 40280
malpractice risk management, psychologists who treat patients with lost & recovered memories of childhood abuse, 17090
mental disorders & risk of violence & approach to psychiatric risk assessment, UK, 42167
principles for managing risk in public interest, promotion of life expectancy & healthful life, 16814
principles for sex offender risk assessment, legal implications, 28361
principles of risk management central to quality care & services & issues of community care & alcohol & sexuality in risk management, people with learning disabilities, 32823
psychiatric & legal views of risk taking & recommendation of approach reflecting dynamic process of risk development & reduction, individuals with psychiatric disorders, 43943
psychiatric contributions of Parole Board to risk assessment, offenders, UK, 43977

psychiatric patient litigation following homicide, UK, implications for risk management, comparison with US data, 43966
psychosocial risk factors & reduction interventions, patients with cardiovascular disease, research review, 23999
psychotherapeutic guidelines for clinical risk management of stalking behavior, 36219
risk assessment & identification & management & training issues, forensic psychiatrists, 37319
risk assessment & limitations to understanding of serious offending & mental disorders based on official national crime statistics, UK, 43942
risk assessment & management & physical & sexual abuse & miscarriages of justice, mentally retarded individuals referred to as learning disabled, UK, 42642
risk assessment & management & violence, mentally ill populations, 35494
risk assessment framework for suicide & homicide, offenders, UK, 43951
risk management during transition from hospital to community care, patients with mental disorders & violent behavior, 43381
role of inquiries after homicide in risk management, psychiatric patients, UK, 43948
role of psychiatry in evaluating risk factors, sexual offenders, 42570
role of risk assessment in Probation Service in England & Wales, mentally ill offenders, UK, 43949
screening, detection of behavioral & other risk factors, allogenic blood donors, 26898
sexual practices & relationships & HIV risk avoidance coping behavior, gay or bisexual HIV seropositive males seeking AIDS prevention services, 36648
social cognitive vs gender & power theory based intervention, HIV risk reduction, incarcerated 17–53 yr old females, 6 mo followup, 36828
steps in clinical risk assessment & management & ways to improve clinical practice, psychiatrists, UK, 43944
weight gain prevention program, stress & depression & dietary restraint & binge eating behavior & coronary heart disease risk factors, 44–50 yr old premenopausal women, 32754
workplace violence & risk management & assessment, UK, 22958
worksite intervention programs, employee seat belt use, literature review, 1968–94, 43917

Risk Perception—Serials

active information search vs complete information presentation, naturalistic risky decision making, adults, 41070
attitudes & beliefs & perceptions regarding risks from chemicals, toxicologists vs members of public, Canada, implications for risk communication, 17482
attitudes & opinions toward junior & senior high school drug & sexuality education programs & student risk behaviors, principals vs district administrators vs school board members vs teachers vs parents, 9883
attitudes & perceptions about on-site nuclear waste storage risk, adults living near existing nuclear power plants, 14079
attitudes toward sexually transmitted diseases & perceived knowledge & risk, 17–20 yr old college students, 4551
basic features of risk homeostasis theory & use in accident prevention strategy, automobile drivers, 40708
changes in perceptions of cumulative risks to life or health or property & judgment of long-term probabilities associated with small short-term risks, college students, 28840
cognitive & emotional aspects of mental construals of risk-related behavior & self reported car speeding, 18 yr olds, Norway, 24902
concerns & perceptions of risks related to transportation & storage of radiological waste, adults, 14083
conditional vs unconditional estimate of perceived risk measure, AIDS-related behavior & intentions, heterosexual STD clinic patients with prostitute vs private partner sexual contact, 26921
cost/demand analysis in international dispute challenges & reciprocation, 35216
cross cultural analysis of perceptions of risks from hazardous technologies & activities, college students, Australia, 18960
decision maker's risk perceptions & propensities, acquisition candidate selection & negotiation & integration, implications for managerial practice, 13922
decision making & home environment & intergenerational identification of risk & access to resources & power relations, understandings & management of risk, 9 vs 12 yr olds & their parents, 41717
driving experience & perceptions of danger & difficulty, evaluations of videotaped traffic scenes, older vs younger drivers, 6310
exercise, shooting behavior & perceptions of criminals in simulated dangerous situations, police patrols, 15644
expectations for life benefits of treatment, preferences for surgery vs expectant management, elderly patients with prostate cancer, 20092
experience of predictive genetic testing for familial adenomatous polyposis & level of risk for disease development, desire for continuation of bowel screenings, patients, 4550
exposure to AIDS risk information & discussion of attitudes & sexual behavior & AIDS knowledge, interpersonal perception of AIDS risk potential of persons of opposite sex, male vs female students, 42022
extent of partner knowledge, performance of necessary safer sexual practices for AIDS prevention, college students, 24080
field validity of psychometric model of risk perception regarding nuclear reactor, Midwestern community residents, 14085
functional utility model of depressive resistance & risk assessment & behavior, 38992
gain vs loss & payoff probability & presentation mode, perception of & choice preferences for linguistic vs numeric risk in lotteries, adults, 17427
gender & stated sexual orientation & AIDS status of speakers, AIDS risk perceptions after viewing public service announcements, college students, Canada, conference presentation, 24081
gendered perspective on fear & risk & criminal victimization, 42585
health beliefs & self efficacy & perceived susceptibility, needle use practices for reduction of risk of HIV contraction, injection drug users, 4326
HIV related knowledge & attitudes & perceptions, HIV avoidance practices, African American adults, 16276
individual differences in desire for control & ambiguity intolerance & demographic characteristics & personal worry & perceived risk of technological hazards, 22–79 yr old females, 22554
male dating partner characteristics & story character alcoholic beverage consumption, appraisal of sexual assault risk in hypothetical dating situation, female college students, 16008
measurement of & optimistic biases in perceived risk & role in models of protective health behavior, 5159
micro- & macrolevel interactions of crime & victimization rates & community contexts, perceptions of crime risk & precautionary behavior, 10–70+ yr olds, 16110
negative affectivity & delinquency & aggressivity in high risk antecedents to property vs violent offense, 12–18 yr old juvenile offenders in psychiatric unit, Canada, 35849
negative vs positive outcomes with vs without monetary incentive, prediction of self vs abstract vs vivid others risk preference, college students, 18887
no vs moderate alcohol, hazard perception, 18–25 yr old non-drink-drivers vs DWI offenders, 19360
perceived barriers to & social norms about bicycle helmets & risk perception, frequency of helmet use, college students, 10228
perceived risk factors for & awareness of signs of & willingness to report child maltreatment, psychology & social work & education & medical students, Israel, 16043
perceived risk of injury from household products & architectural features, architects & interior designers vs adults 65 yrs & older, 17475
perceived susceptibility & severity of threat of AIDS & communicative & sexual self efficacy & outcome expectancy, HIV preventive behavior, heterosexuals, 5219

perception & acceptance of technological & environmental hazards & benefits, members of public, Poland vs Sweden, 17483
perceptions & determinants of trust & credibility in environmental risk communication, adults, 30321
perceptions of health risk associated with smoking relapse & commitment to quitting & self concept, adults in smoking cessation clinic, implications for cognitive dissonance theory, 16965
perceptions of plastic bottles vs stuffed sparrowhawk predators, body mass, captive greenfinches, 21566
perceptions of risk associated with multiple substance misuse & trait anxiety & approval motivation, college students, 42529
perceptions on risks associated with alcohol consumption during pregnancy, 16–38 yr old Hispanic & Anglo females, 38644
personal experience with risk & perceived frequency of occurrence or preventability of risk & trait anxiety, unrealistic optimism with regard to genetic risk, female adults & 16-19 yr olds, 4578
personal values & perception of victim, perception of risk of HIV infection based on scenarios containing information about HIV victim & method of contraction, adults, 4596
risk & fear of loss, coercive power in nonnegotiated social exchange relations, adults, 25994
risk attitudes & portfolio choices & lottery participation & validity of hypothetical risky choice questions, 16+ yr olds in representative vs high income group, Netherlands, 24830
risk taking behavior & drug use & HIV & AIDS knowledge & risk perception, male 18–29 yr old sharing vs nonsharing injection drug users vs other vs non drug users, China, 36030
role of overestimation of negative events & risk & threat perception, adults with vs without anxiety disorders, 31126
self assessments of likelihood of contacting & worry about AIDS, 18–44 yr old unmarried heterosexuals, 4592
self-esteem & attributional style & social adjustment & social support & clinical risk factors as predictors of recurrence, recovered bipolar & unipolar depressive patients, prospective study, 42286
self esteem, risk behavior & perceived vulnerability to unplanned pregnancy, female college students, 22383
SES & education & family history, breast cancer knowledge & risk perception & screening & medical procedures, Black vs White adult females, 26935
sex, perceptions of nuclear risk, life & physical scientists, 38693
sexual motivation induced through high vs low sexually appealing photographs, perceived risk of contracting STD & HIV from high vs low risk sex partners, heterosexual male undergraduates, 38603
state & trait anxiety, subjective risk appraisals in text-completion task, university students listening to anxiety-inducing music, Germany, 26278
statistical approach to analysis of socioeconomic impact areas in environmental risk perception, socioeconomic scholars, Taiwan, 14081
time intervals between expected harmful events, risk perception, homeowners, implications for risk communication, 11246
vagueness about probability & magnitude of loss, evaluation of hazard risks, college students, 17927
varied personal control & base rate, estimated risk for aversive events, 17–34 yr old college students, 35270

Risk Populations [See At Risk Populations]

Risk Taking [See Also Gambling, Sexual Risk Taking] —Serials

acculturation & family & social support & health related risk behaviors, pregnant Mexican American adolescents & young adults, 23983
accuracy of perceptions of patient disinterest or embarrassment by discussions about health-risk behaviors, clinicians of 11–16 yr old patients, 23994
adequacy of physicians' screening for HIV risk & general preventive health care, primary care patients, 24153
age & household net wealth & income & taxes, economic risk taking, adults (mean age 48.3 yrs), Sweden, 24847
AIDS knowledge & condom attitudes & depressive symptoms & drinking motives & decision making style & self-esteem & vulnerability to HIV, risky sexual behavior, 13–21 yr old substance abusers, 31320
AIDS Risk Reduction Model & other psychosocial factors, HIV sexual risk behavior, heterosexual 24–60 yr old noninjecting cocaine dependent males, 12240
alcohol & marihuana use, health & high risk HIV sexual behavior & abusive relationships, lesbian or bisexual female 18–66 yr olds, 1399
alcohol consumption vs abstinence, perception of consequences of risk taking, female moderate heavy drinkers (mean age 22 yrs), 18819
applications of behavioral decision research to treatments for substance abuse & related risky behaviors & other disorders, commentary, 36306
arbitration condition & risk taking propensity, bargaining behavior, college students, 7596
attitudes toward skin cancer risk & sunbathing behavior, adults, England, 18940
bad mood & risk taking & self defeating behavior, college students, 15695
blood alcohol concentration, effects of negative punishment on risk-taking & decision making, adult males, 15556
cognitive & emotional aspects of mental construals of risk-related behavior & self reported car speeding, 18 yr olds, Norway, 24902
commitment to risky project & size of project & reinvestments, resulting entrapment, venture capitalists, Netherlands, 13965
communication strategies, success of interventions to change risk behavior & reduce risk of HIV infection, 36638
computerized vs printed questionnaire administration, recall of health-risky behaviors assessed at 2 vs 4 wks, undergraduates, 25157
construction & validity & reliability of expectancy questionnaire to assess positive & negative outcome expectancies of risk-taking behavior, college students, 40825
convergent validity of self-report & peer & teacher rating measures of risk propensity & relationship to self reported frequency of risky health behavior, elementary & junior high school students, 25007
cooperation in intergroup vs 2- vs 4-person games of chicken, male undergraduates, Israel, 35198
cost/demand analysis in international dispute challenges & reciprocation, 35216
crashes & traffic convictions & risk taking behaviors & seat belt attitude & knowledge, drivers not using seat belts, 14090
decision maker's risk perceptions & propensities, acquisition candidate selection & negotiation & integration, implications for managerial practice, 13922
decision trees, decision making in risky vs less risky gambles vs natural decision tasks, adults, Austria, 6314
demographic & health variables, risk behaviors for HIV, Black vs Hispanic vs White out of treatment injection drug users, 27601
demographic & socioeconomic characteristics, HIV related risky sexual & drug use behaviors & seropositivity, chronic drug using male vs female homeless adults, public health implications, 1396
demographic characteristics & risk behaviors & program & social environmental variables, retention in HIV/AIDS outreach prevention project, adult drug users, 6 mo followup, 27585
differences in mood response to novel risk sport activity, male vs female 14–16 yr olds, 22113
drug sharing network oriented HIV prevention intervention, unhygienic injection equipment sharing, HIV seronegative vs seropositive injection drug users, 1.5 yr followup, 9316
emotional well being & cognitive functioning & motivation to change as causal determinants for AIDS risk behaviors vs resources for behavioral change, adult drug injectors & crack smokers, 27586

experiences & understanding of death & risk-taking behavior & patterns of parent & peer attachment during adolescent development, middle school vs high school vs college students, 34939
family relationships & risk behaviors, self-reported delinquency, 12–16 yr olds, 31376
feedback & relevant experience, learning to avoid winner's curse in auctions & acquisition problems, graduate students, 2808
frequency of risky behaviors leading to intentional & unintentional injuries, male vs female single vs married college students, 19524
geographical region, numbers & sex of sexual partners & condom use & injecting drug use & perception of AIDS risk, 15–59 yr olds, Great Britain, 8532
group psychotherapy, psychodynamic processes underlying HIV/AIDS risk taking & fears & dealing with developmental issues, low risk adolescent vs high risk institutionalized juvenile offenders, 8895
high levels of drinking, health enhancing vs health compromising behaviors, college freshmen, 42531
HIV counseling model, change & reduction in HIV-risk behavior, 36646
HIV knowledge & risk behaviors, homosexual or bisexual 13–29 yr old males who were substance abusers or prostitutes, 1541
HIV prevalence & transmission & sexual behaviors & safer sex techniques & risk assessment & prevention communication with health care personnel, Lesbians & females who have sex with females, 43306
HIV related knowledge & attitudes & perceptions, HIV avoidance practices, African American adults, 16276
HIV related risk behavior, adults with severe & persistent mental illness, literature review, 30740
HIV-related risk behaviors, 23–62 yr olds outpatients with severe mental illness, 31648
HIV risk behaviors & knowledge & prevalence of HIV/AIDS, mentally ill, Australia & US, literature review, 3993
HIV risk factors & antibody testing & condom use, 18–49 yr old heterosexual Hispanics, 26918
HIV-risk knowledge & high-risk behavior, 19–65 yr old outpatients with chronic mental illness, Canada, 1197
HIV testing & counseling program, risk behaviors, African Americans vs Puerto Ricans, US & Puerto Rico, followup, 27608
impulsiveness & risk taking behavior, 13–65 yr olds, 22140
individual differences & developmental factors in risk taking, children, 11441
information & motivation & behavioral skills model for promotion of HIV/AIDS risk reduction behavior change, conference presentation, 32744
information about peers' healthy behavior, unrealistic optimism & self-frequency ratings of risky behavior, college students, 3919
information structure & endowments & expectations & individual risk aversion, market prices & wealth distribution, informed vs uninformed traders, 37244
injection drug use & psychiatric comorbidity & needle sharing & sexual high HIV risk behaviors as assessed by relatives, alcoholic probands, 42520
integration of prior outcomes, risky decision making, adults, 41086
integration of prospect theory & group behavior research in study of negative domain decision making, groups, management implications, literature review, 985
inter- and intrapersonal violence & addictive & other high-risk health behavior prevalence & acquisition stage, African-American vs Latino vs Caucasian 7th & 8th graders, 15334
knowledge- & cognitive-behavioral skills-building prevention intervention, sexually transmitted disease & HIV knowledge & prevention of risky sexual & substance use behavior, 13–17 yr olds, 27957
knowledge of HIV serostatus, risk behaviors, HIV-positive vs -negative injecting drug users, 6 mo followup, Puerto Rico, 36011
large vs small group vs family context, risk preferences & framing of choice outcomes in life/death decision problem, adults, 2839
limiting AIDS risk behavior, chronically mentally ill patients, 32740
male prostitution & injecting drug use & sexual identity & culturally specific gender norms & roles, risk for HIV, bisexual males, individual & community intervention implications, 12510
methodological issues in testing the hypothesis of risk compensation, cyclists & pedestrians, England, 37275
model & estimation of complexity, high vs low risk decisions on horserace betting, adults, UK, 43856
nature & prevalence of health risks, 18+ yr olds with spinal cord injuries, Canada, 16355
older sibling health risk behaviors & substance use outcome expectancies & consequences, substance use & health risk behaviors & expectancies of younger siblings, 13–17 yr old & 17–25 yr old siblings, 41699
other-oriented values & positive affective arousal, amount willing to pay for lottery ticket, college students, test of theory of concern for others in organizations, 18973
personality characteristics associated with unprotected multiple partner sexual intercourse & dangerous driving habits & violent crime & alcohol & marihuana dependence, 18 yr olds, New Zealand, 8087
positive attitudes toward suntanning, engagement in behaviors increasing risk of skin cancer, female college students, 12534
pressure of work community, increased risk taking behavior, victims of occupational accidents, Finland, 5796
prevalence of non-fatal suicidal self-laceration & self-poisoning & deliberate recklessness, 15–16 yr olds, Australia, 35735
protective vs risky motorcycling opinions & behaviors, licensed vs unlicensed 18 yr old motorcyclists, New Zealand, 5850
psychological states & social support & conflict & HIV risk behavior, homosexual males, 11 yr study, 31682
race & age & sex & drug use & sexual risk behaviors & self-reported HIV infection, methadone maintenance treatment program enrolles, 40173
recent sexual activity & condom use, HIV seropositive patients, letter, 8528
reciprocal nature of risk behaviors & health cognitions of driving & drinking & smoking, 8th–10th graders, 3 yr study, 783
relationship between antisocial behavior & injury-related behavior, adolescents, Norway, 8172
risk attitudes & portfolio choices & lottery participation & validity of hypothetical risky choice questions, 16+ yr olds in representative vs high income group, Netherlands, 24830
risk behavior & triggers of AIDS fear & psychiatric history & media campaign against HIV, suicide mortality, HIV negative 17–70 yr olds, Finland, 1343
risk factors & prevalence of alcohol & drug abuse & mental health status, adolescents & females (mean age 42.3 yrs), 10 yr study, 26688
risk factors & prevalence of alcohol & drug abuse & mental health status, adolescents & females (mean age 42.3 yrs), 10 yr study, commentary, 26686
risk factors & prevalence of alcohol & drug abuse & mental health status, adolescents & females (mean age 42.3 yrs), 10 yr study, commentary, 26673
risk factors & prevalence of alcohol & drug abuse & mental health status, adolescents & females (mean age 42.3 yrs), 10 yr study, commentary, 26649
risk factors & prevalence of alcohol & drug abuse & mental health status, adolescents & females (mean age 42.3 yrs), 10 yr study, commentary, 26670
risk factors & prevalence of alcohol & drug abuse & mental health status, adolescents & females (mean age 42.3 yrs), 10 yr study, commentary reply, 26689
risk factors & prevalence of alcohol & drug abuse & mental health status, adolescents & females (mean age 42.3 yrs), 10 yr study, commentary, 26655

risk factors & prevalence of alcohol & drug abuse & mental health status, adolescents & females (mean age 42.3 yrs), 10 yr study, commentary, 26681
risk factors & prevalence of alcohol & drug abuse & mental health status, adolescents & females (mean age 42.3 yrs), 10 yr study, commentary, 26692
risk factors & prevalence of alcohol & drug abuse & mental health status, adolescents & females (mean age 42.3 yrs), 10 yr study, commentary, 26677
risk factors & prevalence of alcohol & drug abuse & mental health status, adolescents & females (mean age 42.3 yrs), 10 yr study, commentary, 26687
risk factors for motor vehicle crashes & occupant injuries, rural vs urban American Indian vs non-Indian drivers, 1989–90, 37279
risk propensities of partners, level of conflict in negotiation, adults, 7610
risk taking & academic & driving & substance use & other characteristics, single vehicle & injury crashes, male vs female White vs non-White 17–21 yr olds, 1 yr study, 14089
risk taking behavior & drug use & HIV & AIDS knowledge & risk perception, male 18–29 yr old sharing vs nonsharing injection drug users vs other vs non drug users, China, 36030
risk taking decision making with real vs hypothetical consequences, college students, 274
risky driving & passenger behaviors & attitudes, male vs female adolescents, New Zealand, 786
Russian roulette as risk taking behavior & rite of passage, adolescents, commentary, letter, 25877
safer sex behavior practices & knowledge of AIDS & social norms & familiarity with persons with HIV, HIV risk appraisal, 18–42 yr old women, 43292
self efficacy & perceived risk of HIV transmission & subsequent intention to reduce risk, 21–63 yr old HIV negative iv drug users with multiple sexual partners, test of AIDS risk reduction model, 23323
self esteem, risk behavior & perceived vulnerability to unplanned pregnancy, female college students, 22383
self perception & sexual behavior & iv drug use & illegal activity related to HIV risk, heroin addicted White vs Black vs Latina females in methadone maintenance treatment aimed at HIV reduction, 2065
SES, risk behaviors for chronic disease, 12–17 yr olds, 19093
sex & age, psychosocial predictors of health-compromising behaviors of unhealthy weight loss & substance abuse & delinquency & sexual activity & suicide attempts, 11–21 yr olds, 43295
sex & critical thinking & locus of control & sensation seeking, risk taking behavior, college students, 7724
sexual & drug abuse & other HIV risk taking & reduction readiness, hard to reach & out of treatment African American & Mexican American females at high risk for HIV infection, 12523
sexual abuse, HIV related attitudes & behaviors, 12–17 yr olds with psychiatric disorders, 31182
skin type & general & personal beliefs regarding risk of skin cancer, suntanning & sun protection behaviors, 16–25 yr olds, 32739
sociodemographic characteristics in cross dressers or homosexuals or gigolos or bisexuals or heterosexuals, prevalence of HIV-1 & syphilis, 13–68 yr old males who have sex with males, Dominican Republic, 8529
standard National Institute on Drug Abuse vs local innovative intervention, change in HIV risk behaviors, African-American male crack cocaine users, 2 yr followup, 27600
strength of association between alcoholism typology & HIV risk behavior, alcoholic inpatients, 19390
substance use & cognitive escape model & HIV-risk sexual behaviors, gay & bisexual men, implications for behavioral interventions, 31680
substance use & high risk behaviors & feeling states, male vs female adolescent psychiatric outpatients, 26407
traditional vs specialized AIDS education program, self esteem & emotional distress & coping style & drug use behavior, 18–50 yr old impoverished African American females, 2 yr followup, 39955
Tragedy of the Commons parable vs Comedy of Community social catharsis concept, environmental & health concerns & risks & solutions in use of depleted uranium, 24894
unconscious conflict in risk taking & injury management, decompression sickness, experienced scuba divers, 27528
understanding use of imaginary audience & personal fable aspects of egocentrism as related to risk behavior & other variables, design of health promotion messages, 13–21 yr olds, 9312
unidirectional vs bidirectional framing effects on choice outcomes, risk preference in life-death vs public property vs personal money problem domains, college students, 14618
work loyalty & attitude towards risk, foreign vs Arab expatriate vs indigenous managers, United Arab Emirates, 33648

Risky Shift [See Choice Shift]

Risperidone—Serials

acute dystonia during abrupt transition from clozapine to risperidone, schizophrenic male, case report, commentary, letter, 1858
acute risperidone, regional brain dopamine & serotonin release & metabolism, male rats, 3222
akathisia & parkinsonism during risperidone treatment & after discontinuation, 69 yr old female with acute schizophrenia, case report, letter, 23923
augmentation of serotonin reuptake inhibitor with risperidone, 16–59 yr olds with obsessive compulsive disorder or trichotillomania or Tourette's syndrome, South Africa, 32551
clinical efficacy & side effects of risperidone, 8–17 yr olds with developmental disorders, 8–15 mo followup, 27418
clozapine & risperidone & paroxetine, 46 yr old female with chronic schizophrenia, case report, 32490
clozapine & risperidone, arrhythmia, 28 yr old paranoid schizophrenic female, case report, 32376
clozapine or risperidone vs conventional neuroleptics haloperidol or fluphenazine, cognition as seen on maze tasks, subchronic vs chronic schizophrenic clients, 12971
clozapine vs risperidone, positron emission tomography assessed D2 & 5-HT-2 receptor occupancy & extrapyramidal effects & clinical response, schizophrenic patients, 9134
combined risperidone & selective serotonin reuptake inhibitor induced enuresis, 10–14 yr old psychiatric patients, letter, 9163
correlation between neurological soft signs & response to risperidone, patients with chronic schizophrenia, 13050
cost-benefit ratio of risperidone & haloperidol in treatment of schizophrenia, commentary, letter, 19968
cost-benefit ratio of risperidone & haloperidol in treatment of schizophrenia, commentary reply, letter, 19925
delirium induced by lithum with risperidone, 69 yr old female with chronic obstructive pulmonary & bipolar disorders, case report, 12953
development of lymphocytopenia & thrombocytopenia after risperidone or clozapine treatment, 19 yr old hospitalized male with paranoid schizophrenia, case report, 19920
drug use evaluation of risperidone for prescribing & monitoring practices & patient selection & outcome measures including side effects, adult outpatients, 23929
effects of amisulpride & remoxipride & risperidone & clozapine & other neuroleptics in rehabilitation, schizophrenic patients, 16662
efficacy & effectiveness of risperidone vs placebo &/or conventional antipsychotics, patients with acute schizophrenia, 5115
efficacy of clomipramine dose with vs without sertraline vs adjunctive risperidone, adults with treatment-refractory obsessive compulsive disorder nonresponsive to serotonin reuptake inhibitors, 23922
evolution of risperidone & other serotonin & dopamine antagonists in treatment of schizophrenia, commentary, 9087
exacerbation of LSD-like panic & visual symptoms induced by risperidone, patients with hallucinogen persisting perception disorder who had used LSD 4–22 yrs earlier, case reports, 1797
excessive weight gain during risperidone treatment, male 17 & female 15 yr olds with schizophrenia, case report, letter, 1846

extrapyramidal side effects of risperidone, 26 yr old male with depressive symptoms, case report, letter, 32367
haloperidol vs risperidone, extrapyramidal symptoms, chronic schizophrenic patients aged 18–65 yrs, 36510
long-term risperidone use, hepatotoxicity, 6–18 yr olds with schizophrenia, 36468
low dosages of risperidone, tardive dyskinesia, 79 yr old female, 1 yr followup, case report, 9144
manic symptoms associated with risperidone, 42–47 yr old males, 13045
medical complications associated with clozapine & risperidone, patients, 32570
pharmacokinetics & drug interactions of clozapine vs olanzapine vs sertindole vs risperidone, conference presentation, 25571
pharmacokinetics of clozapine vs risperidone, literature review, 12948
preclinical pharmacology of clozapine & risperidone & olanzapine & sertindole & quetiapine, conference presentation, 25604
psychotropic efficacy & tolerability, 6–34 yr old autistic males with severe explosivity & aggression, 35874
rapid risperidone dosage increase, acute dystonia, 34 yr old male with chronic paranoid schizophrenia, case report, 27394
refined & extended use of clozapine & risperidone for schizophrenia & other psychoses, literature review, 27395
risperidone & behavioral interventions, aggression & assault & self-injury & property destruction, institutionalized adults with mental retardation, 23902
risperidone & clozapine, 48 yr old female with Huntington's disease & schizoaffective symptomatology, case report, 32488
risperidone & ECT, 37–43 yr olds with various mental disorders, 23526
risperidone & fluoxetine, obsessive sexual thoughts, male 27 yr old with pedophilia & comorbid dysthymia, case report, implications for paraphilia as obsessive compulsive spectrum disorder, letter, 1803
risperidone & phenelzine, male patient with agitated depression crisis, case report, 27465
risperidone & priapism, 46 yr old male with schizoaffective disorder taking lorazepam, case report, 32484
risperidone, affective symptoms, adults with bipolar disorder, 32419
risperidone augmentation of clobazam, severe social withdrawal & other negative & positive symptoms & sickness phobia, female 14.8 yr old with childhood onset schizophrenia, case report, 9054
risperidone, chronic aggressive & self-injurious & other severely disturbed behavior & tardive dyskinesia, 28–62 yr olds with moderate to profound mental retardation, 43150
risperidone, client improvement, patients with acute mania with psychotic features, 1867
risperidone, development of hyperprolactinemia & galactorrhea, 42-yr-old female with autoimmune thyroiditis & nonremitting moderate-to-severe major depression & hypnagogic images, case report, 32532
risperidone, development of neuroleptic malignant syndrome, elderly patient with history of bipolar affective disorder, case report, commentary, letter, 32586
risperidone, development of tardive dyskinesia, 14 yr old female with history of ADHD & depression & eating disorder & PTSD, case report, letter, 27406
risperidone, development of tardive dyskinesia, 14 yr old female with history of ADHD & depression & eating disorder & PTSD, case report, commentary reply, letter, 39800
risperidone, development of tardive dyskinesia, 14 yr old female with history of ADHD & depression & eating disorder & PTSD, case report, commentary, letter, 39799
risperidone dosage size & extrapyramidal side effects, 69 yr old female with schizoaffective disorder depressed type, case report, 19923
risperidone, hallucinations & illogical thinking & delusions & persistent screaming, 7.7 yr old female & 11 yr old male schizophrenic patients, case reports, letter, 5060
risperidone, HIV-related psychotic disorders, 30–52 yr old patients with HIV or AIDS, England, 36627
risperidone induced hepatotoxicity, male 64 & female 68 yr olds with psychosis & multiple comorbidities, case reports, letter, 9068
risperidone induced jaundice, male 54 yr old with presenile dementia & worsening aggression, case report, letter, 13165
risperidone induced mania, male 50 yr old with schizophrenia & mild mental retardation, letter, 5007
risperidone induced neuroleptic malignant syndrome, 75-yr-old male with bipolar affective disorder, case report, 32364
risperidone induced obsessive compulsive behavior, 46 yr old male with chronic schizophrenia, case report, letter, 32395
risperidone induced return of obsessive compulsive symptoms, 56 yr old with prior history of obsessive compulsive disorder, commentary, implications for role of tardive dyskinesia, letter, 9090
risperidone induced return of obsessive compulsive symptoms, 56 yr old with prior history of obsessive compulsive disorder, commentary, implications for role of tardive dyskinesia, letter, 9148
risperidone, interfering repetitive behavior & aggression & impulsivity & other behavioral symptoms, 5–18 yr olds with pervasive developmental disorders, prospective study, 36479
risperidone, mental health care utilization & treatment costs, 18–78 yr old with treatment refractory schizophrenia or schizoaffective disorder, 43199
risperidone monotherapy, 5–9 yr olds with autism, conference presentation, 32695
risperidone, mood symptoms, patients with bipolar disorder, 32469
risperidone, negative & positive symptoms of schizophrenia, literature review, 19956
risperidone, pancreatitis, 32 yr old male with chronic undifferentiated schizophrenia, case report, letter, 23862
risperidone, paraesthesia, 37–65 yr old outpatients with schizophrenia or mood disorder with psychotic features, 27419
risperidone, patients with bipolar disorder, letter, 1855
risperidone, positive & negative & other symptoms, drug naive 17–40 yr olds with 1st episode schizophrenia, 16638
risperidone, positive & negative symptoms, nonresponsive patients with schizophrenia or schizoaffective psychosis, 23931
risperidone, psychiatric & behavioral status & side effects from other antipsychotics, 22–67 yr old inpatients with mental retardation & mental health disturbances, 16654
risperidone, psychotic symptoms, 39–68 yr olds with psychotic symptoms etiologically related to general medical condition, 39806
risperidone related neuroleptic malignant syndrome, 26 yr old male with mild mental retardation & psychotic disorder, case report, letter, 13002
risperidone, remission of impulsivity associated with self mutilation, 31 yr old female with borderline personality disorder, case report, 36462
risperidone, schizophrenic 33–49 yr olds treated with clozapine, 19940
risperidone, self induced water intoxication & clinical status, males with chronic schizophrenia, Canada, 27436
risperidone, symptoms, psychiatric patients (mean age 39.5 yrs), conference presentation, 32482
risperidone, tic symptomatology, 8–53 yr olds with Tourette's syndrome, 5176
risperidone treatment of psychosis, methamphetamine dependent 45 yr old male, case report, 43163
risperidone vs antipsychotics vs alpha2 vs 5-HT receptor antagonists, central 5-HT system activity, rat frontal cortex & raphe nucleus, schizophrenia & schizoaffective disorder treatment implications, 34666
risperidone vs clozapine, positive & negative & extrapyramidal symptoms & adverse effects, treatment resistant schizophrenic patients, 12942
risperidone vs haloperidol, dopaminergic & serotonergic activity in prefrontal cortex, male rats, 18343

risperidone vs haloperidol, psychotic symptom & psychopathology scores & extrapyramidal side effects, 1st admission schizophrenic patients, 13015
risperidone vs haloperidol, schizophrenic patients, letter, 12939
risperidone vs haloperidol treatment, saccadic eye movements, 18–45 yr olds with schizophrenia or schizoaffective disorder, 23936
risperidone vs haloperidol, verbal working memory, treatment-resistant schizophrenics (mean age 41.47 yrs), 43137
risperidone vs haloperidol vs methotrimeprazine, psychotic anxiety & positive & negative symptoms & severity ratings & extrapyramidal symptoms, schizophrenic 18–50 yr old inpatients, France, 9040
risperidone, weight gain & bulimia nervosa, 12 yr old female with schizophrenia, letter, 32385
risperidone, withdrawal-emergent tardive dyskinesia during dosage reduction, 23 yr old male with paranoid schizophrenia, case reoprt, 32339
risperidone, 11.33–17.75 yr old outpatients with schizophrenia, 36409
risperidone, 14 & 60 yr old males with delirium, case reports, 39917
risperidone, 30 yr old Black male with psychosis associated with neurosarcoidosis, case report, 32500
risperidone, 77 yr old male with delusional parasitosis, case report, 32525
safety & efficacy of risperidone, cognitive performance & positive & negative symptoms, 66–81 yr olds with chronic schizophrenia & behavioral disturbances, 4989
safety & efficacy of risperidone, patients with schizophrenia with vs without acute exacerbation, 39815
safety & efficacy of risperidone treatment, hospitalized psychogeriatric patients (aged 65–95 yrs) with agitation or psychosis associated with dementia or major mood disorder and physical disorders, 43206
side effects & efficacy of risperidone augmentation of serotonin reuptake inhibitor, refractory patients with obsessive compulsive disorder, 13044
side effects & risks & options & compliance issues of clozapine & risperidone treatment, mildly aggressive–dangerously violent patients with schizophrenia, 27385
study design, conclusions about efficacy of risperidone in treatment of adolescent tic disorders & Tourette's disorder, commentary, letter, 9253
study design, conclusions about efficacy of risperidone in treatment of adolescent tic disorders & Tourette's disorder, commentary reply, letter, 9286
suicide attempt by risperidone overdose, 29 & 35 yr old male & female with vs without schizophrenia, case reports, 23911
sulpiride vs risperidone, functional activities & abnormal involuntary movements, male 57 & female 65 yr old with Huntington's disease, 9283
switching from clozapine to risperidone, 27–54 yr old inpatients with treatment resistant schizophrenia or schizoaffective disorder, 27457
utilization & cost & safety & effectiveness of risperidone during 1st year of availability, 1805
vocal & motor tic development with risperidone withdrawal, 12.2 yr old Hispanic schizophrenic male, case report, letter, 32520
Ritalin [See Methylphenidate]
Ritanserin—Serials
metergoline vs mesulergine vs mianserin vs ritanserin, attenuation duration of m-chlorophenylpiperazine vs DOI induced hyperthermia, male rats, 29590
neonatal castration or androgenization & administration of 5-HT2 agonist vs ritanserin vs 8-OH-DPAT, exploration & anxiety & sociosexual preference & sexual behavior, adult male vs female rats, 15036
NK3 tachykinin agonist senktide & mediation by 5-HT antagonist ritanserin, wet dog & head shakes, Sardinian alcohol preferring vs Wistar rats, 18278
ritanserin vs ketanserin, arousal-induced phase shifts of circadian system, male Syrian hamsters, 21921
ritanserin with cognitive behavior therapy, efficacy & safety in reduction of alcohol craving & consumption, alcohol dependent 18–65 yr olds, 16969
sc vs olfactory bulb injection of ritanserin or sc 2,5-dimethoxy-4-iodophenyl-2-aminoproprane hydrochloride, 5-HT-2 receptor mediation of conditioned olfactory learning & preference, rat pups, 15059
synaptic availability of 5-HT in nucleus accumbens, effect of ritanserin on ethanol intake, male rats with developed ethanol preference, 15073
5-HT2 receptor antagonist ritanserin, dopamine D2 receptor antagonist & suppression of conditioned avoidance response & catalepsy, male rats, 29632
8-OH-DPAT & ritanserin, haloperidol induced catalepsy & changes in extracellular levels of striatal dopamine, male rats, 34678
Rites (Nonreligious)—Serials
abnormal & normal rituals, 18–55 yr old normal adults vs 19–65 yr old outpatients with obsessive compulsive disorder, 22942
cultural imagination & psychoanalytic interpretation of secrecy surrounding male birth-giving rituals, Sambia people of New Guinea, 38513
family therapy & counseling before remarriage & use of ritual, 27265
history of types & ritualized use of alcohol by Native Americans & sociocultural changes in use & function of alcoholic beverages by American Indian & Alaska Native societies after White contact, 18811
partner violence & rituals, commentary, letter, 4244
personal & team pre & postcompetition routines, 40–62 yr old team sport expert coaches, 37232
phenomenological perspectives on symbolic cognition & relation to myth & rituals & healing & empowerment, 3934
prevalence of obsessive compulsive disorder-like thoughts & actions in socially meaningful collective rituals vs in other activities, 52 diverse cultures, 26556
psychoanalytic approach to rituals & potential of symbols in interpretation of ritually inspired dreams & women's cult groups, Surinamese migrants, Netherlands, 38523
social rituals & support received after fire, house fire victims, Canada & US & Denmark & Sweden & Australia & Korea & China & New Zealand & Fiji, implications for nursing, 7635
theories of belief in & practice of superstition & half belief & ritual instrumental activism in modern industrial society, 6412
transactional model for use of family rituals & stories & family adaptation & organization when dealing with childhood illness, case examples, 27242
Rites (Religion) [See Religious Practices]
Rites of Passage [See Also Birth Rites, Death Rites, Initiation Rites, Marriage Rites]—Serials
characteristics & evolutionary & cultural significance of puberty rites, 30118
cultural competence & empowerment framework of Afrocentric rites of passage program, African American adolescent males in high-risk environments, applications for social work practice, 32902
culturally specific rites of passage model, empowerment & psychological development & resistance to oppression, African American adolescents, 11428
Russian roulette as risk taking behavior & rite of passage, adolescents, commentary, letter, 25877
status elevation ceremonies, deconstruction of degraded identities & reconstruction of new identity & socially acceptable elevated status, actors with degraded identities in Alcoholics Anonymous, 3829
Rituals (Nonreligious) [See Rites (Nonreligious)]
Rituals (Religion) [See Religious Practices]
Rivalry—Serials
circumscribed vs global dyadic accuracy of perceptions of competitiveness & extraversion & rivalry, male fraternity members, 3815
issues in measuring operationalization of enduring international rivalries & issue settlement & measurement of rivalry termination & model of rivalry duration, 25965
RNA (Ribonucleic Acid) [See Ribonucleic Acid]

Robbery [See Theft]
Robotics—Serials
artificial intelligence & cognition as computation & proposed computational robot, 14108
facial expression recognition & display, robot, Japan, 33846
modeling & recognizing human simple actions based on hidden Markov model representation, application to human intent recognition & skill learning, 20901
robotic arthropod with neural network controller for research on sensory/motor integration, conference presentation, 37304
use of feature abstraction method to teach robots abstract concepts from sensory & perceptual data, 5863
Rock Music—Serials
external vs internal locus of control, hostility level after viewing aggressive vs nonaggressive music video, adults, 11761
extraversion & neuroticism & psychoticism & reactive vs proactive rebelliousness, appreciation of soft nonrebellious vs hard rebellious rock music videotapes, male vs female adults, 18994
feminist rhetorical criticism & schizoanalysis assessment of emancipatory & constraining potential of gender play in Madonna music videos, 34729
prenatal themes in rock music, conference presentation, 3300
restricted personality & moral development development & influence of violent song lyrics in criminal behavior, 14–17 yr old male homicide offenders, 42571
Rocking (Body) [See Body Rocking]
Rods (Eye)—Serials
Aguilar & Stiles scotopic threshold vs illuminance curves in detection & side by side adjustment tasks, rod sensitivity & color matching, adults, 21286
Roentgenography [See Angiography, Mammography]
Rogerian Therapy [See Client Centered Therapy]
Rogers (Carl)—Serials
flaws in C. Roger's rationale for personal development work in counselor training, 13586
formation of therapeutic theories from social constructionist perspective & relation to early life & therapeutic theory of Rogers, 28375
Rogers' person centered psychology approach & relation to Taoism in Japan, 4930
Role (Counselor) [See Counselor Role]
Role Conflicts—Serials
acculturation & gender role conflict, 18–38 yr old Chinese- vs Japanese- vs Korean-American males, 3593
alexithymia & fear of intimacy & gender role conflict & stress, 19–30 yr old males, implications for psychotherapy, 42927
burnout & job satisfaction & role conflict & role ambiguity, 23–56 yr old child care social workers, South Africa, 13951
characteristics & role conflict & ambiguity & social support, burnout, staff providing direct care to elderly dementia & Alzheimer's disease patients, 33250
clinical & legal & ethical problems in serving as both clinician & forensic evaluator, psychotherapists, 33313
cognitive moral development & ethical correlates of role conflict & ambiguity in marketing, marketing practitioners (mean age 37.6 yrs), 43885
commonalities & differences in maternal & employment & marital role consequences, Black & White middle class mothers, 26058
conflicting role expectations of all-American girl & sex object & deviant in male-dominated environment, females employed in Red Cross sponsored programs in Vietnam, 22337
conflicts resulting from personal vs professional identities, evangelical public school teachers, 36944
consensus in relations between children & new parent & spouses as role strain prediction factors, stepfamilies reconstituted following divorce, 30164
deviation from personal ideals & low vs high status group standards, maladjustment, male vs female college students, application of ordered-discrepancy model, 22333
dual role conflicts & ethical considerations for therapist–client relations in international missions, therapists, 27928
entrepreneur vs health care provider role conflict & moral responsibility to avoid conflict of interest situations, optometrists, 17094
ethical climate & conflict, role stress in the sales force, adult salespeople in business-to-business companies, 43798
incremental predictability of Role Hassles Index, measurement of job demands & role conflict & ambiguity & overload & prediction of burnout, 22–61 yr old hospital nurses & their partners, Canada, 28619
internally vs externally defined racial identity, gender role conflict, African American 23–80 yr old males, 22348
intra-reference group conflict, role expectations of secondary school principals, teachers, Nigeria, 33344
job demands & chronic strains in home roles & job control & partner support, mental health of employed 18–55 yr old mothers vs nonmothers, Canada, 30178
marital enhancement intervention program, reducing stress & management of work & home conflicts, employed couples, 7482
masculine role conflict & psychological distress symptoms, 17–39 yr old males requesting counseling, erratum, 36204
masculine role conflict & psychological distress symptoms, 17–39 yr old males requesting counseling, 16479
mental health status & role stress at work & social support, bank workers, Japan, replication, 33659
model of therapist pregnancy & positive coping, role conflicts & deepening of understanding of self & clients & personal & professional growth, female therapist, 5530
modern society vs town religious community role expectations, staff room story content, female teachers, Israel, 36942
multiple social roles vs classic risk factors for 1st myocardial infarction, female 35–70 yr olds, Netherlands, test of scarcity vs enhancement hypothesis of multiple roles, 4629
organizational practices, organizational commitment & role conflict & ambiguity & job satisfaction, 23–60 yr old boundary spanners, Netherlands, 2312
participation in labor force, suicide attitudes, females, implications for role conflict & expansionist theories of working women, 11614
perceived role responsibilities & conflicts & boundary issues, experienced personal trainers, 17412
personal & family & employment characteristics & satisfaction & coping & work family conflict, parent vs nonparent employees, 33655
reason for role selection & willingness to assume role & postinduction strain, daughter caregivers of chronically ill parents, 16885
role ambiguity, dissatisfaction in client ad agency relationships, marketing clients, 17433
role conflict & self perceptions of role conflict, elementary vs middle vs high school counselors, 40295
role stress & socialization & cigarette smoking, smokers (mean age 26.5 yrs), 7584
roles as mother & wife & employee, stress of caregiver role for ill or disabled parent & well-being, 25–60 yr old females, 36751
self concept & perceived social support & coping styles & cognitive appraisals, structural analysis of models of stress & coping with work & family role conflicts, 22–59 yr old females, Croatia, 7720
stereotypes about women &/vs leadership prototypes, effectiveness ratings of women leaders with relationship- vs task-oriented styles, college students, test of role incongruence hypothesis, 38661
Role Expectations—Serials
adult role socialization, initiation of cocaine use, adult males, 1387
attitudes toward women's role & religious affiliation & SES & family structure, attitudes toward centrality of children, citizens of Austria & Great Britain & Ireland & Italy & Netherlands & Germany, 38568
concept-mapping & 7-theme conceptualization of expectations of elementary school counselor role, parents, Canada, 27951

conflicting role expectations of all-American girl & sex object & deviant in male-dominated environment, females employed in Red Cross sponsored programs in Vietnam, 22337
conflicts resulting from personal vs professional identities, evangelical public school teachers, 36944
direct vs indirect expectation induction with interpersonal verbs, linguistic behavior & question formulation choices & biases in rape victim situation, interviewers, 38715
expression of egalitarian gender role expectations, reinforcement of male & female tasks participation & leadership, adults in mixed-sex groups, 22438
guidelines for predeployment planning & preparing for worst & routine operations & postdeployment actions, flight surgeons supporting fighter squadrons deployed to Arctic, kit list appended, 24822
intra-reference group conflict, role expectations of secondary school principals, teachers, Nigeria, 33344
modern society vs town religious community role expectations, staff room story content, female teachers, Israel, 36942
preparation for caregiving role & satisfaction in multigenerational families, 18–92 yr old mothers & daughters & granddaughters, 7489
professional challenges for school psychologists in 21st century, 20512
responsibilities for group progress & cohesion & managing ambivalence & client functioning, meeting group goals, social work leader of interaction oriented group for schizophrenic clients, 32252
role expectations & burden of care & prevalence of mental illness, carers of 19–79 yr old former long-stay psychiatric inpatients, Northern Ireland, 24234
role expectations for older brother or older sister or younger brother or younger sister, shared norms for sibling roles, young adults, 30144
role of & problems faced by families in preventing & adapting to HIV/AIDS, introduction to journal special section, 19554
role of caregiver & other multiple roles normatively held in adulthood, psychological well being & depression, 55 yr old & older mothers of adult children with mental retardation, longitudinal study, 5326
victim vs bully vs outsider roles in bullying process & social acceptance vs rejection & belongingness to group, self estimated behavior in bullying situations, male vs female 12–13 yr olds, Finland, 3476

Role Models—Serials

Big Brothers/Big Sisters of America program, self concepts & behavior, 7–15 yr old males with vs without Big Brother, 13323
dynamics of successful aging using qualitative research of exemplars, 74 yr old female in long term care, 29989
educational experiences & debt & role models & other factors, career decisions, 23–41 yr old 3rd & 4th yr medical students, 40274
empathy & role modeling & breaking through denial & belief in recovery, employment as mental health professionals, consumers of mental health services, 5539
relationship with parents & modeling behavior & fluctuations in parent & child substance use, 11–15 yr olds & their mothers & fathers, 6 yr study, 41678
relevancy of superstar as role model & attainability of their success, self-views, adults, 35337
television role models & age & parent's educational level, career aspirations & vocational identity, African-American 7th–9th graders, 25879

Role Perception—Serials

affiliation vs isolation in work life, school psychologists, 5529
age & sex & occupational label, social role theory of age-related agency stereotype, college students, 11687
age norms & perception of appropriate ages for filling major social roles, implications for social structure & consciousness, conference presentation, 3569
caring & service of academics & university rewards & cultural prescriptions & perceptions, female university teachers, Canada, 33343
five-factor approach to construct validity of Team Role Self-Perception Inventory & Observer's Assessment, assessment of types of team members & use as parallel forms, managers, 21142
group decision support systems, perception of role of facilitator, workshop meeting participants, 15564
level of asthma training, perception of role, practice nurses carrying out review of adult asthma patients, Scotland, 40307
life experiences & professional work, female ethnic minority school leaders, 35048
Machiavellianism & perceptions of job environment, managers, 5757
model for analyzing motherhood as phenomenological matrix of tensions between antithetical experiences, 11611
motivation of creative behavior from symbolic interactionism & role identity theory perspectives, 22559
Office for Standards in Education evaluation, feelings of deprofessionalization & role identity, primary school teachers, England, 33352
perceived role responsibilities & conflicts & boundary issues, experienced personal trainers, 17412
perceived stress vs satisfaction, caregivers of people with chronic fatigue syndrome, 40117
perception of role change after traumatic brain injury, social support & stress levels & health problems, parents vs partners, 1593
perception of roles & coping experiences in rural special education, female occupation therapists, 2132
perception of roles of grandmothers & grandfathers as source of affection & caregiving & reassurance of worth & reliable alliance, adolescents & young adults, Belgium, 30155
perceptions of past vs present vs future & value & number of occupational roles being filled, mothers of children with vs without Downs syndrome or multiple disabilities & major functional limitations, 42198
personality & social role quality & involvement as predictors of well being in midlife, adult females, longitudinal studies, 30241
psychological sense of community, job tenure & status & grade level attained & extracurricular activities & classroom behavior & role perception, employed adults & high school students, 20797
reading of teen magazines as literacy event, perception & construction of social roles on entering new cultural scene, middle class female 7th graders, 5674
role ambiguity, dissatisfaction in client ad agency relationships, marketing clients, 17433
Role Category Questionnaire based indicators of construct system development or variation, intentional & referential communication toward recipient types, college students, 18844
role constriction & treatment of trauma responses & PTSD, Vietnam combat veterans, 16429
role status & sex, powerless speech, students & lecturers, 7621
roles as mother & wife & employee, stress of caregiver role for ill or disabled parent & well-being, 25–60 yr old females, 36751
self categorization & identity salience, symptom evaluation & illness perspectives, male vs female physical education teachers in training, England, 1021
self reflective & evaluative understanding of preventive health behaviors & attitudes & well roles, adults, 1957
transitional experiences during 1st yr of primary care practice after graduation based on "From Limbo to Legitimacy" theoretical model, 29–48 yr old nurse practitioners, 1 yr study, 40294
work roles & demographic factors & mental health & fatigue in the workforce, National Health Service trust employees of various occupational groups, England, 40580

Role Playing—Serials

anxiety measures, detection of faking on role-play tests of assertion, male vs female college students, 5986
classroom exercise of role playing & group discussion, empathetic multicultural awareness & coping with non-English speaking environment, college students, 5682

difficulties in maintaining treatment integrity with use of drama therapy, sex offenders, 32644
guided role play exercise & personal prevention plan to prevent HIV & AIDS, high school & college students, 20542
live theater, role playing & thought & discussion related to substance abuse, at risk 9th–12th graders, 13429
peer helper program based on role playing, school bus safety, 5th–6th graders, 10008
positive vs negative role plays, ability to express & explore & synthesize feelings & experiences, substance abusing clients, 32007
sociodramatic role play & production & sharing of elements of peer culture contributions to the reproduction of the American class structure, White middle-class vs Black lower-class 3–5 yr olds, 25857
treatment techniques & fundamental theories & characteristics of psychodrama & fixed-role therapy & behavior rehearsal, psychotherapeutic role playing, 1930s–1970s, 32042

Role Satisfaction—Serials
occupational interest & fit with current occupation, prediction of psychological well being & satisfaction in maternal & work roles, employed vs nonemployed mothers, UK, 7510
perceived stress vs satisfaction, caregivers of people with chronic fatigue syndrome, 40117
preparation for caregiving role & satisfaction in multigenerational families, 18–92 yr old mothers & daughters & granddaughters, 7489
supervising instructor's authority style, ratings of role satisfaction & effectiveness, teaching assistants, 2159

Role Strain [See Role Conflicts]

Role Taking—Serials
asymmetrical role-taking & power & coping & self & emotional appraisals, 19–58 yr old battered females, test of symbolic interactionist model of oppressive social situations, commentary reply, 31200
asymmetrical role-taking & power & coping & self & emotional appraisals, 19–58 yr old battered females, test of symbolic interactionist model of oppressive social situations, commentary, 31268
correlations of perspective taking humor & authoritarianism with anthropocentrism as assessed by New Environmental Paradigm, college students, 22544
different vs similar perspective, patterns of offers between negotiators, adults, 7619
interpersonal conflict & press, perspective-taking, college students, 1028
moral stage & integrative complexity of social reasoning & perspective taking, 35–54 yr olds vs 64–80 yr olds, 4 yr study, 7362
perspective taking & socialization, staff & youth in developmental child & youth care agencies & group homes, 16851
perspective taking processes & interpersonal awareness, female adolescents with bulimic symptoms & their mothers, 8422
pragmatic language disorder & cognitive ability & perspective taking, autistic 13–24 yr olds, Canada, 42614
relative importance of information, judgment of medication acceptance for mental health conditions from self vs other perspective, college students, 1871
role of G. H. Mead's Generalized Other concept in role-taking & social & personal development of self, 42111
sex, social representations of aggression & ability to take opposite sex perspective, adults, 7710

Roles [See Also Counselor Role, Parental Role, Sex Roles, Therapist Role]—Serials
age & social role, future time perspective in goals & aspirations, 20–64 yr old females, Canada, 7532
attitudes & opinions toward junior & senior high school drug & sexuality education programs & student risk behaviors, principals vs district administrators vs school board members vs teachers vs parents, 9883
behavioral & attitudinal components of employee-control & employee-role & managerial control mechanisms of manager-employee interfaces, management of customer-contact employees, adults, 13941
caregiving & role occupancy & age & marital status, self esteem & mastery & role conflict & depression & life satisfaction, female 53–81 yr olds initially interviewed in 1956, erratum, 3678
changing psychiatric roles & training needs for evolving mental health care delivery system, 33220
changing roles, relationships between professionals in inclusive programs for children with disabilities, teachers & adminstrators & parents, 24539
conceptual approach to familial caregiver role acquisition, implications for nursing research, 9499
dependency leader & disciplinarian & conciliator & nonconformer role scripts, college students in self analytic groups, test of theory of stages & central roles & social realities in group development, 3752
development & evolution of roles, small group, 30383
development of self care strategies & functioning in culturally prescribed roles, 19–52 yr old females with chronic pelvic pain, 4580
ethnographic analysis of role & activity and knowledge base as ideal occupational type, technicians, implications for organizational behavior, 13968
evaluation by & number & involvement of social audiences, religious vs romantic role commitment, college students, conference presentation, 42029
evaluation of psychosocial clubhouse program for severely disabled psychiatric patient members, improvement of overall impact of member roles in successful program delivery, 5385
factor structure of Role Questionnaire, assessment of role ambiguity & incongruity & conflict, 26–64 yr old high school counselors, 28606
family & employment roles before vs after socialism, females, Eastern Europe, literature review, 22342
family organization & functioning & roles & cultural values, 1st & 2nd generation Filipino-American families & their clinicians, implications for treatment, 16547
family roles & etiology of masochistic & narcissistic pathology, 42204
group support computerized systems, relationship & role building in group facilitation meetings, facilitator & technical support person, 15606
integration of segments of D. Super's life span & life space approach to career development & adaptation to life roles, 28150
interpreter role to deaf parents, 18–79 yr old hearing sons vs daughters, 4 yr study, 39593
intervenors in disputes & criteria for intervention, parents vs friends, 7617
involvement in work & family & social roles, health practices, 19–63 yr old low income female nursing assistants, 43294
measurement of team role balance & effect on team performance, management teams in private & public organizations, 43763
negative affectivity, relationship between women's roles & well being, employed vs nonemployed single vs married females with vs without children (mean age 33.2 yrs), 41926
perceived vs actual current & potential roles of public health nurses, directors of nursing & executive directors of mental health agencies, 33147
personal viewpoint on role of hospital staff & visitors & other caregivers in recovery, male 41 yr old who sustained brainstem thrombosis, 4639
pressures on psychiatric residency training & new roles for psychiatric faculty, 13555
psychoanalytic perspective on T. S. Eliot's religion & poetry & roles & marriage, 30627
role constriction & treatment of trauma responses & PTSD, Vietnam combat veterans, 16429
role dimensions in group support systems & meeting problems, development of research-driven facilitation training project, 15570

role of school psychologists in helping communities to cope with challenges faced during severe crises & disasters, based on data over 20 yrs, Israel, 37139
role theory, prediction of compliance with nuclear nonproliferation regime & foreign policy, foreign officials, Ukraine & Belarus, 18748
roles & perceptions of caregiving/care receiving process, Black & White & Hispanic 56–100 yr olds & their caregivers, 30133
sex & age & cultural context, life role salience & values, high school & college students & adults, English speaking countries, literature review, 7735
sex & organizational role & size & dual career status, attitudes toward paired employees, husbands & wives working in same organization, 10107
social behavioral & cultural perspective on role identity construction, employee representatives on boards of directors, Denmark, 24767
social roles of actors, moral judgments of harmful acts & omissions, college students, 3810
traditional vs modified model of task role collaboration, participation & productivity, 4th–5th graders, 43614
unions & role outcomes & department & demographic characteristics & external environment & duty assignments, police officers from urban departments, 10328
volunteerism & role-loss depression & subjective well being & life satisfaction & quality of life, literature review, 15665

Roman Catholicism—Serials

single sex vs coeducational Catholic secondary schooling, academic & social psychological outcomes, 8th graders, 6 yr study, 43637
social pathology, Roman Catholics, commentary, 42471

Romance—Serials

attitudes toward dating & remarriage, frequency of remarrying or becoming romantically involved, widows vs widowers questioned 2 vs 7 vs 13 vs 19 vs 25 mo after spouse's death, 22274
evaluation by & number & involvement of social audiences, religious vs romantic role commitment, college students, conference presentation, 42029
inferences about own vs potential partner's actions in initiating romantic relationship, college students, Canada & US, 30388
item analysis & factor structure of 37-item love behaviors scale, measurement of behaviors expressing love toward romantic partner, college students, 17608
Myers Briggs Type Indicator measurement of personality & sex & age & ethnicity, perceptions of ideal romantic partner assessed with Adjective Check List profile, 18–53 yr olds, 3909
peer-nominated romantic & date popularity,male vs female 19–25 yr old members of sororities & fraternities, 41993
perceived significance of romantic love for marital happiness & satisfaction, single vs married 18–82 yr olds, Austria & Switzerland, 41882
perceived typicality & necessity of intimate disclosure & other interpersonal activities characterizing evolving vs dissolving romantic relationships, college students, 18847
psychoanalytic theory & devaluation of romance & love in everyday life, 19070
salient characteristics of romantic & erotic love, implications for therapy, 42934
salient characteristics of romantic & erotic love, implications for therapy, commentary, 42948
unprimed lexical decision delays & times for sexual & romantic & neutral word targets, male vs female college students, 11623

Romania—Serials

ethnopsychology of population, adults, Romania, 22247
positive & negative aspects of adoption & family experiences of adoptions from institutional settings vs other placements, infants to 13 yr olds, Romania, 3 yr followup, 22295

Roommates—Serials

argumentativeness, satisfaction in roommate relationships, college students & their roommates, 26172
rapport & talking with roommate, life satisfaction, 58–98 yr old nursing home residents, 29990
similarity of communication willingness & competence & aggressiveness, satisfaction with & affinity for roommate, college students, 18855

Rorschach Test—Serials

accurate identification of pathological narcissism & Rorschach, patients vs college students, 35699
agreement on coding of Rorschach test synopsis nouns as expressions of active vs passive movement, doctoral students vs psychology faculty vs private practice psychologists, 2544
alternative procedure to test-retest administration of Rorschach test, 5–16 yr olds, 25018
approaches to construct validation of scales from Rorschach method & development of Rorschach Rating Scale as criterion tool, adult raters, 10408
clinical field validity of Rorschach revised depression index & coping deficit index, 17–57 yr old inpatients with major depression vs borderline personality disorder, 17630
clinician feedback integrating MMPI–2 & Rorschach findings, clients, 10441
critical stimulus bits & Rorschach response process, adults & children, 10391
critique of perceptual theories of Rorschach task & advantages of representational theory & developmental considerations, children & adults, 10404
data to support relationship between Rorschach & self report & MMPI, child & adolescent & adult psychiatric patients, 10465
diagnostic efficiency of MMPI & MCMI-II & Rorschach Test, patients with depressive or psychotic disorders, literature review, 6031
differential sensitivity of Rorschach & MMPI in cross-method assessment & limitations of self report, child & adolescent & adult psychiatric patients, 10454
form accuracy & special scores on Rorschach Color Cards, borderline vs schizophrenic adults, 94
frequency of use of Rorschach test/method in forensic psychology research & practice, 1974–95, 10276
future of Rorschach test & issues in test challenges & personality assessment & treatment planning & topic of study in psychology, 17641
integration & interrelationship of performance-based Rorschach vs self-report-based MMPI assessment methods, 25026
lower SES, Rorschach form level ratings, Black vs Hispanic 12–16 yr olds with learning disabilities, 26787
methodological & conceptual issues in evaluation of Rorschach & MMPI interrelationships, clinical implications, 10443
methodological considerations in MMPI–Rorschach comparison studies, 10455
moderating role of Rorschach response frequency, interrelationships among MMPI Adolescent form & Rorschach variables, 13-18 yr old psychiatric patients, 2603
neuropsychological interpretation of Rorschach test, patients with vs without dementia of Alzheimer's type, 2616
object relational model of cognitive development & impairment & Rorschach scoring system, 10692
parsimony & heuristic value approaches to evaluation of explanatory models of MMPI–Rorschach interrelationships, 10430
problems with interrater reliability & validity & research base of J. E. Exner's Comprehensive System for Rorschach interpretation, 17678
problems with interrater reliability & validity & research base of J. E. Exner's Comprehensive System for Rorschach interpretation, commentary reply, 17679
problems with interrater reliability & validity & research base of J. E. Exner's Comprehensive System for Rorschach interpretation, commentary, 17642
psychometric properties & applied purposes & extent of use & attitudes toward Rorschach Inkblot Method, 17676
revised Rorschach Depression Index correlations with self report measures of affect & related personality constructs, nonpatient college students, 40872
Rorschach & test validity & reliability & knowing the data & ruling out rival hypotheses, conference presentation, 34033

Rorschach assessment of personality structure & related functioning, 24–59 yr old closed head injury patients, 4660
Rorschach test protocols, psychological & personality characteristics, 25–66 yr old male mental health professionals in sexualized dual relationships, 24493
Rorschach variables, 13–17 yr old males with conduct disorder with vs without psychopathy, 35741
Rorschach vs Inwald Personality Inventory vs MMPI-2, personality screening of job applicants, police applicants, 28616
scores on Rorschach Indexes of Schizophrenia & Depression & Coping Deficit as indication of psychopathology vs creative thinking, 12–17 yr olds in early college entrance program, 18563
structural & experiential approaches to Rorschach interpretation & role of empathy, psychiatric patients, 10450
temporal consistency & evolution of Rorschach variable scores, 6–10 yr olds, Portugal, implications for cross cultural differences in normative data, 59
use of Rorschach testimony in court, forensic psychologists, 10277
validity of indicators of Draw a Person &/vs Rorschach tests, emotionally disturbed males with feminine gender identity (mean age 10.2 yrs), Israel, 25045
validity of Rorschach analogs of dissociation compared with Dissociative Experiences Scale scores, 20–54 yr old females in a dissociative disorder unit & adults referred for psychological testing, 40878
validity of Rorschach Human Experience Variable, prediction of interpersonal relatedness & group membership & nonhuman object representation, adult females, erratum, 33977

Rotary Pursuit—Serials
rotary pursuit & mirror tracing skill learning & relation to dissociable memory systems, patients with Huntington's disease, 23257
rotary pursuit learning with random vs block presentation & relation to executive functions, adults with Parkinson's disease, 23410

Rotational Behavior—Serials
dopamine D1 & D2 receptor stimulation in shell vs core of nucleus accumbens by agonist SKF 38393 &/or quinpirole with vs without prior l-sulpiride or SCH 23390, turning behavior, male rats, 3237
D1/D5 dopamine receptor antagonists vs D2 antagonists, normalization of dopamine extracellular levels & spontaneous turning behavior after 6-OHDA lesions in substantia nigra, male rats, 34649
early lateralization of rotational asymmetry behavior, developing vs adult hamsters, 6683
extracellular amphetamine, individual differences in striatal dopamine release & rotational behavior & hyperthermic response, male rats, 18279
fimbia fornix lesions, rotational behavior & hyperresponsiveness to amphetamine, rats, implications for intact hippocampal system as necessary for sensitization, 6606
left vs right turning preferences, 17–33 yr old males vs females taking vs not taking oral contraceptives, implications for ovarian hormonal modulation, 29330
MK 801, dopamine receptor-specific agonist induced priming of contralateral turning & c-fos expression in caudate putamen, male rats with 6-OHDA lesions of left medial forebrain bundle, 7007
OPC-14597 vs OPC-4392 vs (-)-3-PPP vs talipexole & interactions with haloperidol or pindolol or reserpine, yawning & stereotypy & rotation, 6-OHDA treated rats, 6896
spatial disorientation through transportation & rotation, goal location in plus vs Morris maze, male rats, 25376

Rotter Incomplete Sentences Blank—Serials
internal consistency of computer vs traditional administration of Rotter Incomplete Sentences Blank, measure of projective personality, college students, 25030

Rotter Intern Extern Locus Cont Scal—Serials
internal scores per item ratio in subclass independence & concurrent validity tests of 3 paired classroom belief items in Rotter's Internal External Locus of Control Scale, college students, 14251

RT (Response) [See Reaction Time]

Rule Learning [See Cognitive Hypothesis Testing]

Runaway Behavior—Serials
aggression & conduct disorder prevalence & background characteristics, runaway & homeless 12–19 yr olds, 8081
assessment of client sexual & physical abuse & familial substance abuse, runaway/homeless youth shelter staff, 5304
disintegration of family & reasons youth choose to leave home, 12–17 yr old runaways, Netherlands, 18433
home environment & living situation & other characteristics & prevalence of physical &/or sexual &/or emotional abuse & drug abuse & stressful life events, runaway 11–17 yr olds in shelter, 8109
parental physical &/or sexual abuse, risk for aggravated or sexual assault victimization on street, homeless or runaway 11–18 yr olds, 35746
predictive validity & reliability of Personality Inventory for Children, identification of runaway behavior, 13–17 yr old runaways vs non-runaways, 2559
timing of & hazards associated with exit from substitute care to family/guardian vs adoption vs running away, 16 yr olds & younger in foster care, 9406

Running—Serials
agenesis of corpus callosum, running, mice, 21615
amphetamine, responding reinforced by the opportunity to run, male rats, application of matching law equation, 38077
cognitive race strategy, 100 m sprint performance, elite sprinters (mean age 21.6 yrs), 24807
computer-monitored mouse running wheel with adjustable drag, measurement of direction & speed of running, mice, 34342
foot orientation as seen in medial vs lateral rotation of forefoot & rearfoot/forefoot angle, ground reaction forces during barefoot running, adult males, 14577
forced treadmill vs wheel running & food & water intake, circadian rhythm entrainment & phase shifting measured by locomotor activity level, male mice, 6740
optical acceleration cancellation & linear optical trajectory models, prediction of running path to catch fly balls, baseball outfielders, commentary reply, 5805
optical acceleration cancellation & linear optical trajectory models, prediction of running path to catch fly balls, baseball outfielders, commentary, 5804
optical acceleration cancellation & linear optical trajectory models, prediction of running path to catch fly balls, baseball outfielders, commentary, 5798
prior experience & individual housing & running, weight loss, rats, 37816
running intensity, associative vs dissociative coping strategies, elite middle & long distance runners, 14029
running performance tests & oxygen consumption & muscle contraction & citrate synthase & other physiological correlates, prediction of spontaneous running distance in wheel cage, male Long-Evans rats, 6785
sensory surroundings & inputs, illusion of accelerated self motion after treadmill running & relation to unconscious interference & recalibration oof sensory mechanisms, 23–73 yr olds, letter, 10678
sex, injuries & self reported anxiety & self esteem & negative addiction to running, 18–69 yr old marathon participants, 5801
variable-interval reinforcement & reinforcer duration & opportunity to run, running & response rates, male rats, 34349
wheel-running-induced dopaminergic activation, eating, nonfood-deprived male rats, 14959

Runways (Maze) [See Maze Pathways]

Rural Development [See Community Development]

Rural Environments—Serials
age & rural vs urban residence, psychological distress, male vs female 40–60 yr olds & older, India, 15893
age & sex & cognitive status & hallucinations or delusions & mood & alcohol use & physical activity of daily living & health, aggressive behavior, elderly in rural outreach program, 11844
attitudes toward health & mental health collaboration between social work psychosocial services & rural primary care practice, rural primary care physicians, 32775

atypical approach to child protection in cases of child abuse & neglect in rural communities, Canada, 5295
Better Life for Rural Women Program, activity participation & program's inability to meet needs & subsequent low levels of personal & political efficacy, rural females, Nigeria, 24178
Broad Range of Community Based Telecommunications Applications in Rural Areas Project, assessment of service needs & perceptions of prototype technology, rural communities residents, 4 countries, 7126
church as agent in mental health service delivery in rural areas, 5145
community context, reasons for entering nursing home, rural vs urban 65+ yr old nursing home admissions, 16898
continuity of care after discharge to rural vs urban community health centers, state hospital psychiatric patients, 9412
Culturally Specific Health Care Model for intervention in social work, health care use by rural & ethnically diverse families affected by HIV/AIDS, 43377
deforestation & rural poverty & role of social workers, developing countries, 11525
determinants of wife abuse, rural couples, Southern India, 39167
development of Familial Cancer Program for genetic counseling, rural Vermont residents, 39952
diagnostic & case load characteristics & involvement of family & hospital admissions & service delivery, inpatients & outpatients receiving community mental health services in rural area, Australia, 5315
economic change from agrarian to tourism based activities & family cohesion, mental health, adults in rural households, Hawaii, implications for preventive mental health strategies, 7435
environmental attitudes & behavior, 11–16 yr olds from rural vs urban communities, Germany, 41688
ethical dilemmas & decision making in providing psychological services to rural people, rural & small-community psychologists, 19748
ethics in nonsexual relationships, rural mental health professional, 24492
ethnicity & rural vs urban environment & disorder prevalence & psychiatric service use & global functioning, 15 yr old & younger to 60 yr old & older schizophrenic patients, Scotland & England, 35614
exposure to community health program, drug awareness & substance abuse & prevention service use, 18–35 yr old females in rural community, 9447
extent & features & demographic patterns of drug abuse & drug culture, rural Nigeria, 23098
family background & parental involvement & community integration, academic success, adolescent students, rural Iowa, 4 yr study, 37042
gender & age & rural vs urban residence, attitudes toward use of animals, 11–15 yr olds, 15333
home environment, behavior problems, preschool urban & rural children, India, 29874
impact of caring for HIV seropositive adult child, parents living in rural communities, implications for rural health care professionals, 36021
impact of rural parents on the development & identification of careers by youth in rural communities, rural parents & youths & others residing in rural communities, 28143
implementation & initiation of community mental health program in rural area, Venezuela, implications for international psychosocial rehabilitation, 24198
implementation of Comprehensive Services Act in rural Virginia, youth with emotional &/or behavioral problems, 24149
industrialized vs nonindustrialized environment, systolic vs diastolic BP, hypertensive vs normotensive adults, Nigeria, 23355
IQ through use of group intelligence test, 13–18 yr old students from urban vs rural areas, Greece, 40799
issues in community psychology service delivery in remote & rural communities, service providers & caregivers & parents & family members of individuals with disabilities, Australia, 24190
knowledge of HIV transmission modes, urban vs rural college students, 8518
large vs small group collectivist vs individualist vs evaluative vs nonevaluative self-references, self concept descriptions, urban vs rural 12–18 yr old male vs female school children, Nepal, 15331
managing multiple relationships & neutrality & boundary violations, mental health practitioners in rural communities, 43552
mathematical ability & use of currency in commercial transactions in low income environments, 4–14 yr olds, Brazil, 11353
mental health consultative linkages & rurality & availability of mental health specialty care, use of ambulatory & mental health care by HMO providers & mental health hospitalizations, patients, 5282
outreach program for & demographic & descriptive variables of elderly alcoholic patients in rural South, alcoholic vs nonalcoholic patients, US, 40167
perception of roles & coping experiences in rural special education, female occupation therapists, 2132
phenomenology of caregiving in rural areas from constructs of personal loss & life change, 40–80 yr old caregivers of patients with Alzheimer's disease & related dementias, Canada, 43402
planning & delivering of mental health services, rural elderly, 24104
polygyny, marital & life satisfaction & SES, 16–56 yr old mothers from rural villages, Cameroon, 35077
prevalence & health care utilization & functional disability, rural vs urban 15 yr olds & older with depression or manic episode or dysthymia, Canada, 11994
prevalence of dementia, 60 yr olds & older, rural India, 42830
prevalence of depressive disorders, rural elderly, China, 38996
program characteristics of rural vs urban psychosocial rehabilitation programs, 33016
programs & services for pregnancy prevention & childbearing intervention, adolescents, rural Southeastern US, 41720
psychiatric status & activities of daily living & social & vocational functioning, adults with severe mental illness living in rural area, 42200
psychogeriatric nursing status & health services utilization, profile for psychiatric service delivery, 60–93 yr olds living in rural areas, 41787
race & residence & nutritional risk, Black vs White rural vs urban dwelling 65 yr olds & older, 35004
religious vs other rural community organizations & intensity of moral community feelings, 18–86 yr old females, Australia, 5293
residence, teacher acceptance, students of teachers in rural & urban schools, India, 30053
service needs & strategies, rural severely mentally ill individuals, 24122
socialization-related tensions, rural Black families with school age children, South Africa, 11439
sociopolitical factors in higher incidence of anxiety & depressive disorders, rural dwellers, Pakistan & China, commentary, letter, 11899
status of early childhood care & education in rural vs urban areas, family & community members of 0–6 yr olds, South Africa, 38565
substance use perceptions & behavior in metropolitan vs nonmetropolitan settings, African American 8th graders, 2- & 4-yr followups, 29862
trading vs agricultural village & sexual risk behavior & rate of HIV infection, 13–19 yr olds, Uganda, 42743
unique aspects of psychotherapy practice in small or rural communities & need to understand & manage transference & countertransference issues, clinicians, 32009
Women's Affective Illness Treatment Program, skill based depression recovery program, low-income rural females with major depressive disorder, 27640

Rwanda—Serials

failure to return for posttest HIV serostatus & counseling, HIV seronegative vs seropositive pregnant females, Rwanda, 5235
genocide, ability of health & social care system to meet needs, refugee children, Rwanda, 24112

CAREER PATHS IN PSYCHOLOGY:

Where Your Degree Can Take You

Edited by Robert J. Sternberg

If you've made the decision to become a psychologist, you've significantly narrowed your choices. But the question still remains: What kind of psychologist would you like to be?

The answers to that are more varied than ever. *Career Paths in Psychology* describes the vast range of work available to psychologists. Going beyond the traditional stereotypes of laboratory researcher or individual therapist, the book shows how psychologists now work in all areas of education, in the government, and in private industry. They supply research on immunization programs, suggest improvements to airplane cockpit design, conduct studies on why people buy what they buy, and design community programs for reducing crime in neighborhoods.

In this book, 14 prominent psychologists who have achieved great success in a variety of areas discuss their work: what led them into it, how to prepare for it, what they like and don't like about it, and what a typical work week is like in their chosen specialty. These psychologists offer advice, information, and the inspiration of their own career paths.

Career Paths in Psychology is the ideal guide for anyone contemplating a career in psychology: students, recent graduates, career-switchers, or psychologists looking for new challenges. Available March 1997. 320 pages.

ANNOUNCING...

The NEW **Eighth Edition** of the
American Psychological Association's

THESAURUS of Psychological Index Terms

The Thesaurus is an indispensable reference tool to effectively search the PsycINFO®, PsycLIT®, and ClinPSYC™ databases. Searching is quick, easy and economical with its precise controlled vocabulary, representing psychological concepts, used to index these databases and *Psychological Abstracts*.

The 8th Edition is presented in hardcover and is thumb-indexed for easy access. Using this state-of-the-art reference tool before you go online to search will save you time and money.

There are many enhancements throughout the publication:

- Over 250 new postable terms or descriptors have been added, reflecting expansion of and changes to the vocabulary of psychology and related disciplines
- Over 200 existing scope notes have been revised to increase the clarity and precision of their use
- 110 new scope notes have been included to clarify terms with ambiguous meanings, describe applications unique to the PsycINFO databases, or to provide information on term usage patterns that have changed over time
- Approximately 200 hierarchies have been reconstructed to make them more complete and accurate
- Close to 200 new nonpostable terms have been included to provide better points of entry and improved standardization of the vocabulary

NOTE: A complimentary copy of the eighth edition of the *Thesaurus* will be made available to organizations who subscribe to PsycLIT on CD-ROM or purchase a PsycINFO Site Lease.

1997. 408 pages.

American Psychological Association

IMPROVED AND
EXPANDED

Publication Manual

of the American Psychological Association,
Fourth Edition

With more than 2 million copies of the *Third Edition* sold, and rapidly growing sales of the ***Fourth Edition***, the ***Publication Manual*** is the style manual most used by writers and students in psychology and other behavioral and social sciences, as well as the areas of nursing, criminology, and personnel management. The ***Fourth Edition*** of the ***Publication Manual*** contains new sections, including:

- Additional guidelines to reduce bias in language
- Expanded instructions for presenting statistical information
- Referencing that includes electronic media and legal materials
- Updated information on preparing manuscripts with a word processor
- General policies and ethics of scientific publication

The ***Publication Manual*** gives you all the information you need about the process of publication from organizing, writing, keying, and submitting your manuscript to seeing the accepted manuscript through production and publication. Plus, this ***Fourth Edition*** raises your awareness of publishing ethics issues and accurate, sensitive word choices in describing persons. **Order your copy of this essential resource today!**
© 1994. 368 pages.

AMERICAN PSYCHOLOGICAL ASSOCIATION

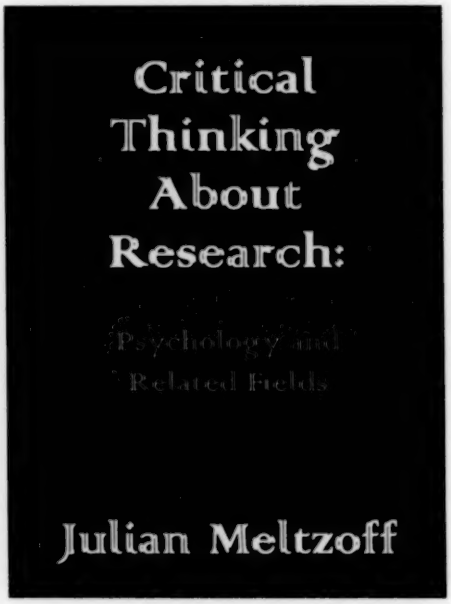
An Essential Resource for Teaching Research

Critical Thinking About Research:

Psychology and Related Fields

Julian Meltzoff



How should you teach students to detect flaws in research? To identify such defects in design, execution, analysis, and reporting, you must become an informed, interactive consumer of research. *Critical Thinking About Research* equips your students with the tools to identify flaws in others' research and reduce them to a minimum in their own work.

Part I discusses the complexities of research design, giving readers a solid grounding in the scientific method. Part II offers some enjoyable mental calisthenics in a series of realistic, but fictitious, journal articles. Clever and engagingly written, each one contains built-in flaws and is accompanied by a commentary that identifies the errors that were slipped in and may have slipped by the reader. Following the practical guidance and guided practice in this book, researchers at all levels can hone their evaluative skills. 1997. 300 pages.

Contents Include:

Critical Reading • Research Questions and Hypotheses • Research Strategies and Variables • The Sample Confounding Variables and Their Control Research Designs and Threats to Internal Validity Criteria and Criteria Measures • Data Analysis, Discussion, and Conclusions • Research Ethics ...Plus 16 practice articles.

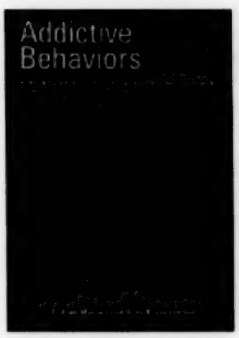
Addictive Behaviors

Readings on Etiology, Prevention, and Treatment

Editors: G. Alan Marlatt and Gary R. VandenBos

The destructive power of addictions can be seen in ill health effects, social and family problems, and economic and legal troubles. It is not surprising that the study of addictive behaviors in psychology has grown quickly in the 1990s.



Psychologists' roles within this arena include researching the effects of drug action, studying the epidemiology and etiology of drug and alcohol abuse, developing and evaluating prevention and treatment programs, and studying the effects of drug policies on human behavior.

This extensive collection of reprinted journal articles from the American Psychological Association journals provides a current view of psychological research on addictive behaviors. 930 pages. 1997.

Contents Include:

Basic Findings from the National Comorbidity Survey • Alcoholism: A Developmental Disorder • Resistance-Skills Training and Onset of Alcohol Use • Prediction of Controlled Drinking by Alcoholics and Problem Drinkers • Screening for Neuropsychological Impairment in Alcoholics • Stages of Change Readiness and Treatment Eagerness Scale (SOCRATES) • Alcohol and Aggression: A Meta-Analysis • Relapse Prevention as Psychosocial Treatment • Vocational Rehabilitation of Drug Abusers • Using Research to Guide Culturally Appropriate Drug Abuse Prevention • **Plus 23 More Chapters!**

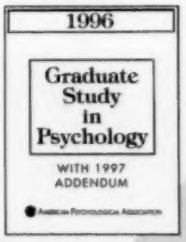
Resources for Students of Psychology

Graduate Study in Psychology, 1996 With 1997 Addendum



Graduate Study in Psychology offers students complete practical information on more than 500 psychology programs in the United States and Canada. This volume provides current facts about programs and degrees offered, admission requirements, application information, financial aid, tuition, and housing. With the newest edition, students can have the latest information, including new entries and updates to previous entries.

Available March 1997.
Approximately 592 pages.

Library Use: A Handbook for Psychology, Second Edition

Jeffrey G. Reed and Pam M. Baxter

Now in its 2nd printing!

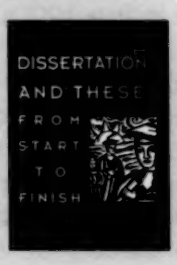
The second edition of *Library Use* offers new features that make this book more useful, while retaining the BEST features of the first edition. New features include — how to locate books and chapters in *Psychological Abstracts*; and how to access CD-ROM technology, which allows users to conduct their own computer bibliographic searches using a microcomputer in the library. Topics selected appeal to the interests of many psychology students, represent mainstream psychology, do not require high technical knowledge, have a body of published literature, and should have information available in a typical college library.

1992. 177 pages.
APA Members/Affiliates: $17.95; List: $19.95
Item # 4311080; ISBN: 1-55798-144-2

Dissertations and Theses From Start to Finish: Psychology and Related Fields

John D. Cone and Sharon L. Foster

Now in its 3rd Printing!



This publication helps graduate students in psychology and other related fields to plan the thesis and dissertation process from beginning to end. Clearly written, the authors successfully mentor students by advising them, answering their questions, and breaking down what may seem like an overwhelming and unsurmountable task into a series of concrete and manageable steps.

Useful suggestions include how to find a topic; developing a research question and formulating testable hypotheses; selecting a chairperson and committee members; research design, data collection and data analysis. *Dissertations and Theses* is a practical guide to negotiating the thesis and dissertation process.

1993. 349 pages.

Getting In: A Step-by-Step Plan for Gaining Admission to Graduate School in Psychology

Best Seller!

Getting In clearly and systematically guides you through each phase of graduate school admission. Using this book, you will gain practical insights from university administrators, faculty, and financial aid directors. This resource enables you to create an application strategy that you can pursue confidently from the first step until the last.

Among the tools provided are a monthly timetable for completing application tasks, options in psychology, descriptions of graduate specialty options, and detailed worksheets for selecting the best program. Students learn what criteria admissions committees use to evaluate applicants, how to improve their qualifications, and how to best showcase their talents in personal essays, letters of recommendations, and preselection interviews.

Nonevaluative summaries
of the serial and book
literature in psychology and
related disciplines

VOLUME 84, SUBJECT INDEX V JANUARY–DECEMBER 1997

TRUSTED WORLDWIDE AS THE AUTHORITATIVE PRINTED REFERENCE IN PSYCHOLOGY

Now a single print product gives users access to chapter, book, and journal information from all areas of psychology and related disciplines. APA's *Psychological Abstracts (PA)* brings users nearly 3,000 journal abstracts every month and NOW includes book chapter and book information.* Both psychologists and librarians have reported that they want the convenience of having a single source for ALL of the information available from books, book chapters, and journals. That's why chapter and book summaries are included in the monthly issues of *PA*.**

PA gives your users an overview of research in psychology and related fields, sums up articles from over 1,300 English-language journals and over 1,500 books annually, shows everything that's new in a given specialty, and much more!

Don't miss out on psychology's richest resource on current literature! *PA* is priced at $1,359 per year for institutions. Well worth it for over 4,000 journal ***and*** book abstracts per month!

For more information, write to:
American Psychological Association, 750 First Street, NE, Washington, DC 20002-4242, or call (800) 374-2722. In Washington, DC, call (202) 336-5650.

Psychological Abstracts . . .

- reports advances appearing in journals and books that may not be read on a regular basis
- enables users to pick up main ideas at a glance by highlighting the key points in a given document
- saves research time by virtue of *PA* complete bibliographic data for all citations
- and lets users find what they need in a hurry with its reader-friendly indexes for each month and year.

*This book-related material previously appeared separately in *PsycBOOKS*.
**Summaries in *PA* will continue to be grouped by subject classification, as well as now by source: SERIAL, BOOKS, and CHAPTERS. We've retained the style which *PA* subscribers find most efficient, and integrated the strengths of the former version of *PsycBOOKS*.

PsycINFO, a family of interrelated information services, provides access to the literature in psychology and interrelated behavioral and social sciences in a variety of ways. *PsycINFO* consists of:

Psychological Abstracts (PA) journal (ISSN 0033-2887). The comprehensive monthly compilation of non-evaluative summaries of the serial and book literature in psychology and related disciplines.

Issue. The monthly **PA** issues contain entries listed under 22 major classification categories, with some categories having subsections, as shown in the Table of Contents. Under each classification heading, the records are arranged alphabetically by first author, and are numbered consecutively each year. The volume contains approximately 47,000 records.

Indexes. An author, brief subject, and book title index appear in each monthly issue. An expanded and integrated annual index is published at the end of each volume.

PsycSCAN®s: Clinical Psychology, Developmental Psychology and Applied Psychology. Quarterly publications containing abstracts from subscriber-selected journals in the areas of clinical psychology, developmental psychology, and applied psychology, respectively.

PsycSCAN: LD/MR. A quarterly publication containing abstracts on learning disabilities, communication disorders, and mental retardation.

Neuropsychology Abstracts. Formerly known as PsycSCAN: Neuropsychology. A quarterly publication covering the clinical and human cognitive experimental areas of neuropsychology.

Psychoanalytic Abstracts. Formerly PsycSCAN: Psychoanalysis. Quarterly publication containing abstracts in the area of psychoanalysis.

PsycSCAN: Behavior Analysis & Therapy. Drawn from the total coverage of **PsycINFO®**, this quarterly publication contains abstracts in the area of behavior analysis and therapy.

The Thesaurus of Psychological Index Terms© 1997. A compilation of the vocabulary used in psychology and related disciplines as generated from the files of **PA**.

PsycINFO User Manual© 1992. Developed for the individual researcher of the information available from PsycINFO services, whether through use of the printed PA issues and indexes or by computer-assisted search of the database.

PASAR® (PA Search and Retrieval). Retrospective search and retrieval services available through the PsycINFO office.

PsycINFO® Database. Magnetic tapes of PsycINFO records to institutions for annual lease or license. Designed for use by information analysts and dissemination centers, the PsycINFO database is also used for direct interaction by individuals through a computer terminal in their own facilities. This service is available through several dissemination centers throughout the world.

PsycLIT®. A CD-ROM product containing PsycINFO citations and abstracts published from 1974 to present. PsycLIT includes summaries and citations from over 1,300 journals from 45 countries. English-language books and chapters from 1987 are included. Updated quarterly.

For more information on the above products, uses, and costs write to PsycINFO, American Psychological Association, 750 First Street, N.E., Washington, D.C. 20002-4242.
Psychological Abstracts is printed on acid-free paper. Printed in the U.S.A.

Psychological Abstracts (ISSN 0033-2887) is published monthly for $1359 domestic, $1437 foreign (APA member price $680) by the American Psychological Association, 750 First Street, N.E., Washington, D.C. 20002-4242. Periodicals postage paid at Washington, D.C., and additional mailing offices. **Postmaster:** Send address changes to **Psychological Abstracts**, 750 First Street, N.E., Washington, D.C. 20002-4242.

Correspondence on copyright matters should be directed to the PsycINFO Permissions Department; back issue sales to the Order Department; and subscriptions and address changes to the Subscription Manager. All correspondence should be addressed to the American Psychological Association, 750 First Street, N.E., Washington, D.C. 20002-4242. For information regarding microform editions write to University Microfilms, 300 North Zeeb Road, Ann Arbor, Michigan 48106.

For information on obtaining single copies of documents covered in **PA**, write **Dynamic Information Corp.**, PO Box 990, Burlingame, CA 94010-1305 or 1722 Gilbreth Road, Burlingame, CA 94010-1305 (415-259-5000; FAX 415-259-5005); or in Maryland, 8904 Connecticut Avenue, Chevy Chase, MD 20815 (301-654-1995; FAX 301-654-7709).

Address Changes must reach Subscription Servicing Department, APA, 30 days prior to the actual change of address. Copies undelivered because of address change will not be replaced; subscribers should notify the post office that they will guarantee Periodicals forwarding postage. **Other Claims** for undelivered copies must be made within 4 months of publication. Address your claims to Subscription Manager, APA.

Subscriptions are available on a calendar-year basis only. (January through December).

ISSN 0033-2887

Psychological Abstracts®

Nonevaluative summaries of the serial and book literature in psychology and related disciplines

Volume 84, Subject Index V January-December 1997

ACKNOWLEDGEMENTS

VOLUNTEER ABSTRACTORS

The staff of *Psychological Abstracts* wishes to take this opportunity to acknowledge the contributions of the following volunteers. Their generous donations of time, effort, and professional expertise enhance the quality and comprehensiveness of *Psychological Abstracts* and thereby benefit the entire psychological community.

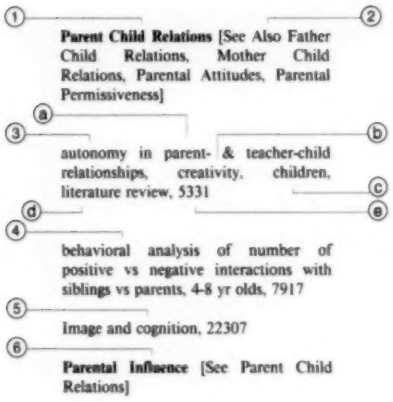
KEY TO TEXT

Examples are number coded to provide definition of their elements.

SUBJECT INDEX



1. Index term. Index terms are PsycINFO's controlled indexing vocabulary as published in the *Thesaurus of Psychological Index Terms*.
2. Cross references.
3. Index phrase (experimental type). A short statement of the major concepts contained in the original document. An experimental type index phrase may consist of:
   a. independent variable
   b. dependent variable
   c. subject population
   d. form identifier
   e. abstract number
4. Index phrase (descriptive phrase).
5. Book or chapter title.
6. Nonpostable term with see reference to postable term.

ABBREVIATIONS: In addition to commonly understood abbreviations* (including all units of measurement, educational degrees, standard statistical abbreviations, and standard Latin and reference terms), standard abbreviations used in *Psychological Abstracts* records are:

CRT	=	cathode ray tube
DNA	=	deoxyribonucleic acid
EEG	=	electroencephalogram/electroencephalograph
EKG	=	electrocardiogram/electrocardiograph
ESP	=	extrasensory perception
FI	=	fixed interval
FR	=	fixed ratio
icv	=	intracerebroventricularly
im	=	intramuscularly
ip	=	intraperitoneally
IQ	=	intelligence quotient
iv	=	intravenously
LSD	=	lysergic acid diethylamide
po	=	orally
REM	=	rapid eye movement
RNA	=	ribonucleic acid
S	=	subject
sc	=	subcutaneously
TV	=	television
UK	=	United Kingdom
US	=	United States
USSR	=	Union of Soviet Socialist Republics
VI	=	variable interval
VR	=	variable ratio

Computer language and computer names will also be used without definition, eg., **ALGOL, COBOL, FORTRAN, IBM 360**

**Consult Webster's New Collegiate Dictionary.*

This Annual Subject Index, published in five volumes, consolidates more than 159,000 references to approximately 45,000 abstract records published in 12 monthly issues of *Psychological Abstracts* from January 1997 through December 1997. A companion work, the Annual Author Index, references these records by author and document title.

Index terms, selected from the *Thesaurus of Psychological Index Terms,* represent the literature covered for the periods indicated. Only terms assigned as major terms, reflecting the main focus of the article, appear in the printed subject index. (Terms assigned as minor do not appear in print but are available for online searching.) Subject matter content determines the specific terms used and, thus, not every thesaurus term will appear in every index. "See" and "See Also" references are present to direct the user to the preferred terminology or related areas of interest. Index phrases are alphabetically arranged under the appropriate index terms and represent a concise statement of the article's content or, when appropriate, identify the independent and dependent variables described in the material as well as the subject population. Style changes such as the increased use of abbreviations or the elimination of some hyphens may result in some inconsistencies and may affect the alphabetical order of phrases.

Saccadic Eye Movements[See Eye Movements]
Saccharin—Serials
administration of lithium chloride vs saccharin during conditioned taste aversion training, modulation of expression of immediate early genes c-Fos & fos B & zif/268 & CREM, rats, 15053
carbohydrate infusions after vs not drinking saccharin, saccharin intake, rats, implications for behavioral associative processes, 41510
concurrent saccharin, oral PCP self-administration in progressive ratio schedule, rhesus monkeys, 41514
conditioned taste aversion with sodium saccharin as CS, amygdalar neuronal responses to sodium saccharin vs sucrose vs sodium chloride vs hydrogen chloride vs quinine hydrochloride, rats, 14896
differences in afferent code for saccharin & other taste qualities in nucleus of solitary tract, NaSaccharin vs water preferring rats, 21643
diltiazem vs isradipine vs nicardipine, role of taste aversion in suppression of saccharin & alcohol drinking induced by L type calcium channel inhibitors, rats, 15082
forced-swim & plus-maze mobility & voluntary ethanol & saccharin intake, inbred Wjd vs Har Fawn-Hooded rat strains, animal model of hypercortisolemia & altered serotonergic response, 18134
gymnemic acid, summated chorda tympani nerve response & sweet vs nonsweet taste perception, chimpanzees, implications for phylogenetic differences in higher vs lower primate sense of taste, 6735
level of saccharin intake & food deprivation, rate of acquisition of cocaine iv self administration & subsequent self administration of oral ethanol, male rats, 6898
low vs high dose of dopamine D3 receptor agonist 7-OH-DPAT, water intake & conditioned taste aversion to saccharin, male rats, 11108
saccharin concentration, stimulus control & discriminated morphine-saccharin taste aversion task, rats, 29576
taste stimulant saccharin concentration & glucose, fluid licking rates & volume ingested as measures of negative feedback signal magnitude, male rats, test of oropharyngeal hypothesis of satiety, 6732
SAD [See Seasonal Affective Disorder]
Sadism—Serials
manifestation of masochism & psychopathic sadism in victim & perpetrator self-states & interrelationship with social systems, 4049
mutative impact of transference interpretation with preoedipal focus, masochistic male 35 yr old with sadistic sexual behavior, case report, 36370
Sadness—Serials
bilateral ECT, autobiographical memory of past subjective experiences related to melancholia, inpatients with melancholic type major depression, 27488
happy vs sad mood, RT & reliance on general knowledge structure on recognition task, college students, 2861
health care & school/development & social & other events, sorrow & intensity of mood states, 20–47 yr old mothers vs fathers of 7–75 mo olds with neural tube defect, 8606
positron emission tomography assessed neuroanatomical correlates of happiness & sadness & disgust, females, conference presentation, 37978
sad vs neutral mood induction, order & valence of retrieved memories, depressed college students, test of mood-congruent recall hypothesis of memory repair, 28959
sadness &/or happiness, autonomic reactivity & pulmonary function, asthmatic 8–17 yr olds, 35992
sadness, correction of positive vs negative stereotypes, college students, 30435
serial measurement of anxiety & sadness & euphoria, renal transplant recipient & his donor brother, 20109
serum cholesterol level, sensitivity to perception of anger & sadness in auditory stimuli, forensic patients, 4371
Sadomasochism [See Also Masochism, Sadism]—Serials
entitlement & masochism & omnipotence & parental externalization & psychoanalytic psychotherapy, 42 yr old female with severe dissociative symptomatology, 9006
history & practices & community structures of sadomasochism practitioners & relation to feminist therapy, 30281
sadomasochism & concept of tableau as symbol of traumatized past & dehumanization as enactment of serial killers, 35844
Sadomasochistic Personality [See Masochistic Personality]
Safety [See Also Aviation Safety, Highway Safety, Occupational Safety]—Serials
all terrain vehicle operational & safety practices & injuries, 13–19 yr olds, 802
decision making concerning life threatening risks, appraisal of alternatives & public policy & laws & communication, 15392
efficacy & safety of psychotropic drugs available in Europe but not US, 23885
evaluation of Kid Safe fire safety training program, 3–5 yr olds, test appended, 5604
frequency & characteristics of safety behavior, characters in fictional TV programs viewed by children, 704
level of risk along multiple dimensions, screening for safe placement in independent living apartments, homeless adults with severe mental illness, 2008
peer helper program based on role playing, school bus safety, 5th–6th graders, 10008
perceptions of public safety policy & age & sex & race & Greek affiliation & marital & resident status, college students, 43659
principles regarding economic scrutiny of health management & safety regulation, 16810
safety of mirtazepine vs placebo vs other antidepressants, depressed patients, Europe & US, 16645
safety training program, behavioral approach of reducing public housing fires, low income heads of households, 5236
unrealistic optimism & perceptions of health & safety risks, bungee jumpers & friends & family members, UK, 5809
Safety Belts—Serials
crashes & traffic convictions & risk taking behaviors & seat belt attitude & knowledge, drivers not using seat belts, 14090
opinions & behaviors on traffic safety & use of safety belts & drunk & impaired driving & speeding & driving with suspended license & age related licensing sanctions, 18–70+ yr olds, Michigan, 1995, 14088
program to increase child restraint use & rear seating position in vehicles, parents & elementary school children, 37289
signs with seat belt use reminders & enforcement & increased use information, observed rates of seat belt use, drivers, 20878
worksite intervention programs, employee seat belt use, literature review, 1968–94, 43917

Safety Devices [See Also Safety Belts]—Serials
airbags &/vs antilock brakes, driving behavior, taxi drivers, Norway, 37285
economic model of safety valuation & application to automobile market, 2353
experiences of & attitudes toward & injuries from airbag deployment crashes, car drivers & passengers, 33822
health promotion model, prediction of hearing protection use, blue collar workers, 17401
hostility & hearing protection behavior & protection motivation theory components & low frustration tolerance, male industrial workers exposed to potentially hearing-damaging noise, 5794
information on helmet wearing, reduction of cycling related injuries, 0–14 vs 15–24 vs 25–64 yr olds vs 65 yr olds & older, Sweden, 1978–93, 37276
injuries & use of protective equipment & applicability of Health Belief Model constructs to protective equipment use prediction, college in-line skaters, 20839
perceived barriers to & social norms about bicycle helmets & risk perception, frequency of helmet use, college students, 10228
personal & demographic characteristics, misuse or proper use of child safety seats, drivers in target vehicles with children under 60 pounds, 20876
railroad grade crossings with flashers with vs without barrier gates, track crossing behavior, drivers, 20880
sleeping in chemical protective mask, sleep quality & choice RT & mood, male 19–25 yr old soldiers, 6786
time headway feedback, headway & speed maintenance & mental workload, close vs medium vs cautious drivers (mean age 38 yrs), England, conference presentation, 37277
training, effectiveness with anti-lock brake systems, 20–26 yr old drivers, 20881
voluntary helmet use, head injury, 5–18+ yr old cyclists, New Zealand, 20882
Safety Warnings [See Warnings]
Salaries—Serials
attitudes toward employee individual & job & career characteristics & perceived relevance of external & internal & individual & self equity, managers, Canada, 37171
career mobility strategies, salary & promotions & job satisfaction & organizational commitment, managers, 7 yr study, 17351
cognitive skills & skill demands of jobs & income, African American vs Mexican American vs European American 26–33 yr olds, 35050
compensation associated with internal vs external labor market strategies, female vs male managers working in Fortune 500 companies, 33620
demographic characteristics & salaries & professional credentials & affiliations & educational background, male vs female school psychologists, 13524
employment features & outcomes & relation to natural support & typical work experiences, 23–50 yr olds & older with mental retardation, 36818
expansion of managed care & changes in health care delivery systems, salaries, doctoral level licensed psychologists, results of 1995 APA salary survey, 33149
factor analysis & discriminant validity between scores on distributive justice scale vs Pay Satisfaction Questionnaire, banking & engineering & management personnel, 10546
flat vs linear vs positively vs negatively accelerating incentive pay systems, task productivity, college students, 28183
gender & previous income level, perceived pay entitlement, college students, 15503
gender related differences in job related skills & credentials & adult family roles & aspirations & organizational characterstics, wage gap at career entry, males vs females, 22 yr study, 41923
high pay & benefits, job satisfaction, municipal water utility employees, 10097
information processing demands reflected by firm's diversification strategy & approach to technology & top management team size, financial compensation, CEOs, 2279
job performance & voluntary employee turnover & salary growth & promotions, low vs average vs high performing employees, 24735
managerial control & class hegemony & external control & efficient market perspectives, CEO pay levels & criteria, corporations, 43766
model of productivity & rank & yrs in rank & longevity with college as remedy for salary compression, business professors, 17109
net effect of race & controlling for cognitive skill on hourly wages & role of discrimination in racial gap in hourly wages, Ss, 1976 vs 1985, commentary, 15433
net effect of race & controlling for cognitive skill on hourly wages & role of discrimination in racial gap in hourly wages, Ss, 1976 vs 1985, commentary reply, 15436
net effect of race on hourly wages & role of discrimination in racial gap in hourly wages, Ss, 1976 vs 1985, 15430
paid vs unpaid work & participation in work related support group, positive & negative symptoms & rehospitalization, adults with schizophrenia or schizoaffective disorder, 5 mo followup, 2085
pay discrepancy, intrinsic motivation & job satisfaction & intention to change job, college students & workers, Australia, 17343
pay policy & competitive strategy in high performing firms, 17380
pay status & competitive wage structure, organizational attachment & commitment, police personnel, application of R. H. Frank's economic social comparison theory, 24956
postsecondary educational level & job opportunities & salaries & career outlook, psychology majors, 17021
psychophysical approach to size of pay raise & perceptual & attitudinal reactions, employees, 33663
racial differences in retirement earnings, married White vs Black men, 41808
realistic vs traditional job previews & high vs low job compensation, applicant attraction & job choice, college students, 10060
responsibility for decision to take wage cuts & accept wage freeze, perceptions of fairness of wage cuts & pay, co-op employees, Canada, application of distributive justice theories, 40579
sex & amount & format of given information, detection of salary discrimination against hypothetical male vs female managers, social & business science students, Netherlands, 10083
sex composition & occupation-specific training, natural logarithm of hourly wages, Caucasian vs African American males vs females, analysis of devaluation vs specialized human capital hypotheses, US, 37147
social similarity & status measures of social capital, CEO compensation, CEO–compensation committee chairperson dyads, 24737
theories & causes of wage gap, employed females with vs without children, 20 yr study, 30242
type of health care organization & treatment by employer & achievements, prediction of salaries, Black vs White male vs female health care executives, 17083
wage reservations as reflection of self work & aspirations & willingness to work & joblessness, 14–21 yr old Black vs White males, 43740
worker characteristics & job coach & coworker involvement & earnings & employment & other factors, future earnings, 26–64 yr old mentally retarded employees & their service providers, 4-yr study, 31484
Sales Personnel—Serials
accuracy of testimony after event & memory regarding customer, sales clerks, Japan, 3 mo followup, 28968
fusion of emotional & functional elements, successful business relationships, computer company salespeople, Taiwan, 17363
management influence tactics, compliance with quality improvement policies, salespersons, Hong Kong, 43771
Myers Briggs Type Indicator psychological types, male insurance agents, 28144
organizational commitment & satisfaction & performance, retail sales staff, Hong Kong, replication, 33661
perceived organizational factors & trust behaviors, perceived effectiveness of sales partner relationships, computer industry salespersons, 17384

perceived salesperson listening behavior & customer trust & satisfaction & anticipation of future interaction, new car buyers, 41986
personal characteristics & buyer satisfaction, salespeople, 38750
personal stakes & anticipatory emotions of potential success or failure, volitions & goal-directed behavior & sales performance, medical supply salespersons, 3 mo followup, 17342
rewards for retaining customers vs generating new sales, extraversion in sales performance, sales representatives, 13936
supplier & salesperson characteristics, trust, purchasing managers, 28271
time management & achievement striving, sales performance, car dealership sales personnel (mean age 37.27 yrs), Canada, 13930
use & misuse of mental health care insurance benefits for minor vs major mental illness, health insurance agents vs psychologists, 36671
validity of video-based situational judgment tests, adult retail employees, 24993
Salience (Stimulus) [See Stimulus Salience]
Saliva—Serials
clozapine use, saliva flow rate, patients, 23920
psychological stress, increase of salivary induced aggregation of Streptococcus gordonii, dental students, implications for oral health, 11062
reliability & accuracy of salivary ultrafiltrate to predict salivary infiltrate cortisol levels, 23–36 yr old smokers with vs without depression, 7917
salivary & plasma measures of dim light melatonin onset & abnormal circadian rhythms, 28–51-yr-old medicated patients with rapid cycling bipolar disorder, 30877
salivary testosterone, aggressive & prosocial personality characteristics, male vs female college students, 6781
Salivary Glands—Serials
clozapine, transient swelling of left submandibular salivary gland, male 44 yr old with schizophrenia, case report, letter, 27462
parotid gland swelling with clozapine, 41 yr old male with paranoid schizophrenia, England, case report, letter, 23913
Salivation—Serials
acute anxiety, salivation, females with simple phobia of spiders, New Zealand, 1315
clozapine, hypersalivation, 23–60 yr olds with schizophrenia, 4988
cognitive behavioral therapy, salivary & cardiovascular reactivity to high risk binge food, female 18–40 yr olds with bulimia, 12830
morning vs afternoon saliva flow & total proteins & secondary immunoglobulin A concentrations & secretion rates, 20–30 vs 60–80 yr olds, 6741
repeated food cues, physiological & subjective responses to food over time, 17–38 yr old females with bulimia nervosa, 42674
salivary reactivity to high-risk binge food before vs after cognitive-behavioral therapy, females with bulimia (mean age 26 yrs), 31491
salivary responses to repeated presentation of palatable food cues, obese vs nonobese female college students, implications for satiety vs reinforcing value of food, 4441
selective desalivation, NaCl & KCl discrimination, rats with vs without chorda typani transection, 29370
Saltiness [See Taste Perception]
Sample Size—Serials
accuracy & skew effects of alpha levels & Type I errors for Tukey's pocket test & comparison to t test for various sample sizes, 17741
calculation of & statistical power & Type III error risk & sample size for directional 2-tailed test & comparison with conventional 1- & 2-tailed tests, 146
determination of sample size in chi square test using information from earlier study, 10572
discriminability of serial vs parallel architectures in mathematical model of response time decomposition rules, implications for sample size distribution, 14424
parenting beliefs & stress & parent child interactions, polydrug addicted mothers, 20229
practical lesson in theoretical foundation for study of relationships & gathering area probability samples of couples, 37576
preservation of statistical power with minimization of sample size, 40962
relative proportions of & sample size & correlation & number of candidate & selected features, resubstitution bias in multivariate classification analysis, implications for ergonomics, 28626
sample size & inconsistent results & role of human intuition, 34237
sample size, early detection & perception of correlation, college students, 40959
sample size in analysis of levels of statistical power in research published in "British Journal of Psychology", literature review, 1993–94, 28627
sample size issues in study of safety & efficacy of addition of MAO inhibitors to carbamazepine, inpatients with treatment resistant depression, commentary, letter, 12940
sample size issues in study of safety & efficacy of addition of MAO inhibitors to carbamazepine, inpatients with treatment resistant depression, commentary reply, letter, 11897
sample size, temporal reliability of total & different number of words & syntactic & morpheme utterance length as language sample measures, 2.6–3.8 yr olds, 15219
understanding of & inductive judgments about sample monotonicity & diversity information within basic-level categories, 8–9 yr olds vs adults, 22012
Sampling (Experimental) [See Also Biased Sampling, Random Sampling]—Serials
accuracy of traditional quota sampling opinion polls to actual election results for Labour vs Conservative political parties, 1992–97, Great Britain, 40956
balanced stratified sampling strategy using auxiliary variable in selecting probability sample, sampling for Nurses Worklife & Health Study, nurses, 34135
bootstrap & Monte Carlo permutation procedures, comparison of kappa coefficients obtained from same sample, 25148
clinical vs community proband ascertainment, estimates of familial aggregation of depression, 18–44 yr old depressed female probands, New Zealand, 7936
conceptual definition & operational identification of homosexual & bisexual & gay & lesbian population & setting of sample selection & use of probability sampling in public health research, 13265
demographics & selection biases in antipsychotics trial & potential effects in hypothetical clinical trials, 18–55 yr olds with schizophrenia or schizoaffective or schizophreniform disorder, 10599
design of Berlin Aging Study for systemic-wholistic approach to psychological functioning in old age & description of sample & sample selection analyses, 70–103 yr olds, Germany, 41768
effects of preclinical dementia groups on estimates of normal cognitive function, elderly, implications for methods of selection of robust elderly samples, 10600
evaluation of method for eliciting representative sample of total personal networks, adults, 41966
high vs low recruitment areas & ascertainment & parental consent, sample representation, 6–10 yr olds with hemiplegia, England, 2733
indirect range restriction on X & Y variables, sampling error variability in correlation coefficient, conference presentation, 37548
meta analysis to correct effects of sampling & measurement errors & range restriction & artificial dichotomization in social science research, implications for policy making, 17747
occupancy distribution, estimation of probability of discrimination of baited vs unbaited choices in multiple location search task & test of working memory capacity in sampling of finite population, 14470
practical lesson in theoretical foundation for study of relationships & gathering area probability samples of couples, 37576

procedure for graphically determining optimal sample interval for behavior pattern, 14698
receipt of outpatient services, representativeness of clinical samples, 9–17 yr olds with mental disorders, implications for population based studies, 20223
respondent driven sampling, active drug injectors, conference presentation, 39205
sample origin & study quality, predictors & outcomes of Alcoholics Anonymous attendance, meta analysis, 16983
sampling distribution & factor patterns of congruence coefficient using orthogonal Procrustes rotations with simulated data, 17756
sampling errors & market research survey data, 14464
sampling of nondomestic populations in market research, 17439
selection bias during recruitment of patients & controls & relatives for family study, 60 yr old or older inpatients with dementia of Alzheimer's type vs major depression, 4004
structured vs unstructured conditions, sampling children's communicative acts, 1.8–3.6 yr olds with Down's syndrome or developmental disability & their parents, 5–7 mo followup, replication, 19466
types & errors of measurement of & sampling properties in longitudinal studies, 25137
uncertainty & statistical sample methods in analysis of longitudinal categorical data, 25154
Sarcomas [See Neoplasms]
SAT [See Coll Ent Exam Bd Scholastic Apt Test]
Satiation—Serials
benzodiazepine partial receptor agonist bretazenil, hyperphagia & ingestive patterns & satiety sequences, male rats, 29521
carbohydrate infusions, stimulation & suppression of saccharin intake & condition satiety, female rats, 34697
character recognition task difficulty, heart rate & BP responsivity, fluid-deprived vs fluid-satiated college students, 29490
cholecystokinin octapeptide dose & sucrose with vs without pyloric cuff inflation, gastric volume & distention & food intake & satiety, male rats, 11040
energy density & fat content of diets, satiety & food intake, literature review, 18236
flavor distinctiveness & sucrose concentration, positive reinforcement vs anticipated satiety effects in preferential consumption of isocaloric solutions, male rats, 10757
food restriction vs satiation & water with PCP vs ethanol in concurrent self-reinforcement, drug-maintained responses & deliveries & break points in behavioral economics of demand, male monkeys, 18333
hunger & satiety perceptions & cognitive sets & role of serotonin in eating behavior, acutely ill & short term recovered patients with anorexia nervosa or other eating disorders, 4447
isovolumetric isotonic vs hypertonic saline vs glucose vs maltose gastric preloads, postingestive inhibitory intake controls measured by independent milk ingestion, 12 day old rat pups, 6757
membrane bound isoform of tripeptidyl peptidase II & butabindide inhibition, cholecystokinin neuronal inactivation & receptor mediated satiation, rats, 7051
microstructure of eating abnormalities & mechanisms of hunger & satiation, hyperphagic 54–91 yr olds with dementia, UK, 26824
selective 5-HT agonist CP-94,253, pellet & sucrose intake & feeding behavior & meal duration & satiety, male rats, 38124
short-chain sugar derivative 2-Buten 4 Olide, satiety & feeding behavior, male monkeys, 3249
starvation vs satiation & body size & time available, amount of silk wrapping produced for prey offered as nuptial gift, male spiders, implications for sexual reproduction, 29143
Stroop task stress, salivation to food cues & food liking & hunger & fullness & arousal ratings, dietary-restrained vs nonrestrained female 18–35 yr olds, implications for eating disorder habituation, 6792
taste stimulant saccharin concentration & glucose, fluid licking rates & volume ingested as measures of negative feedback signal magnitude, male rats, test of oropharyngeal hypothesis of satiety, 6732
weight/volume & energy content of ingested food, subsequent satiety & food intake, adults, 18226
5-HT 1A &/or 1B receptor agonists CP-94,253 & RU-24969, food intake & behavioral satiety sequence duration & frequency profiles, male rats, 11142
Satisfaction [See Also Client Satisfaction, Consumer Satisfaction, Job Satisfaction, Life Satisfaction, Marital Satisfaction, Need Satisfaction, Role Satisfaction, Sexual Satisfaction]—Serials
beliefs about causes of success & satisfaction in sport, 18–44 yr old task vs ego oriented undergraduates with competitive sport experience, 20835
child care needs & arrangements & satisfaction, mothers of 5 yr olds with developmental disabilities, 4413
conceptual framework for analysis of cognitive & affective & behavioral aspects of individual interaction to residential environment, residential satisfaction, 35291
cut-off points & actual & hypothetical grades & grade point averages, counterfactual thoughts & satisfaction, college students, 34225
demographic & medical & psychological & environmental variables, childbirth pain & maternal satisfaction, 18–42 yr old primiparous vs multiparous females, 32741
dependence & satisfaction in interorganizational power relationships in marketing, commentary, 5816
electronic communication mode & task complexity & completion time & perceived information load, small group performance & member satisfaction, MBA students (mean age 33.45 yrs), 26164
emotional dependency & intimacy & autonomy & equity, relationship satisfaction, 21–63 yr old lesbian couples, Netherlands, 15508
experience of enjoyment in learning, mature-aged further education students, Australia, 9946
expert systems &/vs decision support systems in human resource management, flexible benefit choice intentions & satisfaction with benefits, manufacturing & assembly employees, 17354
gain experienced among informal caregivers of older adults with cognitiveor emotional, or physical impairments, literature review, 32956
internal consistency & construct validity of Professional Self-Esteem of Physicians Scale & associations with job & life satisfaction & burnout, physicians, Israel, 28602
interpersonal communication & receiver apprehension, sexual communication satisfaction, male vs female college students in intimate relationships, 18868
interpersonal dominant–submissive complementarity, satisfaction with relationship with partner, female college students, 22418
intimacy & autonomy & relationship satisfaction, 21–60 yr old lesbian vs heterosexual couples, Netherlands, 3700
knowledge of outcomes of others & fairness of procedure, outcome fairness judgments & satisfaction perceptions, college students, Netherlands, 30550
lay beliefs on causes of relational satisfaction among best friends, college students, 981
measures of psychosocial characteristics & housing & neighborhood satisfaction, low-income single-mother families, 40696
neuroticism & satisfaction with social support, pain behavior, patients (mean age 65.3 yrs) with chronic pain, 39382
perceived purpose of university education & satisfaction with quality of undergraduate education & types of advice given to students, college teachers (mean age 51.4 yrs), Canada, 40347
prevalence of comparatively perceived superiority of intimate relationship & satisfaction, adults, Netherlands, 42011
process & decision control over work outcomes, procedural justice & satisfaction, adult employees, implications for value-expressive vs instrumentality models of process control, 2305

public vs private adoption agencies vs independent attorneys & centers, satisfaction with preplacement information sharing & preparation, families of adopted 0–13 yr olds, 4 yr study, 27679
reliability & construct validity of End User Computing Satisfaction Instrument, adults, 2479
remarriage, coparenting & parenting support from & attitudes toward former spouse & parenting satisfaction & involvement in children's activities, males vs females 3 yrs postdivorce, 30160
retention & satisfaction & employment outcomes, 20–50 yr olds in Master's level psychology program, 5490
satisfaction & alternative quality & investment size in personal & social prescription, level of commitment, adults in a romantic relationship (mean age 36.53 yrs), 30012
satisfaction & trust in intimate relationships, 18–36 yr old lesbians vs heterosexual females, 42002
satisfaction with Adult Learning Disability Community Support Team, carers & referrers & 21–53 yr olds with mild to moderate range of learning disability, 36723
satisfaction with training & role & impact of supervision, neophyte group therapy trainees, Canada, 9709
scores on Type Differentiation Indicator, opposite vs like type attraction & relationship satisfaction & number of times married, 17–79 yr old engaged vs married couples, 3924
sense of control & perceived social support & degree of achievement motivation & experienced satisfaction, academic & social stress, high school students enrolled in college preparatory environment, 13766
skin color preferences & body satisfaction, 18–24 yr old female South-Asian vs European university students, Canada, 30538
sponsorship of patient satisfaction survey, response rate & satisfaction ratings, medical patients, Switzerland, 5254
time & postdecisional voice, membership status & satisfaction, voting majority vs minority subgroups of data-processing employees, 11652
tutor–tutee intimacy & tutoring conditions & background variables, overall tutor satisfaction, Israeli college students, 28052
user expertise level & spreadsheet software's front-end voice interface, performance & satisfaction, college students, 5835
validity of model of user satisfaction with buildings & their environment as workplaces, 18–58 yr olds, Spain, 37264
weight related positive vs negative feedback, self reported body satisfaction, White vs Black female undergraduates, 18968

Saudi Arabia—Serials
culture & socioreligious norms & adherence to Islamic religion, organization of boundaries & impact of privacy issues on architecture planning, Saudi Arabia, 7441
demographic & clinical data on psychiatric emergencies, Saudi Arabia vs Britain, 12-mo study, 30730
spatial orientation & wayfinding problems in King Saud University built environment, high school students, Saudi Arabia, 24890

Scaling (Testing)—Serials
concurrent validity of self-defeating personality scale & personality disorders inventory, adult male vs female (mean age 19 yrs), 40845
construction & test reliability & validity of Dental Fear Assessment Scale for identification of fear-producing elements of dental treatment process, adults, 37376
development & factor analysis & reliability of summary scale scores for Medical Outcomes Study 36-Item Short Form Health Survey, 20–69 yr old surgical patients, replication, UK, 40921
development & reliability & validity of childhood psychological trauma & resources scale, 14–46 yr olds, 40804
development & use of affective bicultural & global-human identity scales, 1st vs 2nd-born Mexican-American 16–19 yr olds, 40782
development & validation of the Emotional Contagion Scale, 17–80 yr olds, 37400
development & validity of Intercultural Tolerance Scale, college students, 40837
development of instrument to measure social work practice skills, MSW interns (mean age 30.7 yrs), 37546
factorial nature of rating scale & relationship of eating behavior rating scales to dietary restraint, females (mean age 22.34 yrs), 25067
internal consistency & discriminant validity of drug use myth scale, drug use propensity, continuation high school students, instrument appended, 10427
linear paired comparison technique for interval scaling, 159
predictive validity & distinctiveness & state vs trait properties, Interpersonal & Self-Criticism subscales of Depressive Experiences Questionnaire–Adolescent, 11–17 yr old inpatients, 2 yr study, 40865
psychometrics of National Institute of Mental Health multisite condom use self-efficacy & outcome expectancy scales, 18–58 yr olds from geographically diverse sexually transmitted disease clinics, 34052
reliability of Matsumoto & Ekman's Japanese & Caucasian Facial Expressions of Emotion, American & Polish & Hungarian & Japanese & Vietnamese & Sumatran adults, 37397
scale to measure the effect of leader-empowering behavior on the level of innovation, professional architecture project teams, 40772
similarities between the Holland Vocational Preference Inventory & the Interpersonal Adjectives Scales—Revised through scaling analyses, 18–30 yr old students, 20968
Social Readjustment Rating Scale rescaling, measurement of life events & changes, adults, comparison of 1965 & 1995 data, 41725
subtle & obvious scales in detection of faking on MCMI-II, college students, 37415
validity of MCMI-III PTSD scale, Vietnam combat veterans with vs without PTSD treatment (mean age 46.6 yrs), 40876
Workplace/Family Stress Scale & contributions from various system levels to work–stress dynamic, fathers in dual income families, conference presentation, 35068

Scalp Disorders [See Skin Disorders]

Scandinavia [See Also Denmark, Norway, Sweden]—Serials
accessibility of psychiatric services & degree of urbanization, treated incidence, adults, Norway & Denmark & Finland & Sweden, 24146
development & psychometrics & factor structure of Reactivity of Psychosis Rating Form, assessment of reactivity to stress in psychosis, patients with functional psychosis, Scandinavia, 21051
development of use of lobotomy in psychiatry, Scandinavia, 1940–60, 20003
psychiatric rehabilitation & decentralization & psychiatric hospital capacity for mentally ill, Denmark & Finland & Iceland & Norway & Sweden, 16950
tolerance & efficacy of citalopram, elderly patients with dementia or depression, Denmark & Norway & Finland, conference presentation, 9073

Scent Marking (Animal) [See Animal Scent Marking]

Schedules (Learning) [See Learning Schedules]

Schedules (Reinforcement) [See Reinforcement Schedules]

Scheduling (Work) [See Work Scheduling]

Schema—Serials
business friendship cognitive script & experience, successful transaction process & outcome, real estate agents, 15580
clinical functioning progress, schemes of self/object & significant others, seriously mentally ill adolescent & young adult inpatients in psychodynamic psychotherapy, 12767
cognitive & social & emotional issues of sexual decisions & sexual scripts & beliefs about AIDS, 15–19 yr old Black inner city males, 26111
cognitive schema theory vs constructivism in educational psychology, implications for classroom learning, 24511
cognitive structure of religious & moral opposition to pornography, conservative Protestants, 35046
contextual interference vs schema enhancement related to amount of variability in practice session, benefits in multiple motor task learning, college students, 10676
current dieting status & behavior & intentions, dieter schematic vs aschematic female undergraduates, 8 wk study, 23988

delayed vs immediate cognitive behavioral therapy, schema & emotional aspects of jealousy, morbidly jealous patients, England, 8839
development & factor analysis & construct validity & internal consistency of Childbirth Schema Scale, assessment of schema formation & revision with childbirth, childbearing females, 14277
encoding of preestablished sequences & boundaries & distractors, selection & organization of relevant actions within different scripts, adults with prefrontal vs posterior cortical lesions, 16376
epistemic world views for learning & existence of 2 prefigurative schemas, medical students, 21450
evaluation of pragmatic reasoning schema theory predictions, college students, 2822
exercise self schema & intention, exercise behavior, undergraduates, 37238
geometry teaching program, schemata acquisition, high school students, 17143
high vs low perceived power schemas, organization of caregiver responses & cognitive processing capacity in challenging encounters with children, mothers & female college students, 15476
implicit learning & tacit memory in cognitive psychology, implications for cognitive psychotherapy, 23723
Learning & Inference with Schemas & Analogies computational model of human analogical access & mapping, 34215
literal recall & schematizing & evaluation of source story structure similarity to previously elaborated problem, analogical reasoning, college students, Italy, 10715
medication-taking schema, recall of medication instructions, 20–30 vs 60–87 yr olds, 24045
metacognitive models of abstract components of situation assessment & performance on tactical decision making & categorization tasks, male naval officers, 28846
minimized activation of preexisting schemata, rule detection performance, adults with frontal lobe lesions, UK, 16310
modernist schema & information-processing theory vs postmodernist social constructivist theories in educational psychology, implications for classroom learning, 24520
parallel & serial exhaustive processing as mental architecture in perception & cognition & violation of race model inequality, 34245
personal need for vs negative reactions to cognitive structure, vulnerability to occupational stress, female physicians & nurses & other hospital employees, Finland, 20466
schema polarity model for case conceptualization & incorporation of oscillative processes & nonlinearity & continua, implications for research & clinical intervention, 23523
self-schema model & role of self concept, patients with eating disorders, 12422
sex & elaborateness of prior knowledge & congruent vs incongruent product attributes, schema- vs inference-based affect of pre- vs posttaste new product evaluations, adults, 24849
sexual self-schema as predictor of sexual dysfunction, 24–73 yr old female gynecological cancer survivors, 23342
sleep deprivation, negative cognitive style self-schemes, patients with major depression (mean age 39.8 yrs), 35513
thought & political expertise, extent to which attitudes are consistently structured within cognitive system, college students, test of shared consequences model, 30214
training & expertise level, scripts of psychological research process, undergraduates vs graduate students vs assistant vs full professors of psychology, 2126
VISOR connectionist system that shows how visual schemas can be learned & represented & used through mechanisms natural to neural networks, 40722

Schizoaffective Disorder—Serials

abnormal auditory EPs & their use in differential diagnosis, 18–50 yr olds with schizophrenia or schizoaffective or bipolar disorder, 35454
affect recognition as a function of global impairment vs specific cognitive deficit, adults with schizophrenia or schizoaffective disorder receiving psychiatric services, 42309
antipsychotic drugs, CSF neurotensin & assessed psychopathology, patients with schizoaffective disorder vs schizophrenia, 39836
antipsychotic drugs, serum creatine kinase increases, hospitalized schizophrenic or schizoaffective patients, 23908
caffeine, clozapine metabolism, 31-yr old Black female with schizoaffective disorder, case report, letter, 16646
carbamazepine & lithium, manic or depressive episodes & hospitalizations & morbidity, outpatients with bipolar or schizoaffective disorder, 2–13 yr followup, Italy, 32363
cardiac defects & abnormal facies & thymic hypoplasia & cleft lip &/or palate & hypocalcemia & chromosome 22q11 deletions, patients with schizophrenia or schizoaffective disorder, 4173
centrally active cholinesterase inhibitor physostigmine, remission of acute mania, 46 yr old male with schizoaffective disorder, letter, 12989
childhood vs adolescent premorbid asociality in neuroleptic responsive vs resistant schizophrenia, psychiatric patients with chronic schizophrenia or schizoaffective disorder, 22835
clinical symptoms & DST & family psychiatric history & outcome, variable vs inconsistent diagnosis of schizophrenia or schizoaffective or affective disorders, patients with nonmanic psychosis, 1308
clozapine & cephalexin & cellulitus & eosinophilia & unilateral pleural effusion, 37-yr-old male with schizoaffective disorder depressed type, 36427
clozapine & divalproex sodium, profound sedation & hepatotoxicity, 37 yr old White female with schizoaffective disorder & manic episodes, case report, 32590
clozapine & onset or exacerbation of preexisting diabetes mellitus, 32–51 yr old males with paranoid or treatment refractory schizophrenia or schizoaffective disorder, 32501
clozapine, EEG abnormalities & clinical response, 22–55 yr olds with schizophrenia or schizoaffective disorder, commentary & reply, letter, 5013
clozapine in correctional mental health setting, incarcerated schizophrenic & schizoaffective incercerated offenders, 24366
clozapine induced obsessive compulsive symptoms, treatment with complex medication regimen, male 27 yr old with schizoaffective disorder & severe impairment, case report, letter, 13057
clozapine, symptoms, patients (mean age 44 yrs) with schizophrenia or schizoaffective disorder, 32332
clozapine tapering, acute brain syndrome, male 34 yr old with schizoaffective disorder treated with lithium & clozapine, case report, 5029
clozapine, treatment resistant manic episodes, 28–51 yr old patients with bipolar or schizoaffective disorder, 43159
cost effectiveness & efficacy of clozapine, 23–61 yr olds with chronic schizophrenia or schizoaffective disorder, 43112
cost effectiveness & efficacy of clozapine, 23–61 yr olds with chronic schizophrenia or schizoaffective disorder, commentary, 43179
course of disorder & educational/occupational outcome & social functioning, inpatients less than 18 yrs old with schizoaffective episodes, Germany, followup study, 35607
criteria for clozapine treatment vs usual care, discharge & readmission rates, state psychiatric hospital inpatients with schizophrenia or schizoaffective disorder, 6 & 12 mo followups, 2038
diagnostic difficulties in hyponatremia presenting concurrently with convulsions & neuroleptic malignant syndrome, 43 yr old male with schizoaffective disorder, case report, 12053
diagnostic trends & prevalence of bipolar & schizoaffective disorder subtypes, psychiatric hospital patients, 13 yr study, 38950
differentiating correlates of comorbid psychiatric symptoms, 18–54 yr olds with schizophrenia or schizoaffective disorder & history of substance abuse, 19189
dosage & efficacy & side effect profiles in treatment with clozapine, Korean American vs White schizophrenic or schizoaffective patients, 5067

drinking & voiding behaviors, adult male polydipsic patients with chronic schizophrenia or schizoaffective disorder, 39058
ECT, neuroleptic-induced parkinsonian symptoms & dystonia, 33 yr old male with schizoaffective disorder, case report, 23959
famotidine, smooth pursuit eye movements & clinical ratings, patients with schizophrenia or schizoaffective disorder, 19970
frequency of obsessive compulsive disorder, patients with schizophrenia or schizoaffective disorder (mean age 38.4 yrs), 22832
gabapentin, 24–50 yr old females with bipolar or schizoaffective disorder, 32356
illness & treatment & other risk factors for hypothermia, male schizoaffective 34 yr old inpatient, implications for link between hypothermia & antipsychotics & sudden death, 22869
increased head circumference, White 17–86 yr olds with schizophrenia or schizoaffective disorder, 22823
lithium vs carbamazepine therapeutic efficacy & treatment outcomes & ICD-9 & RDC & DSM-III-R diagnoses, schizoaffective patients, 32427
low vs high expectation vs self regulation in work activity rehabilitation, hrs worked & symptom improvement, patients with schizophrenia or schizoaffective disorder, 24343
maintenance ECT, 60–89 yr olds with major depression or bipolar disorder or schizoaffective disorder, 3 & 6 & 12 mo followups, 9174
matricide & acting out role of Orestes, 33 yr old male with schizoaffective disorder related to traumatic childhood, case report, 31017
methylphenidate, clozapine associated sedation, 45 yr old male with schizoaffective disorder depressed type, case report, 13016
MRI abnormalities in frontal vs temporal lobes vs posterior cerebral hemispheres, 20–55 yr olds with chronic schizophrenia or schizoaffective disorder, 26525
naloxone for prolongation of short ECT seizure length, 32–71 yr olds with major vs psychotic depression vs schizoaffective disorder, 32619
naltrexone, weight gain & food craving induced by tricyclic antidepressants & lithium, 34–63 yr old females with major depression or bipolar or dysthymic or schizoaffective disorder, 39023
neuroleptic syndrome precipitated by abrupt discontinuation of neuroleptic agents, 47 yr old paranoid schizophrenic male & 53 yr old female with schizoaffective syndrome, case reports, 4980
neuropsychological function & interhemispheric transfer, males vs females with early vs late onset of schizophrenia or schizoaffective disorder, 19206
occurrence of asystole after ECT, 71-yr old male & 77-yr old female with major depression & 45-yr old male with bipolar & 55-yr old female with schizoaffective disorder, case reports, 16675
olanzapine vs haloperidol, patients with schizophrenia or schizophreniform or schizoaffective disorder, 32565
paroxetine & zotepine therapy & deep vein thrombosis, 71 & 72 yr old males with schizoaffective psychosis, case report, 39828
pattern of affective disorder, 1st & 2nd degree relatives of patients with schizophrenia or schizoaffective disorder, UK & US, conference presentation, 7965
performance on Wisconsin Card Sorting Test, temporal stability of negative symptoms, adults with schizophrenia or schizoaffective disorder & history of substance abuse, 19209
pharmacological treatment tactics & duration of remission & frequency of relapses & maintenance treatment cessation, 20–77 yr olds with schizoaffective or paranoid schizophrenia, 5054
positive or negative symptoms & illness subtype & suicidal behavior & ideation, patients with schizophrenia or schizoaffective or schizophreniform or schizotypal personality disorder, 6–32 yr followup, 22834
prepulse inhibition of acoustic startle response indicating sensory gating, vigilance & distractibility & attention, medicated patients with chronic schizophrenia or schizoaffective disorder, 4161
prevalance & neuropsychological & symptom & social functioning variables, lack of insight, patients with schizophrenia or schizoaffective disorder, 30959
prevalence of psychosensory features, patients with schizophrenia vs bipolar disorder vs schizoaffective manic disorder, 30928
production of interferon-gamma, adults in families with multiple occurrence of schizophrenia, 30927
psychophysiological & neuropsychological variables & concurrent levels of psychosocial functioning, adults (mean age 33.2 yrs) with schizophrenia or schizoaffective disorder, 19188
reversible neurotoxicity possibly induced by increase in nefazodone dosage, 43 yr old male with schizoaffective disorder, case report, commentary reply, 43173
reversible neurotoxicity possibly induced by increase in nefazodone dosage, 43 yr old male with schizoaffective disorder, case report, commentary, 43203
reversible neurotoxicity possibly induced by increase in nefazodone dosage, 43 yr old male with schizoaffective disorder, case report, letter, 32505
right vs left vs mixed handedness, patients with schizophrenia vs affective psychosis vs schizoaffective psychosis, 4167
risperidone & clozapine, 48 yr old female with Huntington's disease & schizoaffective symptomatology, case report, 32488
risperidone & priapism, 46 yr old male with schizoaffective disorder taking lorazepam, case report, 32484
risperidone dosage size & extrapyramidal side effects, 69 yr old female with schizoaffective disorder depressed type, case report, 19923
risperidone, ejaculatory dysfunction & dysuria, 38 yr old male with schizoaffective disorder, case report, letter, 32457
risperidone, mental health care utilization & treatment costs, 18–78 yr old with treatment refractory schizophrenia or schizoaffective disorder, 43199
self-deception of perceived competence & psychotropic medication compliance, outpatients with chronic schizophrenia or schizoaffective disorder, 42350
short-term vs long-term lithium treatment, brain lithium concentration measured via magnetic resonance spectroscopy, patients with unipolar depressive disorder vs schizoaffective disorder, Germany, 32516
subchronic treatment with valproate, L-5-hydroxytryptophan-induced cortisol responses, manic inpatients (mean age 40.6 yrs) with bipolar disorder or schizoaffective disorder, 43158
survival of high dose intentional ingestion of clozapine, 34 yr old female with schizoaffective disorder, case report, 36492
switching from clozapine to risperidone, 27–54 yr old inpatients with treatment resistant schizophrenia or schizoaffective disorder, 27457
validity of self-administered symptom intensity & distress questionnaire, 22–65 yr olds with schizophrenia or schizoaffective disorders, 6033
valproate, mania & alcohol withdrawal, 34 & 30 yr old males with schizoaffective disorder, case reports, 12975

Schizoid Personality—Serials

clinical characteristics & similarity to patients described by H. Asperger, male 2–14 yr olds with schizoid personality, translation & reprint of 1926 article, 26593
defensive emptiness of self as preservation, therapeutic goal of restimulation of process of separation individuation & development of authentic sense of self, schizoid patients, 12771
prenatal famine, risk of schizoid personality disorder, adult males, Netherlands, 19198
psychoanalytic perspective on developmental phases of schizoid mechanisms, 7973

Schizophrenia [See Also Acute Schizophrenia, Catatonic Schizophrenia, Childhood Schizophrenia, Hebephrenic Schizophrenia, Paranoid Schizophrenia, Schizophreniform Disorder, Undifferentiated Schizophrenia]—Serials
aberrant behaviors as risk factors for rehospitalization, schizophrenic patients, 40145
ability to reproduce successfully, patterns of familial risks, Ss with schizotypal disorder vs schizophrenia, 12020
ability to spontaneously cluster exemplars from specific category during fluency task, 19–66 yr old patients with chronic early onset schizophrenia, 30925
abnormal auditory EPs & their use in differential diagnosis, 18–50 yr olds with schizophrenia or schizoaffective or bipolar disorder, 35454
abnormalities in anatomy & physiology & function of medial temporal lobe in schizophrenia, literature review, 42302
abnormalities in entorhinal cortex neuronal migration, postmortem brains of patients with schizophrenia, 39026
abnormalities of N400 ERPs & P300 auditory EP amplitudes on semantic picture matching task, schizophrenic 18–37 yr olds, China vs Cuba, 12024
abstract reasoning task performance on Halstead Category Test, schizophrenic vs brain damaged patients, implications for conceptual learning, 30976
abstraction & problem solving & motor control & other neuropsychological parameters, definition of clusters for schizophrenic spectrum disorder, familial vs nonfamilial schizophrenic 16–30 yr olds, 1302
accuracy & reliability of diagnostic codes for schizophrenia & depressive disorder in administrative health care utilization datafiles, Canada, 38940
active vs passive voice & conceptual focus, RT in preamble manipulation, adult schizophrenics, examination of D. Hoffman's theory of language planning processing, 19211
activity of dipeptidyl-peptidase IV, patients with major depression vs schizophrenia, implications for role in pathophysiology, 30777
acute & long term therapy with & side effects of neuroleptics & antidepressants & psychosocial therapies for schizophrenia, 1975–96, research review, 8718
acute dystonia during abrupt transition from clozapine to risperidone, schizophrenic male, case report, commentary, letter, 1858
acute haloperidol, cerebral cortex blood flow, unmedicated 26–41 yr olds with chronic schizophrenia, 27413
adjunctive carbamazepine or lithium carbonate, adult patients with chronic treatment resistant schizophrenia, letter, 1857
adjunctive nadolol, acutely aggressive male patients with schizophrenia, 23855
adjunctive pharmacological treatments & ECT in addition to standard neuroleptics, schizophrenic patients, literature review, 5040
adrenoreceptor vs dopamine vs 5-HT receptor involvement in neuroleptic treatment of schizophrenia & role of alpha 2-adrenoreceptor antagonism in counteracting extrapyramidal effects of risperidone, 16629
affect logic as integrative psychosociobiological approach to understanding & treatment of schizophrenia, 42314
affect recognition as a function of global impairment vs specific cognitive deficit, adults with schizophrenia or schizoaffective disorder receiving psychiatric services, 42309
affectively positive vs negative speech topics, speech communication disturbances, schizophrenic patients, 30960
aftercare by case management services, risk of rehospitalization & length of stay, schizophrenic patients, longitudinal study, 9439
age & clozapine dosages, symptom alleviation & side effects, 68–83 yr olds with schizophrenia or psychotic symptoms refractory to typical neuroleptic therapy, commentary, letter, 32414
age & illness duration, executive system dysfunction & positive & negative symptoms, 36–89 yr old male vs female patients with schizophrenia, Ireland, 42346
age & period & cohort, analysis of incidence of schizophrenia, 15–59 yr old schizophrenic patients, Scotland, 22805
age & sex & marital status & acuteness of onset & length of untreated illness, prediction of long-term outcome, schizophrenic patients, UK, 13 yr study, 1284
age & type of onset & sex, social functioning & development of social disability during prodromal vs psychotic prephases, schizophrenic patients, 2 yr followup, 7963
age at onset & lymphocyte production of interleukin-2, 1st episode schizophrenic patients, commentary, 35624
age at onset & lymphocyte production of interleukin-2, 1st episode schizophrenic patients, commentary reply, 35596
age, occurrence & severity of formal thought disorder, 19–96 yr old chronically hospitalized schizophrenic patients, 22840
age of onset for parent vs offspring generation, anticipation, parent offspring pairs from 2-generation families with schizophrenia, Sweden, 19192
age, positive & negative symptoms & extrapyramidal side effects following haloperidol, 55–83 yr olds with chronic schizophrenia, conference presentation, 32584
age, prevalence of diabetes mellitus, schizophrenic patients, Italy, 1298
agency vs cognitive Kantian accounts of schizophrenic symptom of thought insertion, commentary, 12069
agency vs cognitive Kantian accounts of schizophrenic symptom of thought insertion, 12027
aggressive behavior during long term clozapine vs after withdrawal, forensic schizophrenic patients who committed felonies against life & body of others, 19947
alcohol & drug abuse, schizophrenia onset, 1st episode schizophrenic patients, 22839
allele & genotype frequencies in tyrosine hydroxylase & dopamine D2 & D4 receptor polymorphisms, 20–90 yr olds with schizophrenia, Sweden, 26497
allelic association between dopamine D1 & D2 & D3 & D4 receptor genes, patients with schizophrenia, France, 30961
allelic mutation in 5-HT B2C receptor genes, response to clozapine, schizophrenic patients resistant to conventional neuroleptics, 15950
alterations in gene coding for neurotropic factors, schizophrenic patients, Spain, 42349
amantadine & diperiden, extrapyramidal symptoms, chronic schizophrenic patients (mean age 38.7 yrs) with predominately negative symptoms on antipsychotic & trihexyphenidyl medication, 27452
amantadine, psychiatric symptoms & tardive dyskinesia & plasma HVA, 24–78 yr old male inpatients with schizophrenia, 36628
amantadine vs biperiden, side effects & treatment efficacy in haloperidol induced parkisonism, adults with schizophrenia, Austria, 27563
amisulpride dose, dopamine receptor occupancy, 19–39 yr olds with schizophrenia, 5066
amisulpride, negative symptoms, schizophrenic 18–55 yr olds, 6 mo study, 36475
amplitude & frequency of delta wave counts during slow wave & all night sleep, negative symptoms, schizophrenic 22–39 yr old outpatients, 7969
analysis of stories about schizophrenia in 3 newspapers, 1989–1994, 31049
analysis of theories of schizophrenia on role of dopamine & existence of cortical abnormalities & action of antipsychotic drugs & relevance of brain development, 12022
anti-inflammatory drugs in conjunction with chronic neuroleptics, prevalence of Alzheimer's disease, elderly patients with schizophrenia, 1845
anticipation effect & estimation of age at onset according to age at interview, parents & offspring with schizophrenia, erratum, 30977
anticipation effect & estimation of age at onset according to age at interview, parents & offspring with schizophrenia, 12034
antipsychotic action vs disease process, limbic system dopaminergic & serotonergic receptor modulation in schizophrenia pathology, 42327
antipsychotic agents, EEG sleep patterns, drug naive vs clozapine vs haloperidol vs flupentixol treated schizophrenic patients, 27466

antipsychotic drug therapy, extrapyramidal side effects of tardive dyskinesia & akathisia & parkinsonism, schizophrenic patients with nonfunctional CYP2D6 alleles, Scotland, 39786
antipsychotic drug therapy, levels of visual acuity & toxic side effects, adult inpatients with chronic schizophrenia, 39839
antipsychotic drugs, CSF neurotensin & assessed psychopathology, patients with schizoaffective disorder vs schizophrenia, 39836
antipsychotic drugs, serum creatine kinase increases, hospitalized schizophrenic or schizoaffective patients, 23908
antipsychotic medication, regional cerebral blood flow & perfusion in basal ganglia measured by HMPAO-SPECT, schizophrenic patients, 26507
antipsychotic vs no antipsychotic medications, long term outcome, 16–45 yr old first admission patients with schizophrenia who were discharged within 6 mo, reanalysis, 2 yr study, 36533
antisaccade performance in adult relatives of patients with schizophrenia & patients with schizophrenia vs major depression vs bipolar disorder, 38926
antisaccadic eye movements & attentional asymmetry, patients with schizophrenia, New Zealand & Palau & Papua New Guinea, 12017
apolipoprotein E genotype & psychosis, 12–87 yr olds with young-onset vs elderly-onset schizophrenia vs 50–93 yr olds with vascular dementia vs Alzheimer's disease, Japan, 30987
apolipoprotein E4 frequency, elderly patients with schizophrenia with vs without dementia &/or with or vs Alzheimer's Disease, 42343
apomorphine, frontotemporal function during paced verbal fluency task, acute unmedicated schizophrenics, 32409
applicability of adult diagnostic categories of schizophrenia & borderline disorder & depression & other mental disorders, adolescents, 7879
application of transmission disequilibrium test to genotype data, genetic linkage between & parental transmission of allelic markers on chromosome 22q12, schizophrenic offspring, 12075
appraisal & psychological distress & expressed emotion, relatives (mean age 52.3 yrs) of schizophrenic patients (mean age 36.6 yrs), prospective study, 39027
Aristotelian vs Galilean modes of thought in development of DSM taxonomy & application to schizophrenia, 15934
art psychotherapy, acute psychosis & intrusive identification, adult patient with schizophrenia, England, clinical case study, 27507
Asian cultural values & family roles & behavioral norms, psychodynamic formulation & treatment, 36 yr old female patient with schizophrenia, case report, 1673
assertive community treatment & case management models, inpatient hospitalization & community mental health services & costs & clinical & social outcomes, schizophrenic patients, 5312
assertive community treatment & psychoeducational multifamily group vs episodic crisis family therapy, 18–45 yr olds with schizophrenia & their families, 2 yr study, 1754
assessment & validation of poverty & hallucinations & delusions & disorganization dimensions of symptoms, patients with schizophrenia, UK, 1288
assessment of frequencies & diagnostic efficiencies of DSM-III-R schizophrenia prodromal symptoms, 14–46 yr olds with 1st episode psychosis, erratum, 1287
assessment of needs for & interest in continuing medical treatment related to management of patients with schizophrenia, family physicians & general practitioners, Canada, 27884
assessment of psychiatric status of maternal vs paternal uncles & aunts, evidence for pseudoautosomal locus for schizophrenia, schizophrenic patients, 12065
attention-independent auditory sensory memory performance, adult schizophrenic patients, 30992
attentional deficits in continuous performance test with distractors, neuroleptic naive vs withdrawn schizophrenic patients & their siblings, 30969
attentional impairment, patients with schizotypal personality vs other personality disorders vs schizophrenia, erratum, 42224
attentional impairment, patients with schizotypal personality vs other personality disorders vs schizophrenia, 30797
attentional speed & accuracy & controlled vs automatic information processing, male patients with schizophrenia, 4194
attitudes toward & actual voting participation in election, hospitalized patients vs outpatients with schizophrenia, Israel, 42336
atypical antipsychotic olanzapine, relapse & tardive dyskinesia & quality of life, schizophrenic patients, implications for mental health care costs, 32421
atypical antipsychotic olanzapine, treatment of symptoms of schizophrenia, 32368
atypical antipsychotics, relapse & long term outcome, patients with schizophrenia, conference presentation, 26523
auditory discrimination task, activation of left superior temporal gyrus & right caudate, schizophrenic patients (mean age 34.8 yrs), 35630
auditory EP deficit as model endophenotype in schizophrenia for biochemical & molecular & genetic research, implications for role of nicotinic receptor, 31006
auditory ERP & age & illness duration & length of hospitalization, schizophrenics (mean age 32.82 yrs), 30938
auditory ERP abnormalities, male patients with schizotypal personality disorder vs schizophrenia, 4068
auditory ERP amplitude & latency, neuropsychological performance & negative & positive symptoms, schizophrenic males, Iceland, 4185
awareness of illness, suicidal behavior or ideation, patients with schizophrenia, 12018
backward masking deficit, adolescent patients with schizophrenia vs ADHD, 11858
basal & serotonin-stimulated changes in intracellular calcium concentration, males with major depression vs substance abuse disorder vs schizophrenia, 15815
behavior problems & social & self-care & community living skills, patients aged over 60 yrs with schizophrenia or schizoaffective disorder vs bipolar disorder vs major depression, 42190
behavioral treatment, auditory hallucinatory responding, schizophrenic 49 yr old male, 19832
behaviorally oriented social skills training &/vs supportive group therapy &/vs fluphenazine, psychotic relapse & social adjustment, male outpatients with schizophrenia, 19695
benefits & risks associated with discontinuation of antipsychotic medication, patients with schizophrenia, research review, 19982
benefits & side effects of drug therapy & adjunctive lithium or carbamazepine or benzodiazepines & use of atypical neuroleptics for treatment resistant schizophrenia, 1968–94, literature review, 5080
benzodiazepine receptor binding sites, 19–54 yr olds with vs without schizophrenia & suicide victims, 42219
bereavement following death of patient in psychiatric inpatient unit, schizophrenic inpatients, 5380
bilateral factor structure in temporal lobe from MRI data, 27–54 yr olds with schizophrenia, 7998
bilateral hippocampal formation volumes & lengths, 24–44 yr olds with chronic schizophrenia, 4154
binaural & unilateral stimuli, P300 topography in schizophrenia, 20–45 yr old hallucinating paranoid patients with schizophrenia, 30936
biological & psychosocial factors in vulnerability & application of need-adapted approach to treatment, schizophrenic patients, 42300
biopsy confirmed Pick's disease based on frontotemporal neuropathology associated with increasing affectivity & cognitive deficits, female with initial schizophrenia-like psychosis, case report, 1631
birth season, schizophrenic males vs females with vs without family histories of psychiatric disorder, test of environmental damage theory, France, 4147
blink rate during smooth pursuit, children & adolescents with schizophrenia vs normal vs ADHD controls, 30991

bone mineral density, 33 & 56 yr olds with chronic schizophrenia, letter, 30923
brain activation during inner speech & auditory verbal imagery, male schizophrenic hallucinators vs nonhallucinators, 22852
brain dysmorphology & volume of cortical & ventricular CSF & cortical gray vs white matter, age of onset of schizophrenia, 19–53 yr olds, 4166
brain metabolism measured by phosphorus 31 magnetic resonance spectroscopy, male 19 yr old with Huntington's disease, implications for schizophrenia, case report, commentary, letter, 35439
brain size & development & schizophrenia, monozygotic vs dizygotic twin fetuses at 13–27 wks, 7959
Brief Psychiatric Rating Scale symptom factors & sleep onset latency & sleep time & slow wave sleep & REM minutes & latency, 19–47 yr olds with schizophrenia, 31055
brief social work intervention, schizophrenic adults less than 35 yrs old, 5298
bromocriptine & L-threo-DOPS & sulpiride & thioridazine, 70 yr old female with schizophrenia & idiopathic Parkinson's disease, 39848
bromperidol, plasma HVA & negative symptoms, schizophrenic patients with deficit vs nondeficit syndrome, 13058
cannabis use & risk of schizophrenia, commentary reply, letter, 22821
carbamazepine & haloperidol, EKG QTc prolongation, 35–80 yr olds with schizophrenia & without heart disease, Japan, retrospective study, 19944
cardiac defects & abnormal facies & thymic hypoplasia & cleft lip &/or palate & hypocalcemia & chromosome 22q11 deletions, patients with schizophrenia or schizoaffective disorder, 4173
cardiac vagal tone & age at onset of disorder & brain laterality measured by dichotic listening, 21–55 yr olds with schizophrenia, 26504
care-based incidence & 1st admission rates of schizophrenia, psychiatric patients, 1976–90, Netherlands, 7984
categories of poor response to antipsychotic medication, patients with schizophrenia, conference presentation, 26505
caudate nucleus size & cerebral atrophy, hospitalized patients with schizophrenia (mean age 60.3 yrs) with vs without tardive dyskinesia (mean age 60.6 yrs), 31741
causes & risk factors for depression & schizophrenia, 18–74 yr olds, Australia, 30996
central D1 & D2 & 5-HT2 receptor occupancy & relation to clozapine serum concentration, schizophrenic 22–59 yr olds treated with clozapine, Sweden, 12957
centrally vs peripherally mediated visual backward vs forward masking performance deficits, patients (mean age 27 yrs) with schizophrenia, 19216
cerebral blood flow activation & functional lesions, patients with schizophrenia, literature review, 7997
cerebral glucose metabolism, cortical & subcortical circuits based on theoretical models, never-medicated schizophrenics, 7970
cerebral perfusion changes, acute & never treated schizophrenics (mean age 30.2 yrs) in pre & post psychopharmacotherapy using Tc-99m HMPAO SPECT, 42317
certainty for diagnosis of schizophrenia & prediction of outcome, male VA psychiatric inpatients, 19130
CGG trinucleotide repeat expansion in fragile X mental retardation gene, 19–90 yr olds with schizophrenia or schizophreniform or related disorders, etiological implications, 19201
characteristic course & brain imaging studies of & factors predicting recovery from first episode schizophrenia, 42333
childhood precursors of adult neuropsychological functioning, males with late adolescent or early adult onset schizophrenia, 4174
childhood vs adolescent premorbid asociality in neuroleptic responsive vs resistant schizophrenia, psychiatric patients with chronic schizophrenia or schizoaffective disorder, 22835
cholecystokinin mRNA in entorhinal cortex, schizophrenia patients vs nonpsychotic suicide victims (mean age 57 yrs) vs rats, 42304
chromosomal fragile site 1q21 in etiology of schizophrenia, patients, letter, 30966
chronic fatigue syndrome as a prodrome to psychosis, 22 yr old male with schizophrenia, case report, 30946
chronic fluvoxamine, melatonin secretion as evidence of drug tolerance, medicated chronic schizophrenic 19–36 yr olds, 5099
ciliate neurotrophic factor null mutant allele & schizophrenia, 25–65 yr old schizophrenic patients, Japan, 22822
classical neuroleptics & atypical antipsychotics & psychosocial treatments & community programs, patients with treatment refractory schizophrenia, 27087
classification of cognitive dysfunction based on trait/state model, patients with schizoprhenia, 35628
classification of late paraphrenia & clinical picture & description & etiology & management & treatment of late onset schizophrenia, 15941
clear vs ambiguous go vs no-go signal in delayed matching-to-sample paradigm, imperative negative variation, schizophrenic patients, 19204
clinical & demographic & iatrogenic factors & diagnostic reliability & neurological comorbidity, heterogeneity in cognitive function, schizophrenic patients, prospective vs retrospective study, 1282
clinical & demographic & premorbid prognostic factors, schizophrenic patients, 5 yr prospective outcome study, 31052
clinical & demographic predictors of parental emotional over-involvement, 18–39 yr old inpatients with schizophrenia or schizophreniform disorder & their parents, 30933
clinical & epidemiological & developmental & prognostic characteristics, North African vs native French 18–35 yr old patients with schizophrenia, France vs Algeria, 4187
clinical & family & first person perspectives on & images of social lives of individuals with schizophrenia, 26491
clinical & neuropsychological characteristics, 45 yr olds & older with psychotic depression vs nonpsychotic depression vs schizophrenia, commentary, letter, 30804
clinical & neuropsychological characteristics, 45 yr olds & older with psychotic depression vs nonpsychotic depression vs schizophrenia, reply, letter, 30767
clinical & neuropsychological diagnostic distinctiveness, patients with delusional disorder vs schizophrenia, 1203
clinical & psychosocial variables, disease course & outcome, patients with schizophrenia vs affective psychosis vs neurosis, Germany, 14-yr followup, 11928
clinical significance of dopamine agonists for treatment of schizophrenia, research review, conference presentation, 9034
clinical symptoms & DST & family psychiatric history & outcome, variable vs inconsistent diagnosis of schizophrenia or schizoaffective or affective disorders, patients with nonmanic psychosis, 1308
clinical validity & nosological status of Kahlbaum's syndrome within DSM-III—R & DSM-IV & Leonhard's systems & its relation to schizophrenia & mood disorder, adults with catatonia, Spain, 42220
clonidine vs mianserin, polydipsia, 51–59 yr olds with schizophrenia, 32430
clozapine & avoidance of potentially long term concurrent & excessive use of multiple antipsychotic drugs & their side effects, patients with refractory schizophrenia, letter, 19930
clozapine & onset or exacerbation of preexisting diabetes mellitus, 32–51 yr old males with paranoid or treatment refractory schizophrenia or schizoaffective disorder, 32501
clozapine & other pharmacotherapeutic strategies in non-responsive schizophrenia, conference presentation, 4986
clozapine & psychosocial rehabilitation program, clinical functioning & aggressive behavior, inpatients with chronic schizophrenia, 8715
clozapine & psychosocial treatment, psychiatric symptoms & dyskinetic movements & discharge rates & cognitive performance, patients with schizophrenia, 3-yr followup, 8710
clozapine & risperidone & paroxetine, 46 yr old female with chronic schizophrenia, case report, 32490
clozapine & risperidone, hoarding, female 36 yr old with schizophrenia, letter, 1807

clozapine, agranulocytosis, patients with schizophrenia & other psychosis, 27407
clozapine, development of agranulocytosis, 74 yr old female with schizophrenia, case report, letter, 32408
clozapine dosage, D2 dopamine receptor occupancy & 123I benzamide specific binding & blood level & symptoms, 26–50 yr olds with schizophrenia, 19963
clozapine, EEG abnormalities & clinical response, 22–55 yr olds with schizophrenia or schizoaffective disorder, commentary & reply, letter, 5013
clozapine, eosinophilia & agranulocytosis, 37 yr old male with schizophrenia, case report, letter, 36408
clozapine, gating of auditory P50 EP, neuroleptic refractory schizophrenic 24–54 yr olds, 13021
clozapine, hypersalivation, 23–60 yr olds with schizophrenia, 4988
clozapine in correctional mental health setting, incarcerated schizophrenic & schizoaffective incercerated offenders, 24366
clozapine or risperidone vs conventional neuroleptics haloperidol or fluphenazine, cognition as seen on maze tasks, subchronic vs chronic schizophrenic clients, 12971
clozapine, persistent aggression & violence, schizophrenic patients, 4996
clozapine, plasma levels of cytokine & cytokine receptors & white blood cell count & rectal temperature, 18–41 olds with schizophrenia, 32498
clozapine, sialorrhea & aspiration pneumonia, 50 yr old inpatient female with schizophrenia, case report, 27423
clozapine, sleep continuity, 20–56 yr old inpatients with schizophrenia, 2 wk study, 43142
clozapine, sodium metabolism & water regulation, 31–49 yr olds with treatment resistant schizophrenia or schizoaffective disorder with polydipsia & intermittent hyponatremia, 1860
clozapine, symptom reduction & discharge, 18–64 yr old neuroleptic-resistant chronic schizophrenic patients, 2.5 yr followup, Israel, 9030
clozapine, symptom reduction & neurocognitive function & clinical management, treatment-refractory schizophrenic inpatients, 23890
clozapine, symptomatology & social functioning & tardive dyskinesia, male 10 yr old with drug resistant schizophrenia detained under mental health legislation, UK, case report, 5061
clozapine, symptoms, patients (mean age 44 yrs) with schizophrenia or schizoaffective disorder, 32332
clozapine, transient swelling of left submandibular salivary gland, male 44 yr old with schizophrenia, case report, letter, 27462
clozapine treatment during full-term pregnancy, 30 & 32 yr old females with treatment resistant schizophrenia, 43188
clozapine treatment, plasma levels of interleukin-6 & tumor necrosis factor alpha, drug free schizophrenic patients, 43166
clozapine treatment response with vs without fluoxetine augmentation, schizophrenic outpatients with persistent positive or negative symptoms, 19927
clozapine, urinary incontinence, female 27 yr old with treatment refractory chronic schizophrenia, case report, 9113
clozapine vs fluphenazine, regional cerebral glucose metabolism, 21–47 yr old male schizophrenics, 32380
clozapine vs risperidone, positron emission tomography assessed D2 & 5-HT-2 receptor occupancy & extrapyramidal effects & clinical response, schizophrenic patients, 9134
clozapine vs zotepine, cognitive function, 18–60 yr old schizophrenic patients, 36482
clozapine, water drinking behavior, treatment nonresponding male 37–49 yr olds with chronic schizophrenia & polydipsia, case reports, 12968
clozapine with bromocriptine, positive and negative symptomatology, female 42 yr old with schizophrenia & pituitary adenoma, case report, letter, 27388
clozapine withdrawal with vs without prior neuroleptics, relapse of psychotic symptoms, schizophrenic patients, 12 mo followup, 5070
coadministration or discontinuation of rifampin & haloperidol, plasma haloperidol & clinical responses, schizophrenic patients, implications for treatment of concomitant tuberculosis in schizophrenia, 1831
cognitive & syndromal profiles, older vs younger patients with schizophrenia, 22850
cognitive adaptation training, adaptive functions, 18–45 yr olds with schizophrenia, 12841
cognitive-behavorial treatment, panic attacks, 28–49 yr olds with schizophrenia & panic disorder, 23720
cognitive deficits in attention & memory & executive function, patients with schizophrenia, conference presentation, 26518
cognitive dysfunction & emergence of tardive dyskinesia, 25–78 yr olds with chronic schizophrenia, Ireland, 10 yr study, 1306
cognitive function & positive & negative symptoms & diagnosis, schizophrenic vs bipolar adults (mean age 43.8 & 41.9 yrs), 19120
cognitive functioning, drug abusing adult schizophrenic outpatients, 26483
cognitive intervention for delusions in schizophrenia, 27201
cognitive neuroscience view of schizophrenic thought disorder, 19219
cognitive therapy, punishment paranoia, 31 yr old male with schizophrenia, case report, 1731
color & word randomized stimulus onset asynchrony, time course of Stroop interference & facilitation, 18–55 yr olds with vs without schizophrenia, prefrontal cortex & working memory implications, 19218
combination of ECT & clozapine, psychotic symptoms, neuroleptic resistant 24–47 yr olds with disorganized schizophrenia, 8698
combined risperidone & methylphenidate, 6 yr old male with schizophrenia & ADHD, commentary, letter, 32597
combined vitamin therapy & nutrition monitoring & antipsychotic medication, schizophrenic patients, case reports, 23533
common denominators across cognitive measures & correlates with outcome, inpatients with schizophrenia, Hong Kong, 35609
communication deviance & attentional performance, male inpatients with schizophrenia, 39064
comorbidity of schizophrenia & bulimia nervosa, 26- & 30- & 41-yr-old females, case reports, 30662
computer based training in psychiatric rehabilitation & available software, usefulness in group clinical settings, schizophrenic & other patients, Germany, 16951
concentration of neuronal marker N-acetyl aspartate in hippocampus, schizophrenic 18–55 yr olds, England, erratum, 1292
concentrations of amino acid metabolites in thalmus & frontal pole & cerebellar vermis measured with high-resolution magnetic resonance spectroscopy, postmortem patients with schizophrenia, 42340
concepts of & methodologies for evaluation of negative symptoms in schizophrenia, 42311
conceptual & technological developments in cognitive neuroscience & its application to the psychopathology of schizophrenia & depression, 30731
conceptualization of prodromal phase in 1st episode schizophrenia & affective psychosis, 12080
concordance between reports of symptom severity, remitted schizophrenic 22–38 yr old outpatients vs their family members, 4150
concrete vs abstract feature recognition, inpatients vs outpatients with schizophrenia vs schizoaffective disorder, application to interpersonal situations & social cognition, 12030
concurrent validity & reliability of Schedule for Affective Disorders & Schizophrenia for School-Age Children-Present & Lifetime Version, 7–17 yr old psychiatric outpatients, 37442
concurrent validity & reliability of St. Hans Rating Scale vs Abnormal Involuntary Movement Scale, assessment of tardive dyskinesia, male schizophrenic patients, letter, 6053
confabulation in recall narratives, schizophrenic patients, 22854

conflicting evidence of prevalence of Alzheimer's disease vs dementia of other pathology, elderly schizophrenic patients, 1269
connection between pharmacology of glutamate & schizophrenia, 43192
consensus guidelines for treatment of schizophrenia, 27084
construct validity & psychological & physiological symptomatology, negative symptom construct, implications for schizophrenia research, 30965
construct validity of root-mean-square error method, assessment of smooth pursuit eye tracking abnormalities, schizophrenic patients & their relatives, reanalysis, 7951
contact with & health care provision to schizophrenic patients & views of mental health services, general practitioners, 43346
content & contextual & working memory performance, male military veterans with schizophrenia or alcoholism, 22678
continuation of clozapine in presence of neutropenia due to orchidectomy & chemotherapy for testicular teratoma with metastases, male 40 yr old with chronic schizophrenia, case report, 5121
contraceptive needs & risk behaviors for sexually transmitted disease, female outpatients (mean age 36.03 yrs) with schizophrenia & bipolar & mood disorders, New Zealand, 38913
controlled & automatic attention & anticipatory motor set & vigilance & other neuropsychological measures, patients with epilepsy or generalized seizures or schizophrenia, 22659
conventional symptom clusters, validation of subjective experience & related symptoms, 20–61 yr old patients with active or residual schizophrenia, Japan, 42328
conventional vs atypical neuroleptics, quality of life, 18–61 yr old schizophrenic patients, Germany, 39804
correlation between neurological soft signs & response to risperidone, patients with chronic schizophrenia, 13050
cortical gray matter volume deficits, neuropsychological & motor deficits, male veterans with schizophrenia, 15951
cost effectiveness & efficacy of clozapine, 23–61 yr olds with chronic schizophrenia or schizoaffective disorder, 43112
cost effectiveness & efficacy of clozapine, 23–61 yr olds with chronic schizophrenia or schizoaffective disorder, commentary, 43179
cost of outpatient antipsychotic therapy, revolving door schizophrenic patients, application of pharmacoeconomic clinical decision analysis model, 5022
course & duration of illness & social adjustment, 15–54 yr old patients with 1st episode of schizophrenia, 1 & 2 & 13 yr follow-up, 31013
course & outcome in schizophrenia & related disorders, developed vs developing countries, 35593
course of hospitalization from acute illness to stabilization, negative symptomatology, schizophrenic inpatients, 16917
criteria for clozapine treatment vs usual care, discharge & readmission rates, state psychiatric hospital inpatients with schizophrenia or schizoaffective disorder, 6 & 12 mo followups, 2038
cross cultural & environmental factors in incidence rates, urban vs rural 15–54 yr olds with schizophrenia, Trinidad, 1 yr follow-up, 30934
cross cultural & environmental factors in incidence rates, urban vs rural 15–54 yr olds with schizophrenia, Trinidad, 1 yr followup, commentary with reply included, letter, 35625
CSF & plasma & urinary HVA before & after haloperidol withdrawal, dopamine turnover, schizophrenic male patients, 9037
CSF & serum & urine serotonin metabolite 5-HIAA, chronic schizophrenic patients, meta analysis, 4190
CSF biogenic amines & metabolites & substance P & chromogranin A & secretogranin II peptides, neuroleptic-naive 1st-episode schizophrenic patients, 4170
CSF neurotrophic factor as marker of CNS damage associated with reduction in dopaminergic activity, schizophrenic patients, 1285
CSF spaces & risk of maternal exposure to influenza, schizophrenia patients, England, 31043
cue availability & affect perception, patients with schizophrenia, 30932
cultured skin fibroblasts & molecular mechanisms underlying pathogenesis of schizophrenia, 26503
current knowledge base about treatment outcomes, schizophrenic patients, implications for health care policy, 4744
current status of clozapine, treatment resistant schizophrenia, 19969
cyclic adenosine monophosphate accumulation & response to forskolin in Epstein-Barr virus-transformed lymphocytes, schizophrenics (mean age 36.9 yrs), 31023
CYP2D6 genotype & susceptibility to antipsychotic drug-induced dystonia & chronic movement disorders, poor metabolizers (mean age 47 yrs) with schizophrenia, England, 35589
cytogenetic abnormalities on chromosome 18 & bipolar disorder & schizophrenia, Scotland & Denmark, 35427
cytokines, clozapine-induced agranulocytosis, 41 yr old male with schizophrenia, 1806
cytosine adenine guanine trinucleotide repeats in mutation range on chromosome 12p, dentatorubral-pallidoluysian atrophy, schizophrenic patients, Sweden, 12041
d-cycloserine added to clozapine, dose-dependent negative symptoms & serum concentrations, schizophrenic outpatients, conference presentation, 19937
D-cycloserine, drug-free schizophrenic 18–50 yr olds, Netherlands, 32571
daily urine volume & norepinephrine & histamine concentrations in CSF, 21–45 yr old inpatients with schizophrenia with vs without polyuria, 7986
Darwinian sexual selection theory, role of genetics in evolution of language & social intelligence & cerebral cortical growth in high population frequency of schizophrenic & affective psychosis, 1274
decreased expression of alpha-amino-3-hydroxy-5-methyl-4-isoxazole propionate-preferring non-NMDA glutamate receptors in medial temporal lobe, 28–83 yr olds with schizophrenia, 39033
deep white matter hyperintensities & other MRI abnormalities, 50–81 yr olds with late onset schizophrenia vs recurrent major depression, 4162
deficits in facial affect recognition over time, remitted vs acutely ill schizophrenic patients, cross sectional & longitudinal study, 15952
definition of early course & detection early at onset or in prodrome of schizophrenia, 12057
delta-9-tetrahydrocannabinol, 3-dimensional inversion illusion perception, normal male 26–42 yr olds, test of endogenous cannabinoid dysregulation hypothesis of schizophrenic psychosis, 43129
delusion vs overvalued idea vs religious beliefs, schizophrenic vs anoretic vs normal adults, England, commentary, letter, 42168
delusion vs overvalued idea vs religious beliefs, schizophrenic vs anorexic vs normal adults, England, 35420
demographic & clinical & cognitive variables, clock drawing ability, 60–76 yr olds with schizophrenia, Israel, implications for Alzheimer's disease screening, 39038
demographic & clinical characteristics & community service use patterns, 18–55 yr old rural vs nonrural patients with schizophrenia, 7995
demographic & social-functional characteristics & community care, patients with chronic schizophrenia, US vs India, 12031
demographics & selection biases in antipsychotics trial & potential effects in hypothetical clinical trials, 18–55 yr olds with schizophrenia or schizoaffective or schizophreniform disorder, 10599
demographics & therapy characteristics & symptoms & social integration & activities of daily living, geriatric clients with schizophrenia evaluated by their case managers, 30 mo study, 4180
demography & psychopathology & social behavior & history of illness & service usage, schizophrenic patients, England, 4156

depot neuroleptic dosage & extrapyramidal side effects, 65–90 yr olds with schizophrenia or paraphrenia or bipolar or unipolar depression visiting community psychiatric nurses, England, 1866
dermatoglyphic abnormalities & psychosis, adult monozygotic twin pairs concordant vs discordant for schizophrenia, implications for prenatal markers of etiology of schizophrenia, 26520
development & validity & reliability of Schizophrenia Outcomes Module, assessment of clinical care, 18–55 yr olds with schizophrenia, 40863
development & validity of questionnaire assessing coping strategies, 18–80 yr old relatives of patients with schizophrenia, Italy, 10406
development of Cognitive Remediation Program, 29–63 yr old inpatients suffering from schizophrenic spectrum disorders, 10-wk followup, conference presentation, 27766
development of hyperglycemia as symptom of neuroleptic malignant syndrome, female 67 yr old with schizophrenia, case report, 4160
development of innovative antipsychotics & response to traditional treatment strategies & economic aspects of relapse & incidence of tardive dyskinesia, patients with schizophrenia, 43146
development of ketoacidosis following clozapine treatment, 50 yr old male with schizophrenia, case report, letter, 39829
dexamethasone induced growth hormone secretion for major depression, patients with depression & schizophrenia & mania & alcohol dependency syndrome, 22682
diagnosis & treatment & prognosis of negative symptoms, patients with schizophrenia, conference presentation, 4736
diagnostic reliability & assessment & design in study of effectiveness of cognitive restructuring, hallucinations & delusions, schizophrenic patients, literature review, 4848
diagnostic specificity & predictive utility of classical prognostic indicators in schizophrenia, patients with major depression vs schizophrenia vs bipolar disorder, 6 mo followup, 22749
dialysis, urinary peptide patterns, female patient with schizophrenia, letter, case report, 7987
diet vs caffeine vs nicotine vs lorazepam, stability of plasma & urinary HVA, male patients with schizophrenia, 30963
dietary intake of eicosapentanoic acid & other fatty acids, symptomatology & tardive dyskinesia, schizophrenic inpatients, 1295
dietary phenylalanine challenge, tardive dyskinesia symptoms & involuntary movements & recall memory & plasma phenylalanine, schizophrenic 28–65 yr old males with tardive dyskinesia, 26509
differences between dopamine D2 & D4 receptors & role of genetics of D4 receptors in etiology of schizophrenia & response to antipsychotics, 22847
differences in depressive symptomatology, inpatients vs outpatients with schizophrenia, 31012
differences in psychosocial adaptation, 22–52 yr olds with schizophrenia with vs without larger ventrical to brain ratio and/or cortical atrophy, 30968
different clozapine serum level ranges, EEG changes, hospitalized patients with chronic schizophrenia, prospective study, 39805
differential allocation of attentional resources & skin conductance orienting responses & secondary RT, schizophrenic adults & college students at risk for psychosis, 30982
differential expression of flat affect, 1st degree relatives of male vs female schizophrenic probands, implications for role of genetic heterogeneity in familial risk for schizophrenia, 1283
differentiating correlates of comorbid psychiatric symptoms, 18–54 yr olds with schizophrenia or schizoaffective disorder & history of substance abuse, 19189
difficulties in performing research on combination drug therapy, schizophrenic patients with depression, 1810
dimensional complexity of EEG waveforms specific to prefrontal & parietal areas, neuroleptic-free schizophrenic patients (mean age 33.9 yrs), 15939
diphenhydramine dependence & neuroleptic noncompliance, male 32 & 38 yr olds with schizophrenia being treated with fluphenazine, implications for outpatient treatment strategies, letter, 1277
discrimination accuracy & decision biases in reality monitoring, schizophrenic patients, 26488
disease course, patients with schizophrenia, 16 countries, longitudinal study, 22858
disorder of transmethylation mechanisms in schizophrenia & other disorders, literature review, 31041
disruption in heteromodal association cortex network, higher cognitive functioning & guided behaivors, patients with schizophrenia, 7985
distractibility & temporal modulation of attention in visual RT task with auditory probe stimuli added, 21–61 yr olds with schizophrenia, 12077
distress & self medication hypothesis of substance use disorders & application to nicotine dependence & to schizophrenia & PTSD comorbid with substance use disorders, commentary, 23049
distress & self medication hypothesis of substance use disorders & application to nicotine dependence & to schizophrenia & PTSD comorbid with substance use disorders, 23067
disturbed thoughts vs social withdrawal vs depression vs antisocial behavior, symptoms & social functioning, community dwelling vs acute vs long stay schizophrenic 19–60 yr olds, England, 7964
dopamine D1 & D2 receptors, neuroleptic naive vs drug-free schizophrenic patients, 31029
dopamine D2 receptor occupancy profile of loxapine, 21–38 yr old patients with schizophrenia or delusional disorder, dose range implications, 12985
dopamine D3 receptor binding, postmortem brains of antipsychotic-free vs treated schizophrenic 46–98 yr olds, 36454
dopamine D3 receptor gene MscI allele frequency & childhood/early adolescence vs adult-onset heterogeneity, 13 yr olds & older with schizophrenia, Canada, 35612
dopamine D4 receptor binding affinity & polymorphisms, individual differences in clozapine response & susceptibility to schizophrenia, 42345
dopamine metabolism in anterior cingulate cortex, postmortem brains of 21–71 yr olds with schizophrenia, commentary reply, letter, 8005
dopamine metabolism in anterior cingulate cortex, postmortem brains of 21–71 yr olds with schizophrenia, commentary, letter, 7990
dopamine receptor occupancy & plasma prolactin levels, 24–60 yr old males with schizophrenia or major depressive episodes, 7864
dopamine receptor subtypes & medial temporal lobe & limbic system & basal ganglia & schizophrenia & extrapyramidal symptoms vs antipsychotic effects, literature review, 1978–1996, 35602
dorso-lateral prefrontal cortex vs orbito-frontal cortex dissociation measured by Wisconsin Card Sorting Test & Object Alternation Test, inpatients with obsessive–compulsive disorder vs schizophrenia, 35445
dosage & efficacy & side effect profiles in treatment with clozapine, Korean American vs White schizophrenic or schizoaffective patients, 5067
dosage level of reduced maintenance fluphenazine decanoate regime, predictors of relapse, schizophrenic outpatients, 2 yr followup, 16630
dose dependent clozapine induced myoclonus of interossei & facial muscles, male 26 & 42 yr olds with schizophrenia, case reports, letter, 12933
dose-response for efficacy & adverse effects of olanzapine, patients with schizophrenia, 32483
dose response study of efficacy & side effects of haloperidol & sertindole, psychotic symptoms, schizophrenic 18–65 yr olds, 43207
drinking & voiding behaviors, adult male polydipsic patients with chronic schizophrenia or schizoaffective disorder, 39058

drug abuse history, onset of psychotic symptoms & ascribing etiological role to drug abuse by clinicians, schizophrenic patients, retrospective chart review, 12025
DST & corticotropin releasing hormone challenge test, assessment of hypothalamic-pituitary-adrenal system function, schizophrenic patients, 1290
DST nonsuppression & REM latency & positive & negative & depressive symptoms, schizophrenic inpatients, 26517
duration & pattern of reliance on public support, patients with schizophrenia, 5-yr follow-up, 39039
duration of illness, olfactory identification, 18–50 vs 66–88 yr olds with schizophrenia, 39051
duration of illness, prefrontal neuropsychological function & other cognitive performance, schizophrenic 16–65 yr olds, 22829
dynamic & supportive individual & group psychotherapies & psychosocial skills training, clinical & social outcomes, schizophrenic patients, literature review, 4809
dysfluency delayed auditory feedback, adults with schizophrenia (mean age 32.7 yrs), test of model of disconnection, 42321
early course & onset & duration of untreated psychosis & symptom severity, male vs female patients with 1st episode nonaffective psychosis or schizophrenia, Norway, 12048
early course & vulnerability to & deterioration of psychosis & neurobiological deficits underlying symptom formation in schizophrenia, need for early detection & intervention, 12058
ECT, drug induced tardive dystonia & parkinsonism & depression & panic attacks, 44 yr old schizophrenic female, case report, 32727
ECT, tardive dystonia, 34 yr old male with schizophrenia, case report, 23966
ECT, 37 yr old female with schizophrenia & comorbid obsessive compulsive symptoms, letter, 19996
education groups focused on information about condition, quality of life & social functioning & social networks, schizophrenic patients, Scotland, 4138
educational program based on information booklet regarding medication, educability & knowledge of treatment & illness & compliance, schizophrenic patients, 13009
EEG alpha asymmetry during verbal vs spatial cognitive tasks, schizophrenic 22–53 yr old males, 39050
EEG assessed disruption of left frontal & temporal connections & level of syndrome symptomology, 20–54 yr old schizophrenic patients, Canada, 39054
EEG assessment of bilateral interhemispheric coherence & anterior activation, schizophrenic patients, 12060
effectiveness of clozapine, patients with neuroleptic resistant schizophrenia, implications for resource management, commentary, letter, 12984
effectiveness of clozapine, patients with neuroleptic resistant schizophrenia, implications for resource management, commentary reply, letter, 12952
effectiveness of ECT, schizophrenic patients, 1938–94, research review, 1881
effectiveness of low vs standard dose medication of haloperidol with oral neuroleptics, patients with schizophrenia, Finland, 2 yr followup, 9088
effects of amisulpride & remoxipride & risperidone & clozapine & other neuroleptics in rehabilitation, schizophrenic patients, 16662
efficacy & effectiveness of conventional antipsychotic medications, schizophrenic patients, literature review, 5009
efficacy & effectiveness of psychoeducational family interventions, schizophrenic patients, literature review, 4894
efficacy & safety & receptor activity of atypical antipsychotic olanzapine vs clozapine, animal behavioral model of schizophrenia, 32473
efficacy & safety of clozapine, schizophrenic patients, literature review, 4995
efficacy & safety of ICI 204,636, 18–60 yr olds with chronic or subchronic schizophrenia, 12943
efficacy & safety of novel sigma ligand panamesine (EMD 57445), 18–44 yr olds with acute schizophrenia, 43135
efficacy & safety of opiate antagonist SL 82.0715, negative symptoms, schizophrenic 19–49 yr olds, 9122
efficacy & safety of varying doses of olanzapine, 18–65 yr olds with schizophrenia, 4987
efficacy & safety of varying doses of sertindole, 20–66 yr olds with schizophrenia, 5117
efficacy & side effects of atypical antipsychotic olanzapine, patients with schizophrenia, 43196
efficacy & side effects of traditional vs newer antipsychotic drugs, schizophrenia & psychotic symptoms, 32562
efficacy & tolerability of multiple fixed doses of quetiapine vs haloperidol, positive & negative symptoms, 18–64 yr olds with schizophrenia, 6 wk study, 43113
efficacy of atypical antipsychotic olanzapine, positive & negative symptoms, schizophrenic patients on maintenance therapy, 32352
efficacy of high vs low dosage of quetiapine, patients with schizophrenia, 36511
electroconvulsive seizures followed by suppression of 1 hemisphere, depth perception as assessed by space sectioning method, patients with schizophrenia vs depression, 15861
elimination half-lives for plasma clozapine, 34–42 yr old schizophrenic patients, letter, clinical implications, 12960
emotional reactions to & attributions of positive vs negative symptom controllability for patient with schizophrenia, college students, US vs Mexico, 22866
encoding & early phase of storage & retrieval in memory impairment, patients (mean age 34.4 yrs) with schizophrenia, 35591
epidemiological & neurobiological foundations for genetic studies in schizophrenia, 31038
epidemiology & onset age & sex differences & symptomatology, Ss with schizophrenia, literature review, 30979
episodic & semantic decontextualization induced by memory interference, compartmentalization & thematization of fictional narrative comprehension, schizophrenic patients, 12064
ERP components in concept formation, prediction of relapse, 19–42 yr olds with schizophrenia, 1.5 yr followup, 7982
ERP P300 generation during visual continuous performance task, 26–48 yr olds with schizophrenia, 15948
ethical issues in early treatment of schizophrenia, 26500
ethnic & sex differences in psychopathology of schizophrenia & neuroleptic response, literature review, 5039
ethnicity & rural vs urban environment & disorder prevalence & psychiatric service use & global functioning, 15 yr old & younger to 60 yr old & older schizophrenic patients, Scotland & England, 35614
etiologic heterogeneity, schizophrenia, literature review, 30973
etiology & neurodevelopmental abnormalities & automated measurements with magnetic resonance & positron emission tomography studies of memory, patients with schizophrenia, 42301
etophylline & theophylline, duration of seizures in ECT, 12–53 yr olds with depression or schizophrenia, 19993
evaluation of effectiveness of neuroleptics that act on different neurotransmitters & atypical antipsychotics, negative symptoms & deficit psychopathology, schizophrenic patients, 9049
evaluation of family burden & levels of satisfaction in community psychosocial rehabilitation & treatment program, families of young adults with schizophrenia, Canada, 27713
evidence for role of putative risk factors for increased mortality, patients with schizophrenia vs atypical schizophrenia vs mania vs depression, 40 yr study, 30802
evoked brain potentials & electrodermal activity & parenting, patients with schizophrenia vs cluster A personality disorders vs normals, implications & guidelines for cognitive therapy, 30801
evolution of risperidone & other serotonin & dopamine antagonists in treatment of schizophrenia, commentary, 9087
evolutionary origins of schizophrenia & manic-depressive psychosis, conference presentation, 7953
examination of design of parallel placebo-controlled add-on neuroleptic augmentation trials in schizophrenia, 1988–1992, 39842

excessive weight gain during risperidone treatment, male 17 & female 15 yr olds with schizophrenia, case report, letter, 1846
executive performance, adults with schizophrenia vs brain injury, 35411
existence & significance of prodromal symptoms of psychosis in schizophrenia, literature review, 4175
expanded trinucleotide CAG/CTG repeats, patients with schizophrenia or bipolar disorder & parents from affected probands, Wales & England & Ireland & Germany & Italy & Portugal & Austria, 26412
experiences & effect on family environment, family caregivers of adult children with schizophrenia, 39063
exposure to 1957 A2 influenza epidemic during gestation, increased risk of schizophrenia, adults, Ireland, retrospective cohort study, 22818
exposure to 1957 A2 influenza epidemic during gestation, increased risk of schizophrenia, adults, Ireland, retrospective cohort study, 4144
expressed emotion & burden of care & perceived social role performance & behavior problems, patients' positive & negative symptoms, relatives of schizophrenics and those with schizophreniform disorder, 7991
expressed emotion development & illness course, schizophrenic patients & their families, longitudinal study, replication, 31020
expression of mRNAs for NMDA receptor subunits in prefrontal & parieto-temporal & cerebellar cortex, schizophrenic patients, 12016
expression of serum autoantibodies directed against CNS vs other autoantigens, 19–37 yr old schizophrenic inpatients, 31007
extent of volume deficit selective to cortical gray matter & sparing of white matter in regard to age at onset & length & severity of illness, female vs male schizophrenic inpatients, 42330
extrapyramidal & other side effects of clozapine vs perphenazine or flupenthixol or zuclopentixol, 21–68 yr olds with schizophrenia, 5083
extrapyramidal side effects from medication change from clozapine to haloperidol, 31 yr old male with long-standing schizophrenia, case report, 39789
extrapyramidal signs in handwriting movements, 18–46 yr olds with chronic schizophrenia, 30972
eye tracking & visual attention & schizotypal symptoms, nonpsychotic 1st degree relatives of schizophrenic patients, 35603
eye-tracking dysfunction as biological marker for schizophrenia, 18–48 yr old children of parents with schizophrenia vs unipolar or bipolar depression vs normal psychiatric histories, 30798
eyeblink rate during rest vs attention & schizophrenia symptoms & neuropsychological performance & neurological signs, 16–65 yr olds with schizophrenia, 26489
facial behavior during speaking vs silent periods, adults with chronic schizophrenia, UK, 1276
factor analysis of disorganization & psychomotor poverty & hallucinations & delusions, schizophrenic 16–66 yr olds, England, implications for positive/negative phenomenology, 22853
factor analysis of Frankfurt Complaint Questionnaire, self assessment of subjective experiences, adults with schizophrenia, Spain, replication, 2588
factor structure & construct validity of Scale for Assessment of Negative Symptoms, patients with schizophrenia or schizoaffective or schizophreniform disorder, 2627
factorial & divergent validity of Calgary Depression Scale for Schizophrenia vs Hamilton Depression Rating Scale for positive & negative symptomatology, psychiatric patients with schizophrenia, Canada, 6008
factorial structure of schizotypal symptoms, 19–70 yr old patients diagnosed with personality disorders, 31151
factors associated with doses of antipsychotic medication, outpatients with schizophrenia, 39807
false memories, 26 yr old male with schizophrenia, case report, letter, 31019
familiarity of situation, recognition of abstract vs concrete features of interpersonal situations, schizophrenic inpatients, 1273
family based psychosocial interventions, schizophrenic patients, 1752
family centered brief solution-focused therapy model, 21–40 yr olds with schizophrenia & their families & clients, 39724
family cohesion & religiosity, emotional reactions to hypothetical case of schizophrenia, 17–43 yr old Mexican vs Anglo-American college students, Mexico vs US, 22865
family emotional climate, parents of 17–45 yr old college students vs parents of 16–65 yr old schizophrenics, test of validity & reliability of Family Attitude Scale, 37374
family history of psychotic disorders, affective reactivity in thought disorder & diminished right ear advantage on dichotic listening test, 24–55 yr old schizophrenic inpatients vs outpatients, 1278
family intervention services, schizophrenic adults & their families, 4897
family members' expressed emotion, relapse & readmission risks & rates, 15–65 yr olds with schizophrenia, 9 mo followup, Japan, 7996
family psychoeducational support group, distress & knowledge about illness & annoyance about patient & burden, mothers & fathers of schizophrenic patients, Spain, 9 mo followup, 23764
family therapy vs family management approaches, patients with schizophrenic psychosis & their families, 4890
famotidine, smooth pursuit eye movements & clinical ratings, patients with schizophrenia or schizoaffective disorder, 19970
fibrin degradation products in brain tissue & inflammatory processes, deceased patients with schizophrenia, implications for biological marker, 7974
findings on early detection & treatment of schizophrenia in research published in issue of "Schizophrenia Bulletin", 12074
first rank symptoms & temporal lobe abnormalities, individuals with schizophrenia, reply to P. Critchon's commentary, 30943
first rank symptoms & temporal lobe abnormalities, individuals with schizophrenia, implications for psychiatric diagnosis & clinical symptoms, commentary, 30953
fluphenazine vs clozapine with vs without idazoxan, global psychosis & positive & negative symptoms, 26–48 yr olds with treatment resistant schizophrenia or schizoaffective disorder, 9108
fluvoxamine augmentation of clozapine therapy, clinical global improvement & Brief Psychiatric Rating Scale scores & negative symptoms, 20–46 yr olds with chronic schizophrenia, 27453
focused attention & component identification & topographic distribution & hallucinatory-paranoid symptoms, mismatch negativity, 11–24 yr olds with schizophrenia vs obsessive compulsive disorder, 35490
form accuracy & special scores on Rorschach Color Cards, borderline vs schizophrenic adults, 94
frequency of human leucocyte antigens, 15–65 yr olds with schizophrenia vs mood disorders, Turkey, 7857
frequency of neuropathology, postmortem brains of schizophrenics, 12036
frequency of obsessive compulsive disorder, patients with schizophrenia or schizoaffective disorder (mean age 38.4 yrs), 22832
Freudian vs interpersonal vs object relations concepts of primitive anxiety & relation to delusions of demonic influence, patients with borderline or schizophrenic disorders, 42211
frontal cortex blood flow & negative symptoms, 24–40 yr old unmedicated schizophrenic patients, 19221
frontal cortical dopamine D1 receptors, postmortem schizophrenics, 31002
frontal lobe N-acetylaspartate, patients with schizophrenia (mean age 35.7 yrs), 30956
Frontal/Executive Program of neurocognitive rehabilitation, cognitive flexibility & working memory & planning ability, schizophrenic patients, 33018

functional abilities assessed by Direct Assessment of Functional Status Scale, 45–86 yr olds with schizophrenia, conference presentation, 39042
functional imaging of role of frontal & striatal & temporal areas & receptor function in schizophrenia, literature review, 4192
functional magnetic resonance imaging of motor cortex activation during finger tapping task, schizophrenic 19–44 yr olds, 39030
gender & demographic & clinical & psychodiagnostic variables, suicide, schizophrenic patients aged 30 yrs and younger, 6-yr mean duration follow-up, 31030
gender-based approach on epidemiology & pathophysiology & treatment issues, females with schizophrenia, literature review, 31005
gender differences in psychiatric symptoms & aggression & legal & medical problems & victimization & social relations, 18–55 yr olds with dual diagnosis of substance abuse & schizophrenia, 30657
gene–environment interaction & season of birth effect in & morphology of schizophrenia, adults, 4152
generalizability of training effects vs practice, problem solving performance on Wisconsin Card Sorting Test vs modified Vygotsky Concept Formation Test, 24–54 yr old patients with schizophrenia, 7948
genetic association of human leukocyte antigen DRB1*04 & DQB1*0602 allele on chromosome 6p21.3, schizophrenic patients & mothers of schizophrenic offspring, England, 19220
genetic factors in planum temporale asymmetry, schizophrenic patients & their 1st degree relatives, England, 35594
genetic linkage of GluR6 glutamate receptor gene & schizophrenia spectrum disorders, pedigrees with multiple cases of schizophrenia, England vs Iceland, 19191
genetic linkage of schizophrenia & bipolar disorder & behavioral traits, 30735
genetic linkage under heterogeneity with markers on chromosome 13, families multiply affected with schizophrenia, 12052
genetic markers & linkage for vulnerability locus for schizophrenia & associated disorders in chromosome 8p region, high density schizophrenic families, Ireland & Northern Ireland, replication, 19202
genetic vs environmental etiology of minor physical anomalies in schizophrenia, erratum, letter, 12061
genetics & abnormal brain development & amino acid neurotransmitters as biological basis of schizophrenia, 31051
genetics vs family environment, prevalence of schizophrenic thought disorder, adopted offspring of schizophrenic biological mothers, Finland, 22864
genotypic & allelic frequencies of polymorphisms of catechol-O-methyltransferase gene, adults with schizophrenia (mean age 47 yrs), Taiwan, 30948
geographical distribution & prevalence of & relationship to sociodemographic factors, schizophrenic patients, 4157
global performance & qualitative errors on Clock Drawing Test & cognitive decline & dementia & illness course & duration, schizophrenic inpatients, 14333
glucose metabolism in anterior & posterior cingulate cortex, 17–59 yr old unmedicated males with schizophrenia, 30983
glutamate deficiency & GABA function hypotheses of neuropathology in schizophrenia, 42315
glutamate dysfunction & cognitive deterioration in shizophrenia pathogenesis, 42324
Gly-11-Arg polymorphisms & deletion variant in dopamine D4 receptor gene, allele frequencies in genotypes, patients with schizophrenia or bipolar or obsessive compulsive or panic disorder, 11885
glycine adjuvant therapy, negative & depressive & cognitive symptoms, 20–60 yr olds with treatment resistant schizophrenia, 32431
glycine, NMDA receptor-mediated neurotransmission, adults with schizophrenia, 23889
GP communication with psychiatric teams & involvement in care, male vs female White vs Black Caribbean or African vs Asian patients with schizophrenia or schizophreniform disorder & their GPs, England, 43322
granulocyte colony-stimulating factor treatment, clozapine-induced agranulocytosis, 44-yr-old male with schizophrenia, case report, letter, 13027
group coping skills with time & arousal management & cognitive restructuring & social skills, relapse reduction & treatment goals achievement, schizophrenic 18–60 yr olds, 6 mo followup, 12859
group psychoeducation & supportive psychotherapy, 28–60 yr old male veterans with schizophrenia, 8903
gyrification index of anterior vs posterior cortical folding, male 20–38 yr olds with vs without schizophrenia, 35605
habituation & P50 auditory EP suppression, patients with schizophrenia (mean age 33.3 yrs), 35592
haloperidol & metabolites, platelet MAO-B & placenta MAO-A, implications for impact of haloperidol metabolites on MAO-B activity in schizophrenics, 6881
haloperidol challenge, positron emission tomography of D2 dopamine receptor density, neuroleptic naive schizophrenic 22–35 yr olds, Sweden, commentary & reply, 26492
haloperidol, conditioned eyeblink & hippocampal responses, rabbits, implications for schizophrenia etiology & treatment model, 29612
haloperidol decanoate, SPECT-assessed striatal/frontal dopamine D2 receptor occupancy, 20–61 yr olds with schizophrenia, 36502
haloperidol, dopamine & norepinephrine & serotonin & metabolites & psychiatric symptoms, neuroleptic-free 15–36 yr olds with schizophrenia, 32480
haloperidol dose, serum haloperidol, 45–83 yr olds with schizophrenia vs Alzheimer's disease & other organic mental syndromes, 19951
haloperidol, latent inhibition, healthy adults (mean age 26.3 yrs), model of schizophrenic attentional disorder, 22867
haloperidol plasma concentration, relapse prevention, 21–48 yr old schizophrenic patients, 3 yr followup, conference presentation, 9024
haloperidol, time dependent changes of serum soluble interleukin-2 receptors, male schizophrenic 19–41 yr olds, 1830
haloperidol vs remoxipride, quality of life & negative symptoms, 18–65 yr olds with schizophrenia, 43115
haloperidol vs risperidone, extrapyramidal symptoms, chronic schizophrenic patients aged 18–65 yrs, 36510
head circumference at birth, schizophrenic patients, replication, Japan, 26499
heritability of features of interhemispheric asymmetry of EEG & psychological characteristics, adult 1st-degree relatives of 16–60 yr olds with schizophrenia, 12073
heterogeneity vs correlation of serotonergic hormonal & behavioral responses to metachlorophenylpiperazine, patients with treatment refractory schizophrenia, 35610
high dose haloperidol, patients with schizophrenia vs nonschizophrenic psychosis, commentary, 1869
high dose haloperidol, patients with schizophrenia vs nonschizophrenic psychosis, commentary reply, 1863
high vs low expressed emotion & subclinical nonverbal vs paralinguistic symptoms, schizophrenic patients & their family members, 35641
high vs medium vs low clozapine dosage, blood serum level & therapeutic response, 21–56 yr olds with treatment-refractory schizophrenia, 19978
history Chestnut Lodge & psychoanalytic & psychotropic drug treatment & effective communication, 44 yr old female with schizophrenia & obsessive-compulsive disorder & infantile dependency, commentary, 36176
history Chestnut Lodge & psychoanalytic & psychotropic drug treatment, 44 yr old female with schizophrenia & obsessive-compulsive disorder & infantile dependency, case report, 36184
history of aggressive behavior & substance abuse & duration of treatment stay, violent vs nonagressive schizophrenic inpatients, 22860
history of psychopharmacological treatment of schizophrenia, 32451
history of violent behavior & clinical correlates & demographic factors, rate of assault, 15–54 yr olds with schizophrenia in developed vs developing countries, 39066
homicidal behavior & koro-like delusion, 25 yr old male schizophrenic patient, case report, 42331

homicidal behavior, males vs females with schizophrenia with vs without alcoholism, 1980–91, Finland, 1279
hope & respect & flexibility in treatment process, patients with chronic schizophrenia and their psychotherapists, 23620
hospital Schizophrenia Psychosocial Rehabilitation Program, hospital discharge & long term community adjustment & overall quality of life, institutionalized long stay clients, 13399
housing & vocational facilities provided by rehabilitation organizations & funding, schizophrenic patients, France, 16956
hypoestrogenism & hyperandrogenism, clinical features of schizophrenia, 21 yr old female, case report, 31003
identification of backward mask, 17–46 yr old unaffected siblings of schizophrenic patients, 30978
identification of subtypes by cluster analyses, patients with schizophrenia, 30962
immediate recurrence of psychotic symptoms after discontinuation of clozapine, female schizophrenic 30 yr old, case report, implications for supersensitivity vs withdrawal psychosis, 13061
immune system activation through interleukin-2 production, unmedicated schizophrenia & schizophreniform disorder patients, 31027
impaired self-representation, 15 yr old female with borderline personality organization & 27 yr old male with schizophrenia, implications for psychotherapy, 42189
impairments of executive functions & neuropsychological ability, forward planning & cognitive flexibility & working memory, schizophrenic patients, 1297
improved auditory EP estimation & differences in phase characteristics of S1 & S2 stimuli responses, 18–42 yr olds with chronic schizophrenia, replication, 35645
in vivo benzodiazepine receptor binding & psychotic symptoms, 18–37 yr olds with vs without schizophrenia, England, 22827
in vivo benzodiazepine receptor binding & psychotic symptoms, 18–37 yr olds with vs without schizophrenia, England, erratum, 31743
incidence of cavum septi pellucidi, normal vs schizophrenic adults, 35618
incidence of cavum septum pellucidum, patients with affective disorders vs schizophrenia, 22724
incidence of psychotic disorders & schizophrenia, adults, 1978–80 vs 1992–94, England, 42308
incidence of schizophrenia & other psychotic disorders, 16–64 yr old Caribbean immigrants, England, 39037
incidence of schizophrenia, immigrants, Denmark, 39052
incorporation of arachidonic acid in resting platelets, turnover of membrane phospholipids before vs after haloperidol, 25–50 yr old schizophrenic males, 13080
increased head circumference, White 17–86 yr olds with schizophrenia or schizoaffective disorder, 22823
increased number of neurons & glia cells in striatum, postmortem 50–64 yr olds with schizophrenia, 26486
individual & cultural & historical variations in course & outcome of schizophrenia, literature review, 30955
individual cognitive behavioral therapy, compliance with medication, adults with schizophrenia, 16525
individual counseling focusing on coping & family & social themes, burden & physical & emotional well being, family caregivers of schizophrenic patients, 5322
influenza or infection during pregnancy & obstetrical complications, patients with schizophrenia & their mothers, Germany & England, commentary, 22861
influenza or infection during pregnancy & obstetrical complications, patients with schizophrenia & their mothers, Germany & England, commentary reply, 22868
information processing performance as marker of vulnerability to schizophrenia, patients with schizotypal vs nonschizotypal personality disorders, 12115
informative morphogenetic variants, patients with schizophrenia vs alcohol dependence, 31045
informed consent, responsible neuroleptic treatment decision-making, patients with schizophrenia, 2 yr followup, 9099
inner & outer world experiences under stressful environments & self protecting coping efforts, schizophrenic patients, 8000
inner city 24 hr psychiatric outreach service, rate & duration of hospital admissions, homeless schizophrenic clients, Australia, 4 yr followup, 9404
insight in awareness of illness & psychotic experiences & need for treatment, 20–61 yr old inpatients & outpatients with schizophrenia, Japan, 31000
insight into past symptoms vs current illness, positive vs negative symptomatology, schizophrenic 16–45 yr olds, Australia, 1289
instructional training & feedback without monetary reward, performance on Wisconsin Card Sorting Test, schizophrenic inpatients, 28555
intake of n3 & other dietary fatty acids, schizophrenic symptoms & tardive dyskinesia, schizophrenic patients, 4169
integrated mental health care & primary health care service provision of drug & psychosocial treatment for early detection of & intervention for schizophrenia, 13233
integration of pharmacological & psychosocial therapies & rehabilitative services in meeting treatment needs of schizophrenia, 8714
integrative approach to treatment & rehabilitation of patients with serious mental illness, 36 yr old female with schizophrenia, 1656
intellectual deterioration, patients with schizophrenia, 3–44 yr followup, 31035
intentionality & defensive structural dynamics of obsessive-compulsive phenomenon, 27–35 yr olds with simple schizophrenia, 4182
interaction of classical neuroleptics & atypical antipsychotics with dopamine receptor subtypes & pathophysiology & genetics of schizophrenia, literature review, 16628
intermittent neuroleptic treatment of therapy-resistant schizophrenic psychoses, 42299
internal vs external attributions of source, auditory hallucinations, adults with schizophrenia (mean age 45.6 yrs), 35616
interpersonal & academic competence & quality of direct family interactions, psychiatrically hospitalized 7–14 yr olds with depression vs schizophrenia spectrum disorders, 26391
interrater reliability & profile & interrelationships of clinical characteristics of delusional beliefs, 16–74 yr old inpatients with schizophrenic or schizophreniform disorders, Greece, 2614
interrater reliability of Camberwell Family Interview, ratings of expressed emotion, 18–39 yr old schizophrenic patients & their 26–82 yr old relatives, Norway, longitudinal study, 72
intracerebral phospholipase A2, apomorphine induced circling behavior, rats, implications for breakdown of phospholipids & resultant hypodopaminergy in frontal cortex in schizophrenia, 6841
intragenic polymorphisms in MAO-A & MAO-B genes, allelic frequencies & genetic predisposition, schizophrenic patients, 12029
ionic zinc levels in hippocampal afferent pathways, deficits in learning & memory, postmortem schizophrenic patients, 1266
isofloxytepin or haloperiodol, prolactin plasma levels, male vs female schizophrenia patients in neuroleptic therapy, 19953
isomorphic representations in tree drawings as assessed with Diagnostic Drawing Series & Tree Rating Scale, patients with multiple personality disorder vs schizophrenia vs depression, 14320
issues in measurement of quality of life during antipsychotic drug therapy, patients with schizophrenia, 43201
items representative of negative symptoms in Comprehensive Psychopathological Rating Scale as compared with Schedule for Assessment of Negative Symptoms, schizophrenic patients, 14316
iv injection of levodopa, neuroleptic malignant syndrome, 27-yr-old male with schizophrenia & water intoxication & 35-yr-old male with schizophrenia & 31-yr-old with schizophrenia, case studies, 32485

ketamine, psychotic symptoms & cognitive impairment, neuroleptic free 21–49 yr olds with schizophrenia, 41489
knowledge about treatment & educational background & intellectual ability, insight, schizophrenic patients, 12055
knowledge of psychopathology & psychological testing, feigning schizophrenia on MMPI-2, psychiatric residents & clinical psychology graduate & undergraduate psychology & outpatients with schizophrenia, 35590
lack of breast milk during infancy, schizophrenic patients vs their non-affected siblings, Scotland, 35613
language dysfunction, 17–50 yr old schizophrenic responders vs nonresponders to antipsychotic medication, 19197
language production manipulations, negative thought disorder & discourse coherence disturbances, adult inpatients with schizophrenia, 42306
LAPIDES vesicostomy, reduction of hyponatremia, 33 yr old male chronic schizophrenic with polydipsia–hyponatremia syndrome, case report, 39040
latency of saccadic eye movements for presentations to left vs right visual fields, adults with schizophrenia, 15936
left & right hemisphere location of 100 msec latency auditory magnetic source, males vs females with schizophrenia, 31032
left vs right handedness, history of difficult birth & childhood cognitive & behavioral abnormalities & persistent auditory hallucinations, schizophrenic 15–58 yr olds, UK, 1305
level of psychosis & CSF HVA, schizophrenic 21–65 yr old males, implications for dopamine theory of schizophrenia, 19210
levels of transforming growth factor betas in CSF, adult inpatients with schizophrenia, 35639
lifetime prevalence of criminal behavior involving court conviction, male schizophrenic 18–78 yr olds, Switzerland, 1296
linkage of schizophrenia to X chromosome markers, families, 39032
linkage to gene for glutamate GluR5 receptor, individuals with schizophrenia, 30947
loading dose oral vs depot haloperidol decanoate, plasma haloperidol & reduced haloperidol, patients with schizophrenia, Taiwan, 5037
loading dose technique to convert haloperidol from oral to depot treatment, schizophrenic patients, 13071
local cerebral glucose metabolic rate in olfactory cortical projection, schizophrenic male 20–36 yr olds, 4142
long term neuroleptics, high plasma prolactin, schizophrenic patients, implications for dopaminergic inhibition of plasma prolactin, 9171
long-term risperidone use, hepatotoxicity, 6–18 yr olds with schizophrenia, 36468
long-term social skills training & support group, hospital readmission, patients with schizophrenia, 27744
lorazepam, nonmalignant catatonia associated with hyponatremia, 45-yr-old male with chronic schizophrenia, case report, letter, 16639
lorazepam withdrawal associated catatonia, 62 yr old male with history of schizophrenia, case report, 27412
low activity catechol-O-methyltransferase & dangerous behavior, patients with schizophrenia, 35634
low dosages of haloperidol & D2 receptor occupancy, 31 yr old female & 38 yr old male with schizophrenia, letter, 32432
low-dose thioridazine induced retinopathy, 52 yr old male with schizophrenia, case report, 13062
low serum cholesterol & attempted suicide, patients (mean age 40.0 yrs) with schizophrenia spectrum disorders or mood or personality disorders, Japan, 31226
low vs high expectation vs self regulation in work activity rehabilitation, hrs worked & symptom improvement, patients with schizophrenia or schizoaffective disorder, 24343
magnetoencephalographic assessment of spontaneous neuromagnetic activity, antipsychotic medicated vs unmedicated adults with schizophrenia, 21100
managed care for prevention of relapse & provision of community based support services for lowering of total health care expenditures, schizophrenic patients, 13237
manualized community reintegration skills training program, males vs females with schizophrenia or schizoaffective or nonspecified psychotic or affective disorders with psychotic features, 36782
mastery & attachment & meaning as aspects of healthy development & schizophrenia, application of theoretical model for psychiatric rehabilitation, 31984
maternal infections during pregnancy as assessed through maternal recall & obstetric complications & familial loading, subtypes of schizophrenia, maternity patients, 22836
measure of awareness of illness & correlation with outpatient treatment adherence, schizophrenic 18–55 yr olds, 6 mo study, 15935
measurement of quality of life, schizophrenic patients, literature review, 42335
measurement of subjective response to neuroleptics in schizophrenia, implications for compliance & outcome, conference presentation, 4984
medical comorbidity & schizophrenia, 30679
medical comorbidity in schizophrenia, literature review, 30677
medication compliance, drug & alcohol abuse & living arrangements & observed medication side effects, short term inpatients with schizophrenia assessed at baseline & 6 mo followup, 19960
memory-guided saccadic RT in ocular-motor delayed response task, schizophrenic adults, implications for pathology of prefrontal cortex, 31016
menstrual cycle phase & psychotic symptoms, female schizophrenics, literature review, 31037
metabolic dysfunction of limbic system, 16–64 yr olds with schizophrenia vs mania vs depression, 30729
metabolic ratios of dextromethorphan/dextrorphan & haloperidol disposition & incidence of extrapyramidal side effects, patients with schizophrenia, China, 36470
metabolite signal intensity & tissue volume & other neurochemical pathology of hippocampal region vs dorsolateral prefrontal cortex vs other brain structures, 22–51 yr olds with schizophrenia, 19186
methamphetamine- & cocaine- & PCP-induced symptoms of schizophrenia, cortical & hippocampal EEG, rabbits, animal models, 38177
methylene blue & 7-nitroindazole & nitric oxide stimulation guanylate cyclase activity, MK-801 elicited popping, mice, animal model of schizophrenia, 6869
methylphenidate & m-chlorophenylpiperazine, psychotogenic effects, 14–40 yr old inpatients with 1st episode schizophrenia, 36465
methylphenidate induced psychotic exacerbations & vasopressin secretion, polydipsic schizophrenic 21–55 yr olds with vs without hyponatremia, implications for water intoxication, 30975
microtubule associated protein-2, quantification of density & distribution of interstitial neurons in prefrontal cortex white matter, deceased 24–64 yr olds with schizophrenia, 7946
minimum of 1-yr clozapine, cognitive functioning, treatment-resistant schizophrenics mean age 31.9 yrs, 32415
minor physical anomalies in schizophrenia & other psychiatric disorders, implications for neurodevelopmental model of schizophrenia, 4172
MMPI-2 validity scales & indicators, 20–39 yr old feigners of vs patients with schizophrenia or major depression, 33973
model of behavioral & monoaminergic variables, prediction of symptom exacerbation risk following haloperidol withdrawal, 20–63 yr old schizophrenic males, 4191
modern vs postmodern philosophy & schizophrenic experience as related to social control, 19187
molecular biological perspective on role of NMDA receptor in pathophysiology & neurodevelopment of schizophrenia, 30945
monetary reinforcement, abstinence from cocaine, 41-yr-old homeless African American male military veterans with schizophrenia & substance abuse, conference presentation, 36806
monitoring prodromal symptoms as predictor of relapse, schizophrenic patients, literature review, 4158

month & hemisphere of birth, patients with schizophrenia, Australia & New Zealand, 7977
morbid risk for schizophrenia, 1st degree relatives of schizophrenic probands, Ireland, implications for high familial-genetic loading, 31048
mortality risks, patients with affective or personality disorders vs neuroses vs schizophrenia, England, 11881
motivation & cognitive deficits & insight, patients with schizophrenia (mean age 41 yrs), test of quadratic model of relationship between insight & cognitive deficits, 26514
motivation level for smoking cessation, patients with schizophrenia, 30924
MRI & PET assessed caudate dopamine D2 receptor density, schizophrenic patients, 26519
MRI abnormalities in frontal vs temporal lobes vs posterior cerebral hemispheres, 20–55 yr olds with chronic schizophrenia or schizoaffective disorder, 26525
MRI analysis of landmark based shapes & image averaging, identification of structural neuropathology in corpus callosum & cerebellum & limbic structures, schizophrenic 19–52 yr olds, 7954
MRI assessed grey matter volume & syndromes of psychomotor poverty & disorganization & reality distortion, schizophrenic patients (mean age 36.6 yrs), 39031
MRI findings in temporal lobe & hippocampus & amygdala complex & 3rd ventricle, 21–39 yr olds with schizophrenia, Germany, erratum, 39028
MRI findings in temporal lobe & hippocampus & amygdala complex & 3rd ventricle, 21–39 yr olds with schizophrenia, Germany, 26485
MRI volumetric & phosphorus 31 magnetic resonance spectroscopy of left prefrontal region, adult schizophrenic patients, 26495
multidisciplinary treatment for treated long term mental illness, patients with schizophrenia or affective or anxiety disorders, 2 yr study, Scotland, letter, commentary, 9347
multifactorial social antecedent model of predictors of depression, schizophrenic 55 yr old & older outpatients diagnosed before 45 yrs old, 7952
multiple unilateral & bilateral ECS therapy, EEG seizure patterns, 24–82 yr olds with depressive psychosis or schizophrenia, commentary, letter, 9178
multiple unilateral & bilateral ECS therapy, EEG seizure patterns, 24–82 yr olds with depressive psychosis or schizophrenia, commentary reply, letter, 9192
mutation of ciliary neurotrophic factor gene, 19–64 yr old Japanese schizophrenic patients, Japan, 42344
N-acetyl-aspartate & choline compounds in bilateral basal ganglia & related disturbances of phospholipid metabolism, schizophrenic 29–47 yr olds, 4153
naloxone, drinking behavior, schizophrenic 43–68 yr olds with psychosis & intermittent hyponatremia & polydipsia, 19959
naltrexone, positive & negative symptoms, chronic schizophrenic patients, 5063
narrative analysis as an alternative to understanding schizophrenic storytelling & homelessness & construction of the self, 39048
natural cognitive coping strategies, 27–45 yr olds with schizophrenia, 39049
negative & positive symptom dimension structure as seen in Scales for Assessment of Positive & Negative Symptoms for Schizophrenia, patients with 1st episode schizophrenia, 10464
negative symptomatology, anhedonia, schizophrenic inpatients, France, 1291
negative symptoms & EEG alpha power & coherence, 22–53 yr old nonmedicated male veterans with schizophrenia, implications for neurodevelopmental & genetic & attentional aspects, replication, 7979
negative symptoms & poor prognosis associated with left temporal lobe atrophy, paranoid schizophrenic 40 yr old female, case report, 15944
negative vs depressive symptoms, male vs female adult inpatients with schizophrenia, 1267
negative vs positive symptoms, repetition & semantic priming with attended vs ignored prime stimulus, schizophrenic 18–41 yr olds, Australia & England, 1307
nemonapride treatment, negative symptoms, 16–71 yr old patients with schizophrenia, 23925
neonatal hippocampal lesions, socioemotional behavior, monkeys observed at 2 & 6 mo & 5–8 yrs of age, animal model of schizophrenia, 25453
nerve conduction velocity & H-reflex, 33–66 yr old patients with acutely manic vs euthymic bipolar disorder vs schizophrenia, 15866
neural ground of religious experiences & relation to epilepsy & schizophrenia & mood congruent depression, 42164
neural network model of degeneration of frontal cortex synapses receiving temporal lobe projections, pathogenesis of delusions & hallucinations & course of positive symptoms in schizophrenia, 1301
neuroanatomical & neural circuitry & cerebral physiological abnormalities in schizophrenia, conference presentation, 7947
neurochemical & functional imaging techniques in antipsychotic drug development for schizophrenia, 32563
neurocognitive deficits & functioning, schizophrenic patients, literature review, commentary, 22849
neurocognitive deficits & positive or negative symptoms, quality of life, 21–54 yr olds with schizophrenia, Canada, 42323
neurocognitive impairments in schizophrenia, implications for antipsychotic drug therapy, research review, 32358
neurodevelopmental model for schizophrenia involving actions of schizophrenia genotype & canalization & stochastic events, 35642
neuroimaging & link between neurodevelopment & schizophrenia, literature review, 42320
neuroleptic compliance & relapse & rehospitalization, patients (mean age 26 yrs) with 1st episode schizophrenia, Switzerland, prospective study, 32405
neuroleptic dosage & smoking prevalence, adults with schizophrenia, China, comparison with Western data, 30951
neuroleptic dosing, patients with schizophrenia, 10 yr follow-up, 32512
neuroleptic drugs, platelet 3H dopamine, adults with schizophrenia vs schizophreniform disorder vs other mental illness, 4149
neuroleptic malignant syndrome & clozapine, commentary, 36530
neuroleptic malignant syndrome related to clozapine, commentary reply, 36498
neuroleptic medication, performance on neuropsychological tests, schizophrenic inpatients, 1819
neuroleptic treatment & cognitive function in schizophrenia, literature review, 43169
neuroleptic treatment, auditory ERP P300 amplitude & area, hospitalized schizophrenic males, 6 mo study, Japan, 16642
neuroleptic treatment, depressive symptoms, acute schizophrenic & schizoaffective patients with different haloperidol plasma levels, 3 wk followup, 43153
neuroleptic vs anticholinergic therapy & symptom severity, declarative memory assessed by Paired Recognition Test using Wisconsin Card Sorting Test stimuli during neuroimaging, schizophrenic patients, 4179
neuroleptics, continuous performance test scores, schizophrenic patients, 9060
neurological soft signs, negative & positive psychopathology & neuropsychological performance & brain morphology, chronic vs nonchronic schizophrenic patients, Germany, 7981
neuropathology of cerebellum in schizophrenia, literature review, 37975
neuropeptides & cytokines & insulin, development of positive & negative symptoms of schizophrenia & major depression, literature review, 38920
neurophysiological & neuropsychological symptoms of schizophrenia, literature review, 22819
neurophysiological characteristics of semantic processing, 20–55 yr old males with schizophrenia, 31024
neuropsychological & cognitive impairment, elderly with schizophrenia vs Alzheimer's disease, 11835

neuropsychological correlates of psychomotor poverty & disorganization & reality distortion syndromes, 17–60 yr olds with schizophrenia, Canada, 35619
neuropsychological function & interhemispheric transfer, males vs females with early vs late onset of schizophrenia or schizoaffective disorder, 19206
neuropsychological functioning, males vs females with schizophrenia, 12051
neuropsychological functioning profiles, patients with 1st episode vs chronic schizophrenia treated with neuroleptics, Germany, 7945
neuropsychological functioning, schizophrenic patients with midline structural defects, 39034
neuropsychological impairment, schizophrenia, over vs under 45 yr old outpatients, 35622
neuropsychological profiles & cognitive functioning, males with schizotypal personality disorder, implications for hypotheses of left-temporal & prefrontal brain dysfunction in schizophrenia, 26592
niacin-induced vasodilation & transmembrane phospholid-dependent signal transduction, 18–65 yr old outpatients with schizophrenia vs bipolar affective disorder, 26395
nicotine intake & cotinine levels, 29–69 yr old smokers with vs without schizophrenia, 35621
nilvadipine, psychiatric symptoms & tardive dyskinesia, 24–78 yr old male inpatients with chronic schizophrenia, 27470
NMDA hypofunction & other glutamate receptor dysfunction as etiological factor, schizophrenic patients, commentary, 35598
number & affinity of 5-HT receptors in postmortem prefrontal cortex, 23–53 yr olds with schizophrenia, 12071
observation & weighings & fluoxetine & fluphenazine decanoate & other treatments, vomiting & weight loss, 52 yr old female with chronic schizophrenia & late-onset anorexia nervosa, case report, 39612
obsessive-compulsive symptomatology, anxiety & depression & schizotypy, psychiatric outpatients (mean age 35.5 yrs), 30788
obstetric complications & brain morphology & age related changes, male 18–49 yr olds with schizophrenia, 31040
obstetric complications, schizophrenic patients, meta analysis, 7958
obstetric or perinatal complications, male vs female adults with schizophrenia vs their healthy siblings, Japan, 7975
obstetric records & complications of pregnancy & delivery, subsequent hospitalization for schizophrenia at 10–21 yrs old, people born between 1971 & 1974, Scotland, 7972
olanzapine, dopamine receptor binding, 20–56 yr olds with schizophrenia, 5085
olanzapine vs haloperidol, patients with schizophrenia or schizophreniform or schizoaffective disorder, 32565
olanzapine vs haloperidol, responsiveness to or continuance of primary negative symptoms, inpatients with schizophrenia, 32566
ondansetron augmentation of clozapine therapy, 31 yr old male patient with chronic schizophrenia, case report, 43121
onset before age 25 yrs vs after age 60 yrs, phenomenological & premorbid & etiological parameters, adults with schizophrenia, England, 42312
onset of illness & cortical gray matter volume deficit & ventricular enlargement, 16–38 yr olds with 1st-episode schizophrenia, 19207
onset of use & psychosis, non- vs drug-abusing schizophrenic patients, medical chart review, 30939
open- and closed-loop smooth pursuit response characteristics, 20–51 yr olds with vs without obsessive compulsive disorder vs schizophrenia, 26555
open label study of famotidine, improvements in mental state, 30–51 yr old schizophrenic patients, commentary, letter, 9141
outgrowth & morphology of cell types from tissue fragments in cell cultures from skin biopsies, schizophrenic 18–42 yr olds, 1281
overview of schizophrenic genetic research, 1995 World Congress on Psychiatric Genetics, 7999
paid vs unpaid work & participation in work related support group, positive & negative symptoms & rehospitalization, adults with schizophrenia or schizoaffective disorder, 5 mo followup, 2085
palincousis following closed head injury & carbamazepine treatment, male schizophrenic patient, case report, letter, 7957
paranoid delusions vs behavioral signs vs passivity vs remission, ability to infer mental states of characters & answer memory/reality questions, schizophrenic patients, 12033
parental communication deviance, prediction of relapse, males with schizophrenia & their parents, 1 yr followup, 4193
parental schizophrenia, obstetrical complications, mothers vs fathers, meta analysis, 22857
paroxysmal EEG activity & ECT responses, adults with affective vs schizophrenic or schizoaffective disorders, implications for energy dosage, 19994
path model for assessing direct & indirect narcoleptic drug effects on negative symptoms in schizophrenia, 32472
pathophysiology & psychopathology, schizophrenic male & 37 yr old female with herpes encephalitis, 23417
patient characteristics & prevalence & severity of depressive symptoms & cortisol during acute exacerbation & following haloperidol treatment, 17–50 yr olds with chronic schizophrenia, 12056
patient characteristics & prevalence of erotomanic delusions, 14–74 yr olds with schizophrenia, Peoples Republic of China, 31031
pattern of affective disorder, 1st & 2nd degree relatives of patients with schizophrenia or schizoaffective disorder, UK & US, conference presentation, 7965
PCP vs amphetamine, neurochemical effects & schizophrenia-like symptoms, humans & animals, implications for role of dopamine metabolism, model of schizophrenia, literature review, 7084
perceived disease threat & medication benefits & system barriers, medication noncompliance, low-income African-American males with chronic schizophrenia, test of Health Belief Model, 32481
performance characteristics on attention tests sensitive to unilateral brain damage, adults with schizophrenia vs left vs right brain-damage, 42337
performance of simple vs complex finger movements, cerebral metabolism, right handed schizophrenic 20–43 yr olds, commentary, 8003
performance on neuropsychological tasks & severity of symptoms, detection of subcortical dysfunction, patients with schizophrenia vs Huntington's vs Parkinson's disease, 7793
performance on Wisconsin Card Sorting Test & psychomotor poverty & cognitive disorganization & reality distortion, 25–64 yr olds with schizophrenia, 35627
performance on Wisconsin Card Sorting Test, temporal stability of negative symptoms, adults with schizophrenia or schizoaffective disorder & history of substance abuse, 19209
perphenazine vs fluphenazine vs trihexyphenidyl vs pimozide vs sulpiridide, blepharospasm, 52-yr-old female with schizophrenia, case report, 39812
perseveration in prompted discourse & reversal tasks & insoluble guessing tasks, schizophrenia patients, application of information processing model of perseveration, 19195
persistent auditory hallucinations, suicide risk, 22–63 yr old patients with schizophrenia, 30971
perspectives on biological & psychosocial directions in prevention & treatment of schizophrenia, 26526
pharmacoeconomic evaluation of clinical & quality of life effects & medical costs of antipsychotic medication, patients with schizophrenia, 43177
pharmacological & anatomical & genetic approaches to role of dopamine D3 receptors in schizophrenia & its treatment, conference presentation, 7962
pharmacological & biochemical parameters, brain morphology & treatment outcome in schizophrenia, 27450
pharmacotherapy & psychotherapy as viewed from vulnerability stress model, deinstitutionalization & psychosocial rehabilitation & long term outcome, schizophrenic clients, 12723

phase of illness & drug therapy, state vs trait related EEG sleep continuity & slow wave & REM sleep, patients with schizophrenia or schizoaffective disorder, 4 wk vs 1 yr followup, 4163
phospholipase A2 activity, schizophrenia patients (mean age 40 yrs), Canada, 31033
physiological vs psychological factors, biological differences in brains of schizophrenic vs normal patients, 12035
pitch disparity in simple vs difficult auditory oddball stimulus discriminability tasks, left temporal P300 amplitudes, schizophrenic patients, 26524
placement of unmovable rod & suppression of 1 hemisphere after electroconvulsive seizures, reproduction of scene & depth perception, healthy adults vs schizophrenic vs depressed patients, 15864
planum temporale asymmetry reversal, patients with schizophrenia, replication & extension, 30930
plasma clozapine, prediction of clinical response, treatment refractory patients with schizophrenia, 23909
plasma cortisol & recall performance, inpatients with schizophrenia or major depression, 15857
plasma sialyltransferase & lymphocyte glucocorticoid receptor binding parameters as indicator of hypothalamic-pituitary-adrenal axis functioning, patients with unipolar depression vs schizophrenia, 35483
platelet 5-HT concentrations, 28–68 yr old unipolar depressed inpatients vs 16–68 yr old schizophrenic inpatients, 22715
polymorphic microsatellite & biochemical variability of catacholamine pathway, patients with schizophrenia with vs without neuroleptic drug treatment (mean age 36.1 yrs), 31050
polymorphism at site of dopamine D3 receptor gene & phenotype, psychiatric symptoms, patients with 1st episode schizophrenia, 12040
polymorphisms of dopamine receptors, schizophrenics, 31028
polymorphisms of HLA DQB1 gene locus, male Chinese inpatients with schizophrenia, Singapore, 1299
positive or negative symptoms & illness subtype & suicidal behavior & ideation, patients with schizophrenia or schizoaffective or schizophreniform or schizotypal personality disorder, 6–32 yr followup, 22834
positive thought disorder & excessive interactive behavior, patients with bipolar disorder vs schizophrenia, 11893
positron emission tomography imaging of neurotransmitter mechanisms in schizophrenia, conference presentation, 7993
postmortem methodology & prefrontal cortical morphology in neuropathological investigations of neurodevelopment in schizophrenia, literature review, 42310
postmortem studies of Alzheimer's disease-like neuropathology in schizophrenia, meta-analysis, erratum, 42305
practicality & test-retest reliability of Computerized Neuropsychological Test Battery, assessment of cognitive deficits during clinical drug trials, 19–45 yr old outpatients with schizophrenia, 14342
practice guidelines for the treatment of patients with schizophrenia, 27078
pragmatic properties of verbal hallucinations, 19–55 yr olds with vs without schizophrenia, England, 39046
prediction of response to acute neuroleptic treatment in schizophrenia, conference presentation, 5018
predictive validity of DSM-III-R vs ICD-9 vs ICD-10 vs CATEGO S+, prediction of 13 yr outcome, schizophrenic 15–54 yr olds, England, 35611
predictive value of J. S. Strauss & W. T. Carpenter's Prognostic Scale, prediction of symptomatology & premorbid adjustment & social disability, schizophrenic patients, 14308
predictors of recidivism in schizophrenia, Slovenia, commentary, letter, 39060
predominant negative vs positive symptoms, cognitive functioning & perseverative errors, schizophrenic 24–53 yr olds, implications for frontal lobe dysfunction hypotheses, 19190
preferences for hypothetical & current health states, 20–69 yr olds with schizophrenia vs caregiver vs psychiatrist, 19214
prefrontal cortex development in adolescence & late adulthood & schizophrenia, literature review, 1971–1996, 35608
pregnancy & birth complications, 19–59 yr olds with intellectual disability & schizophrenia vs 18–61 yr olds with intellectual disabilities, 39055
pregnancy unwantedness, risk for schizophrenia, 16–28 yr old offspring, Finland, 31022
premorbid adjustment & auditory ERP & neuropsychological abnormalities, male veterans with chronic schizophrenia, 12050
premorbid functioning at developmental periods & over time, duration of untreated psychosis & related outcome, male vs female patients with 1st episode schizophrenia, Norway, 12047
premorbid risk markers related to early etiological factors & latent mental illness, identification of vulnerability to schizophrenia & other psychoses, 12063
prenatal & perinatal risk factors & obstetric complications, mental disorder onset, 18–45 yr old new mothers with schizophrenia or other psychotic disorders, Sweden, 35599
prenatal dermatoglyphic markers, monozygotic twins concordant vs discordant for schizophrenia, 12032
prenatal exposure to influenza 3 mo before birth between 1947–69, typical vs atypical schizophrenic patients, Netherlands, 4186
prenatal nutritional deficiency, risk for schizophrenia, 24–48 yr olds, Netherlands, commentary, 35637
prepulse inhibition of acoustic startle response indicating sensory gating, vigilance & distractibility & attention, medicated patients with chronic schizophrenia or schizoaffective disorder, 4161
presence of N-methylserotonin or bufotenine in urine, autistic patients with vs without retardation vs depressed vs schizophrenic patients, role of bufotenine as disorder marker, 15828
presence of schizophrenia & extended duration of hospitalization & heavy smoking, prevalence of polydipsia & water intoxication & hyponatremia, chronic psychiatric state hospital inpatients, 5355
presynaptic protein concentrations in cingulate cortex vs frontal vs parietal vs temporal cortex, postmortem brains of elderly patients with schizophrenia vs Alzheimer's disease, 35595
pretreatment levels of plasma homovanillic acid & outcome of clozapine treatment, male patients with schizophrenia resistant to conventional neuroleptics, 36517
prevalance & neuropsychological & symptom & social functioning variables, lack of insight, patients with schizophrenia or schizoaffective disorder, 30959
prevalence & aggregation of psychiatric disorders in Danish Adoption vs Iowa 500-non 500 family vs Roscommon Family Study, 1st degree relatives of persons with schizophrenia, reanalysis, 35604
prevalence & correlates & outcome of schizophrenia, White vs African-Caribbean vs Asian 18–64 yr olds, England, 39029
prevalence & migration to inner city London, schizophrenic 15–54 yr olds, England, 1986 vs 1991, 35615
prevalence & patterns of eye tracking dysfunction, schizophrenics in families with multiple cases of schizophrenia, 15932
prevalence & service & medication use & social & occupational activities, schizophrenic patients, England, 1986 vs 1991, 35601
prevalence of psychosensory features, patients with schizophrenia vs bipolar disorder vs schizoaffective manic disorder, 30928
principal-component analysis & factor structure & global ratings of negative & positive symptoms in schizophrenia, VA patients with various psychopathologies, 22862
proactive inhibition & semantic processing in verbal memory, adult patients with schizophrenia, 12042
proband season of birth, risk of developing schizophrenia, 1st degree relatives of probands with schizophrenia or schizoaffective disorders of schizophrenia spectrum disorders, Ireland, 4159

problems & progress in diagnosis of & behavioral management & pharmacological interventions for treatment of polydipsia & hyponatremia, patients with schizophrenia, 31988
processing of human faces measured by visual scan path, deluded vs nondeluded schizophrenics, 19213
production of interferon-gamma, adults in families with multiple occurrence of schizophrenia, 30927
profiles of subjective quality of life, adult in- vs out-patients with schizophrenia, Germany & Wales, 30997
psycho-educational family intervention & individual psychotherapy & cognitive-behavior therapy & therapeutic staff relationships, management of difficult to treat schizophrenic patients, 27135
psychobiological findings & use of neuroleptics, catatonic symptoms in schizophrenia & other disorders, 43118
psychoeducation & medication switching & crossover issues with atypical antipsychotic drugs, patients with schizophrenia, 32583
psychological & pharmacological management, treatment refractory schizophrenia patients unresponsive to clozapine, commentary, 39614
psychological & pharmacological management, treatment refractory schizophrenia patients unresponsive to clozapine, 27079
psychological autopsy of suicide attempts & process, patients with schizophrenia vs borderline personality vs major depression vs adjustment disorder who committed suicide, 31258
psychological variables & genetic liability to disorder, discrimination from schizophrenic patients, high risk 1st degree relatives of schizophrenics, 19185
psychopathological correlates & symptomatology, aggressive patients with schizophrenia (mean age 37.7 yrs), 30950
psychopathology, quality of life & life satisfaction, patients with schizophrenia, 42341
psychopathology, schizophrenic 18–60 yr olds with vs without substance vs alcohol abuse vs alcoholic psychosis, Germany, 4164
psychophysiological & neuropsychological variables & concurrent levels of psychosocial functioning, adults (mean age 33.2 yrs) with schizophrenia or schizoaffective disorder, 19188
psychosocial & clinical outcomes & treatment experiences, 1st or recent admission patients with schizophrenia vs psychotic bipolar disorder vs major depression with psychosis, 6 mo followup, 39606
psychosocial interventions for management of schizophrenia, 16478
psychosocial treatment & clozapine therapy, level of hope & symptoms & suicidality & treatment outcomes, patients with refractory schizophrenia & suicide attempts, 6 & 12 mo followups, 12720
public acts of schizophrenia & perceptions of mentally ill offenders & psychiatry & related legislation, Great Britain, 26513
public support payments, drug abuse, homeless veterans with schizophrenia & substance abuse disorder, 35415
pupillary responses & digit recall, index overload & working memory resources, adults with schizophrenia, conference presentation, 39036
P300 abnormality & verbal memory impairment, adults with schizophrenia (mean age 35.1 yrs), 35631
P300 auditory ERP amplitudes as biological marker for schizophrenia, commentary, letter, 18215
P50 temporal variability, sensory gating, patients with schizophrenia, conference presentation, 39041
qualitative changes in hallucinations after inpatient treatment, 21–69 yr olds with schizophrenia or schizophreniform or mood or schizoaffective disorders, commentary reply, 24275
qualitative changes in hallucinations after inpatient treatment, 21–69 yr olds with schizophrenia or schizophreniform or mood or schizoaffective disorders, commentary, 24268
quality of life & clinical outcome & resource distribution & health economics, patients with schizophrenia, 42303
quality of life characteristics & validity of self report measure, 20–50 yr olds with schizophrenia vs bipolar disorder or major depression vs physical illness, Canada, 22693
quantitative EEG frequencies & neuroleptic receptor affinities, patients with schizophrenia, 5100
quantitative MRI assessed volume changes of anterior superior temporal gyri, patients with late onset schizophrenia (mean age 72 yrs) vs patients with Alzheimer's disease (mean age 74 yrs), 26338
quetiapine, platelet 5-HT receptor binding, male inpatients with schizophrenia, 27404
randomized stimulus onset asynchrony, time course of Stroop interference & facilitation, 18–55 yr olds with vs without schizophrenia, commentary, prefrontal cortex & working memory implications, 19194
randomized stimulus onset asynchrony, time course of Stroop interference & facilitation, 18–55 yr olds with vs without schizophrenia, commentary reply, prefrontal cortex & working memory implications, 19217
rate of 1st admissions for schizophrenia & other psychiatric disorders, female twins, Denmark, commentary, 31008
rate of 1st admissions for schizophrenia & other psychiatric disorders, female twins, Denmark, 12045
ratio of urinary alpha-Microglobulin & ulinastatin levels, patients with schizophrenia vs bipolar disorder vs major depression, 30765
rationale & guidelines for & ethics of medication-free research in schizophrenia, commentary, 30984
rationale & guidelines for & ethics of medication-free research in schizophrenia, 30944
rationale & guidelines for & ethics of medication-free research in schizophrenia, commentary, 30970
rationale for & efficacy of atypical antipsychotic drugs as 1st treatment for schizophrenia, conference presentation, 27431
reconciliation of psychoanalytic & neuroscientific viewpoint & question of therapist empathy, female patient with schizophrenia, 1766
reduction in obstetrical complications & incidence of schizophrenia, Scotland, letter, 7956
refractoriness to treatment & adverse effects & noncompliance & comorbid conditions & maintenance issues, antipsychotic treatment of schizophrenia, 27427
regional cerebral blood flow in frontal & temporal lobes during neuropsychological tasks & role of local circuit neurons in pathophysiology of schizophrenia, 1962–94, research review, 1270
rehabilitation of schizophrenic & other psychiatric patients, 16944
rehabilitation of schizophrenic patients, Austria, 16934
reintegration model in partial hospitalization program, effective movement from treatment setting to community involvement, clozapine treated adults with schizophrenia, 5 yr study, 5368
relapse prevention with & adverse effects & cost considerations of clozapine & risperidone & other new antipsychotic drugs, patients with schizophrenia, 23864
relapse risk following abrupt vs gradual withdrawal of maintenance neuroleptic treatment, schizophrenic patients, 36526
relationship between cerebral blood flow & clinical symptoms as organized into syndromes, schizophrenic patients, 8006
relationship between neuroleptic dysphoria & substance abuse, patients treated with conventional antipsychotics for schizophrenia, 42351
relationships between age & tardive dyskinesia & positive & negative symptoms, female schizophrenic patients, 12079
relatives with affective disorders & parental relations & childhood sexual encroachment & corporal punishment, patients with schizoaffective disorders vs diabetes & spouses, 15819
reliability & acceptance of videoconferencing equipment in symptom assessment, patients with schizophrenia, 26527
reliability & discriminant & construct validity of Personality Assessment Inventory, schizophrenic vs alcoholic adults, Australia, commentary reply, 6016

reliability & discriminant & construct validity of Personality Assessment Inventory & methodological & conceptual problems, schizophrenic vs alcoholic adults, Australia, commentary, 2611
reliability & discriminant & construct validity of Personality Assessment Inventory, schizophrenic vs alcoholic adults, comment on current debate, 6023
reliability & scoring of Continuous Performance Test vs Pigache Attention Task, assessment of auditory sustained attention, schizophrenic male 35–53 yr olds, 2657
reliability & validity & factor structure of High Royds Evaluation of Negativity Scale, symptoms & neurological signs & neuropsychological impairment, Chinese schizophrenic 16–65 yr olds, Hong Kong, 2584
reliability & validity of M. H. Rapaport et al Scale of Functioning, assessment of social & cognitive & functional ability & activities of daily living, 45 yr old & older schizophrenics, 17664
reliability of clinical vs research diagnoses of schizophrenia, 16 yr old birth cohort, 11 yr study, Finland, 42326
reliability of negative & psychoticism & disorganized dimensions across lifetime & acute vs interepisode intervals, patients with schizophrenia vs bipolar vs spectrum disorders, commentary reply, 22851
reliability of negative & psychoticism & disorganized dimensions across lifetime & acute vs interepisode intervals, patients with schizophrenia vs bipolar vs spectrum disorders, commentary, letter, 22863
religious behavior & misdiagnosis of schizophrenia, female 27 & 62 yr olds, case reports, 31014
reorganization of general hospital psychiatric ward, treatment milieu & functioning at discharge & community tenure after discharge, schizophrenic inpatients, Norway, 2 yr retrospective study, 2042
resemblance of psychotic symptoms & syndromes, sibling pairs from high-density schizophrenia families concordant for schizophrenia or nonaffective psychoses, Ireland & Northern Ireland, 22845
responsibility for acts of violence, patients with schizophrenia, Germany, 35617
review & criticism of research on hereditary nature of schizophrenia & other mental illnesses, 26418
rhythmic finger-tapping task & fast segmentation of neural processing in schizophrenics, 30993
right vs left vs mixed handedness, patients with schizophrenia vs affective psychosis vs schizoaffective psychosis, 4167
risk & rate of committing crimes, schizophrenic vs nonschizophrenic mentally ill patients, England, 35640
risk & rate of committing crimes, schizophrenic vs nonschizophrenic mentally ill patients, England, commentary, letter, 42339
risk of 1st admission for schizophrenia, native born vs Surinamese vs Dutch Antillean immigrant 15–39 yr olds, Netherlands, 39057
risks & benefits of clozapine treatment for schizophrenia, 65 yr olds & older, Australia, 43141
risks of avoiding schizophrenia diagnosis & benefits of accurate diagnosis & appropriate treatment with drugs & dietary changes, female with schizophrenia, case report, 15942
risperidone & phenytoin, extrapyramidal symptoms, 31 yr old White male with undifferentiated schizophrenia, case report, letter, 16650
risperidone, hallucinations & illogical thinking & delusions & persistent screaming, 7.7 yr old female & 11 yr old male schizophrenic patients, case reports, letter, 5060
risperidone induced mania, male 50 yr old with schizophrenia & mild mental retardation, letter, 5007
risperidone induced obsessive compulsive behavior, 46 yr old male with chronic schizophrenia, case report, letter, 32395
risperidone, mental health care utilization & treatment costs, 18–78 yr old with treatment refractory schizophrenia or schizoaffective disorder, 43199
risperidone, pancreatitis, 32 yr old male with chronic undifferentiated schizophrenia, case report, letter, 23862
risperidone, positive & negative & other symptoms, drug naive 17–40 yr olds with 1st episode schizophrenia, 16638
risperidone, positive & negative symptoms, nonresponsive patients with schizophrenia or schizoaffective psychosis, 23931
risperidone, schizophrenic 33–49 yr olds treated with clozapine, 19940
risperidone, self induced water intoxication & clinical status, males with chronic schizophrenia, Canada, 27436
risperidone vs clozapine, positive & negative & extrapyramidal symptoms & adverse effects, treatment resistant schizophrenic patients, 12942
risperidone vs haloperidol, schizophrenic patients, letter, 12939
risperidone vs haloperidol treatment, saccadic eye movements, 18–45 yr olds with schizophrenia or schizoaffective disorder, 23936
risperidone vs haloperidol, verbal working memory, treatment-resistant schizophrenics (mean age 41.47 yrs), 43137
risperidone vs haloperidol vs methotrimeprazine, psychotic anxiety & positive & negative symptoms & severity ratings & extrapyramidal symptoms, schizophrenic 18–50 yr old inpatients, France, 9040
risperidone, 11.33–17.75 yr old outpatients with schizophrenia, 36409
role of conventional neuroleptics in rehabilitation, hospitalization & relapses & side effects, schizophrenic patients, 16624
role of E4 allele of apolipoprotein E gene in genesis of illness, schizophrenic 20–90 yr olds, 15943
role of inflammatory cytokines in etiology of schizophrenia, 12038
role of limbic cortex in neuropathology of schizophrenia, conference presentation, 26484
role of patient's capacity in ethical & legal arguments for & against obtaining informed consent & meeting requirements to administer neuroleptic therapy, schizophrenic patients, 9781
role of reflexive self-awareness, self-descriptions of severe psychopathology, adolescent & young adult inpatients with schizophrenia vs borderline personality disturbances, 7829
role of serotonergic defects in schizophrenia psychopathology, research review, conference presentation, 7967
role of thalamus & connections with frontal cortex & cerebellum, symptomatology in schizophrenia, 30926
root mean square error analysis of saccades vs pursuit gain vs phase lag in smooth pursuit eye movements, 18–50 yr olds better vs worse tracking schizophrenic patients, 19215
saccadic distractibility as seen from SPECT study & relationship to regional cerebral blood flow, male schizophrenic patients, 22831
safety & adverse effects of antipsychotic olanzapine vs haloperidol, schizophrenic patients, 32353
safety & efficacy of risperidone, cognitive performance & positive & negative symptoms, 66–81 yr olds with chronic schizophrenia & behavioral disturbances, 4989
safety & efficacy of risperidone, patients with schizophrenia with vs without acute exacerbation, 39815
safety & tolerability & dose response efficacy of olanzapine vs haloperidol treatment, 18–65 yr olds with schizophrenia, 1 yr study, Europe & South Africa & Israel & Australia, 36416
satisfaction with community mental health clinic & patterns of outpatient service use, 18–55 yr olds with schizophrenia, 32933
schizophrenia age at onset & risk of illness in relatives, 22846
schizophrenia, clients with learning disabilities, commentary, letter, 30682
schizophrenia, clients with learning disabilities, 26351
schizophrenia, hippocampal neuronal density & cytoarchitectural asymmetry, adults, England, 35644
schizophrenic delusions & leptomeningeal enhancement, male 29 yr old with neurosarcoidosis, case report, letter, 1586
screening process for admission, selection of patients for day care center, schizophrenic patients, Italy, conference presentation, 20268
season & month of birth, schizophrenic patients, South Africa, comparison with northern hemisphere data, 4141

season of birth & EEG power abnormalities, adults with schizophrenia vs other psychoses, 35633
seasonal influence on platelet 5-HT concentrations, 18–65 yr old males with positive vs negative schizophrenia vs psychotic vs nonpsychotic depression, 35476
seasonal variation, hospital admission rates, patients with bipolar disorder vs schizophrenia, 1969–1991, Finland, commentary, 38939
seasonal variation, hospital admission rates, patients with bipolar disorder vs schizophrenia, 1969–1991, Finland, 30791
seasonal variation, patients with schizophrenia born between 1919–70, Australia, 30995
selective attention using dichotic listening task, P300 component of ERPs, schizophrenics (mean age 32.8 yrs), 30988
self-deception of perceived competence & psychotropic medication compliance, outpatients with chronic schizophrenia or schizoaffective disorder, 42350
self medication of negative symptoms & depression with cocaine, female schizophrenic 46 yr old presenting to emergency twice in same yr, case report, 12068
self report schizotypy measures, familial vulnerability to schizophrenia, relatives of probands with schizophrenia vs other nonaffective psychoses vs types of affective illness, Ireland & England, 30999
self reported use & changes in perceived effects of alcohol use, schizophrenic patients with vs without history of alcohol abuse or dependence, 12066
self vs family reported premorbid personality traits, unipolar depressed vs bipolar vs schizophrenic inpatients, 30762
semantic memory impairment, 20–72 yr olds with schizophrenia vs 58–80 yr olds with mild-to-moderate Alzheimer's disease, 4009
semantic priming & auditory ERPs, sensory gating, schizophrenic 23–61 yr olds, 12076
semantic vs phonologic verbal fluency, patients with schizophrenia, 7961
sense of control & coping strategies & other psychosocial factors, perceived & objective caregiver burden & psychological distress, family member carers of chronic & subchronic schizophrenics, 30935
sensory gating in computer model of CA3 neural network of hippocampus, application to study of neuronal circuits involved in sensory processing deficits in schizophrenia, 33847
serotonin & dopamine antagonism in pathophysiology & treatment of schizophrenia, 18242
serum & cerebrospinal levels of calcium & magnesium, 18–63 yr old acute vs 18–58 yr old remitted schizophrenics, Israel, 12049
serum antibodies against organ specific CNS antigen vs serotonin vs gangliosides, 20–70 yr olds with schizophrenia vs schizoaffective vs major depressive disorder, replication, letter, 22723
serum immunoglobulin levels, patients with acute vs chronic schizophrenia (mean age 46.5 yrs), 19203
service characteristics, functional outcomes from community support programs, 18–60 yr olds with schizophrenia or schizoaffective disorder, 3 yr study, 36710
severity of conceptual & other neuropsychological deficits, motor skill learning on rotary pursuit task, schizophrenic 26–40 vs 55–77 yr olds, implications for role of corticostriatal pathology, 15947
severity of negative symptoms & prevalence of dyskinesia, schizophrenic patients treated vs never treated with neuroleptics, India, 5069
sex & age & family history, birth rate & season of birth effect, schizophrenic patients, Reunion Island, 4146
sex & age at onset, neuroleptic resistant vs responsive patients with schizophrenia, 31018
sex & family history & premorbid personality & marital status contributions to onset age of schizophrenia, males vs females in developed vs developing countries, 35600
sex & family history & premorbid personality & marital status contributions to onset age of schizophrenia, males vs females in developed vs developing countries, commentary, letter, 42316
sex & plasma HVA & psychopathology, neuroleptic-resistant vs -responsive schizophrenic inpatients, 26515
sex & prefrontal brain systems, contributions to olfactory identification & executive functions, 26–60 yr old chronic schizophrenic patients, 39056
sex, age at onset, families with male &/vs female sibling pairs with schizophrenia or chronic schizoaffective disorder, Germany, 1268
sex differences in neuropsychological function, 18–59 yr old relatives of schizophrenic patients, 31004
sex, epidemiology of schizophrenia, implications for heteromodal association cortex model, commentary, letter, 35623
sex, information processing & social skills & negative symptoms, patients with schizophrenia or schizoaffective disorder, 4177
sex of patient, affective attitudes & behaviors toward patient, relatives of 18–36 yr old schizophrenic patients, 1275
sex, response to clozapine, neuroleptic refractory chronic schizophrenic patients, evidence for severely ill subgroup of female schizophrenics with distinct features, 16659
sex, symptom profiles, 20–65 yr olds with schizophrenia, Canada, 42313
sexual behavior & dysfunction, 18–60 yr old outpatients with neuroleptic treated vs nontreated schizophrenia vs affective psychosis, Germany, 1209
shakuyaku-kanzo-to, neuroleptic treatment induced hyperprolactinemia, male inpatients with schizophrenia (mean age 57.1 yrs), 36534
short-term efficacy of clozapine, neuroleptic-resistant chronic schizophrenic patients with tardive dyskinesia & chronic akathisia & parkinsonism (mean age 43.1 yrs), 43187
side effects & risks & options & compliance issues of clozapine & risperidone treatment, mildly aggressive–dangerously violent patients with schizophrenia, 27385
similarities of medial temporal pathology & biochemical dysfunction & positive & negative & other psychotic symptomatology between schizophrenia & Alzheimer's disease, 7813
simultaneous self enucleation & amputation of penis & right hand, male schizophrenic 47 yr old, case report, 1286
skin conductance activity, 15–50 yr olds with schizophrenia vs 1st degree relatives, India, 7980
small anticipatory saccades causing abnormal smooth pursuit eye movements, phenotypic marker of vulnerability to schizophrenia, 6–15 yr old children of schizophrenic parents, 7989
smoking & vulnerability for schizophrenia, 30957
smooth pursuit & saccadic responses to target moving toward vs away from fovea, adults with vs without schizophrenia, implications for role of frontal vs posterior cortex function, 7950
smooth pursuit eye movements & saccades during eye tracking, 17–42 yr old monozygotic twins discordant for schizophrenia, implications for genetic liability, 31009
smooth pursuit eye movements & saccades during eye tracking, 17–42 yr old monozygotic twins discordant for schizophrenia, implications for genetic liability, commentary, 30986
smooth pursuit eye movements, patients with deficit vs nondeficit schizophrenia, conference presentation, 12067
social class & age at 1st hospitalization & disease course & prognosis, male vs female 6–14 yr olds with childhood onset schizophrenia, Germany, 42 yr followup, 19196
social class & severity of illness & working memory & attention, syntactic complexity in speech, 16–50 yr olds with 1st onset schizophrenia or mania, England, 4066
social cognitive model of schizophrenia symptomatology & role of nonsocial vs social cognition in disorder etiology & development, 15945
social function & living skills & demographic characteristics & illness variables, inpatients & outpatients with schizophrenia, Australia, 42329
social skill mediation of perceived physical attractiveness of adults with chronic schizophrenia or schizoaffective disorder, raters, 15946

social skills training, social skills & negative symptoms, 30–40 yr olds with schizophrenia with vs without deficit symptoms, 24289
social skills training strategies, schizophrenia, literature review, 12885
social skills training vs group or institutional therapy, social skills & self esteem & efficacy & quality of life, chronic schizophrenic patients, 16936
social support network needs, relapse prevention, adults with schizophrenia, 15933
SPECT assessed benzodiazepine receptor distribution & diazepam binding, patients with schizophrenia (mean age 30.2 yrs), 26511
SPECT assessment of regional cerebral blood flow, prediction of severity of positive & negative & independent symptom structures, neuroleptic treated schizophrenic 19–36 yr olds, Japan, 7971
stabilization criteria in long-term maintenance treatment, hospitalized 18–55 yr olds with schizophrenia, conference presentation on longitudinal study, 5375
standard vs low vs targeted dose of fluphenazine & applied vs supportive family management, relapse & rehospitalization, patients with schizophrenia (mean age 29.6 yrs), 31980
strategies for determining the genetics & pathophysiology of schizophrenia, conference presentation, 30985
strategies for postmortem study of hypothesized cerebral cortical dopamine neurotransmission disruption & cognitive dysfunction in schizophrenia, 42332
stress & behavioral pathways preceding onset of schizophrenia, children, 26522
stress & coping theory of R. S. Lazarus & S. Folkman, coping with hallucinations, 18–55 yr old DSM-IV schizophrenics & other patients, 30967
stress & dopamine-GABA interactions, hypothesized environmental &/vs genetic vulnerability for & etiology of schizophrenia, 42307
stress or arousal of negative affect, reactivity of symptoms, patients with schizophrenia, 7955
striatal & striatum subdivisions, volume, postmortem 50–64 yr old males with schizophrenia, 26501
subjective authority of voices & acceptability of action, compliance with command auditory hallucinations, adult schizophrenics, England, 22824
subjective emotional experience & psychophysiological reactivity, depressed vs schizophrenic inpatient veterans with vs without flat affect, 11923
subjective experience & definition of current life situation in terms of illness, 20–55 yr old Euro-American vs Latino outpatients with schizophrenia vs unipolar depression, 38922
substance abuse & tardive dyskinesia, patients with schizophrenia, retrospective study, conference presentation, 30929
substance P levels & angiotensin converting enzyme polymorphism in postmortem brain samples, 41–75 yr olds with schizophrenia vs affective disorders, 22647
successful pregnancy & birth of baby with transient Floppy Infant Syndrome, schizophrenic 37 yr old female treated with clozapine & lorazepam, case report, letter, 39796
suicide attempt by risperidone overdose, 29 & 35 yr old male & female with vs without schizophrenia, case reports, 23911
suppression of 1 hemisphere, representation of visible vs objective geometry of objects & visual sensual spatial relations, 21–45 yr olds with depression vs schizophrenia, 15882
switching from clozapine to risperidone, 27–54 yr old inpatients with treatment resistant schizophrenia or schizoaffective disorder, 27457
symmetry of left & right hippocampal neuronal size & shape & orientation, 28–83 yr olds with vs 22–84 yr olds without schizophrenia, 42352
symptom severity & cognitive impairment, chronically hospitalized geriatric patients with major depression or bipolar disorder vs schizophrenia, 35474
symptom subtypes & life skills & olfactory identification & neuropsychological ability & relation to poor personal hygiene & orbitofrontal integrity, male 19–59 yr olds with schizophrenia, Australia, 12026
symptomatology & side-effects & violent acts &/or suicidal behavior, 19–69 yr old involuntarily vs voluntarily committed neuroleptic treated schizophrenics, 42334
symptoms of schizophrenic negative syndrome, schizophrenic patients (mean age 35.8 yrs), 22856
synaptic functions, animal behavior, implications for memory & aggression & schizophrenia, 29243
systemic relational-psychodynamics of parental mental health & evolutionary potentialities, quality of interpersonal family relations, schizophrenics, treatment applications, 19205
T. Ogden's addition of "autistic contiguous" position to existing paranoid schizoid & depressive positions & role of interpretation in psychoanalytic theory building, 4946
TaqI polymorphism of dopamine D2 receptor gene & tardive dyskinesia, inpatients with chronic schizophrenia (mean age 43 yrs), Taiwan, 30949
target dose of clozapine, steady state therapeutic plasma concentrations, schizophrenic patients, 9035
target in cued vs contralateral to cued location, endogenous redirection of attention in covert orienting of attention task, 21–45 yr olds with chronic schizophrenia, 7976
target motion & velocity, corrective saccade vs accuracy of pursuit eye movements & catch up saccades for extraretinal target, schizophrenic patients with vs without tardive dyskinesia, 4189
temperament, alcohol or caffeine or cannabis or nicotine use, 18–45 yr old males with schizophrenia, New Zealand, 35636
temporal context memory & severity of memory deficit, schizophrenic patients, 4181
temporal lobe asymmetry, 19–82 yr olds with schizophrenia or schizophrenia related illnesses, implications for genetic factors in asymmetries in familial schizophrenia, 15940
temporal lobe glucose metabolic rates, unmedicated outpatients with schizophrenia (mean age 31.4 yrs), 12062
test of hypothesized relationship between abnormalities in parvalbumin-containing subclass of neurons & altered GABA neurotransmission in prefrontal cortex, patients with schizophrenia, 39068
tests of visual discrimination & recognition of spatial frequency & pattern & location & trajectory, 20–55 yr old male medicated patients with schizophrenia, commentary reply, letter, 31026
tests of visual discrimination & recognition of spatial frequency & pattern & location & trajectory, 20–55 yr old male medicated patients with schizophrenia, commentary, letter, 31036
tests of visual discrimination & recognition of spatial frequency & pattern & location & trajectory, 20–55 yr old male medicated patients with schizophrenia, commentary, letter, 30937
theoretical model of predictors of subjective well being, community dwelling adults (mean age 63 yrs) with schizophrenia, 30952
therapeutic alliance with inpatient therapist, outpatient followup, substance abusing schizophrenic inpatients, 2078
thiamine deficiency in 1st vs 2nd trimester of pregnancy, development of schizophrenia & other developmental defects in fetus, 4148
thought disorder, schizophrenic adoptees vs biological & adoptive relatives, Denmark, 31001
threshold unilateral vs bilateral ECT, serum prolactin changes, inpatients with major depression vs schizophrenia vs mania, 9186
total cost of comprehensive community care following discharge from psychiatric hospital, schizophrenic patients, Germany, 24208
training program in psychosocial methods of intervention, community psychiatric nurses treating 20–60 yr old schizophrenic patients, 12 mo study, 33198
traits & symptoms defining phenotype connected with specific genotype, schizophrenic patients, 4155

transcranial magnetic stimulation, central conduction time & thresholds to stimulation & other electrophysiological properties of motor EPs, patients with major depression vs chronic schizophrenia, 1265
treatment & causes of chronic psychosis & need for new nosolgy, 19199
treatment duration, plasma levels of clozapine & N-desmethylclozapine & clozapine-N-oxide, males vs females with schizophrenia, 5012
type & severity of clinically detectable abnormalities in MRIs, DSM-III-R diagnosed psychotic disordered 45–87 yr olds with schizophrenia majority, 31042
typical neuroleptics, factor structure of Brief Psychiatric Rating Scale, assessment of clinical symptom changes, male patients with schizophrenia, followup study, 28479
use & confusion in terms of early warning signs of impending relapse vs prodromal symptoms, patients with schizophrenia, 4143
use of inpatient vs community psychiatric nurse vs day care vs outpatient services & costs, 21–64 yr old patients with schizophrenia, implications for cost effective service allocation, Scotland, 43345
use of 5-factor model of personality to determine personality differences, recovered patients with unipolar depression vs euthymic patients with bipolar disorder vs patients with schizophrenia, 38903
usefulness of trimipramine for treatment of depression & insomnia & schizophrenia, 1970–95, research review, 9036
utility of health belief model for prediction of compliance with antispychotic medication, adults with schizophrenia, Wales, 10507
utility of McNeil-Sjostrom Scale vs scales by S. W. Lewis et al & J. Pamas et al, assessment of obstetrical complications, adult schizophrenics born in January–April vs May–December, Sweden, 17654
validity of antisocial personality disorder & childhood conduct disorder subtypes, adults with schizophrenia or schizoaffective disorder & a substance abuse disorder, 39053
validity of family history vs family study method for diagnosing schizophrenia related disorders, 1st degree relatives of probands with schizophrenia & schizo-affective & affective disorders, 39047
validity of Psychiatric Assessment Schedule for Adults with Developmental Disability, assessment of core symptoms & diagnosis of schizophrenia, learning disabled 16–69 yr olds, 2612
validity of self-administered symptom intensity & distress questionnaire, 22–65 yr olds with schizophrenia or schizoaffective disorders, 6033
validity of Spontaneous Selective Attention Task for use as vulnerabilty marker for schizophrenia, 10–18 yr old monozygotic vs dizygotic twins in families segretating schizophrenia, 40889
value of psychoanalytic ego centered vs genetic/neurochemical theory in conceptualization of schizophrenia etiology, 30958
values of phosphodiesters vs phosphomonoesters in dorsolateral prefrontal cortex using 32 phosphorous magnetic resonance spectroscopy, schizophrenic patients (mean age 29.6 yrs), replication, 39067
ventricular enlargement & cortical sulcal prominence, patients with mood disorders vs schizophrenia (mean age 34.6 yrs), 26446
ventricular system volume, slow wave sleep, male 20–45 yr old inpatients with schizophrenia or schizoaffective disorder, 4140
verbosity & syntactic complexity & pausing in speech, adults with bipolar disorder who were in manic episodes vs schizophrenia, 38904
visual & auditory language processing, 25–55 yr old males with schizophrenia, 19212
visual attentional asymmetries, deficit vs nondeficit 18–55 yr old outpatients with schizophrenia, 30942
visual ERPs to light flashes, 15–66 yr olds with schizophrenia or schizophreniform or bipolar disorder or major depression & their 1st degree relatives, 4050
visual hallucinations of Lilliputian nature, schizophrenic 24 yr old male, case report, 4047
visual information processing impairments, performance on continuous performance vs forced choice span of attention tasks, outpatients with deficit vs nondeficit forms of schizophrenia, 22826
visual 1- vs 2-dimensional tasks, P300 ERP lateralization abnormalities & latencies, 17–30 yr old males with schizophrenia, 26498
vitamin E, reduction of severity of abnormal movements, adults with schizophrenia or bipolar or unipolar disorder & tardive dyskinesia, 16641
vocal & motor tic development with risperidone withdrawal, 12.2 yr old Hispanic schizophrenic male, case report, letter, 32520
vocational rehabilitation, vocational capacity, schizophrenic patients, literature review, 5432
vulnerability to tardive dyskinesia development & cerebral metabolism, patients with schizophrenia, longitudinal study, 12072
whole blood production of interleukins & interferon & monocytes & neutrophils & leucocytes, patients with residual vs paranoid schizophrenia, Germany, 8004
Wisconsin Card Sorting Task performance & delayed skin conductance orienting response, patients with schizophrenia, 22859
Wisconsin Card Sorting test, regional cerebral blood flow, 17–46 yr old male chronic vs never-medicated 1st break patients with schizophrenia or schizophreniform disorder, 7994
withdrawal vs retention of clozapine treatment, male psychiatric patients with schizophrenia, followup study, 43168
word associative production, 20–77 yr olds with mania vs schizophrenia vs depression, implicatons for differentiation of formal thought disorder, 4053
1–5 mg/day haloperidol, plasma levels & dopamine D2 receptor occupancy, 20–43 yr old patients with schizophrenia or schizoaffective disorder, Canada, 39816
1991 Gulf War, mental health, acute vs ambulatory vs rehabilitation adult patients with schizophrenia, Israel, 26506
4 factor model of schizophrenia phenomenology consisting of negative symptoms & premorbid social adjustment deficits & reality distortion & disorganization, monozygotic twins, 4165
5- vs 4-factor structure of Brief Psychiatric Rating Scale & symptoms, patients with schizophrenia, 40915
5-HT1A receptor binding in orbital frontal cortex, postmortem brains of schizophrenic patients, implications for hypothesized abnormal glutamatergic innervation in schizophrenia, 4183
Schizophrenia (Disorganized Type) [See Hebephrenic Schizophrenia]
Schizophrenia (Residual Type) [See Schizophrenia]
Schizophreniform Disorder—Serials
apolipoprotein E genotype, age of onset, family with autosomal dominant schizophreniform disorder with progressive dementia & neurofibrillary tangles, 31047
disease course, 21–34 yr old patients with schizophreniform disorder, 1 yr followup, 4145
GP communication with psychiatric teams & involvement in care, male vs female White vs Black Caribbean or African vs Asian patients with schizophrenia or schizophreniform disorder & their GPs, England, 43322
immune system activation through interleukin-2 production, unmedicated schizophrenia & schizophreniform disorder patients, 31027
interrater reliability & profile & interrelationships of clinical characteristics of delusional beliefs, 16–74 yr old inpatients with schizophrenic or schizophreniform disorders, Greece, 2614
neuroleptic drugs, platelet 3H dopamine, adults with schizophrenia vs schizophreniform disorder vs other mental illness, 4149
psychotic couvade, 30-yr-old male with delusional disorder & 26-yr-old female with schizophreniform psychosis, case reports, 4188

visual ERPs to light flashes, 15–66 yr olds with schizophrenia or schizophreniform or bipolar disorder or major depression & their 1st degree relatives, 4050
Wisconsin Card Sorting test, regional cerebral blood flow, 17–46 yr old male chronic vs never-medicated 1st break patients with schizophrenia or schizophreniform disorder, 7994

Schizophrenogenic Mothers—Serials
history of schizophrenogenic mother concept in psychiatry & relation to social changes, individuals with schizophrenia, 1927–1977, 26494

Schizotypal Personality—Serials
ability to inhibit irrelevant information & negative priming effect, non-clinical high vs low schizotypal college students, 3897
ability to reproduce successfully, patterns of familial risks, Ss with schizotypal disorder vs schizophrenia, 12020
acute depression vs remission, sad vs neutral vs happy facial expression recognition in left vs right hemifield of vision, depressed patients with major depression vs schizotypal personality disorder, 30781
amplitude & asymmetry of P3 ERPs during covert counting of tones, males with schizotypal disorder, comparison with schizophrenia, 12121
attentional deficits as assessed by shadowing tasks, 18–25 yr olds with vs without schizotypal personality characteristics, England, 30980
attentional impairment, patients with schizotypal personality vs other personality disorders vs schizophrenia, erratum, 42224
attentional impairment, patients with schizotypal personality vs other personality disorders vs schizophrenia, 30797
auditory ERP abnormalities, male patients with schizotypal personality disorder vs schizophrenia, 4068
beliefs in extraterrestrial life & UFO-related beliefs & schizotypal personality, male vs female college students (mean age 17 yrs), England, 41695
cannabis use & schizotypal & other personality traits, healthy adults, 18827
childhood behavior precursors of schizotypal personality disorder diagnosed in adolescence or adulthood, male vs female 9–20 yr olds, longitudinal study, Denmark, 19262
eye tracking & visual attention & schizotypal symptoms, nonpsychotic 1st degree relatives of schizophrenic patients, 35603
factor analysis of self report scales, assessment of schizotypy, research review, commentary reply, letter, 102
factor analysis of self report scales, assessment of schizotypy, research review, commentary, letter, 91
factor analysis of Structured Interview for DSM-III-R, assessment of schizotypal personality disorder, nonpsychotic psychiatric outpatients (mean age 34.6 yrs) & nonpsychiatric patients, Italy, 17624
fantasy of becoming female & schizotypal personality & borderline intellectual function, male 22 yr old who amputated penis by chain saw, case report, 8088
information processing performance as marker of vulnerability to schizophrenia, patients with schizotypal vs nonschizotypal personality disorders, 12115
neuropsychological profiles & cognitive functioning, males with schizotypal personality disorder, implications for hypotheses of left-temporal & prefrontal brain dysfunction in schizophrenia, 26592
positive or negative symptoms & illness subtype & suicidal behavior & ideation, patients with schizophrenia or schizoaffective or schizophreniform or schizotypal personality disorder, 6–32 yr followup, 22834
re-creating out of body experiences in laboratory, 20–75 yr olds, implications for schizotypal personality, 14690
relation between abnormal prepulse inhibition & schizotypy, healthy 18–60 yr olds, 22945
schizotypal personality traits & manual hand preference for skilled & less skilled tasks, nonclinical students (mean age 21.3), Canada, 42083
schizotypy & cognitive failures & anxiety, negative priming, 18–41 yr old college students, 42096
schizotypy & height, adults, 16000
self report schizotypy measures, familial vulnerability to schizophrenia, relatives of probands with schizophrenia vs other nonaffective psychoses vs types of affective illness, Ireland & England, 30999
sex differences, schizotypal personality features, 18–26 yr olds, 22946
skin conductance orienting response, college students with vs without schizotypal personality disorder, 19265
social skills training, male 33 yr old with obsessive compulsive disorder & schizotypal pesonality, 6 mo followup, 8989

school structural & socioenvironmental characteristics, parental satisfaction & student achievement, parents & elementary school students, 20593
school-wide behavioral support system, office referral rates for problem behavior, 6th & 7th & 8th grade middle school students & staff & faculty, 33513
schooling, formation of student gender identities, White male preservice social studies teachers, 13797
sex, information gathering for future & self evaluation, 15 yr old comprehensive vs 18 yr old upper secondary vs vocational school students, Finland, 20621
Sing, Spell, Read, & Write program in schools differing in SES & racial makeup & standardized achievement scores, reading & writing & spelling achievement, K–2nd graders, 24549
single sex vs coeducational school, body figure preferences & eating disorder symptoms & sex role concerns, adolescent females, Australia, 24647
social networks, adjustment to transition from small elementary to large junior high school, students, 7 mo study, implications for developmental aspects, 9966
structural equation modeling analysis of personal & situational factors & interest in physical education, 13–16 yr old females, France, 9850
structural features of class schedules & administrative support & influence & autonomy & collegiality, professional & organizational commitment, high school teachers, 17111
teacher & school & district characteristics, retention & turnover, special vs general education teachers, 5 yr followup, conference presentation, 36935
teacher & student & school characteristics & curriculum & ability & subject domain, achievement in life & physical sciences, male vs female 8th graders, 28016
victimization & bullying & teasing in school environment & characteristics of victims, school counseling interventions, 10020

School Expulsion—Serials
primary school suspensions & expulsions & students' levels of unmet educational &/or social needs, local education authorities, Great Britain, 2198
school exclusion vs in-school suspension & prevention model for development of school based social skills, behaviorally disturbed students, literature review, 1975–95, 20671

School Facilities [See Also Campuses, Dormitories, Educational Laboratories]—Serials
legal guidelines for special health care service delivery in schools, children with extensive health care needs, 2150
reliability & validity of student self-reports of school violence, 5th–12th graders, 36928
social worker characteristics & community setting & number & types of violent acts, perceptions of violence as problem in schools, school social workers, 33249

School Federal Aid [See Educational Financial Assistance]

School Financial Assistance [See Educational Financial Assistance]

School Graduation—Serials
academic achievement, matriculated vs mature nonmatriculated undergraduate admission students, Canada, 5641
clinical immersion during psychoanalytic training & success rate of pre- vs post-graduation terminated cases, 1983–1992 graduates, 5488
construction systems & career development during 1st yrs of employment, graduates, 4 yr study, England, 28198
environmental & individual factors in psychological well-being throughout transition to adulthood, high school graduates, 2-yr study, Canada, 15278
Myers Briggs Type Indicator preferences, degree completion & variables known to impact degree completion, college freshman, 10 yr followup study, 26276
neighborhood & SES & other characteristics, likelihood of high school graduation, poor African American children, 27 yr study, 20589
predictors of arrest status in & out of school, adolescents with serious emotional disturbances & learning disabilities in transition, 3 yr followup, 13823
sex, graduating vs not graduating from high school & impact on adult psychological dysfunction, 7th graders, longitudinal study, 13748

School Guidance [See School Counseling]

School Integration—Serials
attitudes toward racially integrated schooling, English- vs Afrikaans-speaking White secondary school teachers at previously nonintegrated government vs integrated private schools, South Africa, 2167
integration into mainstream schools, children with severe learning difficulties or intellectual disabilities, literature review 1938–1996, 37098
issues in school communities & ways of dealing with differences among students & role of desegregated spaces to nurture multiracial & multiethnic communities, 37062

School Integration (Racial) [See School Integration]

School Learning—Serials
alternative perspective on graphs as semiotic objects & rhetorical devices & conscription devices useful in eliminating problems with assessment & inappropriate attribution of student difficulties, 24580
behavioral & cognitive task engagement & interest or intrinsic motivation to learn in science classroom, 6th graders, 17166
case-based instruction, learning responses & approaches, veterinary doctoral students with high vs low levels of self regulation, 17031
changes in knowledge about chemistry, 15–18 yr old 10–12 grade students, Spain, 37029
cognitive psychology & human learning, implications for teaching, literature review, 28877
consistency of explanations about combustion & processes of conceptual change, 14–15 yr old students, Spain & England, 37048
constant time delay & instructive feedback, independent seat work, 8–12 yr olds with mild learning disabilities, 17219
cooperative training & ability grouping, computer learning, 5th & 6th graders, Canada, 40383
creation of personal examples vs contrasting vs expanding on effects of target concepts as elaborative activities, concept learning from text, college students, 40425
data-logging methods in science laboratories, school education & learning, 12–15 yr old students, UK, 17150
deep vs surface learning strategies & range of learning goals, 17–47.7 yr old college students, Australia vs Sri Lanka, 2185
development & validity of Strategic Flexibility Questionnaire, measure of beliefs about executive control over learning & relation to academic performance, college students, 10524
facilitative advantages of adjunct displays in addition to verbal & spatial representations in instructional materials, working memory, college students, test of conjoint retention hypothesis, 5655
factor analysis & cross cultural construct validation of Learning Process Questionnaire & learning models, 8–15 yr olds, 6 countries, 6111
formal instruction in educational psychology domain, changes in knowledge & interests & strategy, undergraduate students, followup study, conference presentation, 33445
Fostering Communities of Learners program to transform urban schools into communities of learning to think deeply about serious matters, grade school students, 27959
framework for meaning of & methodology for teachers to investigate ideas of learning, 14–15 yr old students, England vs Finland, 6096
framework of academic responding according to learning hierarchy & components of reading intervention, students, 17122
history of & current perspectives on transfer of training, educational applications, 27961
implementation of social constructivist approach to teaching, student perceptions, 12–15 yr olds, 43598
learning & performance & future consequence & other pleasing & perceived ability goals, engagement in academic work, 10th–12th grade math students, 13753
learning vs performance goals with vs without self evaluation, self efficacy & skill in fraction solving & motivation & task orientation, 4th graders, 13721
multidimensional framework for the interpretation of conceptual change in events in classrooms & epistemological & ontological & social affective perspectives of student knowledge structure & change, 36929
need for & role & effectiveness of coordinated & integrated systemic reforms in school linked community health & human services, barriers to learning, 40496
paradigm shift in school learning practices based on management & educational theories of W. E. Deming & R. Feuerstein, 5562
participation in inservice program, implementation of constructivist approach to learning & teaching in science education, elementary school teacher, England, 9827
performance in English language chemistry class, 11th grade Chinese chemistry students with limited English proficiency, Australia, 17182
prediction of grade in subject on basis of mean grade obtained in other subjects taken simultaneously, subject attainment evaluation, 15–16 yr old secondary school students, Scotland, 24624
pretest with vs without learning assessment, prediction of posttest performance in verbal & spatial tasks, preschool children, 33450
probability based reasoning to explicate hypothesized & empirical relationships & structure of inference in school learning, 5638
problem based curriculum fostering higher order thinking skills vs traditional instruction, content acquisition in social studies class, 10th graders, 9856
Questioning the Author instructional intervention, classroom interaction & reading comprehension, inner city 4th graders & their teachers, 13694
recess during school, cognitive performance, primary school students, 27970
reliability & validity of learning potential test, Dutch & Moroccan & Turkish 5.3–7.8 yr olds, 14369
reliability & validity of Personal Progress Index, learning, medical students, Canada, 28582
school entrance age, reading & mathematics achievement, older kindergarteners vs younger 1st graders vs older 1st graders, Canada, 9-mo followup study, 24618
SES of schools in suburban vs urban vs rural areas, learning opportunities in preparation for state mathematics performance assessment, middle school students, 6101
standardized test based accountability & credibility of adjusted test scores vs merits of choice of educational practice, assessment of school learning & quality of schools, commentary reply, letter, 10534
standardized test based accountability & credibility of adjusted test scores vs merits of choice of educational practice, assessment of school learning & quality of schools, commentary, letter, 10521
structure & process oriented views of personality & application of 2nd generation process oriented personality models to student behavior & outline of model of adaptable learning process, students, 18942
student needs & promotion of learning & development within Code of Practice, assessment & curriculum development & management, pupils with emotional & behavioral difficulties, 16803
systemic POETICS model, conceptualization of learning & behavior problems in classroom & application by teachers & counselors, 10022
teacher assessment strategies & attitudes toward student learning & process skills & school policy, Year 2 teachers, England, 36959
theories about how learning & memory take place & causes of forgetting & need for teacher awareness of encoding process, implications for school learning, 34291
use of Chinese vs Western literature & poetry to determine models of learning to read & write & child rearing, 22305
World-Wide Web interface for teaching & learning of statistics, college students, conference presentation, 36949

School Leavers—Serials
changes in characteristics & outcomes of early school leaving, adolescents, 1980s, Australia, erratum, 13781
rates of violent & property offending & arrest & conviction & unemployment following school leaving, 18 yr olds, New Zealand, 18 yr study, 31378
unemployment after school leaving, rates of major depression & anxiety & conduct disorder & nicotine & alcohol & other substance dependence & suicide attempts, 18 yr study, New Zealand, 35414

School Nurses—Serials
instructional method for school nurse teaching peak flow monitoring & asthma self management principles, emergency room visits & school absences & anxiety, asthmatic 8–12 yr olds, 20696
role of college health nurses in assessment & intervention & prevention of alcohol-related problems of students, 43349

School Organization [See Educational Administration]

School Phobia—Serials
citalopram, treatment of school phobia & panic disorder, 9 & 13 & 16 yr olds & their parents, 13000
developmental perspective of brief psychotherapy, 11 yr old female with school phobia, 27148
school phobia, persistence of psychiatric disorder & psychosocial adjustment, 32–37 yr olds with childhood history of separation anxiety disorder vs psychiatric disorders, 20–29 yr followup, Sweden, 42367
School Principals—Serials
advantages of reality therapy & choice theory & quality school concept in education management, transition from boss to lead manager, school principal, 33331
empowerment & perceptions of principals' use of power, elementary & middle & high school teachers, 20521
guidelines for responding to & management of student misbehavior, school principals & teachers, 24639
intra-reference group conflict, role expectations of secondary school principals, teachers, Nigeria, 33344
knowledge of national workforce preparation policies & commitment to career development program outcomes & cultural diversity & utilization of counselors, public high school principals & counselors, 10005
perceived stress & specific work-related stressors, public school principals, Canada, 43583
School Psychologists—Serials
acceptability of behavioral vs traditional assessment procedures for externalizing problem behaviors, school psychologists, 40499
affiliation vs isolation in work life, school psychologists, 5529
assessment of alternative model for delivery of school psychological services, teachers & principals in public school district & school assistance center staff, 13897
benefits & types of school-based intergenerational programs involving senior volunteers & youth & role of school psychologists in organization of programs, 20695
characteristics & professional development benefits of peer support groups, school psychologists, 5583
characteristics of school psychology graduate education, implications for entry-level & doctoral specialty definition, 36947
child advocacy & preservice & inservice training & assessment services & integrated models of service, role of school psychologists, 20513
clerical error rates on WISC-III vs WISC-R, school psychologists, 2682
collaborative consultation model for teaching students with special needs, 9977
creativity & alonetime as coping strategies, school psychologists, 13674
demographic characteristics & salaries & professional credentials & affiliations & educational background, male vs female school psychologists, 13524
development & validity & relevance of DSM-IV, school psychologists, 4008
diagnosis of pervasive developmental disorders in DSM-IV & utility for school psychologists, 4397
education & community concerns & state policies on AIDS & role of school psychologists, 19555
expansion & update of collaborative consultation model, 9976
importance of continuing clinical supervision, school psychologists, 20423
individual productivity & degree granting university & research topics, authors in school psychology, 1987–97, 20393
instructional consultation model for service delivery to low achieving students, 9987
knowledge of children's legal rights & avoidance of lawsuits, school psychologists, 33262
legislation & certification & licensing, school psychologists, US & Canada, 20523
perceptions of Jack Bardon's contributions to professional school psychology, school psychologists, 43715
perceptions of reform in role & function, school psychologists, 13672
perspectives on involvement activities for enhancement of students' success in school, parents of school age children & school psychologists, 36954
practitioner's perspective of collaborative consultation model, 9869
professional challenges for school psychologists in 21st century, 20512
questions regarding emergent literacy in kindergarten, school psychologists & teachers, 33328
role of school psychologists in helping communities to cope with challenges faced during severe crises & disasters, based on data over 20 yrs, Israel, 37139
role of school psychologists in school reform, 20687
sociopolitical attitudes & involvement in school-based AIDS programing, school psychologists, 40356
symptoms & intervention & assessment & role of school psychologist for children with Gilles de la Tourette syndrome, 34837
systems framework for school psychology, role & function of school psychologists, 20383
theoretical framework exploration of major competencies to work with multilingual-multicultural children, monolingual school psychologists, 17035
School Psychology—Serials
APA accredited doctoral programs in clinical & counseling & school & combined professional–scientific psychology, 1996, 13529
application of functional analysis/assessment procedures for severe/common classroom behavior problems, implications for school psychology, literature review, 2256
application of persuasion research to consultation in school psychology, 35211
behavior analysis & school psychology, 33335
characteristics & components of effective school psychology training program & processes & faculty & students, 36943
characteristics of school psychology graduate education, implications for entry-level & doctoral specialty definition, 36947
contributions to psychology, R. G. Bernreuter, obituary, 24391
creation of core curriculum for education & training, school psychology students, Canada, 20528
curricular content of child clinical vs school psychology practitioner training programs, 9708
development & validity & relevance of DSM-IV, school psychologists, 4008
diagnosis of pervasive developmental disorders in DSM-IV & utility for school psychologists, 4397
DSM-IV vs DSM-III-R criteria for childhood anxiety & depressive disorders & utility of DSM-IV for school psychology, 4035
DSM-IV vs DSM-III-R criteria for conduct disorder & oppositional defiant disorder, implications for school mental health teams, 4232
DSM-IV vs DSM-III-R criteria for feeding & eating disorders in infancy & childhood & adolescence & utility & limitations of DSM-IV for practice of school psychology, 4452
elaboration likelihood model of persuasion & attitude change & relevance to school psychology, 35214
epidemiology of psychiatric disorders & availability of mental health services, children & adolescents, 1987–90, implications for school psychology, literature review, 1138
historical influences on preparation & credentialing for practice & professional role & functions in school psychology, US & Canada, 20518
individual productivity & degree granting university & research topics, authors in school psychology, 1987–97, 20393
International School Psychology Association's guidelines & definition of school psychology, 40337
issues in school organizational development practice & educational psychologist role as consultant, South Africa, 5560
J. R. French & B. H. Raven's bases of social power model & application to school consultation, 35202
modifications in diagnostic criteria for ADHD in DSM-IV, utility for practice of school psychology, 4406
perceptions of Jack Bardon's contributions to professional school psychology, school psychologists, 43715

school based consultative intervention program, academic on task behavior & compliance in regular education classrooms, 7–18 yr old elementary & middle & high school students with behavior disorders, 13842
school psychology role in education reform & inclusion for disabled students, 20650
science & practice in school psychology, 40338
special education & school psychology consultation as educational technology & zeitgeist of school reform politics, 13655
status of school psychology specialty & history & trends & purposes & problems associated with educational & psychological testing with emphasis on European conditions, 28118
systems framework for school psychology, role & function of school psychologists, 20383

School Readiness—Serials
month of birth & delayed kindergarten entry 1 yr past chronological eligibility for school enrollment, male vs female 1st–12th graders, implications for school readiness, 2194
school entrance age, reading & mathematics achievement, older kindergarteners vs younger 1st graders vs older 1st graders, Canada, 9-mo followup study, 24618
school readiness practices, children at risk for school failure, 33329
technical & policy aspects & validity of school readiness testing, local school districts, 33333
television viewing habits & parental employment & educational quality of home environment, IQ & school readiness, preschoolers (mean age 4.8 yrs) from low-income families, 34788
transitional prekindergarten intervention program, academic achievement, 4th–5th graders who were developmentally immature at kindergarten screening, 17120
use & efficacy of screening & assessment for measuring potential learning problems & school readiness, kindergarten & 1st grade students, 28588

School Refusal—Serials
circadian core body temperature rhythm disorder & sleep disturbance, 12–18 olds with school refusal without physical or psychiatric disorders, 31124
definition & subtyping & interfacing of school refusal behavior with appropriate assessment & prescriptive treatment strategies, children & adolescents, 19292
diagnostic & functional classification & treatment approaches, children with school refusal behavior, 26402
effectiveness of multimethod assessment & behavioral intervention, 7 yr old male with school refusal, 12846
epidemiologic & etiologic factors in & treatment strategies for anxiety & distress evoked school refusal, 8865
family functioning & psychopathology & child diagnosis, mothers &/vs fathers & school refusing 7–17 yr olds from 1 vs 2 parent families, 26339
parental control, school refusal, male 12 & female 10 yr olds, case reports, implications for early assessment & interagency family intervention, 1349
reliability & validity of Anxiety Rating for Children-Revised, child & adolescent school refusers, 10433
somatic symptoms, 12–18 yr old school refusers with comorbid anxiety & depressive disorders, 35451
systematic replication strategy intervention, school refusal behavior, 10 yr old female with separation anxiety disorder & social phobia, 19829

School Retention—Serials
analysis of gap between majority of research findings & school practices of student retention, school age children, 33512
coping & self esteem & academic integration & identification & experiences of disrespect, intention to remain in college, ethnic minority vs nonminority college students, 33517
early retention, long term academic & behavioral outcomes, kindergarten students with attention problems, followup study, 33462
expectation of completing high school & academic self-confidence & number of absences & retention, Mexican-American 3rd–5th grade siblings of high school dropouts vs persisters, 17195
kindergarten retention & current & subsequent social adjustment & academic performance, 57–80-mo-old retained children vs promoted age mates vs classmates in repeated yr, longitudinal study, 33508
middle school transition programs, high school retention & performance, 8th graders, 33432
psychotherapy sessions received in university-based counseling, student retention, 20–59 yr old college students, 2 yr study, 37140
retention & satisfaction & employment outcomes, 20–50 yr olds in Master's level psychology program, 5490
school retention, short & long term academic achievement & social & personal adjustment, retained vs low achieving promoted students in K–3rd & 6th grade & at age 16 yrs, longitudinal study, 43661

School Suspension—Serials
primary school suspensions & expulsions & students' levels of unmet educational &/or social needs, local education authorities, Great Britain, 2198
school exclusion vs in-school suspension & prevention model for development of school based social skills, behaviorally disturbed students, literature review, 1975–95, 20671

School to Work Transition—Serials
employment & postsecondary education outcomes & educational practices in relation to school to work transition, youth with disabilities, literature review, 43693
employment during the school year, concurrent & subsequent school & work criteria, West Point cadets & high school seniors who qualified for ROTC membership, 37072
environmental & individual factors in psychological well-being throughout transition to adulthood, high school graduates, 2-yr study, Canada, 15278
issues in school to community or work transition, students with disabilities, implications for vocational rehabilitation counselors, 9645
person centered planning, parent participation in individual educational planning transition meetings & discussion of post-school issues, mentally retarded adolescent students & their parents, 37135
plans for & experiences of employment & post secondary education & independent living following high school, deaf 17–21 yr olds, 39587
relationship between school-to-work transition & job satisfaction & occupational choice congruence, 18–29 yr olds, conference presentation, 37191
secondary special education student social interaction & employment & community adjustment outcome measures in conceptual framework for analysis & literature review on transition to adult life, 37101
the role of counseling psychology in the school-to-work transition movement, commentary, 37133
the role of counseling psychology in the school-to-work transition movement, commentary, 37132
the role of counseling psychology in the school-to-work transition movement, 37141
transitional experiences during 1st yr of primary care practice after graduation based on "From Limbo to Legitimacy" theoretical model, 29–48 yr old nurse practitioners, 1 yr study, 40294
work & community living transition services & service integration model, students with disabilities, 33526

School Transition—Serials
changes in personal achievement goals & perceptions of classroom goal structure & perceived academic competence during elementary to middle school transition, 5th graders, 1 yr followup, 40421
feelings toward mother & father & siblings, 17–19 yr olds entering college, 15309
impact of support group intervention, adjustment & social support, 17–20 yr olds entering their 1st yr at university, Canada, 17264
intervention program evaluation of high school transitional relational changes, academic performance & perceptions of self & school environment, urban minority 9th graders, 5677
middle school transition programs, high school retention & performance, 8th graders, 33432

perceived friendship quality, prediction of school achievement & adjustment during transition to grade school, male vs female kindergartners, 5684
transition stress factors & coping strategies over time, 18–19 vs 20–24 vs 25 yr old & older post-secondary students, Canada, 13768
transition to high school, self esteem & efficacy & perceived school & peer social contexts, Black vs Latino vs Asian American vs White economically poor students, 17205
transition to university, goal contents & well-being & life context, 18–32 yr old students, 2 yr study, Finland, 33511
School Truancy—Serials
learning style, 15–17 yr old school refusers vs 12–16 yr olds in regular attendance, 17176
responses to school attendance & levels of & reasons for truancy & development of school responses, students in Years 7–11, England, 2208
SES & family structure & Catholic school attendance & number of school changes, dropping out of high school, 8th graders at 10th & 12th grade followups, 40455
Schools [See Also Boarding Schools, Colleges, Elementary Schools, High Schools, Junior High Schools, Kindergartens, Nursery Schools, Seminaries]—Serials
arguments for & against teaching suicide prevention in schools, teachers and students, Australia, 33395
attitudes toward & observations of prior & current experience of & differential rates of & characteristics of schools, academic cheating, 19–44 yr old 2nd yr medical students, 5472
challenges & opportunities for psychology in health care & other social reforms associated with US schools, 24522
community psychology & full-service schools in different cultures, 27942
conflict resolution & peer mediation in schools, literature review, 33497
efficacy of reality therapy applied to education, literature review, 33414
employee tenure, personal orientation & organizational climates in schools, teachers, 36946
evolution & role of school based mental health & social welfare services, 40504
group therapy concepts & methods in educational settings, children & teenagers, 39734
integration of schools & families & communities through School Development Program, 20546
issues for psychology in education reform, US, 24524
mental health & substance abuse service use in community & school, 9–17 yr olds & their parents participating in Epidemiology of Child & Adolescent Mental Disorders Study, 9378
metaphors & attitudes toward parents & teachers & school, 5th & 6th graders, 9963
patterns of violent & property crimes in schools, Sweden, replication, 42576
perspectives on students with learning difficulties & how school respond to these difficulties, school administrators, 43582
predictors of arrest status in & out of school, adolescents with serious emotional disturbances & learning disabilities in transition, 3 yr followup, 13823
role of educational psychology & approach of schools to children with mental health problems, educational psychologists, England, 10015
role of psychologists in school health program improvement, 24571
sex, typical conversations about school experiences & relationships, Hispanic vs Anglo kindergartners & their mothers, 15284
social structure of larger society & organizational structure of schools, educational process in schools, teachers & primary & junior high & high school students, 17099
technical & policy aspects & validity of school readiness testing, local school districts, 33333
use of corporal punishment in schools, 20624
use of educational evaluation methods to assess effectiveness of speech & language therapy in schools, 24356
3 steps in school choice, children & their parents, Wales, 24565
3-tier interagency structure, collaborative agency & school planning & service provision, high school students with intellectual disabilities approaching adulthood, 5388
Sciatic Nerve [See Spinal Nerves]
Science Achievement—Serials
amount of hands on science experience, science achievement, 8th graders, 17180
classroom assessment environment, mathematics & science achievement, 7th & 10th graders, 4 yr study, 43623
cognitive variables, problem solving performance in chemistry, 16–17 yr old chemistry students, Singapore, replication, 28015
conceptual & practical & logistical issues in development of science performance assessments, 40937
cooperative learning based computer program with verbal interaction cues & mixed ability grouping, summarizing & explaining during science task, dyads of 8th graders, 33429
factor structure of achievement test, science achievement, 12th graders observed since the 8th grade, 25107
student created portfolio vs traditional objective assessment procedures, science achievement & attitudes, undergraduate physics students, 43572
subject matter & laboratory experiences & science learning early in high school, female vs male 10th graders, 37027
teacher & student & school characteristics & curriculum & ability & subject domain, achievement in life & physical sciences, male vs female 8th graders, 28016
Science Education—Serials
ability & self efficacy & expectancy-valence & interest congruence & support or barriers as theory derived variables, prediction of academic persistence, female vs male college engineering students, 24623
ability to identify relevant variables during investigative work, 12–14 yr old pupils, England, 20587
achievement in basic science coursework, performance on US Medical Licensing Examination Step 1, medical students, conference presentation, 9731
amount of hands on science experience, science achievement, 8th graders, 17180
analysis of promotion of basic & integrated science process skills involved in scientific inquiry in high school biology lab manuals, 20543
assessment of delayed science instruction practices based on assumptions about children's developmental constraints, application of Piagetian research, commentary, 36966
assessment of delayed science instruction practices based on assumptions about children's developmental constraints, application of Piagetian research, commentary reply, 36969
attitudes toward & instructional strategies in science, classroom practice, teachers, France, 36967
attitudes toward the subjects of English & mathematics & science & technology, 13–14 yr old students, England, 28053
behavioral & cognitive task engagement & interest or intrinsic motivation to learn in science classroom, 6th graders, 17166
changes in knowledge about chemistry, 15–18 yr old 10–12 grade students, Spain, 37029
changes in thinking about nature of scientific investigation during elementary science methods preservice course, student teacher, implications for science teaching, 2165
classroom science & technology & society interactions & teaching learning model, comprehension & science attitudes, 16–18 yr old secondary school students, Spain, 36977
cognitive & affective conversational elements of discourse patterns in computerized journaling in advanced physics class, high school students & their instructor, 17116
collaborative action research to enhance normal teaching practices & teacher education & to reform science education, physics teachers, 20519
comprehension of conceptual change learning & teaching, teachers, implications for science teaching, 9897
conceptions of energy, primary school teachers in preservice training programs, 40361
concepts of heat energy & temperature & conceptual changes resulting from intuition based curriculum, middle school students & scientists & other adults, commentary, 17148

concepts of heat energy & temperature & conceptual changes resulting from intuition based curriculum, middle school students & scientists & other adults, commentary reply, 17142
consistency of explanations about combustion & processes of conceptual change, 14–15 yr old students, Spain & England, 37048
construction & unification of plurality of ideas on concept of volume, 11 yr olds, Greece, 9932
constructivist beliefs about learning, types of teaching strategies used, science teachers, 17129
constructivist perspective on validity & reliability of research evidence regarding ideation in chemistry education, children, 2173
content-transcendent goal of intellectual independence, nonscientists from science education, 40336
conversations about gender differences in instructional activity & classroom experiences, high school physics students, implications for gender bias in science classrooms, 17194
cooperative teaching field experience, science teaching self efficacy, preservice elementary education students, 5570
current conceptions of development of positivist-postmodern debate in science education, 43570
data-logging methods in science laboratories, school education & learning, 12–15 yr old students, UK, 17150
definition of science literacy & relation to school level science instruction, 20571
definitions of scientific literacy in current proposals & implications for science education reform, 13701
demonstrations vs problem-solving exercises in science education, elementary school teachers & students, Mexico, 43593
description & application of assessment conversation instructional strategy in science classrooms, 27963
development of paper & pencil item pool based on 1989 American Association for Advancement of Science literacy goals, assessment of science literacy, Royal Society of South Africa members, 6103
development of scheme of work for science, building in subject specific vocabulary, students with speech & language difficulties, 9988
discourse analysis of science education, high school students, conference presentation, 43602
emphasis on correlations & patterns in neurocognitive science in an analysis of current models of learning & instruction in science education including a "learner-centered" approach, 24603
empirical model for prediction of science achievement, 9th graders, US vs China, 17184
evaluations of science learning capabilities in general education classrooms, teachers & 4th–8th graders with learning disabilities, 3 yr study, 13816
experience of fetal dissection, 6th grade science students, implications for socialization of scientists, 43611
factors influencing science teaching efficacy & teaching outcome expectancy, elementary teachers, 9838
fallacious argument in science education & social constructivist conceptual change model, 36988
given vs constructed analogy used in physical science learning, knowledge restructuring, 5th graders, Italy, 9929
grade level, attitudes toward & participation in science, male vs female kindergarten–12th graders, 37065
group vs individual level science ability assessment, 5th graders with & without mild disabilities in cooperative groups, scale appended, 13851
hypermedia environment using constructivist principles, discovery of preconceptions about fundamental electrical principles, teacher trainees, 43586
instructional value system, student perceptions of topic interest & importance, high school science teachers, 40427
integration of literature-based program into literacy & science instruction, achievement & use of literature & attitudes toward program, 3rd graders from diverse cultural backgrounds, 20558
interpretation of discourse in science classes, students & teachers, 17200
investigated changes in conceptions about projectile motion using demonstration & text & an appeal to usefulness, preservice elementary school teachers with nonscientific conceptions, 24569
level of knowledge, performance assessments of cognitive activities during science problem solving task, 5th graders, implications for learning & instruction, 33376
mandated standardized testing, minority students' access to quality curriculum & instruction in mathematics & science, 4th & 8th grade & high school teachers of high vs low minority classes, 17144
mental models of atoms & molecules, 8th–10th graders, Australia, implications for chemistry teaching, 2171
misconceptions regarding stoichiometry & chemical equilibrium, college students, South Africa, cognitive developmental implications for teaching science concepts, 17132
nature of small group social interactions in mediation of science learning, 1st graders & their teacher, 17153
operational knowledge of weight concept after introductory vs advanced physics courses, high school & college students, 5593
overview of Third International Mathematics & Science Study & role in educational policy, 9 & 13 yr olds & students in last yr of secondary education, 27956
participation in inservice program, implementation of constructivist approach to learning & teaching in science education, elementary school teacher, England, 9827
patterns & relationships in development of science process skills regarding design of experiments, 7th graders, 17163
performance in English language chemistry class, 11th grade Chinese chemistry students with limited English proficiency, Australia, 17182
professional development summer institute, attitudes & intentions to change treatment of scientific knowledge & assessment strategies in classrooms, teachers, 40362
promotion of cognitive vs emotional interest by adding entertaining text & illustrations vs summary illustrations with captions, scientific text recall, college students, 24611
radical vs social constructivist positions & epistemology vs modest realism, styles of learning & curriculum in science education, 5610
rationale & justification for teaching history & philosophy of science & model for inclusion in science curriculum, 36971
readiness to change conceptions of motion & force, 6th vs 10th graders, Australia, 37076
relationships between teacher metaphors & the teaching & learning of science, literature review, 27976
reliability & validity of Tversky condition in rating scales, assessment of science attitudes, 3rd graders, 63
scientific & pseudoscientific beliefs, college students & faculty, 5672
scientific knowledge & reasoning, male vs female 6th–8th graders, 33476
sex & attitudes toward science & other curricula & occupations, subsequent chosen courses of study, 6th graders, 5 yr followup, Israel, 5689
simultaneous prompting with vs without error correction, retention of science vocabulary words, 16–17 yr olds with learning disabilities, 17231
structural modeling & science education, junior high & high school students, commentary, 17139
structural organization of small group interactions during collective activity in science class, 4th & 5th graders & their teacher, Canada, 43667
student created portfolio vs traditional objective assessment procedures, science achievement & attitudes, undergraduate physics students, 43572
subject matter & laboratory experiences & science learning early in high school, female vs male 10th graders, 37027
successive & progressive conceptual changes in structural complexity of knowledge, male vs female science & nonscience college students, longitudinal study, 40431
supplemental instruction with investigative-oriented laboratory activities vs worksheet-study approach, logical thinking ability & problem solving & achievement in science, 8th graders, Turkey, 24562

systemic reform initiatives aimed at precollegiate mathematics & science education & improvement of instruction, students in kindergarten through 12th grade, literature review, 43603
teacher vs researcher perspectives on teaching methods & dichotomy in thinking & actions, high school chemistry teacher, 43606
teaching of standard textbook physics, changes in qualitative understanding, college students, 37041
teaching referents & authority vs coherence vs empirical evidence warrants used to test viability of mental models, 8th grade science students, implications for constructivist learning theory, 43608
test of constructivist based analytical model of learning in science classroom, 11–13 yr old middle school students, Australia, conference presentation, 43619
understanding of nature of science, 12–13 yr olds vs 14–15 yr olds vs 16–18 yr olds, England, implications for science education, 2175
use of cooperative learning in integration of science & reading & writing, 20561
use of repertory grids, elicitation of students' private understanding & teachers' public knowledge, geology college students & their instructor, Italy, 17117
validity of multitrait-multimethod/multiform matrices, assessment of attainment targets for national testing & teacher assessments in science, 14 yr olds, England & Wales, 1993, 17703
worldview theory & conceptual change model in science education, 2170

Sciences [See Also Biology, Chemistry, Eugenics, Geography, Mathematics, Medical Sciences, Neurosciences, Physics, Psychobiology, Social Sciences]—Serials

beliefs about shape & motions & relative location of earth & sun & moon & day–night cycle & influence of folk models, 5.7–8.4 yr olds, India, 18512
chaos theory from perspective of philosophy of science & its application to vocational counseling, 34737
clinical vs actuarial judgment & metascience & methodological knowledge under conditions of uncertainty, 25139
cognitive science explanations of hermeneutic psychoanalysis, 12896
constructivist teaching approaches & sex differences in achievement in mathematics & science, high school females, 17146
convergence of paranoia & science & science fiction & psychoanalysis, implications for totalizing vs nontotalizing worldviews, 30605
diversity of scientific philosophies & scientist-practitioner model of psychology, 17533
formal science for psychoanalysis, application of models drawn from physics, commentary reply, 9012
formal science for psychoanalysis, application of models drawn from physics, commentary reply, 9005
interactions between science & practice in clinical neuropsychology, 6663
legitimacy of psychology as science, 9
metaphysics of race in social Darwinism & scientific racism, 3890
natural science approach to social science, 2
numbers of theories & laws cited in psychology vs natural science textbooks, 1866–1996, 24975
participation of psychoanalysis in sciences & incorporation of objective importance of values into scientific picture, 8997
paths toward integration of Christianity & psychology & compatibility of science with Christian values, 7451
philosophy of science & reductionism & theories & testing theories & psychoanalysis, conference presentation, 30629
power perspective on racial impact of science & technology, African Americans, 3571
psychodynamic psychotherapy & literature & deep thinking vs science, commentary reply, letter, 30618
psychodynamic psychotherapy & literature & deep thinking vs science, commentary, letter, 30599
psychology vs sociology vs biology vs physics textbook definition of experiment, 17534
racial patterns of career mobility in science & engineering fields, Asian vs Black & White Americans, 2 & 4 & 7 yr followup, 43764
scientific credibility of psychoanalysis & definition of science vs psychoanalysis, conference presentation, 30626
social construction of scientific evidence, analysis of experimental method in R. Boyle's "Hydrostatical Discourse", 17781
sociological & clinical & historical perspectives on psychoanalysis vs other sciences, Freud–present, 37358
types of requests for information in evaluation of scientific news briefs, 17–38 yr olds, 41075
unity vs disunity in organizations & methodology & subject content, psychology &/vs other sciences, 17552
use & misuse of commonly held perceptions of females' difficulties in science & mathematics, challenges to historical stereotypes, 950
Vygotskian perspective on interdependence of thought & language & relationship between school instruction & mental development & application to development of scientific concepts in childhood, 3363

Scientific Communication—Serials

A. Freud's opposition to uncensored publication of letters between S. Freud & Jung, 10347
action & transference & resistance in paradox of analytic process, commentary on "The Anatomy of Psychotherapy", 12908
address list for editors of APA's primary journals, 1997, 40235
analysis of age & race/ethnicity & language & sexual orientation & gender content specific to cultural diversity in rehabilitation journals, 1984–94, 5391
analysis of database coverage of national trends in behavioral & medical science research, 1981–1994, 24970
article research characteristics & evaluations & decision making in journal review process, journal reviewers & editors, 36836
assessment of need for new journal covering group psychology & group psychotherapy to integrate diverse topics in group dynamics & group intervention, literature review, 1980–95, 39737
assumption of accumulating knowledge & role of representation & values in organization science & development of professional dialog, commentary, 17370
attitudes toward replication research, editors of natural science vs marketing/advertising/consumer behavior journals, 24828
awareness of sources of research evidence & its influence on fundholding practices, fundholders & general practitioners, England, 43542
bias against publication of null results, 24958
bibliometric & content analysis of 1st 10 volumes of Australian & New Zealand Journal of Family Therapy & history of family therapy, "Australia & New Zealand", 4893
bibliometric analysis of scientific productivity in environmental psychology, Mexico, 1960–96, 33779
bibliometric examination of psychophysiological research in journal "Psychophysiology", 1964–93, 6796
child protection professionals' rankings of influential papers in child abuse vs number of citations in professional literature, 43541
commemoration of publication of Freud's "Studies on Hysteria", 11813
consensus statement for geriatric psychiatry, 27105
consistency of surname counts among authors of introductory psychology textbooks vs frequency of eponyms in psychological literature, assessment of eminence in psychology, 20395
content analysis of gay or lesbian or bisexual or sexual orientation themes in marriage & family therapy journals, 43021
content analysis of "Journal of Multicultural Counseling & Development", 1980–84, 19729
correspondence & relationship between A. Freud & L. Andreas-Salome, 10346

cost effectiveness & outcomes of integrated continuum vs traditional delivery of mental health services & conventional wisdom vs data as guiding principles of professional psychology, commentary, 32852
criteria for evaluating & planning qualitative rehabilitation counseling research & elements of research article, 5452
critical analysis of role & process of APA's political resolutions, commentary reply, 24396
critical analysis of role & process of APA's political resolutions, commentary, 24393
critical analysis of role & process of APA's political resolutions, commentary, 24389
critical analysis of role & process of APA's political resolutions, commentary, 24399
critical analysis of role & process of APA's political resolutions, commentary, 24392
critical analysis of role & process of APA's political resolutions, 24395
current debates in primarily British academic & professional journals regarding child protection, 32894
definition of maternal sensitivity in child attachment literature, 15313
dissemination & bridging gap between behavior scientists & practitioners, Canada, 20398
dissemination of professional sport psychology practice knowledge through publications, editorial, 37231
distribution of research topics presented at General Meeting of European Association of Experimental Social Psychology as measure of European research efforts in social psychology, psychologists, 7590
early-onset bipolar disorder assessment and treatment parameters, children & adolescents, 30815
elements & evaluation of treatment manuals in effective dissemination of empirically validated psychotherapies, 23586
establishment & format & benefits of psychiatry study group, community pediatricians & child psychiatrists, 36887
ethical issues in scientific research publishing, editorial, 9777
ethical standards of conduct in publication, rehabilitation researchers, 13645
explaining citation counts of professors & associate professors in developmental psychology, US & Canada, 24384
extent & characteristics of published psychiatric research carried out without external funding, medical schools, US & Canada, 40993
failures & mistakes in family therapy, insufficiency of accounts of failures in literature, 23799
frequency of aging issues & later family life concerns addressed in marital & family therapy literature, 1986–93, 16558
guidelines for writing proposals to obtain research grants, 20400
guidelines for written scholarship & dissemination of knowledge through journal publication as professional activity, rehabilitation practitioners, 5447
guidelines in APA's "Publication Manual" for writing abstracts for empirical articles, commentary, 13521
highlights of American Psychiatric Association's 1996 fall conference focusing on clinical care, 33224
human–animal interactions in "Applied Animal Behaviour Science" special issue, 6414
impact factor of "British Journal of Psychiatry" vs other general psychiatry journals, 36840
implications of repetitive publications on outcome of database dependent research such as meta analyses & adverse events rates, letter, 9677
individual productivity & degree granting university & research topics, authors in school psychology, 1987–97, 20393
interpretation of omission in psychoanalytic writing about self analysis, psychoanalyst, 1768
issues in correspondence & relationship between Freud & E. Jones, 10344
issues in ethical maintenance of scientific authorship practices, 9791
issues in psychoanalytic case history writing for presentation or publication & protection of patient's confidentiality, 40321
issues in relationship & correspondence between Freud & Ferenczi, 10341
issues in relationship & correspondence between Freud & Jung & analysand S. Spielrein, 10340
issues in representation of articles authored by art therapists & the journal "Art Therapy" in information databases, commentary, 20012
issues in representation of articles authored by art therapists in information databases, 20016
knowledge flow in scientific community through information transfer & scientific contacts made in formal meetings, 38671
manuscript peer review & administrative help, publication quantity & quality, authors of journal manuscripts, 13514
methodological errors in & detraction from credibility & value of grounded theory research, 6171
model of procedural & distributive justice & reactions to editorial decisons & review process, authors who submitted to "Journal of Applied Psychology", implications for human resources practices, 10052
number of cites in 1994 Social Sciences Citation Index, social work vs psychology full professors, implications for contribution to academic discourse, 43488
number of psychology research scholarly journal pages & mentoring & teaching effectiveness measured by number of psychology PhD degrees, liberal arts colleges, 17036
overview of schizophrenic genetic research, 1995 World Congress on Psychiatric Genetics, 7999
overview of 1994 APA style manual changes & common errors, authors, 24387
participant status & context in communication & its reporting in social psychology research, commentary, 7589
participant status & context in communication & its reporting in social psychology research, 7588
participant status & context in communication & its reporting in social psychology research, commentary reply, 7129
patterns of research publication in Journal of Mental Health Counseling as indicator of professional identity development for mental health counseling, 1979–1993, 43484
perceptions of effectiveness of e-mail vs face-to-face vs fax vs post vs telephone communications, collaborative authors, 29667
personal comment on life of R. May, biography, 9671
personal response to 75th anniversary issue of "International Journal of Psycho-Analysis" & its focus on psychoanalytic subjectivity & intersubjectivity & scientific endeavors, author/analyst, 5451
perspectives on Freud–Ferenczi controversy & confrontation between drive-based & object-relations psychoanalytic theories, conference presentation, 26317
programing tools for creation of World-Wide Web home pages, psychology students & professional organizations, conference presentation, 36838
pseudoscience of psychometric assessment of & assumptions about racial & ethnic differences in intelligence in R. Herrnstein & C. Murray's "The Bell Curve," commentary, 3901
psychoanalytic contributions of meetings of Scientific Association of the Lake Constance Psychiatrists, Switzerland, 1919–32, conference presentation, 17541
quantified criteria for acceptance of peer reviewed manuscripts in "Psychological Bulletin", 1993–96, 20399
quantitative trends in number of articles & geographic location of authors & author affiliation in "Journal of Abnormal Child Psychology", 1973–1996, 27855
random effects selection model, estimation of effect size & reduction of publication bias effects in meta-analysis, 17744
references to males vs females in PsycLIT & SOCIOFILE databases, 1974–1994, 11606
regard of dissociative identity disorder as valid diagnostic entity, psychiatrists, US vs other English-speaking countries, 1976–95, 42205
relation of theory to psychoanalytic therapy, commentary on "The Anatomy of Psychotherapy", 12917
relativity of genotypes & phenotypes in critique of R. Herrnstein & C. Murray's "The Bell Curve," commentary, 3955

research publication productivity, clinical vs counseling psychologists, 13516
selective use of relevant materials & references in historical introduction of "The Bell Curve", 35349
suggestions for improving journal review process, commentary, 9679
suggestions for improving journal review process, commentary, 9676
suggestions for improving journal review process, commentary, 9673
suggestions for improving journal review process, commentary, 9675
suggestions for improving journal review process, commentary, 9672
summary of APA journal operations, 1996, annual report, 40247
theory & paradoxical objectives in psychoanalytic therapy, commentary on "The Anatomy of Psychotherapy", 12902
theory & paradoxical objectives in psychoanalytic therapy, commentary on "The Anatomy of Psychotherapy", 12909
theory & paradoxical objectives in psychoanalytic therapy, commentary on "The Anatomy of Psychotherapy", 12904
theory & paradoxical objectives in psychoanalytic therapy, commentary on "The Anatomy of Psychotherapy", 12887
theory & paradoxical objectives in psychoanalytic therapy, reply to commentaries on "The Anatomy of Psychotherapy", 12899
theory in distinction between psychotherapy & psychoanalysis, commentary on "The Anatomy of Psychotherapy", 12915
therapist variability & limitations of therapy manuals, 24450
trends in topics of doctoral dissertations on rehabilitation, 1992 & 1993, dissertation bibliography appended, 13412
use of statistical significance testing in "Journal of Applied Psychology", 1917–94, 40957
use of World-Wide Web for facilitation of international academic exchange, psychologists, conference presentation, 36843
Vygotsky's & Piaget's criticisms of each other's ideas & reasons for delay in initial response by Piaget, 14193
web-based ontolingua server as tool for meaningful interaction & communication & exchange of information among professional groups through consensus-based development of common vocabulary & language, 37302

Scientific Methods [See Experimental Methods]

Scientists—Serials

aging, decline in intelligence & memory task performance, eminent academics aged 70 yrs old & older vs retired blue collar workers vs PhD students, Australia, 5 yr study, 38464
attitudes & beliefs & perceptions regarding risks from chemicals, toxicologists vs members of public, Canada, implications for risk communication, 17482
attitudes toward sexual behaviors, scientists vs engineers, implications for grouping occupations in attitudinal surveys, 20775
dissemination & bridging gap between behavior scientists & practitioners, Canada, 20398
diversity of scientific philosophies & scientist-practitioner model of psychology, 17533
factors accounting for career choice & social support received & anxiety experienced & coping strategies, female scientists & technologists, Nigeria, 43737
funding & employment & partnerships with Centers for Disease Control & Prevention, behavioral & social scientists, 20191
innovatory climate & job satisfaction & internal human resources reputation of firm, research & development scientists, 2300
instance based algorithm approaches vs decision tree induction or perceptrons, preference prediction, astronomers, 24904
job clinic attendance with small group counseling vs receipt of unemployment compensation, reemployment, unemployed scientists, 17280
knowledge flow in scientific community through information transfer & scientific contacts made in formal meetings, 38671
reception in 1970s & early 1980s of T. R. Gurr's theory of collective violence based on relative deprivation, social scientists, 11521
research supportive climates in social work education & connections to researchers in other disciplines & improved levels of competence in movement of social work to better & more research, 20490
role of psychological theories & methods & behavioral scientists in public health efforts of Centers for Disease Control & Prevention, 20190
scientist–engineer distinction, job involvement & performance & counts of patents & publications, scientists & engineers, 1 yr followup, 40581

Sclera [See Eye (Anatomy)]

Sclerosis (Nervous System) [See Also Multiple Sclerosis]—Serials

clinical & pathologic characteristics of hippocampal sclerosis, 59–89 yr olds with dementia, 31750
development & reliability & construct validity & sensitivity of Amyotrophic Lateral Sclerosis Functional Rating Scale, assessment of activities of daily living, amyotrophic lateral sclerosis patients, 17685
guidelines for communicating & making treatment decisions in managing patients with amyotrophic lateral sclerosis, neurologists, 39904
provision of communication systems & strategies, changes in communication with disease progression, clients with amyotrophic lateral sclerosis/motor neuron disease, 9651
serial position of items in word list, effect on recall, adult seizure patients after surgery on left vs right hippocampus with vs without sclerosis, 16332
spatial vs figural delayed memory, adult patients with left vs right temporal lobe epilepsy with vs without hippocampal sclerosis, 12588
speech & motor deficits & cognition & language, 57–74 yr olds with amyotrophic lateral sclerosis, 8649
use of augmentative & alternative communication systems, 46–80 yr olds with amyotrophic lateral sclerosis, 2098

Scopolamine—Serials

active arginine vasopressin fragments, spatial cognition & acetycholine release, rats with scopolamine-induced spatial memory impairment, 21845
acute nicotine & scopolamine & mecamylamine, working vs reference memory in 16-arm radial maze, female rats, 41484
acute vs chronic nonselective muscarinic agonist arecoline, scopolamine-induced memory & learning decrements in Stone maze performance, male rats, 11111
age, cognitive vs behavioral vs physiologic sensitivity to doses of scopolamine, 40–89 yr olds, 7093
aniracetam vs oxiracetam, object recognition impaired by age & scopolamine & nucleus basalis lesions, 3 vs 16–18 vs 20–25 mo old male rats, 6822
benzodiazepine receptor agonist ZK-93426, effects of scopolamine on information processing & memory & psychomotor skills, adults, 6874
central cholinergic blockade effect of scopolamine, classical conditioning of eyeblink & nictating membrane responses in trace & delay paradigms, male rabbits, 38117
cholinomimetic RU 47213, scopolamine-induced working memory impairments in radial maze spatial task & T-maze delayed reinforced alternation task, male rats, 41495
dose response effects of scopolamine hydrobromide vs scopolamine methylbromide, olfactory recognition & recall of maternal behaviors toward lambs, newly parturient ewes, 18313
foot shock vs psychological vs forced swimming stress with vs without scopolamine, learning task performance, male mice, 21866
haloperidol &/vs scopolamine, licking behavior, thirsty rats, 6862
haloperidol with vs without scopolamine vs metergoline with vs without scopolamine vs scopolamine vs placebo, cognitive processes & behavior, 20–33 yr old healthy males, conference presentation, 34721

in vivo microdialysis of scopolamine-evoked hippocampal acetylcholine release & motor function & spatial memory following lateral cortical impact, rats, animal model of traumatic brain injury, 11127
increasing endogenous acetylcholine & blockade by scopolamine, sensory stimuli effects on extracellular activity of hippocampal neurons, awake rabbits, translated article, 11221
intrahippocampal scopolamine with vs without ondansetron, dose-related impairment of spatial learning, rats, 21826
methamphetamine with vs without scopolamine, behavioral sensitization & drug conditioning, rats, 7114
methamphetamine with vs without scopolamine, behavioral sensitization & drug conditioning, rats, implications for reciprocal balance between dopaminergic & cholinergic systems, 21939
MK-801 &/vs scopolamine, visual recognition memory performance, rhesus monkeys, implications for interactive role of cholinergic & glutamatergic systems, 29583
nefiracetam, eyeblink conditioning, female rabbits injected with mecamylamine & scopolamine, animal model of learning & memory deficits in Alzheimer's disease, 38176
neonatal cocaine, scopolamine-induced hyperactivity & impaired habituation & development of forebrain cholinergic neurons, rat pups, 41441
neonatal exposure to anti-nerve growth factor antibodies, exploratory behavior & locomotor activity & response to scopolamine, male mice, 38083
neuropeptide galanin & scopolamine in medial septum-diagonal band, hippocampal acetylcholine release, male rats, 21913
NMDA receptor antagonists, short-term memory, rats with scopolamine-induced amnesia, 21875
nootropics oxotremorine vs catopril vs odansetron vs tacrine, water-maze spatial deficits induced by combined pCPA & scopolamine, male rats, animal model of cognitive deficits in Alzheimer's disease, 41465
paeoniflorin & tetramethylpyrazine, memory tests, rats with unilateral nucleus basalis magnocellularis lesions vs normal aging vs induced learning deficit with vs without scopolamine, 21931
pilocarpine with methylscopolamine, retention of leverpressing response & acquisition & reversal of visual discrimination task, rats with lesions of nucleus basalis magnocellularis, 29392
pregnenolone sulfate, visual discrimination learning & scopolamine induced learning & retrieval deficits, male mice, 11173
receptor specific adenosine agonists vs antagonists, effects of dizocilpine vs scopolamine induced motor activity & deficits in spontaneous alternation, male mice, 29541
RU 35 926 vs tetrahydroaminoacridine, scopolamine induced memory impairments, rats, 18320
scopolamine & receptor specific muscarinic antagonists in dorsal medial prefrontal cortex, delayed conditional discrimination measure of short term memory, male rats, 25582
scopolamine & 8-OH-DPAT & NMDA antagonists, dissociation between cognitive vs sensorimotor/motivation deficits, male rats, erratum, 25617
scopolamine, cerebral blood flow & relationship to changes in performance on continuous recognition memory tasks, adults, 3262
scopolamine hydrobromide, acquisition of learned behaviors with vs without pre-drug treatment training, rats, 21824
scopolamine hydrobromide vs methyl bromide, acetylcholine systems & locomotion in black-white box, male rats, animal model of anxiety, 15095
scopolamine injection to neostriatum, food conditioned reflex, rats with different levels of operant habit fixation, 34718
scopolamine, motoric & temporal characteristics of vacuous jaw movements induced by reserpine & apomorphine, male rats, model of parkinsonian tremor, 3271
scopolamine, REM latency & duration & activity, 19–62 yr olds with remitted vs nonremitted unipolar depression, implications for cholinergic dysregulation, 30898
scopolamine vs pirenzepine vs mecamylamine vs nicotine, locomotor activity, alcohol preferring vs nonpreferring female rats, 29567
scopolamine, working & reference memory, 8 mo old rats, 8 mo followup, 570
single prior maze experience, behavioral changes in elevated plus-maze retest, scopolamine treated mice, 15087
tropisetron vs ondansetron, scopolamine-induced learning & memory deficits in step-through passive avoidance & spatial navigation paradigms, rats, 41505
1 vs 4 days of pretraining, foot-shock stress-induced prolongation of latencies in passive avoidance learning task, male mice pretreated with scopolamine, test of cholinergic hypothesis of stress, 11149

Scopolamine Hydrobromide [See Scopolamine]

Score Equating—Serials

behavior of characteristic curve method derived values for sampling distributions of equating coefficients, 128
degree of smoothing, equipercentile equating with postsmoothing method, 10590
differences in latent trait composites, unidimensional item response theory true-score equating for large scale standardized test forms, African American vs White vs Hispanic examinees, 14220
equivalence of data from 5 vs 7 point rating scales, 20–60+ yr olds, 28628
extension of miniumum chi-square approach to graded response model vs test response function method, 10574
goodness of fit & equating issues in use of Rasch item response model in multiple choice testing, 10587
list B vs list C for use as interference list for Auditory Verbal Learning Test, college students, 34042
methodology to examine cross language equivalence for tests measuring short term memory using word length & spoken duration, bilingual Mexican American male college students, 33958
quadratic curve equating method, equation of mean & standard deviation & skewness of test forms in random groups data collection design, 160

Scores (Test) [See Test Scores]

Scoring (Testing) [See Also Cutting Scores]—Serials

alternative item response theory method for adaptive test scoring, 17761
automated approach to scoring computer simulation test of patient management skills, physicians, 37372
BASICA computer program facilitated construction & scoring of various types of ratings scales & checklists, 10358
bidimensionally scored Cultural Life Style Inventory vs undimensionally scored scale, differentiation of dimensionality of acculturation, 19–70 yr old Hispanic patients, 24987
calculation of academic achievement composite scores for regression discrepancy models & composite's reliability & correlation with IQ score, application to suspected reading disability case example, 10527
combination of observed scores from sections of tests & shrinkage estimation of linear combinations of true scores, 33933
critical values of passing scores, assessment of guessing on true-false & multiple-choice tests, 17577
criticism of psychometrics of Myers-Briggs Type Indicator & use of item response theory methods in scoring, 10396
development & validation of demographic correction system for neuropsychological assessment, elderly with dementia, Canada, 2658
development of standard cutoff scores for Inventory of Interpersonal Problems, mentally healthy college students vs other adults vs patients, 2542
domain specifications & dimensionality & task generalizability & rater reliability & scoring of domain independent assessment approach, 11th graders, 6093
geometric interpretation of difference score validity & reliability, 34114
g2 vs B vs spliced indices as statistical answer copying detection measures for multiple choice tests, examinee pairs, 17568
interrater & internal consistency reliabilities of Lezak vs Denman scoring systems for Rey-Osterrieth Complex Figure Drawing, 18–84 yr old veterans, 20977

multidimensional Rasch models for partial credit-scoring, 6141
new scoring system of Rey Visual Memory Test, malingering detection ability, disabled vs normal nonmalingerers vs possible malingerers undergoing psychological evaluation, 14305
optimal test designs for polytomously scored items, 34086
quantitative scoring of goldfish behavior by computer image processing system, 21208
relationship between RAGE & Staff Observation Aggression scales, measurement of aggressive behavior, nursing home residents, 6 mo prospective study, Australia, 37455
reliability & validity of scoring system for Complex Figures Test, patients & community dwelling healthy adults, 2475
scoring accuracy & item functioning of automatically scorable open-ended response type for mathematics reasoning in computer-adaptive tests, applicants to graduate degree program, 37529
scoring methods based on finite state score vs classical test vs item response theories in scoring multiple choice items, students, 37566
scoring procedures, recency effect in free recall, patients with Alzheimer's disease, Italy, 4653
scoring student concept maps by comparison to experts' maps, cognitive structure of history knowledge, 11th graders, 9865
single item vs larger depression screening instruments, adjustments for caseness & cutoffs, medical patients, commentary reply, letter, 6042
single item vs larger depression screening instruments, adjustments for caseness & cutoffs, medical patients, commentary, letter, 6021
system used for scoring Multiple Affect Adjective Check List following nononcologic hysterectomy vs unplanned cesarean birth vs experience of gestational diabetes & birth of child, females, 119
use of scores weighted by patient preference, assessment of importance of domains of quality of life with adapted Functional Assessment of Cancer Therapy, cancer patients in chemotherapy, 21126
validity of scoring & standard setting for standard-patient cases in postclerkship examination, medical students, conference presentation, 6109
validity of written vs oral responses for scoring on Environmental Deprivation Scale, 18–32 yr olds, 40853

Scotland—Serials

admission to Fife & Kinross District Asylum, 1874–99, Scotland, 24264
age & period & cohort, analysis of incidence of schizophrenia, 15–59 yr old schizophrenic patients, Scotland, 22805
alcohol use, college students, Scotland vs US, 18815
decision making on diversion from prosecution into psychiatric care, Scotland, 43970
geographical variation in incidence rates & environmental factors in etiology, under 73 yr olds with probable presenile Alzheimer's disease, 1974–88, Scotland, 8662
geographical variation in incidence rates & risk factors & length of survival, adults with probable presenile Alzheimer's disease vs vascular dementia, Scotland, 8661
meanings attached to terms individual & community & local community, 18–23 & 40–45 yr olds, Slovakia & Scotland, 30094
nature & extent of bullying, 15–21 yr old male inmates, Scotland, 35856
perceptions of European Community & regional identities, college students, Scotland vs Andalucia, 22240
places & patterns & types of drug use in rave dance scene, 14–44 yr olds, Scotland, 8240
prevalence & pattern of dissociative experiences & relation to demographic variables & irrational thought processes, college students, Scotland, 22506
rape myth acceptance, male vs female college students, US vs Scotland, 8313
religion & alcohol & tobacco use & Irish descent, Scotland, 18823
rules of testimony governing testimony in criminal & civil cases, child witnesses, Scotland, 14120
Tayside Profile for Dementia Planning needs assessment & planning instrument, elderly adults with dementia, Scotland, 39508
use of Arizona Battery for Communication Disorders of Dementia, 60 yr olds & older with moderate Alzheimer's disease, Scotland, 17686
use of multiservice census data to identify persons with dementia, 65 yr olds & older, Scotland, implications for needs assessment, 39509

Scotopic Stimulation—Serials

Aguilar & Stiles scotopic threshold vs illuminance curves in detection & side by side adjustment tasks, rod sensitivity & color matching, adults, 21286

Screening [See Also Drug Usage Screening, Health Screening, Job Applicant Screening]—Serials

accuracy of telephone screening in identification of potential dementia cases, elderly with Alzheimer's disease, implications for location of dementia cases in community based investigation, 4668
acute vs repeated administration of reversible MAO inhibitors befloxatone & moclobemide, defensive behaviors in presence of rat, male mice, animal model of anxiolytic & anti-panic drug screening, 38105
adequacy of physicians' screening for HIV risk & general preventive health care, primary care patients, 24153
characteristics of FMR1 gene & its mutations & methods of identification in fragile X studies, 4529
concurrent validity in screening ability of Slosson Intelligence Test Revised & Stanford Binet Intelligence Scale 4th Ed, mentally retarded 5–69 yr olds, 14315
constitutional challenges to broadly worded mental health inquiries on bar application forms, impact of Americans with Disabilities Act of 1990, 14121
demographic & clinical & cognitive variables, clock drawing ability, 60–76 yr olds with schizophrenia, Israel, implications for Alzheimer's disease screening, 39038
development & psychometric properties of Screen for Child Anxiety Related Emotional Disorders, 9–18 yr olds & their parents, 25047
development of abridged threshold of somatization to screen for psychopathology in primary care settings, 32797
early detection & prevention in school-based service systems, children with or at risk for emotional & behavioral disorders, 1204
effectiveness of behavioral screening methods in pediatric settings, research review, 37395
experience of predictive genetic testing for familial adenomatous polyposis & level of risk for disease development, desire for continuation of bowel screenings, patients, 4550
guidelines for design of appropriate educational screening programs for children at school entrance, 33421
guidelines on informed consent process in genetic testing for cancer susceptibility, adults, 32648
health fair for education of children & families, screening & information regarding hospitals, 24066
history of physical abuse & perceived safety with partners, screening for partner violence, 18+ yr old females presenting to hospital emergency department, 31194
identification & diagnosis & treatment planning & outcome assessment tools of alcohol assessment in mental health settings, literature review, 16075
impact of innovative DNA diagnostic technologies, fragile X families, 4530
implications of cobalamin deficiency for neuropsychiatric disorders & methods for screening, 75 yr olds & older, letter, 23250
importance of various selection criteria & perceptions of selection process for APA-accredited internship programs, training directors, 17047
individual difference screens, prediction of discriminative stimulus & rate-altering effects of d-amphetamine, high vs low responding male rats, 41437
individual rights to privacy & societal conditions & legislative controls in genetic testing & screening for the Human Genome Project, 33316
institution-based evaluations vs the Fitness Interview Test-Revised, ability to stand trial, male defendants (mean age 33.49 yrs), Canada, 40910

level of risk along multiple dimensions, screening for safe placement in independent living apartments, homeless adults with severe mental illness, 2008
medical illness & social networks & physical function & rural vs urban residence, screening for depressive symptoms, African American 60 yr olds & older, 19140
Mini-Mental State Examination vs Mental Status Questionnaire vs Abbreviated Mental Test, screening for cognitive ability, 75 yr olds & older, 21108
MMPI-2 vs California Psychological Inventory & demographics, identification of need of employee assistance programs & resulting mental health change, referred vs nonreferred police officers, 25034
model of pathways to psychiatric care, mentally ill patients, UK, 23534
multi-infarct & Alzheimer's type dementia, Chinese vs Malay 65 yr olds & older, Singapore, 4682
multiple regression analysis of General Health Questionnaire & GHQ-28 & Impact of Events Scale for PTSD screening, survivors of fire (mean age 37.5 yrs), England, 28524
neural network paradigm for screening & correcting large amounts of electronically stored social data, 43938
number of therapists seen & therapy duration & selected therapist's characteristics & likelihood & methods of & satisfaction after prescreening, heterosexual vs 22–71 yr old gay vs lesbian clients, 36216
prenatal screening for & diagnosis of Down's syndrome, letter, 8394
psychiatric issues related to predictive genetic testing for Huntington's disease, 14–56 yr olds, case reports, 36140
psychometrics of 30-item General Health Questionnaire & Edinburgh Postnatal Depression Scale & utility in psychiatric morbidity screening after miscarriage, 16–44 yr old females, China, 40879
recommendations for improving breast & cervical cancer screenings, physicians & office staff, commentary, letter, 16773
reliability & validity of Clock Drawing Test as cognitive screening instrument, 50–89 yrs olds with Alzheimer's disease, 37427
reliability of rapid plasma reagin test vs microhemagglutination assay for Treponema pallidum in syphilis testing, 29–74 yr olds with chronic mental illness, 11915
screening & descriptive & educational value of Slosson Oral Reading Test-R vs Woodcock Reading Mastery Test-R vs Wide Range Achievement Test-R, 19–64 yr old substance abusers, 28486
screening & diagnostic instruments for autism & Asperger's syndrome, early detection by 18-30 mo, literature review, 4396
screening, detection of behavioral & other risk factors, allogenic blood donors, 26898
screening for & prevention of stress related emotional disturbances, students, 15863
screening process for admission, selection of patients for day care center, schizophrenic patients, Italy, conference presentation, 20268
screening with geriatric targeting criteria, identification of patients at risk for adverse hospitalization outcomes, hospitalized 65 yr olds & older, 20285
selection procedure for & reasons for exclusion & noninclusion in antidepressant efficacy double blind comparative trial, depressive patients attending psychiatric services, Finland, 32489
serum concentrations of inhibin A at 7–18 wks gestation with fetuses known to be affected by Down's syndrome vs trisomy 18, women, 16168
sexual & drug usage behaviors & HIV testing patterns, low-income African American mothers/guardians at risk for HIV, 1991–93, 9298
single vs 2 item interview vs visual analog vs Beck Depression Inventory in depression screening, patients receiving palliative care for advanced terminal cancer, 31698
sociodemographic variables & unplanned pregnancy & not breast feeding & unemployment & other risk factors, screening for & incidence of postnatal depression, 15–46 yr olds 6–8 wks postdelivery, 7940
state commitment law combining criterion of dangerousness to self or others & screening for less restrictive alternatives & new mental health structure, number of patients commited, 12 yr study, 20274
state variations & trends in preadmission screening programs to assess functional & psychological & medical status, nursing home applicants, 20263
theory of reasoned action, prediction of attitudes toward vs intention to undergo cervical cancer screening, 18–63 yr old females, Australia, 5218
thyroid function screening utility, 11–18 yr old psychiatric inpatients, 30681
use & efficacy of screening & assessment for measuring potential learning problems & school readiness, kindergarten & 1st grade students, 28588
usefulness of blood chemistry tests to screen for excess iron abnormalities, psychiatric morbidity, 22–56 yr old outpatients, 30668
usefulness of Clinical Dementia Rating scale in screening for dementia, 75 & 80 & 85 yr olds, 17690
validity of Arabic version of Eating Disorders Inventory vs semi-structure interview by psychiatrist, female 7th–12th graders, Saudi Arabia, 6009
2 stage procedure of screening & clinician interview in detection of personality disorders, 18–19 yr olds, 35702
4-item Mini-Mental State Examination, screening for cognitive impairment, elderly medical patients, letter, 6073

Screening Tests—Serials

accuracy & performance features of Neurobehavioral Cognitive Status Exam based on neuropsychological assessment, identification & assessment of cognitive impairments & abilities, outpatients, 37503
assessment of onsite rapid testing for HIV to be combined with counseling, peripartum females, letter, 42744
carbohydrate-deficient transferrin levels, gamma glutamyl transpeptidase levels & CAGE questionnaire scores, alcoholic patients, implications for clinical screening & forensic medicine, 31314
case definition of facial phenotype & development of screening tool, 0.2–10 yr olds with vs without fetal alcohol syndrome, 8227
Center for Epidemiological Studies-Depression Child for screening depression, 16–17 yr olds, Sweden, 40892
clinical obstacles in administration of South Oaks Gambling Screen, adult methadone or alcohol treatment outpatients, 2628
clinical rating scales & patient self report, identification of substance abuse, psychiatric patients, commentary, 28476
clinical rating scales & patient self report, identification of substance abuse, psychiatric patients, commentary reply, 28465
comorbid pathological gambling measured by South Oaks Gambling Screen, substance abuse rehabilitation inpatients, treatment implications, 31257
concurrent validity of Stroke Inpatient Depression Inventory, elderly stroke patients, 2624
confirmatory factor analysis of Lifestyle Criminality Screening Form, male prison inmates (mean age 32.04 yrs), 28525
construction & validation of Screening Women & Alcohol in Goteborg, assessment of prevelance of alcohol dependence & abuse, females, Sweden, 21074
correlation of S. A. Smith & R. L. Hudson's legal terms vs Competency Screening Test, prediction of competency to stand trial, defendants with mental retardation, 17669
criterion validity of conjoint alcohol & other drug abuse or dependency screening test, 18–59 yr old primary care patients, 28463
decision theory models for validating course placement tests in postsecondary institutions, 1st yr college students, 17711
depressive symptoms measured by standard screening scale vs clinical diagnostic vs latent variable measurement, 55–95 yr old females, 7923
development & interrater reliability & validity of 22-item rating scale & 14-item screening instrument for assessment of catatonia, psychiatric patients, scale & screening test appended, 21044

development & psychometric properties of Short Mood & Feelings Questionnaire, swift assessment of depressive symptomatology & epidemiological screening, 8–16 yr olds, 14288
development of screening questionnaire for detecting alcohol dependence & abuse, 14–75 yr old general hospital & practice patients, Germany, 40897
development of subset items to identify depressed individuals from the Center for Epidemiologic Studies–Depression Scale, 17–80 yr old primary care patients with & without major depressive disorders, 40899
discriminant validity of informant screening test, differentiation of Ss with vs without senile dementia, 65 yr olds & older, 10479
discriminatory power & reliability & construct & convergent validity of mental health dimension of SF-36 vs 12-item General Health Questionnaire, 16–64 yr olds, England, 28575
Dyslexia Early Screening Test, children at risk for dyslexia, 31455
efficacy of adolescent version of Substance Abuse Subtle Screening Inventory, assessment of unacknowledged substance abuse, adolescent criminal offenders (mean age 15.35 yrs) with conduct disorder, 31388
efficacy of Eating Attitudes Test, screening for eating disorders & coping strategies & prevalence of complications, 17–30 yr old females with insulin-dependent diabetes, 10508
factor analysis & reliability & validity of Hospital Anxiety and Depression Scale, 18–65 yr old adults & medical patients & medical & psychiatric outpatients & 66 yr olds & older, Netherlands, 34028
factor structure of Neurobehavioral Cognitive Status Examination & usefulness as cognitive screening instrument, 16–80 yr olds with chronic liver disease, 21120
frequency & type of thyroid function screening & incidence of abnormality, 18–83 yr olds with depression or dysthymia at 1st psychiatric hospital admission, 7925
frequency of Reiss Screen psychopathology diagnoses, male vs female 21–80 yr olds with mental retardation in community, 1444
Geriatric Mental State Schedule vs Brief Assessment Schedule Depression Cards vs 5-item Symptom Check List vs geriatrician's diagnosis, screening for depression, nondemented patients, Australia, 89
internal consistency & reliability & factor analysis of Drug Abuse Screening Test, drug users vs nonusers in employee assistance program (mean age 38.7 yrs), literature review, 28472
methodological issues in evaluation of screening instruments for mental disorders, primary care patients, 28493
methodology for screening test & diagnostic data, unbiased prevalence estimates from biased sample of definitive diagnosis, 22651
MMPI-A &/vs Structured Interview of Reported Symptoms vs Screening Index of Malingered Symptoms, assessment of feigning, dually diagnosed 14–17 yr old offenders, 6055
multidimensionality of coping & problems with Kidcope & other brief screening measures, children, 61
multiple regression analysis of General Health Questionnaire & GHQ-28 & Impact of Events Scale for PTSD screening, survivors of fire (mean age 37.5 yrs), England, 28524
patient General Health Questionnaire scores, physician interview technique & case recognition ability, general practitioners & 18–64 yr old patients, England, 30646
predictive validity of screening measure for identifying smoking initiation susceptibility risk, nonsmoking 7th graders, 1–2 yr study, implications for prevention, 25100
predictive validity of screening tests of production & comprehension, development of First Words & First Sentences tests, 18-36 mo olds, 5957
prevalence of heavy & binge drinking & effectiveness of CAGE questionnaire as screening tool, primary care patients aged 60 yrs and older, 26648
prevalence of pathological & problem gambling & construct validity of South Oaks Gambling Screen, 18 yr olds & older, 1991 survey, New Zealand, 4226
primary prevention & screening test rates & patient characteristics, 52–77 yr old primary care patients, 43291
psychometric properties of Alcohol Use Disorders Identification Test, literature review, 37424
psychometric properties of Substance Abuse Subtle Screening Inventory, alcohol problem screening, 19–67 yr old DUI offenders, 40888
relationship between Wide Range Assessment of Memory & Learning General Memory & Memory Screening Indices, 5–16 yr old outpatients for neuropsychological evaluations, conference presentation, 37504
relative utility of self report measures to identify alcohol problems, research review, 6043
reliability & criterion validity of Russian versions of General Health Questionnaire & Goldberg scales & Bradford Somatic Inventory, 18–65 yr olds in Chernobyl disaster area, Belarus, 82
reliability & validity of Adolescent Dissociative Experiences Scale, dissociative disordered 12–18 yr olds with various diagnoses, 40856
reliability & validity of Cognitive Test for Delirium, assessment of cognitive function in intensive care, 21–92 yr olds with delirium vs dementia vs depression vs schizophrenia, 28547
reliability & validity of modified Referral Decision Scale, screening for mental disorders & prison adjustment, inmates at maximum security prison, 2590
reliability & validity of Multi-Problem Screening Inventory for personal & social functioning, master's or undergraduate level social work students (mean age 32.4 yrs), 28439
reliability & validity of Personal Experience Screening Questionnaire, drug abuse assessment & association with risky sexual behavior, gay or bisexual male 13–21 yr olds, 6092
reliability & validity of screening version of Illness Behaviour Questionnaire, assessment of abnormal illness behavior, adult outpatients with somatic complaints, India, 14294
reliability of Hospital Anxiety & Depression Scale vs Beck Depression Inventory vs Hamilton Rating Scale for Depression as screening tool, 14–25 yr olds with major depression, South Africa, 14290
reliability of screening measure for & etiology & clinical manifestation & care of polydipsia & water intoxication, adults with mental retardation, Canada, 28480
RNA polymerase chain reaction-based screening techniques to identify candidate clones, application to schizophrenia & bipolar disorder, 28564
screening efficacy of Center for Epidemiological Studies Depression Scale in relation to age & gender & physical illness & cognitive & functional impairment & social desirability, 50–96 yr olds, 34016
screening instruments & Mini Mental State Examination vs multidisciplinary panel & team of geriatricians, assessment of capacity to complete advance directives, elderly nursing home residents, 10477
self-report screening questionnaire vs clinical opinion, estimation of prevalence & recognition of medically unexplained physical symptoms, general practitioners & 17–81 yr old primary care patients, 25065
sensitivity & specificity of weighted alcohol markers screening test for alcohol problems, trauma patients, 19381
sensitivity & specificity of 5-item Rapid Alcohol Problems Screen, identification of need for intervention or referral for problem drinking, emergency room patients, 20271
sensitivity of Drug Use Screening Inventory in detection of drug abuse, school adjustment correlates of abuse, 12–18 yr olds, 17673
Shipley Institute of Living Scale as screening device vs WAIS- R IQ scores, psychiatric inpatients with low intellectual functioning (mean age 39.7 yrs), 40785
single item vs larger depression screening instruments, adjustments for caseness & cutoffs, medical patients, commentary reply, letter, 6042
single item vs larger depression screening instruments, adjustments for caseness & cutoffs, medical patients, commentary, letter, 6021

single vs 2 item interview vs visual analog vs Beck Depression Inventory in depression screening, patients receiving palliative care for advanced terminal cancer, 31698
Standard Pseudoisochromatic Plates-Part 2 vs Part 1, screening for congenital red-green color vision deficiencies, 4–74 yr olds, Canada, 2513
test–retest correlation of English vs Spanish version of Problem Oriented Screening Inventory for Teenagers, unique Spanish–English bilingual adolescents living on US-Mexico border, 21062
type of errors made on test prior to diagnosis & predictive validity of Clock Test, early identification of dementia, adults with vs without dementia, Canada, longitudinal study, 28556
use of Lie/Bet Questionnaire to differentiate pathological gamblers vs non-problem gamblers, 17–82 yr olds, 26622
use of measures of honesty & integrity & conscientiousness & dependability & trustworthiness & reliability, personnel selection, 17291
use of psychological questionnaires to screen for patients likely to need & accept psychological care, 42–82 yr old myocardial infarction patients, 17632
utility & sensitivity & specificity of Cognitive Assessment Screening Test, elderly with dementia, test appended, 25053
validation of Concise Assessment for Depression, brief screening approach to depression, medically ill patients, 21072
validation of Sentence Repetition Screening Test, 4.5–5.5 yr olds, 14248
validity & diagnostic efficacy of CAGE & Alcohol Clinical Index & various laboratory markers, diagnosis of alcoholism, primary care patients, Spain, 17640
validity & reliability & development of Chula Mental Test, assessment of cognitive impairment, elderly, Thailand, implications for neuropsychological screening in developing countries, 6072
validity & reliability of Pediatric Symptom Checklist as screening for psychosocial problems in screening & diagnostic process for Medicaid, Mexican American 4–5 yr olds, 17660
validity of Chemical Use & Abuse & Dependence Scale, screening for drug & alcohol use, severely mentally ill inpatients, 6012
validity of Children's Behaviour Questionnaire vs Reporting Questionnaire for Children, assessment of psychiatric morbidity, 7–14 yr old pediatric primary care clinic attendees & their mothers, Nigeria, 28502
validity of Geriatric Depression Scale-Short Form as screening instrument, 65–89 yr old outpatients with major depression or bipolar affective disorder or dysthymia or organic affective syndromes, 84
validity of Level of Community Support Systems, assessment of needs for community support systems & screening for planning community based psychosocial rehabilitation, psychiatric inpatients, 6036
validity of Neurobehavioral Cognitive Status Examination as screening measure for dementia, 60–100 yr olds with vs without dementia, 28543
Word Recognition Index as a screening tool for dyslexia, adults, 31458
400 msec delay vs 750 msec trace eyeblink classical conditioning paradigm, detection of Alzheimer's disease, 65–85 yr olds, 4 mo followup, 12693
Scripts [See Schema]
Seasonal Affective Disorder—Serials
age & eating style & choice of food, females with seasonal affective disorder, 30868
anniversary of traumatic experience, occurrence of depressive or manic episodes similar to bipolar seasonal mood disorders, 25–64 yr olds with mood disorders, Greece, 15904
Beck Depression Inventory scores & climatic changes between September & May, 21–77 yr olds with winter depression, Denmark, 4115
centrality of photoperiod for seasonal affective disorder or seasonality, 16–60 yr old females, Australia, 39003
circadian rest-activity rhythm phase delays & amplitude & entrainment to 24-hr day, 18–65 yr old outpatients with seasonal affective disorder, 35573
circadian rhythms of temperature & cortisol & TSH before vs after morning bright light therapy, 20–39 yr old females with vs without hypersomnic winter depression, 36541
circadian rhythms, 6–17 yr olds with major depression & seasonal affective disorder, 30847
comorbidity of seasonal depression & dissociative disorders, 31–45 yr old female patients, 1198
cool white fluorescent light in winter, sleepiness & saliva melatonin & serum 25-hydroxyvitamin D3, 23–35 yr olds with seasonal affective disorder, 9188
depressed vs nondepressed states, scores on DSM-III-R personality disorder measures, patients with winter Seasonal Affective Disorder (mean age 44 yrs), 14 wk followup, Norway, 40895
development of mood disorder with seasonal pattern from winter subsyndromal depressive condition, revisitation of trauma & activation of internal stressors, 55 yr old female, case report, 22747
discriminant role of complete vs incomplete summer remission in clinical & demographic profile, patients with seasonal affective disorder, Russia, 4085
effectiveness of bright light therapy & other treatments, patients with seasonal affective disorder, 1989 to present, reply to commentary on literature review, 19698
effectiveness of bright light therapy & other treatments, patients with seasonal affective disorder, 1989 to present, commentary on literature review, 19690
efficacy of light therapy, 7–17 yr olds with pediatric seasonal affective disorder, 36550
environmental & geographical & social & psychological factors, risk of winter depression, psychiatric nurses, Scotland, 4089
factor structure & internal consistency reliability of sleep & weight items, Seasonality Score Index of Seasonal Pattern Assessment Questionnaire, 17–67 yr olds, Iceland, 34017
l-tryptophan augmentation of light therapy, treatment response & side effects, 26–52 yr olds with seasonal affective disorder, 31968
levels of MAO activity, risk of winter seasonal affective disorder & vegetative & other symptoms, patients with seasonal affective disorder, 11998
lifetime rates of anorexia & bulimia nervosa, outpatients with winter depression, 7910
light box vs head mounted unit emitting visible light, 20–65 yr old outpatients with seasonal affective disorder, Canada, 1886
light therapy, circadian profiles of plasma cortisol & prolactin & thyrotropin, female vs male depressed patients with seasonal affective disorder, 1889
light therapy, 24 yr old female with trichotillomania & seasonal affective disorder, case report, letter, 36545
light visor, maintenance of established antidepressant effect of light box, patients with seasonal affective disorder, 43213
long-term course, outpatients with seasonal affective disorder, 8.8 yr study, implications for diagnosis & treatment, 1256
meta chlorophenylpiperazine, patients with seasonal affective disorder before & after light treatment, replication & extension, 36183
moclobemide vs fluoxetine, quality of life & ability to work, patients with seasonal affective disorder vs non-seasonal affective disorder, 27442
morning phototherapy, melatonin levels & circadian rhythms & light sensitivity, patients with seasonal affective disorder, England, 39017
natural vs placebo artificial light therapy, salivary melatonin & cortisol & depression scores, adults with seasonal affective disorder, 5141
nocturnal core temperature in summer vs winter, patients with seasonal affective disorder, 39013
nonverbal support giving behavior, nonverbal support seeking behavior, mildly depressed patients with seasonal affective disorder, Netherlands, 19152

onset of mania following hormone replacement therapy, 85 yr old female with osteoporosis & mild seasonal depressive symptoms, 32595
pattern & severity of depressive symptoms as predictors of response to light treatment, 18–63 yr olds with seasonal affective disorder, 13094
personality disorders & temperament in light therapy outcome, patients (mean age 43.4 yrs) with winter seasonal affective disorder, 27490
phototherapy, female with seasonal affective disorder, case report, letter, 32611
phototherapy light visors with dim red vs bright white light, 18–71 yr olds with seasonal affective disorder, commentary, 1892
phototherapy light visors with dim red vs bright white light, 18–71 yr olds with seasonal affective disorder, commentary reply, 1891
prevalence & characteristics of seasonal affective disorder & phototherapy, literature review, 22793
prevalence of summer seasonal patterns of affective disorder, 18–82 yr olds, Australia, 30888
prevalence of winter seasonal affective disorder & changes in mood & behavior, male vs female college students vs faculty vs staff, 11967
prevention of depressive episode with bright light treatment, 24–52 yr old outpatients with seasonal affective disorder, 22790
psychosocial stressors vs climatic variables, seasonal mood variations, Asian (mean age 28.32 yrs) vs Asian-British (mean age 26.28 yrs) vs White (mean age 27.07 yrs) females, 1 yr study, England, 30909
rates of atypical depression & prevalence of specific atypical symptoms, 18–64 yr olds with seasonal affective disorder vs nonseasonal major depressive disorder, 35572
seasonal changes in mood & behavior & presence of seasonal affective disorder, 34–59 yr old parents, Japan, 11992
self rating & voice pitch & variation in pretreatment activation, prediction of acute vs late responses to light therapy, individuals with seasonal affective disorder (mean age 36.7 yrs), 36543
serotonin receptor agonist sumatriptan, growth hormone response, adults with seasonal affective disorder, 35577
subsyndromal seasonal affective disorder during austral winter, adults, Antarctica, implications for effect of latitude, 7926
summer vs winter taste detection & recognition thresholds in dim vs bright light, carbohydrate craving, 24–52 yr olds with seasonal affective disorder, implications for serotonin hypothesis, 4077
tryptophan depletion, depressive symptoms during light therapy, 22–70 yr olds with seasonal affective disorder, 35549
tryptophan depletion, depressive symptoms, 23–55 yr old depressed patients with seasonal affective disorder, Austria, 42278
validity & subtype classification reliability of Seasonal Pattern Assessment Questionnaire, patients with seasonal affective disorder & subsyndromal seasonal affective disorder, Iceland, 6041
5-HT2A receptor polymorphisms, patient with seasonal affective disorder, 30892

Seasonal Variations—Serials

age & sex, seasonal variability in blood platelet 3H-imipramine binding, healthy 24–72 yr olds, 11052
birth season, schizophrenic males vs females with vs without family histories of psychiatric disorder, test of environmental damage theory, France, 4147
breeding activity during seasons & offspring survival & sex ratio, captive lion tamarins, 21547
breeding vs nonbreeding season, season- & sex- & species-specific chemosensory cues in urinary odors, conspecific vs heterospecific mole rats, 10754
centrality of photoperiod for seasonal affective disorder or seasonality, 16–60 yr old females, Australia, 39003
cigarette smoking & major depression, seasonal variation of hospital admission, psychiatric patients, 4087
demographics & age at onset & severity of abnormal eating behavior & attitudes & feelings, 17–45 yr olds with seasonal vs nonseasonal bulimia nervosa, Canada, 4456
gene–environment interaction & season of birth effect in & morphology of schizophrenia, adults, 4152
genetic & environmental influences on seasonal mood change, 16–86 yr old male vs female twins, Canada, 37944
habitat selection in rain forest & seasonal patterns of activity & foraging, mantled howling monkeys, Costa Rica, 15 mo study, comparison with data from seasonally dry moist forest environment, 2983
influence of minor dry season on activity patterns & feeding behavior & ranging & group size & grouping patterns of lowland rain forest chimpanzees, Ivory Coast, 41224
long vs short daylength & body/fat mass, diet selection, hamsters, 21760
melatonin treatment, attractiveness of anogenital area scent, meadow voles, 25573
membrane protein levels, seasonal patterns of platelet 3H-imipramine binding, healthy 20–40 yr olds vs depressed 14–70 yr olds, implications for role of circadian rhythms, 7905
month & hemisphere of birth, patients with schizophrenia, Australia & New Zealand, 7977
nocturnal core temperature in summer vs winter, patients with seasonal affective disorder, 39013
photoperiod & temperature & gender & type of food & origination locality, food hoarding & consumption, pouched mice, 14764
prevalence of summer seasonal patterns of affective disorder, 18–82 yr olds, Australia, 30888
proband season of birth, risk of developing schizophrenia, 1st degree relatives of probands with schizophrenia or schizoaffective disorders of schizophrenia spectrum disorders, Ireland, 4159
prospective assessment of depression & anxiety & stress & behavioral change, end of yr accounts of mood & behavior & peak winter vs summer seasonal depression, nonclinical female Ss, 6406
season & month of birth, schizophrenic patients, South Africa, comparison with northern hemisphere data, 4141
season of birth & EEG power abnormalities, adults with schizophrenia vs other psychoses, 35633
seasonal & diurnal environmental temperature, foraging behavior, snakes, Mexico, 37894
seasonal change & climactic factors, suicidal behavior, 1974–1994 national data, Italy, 42487
seasonal changes in mood & behavior & presence of seasonal affective disorder, 34–59 yr old parents, Japan, 11992
seasonal effects on acquisition & distribution of prey & predictions of kin selection & tolerated theft & risk-reduction reciprocity & trade models of sharing, hunters, Melanesia, commentaries & reply, 30076
seasonal factors, symptom severity, VA patients with PTSD, commentary, letter, 12094
seasonal influence on platelet 5-HT concentrations, 18–65 yr old males with positive vs negative schizophrenia vs psychotic vs nonpsychotic depression, 35476
seasonal patterns of admissions, male Vietnam veteran inpatients with PTSD, 1323
seasonal testicular function, male rhesus monkeys exposed to vs not exposed to female rhesus monkeys, 25535
seasonal variation, hospital admission rates, patients with bipolar disorder vs schizophrenia, 1969–1991, Finland, 30791
seasonal variation, hospital admission rates, patients with bipolar disorder vs schizophrenia, 1969–1991, Finland, commentary, 38939
seasonal variation in alcohol use, 18–60 yr olds, Scotland, 16092
seasonal variation in pre & postdexamethasone cortisol-values, males vs females with major depression, longitudinal study, Belgium, 35543
seasonal variation, patients with schizophrenia born between 1919–70, Australia, 30995
seasonal variations & prolactin response to m-chlorophenylpiperazine, 18–65 yr olds with obsessive compulsive disorder, 5025
seasonal variations in birth & relation to comorbid psychiatric disorders & learning disability & family history of ADHD, 6–17 yr old males with ADHD, 26762

seasonal variations in hospital admissions, hospitalized patients with single episode or recurrent manic disorder, Australia, 4099
seasonality & prevalence of depression, general practice patients, UK, 2 yr study, 38966
sex & age & family history, birth rate & season of birth effect, schizophrenic patients, Reunion Island, 4146
sex & testing time & season, skin conductance activity, 5–25 yr olds, Mauritius, 15186
summer vs winter taste detection & recognition thresholds in dim vs bright light, carbohydrate craving, 24–52 yr olds with seasonal affective disorder, implications for serotonin hypothesis, 4077
temporal & spatial variation in distribution of plant resources, foraging & ranging patterns, white-bellied spider monkeys, Brazil, 2.2 yr study, 37902
testosterone & neural attributes of song nuclei & song structure, seasonal changes in song nuclei, male song sparrows, 41363
utility of McNeil-Sjostrom Scale vs scales by S. W. Lewis et al & J. Pamas et al, assessment of obstetrical complications, adult schizophrenics born in January–April vs May–December, Sweden, 17654
validity & subtype classification reliability of Seasonal Pattern Assessment Questionnaire, patients with seasonal affective disorder & subsyndromal seasonal affective disorder, Iceland, 6041
winter vs other months, psychological well being, male vs female 65–74 yr olds vs individuals 75 yrs & older, Scotland, 38465

Seat Belts [See Safety Belts]

Seclusion (Patient) [See Patient Seclusion]

Second Language Education [See Foreign Language Education]

Second Order Conditioning [See Higher Order Conditioning]

Secondary Education—Serials

arguments for & against corporal punishment in secondary schools, 14–16 yr old students vs parents vs teachers, Zimbabwe, 24663
development & future of undergraduate & secondary education in psychology, 27861
drinking & relationship to use of tobacco & illicit drugs, children & adolescents, implications for alcohol education in primary & secondary schools, 13716
dual nature of moral reality & individual reality, reconciling high school students' neighborhood & teachers' middle class values, implications for quality schools, 33332
entry into & performance on Australian Mathematics Competition, attitudes toward math, male vs female secondary school students, 10 yr study, 20628
gender identity construction in high school gender related studies, 17130
interaction between school processes & entry into adolescent & early adult forms of heterosexuality in transition between primary & secondary school, 13792
learning style preferences, secondary school teachers & managers, 3 yr study, 33355
perceptions of violence in public schools, secondary school students, 20617
personal histories & motivations for pursuit of career in secondary education & subsequent change to college level teaching, 26 & 28 yr old African American students, 13683
responses to school attendance & levels of & reasons for truancy & development of school responses, students in Years 7–11, England, 2208
role construction & sense of efficacy & school request theories of involvement in children's elementary & secondary education, parents, 36962
secondary school program in violence reduction, Jamaica, 40398
selection & use of vocabulary & comprehension teaching strategies, preservice teachers of secondary education content areas, 33377
single sex vs coeducational Catholic secondary schooling, academic & social psychological outcomes, 8th graders, 6 yr study, 43637
special & general education reform efforts, high school students, 33324

Secondary Reinforcement—Serials

amphetamine with tone vs shock intensity as secondary reinforcer, latent inhibition in conditioned emotional response paradigm, male rats, meta analysis & replication, 41541
excitotoxic lesions of amygdala, visual discrimination learning for auditory secondary reinforcement & reinforcer devaluation effects, rhesus monkeys, 41341
feeding & aversive social experiences in presence of humans, approach-avoidance responses to known vs unknown humans, pigs, 10775
measuring feeding motivation using second-order food reinforcement schedule & conditioned stimulus, pigs, 10764

Secrecy—Serials

consequences of revelation of negative personal secrets, literature review, 3749
cultural imagination & psychoanalytic interpretation of secrecy surrounding male birth-giving rituals, Sambia people of New Guinea, 38513

Secretarial Personnel—Serials

group cohesiveness, social loafing & social compensation, secretarial students, 38668

Secretarial Skills [See Clerical Secretarial Skills]

Secretion (Gland) [See Also Endocrine Gland Secretion, Lactation, Salivation, Sweating]—Serials

persistence of defective serotonergic and GABAergic controls of growth hormone secretion, 38–52 yr old long-term abstinent patients with alcoholism, 31344

Sectioning (Lesion) [See Lesions]

Security (Emotional) [See Emotional Security]

Sedatives [See Also Alprazolam, Amobarbital, Atropine, Chlorpromazine, Clozapine, Flurazepam, Haloperidol, Heroin, Meprobamate, Nitrazepam, Pentobarbital, Phenobarbital, Reserpine, Scopolamine, Thiopental, Triazolam]—Serials

abuse & dependence potential of zopiclone, polydrug using patients attending a methadone maintenance program, 19392
addiction to prescribed sedative-hypnotic medications, 23033
atypical antipsychotic activity of adenosine A†B 2A †b agonist CGS 21680 vs haloperidol vs clozapine, spontaneous & amphetamine- & PCP-induced motor activity & catalepsy, male rats, 41512
behavioral vs subjective effects of ethanol vs pentobarbital, sedative drug abuse liability, 29–42 yr olds, 39212
current or past history of sedative use disorder, psychiatric & other substance use disorders, opiate dependent patients in methadone maintenance, 35801
diazepam, zolpidem withdrawal difficulties, 50 yr old male, case report, 27464
diphenhydramine vs lorazepam, abuse liability, 23–38 yr old males with history of sedative drug abuse, 8271
dothiepin vs fluvoxamine, focused vs divided visual selective detection in oddball paradigm & RTs to peripheral & central targets, male adults, 7107
frequency & medications & reasons for & incidence of side effects for iv sedation, adult involuntary psychiatric inpatients, Australia, 39826
methodological issues in studies of residual sedative effects of zopiclone on psychomotor performance, Ss with vs without insomnia, research review, 1982–90, conference presentation, 5208
midazolam & pulse oximetry, conscious sedation in drug assisted interview, female 21–45 yr olds with depression &/or PTSD with repressed memories, 1213
midazolam & pulse oximetry, conscious sedation in drug assisted interview, female 21–45 yr olds with depression &/or PTSD with repressed memories, commentary, 35484
opioid & stimulant & sedative abuse liability of zipeprol, monkeys & mice & rats, 21809
propofol sedation during rapid opiate detoxification, 29 yr old male with heroin dependence history, case report, 24303
sedative hypnotic use & illness severity & hospital length of stay & costs, older patients admitted to tertiary care hospital, 27763

Seduction—Serials
psychoanalytic interpretation of representation & deferred action & pathogenesis of child abuse seduction trauma, 19270
Seeing Eye Dogs [See Mobility Aids]
Segregation (Racial) [See Social Integration]
Seizures [See Convulsions]
Selection (Personnel) [See Personnel Selection]
Selection (Therapist) [See Therapist Selection]
Selection Tests—Serials
agreement of cognitive-language assessment profiles in cognitive referencing model of service triage, 3–6 yr olds with delayed language ability, 28586
broad based skill assessment vs alternative test media to reduce adverse impact & their effects on criterion related validity of selection tests of ability-performance relationship, adults, 10552
experience & self efficacy & consistency of administration of physical abilities test, perception of job relevance & relatedness, fire fighters, 10555
legal & professional guidelines for use of & methods for setting cutoff scores in public sector selection contexts, fire fighters, 10559
predictive validity of pilot selection batteries, military personnel, 6114
simulation of effect of differential component weights, predictive validity & adverse impact of personnel selection battery, 10547
validation of color dependent air traffic control tasks, air traffic control specialists with normal vs abnormal color vision, 14392
validity of Cathay Pacific Airways pilot selection program, military pilot candidates, England, 6112
validity of selection measures to aid in forecasting job performance & lower absenteeism & safer driving, bus operators, 10550
Selective Attention—Serials
ability to detect nonlinguistic auditory stimuli during focused & divided attention, nature of impaired auditory vigilance, 62.5–83.5 yr olds with nonfluent aphasia, 12609
acute caffeine, visual EPs in focused vs divided attention during visual search, 19–29 yr olds, 18314
age & selective attention & handedness & reading ability, right ear advantage in dichotic listening of consonant-vowel stimuli, 6–12 yr olds, meta analysis, 22036
age, selective deficit in segregation of auditory sequences & declines in selective attention, 18–84 yr olds, 7207
alpha-1 adrenergic receptor stimulation vs blockade, modulation of vigilance & selective attention, male rats, 41508
anchoring effect & mechanisms of selective accessibility notion, college students, Germany, 41092
attentional bias for threatening verbal stimuli, depressed vs anxious adults, 7854
attentional bias toward emotionally threatening vs neutral words, male vs female high- vs low-test anxious 6th & 8th graders, 3488
auditory psychophysics & pattern perception & role of selective processing & attention in individual differences, adult listeners, literature review, 14562
binding errors & deficits in conjunction visual search predicted by feature integration theory & spatial localization & object individuation & selective attention, adult male with Balint's syndrome, 39548
clonidine or droperidol administration, behavioral & ERP indices of selective attention, 20–32 yr old healthy males, 21919
color stimulus location, selective processing of visual information, college students, Netherlands, replication & extension, 10645
computational model of visual perception & selective attention as tool in characterization of specific nature of brain damaged patient's deficit, 33849
consumption of sugar vs aspartame vs no sweetener in caffeinated vs decaffeinated coffee, cardiovascular functions & mood & memory & selective attention, adults, 3245
context of decision & perceptual salience & constraints on time & amount of information, selective search of predecisional information, 2nd vs 5th graders, 7223
cross modal matching & illusion through audiovisual integration, selective spatial attention to speech sounds & their perception, 28788
deprioritizing selection of old objects, optimizing selection of target objects during attentional tasks, 18–32 yr old undergraduates, England, implications for visual marking mechanism, 14546
dichotically presented attended vs nonattended auditory stimuli, heart rate, 21–27 yr old males, Netherlands, 3175
directed attention & binaural vs dichotic presentation of auditory stimuli, positron emission tomography assessment of regional cerebral blood flow in temporal lobes, 21–39 yr olds, 6656
divided vs focused attention & perceptual motor ability, behavioral changes, patients with damage to prefrontal & posterior cortices, 26979
dothiepin vs fluvoxamine, focused vs divided visual selective detection in oddball paradigm & RTs to peripheral & central targets, male adults, 7107
ERPs & auditory & visual selective attention task performance, 11–17 yr olds with ADHD, 26757
eye fixation location during attentional & arithmetic tasks, lane keeping performance, 18–22 yr old military novice vs experienced drivers, Finland, 28325
eye fixations vs verbal reports as measures of selective attention, adult males, 41180
eyeblink startle inhibition & prepulse selective attention processing, 18.3–31.3 yr olds, 561
grouped array vs spatially invariant representations, electrophysiological analysis of object-based attentional selection, college students, conference presentation, 29441
heterogeneity vs homogeneity with target color & number & length of presence of static distractors in visual field, attention to onset of motion of target, 14-wk-olds, 25769
idazoxan as adrenoceptor antagonist, selective attention in nonreversal shift paradigm, male rats, 7054
inertia tensor role in selective perception by dynamic touch, adults, 10606
inhibition & control of interference, neural network model of selective attention, adult males, 21464
involuntary allocation of attentional resources, modulation of early event-related potential components, adults, conference presentation, conference presentation, 29440
issues in forgetting & disregarding & other selective activities of body & brain & consciousness according to W. James, 42115
lateralized biased attention on fused dichotic words vs consonant–vowel syllables dichotic listening tests, college students, Canada, implications for speech lateralization, erratum, 6598
methylphenidate, amelioration of ERP deficits & performance on auditory & visual selective attention tasks, 7–13 yr olds with ADHD, Netherlands, 39245
negative vs positive symptoms, repetition & semantic priming with attended vs ignored prime stimulus, schizophrenic 18–41 yr olds, Australia & England, 1307
neural model for object oriented attention & selection of target amid distractors, delayed activity in infero temporal visual cortex during visual search, monkeys, 3096
neurobiological principles in cognitive models of visual selective attention & evidence for hypothesis that attention modulates feature specific representations, primates, conference presentation, 29299
nicotine, selective attention & distraction on flanker & search tasks, human males, implications for arousing effect of nicotine, 3243
normal aging, selective attention in reaching task, young vs older adults with vs without Alzheimer's disease, 31881
perceived structure & selective attention, susceptibility to interference from irrelevant information, 5–7 vs 8–9 vs 10–12 yr olds vs college students, Netherlands, 34820
perceptual load, selective processing in flankers task, college students, Canada, 25273
presence & intensity of distractor voice, selective attention to target voice, infants (mean age 7.5 mos), 11378

presence of O & reinforcement, gaze alternation & attention-getting behavior via indexical & referential pointing gestures, chimpanzees, implications for intentional communication, 6445
presence vs absence of E's direct eye contact & head movement & orientation, gestures & recognition of attention, chimpanzees, 6521
processing of human faces measured by visual scan path, deluded vs nondeluded schizophrenics, 19213
processing selective attention tasks, ERPs, 19–23 vs 50–66 yr olds, Netherlands, 14930
representation with vs without depth information, attentional selection in spatial cuing task, college students, 6212
response competition from multiple distractor features, visual feature integration & focused attention, 18–33 yr olds, US & England, 28760
rhythmic properties of tone sequences & divided vs selective attention, target detection performance & RT, adults, 6401
selection for action in Stroop color-naming vs word search tasks, visual word processing, college students, 240
selective attention in reading time under neutral vs habituation vs Stroop vs negative priming conditions of Stroop Color & Word Test, 17–35 yr olds vs 60–84 yr olds, 7421
selective attention to & incidental cues & generalizability of & discrimination between morphine & over the counter medications, rats, 6902
selective attention using dichotic listening task, P300 component of ERPs, schizophrenics (mean age 32.8 yrs), 30988
selective cognitive processing bias for concern-related word &/vs threat word, nonclinically anxious 8 & 9 yr olds, 22022
selective listening, children (mean age 5.2 yrs) vs adults, 38340
semantic priming & spatial perception, selective attention, college students with normal vision, 18013
short-term food deprivation vs chronic dietary restraint, reaction time on the Stroop Color and Word Test, college students (mean age 21.8 yrs), Canada, 31532
similarity & difficulty & nontarget presentation, time course of visual attention, 21–41 yr olds, England, 28777
spatial frequency & visual hemifield of stimulation, RTs to targets in selective attention task, healthy 18–28 yr olds, 37992
spatial location & object based limitations on divided visual attention, 18–33 yr olds, 10630
spatial selective attention, visual EPs & sensory processing in visual cortical areas, 18–30 yr olds, 3111
speaker's vs listener's direction of gaze strategy, novel word learning, 7.5–12.3 yr olds with autism vs mental handicap vs normally developing 20–30 mo olds, 31408
unattended semantic information processing using selective attention priming task, 53–80 yr olds with Alzheimer's disease, 8595
usefulness of the selective-listening task for evaluating potential aviators & air traffic controllers, 16–33 yr old applicants for Royal Netherlands Air Force & Navy, 28600
validity of Spontaneous Selective Attention Task for use as vulnerabilty marker for schizophrenia, 10–18 yr old monozygotic vs dizygotic twins in families segretating schizophrenia, 40889
visual cues, neural mechanics of orienting & alerting & influence on target response speed, adults, 29276
visual selective attention in ERPs, neural perception, 18–32 yr olds, overview of monkey neurophysiology & application of ambiguity resolution theory, 37982

Selective Breeding—Serials

alcohol injections separated by 1 vs 2 days, initial alcohol sensitivity & alcohol tolerance development in righting reflex, male rats selectively bred for alcohol preference vs nonpreference, 11154
artificial selection on inter-pulse interval of courtship song signal, male Drosophila melanogaster, 10874
behavioral & biological responses associated with high & low levels of aggression, aggressive vs nonaggressive mice lines selectively-bred for isolation-induced intermale aggression, 10913
binding at forebrain sites of GABA-benzodiazepine receptor complex, quail selectively bred for short vs long tonic immobility responses to manual restraint, 15046
exploratory behavior in elevated plus maze, adult rats selectively bred for high vs low ultrasonic vocalization rates in infancy, animal model of anxiety, 6485
geographic location & genetics & evolution, behavioral phenotypic variation, 3 spined sticklebacks, implications for behavioral ecology, 448
hypothetical quantitative trait loci for circadian period of locomotor activity, recombinant inbred mice strains, conference presentation, 10911
multiple selection responses, house mice bidirectionally selected for thermoregulatory nest building behavior, 18130
selection for habituation & fearful & aggressive & explorative behavior at human contact, farm mink, 6 yr study, 6582
selective breeding for self administration of oral opioids & preference for high potency opioid etonitazene, rats, 6580
sensitivity to ethanol aversion or reward in place conditioning, male rats selectively bred for alcohol preference vs nonpreference, 11210
short-term selective breeding as resource for quantitative trait locus mapping, B6D2F2 mice with high vs low ethanol drinking preference, 29213
standardization of maternal environment by means of embryo transfer, intermale aggression, genetically selected aggressive & nonaggressive wild house mice, conference presentation, 10914
strategies for genetic improvement & livestock behavior via selection between breeds or strains in extensive farming production systems, implications for animal welfare, 14703
visual EP augmenting & reducing in animal model of sensation seeking, cats & selectively bred rats, 21599
Y chromosomal & maternal effects on & physiological & neuronal correlates of aggression based on attack latency, selectively-bred male wild house mice, conference presentation, 10915

Self Acceptance [See Self Perception]

Self Actualization—Serials

academic achievement in context of life of spirit & virtue & self realization of goals & enactment of motivations, gifted students, 9997
developmental-personality vs self expansion interpretation of extreme love experiences, adults, 35300
leadership skills & self actualization & locus of control, 6th–10th grade student leaders, 788
minority status & perceptions of & attitudes toward self-help concept, Arab adults, Israel, 900
nursing home vs community residency, self-actualization & locus of control, 65–90 yr olds, 15378
perceived assistance from & love for partner, perceptions of individual growth in relationship, college student couples, 5 mo followup, 41987
personal growth & experience of teaching in special education, 40477
reliability & validity of Brief Index of Self-Actualization, college males vs unsheltered homeless males, 10426
sex & grade level, self actualization scores, gifted 12–14 yr olds, 3448
sociocultural & demographic factors & achievement valuation effects on personal powerlessness, self esteem & success expectancies & self improvement propensities, Bicolana females, Philippines, 952
somatic understanding of self, revised commentary on article by L. Geller, 1059
workplace applications of Transcendental Meditation for developing consciousness & human potential, employee & organizational level effects, 10061

Self Analysis—Serials

analyst's subjective experiences & self-analysis & countertransference & analytic work, 22616
determinants for choosing the counseling profession & resolution of childhood difficulties, adult counselors, conference presentation, 24477
intersection & interrelationship of analyst & analysand's conflicts & resistances in psychoanalysis, implications for analyst's self-analysis, 22635

personal construct methodology & generalizability & validity of self analysis of responses to listening to a melody, female music therapist, 17773
psychoanalytic technique & influence of analyst–patient interaction & countertransference & self-analysis, 22632
self analysis & resistance to self analysis of countertransference, psychoanalyst, 36364
Self Assessment [See Self Evaluation]
Self Care Skills—Serials
activities of daily living & self care skills & cognitive ability, 80+ yr olds vs centenarians, Sicily, conference presentation, 29996
age, perceived symptom severity & self & others' care & control over health & satisfaction with problem solving, chronically ill 20–95 yr olds, 8492
assistive devices, independence, blind & handicapped patients, Asia, 9552
attributions & affective reactions toward & expectations of demented patient & patient gender, promotion of patient's self feeding behavior, 18–68 yr old female nursing staff members, 43329
behavior problems & social & self-care & community living skills, patients aged over 60 yrs with schizophrenia or schizoaffective disorder vs bipolar disorder vs major depression, 42190
behavioral & self care skills & incidence rates of skill regression & subsequent mortality risk, mentally retarded 40–70+ yr olds with vs without Down syndrome, 12392
combined audiovisual self-prompting system, independent performance of chained step completion of daily living tasks, 10–13 yr olds with moderate intellectual disabilities, 36780
Community Re-Entry Program, skill levels & positive & negative symptoms, acutely mentally ill inpatients (mean age 33.9 yrs), 33011
cultural sensitivity of Health Promotion Self-Care Interview Guide in identification of self care actions that promote well being, healthy middle aged Mexican American female 40–59 yr olds, 24073
dependency & discharge changes after implementation of National Health Service & Community Care Act, geriatric inpatients from psychogeriatric wards, UK, 24193
dependency & discharge changes after implementation of National Health Service & Community Care Act, geriatric inpatients from psychogeriatric wards, UK, 36721
development of self care strategies & functioning in culturally prescribed roles, 19–52 yr old females with chronic pelvic pain, 4580
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, 20307
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, commentary, letter, 36781
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, commentary, letter, 36783
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, commentary reply, letter, 36786
glycemic control & self-care behaviors, 4.1–20 yr olds with insulin-dependent diabetes mellitus, 1501
grocery shopping skills & instruction, students with moderate or severe or profound intellectual disabilities, literature review, 28077
health & functional ability, 65–79 yr olds in longterm residential care vs living at home, Finland, 40125
in-home occupational therapy for dressing practice, unresolved dressing problems 6 mo after hospital discharge, 42–82 stroke patients, England, 24346
Intensive Learning Center program, general functioning & maladaptive behaviors, 29–76 yr old chronically mentally ill long-stay psychiatric inpatients vs patients transferred to community placements, 13394
learning & informational processing approach to functional activity evaluation & skills training with older adults, occupational therapists, 16993
least prompts instructional procedure for microwave oven food preparation, 31–45 yr old females with disabilities, 43428
norfloxacin vs placebo, physical & mental & self care functioning, hospitalized elderly with asymptomatic bacteriuria, 9280
perceptions and trends of pediatric occupational therapy interventions in self-care tasks, pediatric occupational therapists, 27803
perceptions of independence & appropriateness criteria for independent living, residency acceptance guidelines for retirement community, elderly, 15379
performance of self care activities, adults with rheumatoid arthritis, 5 yr study, 23264
physical performance measures & instrumental activities of daily living disability, older community dwelling adults, meta analysis, 25954
plans for & experiences of employment & post secondary education & independent living following high school, deaf 17–21 yr olds, 39587
reliability & validity of Mental Health Self-Care Agency Scale, inpatient or partially hospitalized pregnant or postpartum 18–44 yr old females with depression, 37462
self efficacy, declines in functional status as measured by self care & physical performance, community residing 72 yr olds & older, 11513
severity of cognitive & neurodegenerative diagnosis & extrapyramidal gait disorder, social functioning & performance of activities & personal care, community dwelling 70–97 yr olds, Australia, 1568
social behavior & everyday living skills, new long stay psychiatric inpatients vs discharged patients with stays in hospital vs community for 6 mo to 5 yrs, England, 9540
social function & living skills & demographic characteristics & illness variables, inpatients & outpatients with schizophrenia, Australia, 42329
teaching of toileting & self-feeding skills, young children with disabilities, 20302
use of Occupational Adaptation frame of reference, functional independence & restrictiveness of discharge environment, 61–90 yr old patients with cerebrovascular accident, 39471
wayfinding training, generating sense of community, persons with mental & mobility handicap traveling by mass transit to use urban outpatient services, 27709
Self Concept [See Also Academic Self Concept, Self Confidence, Self Esteem]—Serials
ability level & athletic experience & sport type, self-serving attributions, professional athletes, archival analysis of newspaper sports pages, 24809
age & sociodemographic & socioeconomic factors & health & religiosity & religious beliefs, sense of control, 50 yr olds & older, 11518
ambiguous identity & dual stigmatization for bisexual women, 15526
ambivalent vs avoidant vs disorganized/controlling insecure attachment patterns, extent of activation of attachment needs & self-efficacy & self-regard & orientation to objects or people, commentary, 7753
ambivalent vs avoidant vs disorganized/controlling insecure attachment patterns, extent of activation of attachment needs & self-efficacy & self-regard & orientation to objects or people, 7728
application of course concepts to social experiences, psychosocial development & self knowledge, college social psychology students, 33412
application of feminist psychology & psychoanalytic theory to entry into gendered identity & cross gender identifications & consciousness of father's relative powerlessness, working class daughters, 7533
application of self psychology constructs in psychoanalytic interpretation of selfobject & maintenance of self in E. O'Neill's 'The Hairy Ape', 22625

assessment of self-other differentiation & self integration within interactions, young adults & female 50–80 yr olds, 10392
assimilation, self concept, 17–85 yr old abused vs nonabused Mexican American females, 26605
attachment cognitions & global beliefs about self-worth, interpersonal problem-solving strategies, 17–19 yr old females, 11717
attitudes toward media constructions of Generation X category label, 19–23 yr olds, implications for generational & self identity, 42033
avoidance of negative affect & illusions of unrealistic optimism & overly positive self-evaluations, 18–58 yr old repressive females, 18986
behavior & psychological distress & sense of self following sibling's bone marrow transplantation, 6–18 yr old donors vs nondonors, 43259
Big Brothers/Big Sisters of America program, self concepts & behavior, 7–15 yr old males with vs without Big Brother, 13323
body image & self concept, 20–34 yr old males vs females, 7751
brief interpersonal group therapy, academic achievement & self concept & social acceptance & locus of control, low achieving 2nd–6th graders, Israel, 19847
career & self concept development & vocational choices & experiences, females, literature review, 33595
characteristics & postaddiction identity & reasons for treatment avoidance & self help groups, termination of addiction without treatment, middle class alcoholics & drug addicts, 24307

accessible memories of trait related behavior & specificity of situation & time frame of prediction, confidence predicting display of personality traits in self vs friend, college students, 28861
activation of non-social content, realism of confidence judgments on answers to general knowledge questions, 18–59 yr olds, 21323
actor vs observer role, confidence judgments, college students, England, conference presentation, 41074
availability of information, aggregation of confidence in prior decisions & judgments, college students, 14614
body language of women, judgments of target's confidence vs vulnerability to sexual assault by strangers, 18–35 yr old college students & 27–52 yr old police officers, 12300
competitiveness & competitive orientation & trait sport confidence, outcome self efficacy & goal vs win importance, male 19–54 yr old marathon runners, Philippines, 40645
confidence before vs during putting in medal vs match play, putting performance, golfers, 17415
confidence on inductive vs deductive reasoning tasks, kindergarteners vs 2nd vs 3rd vs 4th vs 5th vs 6th graders, 15218
evidence of symptoms & confidence in judgment of anxiety & depression profiles, graduate psychology students, Spain, 15872
expressed self confidence toward financial analysis, male vs female professional business analysts or university accounting professors, 19009
feedback & item difficulty effects on overconfidence bias, accuracy in judgments, 18–48 yr old college students, 38781
fine vs gross discrimination error & confidence in response, feedback study time, college students, 245
general knowledge overconfidence in directly reported judgments & judgement inferred from making actual wagers, college students, US vs China, 38786
hubris or exaggerated self-confidence as motivation for large premiums paid for acquisitions, chief executive officers, 33683
image content & visual & kinesthetic imagery ability & sport confidence, 12–18 yr old elite competitive rollerskaters from various countries, 3457
individual vs dyad responses, confidence judgments on general knowledge test, individual vs pair responses, 19–46 yr olds, Sweden, 975
individual's self-reported confidence & influence in decision making of freely interacting group, college students, 38684
instructions & retrieval sequences & feedback, ability to recall responses to multiple choice items & confidence with which responses were made, college students, 28980

intensity & direction of cognitive & somatic anxiety & self confidence, athletic performance, 18–31 yr old females on netball teams, 10148
Job-Raising Program using self-improvement model of vocational rehabilitation, employment status, arthritic patients (mean age 46 yrs) wanting to gain or retain employment, 39352
life span analysis of self confidence & assertiveness & cognitive commitment & outgoingness & dependability & warmth, adults, 30–40 yr study, implications for personality change, 7339
model performance statistics provided by decision support systems, assessment of confidence levels in decision making based on models, college students & managers, 14103
motivation to perform task well & affective reactions & attributions to failure & self perception & event familiarity as resources for coping with academic failure event, 4th & 5th graders, 37037
outcome feedback, overconfident vs underconfident judgments, college students, Israel, 265
overconfidence & base rates of behavior & positively vs negatively predicted outcomes, 18–43 yr olds, 10702
overconfidence phenomenon & stochastic & cognitive models of confidence, commentary, conference presentation, 41054
personal evaluations of social comparisons & submissive behavior & shame proneness & social rank, confidence & depression, college students, UK, 3900
precompetitive state anxiety & self confidence, competitive performance, top vs lower level junior female gymnasts, Hungary, 33717
problem-solving confidence, catastrophic worrying, undergraduates, England, 6299
product-specific information & knowledge of choice strategy, confidence in quality of brand choices & preferences, adults, 14043
reiteration effect in asymmetry in true vs false assertions & recall confidence in hindsight bias, 14643
RT & subjective assessment of memory processing & confidence as predictors of accuracy of recall vs recognition of details of a crime, college students, implications for eyewitness testimony, 28975
self-confidence & positive feelings & problem identification & parent personality & parenting characteristics, aligned vs nonaligned 7–14 yr olds & their parents in custody litigation, 7181
self reliance & completion of military training, Air Force trainees, 17419
sex, recollections of early childhood touch & tactile attitudes & touch behaviors & effectiveness of paper & pencil measures vs log recordings in predicting social self-confidence, college students, 22472
somatic vs cognitive anxiety & self confidence, decrements in working memory vs enhanced perceptuomotor performance at 3 competitive levels, male 18–23 yr old varsity hockey players, 40641

Self Congruence—Serials

content & relationship to mental health & functions of fantasy self vs ideal self vs ought self, college students, 30485
educational & relational mental incongruity, domain specific identity formation, 12–24 yr olds, Netherlands, 15292
self-aspect congruence & subjective well-being & personality, college students, 22557

Self Consciousness [See Self Perception]

Self Control—Serials

causes of aggression & education & intervention strategies involving anger control & assertiveness training & problem solving techniques, school counselors, 10024
cognitive model of self regulation, patterns of self regulation & concept of disinhibitory overrides & goal conflicts, commentary, 11772
cognitive model of self regulation, patterns of self regulation failure & approach to self change, commentary, 11789
cognitive model of self regulation, patterns of self regulation failure & implications of ironic process model, commentary, 11787
cognitive model of self regulation, patterns of self regulation failure & incorporation of psychodynamic issues, commentary, 11784
cognitive model of self regulation, patterns of self regulation failure & individual differences & social opinion of failure, commentary, 11773
cognitive model of self regulation, patterns of self regulation failure & perspective of personality systems interactions theory, commentary, 11780
cognitive model of self regulation, patterns of self regulation failure & perspective of ecologically oriented sociocognitive theory, commentary, 11768
cognitive model of self regulation, patterns of self regulation failure & principle of motivational resonance, commentary, 11778
cognitive model of self regulation, patterns of self regulation failure & role of goal conflicts & motivation, commentary, 11779
cognitive model of self regulation, patterns of self regulation failure & role of individual differences & transcendence skills, commentary, 11777
cognitive model of self regulation, patterns of self regulation failure from perspective of animal behavior & autoshaping, commentary, 11788
cognitive model of self regulation, patterns of self regulation failure, commentary, 11776
cognitive model of self regulation, patterns of self regulation failure, commentary reply, 11775
cognitive model of self regulation, patterns of self regulation failure, commentary, 11786
cognitive model of self regulation, patterns of self regulation failure, commentary, 11770
cognitive model of self regulation, patterns of self regulation failure, commentary, 11771
cognitive model of self regulation, patterns of self regulation failure, literature review, 11769
cognitive model of self regulation, use of hyperbolic discount curves in model, commentary, 11767
cognitive models of self regulation, patterns of self regulation failure & achievement of goals, commentary, 11785
cognitive vs self control models of self regulation, patterns of self regulation failure, commentary, 11782
comparative perspective & personality traits & other variables, understanding individual differences in self control & discounting of delayed rewards, 7737
computer-based behavioral self control training, change in drinking behavior, nonalcoholic heavy drinkers, 40165
Computer Supported Intentional Learning Environment software, academic & general self concept & self regulation & critical thinking ability, 8th graders, 33426
control of self vs environment to handle stressful caregiving situations, 56–86 yr old caregivers of spouses with dementia, 5324
control theory psychology & real life goal of meeting needs as illustrated in K. Paterson's realistic fiction "The Great Gilly Hopkins", 29646
Ego Control & Ego Resiliency & the Five-Factor Model of Personality, behavioral & emotional problems, 7–17 yr old mental health clinic-referred outpatients, 39150
homework compliance & perceptions of control, posttreatment anxiety, cognitive behavioral therapy clients with social phobia, 4852
integrative framework for constructs of control, 3944
intrapersonal & interpersonal perspective on theory of ironic mental control processes, implications for therapeutic intervention, commentary, 34238
ironic processes of mental control, implications for therapeutic intervention, 34248
low self-control, prediction of crime & accidents, 8 yr olds, Finland, 16 yr study, 8319
low self-control, prediction of delinquency & accidents, 6 yr olds, Canada, 10 yr study, 8328
mastery & extraversion & neuroticism, stress appraisals, college students, 30498
object relations & social cognitive theory & imagery in self-control program, aggressive adolescents, 12793
philosophical perspective of self-control & temptation & intentional behavior, addicts, 31327
preferences for larger delayed vs smaller immediate rewards & stimulation, self control, 5–6 yr old males with ADHD, commentary, 12853

preferences for larger delayed vs smaller immediate rewards & stimulation, self control, 5–6 yr old males with ADHD, commentary reply, 12851
proactive vs reactive aggression in adolescence, adulthood antisocial vs prosocial behavior & self control & alcohol use, females vs males tested at ages 8 & 14 & 27, longitudinal study, 12165
self & peer rated attributions of skill efficacy & behavioral self control, social & academic learning, application of social relations model, mainstreamed adolescents with learning disabilities, 37118
self-control & frustration & emotionalism & precipitating incidents in theory of riot participation, 15393
self control exposure therapy, 9–11 yr olds with war induced acute & preexisting anxieties, Israel, 1743
self control in food reinforcer amount & delay preferences & language ability, 3 vs 5 vs 7 yr olds, 790
self-control intervention program, eating & relaxing behaviors, 37 & 42 & 47 yr old females with Type A behavior pattern & physical/psychosomatic symptoms, Japan, 8872
self control, 18–21 yr olds with Type A behavior pattern, implications for behavior modification, 7733
social biofeedback theory of parental affect mirroring, development of emotional self awareness & self control in infancy, 18567
teaching students "I"-messages, promotion of positive anger management & nonviolent reaction to situations, middle & high school students in counseling contexts, 10019
temperamental inhibitory or effortful control, conscience development, toddlers (mean age 32.9 mo), 4 yr study, 34922
temperamental reactivity & mobility & action vs state orientation, self regulatory strategies, bank employees, 11742
threatened egotism & self-regulatory breakdown & emotional distress as factors in self-defeating & self-destructive behavior, 35303
weight histories, adults with binge eating disorder with vs without loss of control vs eating disorders not otherwise specified, 12405

Self Defeating Behavior—Serials

bad mood & risk taking & self defeating behavior, college students, 15695
concurrent validity of self-defeating personality scale & personality disorders inventory, adult male vs female (mean age 19 yrs), 40845
self defeating personality & argumentativeness & assertive self statements, male vs female college students, 18995
sexual abuse, Self-defeating Personality Scale scores, undergraduates (mean age 22 yrs), 12173
threatened egotism & self-regulatory breakdown & emotional distress as factors in self-defeating & self-destructive behavior, 35303

Self Defense—Serials

offensive–defensive distinction & limitations on international arms trade in post-Cold War environment, 18660
right to & training for protection from threat of attack by violent patients, mental health professionals, 5502

Self Destructive Behavior [See Also Attempted Suicide, Head Banging, Self Inflicted Wounds, Self Mutilation, Suicide] —Serials

affect dysregulation & self destructive behaviors, adolescent inpatient suicide attempters vs ideators (mean age 14.9 yrs), 35748
alcohol & drug misuse & deliberate self-harm, 16–35 yr old females with bulimia nervosa vs other vs no psychiatric disorders, implications for impulsive vs nonimpulsive subtyping of bulimia, 31547
antecedent & concurrent psychological & interpersonal & behavioral correlates of chronic self-destructiveness, 16–65 yr olds, 4240
attention as establishing operation vs reinforcement during functional analyses, individuals with self-injurious behavior, 39138
blood donation & laxative abuse as indication of psychopathology, 32 yr old female with bulimia with symptoms of obsession & depression, case report, letter, 23206
central 5-HTergic function in relation to self-injurious behavior, patients with personality disorder, 42422
clinical & demographic factors predictive of subsequent suicide, 13–73 yr olds assessed for deliberate self harm, 18 yr follow up, Australia, 31189
competence-based supported routines, self injury, 13 & 18 yr old males with profound mental retardation, 1744
consequent stimuli, stereotypical & self injurious behavior, 9 yr old male & 20 yr old female with severe developmental disabilities & sensory impairments, 27226
control over reinforcement delivery, noncontingent reinforcement vs functional communication training effectiveness, mentally retarded 29 & 45 & 50 yr olds with self-injurious behavior, 39151
custodial setting, suicide & self harm, prisoners with HIV & AIDS, UK, 2101
deliberate self poisoning & unemployment & other indicators of social deprivation, 15 yr olds & older, 1982 vs 1988, Ireland, public health implications, 31220
development & psychometric properties of Life Attitudes Schedule, assessment of suicidal & risk-taking behavior & model of life threatening vs enhancing behaviors, high school & college students, 5989
differences in self-reported pain during self-injurious behavior, 18–52 yr old females with borderline personality disorder, 39126
discrimination between imaginary vs mild vs pain related to dissociation, female 18–52 yr olds with borderline personality disorder who did not feel pain during self injury, 15999
early vs current interactions with family of origin members, understanding & treatment of self destructive behavior, females with borderline personality disorder, 1336
eltoprazine modification of serotonin metabolism, self injurious behavior, mentally retarded 18–65 yr olds, 5113
ethological conceptualization of self-injurious & suicidal behavior, commentary, 35721
fame, self-consciousness & self-destructive behavior, singers & writers, 35294
features of time limited cognitive analytic therapy model of psychotherapy, 38-yr-old female with personality problems & mood swings & thoughts of self harm, England, case report, 32304
free-operant preferred-stimulus manipulation as environmental enrichment, stereotypic self-injurious behavior, 3–5 yr olds with developmental disabilities, 39169
lifetime self destructive behavior & experience of child abuse & neglect, 18–60 yr old patients with borderline personality disorder, 31156
mechanical restraints & restraint fading, self injurious behavior, profoundly mentally retarded 7 & 8 & 20 yr old males, 32152
medical conditions & self-injurious behavior, 3–35 yr olds with severe mental retardation, retrospective study, 31465
motivational factors & severity & suicidal & depressive history, 12–54 yr old females with trichotillomania with vs without comorbid self injurious behavior, 23001
multicomponent small group intervention, reduction of self injurious hand mouthing & increase of rate of engagement with daily activities, adults with mental retardation, 4885
multimodal & integrative treatment based on nonaversive approaches, self injurious behavior, profoundly retarded male 16 yr old, 16542
multimodal cognitive behavior therapy, 40 & 27 yr old female inpatients with borderline personality disorder & self injurious behavior, case report, 42999
naltrexone & other psychotropics, hyperactivity & self injurious behavior & other core symptoms, autistic children, commentary, 9078
naltrexone, hyperactivity & self injurious behavior, autistic children, commentary reply, 9047
naltrexone, hyperactivity & self injurious behavior, autistic children, 9046
naltrexone, hyperkinesis & self injurious behavior & other core symptoms of social deficits, autistic children, commentary reply, 9077
noncontingent delivery of arbitrary reinforcers, self-injurious behavior, 34 & 44 yr olds with profound mental retardation, 39139

numbing scale scores, females with self-injurious behavior vs dissociative identity disorder vs males vs females with major depression, 38916
origins & explanations of self-injurious behavior, parents of mentally retarded 6–30 yr olds living in group homes, 1443
paroxetine or fluoxetine, agitation & physical aggression & sleep disturbance, 23 & 26 yr olds with learning disability & autism & self injurious behavior & depressive symptoms, case reports, letter, 32493
patient & setting characteristics, indirect self destructive behavior, elderly patients in nursing homes, ethical implications, 5333
perceptions of type of behavioral interventions & program outcomes & impressions of mentally retarded individual with severe self injury, university students, 32149
predictors of outwardly directed aggressive behavior, mentally retarded 6–21 yr olds with vs without aggression, implications for prediction by concurrent self-injurious behavior, 12386
prevalence of non-fatal suicidal self-laceration & self-poisoning & deliberate recklessness, 15–16 yr olds, Australia, 35735
prevalence of suicide & suicidal ideation & deliberate self harm, patients with HIV infection, research review, 1531
response interruption & differential reinforcement, hand-mouthing behavior, 66 yr old profoundly mentally retarded male, 19833
risperidone & behavioral interventions, aggression & assault & self-injury & property destruction, institutionalized adults with mental retardation, 23902
risperidone, chronic aggressive & self-injurious & other severely disturbed behavior & tardive dyskinesia, 28–62 yr olds with moderate to profound mental retardation, 43150
role of consultation liaison psychiatry in constant observation, psychiatric patients at risk of self harm, 6 mo study, 13401
self-injurious behavior & mood regulation, adult females with borderline personality disorder with history of at least 5 episodes of self-injurious behavior, 35700
self-injury & aggression & delay in reinforcement & mand training & extinction, 15-yr-old female with autism & severe mental retardation, case report, 42647
self injury as possible response to sexual abuse or as reflection of PTSD from abuse, developmentally handicapped, 23150
sertraline, aggression & self-injury, 20–47 yr old outpatients with mental retardation &/or autistic disorder, 5028
severe self-injurious behavior, mortality & avoidable death, 5-yr study, Netherlands, 39161
staff strategies & explanations & challenging behavior, community vs institutional nurses & staff aged 16–46+ yrs, replication, England, 40006
state commitment law combining criterion of dangerousness to self or others & screening for less restrictive alternatives & new mental health structure, number of patients commited, 12 yr study, 20274
stereotyped echopraxic self-injurious behavior, 27 yr old female with severe Tourette's syndrome, case report, 4648
stimulus control of social attention as reinforcement for & extinction of self-injurious behavior, 16-yr-old male with severe mental retardation, 42643
thinning of punishment schedule from continuous to intermittent, self-injurious behavior, 25–39 yr olds with profound mental retardation, 39155
threatened egotism & self-regulatory breakdown & emotional distress as factors in self-defeating & self-destructive behavior, 35303
validity of Suicide Probability Scale, prediction of subsequent suicide attempts & verbalizations & minor self destructive behaviors, 8–18 yr olds in group homes, 6039
video vignette of extremely aggressive & self-abusive man, treatment acceptability ratings of behavioral interventions, college students, experimental replication, 12845

Self Determination—Serials

activism related to patient self determinism as public policy issue, enactment of legislation with implications for family mediators, 24952
adolescents' level of legal & psychological cognitive competence associated with self-determination in mental health decisions, 43963
assistive-technology interventions, home environment & self-determination & family systems, children with disabilities, 27629
construction & validity of Client Motivation for Therapy Scale, assessment of self-determination & types of motivation for psychotherapy, clients, 25028
developmental regulation & optimization in primary & secondary control across life span, 20–35 vs 40–55 vs 60 yr olds & older, Germany, 15289
fostering development of metacognitive & self perception & problem solving & autonomous decision making aspects of self determination, elementary & middle school special education students, 13855
high vs low self determination, degree of involvement in gambling, males vs females, Canada, 2342
knowledge & implementation procedures & perceived effects of Patient Self-Determination Act, nursing home vs hospital administrators, 37333
outcome oriented & competency based practice & client self determination, 36–82 yr old social workers, 24207
personal agency & traditionality of career choice & problem solving appraisal, attitudes toward multiple role planning, female college students, 22343
role of moral standing & autonomy in euthanasia decisions, patients in persistent vegetative states, 31889
self-advocacy & individual vs social models of learning disability, 39268
self-advocacy, families, adults with learning difficulties, England, 31430
self-determination & persistence & school administration behaviors as factors in model of high school dropout, 9th & 10th graders, Canada, 33514
self determination vs common good in end of life decision making & professional ethics for social work practice & policy based on National Association of Social Workers Code of Ethics, 9450
self sufficiency & individuality & role of independent living centers, disabled consumers, 5396
test reliability & validity & utility, self report measure of self determination, 14–22 yr old high school students with mild mental retardation & learning disabilities, 17713
within-group communication, group decision & individual choice in assurance & chicken team games, male college students, Israel, 980

Self Directed Learning [See Individualized Instruction]

Self Disclosure—Serials

ability to disclose traumatic events in writing during brief period & effect of written disclosure on self-reported mental & physical health, trauma survivors with PTSD, Israel, 4204
acute smoking exposure, reinforcing value of smoking & self report measures of reward value, adult males vs females, 38642
adoption & family & biographical variables, decision to tell vs not tell adoptive parents of search for biological parents, 18 yr old & older adoptees, Israel, 22267
AIDS knowledge & fear of contraction & homosexual & AIDS tolerance, self-disclosure responses to stigmatizing disclosures, college students, application of communication accommodation theory, 38612
analyst self-revelation vs disclosure, adult male patient, 19899
approach to self disclosure & countertransference in clinical social work, 23646
association of self-monitoring & self-disclosure, college students, 41969
child age & gender & family ethnicity & parent education level & family size & illness stage, HIV infection disclosure & child functioning in family processes, HIV positive fathers with hemophilia, 19532
clinical & therapeutic ramifications of self disclosure in psychotherapy, therapists with life-threatening illnesses, commentary, 27109
clinical & therapeutic ramifications of self disclosure in psychotherapy, therapists with life-threatening illnesses, 27140

consequences of revelation of negative personal secrets, literature review, 3749
content analysis of personal information disclosure & qualities sought in prospective partner in personal advertisements, gay males & lesbians, 7562
control of obligated self disclosure subsequent to publicized murder of spouse, female family therapist, 13653
cynical hostility, effect of verbal self disclosure on natural killer cell activity, male college students, 3147
disclosure effects of writing about emotional experiences, physical & mental health treatment outcomes, 36224
disclosure of real vs imagined traumatic events, health & adjustment, female college students, 3902
disclosure of significant life events to patients, therapists, conference presentation, 32027
disclosure of teacher's lesbian sexual orientation, end of term teaching evaluations & bias, counseling psychology college students, 24652
emotional disclosure of stressful life events, mood disturbance & pain & joint condition & physical dysfunction, 22–79 yr old patients with rheumatoid arthritis, 3 mo study, 39379
experiences of disclosure, HIV infected 24–44 yr old females, 4602
facial emotional expression & symbolic communication correlates of repressive coping during preparation & delivery of self disclosing speech, high vs low anxious female 17–22 yr olds, 3758
feminist ideas & disclosure to mother, blame & anger in general & at mothers vs fathers, adult females with vs without history of incest, 4279
HIV serostatus references in personal ads, 1986–1993, 35207
inadvertent self revelations in 2 person perspective of psychoanalytic situation, psychoanalysts, commentary, 36359
inadvertent self revelations in 2 person perspective of psychoanalytic situation, psychoanalysts, commentary, 36378
inadvertent self revelations in 2 person perspective of psychoanalytic situation, psychoanalysts, commentary reply, 36369
inadvertent self revelations in 2 person perspective of psychoanalytic situation, psychoanalysts, commentary, 36365
inadvertent self revelations in 2 person perspective of psychoanalytic situation, psychoanalysts, 36368
inadvertent self revelations in 2 person perspective of psychoanalytic situation, psychoanalysts, commentary, 36377
inadvertent self revelations in 2 person perspective of psychoanalytic situation, psychoanalysts, commentary, 36371
inadvertent self revelations in 2 person perspective of psychoanalytic situation, psychoanalysts, commentary, 36375
inescapable & inadvertent & deliberate self-disclosure during psychoanalysis, psychoanalysts, 43085
instruction on topic of & department's view of & opinion of disclosure of homosexuality & awareness of program's lesbian & gay & bisexual colleagues & residents, residency training directors, 36892
intergenerational distance in social network, use of self disclosure to family vs friends for self expression & self clarification & social control & social validation, 19–24 vs 30–45 vs 65–93 yr olds, 29915
investigator utterance type in interviews, child witness informativeness, male investigators & single vs multiply sexually abused 4–12 yr olds, replication, 14155
issues in relationship between researcher & research participant & strategies for increasing sensitivity to participant disclosures in qualitative research methods, commentary, 40986
latency & selective non-disclosure in verbal self-reports, adults, 6297
manipulation designed to induce recategorization on intergroup bias, helping & self-disclosure & evaluation, undergraduates, 38699
openness about sexual orientation & satisfaction with coworkers & pay, 21–59 yr old gay & lesbian employees in San Francisco vs Indianapolis, 15529
parental disclosure of child psychosocial problems, identification & intervention by family physicians, parents & physicians of 3–10 yr olds, 39949
perceived effects of helpful therapist self-disclosure, 26–50 yr olds in long-term psychotherapy, 36213
perceived typicality & necessity of intimate disclosure & other interpersonal activities characterizing evolving vs dissolving romantic relationships, college students, 18847
perception of legitimacy of own vs partner's interests & self expression & listening behaviors, problem solving, couples, 30364
racial differences & ethnicity & self disclosure in psychoanalysis, 30 yr old White female, 32287
required informed consent disclosure & patient welfare & rights vs physician rights, physicians treated for chemical dependency, 5559
self consciousness & symbolic skill modeling vs self disclosure, attentional focus & attitudes toward peers with blindness, non-disabled college students, 27060
self disclosure & intimacy level in dyadic conversations with same vs opposite sex strangers vs spouses, males vs females from married couples, 41971
self-silencing in relationships & self-esteem & depression, male vs female undergraduates, 22788
sex & sex role orientation & prospect of future interaction, self disclosure to same vs opposite sex acquaintance, college students, 3766
social constructionist paradigm of process & experience & results of self disclosure, 17–48 yr old incest survivors, 8140
theoretical mechanisms & clinical utility of disclosure effects of writing about emotional experiences, physical & mental health treatment outcomes, commentary, 36200
therapist disclosure of attraction to client & gender of therapist–client dyad, client consequences & therapist power, male vs female mental health professionals, 9786
usability in object relations & self disclosure & countertransference in analytic therapy, 26320
voice in disclosure discourse, 7–18 yr old survivors of sexual abuse, 42483
written cognitive pretraining, self disclosure & cohesion in time limited group psychotherapy, 22–62 yr old incest perpetrators & nonoffending spouses of incest perpetrators & incest survivors, 32237

Self Efficacy—Serials

action vs preparation processes & stage of smoking cessation, smoking abstinence self efficacy & temptation to smoke, pregnant vs nonpregnant female 18–39 yr olds, 5423
acute exercise, self efficacy & affective responses, adults, 11743
age & SES & sense of control, exercise self efficacy, older adults, conference presentation, 3522
aggressive vs withdrawn vs problem solving response style to ambiguous provocation & social goals & self efficacy perceptions, 9.9 yr olds, 11433
ambivalent vs avoidant vs disorganized/controlling insecure attachment patterns, extent of activation of attachment needs & self-efficacy & self-regard & orientation to objects or people, 7728
ambivalent vs avoidant vs disorganized/controlling insecure attachment patterns, extent of activation of attachment needs & self-efficacy & self-regard & orientation to objects or people, commentary, 7753
application of solution-focused vs problem-focused approach & promotion of client self efficacy, nurse home visitation program for pregnant females & parents of young children, 20257
attendance at Texas All Well Health Promotion Conference, efficacy expectations & engagement in healthy behaviors & development of school health promotion programs, school employees, 43288
attitude & subjective norm & self efficacy, intention to benchmark, experienced vs inexperienced managers, Australia, 2280
attribution for task performance difficulties vs feelings about task efficacy, aged adults, 25950
attributions & affective reactions & efficacy expectations & intention & performance of health behavior, psychiatric hospital staff, application of B. Weiner's attributional model, 1958

body dissatisfaction & other eating disorder symptoms & self-efficacy for eating control, male vs female college students with vs without weight fluctuation, 35950
brief individual family consultation vs group family workshop, maturation & self-efficacy & burden & stress & grief, families with mentally ill member, 6 mo followup, 32244
brief individual family consultation vs group psychoeducation, grief & self efficacy & social support & stress & coping, relatives of persons with schizophrenia or other serious mental illness, 1755
clinical peer supervision models, job satisfaction & counseling self efficacy & effectiveness, 25–56-yr-old school counselors, 24385
coaching effectiveness & player perception of feedback, self-fulfilling prophecy, high vs low expectancy 18–23 yr old college basketball players & their 23–41 yr old coaches, 14035
cognitive appraisals in claustrophobia, college students, implications for S. Reiss & R. McNally's expectancy model of fear behavior & A. Bandura's self-efficacy theory, 19244
cognitive development & self-competency & teacher evaluations, own group attitudes & racial identity, White vs Native Indian kindergarten–2nd grade students, Canada, 33490
competitiveness & competitive orientation & trait sport confidence, outcome self efficacy & goal vs win importance, male 19–54 yr old marathon runners, Philippines, 40645
comprehensibility & reliability & concurrent & predictive validity of Generalized Self Efficacy Scale, assessment of perceived coping ability, adults with arthritis, UK, 14289
conception of ability & sex-type of sport task, self-efficacy, male vs female undergraduates, 15505
conceptual similarity of general self-efficacy & self-esteem & ability of general self-efficacy measures to predict performance, 17–43 yr olds, 26277
conceptualization & operationalization of internal & external constraining factors in perceived behavioral control construct, health behavior intentions & behavior change, adults, England, 30543
continuity & self-efficacy & distinctiveness & self-esteem, attachment to residential environment, 26–67 yr olds, England, 17484
contrast & assimilation & displacement of judgments from anchor & self-efficacy & judgmental displacement, judgment of contingency in social or nonsocial situation, college students, 35266
convergent & discriminant validity of perceived contingency & interpersonal power & social self-efficacy scales, 18–42 yr old college students, 28442
cooperative teaching field experience, science teaching self efficacy, preservice elementary education students, 5570
development & construct validity of Kuder Task Self-Efficacy Scale, assessment of career task self-efficacy, male vs female undergraduates, 34077
development & factor analysis of Missouri Guidance Competency Evaluation Survey, assessment of self-efficacy beliefs for guidance competencies, middle & high school students, 28593
development & reliability & validity & training applications of Career Counseling Self Efficacy Scale, 22–53 yr old graduate students in counseling, 17728
development & reliability & validity of Hospital Social Work Self-Efficacy Scale based on social cognitive theory, assessment of confidence to perform related work tasks, social workers, 17721
development of self efficacy beliefs & program for self-regulation learning strategies, academic & health functioning, students, implications for school psychology, 2189
discriminant & predictive validity of global vs domain-specific academic self-concept & self-efficacy beliefs, college students, implications for academic achievement, 34064
disease severity & social support & self concept & self efficacy, quality of life, patients with non insulin-dependent diabetes mellitus, 8456
dispositional social anxiety or other anxiety affect, self efficacy for avoiding heavy alcohol drinking, college students, 18814
environmental constraints & self-efficacy & company risk & intentions to provide violence-prevention education, occupational health nurses, 40299
exercise, domain specific & global levels of self esteem & effects of physical fitness & body composition & self efficacy & exercise participation on changes in physical self worth, middle aged adults, 24078
experience & self efficacy & consistency of administration of physical abilities test, perception of job relevance & relatedness, fire fighters, 10555
extracurricular activity, career maturity & self-efficacy, adolescents, 25853
factor analysis & structure of Mathematics Self-Efficacy Scale—Revised, assessment of math self-effficacy, college students, 34063
factors influencing science teaching efficacy & teaching outcome expectancy, elementary teachers, 9838
family environment relationship & personal growth & system maintenance dimensions & self-rated effective vs ineffective problem solving, college students, South Africa, 15317
gender bias in academic environment, agentic self-efficacy expectations & sex role attitudes, female college students, 24640
goal setting & self monitoring during self-regulated dart throwing practice, motoric skill & self-efficacy & self-reactions & intrinsic interest, 14–16 yr old high school females, 11403
goal setting vs commitment vs self efficacy vs trait efficacy vs ability vs self satisfaction, tennis performance, 19–23 yr olds, 14036
group educational intervention, memory self efficacy & performance, depressed vs nondepressed older adults, 12714
guidance & reliable alliance & reassurance of worth, self efficacy in problem solving, teacher assistance team members & school staff receiving their services, 33354
health belief model vs reasoned action vs social cognitive theories & sexual risk behavior, 17–59 yr old gay males, implications for self efficacy model, 3705
health beliefs & self efficacy & perceived susceptibility, needle use practices for reduction of risk of HIV contraction, injection drug users, 4326
illness severity & self-efficacy, prediction of relapse & relapse latency & coping behavior, alcoholic adults, 6 mo followup, 4342
incremental vs entity implicit theory of athletic coordination, exercise motivation & self efficacy & negative affect in facing difficulty, college students, 18970
influence of respective underlying paradigms on theoretical possibility of debate between cognitivists & behaviorists on causal efficacy of human thought, 17930
intraindividual development of personal conceptions of intelligence & school marks & controllability, 12–21 yr olds in Grades 7 & 9 & 11, 2 yr study, Portugal, 20502
justification of defection by minimizing perceived efficacy of cooperative act in social dilemma game, college students, 30363
knowledge level & cognitive qualities & self efficacy & goal structure, decision making & problem solving, managers in accounting, 43769
latent structure of sources of career-relevant mathematics self-efficacy, high school & college students, 17202
leadership behavior & social environment, exercise induced feeling states & self efficacy, female college students, 37239
leadership training in Community Oriented Primary Care model, self efficacy in initiation of activities, 61–87 yr old senior center members, 13191
leadership training program, self efficacy & esteem & initiative in beginning center activities & leadership attitudes & skills, elderly attending senior center, 16844
liberal feminist vs conventional approach to career counseling, career self-efficacy beliefs, female college students, 10014
maternal depressive symptoms & family structure, daughter school grades & educational aspirations & expectations, White & Hispanic mother & 7th grade daughter dyads, 19171

mathematics self-efficacy expectations & vocational interests, choice of math & science college major, male vs female college students, 3 yr study, 17201
mental imagery training for motor performance, self-efficacy for dart throwing, 22–33 yr olds, Canada, 41050
model of socioeconomic & familial & peer influences & self processes, efficacy beliefs & academic achievement, 11–14 yr olds, Italy, 5637
motivation & severity of abuse problem & demographics & perceived self-efficacy, aftercare contact, 20–66 yr old socially disadvantaged alcoholics who completed inpatient treatment, 33048
neuroticism & openness & extraversion & agreeableness & conscientiousness, self efficacy, employees in self managed work groups, 2313
nicotine dependence & self-efficacy & attributions & affective reactions to initial smoking lapse, prediction of progression & characteristics of relapse, adults in smoking cessation program, 9615
perceived job control & self efficacy & demands, blood pressure, health care professionals & employees of large company, 40584
perceived motivational climate & dispositional goal orientation, intrinsic motivation & self efficacy, college tennis students, 10150
perceived problem solving ability & success vs failure feedback, attributions, teacher trainees, 40353
perceived self-efficacy & outcome-efficacy & feedback, motivation to improve teaching by attending development workshops, 28–67 yr old social sciences & management university teachers, Canada, 20530
perceived self efficacy & uncertainty & social support & psychological distress & problem focused coping & mother & child illness factors, HIV infected mothers, 23329
perceived self efficacy, mediation of outcome in thermal biofeedback treatment, 20–49 yr old female migraine sufferers, 43248
perceived susceptibility & severity of threat of AIDS & communicative & sexual self efficacy & outcome expectancy, HIV preventive behavior, heterosexuals, 5219
perceptions of attachment, self esteem & efficacy, college students & their parents, 15319
perceptions of parental autonomy enhancing vs controlling behavior, self efficacy in problem solving, 19–22 yr olds, 3894
positive thoughts & hardiness & generalized self-efficacy & optimism & personality traits in subjective well-being, implications for practice of counseling psychology, 11740
pretraining computer self efficacy, learning outcomes & self concept changes in computer skills, 18–40 yr olds with physical disabilities, 2090
provision of information about task difficulty, & task-specific memory self-efficacy & free recall, 16–25 vs 63–86 yr olds, 41641
psychometric properties & cross-cultural uses of versions of General Self-efficacy Scale, college students, Germany vs Costa Rica vs Hong Kong, 21017
psychometric properties of Situational Confidence Questionnaire subscales, assessment of self efficacy in drinking situations, 12–18 yr olds with vs without psychoactive substance use disorders, 28490
psychometrics of National Institute of Mental Health multisite condom use self-efficacy & outcome expectancy scales, 18–58 yr olds from geographically diverse sexually transmitted disease clinics, 34052
reasons for entering college & career decision making self efficacy & career exploration activities & preferred job outcomes, under vs over 25 yr old college students, 5676
relationship between age & perceived physical competence & self esteem & competitive trait anxiety & competence information sources in sport domain, 8–13 yr olds, 22148
relationship status & technical vs communication skills training, HIV-preventive condom use self efficacy & intentions & behaviors, college students, 3 mo followup, 20140
reliability & construct validity of Counselor Self Efficacy Scale, assessment of counselor development, graduate students & counseling psychologists, 2706
role construction & sense of efficacy & school request theories of involvement in children's elementary & secondary education, parents, 36962
rotations vs yr long placements, self-efficacy & self-efficacy regarding hospital social work & perceptions of work environment, social work students, replication, conference presentation, 40266
science vs philosophy & cognition vs action & role of consciousness & self-consciousness, implications for cognitivist vs behaviorist debate on causal efficacy of human thought, 17932
self & peer rated attributions of skill efficacy & behavioral self control, social & academic learning, application of social relations model, mainstreamed adolescents with learning disabilities, 37118
self-efficacy & attachment & human ecology theories, content & clinical methods of prenatal & early childhood home visitation program, 20258
self efficacy & perceived social support, recovery related behaviors following coronary artery bypass graft surgery, adults diagnosed with coronary artery disease, 32678
self efficacy & perception of tool design effectiveness, job performance & satisfaction & absenteeism, older vs younger industrial employees, 33668
self-efficacy & safe sexual behavior, female college students, 18797
self-efficacy & self-monitoring, cross-cultural adjustment, American expatriate military personnel, Europe, tests appended, 3906
self-efficacy & social cognitive theory as framework for integration of social & counseling psychology, implications for practitioners, 27840
self efficacy & social support & stress, personal adjustment & psychological & physical distress, Hispanic college students, 37079
self efficacy & temptation strength, smoking cessation attempts, adult smokers, Australia, 2081
self efficacy approach to patient education, patients with arthritis, 16794
self efficacy as component of active coping, BP & heart rate in response to difficult task, 18–21 yr old females, 11069
self efficacy as outcome evaluation variable for substance abuse prevention training program, school personnel, 20526
self-efficacy as valid cause of behavior & effects of debate between cognitivists & behaviorists on psychology teaching & clinical decision making, 17911
self efficacy beliefs & self regulation & motivation, academic performance, literature review, 33465
self-efficacy beliefs, mathematical problem-solving, middle school gifted vs regular education male vs female 8th graders, 13890
self efficacy, declines in functional status as measured by self care & physical performance, community residing 72 yr olds & older, 11513
self efficacy, knee pain & speed of movement during & difficulty & perceived ability of motor tasks & correlations with pain during activities of daily living, elderly with osteoarthritis, 12480
self efficacy, psychosocial adaptation to intestinal stoma surgery, patients with colon cancer vs benign bowel disorders, 5174
self expectations & expectations for future partners & comparative expectations, male vs female African American vs White college students, 26094
self-related motives, individuating vs stereotypical information processing in perceiving outgroup target, undergraduates, 7677
self reliance & completion of military training, Air Force trainees, 17419
severe environmental stressor & coping self-efficacy, psychological & physiological distress, 18–50 yr old gay males with HIV who experienced Hurricane Andrew, 31646
severity of physical & verbal abuse, self efficacy & depression & self esteem, abused women, implications for usefulness of transition house residence, 9432
sex & mathematical background, prediction of mathematics anxiety & self-efficacy, college students, 17168

sex & self-efficacy level, ability to increase & decrease heart rate with vs without visual feedback, 19–28 yr old exercise science students, 29475
sex & writing self efficacy & writing apprehension & perceived usefulness of writing & writing aptitude, essay writing performance, 5th graders, 43641
sex, Computer Self-efficacy Scale ratings, junior & senior business administration students, 15702
sex, family interaction & career indecision & decision-making self-efficacy, college students, 28155
sex, sense of ability to effect change in students, university teachers, 20511
short term career development program, decision making self efficacy, 24–54 yr olds with disabilities, 40195
social modeling vs monetary incentives, effects of self efficacy & pain perception on pain endurance, healthy 18–25 yr old males, 42097
social skills training vs group or institutional therapy, social skills & self esteem & efficacy & quality of life, chronic schizophrenic patients, 16936
social support & self efficacy & outcome expectancy & anxiety, prediction of medication management, epileptic patients, 20072
spherical model of interests in examination of occupational & activity preferences & career self efficacy expectations, male vs female college students (mean age 19 yrs), 20714
standard educational intervention vs intervention based upon Stages of Change model, self-efficacy estimates for brushing & flossing behavior & dental knowledge, male veterans, 27612
state anxiety & arousal & learning self efficacy, associative learning task performance, 20–33 vs 60–80 yr olds, 14641
strategies & personal attributes, effective management of daily life & positive transformational outcomes, parents of children with developmental disabilities, 23176
strength of self-efficacy beliefs & maintenance of cognitive performance, older males vs females, 3541
support & self efficacy & satisfaction with & preferences for housing options from community health agencies, individuals with severe schizophrenia or mood or personality disorders, 32928
teachers' goal setting & attributional processes & resultant teacher efficacy, impact on students' achievement of cognitive & affective goals, 2162
test validity & reliability of self-efficacy scale for HIV risk behaviors, Hispanic 14–22 yr olds, 2 yr followup, 6088
tested quantitative scale & inventory for assessment of fruit-vegetable consumption self-efficacy, 11–17 yr olds, 37403
time perspective & self efficacy, treatment outcome, 24–66 yr olds with severe alcohol dependence, 24316
use of cooperative learning & collaboration with colleagues & sense of efficacy, female 7th & 8th grade teachers, Israel, 20567
use of identical items to assess self-efficacy & performance in mathematical problem solving, 8th–12th grade students, 37534
validity & reliability of Elementary Health-Teaching Self-Efficacy Scale, assessment of efficacy & teaching outcome expectations in health education, elementary school teachers, 10528
validity of Condom Use Self-Efficacy Scale, male college students, implications for HIV-risk reduction education, 20998
validity of Perceived Self Efficacy Scale & incorporation of family & adjustment variables & adolescent use, 12–16 yr olds, Australia, 14267
weight concerns & smoking related self-efficacy, 20–64 yr old women smokers in smoking cessation intervention, 33063
weight-control self-efficacy beliefs, nutritional & behavioral treatment outcome, obese females, 2 yr study, 8857

Self Employment—Serials

attitudes toward self employment outcomes for clients with work disabilities, vocational rehabilitation counselors, 13629

Self Esteem—Serials

academic self esteem &/vs anxiety, academic achievement in math & English, 12–17 yr old male students, Australia, 17173
acculturation & body image & self esteem & eating disorder symptomatology, 12–18 yr old Mexican American females, 12413
acculturation & social support & marital status & religion & education & ethnicity, self esteem, female Latin American immigrants, 1 yr study, US, 18882
adventure program &/vs traditional counseling, self esteem & locus of control & behavior, 12–18 yr old males with behavior disorders, 4798
age & ingroup vs outgroup racial preference & self-esteem, Black 6–12 yr olds, South Africa, 11445
age & sex & self-esteem measured by Self-Description Questionnaire subscales, 10–13 yr olds, China, 38417
age & weight, body & self-esteem, male vs female 8–12 vs 13–15 yr olds & 8–10 vs 11–13 yr olds, Canada, 2 yr study, 11454
alexithymia & affective disturbances & interpersonal difficulties & self-esteem, 18–60 yr old male alcoholics, 23036
all-female rational emotive behavior therapy groups for low self esteem influenced by internalized gender role messages & societal discrimination, 27206
anonymity of response & self reported self esteem & high vs medium vs low academic ability band membership, male vs female Chinese 12–13 yr olds, Hong Kong, 18630
anxiety & depression & self esteem & health, college students in vedic science curriculum, Cambodia, 5591
attachment style & interparental relationship & self esteem & social networks, involvement in & coping with troublesome relationships, 18–74 yr olds, 30367
attachment styles, self-esteem & patterns of seeking intimacy feedback from romantic partners, college students, 18946
behavior & depression & self esteem, sexually abused 5–15 yr olds, Australia, 5 yr followup, 31274
body fat distribution & body dissatisfaction & life satisfaction & self esteem, 21–80 yr old male vs female dieters, 42070

bulimic vs restrictive attitudes, attentional biases to self vs other originating ego threats & self esteem, non-eating-disordered female 16–26 yr olds, implications for bulimic psychopathology, 4480
bullying at school & low self-esteem, delinquent behavior, lower income 13–17 yr old males vs females, Australia, 19417
caregiving & role occupancy & age & marital status, self esteem & mastery & role conflict & depression & life satisfaction, female 53–81 yr olds initially interviewed in 1956, erratum, 3678
changes in locus of control & self esteem over time, male vs female 9th graders, 4 yr study, 25855
childhood experience of parental divorce, self esteem & closeness to father & other mediating factors in subsequent depression, 9th graders followed up 6 yrs later, Finland, 30893
class related experiences of shame & undermined self esteem & sense of possibilities & anxiety, working class females in feminist therapy, 8790
clinical relevance of meaning in life construct, psychological well-being & life satisfaction & self-esteem & psychotherapeutic outcomes, 18–42 yr old psychiatric patients, 32015
closeness to mother vs father vs peer vs teacher & self-esteem, male vs female 8–12 yr olds, 22090
cluster course interdisciplinary teaching method, academic achievement & self-esteem & psychosocial factors, college freshmen, 33437
cognitive behavioral approach in therapy, self esteem, depressed clients, 4854
cognitive restructuring interventions for irrational beliefs, 16–18 yr olds with low to moderate self-esteem, 32131
collective self-esteem & involvement in religious & ethnic organizations, prejudice toward other groups, 18–24 yr old Arab vs Jewish college students, 7468
collective self-esteem, allocentrism & subjective well-being & life satisfaction, university students, 42008

community based peer tutoring, reading age & self esteem & academic self confidence, mainstreamed disabled students assessed at 11 vs 13 yrs old, 9967
community integration & self esteem & vocational identity, adults with acquired brain injury vs chronic pain vs psychiatric vs physical vs sensory disabilities, Australia, 19085
computer based cognitive restructuring vs relaxation, rationally mediated self-esteem, 11th & 12th graders with below average self esteem, 18487
concept of being healthy as expression of personal worth & social values & existential principles, 11698
concept of self worth as hindrance to obtaining inner peace & happiness & staying in moment as key concept of rational emotive behavior therapy, 27204
conceptual similarity of general self-efficacy & self-esteem & ability of general self-efficacy measures to predict performance, 17–43 yr olds, 26277
concurrent validity of Shape & Weight Based Self-Esteem Inventory & eating disorder symptomatology & cognitive schemata, female 18–45 yr olds, 17698
conservative orientation & hopelessness & self esteem, college students, Hong Kong, 26145
construct validity of Rosenberg Self Esteem Scale, 5th–8th graders, 49
continuity & self-efficacy & distinctiveness & self-esteem, attachment to residential environment, 26–67 yr olds, England, 17484
cooperative learning social studies instruction, achievement & self esteem, male vs female Hispanic 4th graders, 13715
coping strategies & trait anxiety & self-esteem, occupational therapy students preparing for first fieldwork placement, Australia, 43498
cross cultural analysis of father's affirmation & son's self esteem & masculinity & intimacy & construction of sexuality, design implications, conference presentation, 22302
definition of self esteem construct & research on self esteem enhancement & alternative philosophy of unconditional self acceptance in rational emotional behavior therapy, 27202
dependency & self criticism & psychological distress, 8–16 yr old day vs sleep away campers, Canada, test of Personality-Congruence Model of Depressive Vulnerability, 34904
depression & stressful life events & social support & self esteem, 20–35 yr old African American females, 39019
depression vs hopelessness vs self-esteem vs anger proneness or aggression, suicidality, 5–12 yr old inpatients, 16033
depressive vs conduct vs comorbid disorders, social competence & self-esteem, 8–13 yr old psychiatrically referred youths, 5 yr study, 38870
development & construct & concurrent validity & factor structure of measures of basic & earning self esteem, college students, 20997
development of self-esteem & mental health, male vs female 12–14 yr olds, 3 yr study, Switzerland, 3409
differential reinforcement, inappropriate behavior & self-esteem, students with emotional & behavioral disorders (mean age 12.3 yrs), 17240
disordered eating patterns & body image & self-esteem & physical activity, 10–12 yr old male vs female school children, Australia, 6 mo study, 29932
drinking level & self-esteem & family health & social support during adolescence, male vs female 18–24 yr old Black college students with vs without alcoholic parent, 19385
early bullying victimization by peers, self-esteem & depression, college students, Japan, 15306
enhancement of development & recognition of dignity, restoration of dignity among at-risk students, school counselors, 33573
ethnic & American identity as predictors of self esteem, 14–19 yr old American born White & African American & Latino high school students, 34944
ethnicity & self esteem & childrearing practices, social networks, low income American Indian & Hispanic & Anglo parents & caregivers of 2–5 yr olds, 26064
exercise, domain specific & global levels of self esteem & effects of physical fitness & body composition & self efficacy & exercise participation on changes in physical self worth, middle aged adults, 24078
explanatory style & family expressiveness & self-esteem, Asian American vs European American college students, 42072
exposure to Drug Abuse Resistance Education in 6th grade, self esteem & resistance to peer pressure & drug use & delay of experimentation with drugs, 9th graders, 17123
exposure to Holocaust & sociodemographic variables, self worth & world meaningfulness & benevolence, elderly Holocaust survivors, Israel, 18992
exposure to marital conflict, coping responses & self esteem & adjustment & problem behavior, preadolescents, 18605
Eysenckian personality dimensions & Family of Origin Scale scores & self-esteem & life satisfaction, assessment of perceived family functioning, adolescents (mean age 13.3 yrs), Australia, 22261
factor validity & internal consistency reliability of Self-Esteem Index, 3rd–5th grade regular education vs gifted vs learning disabled students, 10402
family environment, body & self-esteem & development of eating & associated psychiatric symptoms, 12–17 yr old females, Canada, 26826
family environment relationship & personal growth & system maintenance dimensions & self-rated effective vs ineffective problem solving, college students, South Africa, 15317
fatherly affirmation, fear of intimacy & self-esteem, male college students, Canada vs Netherlands, 22301
fear level & social self-esteem, adults with panic disorder with agoraphobia, Canada, 35670
features & role of self enhancement motives in factitious illness disorders, 35976
fluoxetine, changes in self-critical & dependent personality traits & depression severity & trait-congruent life events, patients with major depression, 32596
friendship quality & self esteem, 7th & 8th graders, 5 mo study, 18579
gay-related stressful life events & emotional distress & self-esteem & multiple behavior problems, predominantly Black or Hispanic male homosexual & bisexual 14–19 yr olds, 3471
gender & self-esteem & DSM-III alcohol use diagnoses, 18–31 yr old college students, longitudinal study, 31346
global self esteem & specific self views, cognitive & emotional reactions to success or failure, adults, 35315
group social work intervention, depression & self-esteem, 23–61 yr old female survivors of child sexual abuse, 31978
high vs low self esteem & ego threat, performance on grenade tossing task, 19–24 yr old ROTC cadets, 7749
high vs low self-esteem, positive vs derogatory self &/vs romantic other descriptions, 17–22 yr old females in ongoing romantic relationship, 35351
highly individualistic vs collectivist culture, generalized self-liking vs self-competence, college students, China vs US, test of cultural trade-off hypothesis, 15717
holotropic breathwork with vs without experiential therapy, distress & death anxiety & self esteem & sense of affiliation, psychiatric patients, 1677
home–school empowerment liaisons, academic performance & school attendance & classroom adjustment & self-esteem & alcohol & other drug use, 4th–6th graders, 1.5 yr study, 43594
idealized vs inflated self perceptions & level of aggression, aggressive vs nonaggressive 2nd–3rd graders, 34918
identity status & personality & defense mechanisms & self-esteem, 23 yr olds, 22515
"If only I were thin . . ." Treatment Program, improvement on fat phobia & restriction in activities & self esteem & depression, adult females, 8798
individual differences in stability & level of self-esteem, self perceptions of evaluative feedback, college students, 35332
individual failure vs success feedback & ingroup vs outgroup failure vs success feedback, evaluation of ingroup vs outgroup, college students with low vs high self esteem, 15641
integration of rational emotive behavior therapy's view of self worth & self acceptance with competency model, implications for parents & children & adolescents, 27198
interactive bibliotherapy using Nuyorican poetry, ethnic identity & self esteem, 16 yr old Puerto Rican male, 27127

intergenerational family relationships, self esteem & personal mastery, counselor trainees, 24437
intergroup evaluations, self esteem motivations, 14–16 yr olds with low vs high collective self esteem, Netherlands, 22144
internal consistency & construct validity of Professional Self-Esteem of Physicians Scale & associations with job & life satisfaction & burnout, physicians, Israel, 28602
internal working model of self & maternal attachment, competence & social acceptance & adjustment & self esteem, 4.5–6.2 yr olds, Belgium, 18628
inverse vs direct correlations of self-reported narcissism & shame, college students, test of defensive self-esteem & continuum theories, 3981
issues in measurement of self-esteem & self-concept during evaluation & treatment & reevaluation in occupational therapy, children with disabilities, 13480
item response theory analysis of Rosenberg Self-Esteem Scale, undergraduates, 25021
job information sources & self esteem & perceptions of person-job & person-organization fit & work outcomes, business graduate students, 10 mo study, 37201
leadership training program, self efficacy & esteem & initiative in beginning center activities & leadership attitudes & skills, elderly attending senior center, 16844
length of unemployment, effect of social support on self esteem & life satisfaction, unemployed college graduates, Croatia, 3922
level of acculturation & self-esteem & psychological stress & depression, 17–55 yr old Anglophones, Canada, 15680
level of self esteem & "if...then" expectancies of interpersonal acceptance, 18–44 yr olds, 15566
life review program & status as program veteran, disorientation & social interaction & self esteem, nursing home residents, 20265
life stressors & neighborhood disadvantage & self worth & social support, behavioral adjustment, inner city 4th-6th graders, 34900
locus of control & self concept & self-esteem, academically underachieving African American adolescents at-risk for school dropout, 5661
locus of control & self esteem & teaching experience & perception of child's characteristics, referral of emotionally disturbed vs nondisturbed student to special education, 22–52 yr old teachers, 17243
low self-esteem & cultural norms, substance use, high school & college students, test of social deviance model, 3927
low vs high trait self-esteem & possibility of random exclusion vs removal by group vote, preference for working in group vs alone on worthwhile vs worthless task, college students, 38663
media & weight & social judgments of attractiveness & individual differences, body esteem, female college students, 30428
method of payment & choice of self set goals & self esteem, choice of goal difficulty & perceived task success expectancy & perceived total valences of job performance, college students, 10699
morning vs evening types, Big Five personality factors & self & body esteem & locus of control, college students, 11733
mortality salience & existential anxiety, effect of self-esteem on polarized judgments of ingroup vs outgroup members, 18–52 yr olds, Canada, 3800
mothers' vs fathers' self concepts & self esteem & positive & negative statements, development of self concept & self esteem, 3rd–7th graders, social learning & symbolic interaction models, 11569
motivation & working conditions, self esteem & job satisfaction, vocational rehabilitation professionals, 5526
movies about teenagers & subsequent discussion group, self-esteem, adolescents, 11444
negative social sanctions & self-derogation, deviant behavior, junior high school students, 3 yr study, 22979
neuroticism & dysfunctional attitudes & self esteem & age & severity of index episode, recovery, male vs female inpatients with depression, 2 yr followup, 38967
number of meals & snacks & conformity to parents & self esteem & body image, pyramid fat & sugar food scores & self efficacy for making healthful food choices, 14.2–19.1 yr olds, 15176
obtaining employment & symptomatology & substance abuse & self-esteem & quality of life & days hospitalized, 20–65 yr olds with severe mental disorders in vocational rehabilitation, longitudinal study, 43459
openness arrangement by adoptive parents, understanding of adoption & self-esteem & curiosity about birthparents & satisfaction with level of openness, 4.72–12.98 yr olds, 18632
optimism & perceived control over & finding positive meaning in disability, self-esteem & depression, 19–78.6 yr old amputees, 31584
organization based self esteem, career outcomes & perceived importance of quality performance, emergency medical technicians (mean age 29 yrs), 28195
parental & peer & partner & spiritual support, well being & institutional & goal commitment & self esteem, Black vs White college freshmen vs 15–29 yr olds vs pregnant adolescents, 15305
parental education, self esteem, 15–18 yr old high school students, 25851
parental object representations, self representations & interpersonal relations, adolescents & young adults, Canada, 18880
parental support vs pressure, tennis related enjoyment & performance & self-esteem, 9–17 yr old tournament tennis players, 25876
parents' divorce, family & peer relationships & happiness & self esteem & depression & risk taking, adolescents, 15287
peer education, self-esteem & personal development & sexual behavior, 18–31 yr old peer educators, 1 yr study, 43720
peer pressure & alcohol use & school grades, self esteem, male vs female & Black vs White 6th graders, 4 yr study, implications for adolescent development, 34964
perceived fatherly affirmation & self-esteem & fear of intimacy & comfort with masculinity, Canadian vs Dutch male college students, 30146
perceived influence of desirable vs undesirable media messages, attitudes compared with average peer, 18–44 yr olds, Netherlands, implications for self enhancement explanation of 3rd person effect, 7157
perceived stress & self esteem & expectancy of success, college students, 11702
perceived support & self worth & development of self care resources, stress & need satisfaction & well being, caregivers of cognitively impaired adults, 9494

perceived scholastic competence & low vs middle vs high academic self concept, 5th–8th graders with learning disabilities, 37100
perceived vs actual parental reports of criticism, self criticism, female college students, England, 3883
perception of blood alcohol concentration & ability to fly aircraft, pilots, 37288
personal background & self assessment of 4 self-administrations of Kuder Occupational Interest Surveys, 67 yr old male counseling psychologist, 1966–1995, case study, 17281
physical disability & assessments of health, 25–74 yr old Blacks vs Whites, 15 yr study, conference presentation, 31588
positive vs negative feedback, typical vs current self-appraisals of dimensions related vs unrelated to creative intelligence task, female college students with high vs low global self-esteem, 22539
possible selves & self-concept discrepancies, patients with major depression, 15902
received vs told methylphenidate administration, attributions for & evaluations of task performance, 8.08 vs 12.58 yr olds with attention deficit & hyperactivity disorder, 19962
reliability & validity of self-rating assessment, self-awareness of deficits following traumatic brain injury, 15–65 yr olds, 109
research design & model for self evaluation in practice of reality therapy & control theory & quality management, 28377
romantic attachment style & global self-esteem & domain-specific self-evaluations of competence, 17–49 yr olds, 22416
scientific knowledge & understanding of personality dimensions, estimation of own extraversion & neuroticism & psychoticism, final yr psychology vs non-psychology students, England, 18939
self & peer ratings of gender roles & attributes, 18–26 yr old males vs females, 41918
self appraisal & role of self enhancement & self consistency concerns, reaction to feedback from others, MBA students, 2270
self assessment essays & self concept, insights into patient pathology & management, 15 & 16 yr old females, Nairobi, 22672
self assessments of likelihood of contacting & worry about AIDS, 18–44 yr old unmarried heterosexuals, 4592
self-criticism & induced failure stress, HVA & mood, 20–41 yr old females, 29473
self-enhancement vs self-criticism & gender & psychological processes in construction of the self, American & Japanese undergraduates, US vs Japan, application of collective constructionist theory, 35274
self-enhancing illusions, 3rd–6th graders (aged 8–17 yrs), China, 34903
self estimation of personal & linguistic & logical-mathematical & spatial & bodily-kinesthetic & musical abilities, adult males vs females, 41056
self evaluation & videotape feedback, peer interactions, 6th–8th graders with externalizing & internalizing behavior problems, Canada, 13825
self-evaluation maintenance, marital interaction & partner perception of partner needs, committed heterosexual married couples, 15452
self-evaluation of physical & psychological cues to determine stress level, college students, 35326
self evaluation with vs without performance feedback as predictor of attributions, college business students, 42018
self-predicted vs earned course grades, college students, 17185
self rated health & mortality, 45–60 yr old males, Lithuania vs Netherlands, 10 yr study, 20017
self-reflection & experiential understanding of teacher professional development stages & events & perspectives, mid-career teacher educator, implications for novice teachers & teacher education, 33347
self report vs actigraphic recordings of sleep, adult males with PTSD, 39078
self reported global vs sexual personality attributes vs ideal male & female sexual attributes, male vs female college students, Canada, 15504
self reported job abilities & occupational ability patterns determined by job analysts, employees in high vs low status & skilled occupations, 10067
semantic space model vs self concept differentiation perspective vs self concept compartmentalization, predicting self evaluation & mood & emotion, college students, 30496
sex & ethnic group, self assessment of academic attainment, White vs Black 7 yr olds reinterviewed at 11 & 16 yrs, 9 yr study, 37026
sex & grade, self description & self evaluation & self esteem, 3rd–7th graders, Australia, 13772
sex, information gathering for future & self evaluation, 15 yr old comprehensive vs 18 yr old upper secondary vs vocational school students, Finland, 20621
shift in working self concept upon meeting new person resembling significant other, college students, 15690
subjective rating of emotional health & risk of major depression, adults, 35530

task experience, memory self-evaluation, 17–34 vs 60–78 yr olds, 25798
teacher's rating of social competence, 2nd–6th graders with self-rated high vs low levels of depressive symptoms, 15928
teaching self evaluation through student led parent conferences, implementation plan, 33389
upward vs downward self-evaluation style when experiencing chronic pain, depressive affect & coping, 18–51 yr old African American patients with sickle cell disease, 42718
use of ratings of perceived exertion to regulate blood lactate concentration during running, recreationally active adults, 14994
use of self-assessment strategies, enhanced internality & improved mathematical achievement, 8–14 yr old students, Portugal, 9920
video feedback, self evaluation of performance, socially anxious 15 yr old White male & college students, implications for clinical treatment, 793
workshop model for stimulating self reflection in child & youth care workers, 17043

Self Examination (Medical)—Serials
ability to self diagnose & self treat vulvovaginal candidiasis & common genitourinary tract problems, female patients with vs without previous diagnosis of vulvovaginal candidiasis, 31589
beliefs about breast cancer caused by physical abuse & fears of mammograms & trust in God over doctors & sharing beliefs with daughters, urban Black female 40–86 yr olds, 13206
education by male peers & adults about testicular cancer combining curricular & audiovisual materials, knowledge of & anxieties about testicular cancer & self examination, male high school students, 1953
formation of implementation intentions for time & location of behavior, performance of breast self-examination, female students & staff, 42025
HIV home testing & technical performance & policies regarding licensing & potential benefits & pitfalls, letter, commentary, 42737
HIV home testing & technical performance & policies regarding licensing & potential benefits & pitfalls, 26919
predisposing & enabling factors, participation in breast self examination, underinsured & at risk low income 40 yr old & older females, application of PRECEDE correlational analysis framework, 9321
self examination education with vs without prompt on oral contraceptive pill packages, frequency & timing of breast self examination, 13-40 yr old women, 1956
susceptibility & seriousness & benefits & barriers & health motivation & control & knowledge & frequency of breast self-examination, 12–74 yr old females, 9304

Self Fulfilling Prophecies—Serials
academically related expectancy of smart vs not smart partner, affect & appraisal & control & deference & performance in dyadic interaction, male vs female 7–12 yr olds, 11453
coaching effectiveness & player perception of feedback, self-fulfilling prophecy, high vs low expectancy 18–23 yr old college basketball players & their 23–41 yr old coaches, 14035
critique of possibility theorem, effect of self alteration on accuracy of social & economic predictions, 11522
effect of teacher's positive vs negative expectations on power of self-fulfilling prophecies, students with low vs high self-concept, 30512

Imaginary Audience scale scores & self-handicapping strategies & grades & ethanol drinking patterns & negative consequences, 17–48 yr olds, 15308
public vs private situations & self-awareness of internal audience focus, tendency to self-handicap among undergraduates, 35279
self esteem stability & self handicapping, college students, 26268
self handicapping during goal setting & long term use with vs without short term goals, improvement in exercise performance, female adults, 10155
self-handicapping vs causal account impression management tactics & successful vs failed performance outcomes, observer expectations & impressions of actors, accounting firm employees, 3740

Self Help Techniques [See Also Self Management]—Serials
Adult Children of Alcoholics/Al-Anon self help group processes, perceptions of family of origin's pathology, 29–52 yr old children of alcoholics, 9589
AIDS diagnosis & dependence for help with daily living & enabling skills & self help & quality of life, 18+ yr olds with HIV, 31662
aim & content of "Canadian Journal of Community Mental Health" special issue on Canadian mutual-aid & support groups, 16679
anticipation of pay me vs self help vs unsure responses to foreign aid, college students, Malawi, 887
burnout & communal orientation & perceptions of balance in relationships with group members, 20–78 yr old leaders of self help groups, 24483
cognitive behavioral self help educational program, physical & psychosocial disability & psychological symptoms, 58–83 yr olds with chronic obstructive pulmonary disease, 27531
computer based self help & mutual aid groups, people with addictions, 16677
computer-based self-help groups as adjunct to support groups, 9202
counseling & psychotherapy & self help groups, family & social environment, family members of alcoholics & drug addicts, translated article, conference presentation, 20314
development & results of Mood Disorders of Metropolitan Toronto project to train self-help group facilitators & produce handbook, executive director & training consultant & group facilitator, Canada, 17032
development of self efficacy beliefs & program for self-regulation learning strategies, academic & health functioning, students, implications for school psychology, 2189
diagnostic criteria & patient use of mass media self help sources, 36 yr old female with attention deficit disorder, case report, 42591
experiences & emotions & meanings associated with phases of process of self help building, evolution of social relations from individual to collective action, 30394
exploration of positive perspectives on value of self-help and mutual aid, 35–60 yr old university academics & researchers & practitioners, implications for design of educational programs, 17074
feasibility of & program adherence & outcome & satisfaction with telephone-based guided self-help, 26–47 yr old females with binge eating disorder, 32180
fictional vs autobiographical vs self help book in supervised vs unsupervised reading, self description on Eysenck Personality Questionnaire & Personal Orientation Inventory, female college students, 26235
high vs low compliance with self-care treatment manual & weight & shape concerns & distress & duration of illness, symptom improvement, females with bulimia nervosa or atypical bulimia, 13109
ideology & power in perceptions of current & desired relationships, consumer & survivor & family self-help group members & mental health professionals, 17073
likelihood of success & cost & convenience in choice of assisted vs unassisted stop smoking methods, college students, 5409
meanings associated with term self help, professionals in helping professions, Israel, 23975
meta analysis of unpublished studies on self help programs, fail safe "N", 9204
negative response rates for self- vs therapist-administered treatments, depressed patients, 8799
nicotine patch & self help video, cigarette smoking cessation, smokers, 40169
patient characteristics, effectiveness of supervised cognitive behavioral self help manual, females with bulimia nervosa, Great Britain, 4849
perceived effects of & satisfaction with self help programs, users, 23977

professional misinterpretation of goals & underutilization of self help group Recovery, Inc. for mentally ill members, 5143
progress & future directions in research on mutual aid & self-help & social support & support groups, commentary, 16678
rating of relevance of high frequency words in self help psychology books, college students, 27593
self-examination therapy as adjunct treatment for depressive symptoms, male substance abusers, 9567
self-examination therapy outcomes & effectiveness, 20–73 yr olds with generalized anxiety disorder, 36348
self help & physician's guidance material, stress & coping & mental health symptoms & treatment options, 16–65 yr old patients with anxiety &/or depression & general practioners, 5131
self-help group participation & other health behaviors, 45–65+ yr olds, Canada, 16681
self help partnership group participation, social reintegration, discharged psychiatric patients, translated article, 23976
self vs therapist directed cognitive behavioral therapy with workbook, 25–53 yr olds with panic disorder, 12834
sociocultural factors in mental health self-care strategies, elderly Korean immigrants (aged 60 yrs & older) with depression, US, 30894
use of antidepressant therapy & brief cognitive behavior therapy & self help manuals with vs without supervision from nonspecialist therapist, treatment of binge eating problems in primary care, 9350
use of Recovery, Incorporated & other self help groups as adjunct to mental health services in managed care, patients with mental illness, 27499
workshops based on book "Coping with Speech Anxiety" vs systematic desensitization, public speaking apprehension, college students, 19722
Self Hypnosis [See Autohypnosis]
Self Image [See Self Concept]
Self Inflicted Wounds—Serials
aggressive behavior & self harm, obedience to command hallucinations, psychotic patients, 12043
amphetamine induced transient psychosis, severe self injurious behavior & self mutilation, male 27–31 yr olds, case reports, 4341
attitudes about & psychosocial reasons for self-harm, 22–46 yr old females in maximum security psychiatric hospital, England, 42474
compulsive targeted self-injurious behavior, male 32 & 52 & 58 yr olds & female 73 yr old with central or peripheral neuropathic pain, case reports, 31609
deliberate self poisoning & self injury, 8–15 yr olds, 1976–93, UK, 21979
development & interrater reliability of Timed Self-Injurious Behavior Scale, 11-yr-old male, 25050
experiences with & recovery from self-harm of genitalia, female sexually abused during childhood, 42460
functional analysis of respite care & episodic self injury, moderately mentally retarded 25 yr old male, 8393
functional analysis, 26 mo old female with episodic self injurious behavior & recurrent otitis media, 32166
functional communication training with vs without extinction, self injurious behavior & manual signing, 24 & 29 & 39 yr olds with profound mental retardation, 33122
issues in & assumptions of psychiatric services for self-injury, 43340
naltrexone, self injurious behavior & accompanying analgesia & dysphoria, female psychiatric patients with primary diagnoses of borderline personality disorder or Axis I conditions, followup, 1854
naltrexone, severely or profoundly mentally retarded persons (mean age 35.3 yrs) with self injurious behaviors, 32371
naturalistic assessment & treatment of self injurious head banging, 11 yr old male with multiple disabilities, case report, 4014
object manipulation maintained by substitutable reinforcement, stereotypic self injurious behavior, 30–33 yr olds with profound mental retardation, 32174
prevalence of non-fatal suicidal self-laceration & self-poisoning & deliberate recklessness, 15–16 yr olds, Australia, 35735
psychoanalytic & group dynamic & family systemic perspectives on intrapsychic & interpersonal functions & management in psychiatric units, adolescents with nonsuicidal self cutting behavior, 16021
psychometric properties of Imposed Mechanical Restraint Inventory, assessment for prevention of infliction of physical injuries to self or others, 12–78 yr olds with mental retardation, Netherlands, 34008
reliability & validity of psychotropic medication efficacy assessment instruments, adults (mean age 41.2 yrs) with self-injurious behavior, 17668
Self Instruction [See Individualized Instruction]
Self Instructional Training—Serials
goal setting &/vs self-instruction, acquisition & maintenance & generalization of reading comprehension strategy, 4th–6th graders with learning disabilities, replication, 28071
integration of humanistic & scientific principles on psychophysiologic self-awareness training, implications for humanistic psychology, 27308
overt & covert self instructional training, responses on shopping task analysis, 23–39 yr olds with intellectual disabilities, 32176
self regulated strategy instruction, ability to perform addition & subtraction word problems, 3rd–4th graders with learning disabilities or mild mental retardation, 37093
task analysis of shift from teacher to self instruction in performance of in-common sorting task, 4–5 yr olds, 13708
Self Management [See Also Self Instructional Training]—Serials
activation of internalized family images, affective states & behavioral self-regulation, 18–31 yr old female binge eaters, 35953
behavioral self-management technique, parental ratings of homework-related improvements assessed at baseline vs 6 vs 12 wks vs 11 mo posttreatment, 6–14 yr olds, 24553
behavioral training techniques for feedback & staff self management, direct care staff in institutions serving dependent populations, 2108
case-based instruction, learning responses & approaches, veterinary doctoral students with high vs low levels of self regulation, 17031
choice of abstinence vs moderate drinking in outpatient behavioral self management treatment, chronic alcoholic clients, 12 mo followup, 40166
common sense representations, self-management & coping, 18–75 yr old females with systemic lupus erythematosus, 10 mo study, 39354
consumption & mood framework, study of products & services as consumption tools & mood states & processes of mood self-regulation & individual differences, college students, 40653
development & reliability & validity of diet problem setting inventory, measurement of frequency & settings of poor self-management of diet, 16–86 yr olds with insulin dependent diabetes mellitus, 28401
development & validity of Strategic Flexibility Questionnaire, measure of beliefs about executive control over learning & relation to academic performance, college students, 10524
development of self-management & cognitive abilities, female teenager with Down's syndrome, case study, 12390
developmental age differences, breast & bottle feeding behaviors, infants during 2 vs 10 vs 18 vs 26 wks of age, implications for behavioral regulation & motivation, Czech Republic, 7265
empowerment centered & church based asthma self management education program, African American adults, 1911
executive cognitive functioning, prediction of reactive aggression, 10–12 yr old males with high vs low risk for substance abuse, 23054
glycemic control & self-care behaviors, 4.1–20 yr olds with insulin-dependent diabetes mellitus, 1501
identification of critical success factors for self-managing teams, managers & team members, 43824

impact of cultural values on employee resistance to self-management & work teams & model of globalized work team effectiveness in international firms, 40565
instructional method for school nurse teaching peak flow monitoring & asthma self management principles, emergency room visits & school absences & anxiety, asthmatic 8–12 yr olds, 20696
interpersonal & social rhythm therapy vs medication clinic approach, symptomatology & stability of daily routine, adults with bipolar I disorder, 36300
levels system of self-management & self-recording within classroom token economy, inappropriate verbalizations, 13 yr old male students with learning disabilities, 43681
practices & ideas about responsibility & self regulation, completion of homework, students in grades 2 & 4 & 6, Australia, 37083
rationale for & definition of chronic disease self-management model & key components of patient-education programs, 13253
response to conceptual & empirical objections to self-management, 30518
self digest & regulation & knowlege & one's relations to world, 15689
self-initiation & situational discrimination for inappropriate target behaviors, independence of self-management, 7 & 14 yr old males with developmental disabilities and inappropriate vocalizations, 33540
self management intervention program with adult attention contingent on appropriate behavior, disruptive classroom behavior, 6 yr old male with average intellectual functioning, 32154
self-management intervention requiring alternating written vs verbal responses, response efficiency & learning rates, 10–11 yr old males with behavior disorders, 33555
self management strategies, disruptive off task behavior & self concept & generalization & maintenance of treatment gains, 13–14 yr olds with behavior disorders, 32155
self management, work productivity, 25 & 35 yr old females in supported employment setting with moderate mental retardation, 33102
self regulation & proactive coping, prevention or offsetting of potential stressors, 26238
self regulation &/vs coping, postdivorce adjustment, 8–12 yr olds, 22116
social cognitive model of environmental & behavioral & personal components for self-regulation in writing, implications for writing instruction, commentary, 20544
social cognitive model of environmental & behavioral & personal components for self-regulation in writing, implications for writing instruction, commentary reply, 20577
social cognitive model of environmental & behavioral & personal components for self-regulation in writing, implications for writing instruction, 20578
strategic & self-regulated & reflective model of metacognitive knowledge & regulatory processes that underlie & support expert learning, 28009
systems model of families for developmental & adaptive self stabilization & organization & relationship issues, literature review, 30134
validity of Self-Management Leadership Questionnaire & relation to work life quality & perceived efficacy of work group, telephone employees & leaders of self vs traditionally managed work teams, 34074
vignettes with typical learning contexts, strategies to self regulate & assist learning, high school students in own country vs Japanese students studying in Australia, Australia vs Japan, 17175

Self Medication—Serials

age & sex, trends in deliberate self poisoning & type of drug used, adolescent & adult patients discharged from hospital for self poisoning, Scotland, 22989
availability of triazolam, differential self-administration, 21–50 yr olds with insomnia, 16760
current self administered anabolic androgenic steroids, traits related to anxiety & extraversion & aggression, male strength athletes, risk for disinhibitory psychopathology, 19367
distress & self medication hypothesis of substance use disorders & application to nicotine dependence & to schizophrenia & PTSD comorbid with substance use disorders, commentary, 23049
distress & self medication hypothesis of substance use disorders & application to nicotine dependence & to schizophrenia & PTSD comorbid with substance use disorders, 23067
inpatient self medication program, ability to self medicate on discharge & medication compliance at 1 mo & medication knowledge & morale, geriatric patients, Canada, 9534
medication-taking schema, recall of medication instructions, 20–30 vs 60–87 yr olds, 24045
misuse of naltrexone prescribed for alcohol dependence treatment, 42 yr old male with paranoid schizophrenia, case report, letter, 24319
self-administration of excessive levothyroxine, hyperthyroidism, 30 yr old female with bulimia nervosa, case report, 26818
self delivery of inhaled nitrous oxide, pain relief & environmental safety of method & patient & staff acceptance, cancer patients, 24035
self medication of negative symptoms & depression with cocaine, female schizophrenic 46 yr old presenting to emergency twice in same yr, case report, 12068
social support & self efficacy & outcome expectancy & anxiety, prediction of medication management, epileptic patients, 20072
state humor & expectancies & choice, postsurgical mood & self-medication, 18–65 yr old postsurgical orthopedic patients, 13169

Self Monitoring—Serials

adult & self monitoring, activity engagement & social interaction, 5 yr old males with autism & nondisabled 3–5 yr olds, 1745
client data collection & psychotherapy, clients with psychogenic or other physical illnesses or adolescents with unrealistic expectations & limitations, 27144
correspondence cognitive behavior therapy vs minimal intervention regarding alcohol misuse & instructions to record drinking, problem drinkers, 6 & 12 mo followups, 24326
goal setting & self monitoring during self regulated practice, acquisition of dart throwing skill, 14–16 yr old females, 22059
goal setting & self monitoring during self-regulated dart throwing practice, motoric skill & self-efficacy & self-reactions & intrinsic interest, 14–16 yr old high school females, 11403
image congruence & evaluation of publicly vs privately consumed brands, high vs low self monitoring college students, 2360
in vivo desensitization & self-modeling, reduction of fear & physiological arousal, 29 yr old female with PTSD & child phobia, 23749
intensive behavior therapy followed by maintenance self-monitoring & brief therapist contact, symptoms & relapse prevention, 21–37 yr olds with obsessive compulsive disorder, 6 mo followup, 12849
interaction of environment & private events & exercises in self-observation for use in classroom, 33402
levels system of self-management & self-recording within classroom token economy, inappropriate verbalizations, 13 yr old male students with learning disabilities, 43681
psychological characteristics & behavioral tendencies in self-regulatory framework, 16–22 yr old male vs female elite vs non-elite swimmers, Australia, 17410
reactive self-monitoring, reduction of inappropriate social & stereotypic behaviors, 29–48 yr olds with mild to moderate learning disabilities, 32172
self-correction procedure, acquisition & maintenance & generalization of written spelling, 7–13 yr old students receiving remedial tutoring for spelling & written language deficits, 33547
self efficacy beliefs & self regulation & motivation, academic performance, literature review, 33465
self instruction & self monitoring verbalizations, 1st & 2nd grade regular education students & special education students mainstreamed into regular classes, 33516

self monitoring & dissociative hypnotic techniques & relaxation & mental imagery, 3–17 yr olds with trichotillomania, case report, 13104
self monitoring of & personal reactions to mistakes, college students with high vs low level of perfectionistic concern over mistakes, 30493
self-monitoring procedure & pharmacological treatment, on-task behavior, male 8–11 yr olds with ADHD, 28073
self-therapy through use of image-making experience, adult female researcher as client, Australia, 36572
Skinnerian behavior analytic approaches to self awareness & relational frame interpretation of human self discrimination, 30575
Self Monitoring (Personality)—Serials
association of self-monitoring & self-disclosure, college students, 41969
communication apprehension & argumentativeness & innovativeness & self monitoring, compulsive communication assessed by Talkaholic Scale, college students, 18841
feminine vs androgynous guise of interviewer, gender self report responses, high vs low self-monitoring interviewees, England, 30541
Five Factor Model of Personality & Type A behavior & self monitoring & subjective well being & locus of control, franchise business owners, 26267
internal self awareness & self reflectiveness factors of Private Self-Consciousness subscale, shame & guilt & personal & social identity & self monitoring, college students, 3951
self-efficacy & self-monitoring, cross-cultural adjustment, American expatriate military personnel, Europe, tests appended, 3906
self-improvement perspective on Socratic method in psychotherapy, self-knowledge & -acceptance & -regulation, clients, 23641
self-monitoring & materialism, college students, 11712
self monitoring & prediction of self & other neuroticism & extraversion scores, college students, 11752
self presentation bias & continuing motivation for difficult vs easy tasks, 7th vs 11th grade males & females, China, 20626
validity of self-report Self Monitoring Scale-R vs observer-based Q-sort measure, adults, 2547
Self Mutilation—Serials
amphetamine induced transient psychosis, severe self injurious behavior & self mutilation, male 27–31 yr olds, case reports, 4341
background factors associated with genital self mutilation, 38 yr old male, 4278
behavioral ecology of scarification or tattooing, test of cultural anthropological vs sexual selection hypotheses, erratum, 3563
contralateral vs ipsilateral leg denervation, autotomy, male rats with massive hemidecortication vs subtotal hemispherectomy vs chemical neostriatal lesions, 6664
coping resources & strategies & problem solving skills for stress, mutilating vs nonself-mutilating prisoners & nonprisoners (mean ages 21.9, 22.8, 22.3 yrs), 26619
depression & self-mutilation & substance abuse, 76 yr old female with personality disorder, case report, 12123
dissociation & alexithymia & impulsivity & history of childhood sexual abuse, self mutilation, female psychiatric inpatients, 1151
establishment of MMPI-2 profile predictive of self mutilation, psychiatric patients, 21041
ethical & legal & treatment considerations in working with self mutilating & lethal patients, psychotherapists, 32077
fantasy of becoming female & schizotypal personality & borderline intellectual function, male 22 yr old who amputated penis by chain saw, case report, 8088
introduction of chewing gum, pathological finger biting, 82-yr-old female with Alzheimer's disease, case report, letter, 42837
naltrexone, self mutilating cutting behavior, fluoxetine treated 46 yr old male with seizure & obsessive compulsive disorder, case report, 19928
prevalence of dissociation & self mutilation & childhood abuse, female inpatients with borderline personality disorder, commentary reply, letter, 22936
prevalence of dissociation & self mutilation & childhood abuse, female inpatients with borderline personality disorder, commentary, letter, 22944
psychoanalytic & behavioral & humanistic & cognitive perspectives on V. Van Gogh's personality & self-mutilation, 30583
psychopathology & symptomatology, incarcerated males with self mutilation history, 4257
psychosomatic processes & psychic functions & symptom substitution in & assessment & engagement & countertransference of patients with binge-purge & self-mutilating behavior, conference presentation, 30667
risperidone, remission of impulsivity associated with self mutilation, 31 yr old female with borderline personality disorder, case report, 36462
self amputation of pinna of external ear, 18 & 28 yr old right-handed male prisoners with personality disorder & 24 yr old male with schizophrenia, Australia, 4032
simultaneous self enucleation & amputation of penis & right hand, male schizophrenic 47 yr old, case report, 1286
tattooing & unusual sexual practices, male 27 yr old with obsessive compulsive disorder, case report, 4198
unrelenting pursuit of castration to relieve unsubstantiated painful erections, male 25 yr old with body dysmorphic disorder, case report, 4052
Self Observation [See Self Monitoring]
Self Perception—Serials
accuracy of self-evaluations & calibration for individual questions & response bias on gender-typed tasks, males vs females, replication, 22509
achievement goal orientation & success perceptions & personally controllable attributions & achievement-related affect in physical education, 11–16 yr olds, England, 37082
actor vs observer role & self-awareness vs social projection, trait attributions of self vs other in perceived behavioral consistency, college students, test of actor-observer effect, 3817
age & child & mother reported symptomatology, self perception, male vs female 8–12 yr olds with behavioral & emotional problems, 22984
age, perceptions of present vs past vs future vs ideal personality traits & development, 26–64 yr olds, Germany, 22100
aggression & withdrawal & negative peer status & experiences, social self-perceptions, 8–10 yr olds, Canada, test of social process model, 15277
agreement between managers' self-ratings & others' feedback, implications for training & development & human resources management, 28171
attributional ratings of own vs others' offenses to present self in best light, male 18–50 yr old offenders in secure psychiatric setting, 16108
avoidance of negative affect & illusions of unrealistic optimism & overly positive self-evaluations, 18–58 yr old repressive females, 18986
beliefs about own ethnicity & self-perception & attitudes toward school & school performance & relation between own & parents beliefs, 4th & 5th grade Mexican American students, 28056
biases in self-description & information processing & schema-consistent illness behavior, depressed & nondepressed persons with rheumatoid arthritis, 35970
brief exposure to media images of ideal body types, self-consciousness & anxiety & body competence, non-eating-disordered 17–40 yr old males vs females, 30505
caffeine self-administration & subjective effects, adult cola drinkers, 38640
capitalist vs socialist social structure & radical change & personality orientation to self & society, adults, Poland, Ukraine, comparison with US & Japanese data, 41828
categorical identity & self identity from perspectives of discourse & experience & power, 18–26 yr olds with learning difficulties & their parents or carers, 31417
changing self perception & psychological well being in life transition, 55–97 yr old females, 3542
child maltreatment & age & income, perceptions of competence & motivation & school functioning, 6–11 yr olds, 16004

child's speech pitch & apparent age, attention to voice & memory of verbal content, female undergraduates with high vs low perceived control, 42010
clinical functioning progress, schemes of self/object & significant others, seriously mentally ill adolescent & young adult inpatients in psychodynamic psychotherapy, 12767
cognition & behavior & motivation & self perception, 12–17 yr old females with vs without subclinical depressive symptoms, 35544
community based vocational interventive strategy, perceptions of individuals with disabilities, 22–45 yr old persons with disabilities vs healthy adults, Nigeria, case report, 33113
comorbid medical disorders & somatization & depression, self perceptions of health, patients with panic disorder, 12097
comparison with same age peers & own health 1 yr earlier as points of reference for current ratings of health status, 77–98 yr olds, Sweden, 7416
conceptions of personhood in philosophy of D. Parfit & neuropsychiatry & psychotherapy, commentary, 12769
conceptions of personhood in philosophy of D. Parfit & neuropsychiatry & psychotherapy, 12766
construct validity & developmental appropriateness of Pictorial Scale of Perceived Competence & Social Acceptance for Young Children, urban African-American 4.0–5.3 yr olds in Head Start, 2516
construction of UFO abduction accounts as false or pseudo memories for escape from awareness of self, 35345
contributions to neuropsychological rehabilitation with disorders of self-awareness following brain injuries, E. A. Weinstein, 16954
criticism of creative self-deception hypothesis of mental health & well being, 26255
culture typical of independent vs interdependent construal of self, levels of dissonance reduction in free choice paradigm, Japanese vs Canadian adults, 22530
decision about surname & reasoning & perception about self & quality of marriage, 19–56 yr old females, 30140
definition of social class & perception of self as middle class, differentiation of self from others on basis of lifestyle & housing & money & speech & dress & behavior, 14–18 yr olds, England, 7359
delayed videotapes & recent photographs, recognition of self, 2–4 yr olds, 11385
demographics & sense of coherence & self esteem & hope & emotional well being, self transcendence, healthy 19–85 yr olds, 7313
denial vs admission of symptoms, 10–50 yr old females with anorexia nervosa, 12 mo followup, clinical implications, 16183
developmental differences & reasoning, career practical self-relevant vs self-neutral problem-solving, adolescents vs young adults, 41646
dialogical conception of self in narrative approach to moral development vs cognitive-developmental view of self as epistemic subject, 18550
differences in self perceptions, male vs female low vs high ability 13–14 yr olds, Jamaica, 29864
dimensionality of self-consciousness & patterns of gender differences, 17–28 yr old Chinese students, Hong Kong, comparison with American & German & French & Dutch & Swedish counterparts, 18951
distortions in self & other perceptions using object relations theory, inpatients with borderline personality disorder vs major depression, 19134
distractibility & self critical cognitions, indecision, college students, 11729
EEG profiles & subjective anxiety ratings, patients with panic disorder, Canada, 42375
ego & task orientation goals & perceived ability, cognitive & somatic anxiety & confidence, 10–18 yr old athletes prior to fencing tournament, 24804
egocentric biases & higher vs lower frequency adverbs to describe own vs others' moral vs immoral behaviors, college students, replication, 7651
emerging identity constructs in constructivist theories of self, 38803
emotional valence & self determined category of premenstrual distress & day in menstrual cycle, mood fluctuations, 19–29 yr old females, 41405
episodic & semantic memory in recall & describe tasks, trait self-descriptiveness judgments, college students, 22542
exercise self schema & intention, exercise behavior, undergraduates, 37238
exposure to AIDS risk information & discussion of attitudes & sexual behavior & AIDS knowledge, interpersonal perception of AIDS risk potential of persons of opposite sex, male vs female students, 42022
factor analysis of Self-Perception Profile for Adolescents, multidimensional assessment of domain-specific self-evaluations & global self-worth, Chinese students (grade 10–13), Hong Kong, 25017
fairness for self vs others regarding punishment & responsibility, bias & differences for ingroup & outgroup members, college students, 7658
fame, self-consciousness & self-destructive behavior, singers & writers, 35294
family environment assessed by parents & friendship, child self perceptions of adjustment & well being, 4th–6th graders & their parents, Canada, 18565
family practice & pediatric training programs, perceived preparedness to provide AIDS care, medical residents, 27872
fatigue symptoms & perception of critical level of fatigue during simulated driving, male drivers, 43927
fictional vs autobiographical vs self help book in supervised vs unsupervised reading, self description on Eysenck Personality Questionnaire & Personal Orientation Inventory, female college students, 26235
focus of attention in cognitive behavioral treatment, anxiety & self awareness & social performance, social phobics (mean age 34 yrs), 32184
goal setting vs commitment vs self efficacy vs trait efficacy vs ability vs self satisfaction, tennis performance, 19–23 yr olds, 14036
good vs poor clinical outcome, self & family functioning ratings, female patients of intensive day treatment program with anorexia nervosa &/or bulimia, 2 yr followup, 23216
high vs low private self-consciousness, acceptance of general vs specific & positive vs negative Barnum personality feedback, 18–38 yr old college students, 22519
high vs low self-esteem, positive vs derogatory self &/vs romantic other descriptions, 17–22 yr old females in ongoing romantic relationship, 35351
high vs low self focused attention & self referential material, Stroop color naming performance for threatening vs neutral words, 18–25 yr olds, 21343
high vs low self-referencing & high vs low self-attention & strong vs weak arguments, systematic message processing, undergraduates, 17952
high vs medium vs low amount of value crisis, affective organization of personal meanings in self, college students, Poland, 18969
hospitalization observations & self-perceived health & living conditions, 65 yr old & older females, Greece vs Sweden, 5224
idealized vs inflated self perceptions & level of aggression, aggressive vs nonaggressive 2nd–3rd graders, 34918
identity status, internalization of public self-presentation, 18–19 yr olds, 1046
impact of having gifted sibling, self perception & learning style, same vs opposite sex gifted 14–18 yr olds & their nongifted 11–21 yr old siblings, 7250
impaired self-representation, 15 yr old female with borderline personality organization & 27 yr old male with schizophrenia, implications for psychotherapy, 42189
inconsistencies in personality descriptions of self vs other & trait features associated with inconsistent trait use, college students, 35322
individual characteristics & living conditions & perceived quality of life, intellectually disabled 18–69 yr olds, Finland, 16172
individual differences in perception of occupational stress, adults with high vs low blood pressure, England, 33670
individual differences in stability & level of self-esteem, self perceptions of evaluative feedback, college students, 35332

Individualism-Collectivism & power & masculinity-femininity & uncertainty avoidance national culture dimensions,cross-national difference prediction in subjective well being, adults from 36 nations, 38508
information dilution & job characteristic bias theory, evaluation & recall of actor's performance of high vs low complexity task & self-awareness of reasoning processes, college students, 25263
ingroup vs outgroup norms of fairness vs discrimination, intergroup discrimination, 17–34 yr old college students, Netherlands, application of social identity & self categorization theories, 15582
internal self awareness & self reflectiveness factors of Private Self-Consciousness subscale, shame & guilt & personal & social identity & self monitoring, college students, 3951
internal vs external locus of control, ratings of perceived exertion during physical exercise, female college students, Sweden, 18965
interpersonal factors, self-attributions of defensiveness, college students, 11708
intervention program evaluation of high school transitional relational changes, academic performance & perceptions of self & school environment, urban minority 9th graders, 5677
irrationality & dynamic unconscious & self understanding & philosophy of psychoanalysis, 11814
irrationality & dynamic unconscious & self understanding & philosophy of psychoanalysis, commentary, 11800
justification of defection by minimizing perceived efficacy of cooperative act in social dilemma game, college students, 30363
knowledge of performance & performance-related attributes information about another person, affective reactions to & perceptions of one's own task performance, male college students, 26258
knowledge of self vs mother vs inanimate object, 12- vs 18- vs 24-mo-old toddlers and their mothers, 29722
meaning attached to & preference for term Spanish American, urban blue collar Spanish surnamed adults residing in New Mexico, 35054
meaningful in & out group social categorization, depersonalization of minority vs majority members' self-perception, college students & other adults, Germany, 38680
memory appraisals & concerns about developing Alzheimer's disease, 40–60 yr old children of Alzheimer's patients, 23382
menopause, perception of self & health care needs, 45–65 yr old Uruguayan females & 27–55 yr old gynecologists, 25677
mirror image & other stimuli, overt self recognition, 71–85 yr olds with probable Alzheimer's disease, 26948
mirror image of self-recognition, self-perceptual development of peer discrimination, 2–8 mo olds, 18461
motivation to convey vs conceal embarrassment & level of embarrassment following self-presentational predicaments, college students, test of interpersonal embarrassment model, 3923
motor coordination & reading problems, perception of own competence levels, premature 6 yr olds with specific learning difficulties, England, 8371
nature & etiology of self deception, commentaries & reply included, 34226
negative social sanctions & self-derogation, deviant behavior, junior high school students, 3 yr study, 22979
nonstandard measures for social field concept, fundamental interpersonal own vs other judgment processes in face to face bargaining & conflicts & power, male vs female group members, 15592
nonverbal processing ability & feelings of depression & competence, male vs female 7–11 yr olds, 41620
nurse's estimate vs child's selfrating of postoperative pain, 3–15 yr old tonsillectomy patients, Denmark, implications for analgesic treatment, 9285
objective vs subjective judgment & self vs other judgment scale anchor, assimilative & contrastive associations between self & other judgments, college students, 38695
operationalization & assessment of patient's psychological mindedness, implications for process & outcome of psychotherapy & psychoanalytically oriented therapy, 10453
optimism training techniques for increasing positive cognitions & self-statements to foster optimism and motivate adaptive behavior, 32133
oral health status & impact on self perception & quality of life, promotional & preventive strategies, elderly, literature review, 13182
organizational stability, organizational age norms & age related self judgments & influence on work related behavior, managers, conference presentation, 5785
own vs public perceptions of attitudes toward law & police & stereotypes, 18–60 yr old police & members of public, Scotland, 1029
past exposure to self-focusing stimuli & individual differences in development of private & public self-consciousness, male vs female college students, Canada, 41726
peer acceptability of image of model & Black students, high achieving African American 11th graders in desegregated urban college preparatory vs comprehensive high schools, 5679
peer relations & loneliness & self perceptions of social competence & ego-involvement in classroom, 14–18 yr old middle school students & their teachers, Norway, test of model, 20627
perceived assistance from & love for partner, perceptions of individual growth in relationship, college student couples, 5 mo followup, 41987
perceived competencies & social supports, cigarette & alcohol & marijuana substance use, 12–15 yr old males vs females, 38395
perceived ideas of own vs husband's actual vs ideal child rearing practices, mothers of 20 mo olds, Argentina vs France vs US, 925
perceived problem solving ability & success vs failure feedback, attributions, teacher trainees, 40353
perceived self competence & intellectual ability & emotional understanding & social adaptation, high functioning autistic 9–16 yr olds, reprint, 31412
perceived stress & self esteem & expectancy of success, college students, 11702
perception of own & same sex best friend's femininity & dominance vs submission, female college students, 3915
perceptions of & affect aroused by others' evaluation of their weight-related behavior, patients with binge eating disorder, 31500
perceptions of competence & subjective task value in the domains of math & reading & instrumental music & sports, male vs female 1st- vs 2nd- vs 4th-graders, 3 yr study, 43675
perceptions of creativity & academic performance, 12–18 yr old students, Spain, 43626
perceptual inaccuracy disorders of thought & self-perception, development of transsexualism, transsexuals (mean age 21.2 yrs) vs psychiatric outpatients (mean age 15.6 yrs), 26106
perfectionism & perceived weight & bulimic symptoms, female college students, test of diathesis-stress model, 19478
perfectionism & self-consciousness & anxiety, healthy 19–55 yr olds, Sweden, 35348
personality, decision making in a simulated clinical situation vignette, senior nursing students, E. M. Brooks' theory of intrapersonal perceptual awareness, 27905
phenomenological implications of quantum mechanical model of consciousness & computational model of thinking processes, 14104
physical layout & environmental perceptual appearance, motor behavior & perceptual judgments, 12–30 mo olds, 18513
possible selves & self-concept discrepancies, patients with major depression, 15902
premorbid vs postillness self rated health, recovery from major medical event & physical disability after event, 65–97 yr olds, 6 wk & 6 mo followups, 9294
private & social speech, ability to identify own voice, 5 yr olds, 29781

procedural reasoning in narratives about & reflections on treatment sessions, occupational therapists, 13604
propensity for & fear of & frequency of blushing & self-focused attention & private & public self-consciousness, 18–41 yr olds, 18943
psychoanalytic characterization of "victim from sense of shame", 22623
psychological & social adjustment & perceived self-worth & behavior problems, obese vs nonobese 9–12 yr olds, 19472
psychological situation & social cognition model of stress responses, HIV/AIDS patients, implications for psychotherapeutic assessment, 12511
psychopathological & personality factors related to self concept, self excoriative behavior, females with mild to moderate facial acne vulgaris, 1498
public self-consciousness & ability to control behavior, hand movements during deception, adults, 38203
public vs private situations & self-awareness of internal audience focus, tendency to self-handicap among undergraduates, 35279
publicly degrading situation, development of antisocial behavior & delinquency, undergraduates, France, 8174
pursuit & failure of medical treatment intervention for infertility, attitudes & transition & coming to terms with biological childlessness, 25–44 yr old infertile females, Canada, 23245
quantum mechanical model of consciousness & emergence of self vs computationalist model of mental processes, 14109
race & social class & gender, consciousness & identity & relationships, implications for social workers & psychotherapists & clinicians, 42904
rater's self consciousness & appraisal purpose, leniency & accuracy of performance ratings, college students, 28179
ratio of positive to negative self statements & self esteem & locus of control, prediction of depression scores on Beck Depression Inventory, college students, 6065
recognition of effect of implicit social influence on presentation of self, college students, Canada & US, 38720
reinforcing effect of caffeine self-administration & subjective effects & serving dose, 32–57 yr old coffee vs cola drinkers, 38639
religious beliefs & marijuana use & negative self-perceptions, Asian Pacific adults, Guam, 38499
representation of self & teachers in drawings of classroom life, 4th graders in teacher centered vs child centered classroom settings, Tanzania vs Sweden, implications for social scaling & space, 7310
role of reflexive self-awareness, self-descriptions of severe psychopathology, adolescent & young adult inpatients with schizophrenia vs borderline personality disturbances, 7829
salient group vs individual identity & group membership length, social & interpersonal & intellectual responses in computer mediated collaboration 18–41 yr olds, US vs England, conference presentation, 42000
school & work & psychiatric history & symptoms & social adjustment & self perception of school efficacy & self esteem, 17–75 yr old psychiatic patients in supported postsecondary education program, 28078
science vs philosophy & cognition vs action & role of consciousness & self-consciousness, implications for cognitivist vs behaviorist debate on causal efficacy of human thought, 17932
scores on Adjective Checklist describing engineers vs self, entering engineering freshmen, 20615
secure vs preoccupied vs dismissing vs fearful attachment style & personal cognitive organization, females with anorexia or bulimia, 23205
selective self-stereotyping in response to threat of negative ingroup characterizations, college sorority/fraternity members, 15621
self- or public-perceived threats & group status or distinctiveness, self-stereotyping as group member, 17–55 yr old college students, Netherlands, 26182
self- vs other-directed feedback, perceived social status of self vs peers, aggressive- vs nonaggressive-rejected vs average status 4th graders, 3496
self & other acceptance & emotional climate, college students in personal development groups, application of interpersonal theory to small group processes, 38666
self & other ratings of social acceptance & academic & athletic competence & physical appearance & behavioral conduct, male & female 3rd & 6th graders & their parents & teachers & peers, 22092
self approval & partner reaction outcome expectancies, condom use, predominantly African American 18–44 yr old patients of sexually transmitted disease clinic, 7568
self-awareness adaptation vs cognitive distraction as explanation for choking during performance of high vs low pressure task, male students, 41179
self consciousness & mental agency & clinical psychopathology of thought insertion, commentary, 12078
self consciousness & mental agency & clinical psychopathology of thought insertion, 12070
self consciousness & negative affect & impulse cues & narcissistic vs avoidant personality, abstinence following group behavioral & cognitive psychotherapy, females with bulimia nervosa, 31521
self consciousness & symbolic skill modeling vs self disclosure, attentional focus & attitudes toward peers with blindness, non-disabled college students, 27060
self critical &/vs interpersonal preoccupations in perceived relationships with parents, 11–17 yr old psychiatric inpatients with depression, 35526
self-criticism & induced failure stress, HVA & mood, 20–41 yr old females, 29473
self descriptions & magnitude of self discrepancy, college students, 3 yr study, 15716
self descriptions assessed with Revised Personal Attribute Inventory, college students vs professors, implications for communication, 13789
self-enhancement & self- vs group-serving biases in evaluation of family or university vs others, Japanese vs European Canadian vs Asian Canadian college students, Japan vs Canada, 35272
self enhancing vs self defeating ego orientation, task & avoidance orientation & academic achievement & self perceptions & anxiety, 6th & 8th graders, Norway, 22137
self esteem & academic & nonacademic self perceptions & social support, college students with vs without learning disabilities, 23180
self esteem & self acceptance & masculinity & femininity, 19–65 yr old male Hispanic vs nonHispanic professionals & scientists & college students & mental health clients, 42075
self-esteem & self construal, reaction to positive vs negative performance feedback, college students, China vs US, 3884
self estimation of height & body weight, college students, 11732
self-improvement perspective on Socratic method in psychotherapy, self-knowledge & -acceptance & -regulation, clients, 23641
self-perceived continuity & degree & content of self-attributes & relation to recent upsetting events & current social resources & physical & mental well-being & mortality, 85 yr olds & older, 22181
self-perceived need for health-related services & instruction & environmental changes, minority vs majority 10th–12th graders at high risk for suicide, Canada, 27960
self perceptions & negative social expectancies, 9–15 yr olds with anxiety disorders, 42362
self perceptions & perceptions of others & estimation of others' perceptions of self & ratings of liking, college students, test of Social Relations Model, 15634
self perceptions of social acceptance & athletic ability & physical appearance & behavioral conduct, depressed vs nondepressed 5th & 8th graders with vs without learning disabilities, 35910
self-ratings of health status, prediction of treatment response, depressed elderly patients, 11985
self recognition vs procedural artefacts as explanation of face touching in reaction to mirrors, chimpanzees, 34388
self reflective & evaluative understanding of preventive health behaviors & attitudes & well roles, adults, 1957

self regulation & proactive coping, prevention or offsetting of potential stressors, 26238
self-verification as means to reinforce clinical progress & therapeutic relationship & as feedback of client's self-views, patients with drug abuse, implications for psychotherapy, 36796
self-views & affiliation choices, 17–24 yr olds with high vs low self esteem, 35203
sensory surroundings & inputs, illusion of accelerated self motion after treadmill running & relation to unconscious interference & recalibration oof sensory mechanisms, 23–73 yr olds, letter, 10678
sex, perceptions of self in terms of sexual accommodation vs entitlement, college students, implications for male/female interactions & sex education, conference presentation, 22361
sex, responses on Self Consciousness Scales, college students, China, comparison with Brazilian results, 3941
sexual minority status, self & sexual identity & social & psychological adjustment, Black male homosexual 16–21 yr olds, 11622
significance of self-awareness in clinical practice with diverse clients, social work students, 43501
Skinnerian behavior analytic approaches to self awareness & relational frame interpretation of human self discrimination, 30575
social biofeedback theory of parental affect mirroring, development of emotional self awareness & self control in infancy, 18567
societal attitudes & constraints, self perception of womanhood & gender roles, 17–22 yr old physically disabled females, Sweden, 31573
sociocultural context, development of concept of own vs others' intelligence, 4th–12th graders, India, 18518
sociodemographic characteristics & narcissism & sense of coherence, married vs divorced human females, Israel, 30421
solitary vs assaultive self-image fantasy in Draw-A-Story task, male vs female delinquent vs nondelinquent 13–17 yr olds, 4380
speech giving vs writing task, empathic & interpersonal perceptions of self vs other state vs trait anxiety, female college students, application of social relations model, 22480
sport participation & year in school, self-perceptions, male vs female college athletes vs nonathletes, 43656
stereotyped & prejudiced evaluation of others, self-image maintenance & self affirmation, adults, 35268
subjectively & objectively assessed performance & emotional exhaustion & depersonalization, intensive care nurses, Netherlands, 33660
teaching unconditional self acceptance in rational emotive therapy, 1732
temperament & self-recognition & expression of embarrassment, infants at 5–22 mo of age, longitudinal study, 34899
trait anger & anxiety & mood states & stressful daily events, salivary cortisol, 27–57 yr old white collar males with high vs low perceived stress, 29492
TV images, self perception of physical attractiveness, African Americans, 11746
validity of construct of managerial self-awareness, high-performing vs average-performing managers, 24742
variability of impairment & reliance on verbal communication, lack of handicap cultural identity & self-awareness, hard of hearing vs deaf persons, 1647
vested interest vs symbolic politics theory of attitude & behavior consistency, adults in national election study, 1972, commentary reply, 22516
vested interest vs symbolic politics theory of attitude & behavior consistency, adults in national election study, 1972, commentary, 22569
vested interest vs symbolic politics theory of attitude & behavior consistency, adults in national election study, 1972, 22517

Self Preservation—Serials

behavioral ecology of difficulties reducing fertility & resource consumption & reproduction & sustainability, adult males vs females, 11524
life history theory's principle of allocation & role of attachment process in optimizing evolutionary trade off between survival & growth & development, infants & children, 11304

Self Psychology—Serials

analysis of black hole phenomenon using Freudian & Kleinian & self psychology & phenomenological & interactional channels, 56 yr old female with severe narcissistic personality disorder, 1100
applicability of self psychological principles in treatment, 14–18 yr old adjudicated sexual offenders, South Africa, 36826
application of self psychology constructs in psychoanalytic interpretation of selfobject & maintenance of self in E. O'Neill's 'The Hairy Ape', 22625
definition of self psychopathology & integrative treatment principles, commentary, 4044
family therapy as field of inquiry & conceptualization of use of therapist's self as approach to practice, 8907
fantasy & dissociative processes & aggression & selfobject relations in bioself-psychological model & approach to psychoanalytic treatment, patients with panic disorder, 22905
general definition of self pathology & its forms & integrative treatment principles, 4069
hermeneutics in & influence of Asian vs North American culture on self psychology & selfobject relationships, clients, commentary, 12773
hermeneutics in & influence of Asian vs North American culture on self psychology & selfobject relationships, clients, commentary reply, 12804
influence of Asian vs North American culture on self psychology & selfobject relationships, clients, 12803
inner child concept vs object relations & self psychology & Jungian & dissociation theories, implications for hypnotic treatment of dissociative disorders, commentary, 30582
inner child concept vs object relations & self psychology & Jungian & dissociation theories, implications for hypnotic treatment of dissociative disorders, commentary, 30578
inner child concept vs object relations & self psychology & Jungian & dissociation theories, implications for hypnotic treatment of dissociative disorders, 30584
inner child concept vs object relations & self psychology & Jungian & dissociation theories, implications for hypnotic treatment of dissociative disorders, commentary, 30581
integration of object relations theory & gestalt techniques for promotion of self structuralization, patients with disorders of self, 32025
integration of self theory into social & counseling psychology, implications for researchers & practitioners, 27846
internal vs external totalitarian objects, psyche & processes of self personality structure, adults living in totalitarian social system, Czechoslovakia, conference presentation, 19073
intersubjectivity theory & client centered & self psychology approaches to psychoanalytic psychotherapy, 1775
issues in analysis of Dasein's struggle for authenticity & M. Heidegger & J. P. Sartre & psychoanalytic viewpoints, 35385
issues in use of empathy in self psychology & psychoanalytic setting, 32312
issues of narcissistic vulnerability & transference & countertransference in marital dyad in self psychological based couples therapy, spouses, 4900
parent-child interaction & pathological selfobjects in development of defensive self, 30 yr old male client, 12914
personality disorder & psychology of self, implications for therapy, 32051
phenomenological analysis of general psychological principles in H. Kohut's self psychology, 19048
place of self psychology among contemporary psychoanalytic theory, 26325
Rogers' models of integration applied to Christian psychologists' dual identity, 9771
role of reflexive self-awareness, self-descriptions of severe psychopathology, adolescent & young adult inpatients with schizophrenia vs borderline personality disturbances, 7829
role of self psychology concepts of mirroring & idealization & twinship in helpfulness of Alcoholics Anonymous, long term group members, 9613

self psychological perspective on midlife issues as triggers to narcissistic vulnerability, treatment considerations regarding self concept & esteem, middle aged patients, case reports, 1675
self psychology & application to personality disorders, commentary reply, letter, 31158
self psychology & application to personality disorders, commentary, letter, 31154
self psychology & object relations theory perspectives on termination in group psychotherapy, 23798
self psychology perspective on plays by Arthur Miller, 41546
self psychology vs cognitive therapy as models of social work practice, 36231
self-therapy through use of image-making experience, adult female researcher as client, Australia, 36572
transference neurosis in group psychotherapy in light of advances in totality of treatment relationship & self psychology, commentary, 27281
use of self psychology & transference & experience-near position in treatment, 36–65 yr old female patients with narcissistic & borderline pathology & substance abuse, 23535
witness role of analyst as selfobject function & healing presence in psychoanalysis, 17 yr old female & male in midthirties, 19074

Self Realization [See Self Actualization]

Self Reference—Serials

cognitive effects of self-referencing in math word problems, 3rd- vs 4th- vs 5th-graders, conference presentation, 43624
content analysis of self presentation in personal advertisements, homosexual vs heterosexual males vs heterosexual females vs male to female transsexuals, 15527
cultural embeddedness & role of reflexive positioning in internal discourse in analysis of intrapersonal behavior & application to dynamic & negotiable aspects of interpersonal encounters, 3768
high vs low self focused attention & self referential material, Stroop color naming performance for threatening vs neutral words, 18–25 yr olds, 21343
high vs low self-referencing & high vs low self-attention & strong vs weak arguments, systematic message processing, undergraduates, 17952
immediate vs delayed retention for self referencing vs keyword method, learning vocabulary words, college students, 18007
ingratiation vs self promotion behaviors, career success, managers, 17320
self-reference & information processing & persuasive communication in advertisements, college students, 5827
self reference, memory, meta-analysis, 25320
self relevance of minority vs majority group & attitude similarity, defensively-based interpretation of issue & attitude shift, college students, 15648
self vs other vs semantic encodings, retention, college students, India, 305
social support & social integration & suicide risk, suicide attempters, Denmark, application of measurement model, 22959
trade-off size & reference dependence, decision difficulty in multiattribute settings, college students, 2806
use of valence or arousal content of self-referent statements, development & validation Velten-like serenity & anxiety mood inductions, adults, 35354

Self Referral—Serials

description & presenting problem & personal & family history & mental status, 24-yr-old male self referred to college counseling center, case report, 32053

Self Reinforcement—Serials

baclofen, cocaine self-administration, rats, 21911
behavioral monitoring, physical activity & psychosocial determinants of exercise behavior, adult females, 32738
characteristics & effects of voluntary alcohol consumption, C57BL/6J vs DBA/2J rat strains & their BXD recombinant inbred offspring, genetic model of trait loci controlling alcohol consumption, 11137
cocaine place preference conditioning & iv self administration of amphetamine, male rats showing high vs low locomotor response to novelty, 3218
concurrent saccharin, oral PCP self-administration in progressive ratio schedule, rhesus monkeys, 41514
dopamine antagonists, self-administration of cathinone, male rats, 21848
ethanol, cocaine & alfentanil & nomifensine self administration, rhesus monkeys, 29503
ethanol self administration by sucrose substitution initiation procedure, male rats from high vs low alcohol sensitive strains, 21843
external & self reinforcement, appropriate conversation, autistic adolescents, 19834
food restriction vs satiation & water with PCP vs ethanol in concurrent self-reinforcement, drug-maintained responses & deliveries & break points in behavioral economics of demand, male monkeys, 18333
footshock stress vs heroin priming vs naloxone induced withdrawal, reinstatement of drug seeking & self administration, male rats maintained on heroin via minipump, 3274
gammahydroxybutyrate, reinforcement of PCP self-administration & generalization of PCP & heroin discriminative stimulus effects & antagonism of cocaine discrimination, monkeys, 18268
high vs low responsiveness to novelty, exploration & amphetamine self-administration & food reinforcement & corticosterone & dopaminergic activity, rats, animal model of sensation seeking, 21629
nicotinic vs dopamine neuroreceptor pretreatment & dose manipulations & neurochemical mediators, nicotine self-administration, animal models vs humans, literature review, 25609
reinforcing & subjective effects of opioid analgesic fentanyl in presence vs absence of cold water stressor, drug-free 21–30 yr olds, 21940
remoxipride, reduction of cocaine self administration using FR-1 & progressive ratio reinforcement, male rats, implications for treatment of cocaine addiction, 18272
resident–intruder aggression as social stress, cocaine self-reinforcement, male rats, 18321
self administration of large doses of lithium chloride solution vs water colored blue in poison based aversion learning & retention paradigm, domestic chicks, 10772
serotonergic mechanisms, discriminative stimulus & reinforcing & subjective effects of cocaine, animals vs humans, literature review, 25624
sucrose-substitution & ethanol-reinforced responding in home cage preference tests, AA vs ANA male rats, 38097
sucrose-substitution initiation, alcohol self-administration during continuous alcohol access, rats, 38098
testing duration & order of frequency presentation in curve-shift paradigm, brain self-stimulation reward effects of apomorphine, male rats, 6915
6-OHDA lesions of medial prefrontal cortex, self administration of cocaine at higher vs lower doses under progressive ratio reinforcement schedule, male rats, 3251

Self Report—Serials

accuracy of ability to detect changes in heart rate, adults with panic disorder with or without agoraphobia, 8037
accuracy of self reported criminal offenses & traffic violations using questionnaire technique, DWI offenders, 23037
agreement of results of clinical interview vs self administered psychological assessment, drug abusing probationers, 17626
agreement of telephone interview & home visit self-reports in assessing activities of daily living difficulty & dependence, 60–75+ yr olds, conference presentation, 40920
anagram difficulty & trial length, skin conductance activity & self-report & objective task performance, undergraduates, 11083
anonymity of response & self reported self esteem & high vs medium vs low academic ability band membership, male vs female Chinese 12–13 yr olds, Hong Kong, 18630
anxiety sensitivity & physiological reactivity & self reports of anxiety symptomatology across menstrual cycle, high vs low anxiety sensitivity female college students, 6799
application of cognitive science theory to question writing for self-report method of data collection, 40989
application of Problem Solving Inventory in managed health care & counseling settings, 33954

avoidant coping style & cardiovascular reactivity & self report of anxiety & estimation of BP during speech preparation & delivery & recovery, 17–21 yr olds, 3159
bogus pipeline approach for apparent detection of inaccurate answers, motivation to accurately report socially sensitive behaviors on surveys, 18–39 yr olds, 21470
chronic low back pain patient's self reported pain intensity & medical evidence, judgment of patient's emotional distress & pain intensity & pain-related disability, 1st yr medical students, 35968
clinical rating scales & patient self report, identification of substance abuse, psychiatric patients, commentary, 28476
clinical rating scales & patient self report, identification of substance abuse, psychiatric patients, commentary reply, 28465
cognitive & emotional aspects of mental construals of risk-related behavior & self reported car speeding, 18 yr olds, Norway, 24902
conceptual & methodological problems with self report checklists of coping with stress, 14465
concordance between reports of symptom severity, remitted schizophrenic 22–38 yr old outpatients vs their family members, 4150
construct validity of Beck Depression Inventory-II with regard to self reported depression & anxiety, 18+ yr old psychiatric patients, 28520
construction & pilot of rapid assessment self-report measurement tool, assessment of psychotherapeutic intervention effectiveness, 10–17 yr old female intrafamilial sexual abuse victims, 40789
construction & validity of Older Adult Disability Scale, assessment of attitudes toward elderly with disabilities, healthy 17–87 yr olds, 17657
convergent & discriminant construct validity of Dimensions of Interpersonal Orientation assessment kit, adolescents (mean age 13.5 yrs) & adults (mean age 27 yrs), Spain, 28454
convergent validity of Internalizing Symptoms Scale for Children & 3 self-report measures of internalizing problems, 8–12 yr old public school students, 37394
convergent validity of MMPI clinical scales & conceptually similar Youth Self-Report & Profile subscales, 14–18 yr old psychiatric inpatients, 17625
convergent validity of self-report & peer & teacher rating measures of risk propensity & relationship to self reported frequency of risky health behavior, elementary & junior high school students, 25007
correlation between aggressive response to provocation & self-report measures of depressive & anxious symptomatology, 18–40 yr olds, 40814
Counselor Evaluation Rating Scale scores to detect response-shift bias & effectiveness of counselor education program & counseling skill, student counselors, 3 yr study, New Zealand, 36879
cross-cultural generalizability of 8 cross informant Youth Self-Report & Teacher's Report Form, 5–18 yr olds with behavior problems & their teachers, Netherlands, 17638
data to support relationship between Rorschach & self report & MMPI, child & adolescent & adult psychiatric patients, 10465
demand features of interview vs questionnaire assessed subjective psychological states, 18–56 yr olds, 170
demographic factors & health behavior, self rating of health as good vs poor, 65 yr olds & older, 18652
demographics & psychological & cognitive factors, consistency between reports, inpatients (mean age 33.69 yrs) with alcohol use disorder with vs without mental disorder, 35821
depressive symptoms & overall self-rated health, 65 yr olds & older residing in rural low SES community, 41786
development & validation of Children's Hope Scale dispositional self-report index, 8–16 yr olds, 33993
development & validity of self-report in-basket exercise & suitability for use in personnel selection, managers & university students, Canada, 37581
development of revised questionnaire for assessment of predictive beliefs about self-reported aggressive behavior, 18–48 yr old males vs females, England, 28423
differences in self-reported pain during self-injurious behavior, 18–52 yr old females with borderline personality disorder, 39126
differences in self reports of self concept & traumatic symptoms & perceived social support & use of these reports in community-based treatment planning & case management, sexually abused 8–16 yr olds, 9437
differential comparison standards, agreement between job performance ratings, supervisors vs employees, 13934
dispositional factors as predictors of conservation behavior & self-reports of re-use/recycling vs observation of conserved objects, housewives, Mexico, 43907
evaluation of diagnostic methods for assessing depression with child as informant, 8 yr olds, Finland, 35559
exam recency & race & ethnicity & age & education & income & telephone vs mail survey method, accuracy of mammography self-report, 50–74 yr old females, 32766
factor analysis of self report scales, assessment of schizotypy, research review, commentary, letter, 91
factor analysis of self report scales, assessment of schizotypy, research review, commentary reply, letter, 102
factors affecting validity of self report data on visual fatigue from VDT use, 5839
faking personality of stockbroker vs librarian, validity of self report personality inventories vs objective measures of impulsivity, 18–54 yr olds, England, 5977
feminine vs androgynous guise of interviewer, gender self report responses, high vs low self-monitoring interviewees, England, 30541
frequency & intensity & content of self-reported fears, 6–13 yr olds with vs without mental retardation, 31482
group score profiles on Behavior Assessment System for Children Self-report of Personality, 8–11 yr old male alleged sexual aggressors, 12144
imaginal vs actual ease of self-generated product-related information, product favorability & attitudes, male business students, Germany, 43879
independent verification vs self reports of speech behavior, 24–74 yr old self recovered vs persistent stutterers vs nonstutterers, 16197
information about validity scales on Personality Assessment Inventory, assessment of underreporting of symptoms, college students, 25013
integration & interrelationship of performance-based Rorschach vs self-report-based MMPI assessment methods, 25026
intelligibility tests with hearing impaired listeners & self-ratings of ability to communicate with such listeners, speech clarity, adult speakers experienced with communicating with hearing impaired, 27062
intention to drink at upcoming party & self reported vs actual blood alcohol concentration, male vs female college students, application of theory of reasoned action, 26662
latency & selective non-disclosure in verbal self-reports, adults, 6297
level of cognition, concordance between self reported & nursing staff ratings of mood, elderly with dementia, 12650
midwife vs self-reported vs cotinine analysis classification of smoking status, pregnant females, Australia, 3723
minor symptoms & self ratings of personality, individuals recovering from major depression (mean age 51.7 yrs) vs bipolar disorder (mean age 43.0 yrs), 35566
nature & frequency of self vs informant reported psychiatric symptoms during interview, 16–69 yr olds with learning disabilities, England, 8374
negative affectivity, self report measures of job conditions & stress & psychological outcomes, new female teachers, 5776
occasion-to-occasion intraindividual variability in self-reported worldviews & religious beliefs, elderly adults, 3529
parental vs self report of emotional & behavioral problems on Child Behavior Checklist, 2–16 yr olds & their parents, Iceland, 4003
perpetrator sex, interpartner agreement in reports of abusive behavior in relationship, young couples, 19302
plasma d-amphetamine, drug effect time curves & subjective & physiologic & cardiovascular effects & development of tolerance, healthy male 22–31 yr olds, 6834

positive vs negative vs neutral picture series, eyeblink reflex magnitude vs corrugator supercilii muscle region EMG activity vs self-report measure of affective state, 18–22 yr olds, 25549
precision & order of presentation of response options & feedback about inconsistencies, self-reports by microcomputer of frequency of alcohol use, 17–71 yr olds in drinking driver treatment programs, 35808
premenstrual dysphoric disorder, perceptions of premenstrual females & self ratings of menstrual cycle-related symptoms, male vs female college students, conference presentation, 35548
priming, self-reports of experienced stressors & strains, working MBA students (average age 29.3 yrs), 40452
quality of life characteristics & validity of self report measure, 20–50 yr olds with schizophrenia vs bipolar disorder or major depression vs physical illness, Canada, 22693
random digit dial telephone vs self-administered school based surveys, sample demographic characteristics & self-reported drinking & driving behavior, adolescents, 41712
relative utility of self report measures to identify alcohol problems, research review, 6043
reliability & concurrent & predictive validity of self report measures of health & well being & number of prescription medications & medical symptoms, females aged 70 yrs & older, 40922
reliability & validity of anonymous vs nonanonymous satisfaction & motivation self-ratings, substance abuse patients (mean age 39 yrs), 37445
reliability & validity of Hopelessness Depression Symptom Questionnaire, adults, test appended, 34020
reliability & validity of self report format using DSM-IV criteria for Questionnaire for Eating Disorders Diagnoses, 15–51 yr old females, erratum, 21065
reliability & validity of self report format using DSM-IV criteria for Questionnaire for Eating Disorders Diagnoses, 15–51 yr old females, 17656
reliability & validity of student self-reports of school violence, 5th–12th graders, 36928
reliability of paper & pencil self report vs interview format, information about drug use severity, 22–50 yr olds seeking treatment for substance use disorders, 21052
reliability of self reporting of sick leave, 18–60 yr old employees with musculoskeletal pain, 37181
repeated food cues, physiological & subjective responses to food over time, 17–38 yr old females with bulimia nervosa, 42674
response bias in self-reported problematic cognitive & emotional functioning, litigating vs nonlitigating patients, 17509
response style, self-report & O ratings of psychopathology using MMPI & other response style measures, psychiatric inpatients (mean age 15.1 yrs), 37452
self-appraisal of cognitive difficulties & performance on the Wechsler Memory Scale-Revised & WAIS-R & MMPI-2, male patients with closed-head injury (mean age 46.4 yrs), 36087
self estimation of height & body weight, college students, 11732
self rated vs organizationally assigned job performance measures, reasons for & actual rate of turnover, 17–49 yr old army reservists, Canada, 17726
self rating & voice pitch & variation in pretreatment activation, prediction of acute vs late responses to light therapy, individuals with seasonal affective disorder (mean age 36.7 yrs), 36543
Self-Report Delinquency Scale & Personal Descriptive Scale scores, institutionalized vs noninstitutionalized delinquent vs nondelinquent 9th–12th graders, Australia, 39231
self report schizotypy measures, familial vulnerability to schizophrenia, relatives of probands with schizophrenia vs other nonaffective psychoses vs types of affective illness, Ireland & England, 30999
self-report screening questionnaire vs clinical opinion, estimation of prevalence & recognition of medically unexplained physical symptoms, general practitioners & 17–81 yr old primary care patients, 25065
self report vs actigraphic recordings of sleep, adult males with PTSD, 39078
self-report vs observer measures, assessment of substance abuse, homeless mentally ill (mean age 37.5 yrs), 14303
self report vs ratings of depression scales of onset & course of antidepressant effect of brofaromine vs imipramine, elderly vs nonelderly patients with major depression, 9124
self reported cognitive & emotional & motivational symptoms after concussion, literature review, 39504
self-reported concussion symptoms vs objective malingering test, assessment of feigned head injuries, college students vs patients 35 yrs old & younger with mild head injuries, 8623
self reported depression & observed interaction with 3 yr old, mothers, 11964
self-reported emotional distress, college student counseling center clients, 8 yr study, 10011
self reported English vs Panjabi use, British-Asian 15–16 yr olds, England, 18438
self-reported life satisfaction & competence motivation for achievement & affiliation, 60–89 yr olds, 41778
self reported memory deficits, psychological well being, African Americans aged 62 yrs old & older, 29981
self reported vs observed qualities of Myers Briggs Type Indicator psychological types, 40–55 yr old executives & managers, 26271
self reported vs structured diagnostic & clinician interview reported DSM-III-R symptoms of alcohol dependence, inpatients undergoing alcohol treatment, 4358
self reported worrisome thoughts, 5–12.9 yr olds with anxiety disorder vs with ADHD, 35676
self-reports & peer ratings & behavioral change in impulse strength & negative & positive expressivity, college students, 18962
self reports of cocaine use vs urine samples, male patients with cocaine dependence in outpatient therapy, 31307
self reports vs video analysis of deficiencies in airway management, anesthesia care providers, 24041
self vs expert reported emotion inhibition, prediction of blood pressure reactivity, college students & clinical psychology graduate students, 18954
self vs offspring assessed parental conflict, self esteem, 18–25 yr old college students, 41728
sex & accuracy of adult recollections of childhood sexual abuse & psychopathological outcomes, adults, longitudinal study, 19312
sex & defensiveness, self report vs thematic measures of depression, 6.1–16.7 yr old psychiatric inpatients, 22709
social desirability response, validity of self reports of treatment outcome, alcoholics, 9624
structured interview of SCID-II vs self-report test of MCMI-II, assessment of personality pathology, adult cocaine addicted outpatients, 34018
subjective duration ratings as index of processing resources in cognitive tasks, college students, 34200
subjective reports of vs actual memory impairment, 19–64 yr olds with Lyme borreliosis, 12664
symptom overreporting, combat veterans seeking compensation for PTSD from VA Medical Center, 26557
test retest reliability of Youth Self-report, assessment of psychological & medical & psychiatric functioning, adolescent institutionalized male delinquents, 2589
trait anxiety & social desirability, self-reported vs rated cross-situational variability, high vs low vs defensive-high anxiety vs repressor adults, 2474
Treatment Outcome Profile, reliability & validity of measuring quality of life & symptomatology & level of functioning & patient satisfaction, 34–57 yr old psychiatric vs substance abuse inpatients, 28483
triggers & experience & expression & outcome of anger, Russian vs American adults, 38772
type of health care service & patient social & demographic & health characteristics, validity of self reported health care utilization & distribution of reporting error, AIDS patients, 13276
underreporting of cocaine use at postreatment follow up, cocaine-dependent adults, follow up study, implications for the measurement of treatment effectiveness, 43453

undetected & self reported propensity to error making & individual differences in skilled cognitive performance, adults, 25247
usefulness & appropriateness of self-report checklist measures of coping in studies of adaptation to cancer, 28678
utilitarian & deontological ethical perspectives on use of bogus pipeline in social psychological research to motivate honest self reports, commentary reply, 28657
utilitarian & deontological ethical perspectives on use of bogus pipeline in social psychological research to motivate honest self report, conference presentation, 28658
utilitarian & deontological ethical perspectives on use of bogus pipeline in social psychological research to motivate honest self reports, commentary on conference presentation, 28677
validity issues in personality & attitude tests using voluntary self-descriptive methodology, 14256
validity of self-administered symptom intensity & distress questionnaire, 22–65 yr olds with schizophrenia or schizoaffective disorders, 6033
validity of self-report Self Monitoring Scale-R vs observer-based Q-sort measure, adults, 2547
validity of self-reported exposure to traffic, 3–14 yr olds, Australia, 10425
walking vs verbal report as perceived egocentric distance indicators in full vs reduced cue condition, 19–31 yr olds, 14493
women's reports of their partner's substance use/abuse vs partners' report & family violence, recovery & nonrecovery couples, 26671
years smoking & Heavy Smoking Index scores, self reported light headedness after 1st cigarette of day, 17–77 yr old smokers, implications for tolerance research, 18824

Self Respect [See Self Esteem]

Self Stimulation [See Also Brain Self Stimulation]—Serials

acute cocaine self-administration, daily number of cigarettes smoked, drug dependent inpatients (mean age 32.9 yrs), 19383
additional food as sensory stimulation, suppression of hand-mouthing behavior, inpatient & profoundly mentally retarded 30.5 yr old male, 19839
adrenalectomy vs corticosterone vs corticotropin-releasing factor vs metyrapone, reinstatement of heroin- vs foot-shock stress-induced heroin seeking behavior, male rats, 34708
aerobic exercise, self-stimulatory behaviors & academic performance, 14–15 yr old males with autism, 26771
analysis of cocaine self-administration under progressive ratio reinforcement, rhesus monkeys, 629
brain nitric oxide inhibition, ethanol self-administration & preference, male rats, 577
bromocriptine, chronic oral ethanol vs tap water self administration, male rats, 15064
buprenorphine &/vs concurrent access to nondrug reinforcer, cocaine self administration under FR schedules, male rats, 582
caffeine self-administration & subjective effects, adult cola drinkers, 38640
circadian rhythm of wheel running activity & self exposure to light, male golden hamsters, 29459
clocinnamox, alfentanil & nalbuphine self administration & thermal antinociception, rhesus monkeys, 21941
cocaine self administration & firing patterns of nucleus accumbens neurons during interinfusion interval, male rats, 18326
cocaine self-administration under progressive ratio schedules of reinforcement, 3 inbred strains of male rats, 18346
dopamine selective antagonists SCH 23390 vs raclopride, dopamine agonist SKF 82958 vs cocaine self administration, male rats, 7065
dopaminergic drugs, self stimulation & dopamine metabolism, rats with lesions to ventral field of tegmentum & medial prefrontal cortex reared in isolation vs in communities, 34691
drug dose, acquisition of amphetamine vs cocaine self administration trained by autoshaping, male rats, 21827
eticlopride vs naltrexone, responding maintained by food or self administration dose effect functions of cocaine &/vs heroin, male rats, 6919
expectation, subjective effects & dextroamphetamine vs placebo self-administration, adults, 616
initiation & maintenance & extinction of cocaine self administration with vs without conditioned reward, male rats, animal model of drug addiction & cocaine seeking behavior, 15084
iv cocaine self administration under concurrent VI schedules of reinforcement, rhesus monkeys, test of matching theory, 18353
lesions of basolateral amygdala, iv cocaine self administration & seeking behavior under 2nd order schedule of reinforcement & activity level, male rats, 18351
level of saccharin intake & food deprivation, rate of acquisition of cocaine iv self administration & subsequent self administration of oral ethanol, male rats, 6898
lever pressing for pulses under fixed variable vs interval vs ratio reinforcement schedule, electrical self stimulation rewards, male rats with lateral hypothalamic electrodes, 6622
locomotor response to novelty & prior exposure to amphetamine, amphetamine self administration, male rats, 21905
nicotine, reinstatement & spontaneous recovery of nicotine seeking & extinguished food-reinforced behavior, nicotine-experienced vs naive male rats, 29615
NMDA receptor antagonist pretreatment with dizocilpine, cocaine self administration, male rats, 15083
oral self selection of nicotine, A vs BUB vs C3H vs C57BL/6 vs DBA/2 vs ST/b strain inbred mice, 3270
ovarian hormones, self-administered heroin initiation & maintenance, male vs female rats, 640
predictable vs unpredictable footshock, self administration of oral fentanyl, male vs female rats, 29572
preferred maintenance of saccharin sweetened alcohol self administration vs isocaloric sucrose solution, male rats, 18300
priming of mesolimbic dopamine system with D1 vs D2 dopamine receptor agonists, cocaine seeking behavior, rats, implications for pharmacotherapy of cocaine addiction, 7066
prior nicotine & genetic factors, acquisition & maintenance & extinction of self administration, 4 rat strains, implications for involvement of operant conditioning or food deprivation, 18338
selective breeding for self administration of oral opioids & preference for high potency opioid etonitazene, rats, 6580
self adminstration of heroin &/vs cocaine, monkeys, 29587
suppresion of pain by genital stimulation, female humans & rats, literature review, 29454
ventral tegmental bicuculline, self stimulation thresholds & regional brain cytochrome oxidase activity, male rats, 7059
walking vs jogging, suppression of self-stimulatory behavior during academic programming, 5 yr old male with autism, 37094
1A/1B receptor specific 5-HT agonist CGS-12066B, 1A receptor specific 5-HT agonist GBR-12909 vs cocaine self administration, male rats, implications for dopamine mediated reinforcement, 15074

Self Talk—Serials

brain activation during inner speech & auditory verbal imagery, male schizophrenic hallucinators vs nonhallucinators, 22852
easy vs difficult & familiar vs novel paper folding & story sequencing tasks, microgenetic change in quantity & quality of private speech, 4.8–6 yr olds, Canada, 29778
individual differences in cognitive preferences & self-talk & imagery training, psychological skills & golf performance, 29–59 yr old amateur golfers, Australia, 24811
knowledge of inner speech, 4 vs 5 vs 6–7 yr olds vs adult college students, 29782
positive & negative self-statements & states of mind, treatment outcome, 8–13 yr olds with anxiety disorders, 8051
private & social speech, ability to identify own voice, 5 yr olds, 29781
private speech metacognitive content & creative ability, 5–6 yr olds, 18474

psychometric properties & discriminant validity of Automatic Thoughts Questionnaire—Positive, assessment of anxiety & depression, 11–18 yr old depressed vs nondepressed inpatients, 10446
rehearsal of positive & restructured negative self statements, self esteem & depression, college students with low self esteem, 3936
role of self-talk in cognitive model of childhood anxiety, 31095
self instruction & self monitoring verbalizations, 1st & 2nd grade regular education students & special education students mainstreamed into regular classes, 33516
self-talk package, performance improvement, 11–13 yr old figure skaters, Canada, 1 yr followup, 10153
transcendent & pathological characteristics of inner voices in historical & contemporary accounts, 15881
Semantic Differential—Serials
comparison of achievement attributions & dimensions in semantic differential classifications, adults, 7 countries, 15624
musical sequences &/or moving images, semantic differentials of audiovisual combinations, 20–37 yr olds, 10617
Semantic Generalization—Serials
connectionist study of semantic category imprecision & temporal lobe distribution of semantic knowledge, 29691
semantic & concept & lexical strategy formation, 61 yr old adynamic aphasic patient, 31782
semantic similarity in guilty knowledge paradigm, orienting response & skin conductance generalization, college students, 6763
Semantic Memory—Serials
access to semantic information during form & color matching tasks, college students, France, 14525
age & demographic & intellectual & biological factors, episodic & semantic memory & priming, 35–80 yr olds, 11379
age & education, semantic memory functioning, 35–80 yr olds, 3345
age at onset & severity of head injury & brain lesion characteristics, semantic & episodic memory, children (mean age 10.1 yrs), 12 mo study, 26998
attractors in linguistic space & sentence processing, university students, 41580
automatic lexical decision in semantic priming paradigm & intentional semantic relatedness judgments, adults with Alzheimer's disease, 4708
brain injury, public & autobiographical semantic & episodic memory, 38 yr old male with severe amnesia, followup study, 36158
category fluency & verbal definitions & picture naming & sorting & matching with words, semantic memory impairment, elderly patients with vascular dementia vs dementia of Alzheimer's type, UK, 36055
correlations between hard & easy verbal paired associates & episodic & semantic memory, male adults with mental disorders, 38851
criterion shift vs sensitivity to distortions, partial matching in semantic illusion verification of sentence accuracy, undergraduates, 14646
data vs conceptually driven processes in repetition priming of semantic comparisons, 17–27 yr old Air Force recruits, 308
deterioration of semantic networks, patients with mild vs moderate vs severe Alzheimer's disease, 23374
dissociating episodic & semantic & perceptual representation & procedural long term memory systems, literature review, commentary, 28976
dissociating episodic & semantic & perceptual representation & procedural long term memory systems, literature review, commentary reply, 28970
early hippocampal pathology, episodic & semantic memory, 14–22 yr olds with global anterograde amnesia resulting from brain injuries, commentary, 42798
early hippocampal pathology, episodic & semantic memory, 14–22 yr olds with global anterograde amnesia resulting from brain injuries, 42845
episodic & semantic memory in recall & describe tasks, trait self-descriptiveness judgments, college students, 22542
ERPs & RTs & semantic priming deficits in categorization, 67–81 yr olds with dementia of Alzheimer's type vs healthy 18–27 vs 63–86 yr olds, 1623
functional anatomy of distributed semantic processing system shared by words & pictures, 22–69 yr old males, implications for visual agnosia, 23482
generality of current information superiority, knowledge of celebrities vs understanding of contemporary vs obsolete monetary system vs autobiographical memory, 49 & 65 yr olds with semantic dementia, 31886
implicit vs explicit cue conditions, recall vs semantic vs serial clustering on memory tasks, adults with Parkinson's disease, 12687
individual differences, skilled memory search performance, old vs young adults, 3360
judgments of concept similarity & naming & comprehension, 18–72 yr olds with vs without aphasia, 16327
language rehabilitation, picture naming deficits & semantic memory, 19 & 40 yr old females with amnestic aphasia, 24354
lateral distribution of late brain EPs during evaluative vs semantic categorizations, adults, 3112
lexical semantic representation, patients with Alzheimer's disease, 1581
life transition phase & semantic vs lexical memory systems in knowledge of public events & names between 1930s & 1980s, adults, 38694
low dosage intracarotid amobarbital procedure & test paradigm, left & right brain hemisphere semantic & phonological & perceptual changes, patients with epilepsy, 24024
massed repetition of category name, subsequent semantic categorization of a target word as measured by N400 ERP component, 19–26 yr olds, France, 29416
mixed language sentences with identical vs semantically identical vs nonidentical across or within language target words, repetition blindness, monolingual vs bilingual undergraduates, 14632
morphological priming & standard & masked fragment completion & memory, connectionist approach to cognitive modeling, undergraduates, 28882
object orientation information in semantic & episodic memory, implicit & explicit memory test performance, college students, 10737
perceptibility of categorically vs noncategorically related pictures vs words, 18–40 yr old college students, implications for semantic memory access, 41089
phonological & orthographic processing, mentally retarded 10 yr old male with semantic memory impairment & hyperlexia, case study, 19465
pictorial vs semantic association, implicit vs explicit memory in cued recall, college students, France, 14656
pre-semantic acoustic adaptation, decrement in word meaning after rapid repetition, college students, 34282
priming of concrete & abstract nouns &/vs motion & nonmotion verbs with short stimulus onset asynchrony, category-specific deficits in pronunciaton task, Alzheimer's disease patients (mean age 73 yrs), 42787
psychological constructs of attention & word knowledge & memory & retrieval processes in word fluency, normally functioning 16–70 yr olds, 29687
regional cerebral blood flow during word retrieval task, English-speaking & German-speaking adults, 25503
remote memory in anterograde episodic & semantic memory tests of famous face & name recognition & identification & naming, patients with dementia of Alzheimer's type, 26982
